

C8CHCCTVKITD1080 8-Channel AHD CCTV Surveillance

Product Images

Short Description

- Built-in infrared LEDs for night viewing of up to 40m
- Wide operating temperature (-30°C to 60°C)

- H.264 compression for efficient data transfer and storage
- Built-in USB port for backup, firmware upgrade and mouse
- Supports iPhone/Android remote viewing over the Internet
- 1080P real time, full screen, high resolution recording
- One 3.5 disk slot supports disk capacity of up to 6TB
- Built-in infrared LEDs for night viewing of up to 20m
- Wide operating temperature (-10°C to 55°C)
- Supports VGA, HDMI output
- Weatherproof IP66-rated

Description

The Conceptronic 8-Channel 1080P CCTV Surveillance Kit offers an ideal way to monitor a large house or building premises, for situations requiring professional-level surveillance. With superior quality, high-definition cameras stationed on all sides of the building, all access points can be securely watched at all times of the day and night. Sophisticated software allows easy monitoring of all eight cameras from any PC, laptop, tablet or smartphone. Cameras all conform to Weatherproof standard IP66, and operate in temperatures from -10°C to 55°C. Built-in infrared LEDs support night monitoring for distances up to 20 metres, providing crystal-clear images at any time, under any conditions. The quality cameras also offer full-screen, high resolution recording and playback. Storing your data is made easy and efficient with a high compression rate and one SATA HDD drives for recording up to 6TB of data (6TB per HDD). Everything you need for safe, secure surveillance of your home or business, providing the utmost in peace-of-mind.
