Dear Colleague,

We are pleased to present you with the **Cooper University Health Care 2022/2023 Referral Directory**. This directory is designed to provide you and your team with the latest information about Cooper's physicians, advanced practice providers, locations, and clinical services.

As the leading academic health system in Southern New Jersey, we are continually expanding our programs and services. This directory will help to familiarize you with the services and providers at all Cooper locations.

The Cooper Health Sciences campus in Camden (see map on the inside back cover) is home to Cooper University Hospital, Cooper Medical School of Rowan University, MD Anderson Cancer Center at Cooper, and numerous outpatient offices and services at the Sheridan Pavilion.

We offer primary and specialty care at more than 100 outpatient locations throughout Atlantic, Burlington, Camden, Gloucester, Cumberland, Salem, and Mercer counties.

Our multispecialty campuses in Cherry Hill, Voorhees, Willingboro, and Egg Harbor Township offer patients convenient access to advanced services close to home. And in 2023, Cooper will be opening a new, state-of-the-art multispecialty center in Moorestown, adjacent to the Moorestown Mall.

Our Cooper Urgent Care Centers in Audubon, Cherry Hill, and Cinnaminson are staffed by Cooper's renowned emergency medicine physicians and advanced practice providers—offering the community an unparalleled level of urgent care.

As always, you can visit **CooperHealth.org** for updated physician profiles and new patient programs.

We welcome the opportunity to provide your patients and their families with the best possible care and treatment.

Sincerely,

A stylized, handwritten signature in black ink, consisting of a large, sweeping 'K' followed by a horizontal line.

**WALK-IN URGENT/EMERGENT CARE****NO APPOINTMENT NECESSARY/RESERVE MY SPOT**

The Cooper Urgent Care Center provides medical care on a walk-in basis – no appointment is necessary. Board-certified emergency medicine physicians treat a range of health issues with the added benefit of X-ray services at this same location. The Cooper Urgent Care Center is available when care cannot be delayed until an appointment at a physician office is available. Patients may reserve a spot ahead of time by visiting [cooperhealth.org/urgentcare](http://cooperhealth.org/urgentcare) and clicking on the **Reserve My Spot** link.

**Convenient • Service Oriented • Less Cost than Emergency Room Visit**
