

\$200 OFF eLearning Suite for Captivate Customers

Hurry, offer ends December 31, 2011

Adobe eLearning Suite 2.5 software

Boost productivity—Develop more eLearning content, faster, using out-of-the-box assets and roundtripping workflows. Collaborative efficiently, publish to multiple channels and devices, and track your SWF, PDF, or HTML eLearning content, without programming.

Unleash creativity—Give your eLearning content a complete makeover using world-class tools for authoring, simulation, and media editing. Make the eLearning experience come alive for your users with graphics, animations, audio, and videos.

Get more value for your money—Benefit from value-added functionalities such as templates, an asset library, and a multi-SCO packager.

Adobe eLearning Suite 2.5 combines:

Adobe Captivate 5.5
 Adobe Flash Professional CS5.5
 Adobe Dreamweaver CS5.5
 Adobe Photoshop CS5 Extended
 Adobe Acrobat X Pro
 Adobe Presenter 7*
 Adobe Audition CS5.5

Additional components:

Adobe Bridge CS5
 Adobe Device Central CS5.5
 Integrates with
 Adobe CS Live services†

Awards for previous version of
 Adobe eLearning Suite

Top reasons to buy Adobe eLearning Suite 2.5 software

Complete eLearning toolbox—Take advantage of world-class Adobe tools for rapid eLearning content creation, courseware authoring, simulation, media editing, and hosting. Get everything you need to create and maintain professional eLearning experiences that engage audiences with multimedia and interactivity.

Efficient development—Work productively with all the right tools, extensions, and integrated workflows at your fingertips. Turn the contributions of subject-matter experts into engaging eLearning content using Adobe Captivate® 5.5 and Adobe Presenter 7†. Further enhance your content to create robust courseware using Adobe Flash® Professional CS5.5 and Adobe Dreamweaver® CS5.5.

World-class media editing—Create animations and interactive content with Flash Professional CS5.5. Enrich images with the advanced capabilities of Adobe Photoshop® CS5 Extended. Record, edit, and enhance audio using Adobe Audition® CS5.5.

Authoring for mobile devices including smartphones—Easily author content for mobile devices, including smartphones, using the tools you already know. Preview and test your content on a broad range of devices with Adobe Device Central CS5.5.

Tracking of PDF-based eLearning content—Create PDF-based eLearning content using Adobe Acrobat® X Pro and publish it to leading Learning Management Systems. Track course metrics with ease and evaluate learner performance.

†Adobe online services, including Adobe CS Live Services, are available only to users 13 and older and require agreement to additional terms and Adobe's online privacy policy (available at www.adobe.com/go/terms). Online services are not available in all countries or languages, may require user registration and may be subject to change or discontinuation without notice. Additional fees or subscription charges may apply.

*Available only on the Windows® platform.
