CHILDRENS HOSPITAL LOS ANGELES HONOR ROLL OF DONORS

for the time period of January 1, 2009 through December 31, 2009

The excellent clinical care, research and medical education provided by Childrens Hospital Los Angeles are made possible by the generosity of so many in our community. The patients, families, staff and Board of Trustees of Childrens Hospital Los Angeles are grateful to everyone who has helped build and sustain our world-class institution.

We are proud to recognize individuals, organizations, corporations and foundations for their generosity during the 2009 calendar year. This Honor Roll lists donors who contributed \$1,000 or more in cash gifts, pledges or pledge payments. We also are proud to recognize those who have contributed gifts of \$150 to \$999 on the Red Wagon Society Honor Roll of Donors, available at www.chla.org/HonorRoll.

Foregoing individual recognition, we also extend heartfelt thanks to those who directed their philanthropy through one of our Associate and Affiliate or allied groups. Children's Miracle Network (CMN) gifts to CMN National will be recognized in a future issue of *Imagine*.

In spite of our best efforts, errors and omissions may occur. Please inform us of any inaccuracies by contacting Michele Phillips, assistant director of Donor Relations, at (323) 361-1788, or mphillips@chla.usc.edu.

Red Wagon Society

*The Red Wagon Society is named
in honor of the little red wagons
we use to transport young patients
around the hospital. Members of
this special society provide annual
support which helps us fight deadly
illnesses, repair life-threatening
injuries, create better medicines
and provide special training for
doctors and nurses. Members are
recognized in the Honor Roll of
Donors included in the electronic
edition of Imagine magazine for
contributions of \$150 to \$999.
Red Wagon Society members who
have given \$1,000 or more are Big
Wheels members and are included
in both the website and printed
versions of the Honor Roll. Visit

Endowment Funds

An endowed fund is a permanent fund established by a donor or our Board of Trustees, where the principal funds are held intact to ensure earning distributions in perpetuity. Annual interest earnings from an endowed fund provide a predictable, stable stream of support for the hospital program specified by the donor. The minimum gift to establish an endowment is \$25,000. PATIENT CARE

Childrens Hospital Los Angeles is one of only two pediatric medical centers nationwide to be recognized for excellence with all four of the following: *U.S. News & World Report* 2009 “Honor Roll” status, The Leapfrog Group’s 2009 “Top Hospital” award, the 2009-2010 Beacon Award for Critical Care Excellence and Magnet Recognition from the American Nurses Credentialing Center.

In 2009, Childrens Hospital became one of only 10 children’s hospitals in the country — and the only one on the West Coast — to be chosen for the 2009 *U.S. News & World Report* “Honor Roll.” In addition, the hospital was ranked in all 10 pediatric specialties.

HOSPITAL LEADERSHIP

In November, hospital officials announced the appointment of D. Brent Polk, MD, as vice president of Pediatrics and Academic Affairs at Childrens Hospital and director of The Saban Research Institute of Childrens Hospital Los Angeles. He also is chair of the Department of Pediatrics and vice dean for Clinical Affairs at the Keck School of Medicine of the University of Southern California. Dr. Polk joins Childrens Hospital from Vanderbilt University Medical Center in Nashville, Tenn., where he served as director of the Digestive Disease Research Center and chief of Pediatric Gastroenterology, Hepatology and Nutrition, and was a tenured professor.

THE SABAN RESEARCH INSTITUTE OF CHILDRENS HOSPITAL LOS ANGELES

Childrens Hospital created a new Center for Personalized Medicine (CPM) in 2009, headed by Timothy J. Triche, MD, PhD, chair of its Department of Pathology and Laboratory Medicine. The CPM will apply new knowledge of genomics, proteomics, bioinformatics and genetic analysis to the care of patients.

In the one-year period ending June 30, 2009, Childrens Hospital Los Angeles received \$30.5 million in extramural funding for biomedical research, including nearly \$24 million from the National Institutes of Health.

NEW HOSPITAL BUILDING

In December 2009, funds started arriving at Childrens Hospital Los Angeles from Proposition 3, the Children’s Hospital Bond Act, approved by voters in November 2008. (Childrens Hospital Trustee Elizabeth Lowe led a campaign for the initiative’s passage.) As a result, construction has resumed at full speed on the New Hospital Building.

This came on the heels of the difficult but prudent decision by Trustees in March 2009 to slow down construction, after California’s budget crisis and bond market freeze delayed the hospital’s receipt of \$98 million in Prop. 3 funds. The bond sale was expedited by a concerted effort on the part of Childrens Hospital leaders, Trustees Jeffrey Worthe and Chester Pipkin, Los Angeles Mayor Antonio Villaraigosa and actress, author and children’s advocate Jamie Lee Curtis.

HIGH-TECH COMMUNICATIONS

Childrens Hospital launched its new, interactive Web site in 2009, including the myCHLA Web portal, which lets visitors track topics that matter to them. The site provides easy access to the hospital’s social networking presences on Facebook, Twitter and YouTube.

COMMUNITY SUPPORT

The Noche de Niños star-studded gala, held in May 2009, raised more than \$1.8 million in unrestricted funds for Childrens Hospital. A number of hospital Trustees played instrumental roles in the event, including Cheryl Saban, PhD; Mary Hart; and Alex Meneses, Gala co-chair.

In September, the Nautica Malibu Triathlon raised more than \$1 million for Childrens Hospital’s Pediatric Cancer Research Program. •
