

New J series Speakers

SP-J200: 5 watt RMS Stereo speakers

SP-J330: 8 watt RMS Stereo speakers

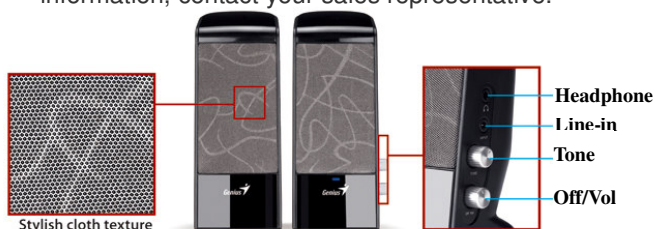

Genius now releases its new stereo stylish speaker system, J series. This includes the SP-J200 (five watts) and the SP-J330 (eight watts) for PC or mp3 player. The new J series provides high quality acoustics with a built-in high performance 2" unit driver. Its surface is a high glossy interface and the unique stylish cloth texture makes both systems look elegant. This stylish and sleek looking design is ideal for your PC and notebook as well. Other features include a line-in jack, headphone jack, volume, and tone adjustment. SP-J330 has an extra 3D surround effect. If you want an elegant stylish 2.0ch speaker, the J series speaker system will be your best choice. For more information, contact your sales representative.
