

Native Grasses within the BCCER

<u>SCIENTIFIC NAME</u>	<u>COMMON NAME</u>	
<i>Achnatherum lemmonii</i>	Lemmon's needlegrass	g
<i>Agrostis exarata</i>	Spiked bentgrass	g
<i>Andropogon glomeratus var. scabriglumis</i>	Southwestern bushy bluestem	g
<i>Bromus carinatus ssp. carinatus</i>	California brome	g
<i>Bromus laevipes</i>	Woodland brome	g
<i>Deschampsia danthonioides</i>	Annual hairgrass	g
<i>Deschampsia elongata</i>	Slender hairgrass	g
<i>Distichlis spicata</i>	Saltgrass	g
<i>Elymus glaucus</i>	Blue wild-rye	g
<i>Elymus multisetus</i>	Big squirreltail	g
<i>Festuca occidentalis</i>	Western Fescue	g
<i>Leymus triticoides</i>	Alkali ryegrass	g
<i>Melica californica.</i>	California melic	g
<i>Melica harfordii</i>	Harford's melic	g
<i>Melica torreyana</i>	Torrey's melic	g
<i>Muhlenbergia filiformis</i>	Pullup muhly	g
<i>Muhlenbergia mexicana</i>	Mexican muhly	g
<i>Muhlenbergia rigens</i>	Deergrass	g
<i>Nassella pulchra</i>	Purple needlegrass	g
<i>Panicum acuminatum var. acuminatum</i>	Western panicgrass	g
<i>Poa secunda ssp. secunda</i>	One-sided bluegrass	g
<i>Poa tenerrima</i>	Delicate bluegrass	g
<i>Vulpia microstachys var. ciliata</i>	Fringed Fescue	g
<i>Vulpia microstachys var. microstachys</i>	Small Fescue	g
<i>Vulpia microstachys var. pauciflora</i>	Few-flowered fescue	g
