CHINA MOBILE LIMITED

中國移動有限公司

(Incorporated in Hong Kong with limited liability under the Companies Ordinance)

(Stock Code: 941)

ANNOUNCEMENT

The Board of Directors (the “Board”) of China Mobile Limited (the “Company”) announces that the Company was informed by the Company’s parent company, China Mobile Communications Corporation, that the Ministry of Industry and Information Technology announced on 7 January 2009 that China Mobile has received permission to operate third generation mobile telecommunications (“3G”) business based on the TD-SCDMA technology.

The Company will actively promote self-innovation and devote its efforts to the construction of the TD-SCDMA network and its operations and provide high quality and efficient 3G services to the public. At the same time, the Company believes that as an international standard for third generation mobile telecommunications, TD-SCDMA is an important milestone of China’s self-innovative technological development and the State will fully support the research and development, industrialisation and applications of TD-SCDMA. The implementation of relevant policies will result in active promotion and advancement to the Company and the TD-SCDMA industry.

By Order of the Board

China Mobile Limited
