## 2017 Pledge Form

Mississippi Delta/Gulf Coastal Plains Combined Federal Campaign

# Thank you

## for participating in the 2017 CFC!

The Combined Federal Campaign (CFC) makes it easy to *Show Some Love* to your favorite causes. Whether you care about veterans services, disaster relief, cancer research, or wildlife preservation, the CFC has a charity for any cause you want to support.

The benefits of the CFC include:

1. You can **give to multiple charities at once** through a program that is federally regulated and fully audited.
2. Payroll deduction allows you to **give a little each pay period**, adding up to a significant gift at the end of the year.
3. Charities love the CFC because it **keeps fundraising costs low**, and the funds are unrestricted. They depend on these funds to have an impact on the communities they serve.
4. The campaign **has a collective impact**, allowing you to join with your co-workers to support those in need locally, nationally, and internationally.
5. New this year, you can **further your impact by volunteering** for the charities of your choice through the CFC.

# 2017 Charity Listing

Choose your cause and  
*Show Some Love* today.

[msdeltacfc.org](http://msdeltacfc.org)

Welcome to the Combined Federal Campaign (CFC). **COMBINED FEDERAL CAMPAIGN 2.0 is new and improved for 2017!**

As you are probably aware, some critical aspects of the CFC have changed in 2017, but the mission remains the same: to promote and support philanthropy through a program that is employee focused, cost-efficient, and effective in providing all Federal employees the opportunity to improve the quality of life for all.

As the Honorary Chairperson of the 2017 CFC, I would like to thank you for serving as part of a powerful Federal community that raises hundreds of millions of dollars to help important causes and individuals in need. Service as a campaign leader is a fantastic opportunity to network within your organization, increase your visibility, and hone your skills in management, strategic planning, communications creativity, problem solving, time management, and more.

This year, we will ask our colleagues to Show Some Love by making a pledge, via monetary gift or volunteer time, to one or more of the many worthy charities in the campaign. Together, we will help wounded warriors, provide medical care, feed the hungry, house the homeless, protect animals and the environment, and make a difference in countless other ways. The beauty of the CFC is that it is large and small at the same time. How is this possible? The CFC harnesses our collective power to positively impact the lives of millions of people while honoring our individual gifts to the causes we personally care about the most.

As mentioned, some aspects of the CFC are new this year, so please read this guide carefully to ensure your campaign runs in compliance with the new regulations. While these changes are designed to maximize the efficiency and effectiveness of the CFC, the key to success remains the same: personal contact between committed campaign workers and potential donors.

Thank you for continuing the proud 56-year tradition of the CFC and ushering this important program into a new era. Thousands of charitable organizations depend on our support. Now, let's make this the best campaign yet and Show Some Love together! **TOGETHER, LET'S SHOW SOME LOVE!!!**

Regards,

The Honorable Benjamin S. Carson, Sr., M.D.

Secretary

U.S. Department of Housing and Urban Development

2017 CFC Honorary Chair

# COMBINED FEDERAL CAMPAIGN

## What is the CFC?

The Combined Federal Campaign (CFC) is the only authorized solicitation of Federal employees in their workplaces on behalf of charitable organizations.

## What is the mission of the Combined Federal Campaign?

The mission of the CFC is to support and promote philanthropy through a voluntary program that is employee-focused, cost-efficient and effective in providing all Federal employees the opportunity to improve the quality of life for all.

## When did the CFC begin?

The CFC was created in 1961 to coordinate the fund-raising efforts of various charitable organizations so that the Federal donor would only be solicited once in the workplace and have the opportunity to make charitable contributions through payroll deduction.

Federal employees continue to make the CFC the largest and most successful workplace philanthropic fundraiser in the world. Continuing a long-standing tradition of selfless giving, in 2016, Federal employees pledged more than \$167 million dollars for charitable causes around the world. Since its inception, Federal employees have contributed more than \$8 billion to charities through CFC.

## What is the structure of the CFC?

The CFC is made up of 36 local campaign Zones that organize the annual fund-raising effort in Federal workplaces in the United States and abroad.

Each local campaign is managed by a Local Federal Coordinating Committee (LFCC), which serves as a "Board of Directors." The LFCC is comprised of Federal employees and representatives of labor unions and is responsible for the oversight of the local CFC. In conformance with CFC regulations and policies, the LFCC makes admission determinations for local charities.

The LFCC also supervises the local Outreach Coordinator (OC). That contractor is a small business hired by OPM to service the local Zone. The LFCC uses the OC to conduct marketing activities, arrange for events such as Charity Fairs, and educate charities and donors regarding the program. LFCC and OC information can be found at [www.opm.gov/cfc](http://www.opm.gov/cfc).

The Office of Personnel Management (OPM) regulates the CFC and provides guidance and oversight to the local campaigns (LFCCs and OCs).

OPM also contracts with a charity to serve as the Central Campaign Administrator (CCA). For 2017, that organization is The Give Back Foundation. The CCA is the organization responsible for developing and maintaining the CFC Online Donation System ([www.opm.gov/showsomelovecfc](http://www.opm.gov/showsomelovecfc)) and the charity application module ([cfccharities.opm.gov](http://cfccharities.opm.gov)), as well as making distributions to charities designated by donors.

## What is new for 2017?

Three innovations for 2017 include:

- One common online portal for Federal employees to use when giving to charity through CFC ([www.opm.gov/showsomelovecfc](http://www.opm.gov/showsomelovecfc));
- The ability of Federal employees to volunteer for qualified charities; and
- The ability of Federal annuitants and military retirees to donate via a deduction from their retirement pay.

## How is public accountability ensured?

OPM is accountable for assuring Federal employees that their designations are honored and distributed to the charitable organizations of their choice. OPM achieves this in several ways:

1. OPM maintains eligibility and public accountability criteria that all participating CFC charities must meet. For details, see CFC Regulations in 5 CFR Part 950 at [www.opm.gov/combined-federal-campaign/reference-materials/](http://www.opm.gov/combined-federal-campaign/reference-materials/).
2. On an annual basis OPM makes admission decisions for all local, national and international charity applicants and resolves charity admission appeals.
3. OPM sets strict requirements and provides on-going guidance for the activities and conduct of the CCA, the LFCC and the OC. The fiscal integrity of the campaign is verified by OPM compliance and financial audits completed by an independent CPA or the OPM Inspector General.

## What is the CFC Charity List?

The Charity List is a web-based and paper display of local, national, and international organizations that have met CFC eligibility requirements. A sample charity listing is shown below with key elements shown in italics. Key elements include: the organization's five-digit CFC code, the IRS Business Master File name shown in parentheses if it is "doing business as" another name, a 25-word statement of purpose (except in abbreviated listings), and its administrative and fund-raising expense rate (AFR).

## Making Informed Giving Decisions

The EIN, AFR, and the Service Categories are included to help you identify organizations that meet your interests and performance standards.

The **Employer Identification Number (EIN)** is issued by the Internal Revenue Service (IRS). It can be used for obtaining additional information about an organization from the IRS (877-829-5500). *Please Note:* Some organizations may be covered under an umbrella organization's tax exemption status and EIN.

The **Administrative and Fund-raising Rate (AFR)** represents the percentage of dollars spent on expenses other than services. It is calculated as a percentage of the organization's total support and revenue. Donors concerned about an excessive AFR should contact the organization and/or review its IRS Form 990, which is available to the public, for a complete explanation. Each situation is unique. Donors may contact the charity directly and/or industry oversight organizations in order to better understand the financial status, service delivery record, and governance policies of the charity before donating.

The **Service Categories (Taxonomy Codes)** categorize the types of services that most charitable organizations offer. Charities self-select up to three alpha-codes (shown below) for inclusion in the CFC charity list. Charities that did not select at least one category are assigned "Z" for the "Other" category.

The 26 service categories are derived from the National Taxonomy of Exempt Entities (NTEE) classification system. This system, developed by the National Center for Charitable Statistics, is widely used in the non-profit community.

For additional guidance on selecting charities, visit the CFC website at <http://www.opm.gov/cfc/html/qfd.asp>.

## Can I Give to a Participating CFC Charity which is not Listed in My Local CFC Charity Zone?

Yes. Donors may pledge to any of the charities that applied for and were approved to participate in any CFC region or Zone. This is commonly referred to as CFC All-Around Giving. You can search through an online list by visiting the OPM Online Donation System ([www.opm.gov/showsomelovecfc](http://www.opm.gov/showsomelovecfc)). The CFC All-Around Giving list is available only electronically. You can make your pledge by entering the five-digit code in your online gift or on your local campaign region's pledge form.

## Do I Have to Give Through The CFC?

No. Participation in the CFC is strictly voluntary.

Coercion is forbidden. You have the right to not be improperly influenced regarding your decision to give or not to give through the CFC. Prohibited practices include, but are not limited to: supervisors soliciting the employees they supervise; setting 100 percent participation goals; providing and using donor lists for purposes other than the routine collection of contributions; establishing personal dollar goals and quotas; and developing and using lists to identify non-contributing employees.

If you prefer, you may donate to the CFC anonymously by placing your confidential gift in a sealed standard envelope.

Civilian employees may register complaints about coercion with the LFCC and contact their personnel offices; military or civilian personnel in the Department of Defense (DoD) should contact the LFCC or their commanding officers. If the issue is not resolved satisfactorily, military personnel may also contact the DoD Washington Headquarters Services at (703) 697-7971.

## Can I Specify Which Organization Will Receive My Contribution?

Yes, the CFC encourages donor designations. By designating the five-digit code of the charity or charities of your choice, you ensure that your donation goes to meet the needs that you feel are most important. Simply designate the organization(s) of your choice when completing your on-line pledge or where indicated on your pledge form by entering the five-digit code and the amount you wish to pledge. Additional designations may be completed on a second pledge form. Except for the potential of a distribution fee to help with the operational costs of the CFC, all contributions are distributed as designated.

There is no limit to the amount of contributions an organization may receive through the CFC. There is also no limit to the number of participating charities to which you may designate a contribution in the online system or via a paper pledge form. To give to more organizations than can be added to the paper pledge form, complete additional pledge forms and staple them together. The top pledge form must contain the sum of all pledges.

*You cannot designate to an organization that has not been approved for participation in the 2017 CFC. Adding organizations that do not appear in your local CFC Charity List or in the "CFC All-Around Giving Search Tool" at [www.opm.gov/cfc](http://www.opm.gov/cfc), is prohibited by CFC regulations and donations to such organizations will not be accepted.*

## How do I pledge through the CFC?

Visit CFC Donor Pledge System at [opm.gov/ShowSomeLoveCFC](http://opm.gov/ShowSomeLoveCFC) to create an account and pledge to the charities of your choice. You also can use a paper form for the next five years.

## Can I use my government email account or personal email account when setting up my donor account?

New users will be asked to enter their email and select a password. Either a government or personal email can be used for this purpose.

## When will my first contribution be deducted from my payroll?

Your contribution will be deducted in the first full payroll period occurring after the solicitation period end date. This year, that period ends on January 12, 2018.

## As a federal employee, what payment methods can I use to pledge to the CFC?

Payroll deduction can be used to fund recurring donations from your salary. Credit card and ACH can fund both one-time and recurring donations. Visit the CFC Donor Pledge System at [opm.gov/ShowSomeLoveCFC](http://opm.gov/ShowSomeLoveCFC) to create an account and pledge to the charities of your choice.

## **If a donor makes a CFC payroll deduction are those contributions taken pre-tax or after-tax?**

While tax deductible, CFC deductions are not pre-tax. Federal law does not allow for charitable donations through payroll deduction (CFC or any other payroll deduction program) to be done pre-tax. Donors who are eligible to itemize charitable contributions on income tax returns may include contributions made through the CFC. Donors should contact a tax advisor for more information.

## **I am a current CFC donor and would like to continue my pledge into the next year. Do I have to complete a new pledge form or create an account?**

Yes. CFC payroll deduction allotments cover the first pay period after the solicitation period ends and goes through the last pay period that begins in that same calendar year. Charities that participate in the CFC must submit a full or partial application demonstrating continued compliance with the CFC regulations. Due to changes in charity participation, donors must complete a new pledge form each year to indicate the charities to which they wish to designate a contribution.

## **Is it possible to make a one-time gift via credit/debit card?**

Yes, you can fund your pledge with a credit card, debit or via ACH.

## **Can I set up a recurring credit/debit card pledge?**

Yes. Ongoing or recurring giving is processed monthly, starting in the same month after the official solicitation period ends of the campaign year and can be processed by payroll, credit card, or bank account. Recurring giving processed via credit card or bank account will occur monthly. Recurring giving processed by payroll deduction will begin with the user's first payroll date following the end of the official solicitation period.

## **How do I find a charity?**

You can either use the printed charity listing for your Zone or search on-line. Online, simply select the Pledge Now button. You will be able to search for charities a variety of ways (e.g. by charity name, EIN, category, location, CFC zone, administrative fundraising rate, volunteer time, FSYA, FSYA and MWR).

## **How many charities can I pledge to?**

There is no limit to the number of charities you can pledge to.

## **Is there a limit to how much I can pledge?**

If electing payroll as the funding source for your pledge, the annual maximum contribution is \$9,999. If selecting credit/debit card, or ACH/bank account, the online maximum contribution is \$99,999. If wishing to donate an additional amount, please contact OPM for instructions.

## **What Are Federations and Independent Organizations?**

A federation is a charitable organization that provides common fund-raising, administrative, and management services to its member organizations. Member organizations may pay dues or fees to that federation as a service charge. Federations must charge those dues or fees to charities. They cannot simply deduct those amounts from CFC pledges prior to disbursement to member charities. Independent organizations are not members of a federation and participate in the CFC on their own.

For additional information on a particular federation and any dues/fees charged to its members, either contact the federation, its members, or review the federation's annual report.

## **How Do I Designate a Federation, Or Alternatively, One of Its Members, To Receive My Contribution?**

If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding five-digit code number on your pledge form. The federation name will be listed at the top of the list of the federation's member organizations. Contributions designated to a federation will be shared in accordance with the federation's policy. If you wish to designate all or some portion of your contribution to an affiliated federation member organization, please record the affiliate organization's corresponding five-digit code number on your pledge form.

## **How Do I Designate an Independent Organization to Receive My Contribution?**

You may wish to designate to an independent organization that is not affiliated with a federation. Simply enter that organization's five-digit code number on your pledge form.

## **What If I Choose Not to Specify an Organization or Federation to Receive My CFC Contribution?**

All funds contributed to the CFC must be designated to a specific organization or federation. The CFC no longer collects or disburses undesignated gifts.

## **What Happens if the Organization I Select Goes Out of Business Before All Funds Have Been Disbursed?**

The CFC will disburse funds to designated charities until it is notified that the organization is unable to accept any further funds due to closure. The CCA will contact a donor to see how to disburse remaining funds.

## **What Is the International General Designation Option?**

If you wish to have your contribution distributed proportionately among all international organizations that receive designated gifts, you may do so by entering the five-digit code: 11111 on your pledge form.

## **What Is the Payroll Deduction Option?**

Payroll deduction makes it convenient for you to give by spreading your contribution across the entire year. Last year, more than 70% of all CFC funds raised were made through payroll deduction. Payments on payroll deduction pledges begin on the first pay period beginning in January and conclude with the last pay period beginning in December. There is no simpler way for you to make a difference than to contribute using payroll deduction. Payroll deduction helps you care for your community and your world.

## **Will I Receive a Receipt for My Contribution?**

You should print a copy of your online receipt or make a copy of your paper pledge form in addition to keeping your final Leave and Earning Statement (if you made a payroll deduction contribution), as a receipt of your pledge. A Federal employee who makes a one-time (cash, check, or money order) contribution must maintain a bank record and a copy of the pledge form to show the name of the organizations contributed to, the date of the contribution, and the amount of the contribution. Local campaigns can be found on the website <https://www.opm.gov/combined-federal-campaign/find-local-campaigns/>. You should consult a tax adviser to determine if additional verification of the donation is required by the IRS.

## **What Are the Costs of the Campaign?**

Local campaign costs vary among the 36 CFC Zones. The average amount of expenses related to pledges in the 2016 campaign period (the most recently available) was 15%. These funds were required to print materials, train volunteers, audit contributions, and other administrative duties. All local campaign costs are reviewed and approved by the LFCC governing the local campaign. On average, this cost is low compared with other fund-raising campaigns; therefore, donating to a charity through the CFC ensures every dollar you pledge goes a very long way toward helping others.

Starting in 2017, CFC cost recovery is changed from prior systems. The costs of outreach approved by OPM and the LFCC, training and traveling for the LFCC, and CCA is recovered through application fees, listing fees and distribution fees paid by charitable organizations.

## **How is the fee structure determined?**

The fee structure is determined annually by the Director based on estimated costs of administering the central campaign and local marketing efforts. This structure will be announced no later than October 31 of the year preceding the campaign. Any excess funds from applications fees over expenses will be rolled over to the following campaign and be considered when setting the rates.

Marketing expenses will not exceed a percentage of receipts as determined by the Director. No expenses for food or entertainment may be reimbursed to the Outreach Coordinator. Only travel-related food expenses may be reimbursed to the LFCC in accordance with the Federal Travel Regulations.

## **When are fees recovered?**

Charity application fees are due at the time of the filing of the application or the application deadline, whichever occurs last. A charity that has not paid the full application fee at that time may not participate in the CFC that campaign year.

An additional listing fee is applied to all charities approved for participation. These charities will not be listed in paper or electronic Charity Lists, and CFC contributions will not be processed on their behalf, if they do not submit the listing fee prior to the annual date set by OPM.

The distribution fee will be assessed against pledges received should the application and listing fees not cover all the costs of the campaign.

## **What Is On-line Pledging or E-Giving?**

On-line pledging and E-giving, in general terms, mean that donors have the additional pledging tools of the charity list and pledge form available to them "on-line" or on the internet or intranet.

In 2017, OPM is introducing a national CFC Online Donation System accessible to all employees at work, at home or via mobile-friendly websites viewable on smartphones and tablets. This new system ([www.opm.gov/showsomeovecfc](http://www.opm.gov/showsomeovecfc)) replaces any former systems in use.

This paperless process is one-way CFC is striving to "go green", and reduce administrative costs related to the processing of pledges.

## **The CFC code I used last year to give to an organization cannot be found when searching on the website. Can I still give to that organization?**

CFC codes may change from year to year, so you may need to find the new code for the organization. When searching, try using the organization's Employer Identification Number (EIN) or their name. If you are still having trouble finding the organization, you may want to verify with the organization that they are still listed in the CFC and if so, what their new CFC code is for the 2017 CFC.

## **When did the CFC allow for the solicitation of Federal employees for volunteer time to participating CFC charitable organizations?**

Executive Order 13743 was issued which allows Federal employees and members of the uniformed services to make pledges of volunteer time through the CFC in addition to financial contributions. The 2017 CFC is the first year that CFC allows donors to pledge volunteer time to charitable organizations. Visit CFC Donor Pledge System at [opm.gov/ShowSomeLoveCFC](http://opm.gov/ShowSomeLoveCFC) to search for charities that offer volunteer opportunities and pledge time.

## **How do I pledge volunteer hours?**

Donors can pledge volunteer hours when completing their pledge. The online charity listing identifies charities that are participating in soliciting volunteer time from Federal employees. Donors can search the charities that offer volunteer opportunities and indicate the number of hours they would like to pledge to the charities of their choice. Visit CFC Donor Pledge System at [opm.gov/ShowSomeLoveCFC](http://opm.gov/ShowSomeLoveCFC) to search for charities that offer volunteer opportunities and pledge time.

## **What if a CFC donor pledges volunteer hours but does not actually perform the hours?**

The CFC expects that all donors honor their pledges, both monetary and volunteer time; however, donors are allowed to cancel their pledges at any time.

## **Will the government insure volunteers from loss or bodily injury while volunteering with my organization?**

CFC donors who pledged volunteer time to charities and are using administrative leave to fulfill the obligation should refer to their agency policies. CFC donors not using administrative leave are not covered by workman's compensation if injured while doing volunteer work.

## **Are the federal donors representing their agency when they volunteer with charity organizations?**

Volunteers fulfilling volunteer time via the CFC program are not on official Government business. They are not allowed to represent themselves as a Government employee (by word, action, clothing, etc.). CFC donors who pledged volunteer time to charities and are using administrative leave to fulfill the obligation should refer to their agency policies and guidelines.

## **How does the charity organization contact donors that pledged volunteer hours?**

When a CFC donor pledges monetary or volunteer donations, they have the option to indicate whether or not their information is releasable to the charity. If the answer is "yes", the charity will receive the donor's contact information. Charities receiving contact information are allowed to contact the donor directly. In a campaign year, typically about 10% of Federal donors give permission for the CFC to release their information to the charities they support. However, many Federal donors consider the ability to give anonymously as one of the benefits of giving through the CFC.

## **What if I need a tax receipt for 2016?**

To obtain copies of your tax receipts prior to 2017, contact your Zone for the listing of your Principal Combined Fund Organization (PCFO).

## **How do I cancel my CFC payroll deduction?**

CFC payroll deductions may be cancelled at any time, but this is the only change permitted outside the official solicitation period. If you cancel your pledge during the official solicitation period, you cannot submit a new pledge. From Your Pledge screen, select and click on Cancel Balance at the top right. You will be asked to confirm your cancellation. Select and click on Yes, cancel pledge to continue. Cancellation will then be confirmed at the top of the Your Pledge screen.

If you submitted a paper pledge form, contact the CFC Help Desk at The Give Back Foundation to cancel your pledge.

## **Visit the CFC Homepage**

For information about the CFC, including details on the public accountability standards for participating charities, how to contact your local CFC campaign, and more, visit the CFC Home Page at [www.opm.gov/cfc](http://www.opm.gov/cfc) or pledge online at [www.opm.gov/showsomeovecfc](http://www.opm.gov/showsomeovecfc).
