

Class of 2021

49th

Commencement Ceremony

May 15, 2021

6:30 p.m.

Sam Boyd Stadium

Oh, the places
you'll go!

Congratulations Graduates!

This is an exciting time, enjoy it! Whether you're about to join the workforce or transfer to another institution, we know you'll prosper in our community.

And if this memorable occasion has motivated you to complete your degree or start working on a new one, your future can start here too.

2021 Student Commencement Speaker

SHARICA LEE

Sharica Lee is thrilled by the opportunity to represent the College of Southern Nevada's Graduating Class of 2021! Sharica graduates from CSN with an associate degree in Psychology and is scheduled to attend UNLV this fall to pursue a bachelor's degree in Psychology with a minor in Addictions Treatment.

Apart from her academic accomplishments, Sharica is a caregiver, mother and proud spouse to a disabled U.S. Army veteran. She says her foundation in God and family support keeps her grounded. Sharica also enjoys serving her community and is currently training to become a Biblical Care Coach at her local church. This training is where psychology meets spirituality in hopes to bring humanity closer to optimal wellbeing.

Sharica is a visionary and has aspirations of earning a doctorate degree in Clinical Neuropsychology, open a private practice, and establish herself as a strong Nevada leader, educator and motivational speaker. Her mission seeks to bring together her passions of purpose and helping others persevere, just as she has, in areas of self-discipline, spirituality, mental health, and emotional intelligence.

Sharica will remain an engaged student at UNLV by applying to the Neuropsychology Research Assistant Volunteer position, hoping for the opportunity to develop further her research and leadership skills. Joining the Psi Chi International Honor Society and UNLV's Psychology Club Chapter are also among her immediate goals.

At CSN Sharica gained confidence, became a better leader, and found academic success. She sincerely thanks all CSN staff and the faculty and mentors who have inspired her and shaped her journey to become a future Nevada leader.

Each year, the CSN student commencement speaker is offered a scholarship that pays all in-state registration fees for a full-time student at any Nevada System of Higher Education institution for up to two years. Beginning in the 2018-2019 academic year, the scholarship became known as the Dr. Michael D. Richards Student Commencement Speaker Scholarship. Dr. Richards, who served for eleven years as CSN's president, was a student success champion who saw more students graduate during his tenure than any other CSN president.

Forty-Ninth Annual Commencement Ceremony

CHIEF OF STAFF & CHIEF DIVERSITY OFFICER
CLOSING REMARKS	DR. FEDERICO ZARAGOZA
RECESSIONAL	MUSIC

Honorary Degree Recipient

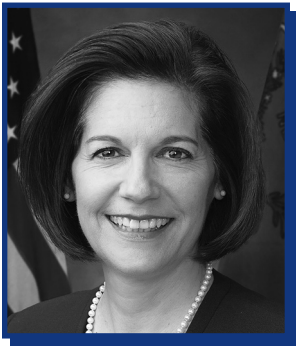

JACQUELINE DENNIS

Jacqueline Dennis, who was the first of her family to attend college, graduated from CSN in 2013 with an Associate of Applied Science in Surgical Technology. She now acts as a Certified Surgical Technologist active in the trauma unit of a major hospital, where she has been for the past seven years. Her selfless response during the COVID-19 pandemic has inspired others in the medical field.

Apart from her own active position, Jacqueline has been instructing classes of clinical labs for CSN's Surgical Technology program in the Reno Division for the last four years, working to bring those interested in the career into the workforce. Last year she continued to work in the operating room when others could not. She has helped countless COVID patients who needed care. When Las Vegas clinical sites were no longer taking students from CSN, Jackie made sure those who could travel to Reno were able to finish clinical rotations there.

As well as mentoring her clinical lab students, she has also taught classes at Truckee Meadows Community College and is pursuing a bachelor's degree from Nevada State College.

U.S. SENATOR CATHERINE CORTEZ MASTO

Born and raised in Las Vegas, Senator Cortez Masto is a graduate of the Nevada System of Higher Education, earning her degree from the University of Nevada, Reno in 1986, before earning a J.D. from Gonzaga University School of Law in 1990. She served two terms as Attorney General of Nevada and in November 2016, she made history by becoming the first woman from Nevada and the first Latina ever from Nevada elected to the United States Senate. Since then, Senator Masto has taken on the tough issues of healthcare, immigration, affordable housing, renewable energy, and so much more.

Keynote Speaker

U.S. CONGRESSWOMAN SUSIE LEE

Congresswoman Lee, representing Nevada's 3rd congressional district, was raised in a working-class family and used a combination of loans, part-time jobs and perseverance to graduate from Carnegie Mellon University in Pennsylvania, where she earned both her bachelors and master degrees. She has been in Las Vegas for more than 25 years, working to help improve the education system by working directly with students. In Congress, she is a strong advocate for education, making sure to work across the aisle to find solutions, and is a member of the Appropriations Committee.

Commencement Tradition

Colorful variations in academic robes and accessories in today's Commencement Ceremony display a deep tradition and meaning.

Academic wear has its origin in medieval ecclesiastical garments, first worn at Oxford and Cambridge in the 14th century. In the United States, it dates from colonial times. In 1895, an American code was set up to establish uniformity of practice in the wearing and design of mortarboard, hoods, gowns and tassels.

Variations in color and design of the graduation gown designate each level of degree: associate, bachelors, masters, and doctoral.

At the master's and doctoral levels hoods are worn. The lining of the hood represents the official colors of the institution conferring the degree. Today you will see several with silver-gray and scarlet linings representing the University of Nevada, Las Vegas and silver-gray and blue linings, which represent the University of Nevada, Reno.

The velvet border on the hood represents the academic area of the degree. For example, Arts and Letters, white; Law, purple; Medicine, green; Theology, scarlet.

CSN graduates represent three national honor societies for academic excellence.

The students with Greek letters after their names and wearing gold stoles are graduating members of *Phi Theta Kappa*. These students commit themselves to upholding the hallmarks of leadership, scholarship, fellowship, and service.

Sigma Chi Eta is the official community college honor society of the National Communication Association. CSN students wearing gold and purple honor cords are members.

Sigma Phi Alpha members are dental hygiene honor graduates, who wear white satin stoles with gold keys.

College of Southern Nevada Profile

The College of Southern Nevada empowers our students and communities to achieve, succeed, and prosper.

The largest and most diverse higher education institution in Nevada, CSN has three main campuses in Las Vegas, North Las Vegas and Henderson and multiple sites and centers.

Students can choose from more than 180 degrees and certificates in more than 70 academic programs, including degree options in high demand fields such as healthcare and information technology. We also offer 27 degrees and certificates entirely online.

Led by CSN President Dr. Federico Zaragoza, CSN is divided into six academic schools and the non-credit Division of Workforce & Economic Development, which provides workforce training, personal enrichment and customized business training opportunities for the community.

The College boasts a national champion NJCAA baseball team, and nationally competitive women's volleyball, softball and men's and women's soccer teams. CSN is also home to one of the largest honors societies in the country for community colleges, an active student government and many student clubs and intramural sports.
