WE'RE LOOKING OUT FOR YOU.™

# WE'RE LOOKING OUT FOR YOU IN MORE WAYS THAN ANY OTHER CARD.

No other credit card protects college students in as many ways as the Citibank card. That's why, hands down, it's the most popular credit card among college students. With your Citibank card, you can:

**PAY NO ANNUAL FEE.** You might just need that money for school-emblazoned hats and sweatshirts.

**RELAX WITH A LOW INTEREST RATE.** Since you're a college student, you'll get a special 14.9% APR for the first six months if you apply before February 28, 1996.<sup>1</sup>

**ESCAPE FOR A FEW WEEKENDS.** As a cardmember, you'll get two savings certificates for discount travel on American Airlines®, each good for a long weekend somewhere other than school.<sup>2</sup>

**BE PROTECTED BY YOUR FACE.** The *Photocard* option puts your photo and signature permanently on the front of your card, giving you added security if your card's ever stolen.

**GET INSTANT CASH.** In emergencies, you can use your Citibank card to get cash at over 170,000 ATMs and over 220,000 financial institutions worldwide.

**WRITE YOUR OWN TICKET.** There's *no cosigner or minimum income required for students*. In fact, all you need is a photocopy of your current validated student ID.

To apply for a Citibank MasterCard®, simply fill out and mail the attached application. Then relax. Because the credit card company that looks out for more students than any other will be looking out for you, too.

<sup>1</sup>After the introductory period, you will be charged a variable rate of the U.S. Prime Rate + 9.4%, which was 18.4% as of 9/1/95. See grid below for details.

<sup>2</sup>See below for airfare rates and details.

HAVE YOU REMEMBERED  
TO INCLUDE A COPY OF  
YOUR VALID STUDENT ID?

We encourage you to understand some important information about the Citibank card.

Variable Rate Information	Annual Percentage Rate	Grace Period for Payment of the Balance for Purchases	Minimum Finance Charge	Method of Computing the Balance for Purchases	Transaction Fee for Cash Advances	Late Payment Fee	Over-the-Credit-Limit Fee
You'll receive an introductory rate of 14.9% for six months from the date your application is approved. Thereafter, the annual percentage rate may vary each calendar quarter. We will calculate the variable rate by adding 9.4% to the U.S. Prime Rate published in <i>The Wall Street Journal</i> on the third Tuesday of March, June, September and December of each year. Because the annual percentage rate is variable, the current rate may not be in effect when your card is issued. If a cardmember fails to keep all their Citibank accounts in good standing, we may immediately increase the rate on the entire balance by adding 12.9% (rather than changing the introductory rate or Prime Rate plus 9.4%) to the Prime Rate. This higher rate will not be lower than 19.8%.	14.9% introductory rate; then a variable rate, which is 18.4% as of September 1, 1995.	20-25 days	50¢	Average Daily Balance (including new purchases)	At an Automated Teller Machine, financial institution, and by check: 2% of amount of advance, but not less than \$2, or more than \$10.	\$15	\$15

**Citibank/American Airlines Collateral Travel Offer:** Must apply by 2/28/96. Proof of enrollment required. Cardmembers will receive two American Airlines domestic travel certificates approximately eight weeks after receipt of card. Pricing of round-trip certificates is based on a base of \$119-\$551-1,000 miles-\$119-\$551-1,001-1,700 miles-\$188-\$1,701-3,250 miles-\$228. Restrictions: travel must commence on a Saturday with return travel on the following Monday or Tuesday; requires a 1-day advance purchase; applies to travel within the contiguous 48 states; no stopovers and travel must commence and end at same location; no travel on 11/27/95, 12/22/95 - 1/2/96; all travel must be completed by 11/26/95; non-refundable.

The information about the services and fees of the card described in this application is accurate as of September 1, 1995. This information may have changed after that date. To receive the introductory rate and American Airlines offer, you must apply on or before February 28, 1996. For further information, write to Citibank (South Dakota), N.A., c/o Citicorp Credit Services, Inc., P.O. Box 8020, Hagerstown, MD 21741.

By signing this application, I authorize Citibank (South Dakota), N.A. ("Citibank") to check my credit history, and I authorize any references listed to release information to you or any of your affiliates regarding my eligibility for the Citibank credit card and any renewal or future extension of credit. I certify that I am 18 years of age or older and that the information provided is accurate. If I am issued a card, I authorize you to exchange information about how I handle my account with Citibank affiliates, credit bureaus and other persons. If I request an authorized user to be added to my account, I understand that account information will also be reported to credit bureaus in the authorized user's name. I understand that if I use the card or authorize its use or do not cancel my account within 30 days after I receive the card, the Citibank Agreement sent to me with this card will be binding. I verify that I have read and understand the disclosures above. Terms and conditions are subject to change.

**In order to be considered for a Citibank card you must complete and sign this application. Omission of any of the information requested in this application may be grounds for denial.**

# Schedule for Change of Program, Add & Drop, and Late Registration

**Note:** Students are responsible for initiating action and completing the process for change of program by the deadlines below. All forms are available from and must be personally returned to the Records and Registration Office for processing. **Students are not automatically dropped; it is the student's responsibility to officially drop a class. Non-attendance without properly dropping can lead to the issuance of a "U" grade.** However, in some cases, faculty may initiate a formal drop of students who have not attended the first two class meetings (or the first meeting if a class meets only once a week), and have not notified the faculty member that the absence is temporary.

## Change of Program

- A change of program is any change that is made in a student's official schedule. Such a change includes: dropping a class, adding a class, changing the number of semester units for a class in which the student is registered, changing the section of the same course. It is the student's responsibility to verify the classes listed on the **Schedule Confirmation** or review classes via the Touchtone Registration system.
- ID Card or receipt required for all changes and withdrawals.
- All change of program forms, CR/NC, audit, and withdrawal forms are obtained from and must be returned in person (no mailing) to the Records/Registration Office during office hours by the published deadlines.
- Department chair approval is required to drop or switch sections of MAT 003, MAT 005, MAT 009, ENG 088 and ENG 099.

# Academic Skills and General Studies Requirements for Undergraduate Students

**Note:** Consult the *University Catalog* and select an advisor for your academic program. If you have a declared major/minor, consult the appropriate department. If your major is undeclared, contact the University Advisement Center (SCC M-110, 516-3538) for an appointment. Students should consult an advisor upon entry to the university and every semester thereafter.

## Academic Skills Assessment Plan (ASAP)

The California State University (CSU) system and California State University, Dominguez Hills (CSU Dominguez Hills) recognize each student's need for adequate preparation in mathematics, English, reading and critical thinking for successful continuation and completion of his or her college education.

The CSU system requires all freshmen and those transfer students who have not completed appropriate college courses to demonstrate entry level skills in two areas: English composition and mathematics. To ensure that students who need additional work in one or more of the basic skills receive this preparation early in their college career, CSU Dominguez Hills implemented the Academic Skills Assessment Plan (ASAP) in fall, 1984, for newly admitted freshmen and transfer students. All new and returning undergraduate students admitted fall 1986 or later must meet these requirements.

The Academic Skills Assessment Plan has three skill levels:

1. Entry Level Skills
2. Basic Skills
3. Graduation Writing Skills

## COMPLETION OF THE ENTRY LEVEL SKILLS REQUIREMENT

The CSU requires new non-exempt and returning students to take the English Placement Test (EPT) and the Entry Level Mathematics (ELM) Test after they are admitted. Students might be exempted from one or both of the tests if they have scored well on other specified tests or completed appropriate courses. For a list of exemptions, consult the *University Catalog*. Unless exempt, students must take the EPT and ELM no later than their first semester of attendance at CSU Dominguez Hills. Non-exempt students who do **not attempt** these tests by the end of their first semester of enrollment will receive special notification. Non-exempt students who have not taken these tests by the end of two semesters will be ASAP disqualified and may not enroll in subsequent terms.

Students who must take appropriate developmental English and/or mathematics coursework must complete it in a timely manner. If they have not passed the coursework, they will be placed on probation after two semesters and disqualified after four semesters. Students will not be allowed to drop any developmental class (even during the first three weeks) without the department chair approval of either the Mathematics Department (for MAT 003, MAT 005, MAT 009) or the English Department (for ENG 088, ENG 099).

## EPT Scores for English

T = 100 - 141 ENG 088  
T = 142 - 150 ENG 099  
T = 151 Pass ENG 110

## ELM Scores for Mathematics

T = 100 - 370 MAT 003  
T = 380 - 470 MAT 005  
T = 480 - 540 MAT 009  
T = 550 Pass G.S. math course

## COMPLETION OF THE BASIC SKILLS REQUIREMENTS

Students who have not completed their Basic Skills requirements in English composition and mathematics by the end of their fourth semester (total) of enrollment at CSU Dominguez Hills will be placed on ASAP probation and receive special advisement.

Students who have not completed their Basic Skills requirements in English composition and mathematics within six semesters (total) of enrollment at CSU Dominguez Hills will be ASAP disqualified (ref. Executive Order No. 393, V. Administrative-Academic Disqualification) and will not be readmitted to CSU Dominguez Hills until those requirements have been completed.

## COMPLETION OF THE GRADUATION WRITING SKILLS

All students subject to degree requirements in the 1979-80 and subsequent general catalogs must demonstrate competency in writing skills as a requirement for graduation through one of the options listed under the entry for the Graduation Writing Assessment Requirement (GWAR) in the *University Catalog*.

### Completion of the Graduation Writing Assessment Requirement (GWAR)

Students who do not meet this requirement within two (2) semesters after completing the English Composition section of the Basic Skills requirements (or 90 semester units total, whichever comes last) will receive special advisement. In order to satisfy GWAR, students have the option of either taking the GWE (see below) or enrolling in one of the following courses: ENG 350, ENG 456, HIS 300 or IDS 397 and IDS 398.

### Graduate Writing Examination (GWE)

A voluntary test, the Graduation Writing Examination, (GWE), for which a fee will be charged is available to students at regularly scheduled intervals. Students wishing to pursue this option are encouraged to take the test early in their junior year, if they are undergraduate students, or upon entrance to a graduate program if they are graduate students. Students are allowed to take the test only twice. The voluntary test is administered each semester. Information on test dates and procedures for sign-up are available in the University Advisement Center, SCC M-110.

## General Studies

### STATUTORY REQUIREMENT

In addition to the General Studies/General Education requirements, students also must satisfy the requirements in U. S. history and government by completing the following:

HISTORY 101 or examination  
and  
POLITICAL SCIENCE 101

### CERTIFICATION

Accredited community colleges and public four-year colleges may sanction (certify) that all or part of general education requirements (post 1980) have been met. Transfer students with complete certification of California State University General Education breadth requirements or Intersegmental General Education Transfer Curriculum (IGETC) requirements are not required to complete additional lower division courses in general education. Transfer students should request that their college "certify" their general education. An additional nine semester units of upper division general education courses must be completed at CSU Dominguez Hills.

### DOUBLE COUNTING GENERAL STUDIES COURSES

Lower division General Studies courses may be double counted. Under certain conditions and within specific majors, upper division General Studies courses may be double counted. Consult the *University Catalog* and/or an academic advisor.

### The Current General Education/ General Studies Program

The General Studies program is divided into three components and requires 52-59 semester units:

Basic Skills ..... 14-18 units

General Education:

Natural Sciences ..... 9 units  
Humanities ..... 9 units  
Social Sciences ..... 9 units  
The Whole Person ..... 2-3 units

Upper Division Integrative Studies: ..... 9 units

Continuing Dominguez Hills students prior to fall 1980 and transfer students in continuous enrollment at a California Community College or a CSU campus since 1980-1981 may have the option of choosing the former General Education program. If you are uncertain about which program applies to you, consult an advisor at the University Advisement Center.

In addition, students must take a course emphasizing cultural pluralism (0-3), which can satisfy General Studies or other graduation requirements as well. All students must take three upper division courses in General Studies, and all students must take three General Studies courses at CSU Dominguez Hills. The statutory requirement in American Institutions (HIS 101 or examination and POL 101 or examinations) is NOT part of the General Studies program, but is a graduation requirement.

The current General Studies program is required of all students who enter CSU Dominguez Hills or a California Community College as first-time freshmen beginning fall 1986.

# Testing Information

The Testing Office and some departments offer tests throughout the academic year. It is important to meet with an advisor to review which test you should take. Separate fees are charged for each test.

## Credit-by-Examination

Some courses may be taken by Credit-by-Examination. Only registered students may apply for credit by examination. It is important to read the conditions and restrictions in the current *University Catalog*. A **Petition for Credit-by-Examination** must be filed by the dates designated by the Registrar. Forms may be obtained from the Records/Registration Office.

### CREDIT BY EXAMINATION FOR ENGLISH 110, 111, 350 AND 352

Students wishing to earn credit by examination for English 110, English 111, English 350 or English 352 must take an examination at 10:00 a.m. on **Saturday, Feb. 10, 1996**.

Students taking the Graduate Exercise or examinations in English 350 or 352 are asked to report to SBS B-110. Students taking examinations in English 110 and 111 are asked to report to SBS B-131.

To be admitted to the testing room, each student must:

1. Register for the course.
2. Fill out a petition to take the test. Petition forms are available in the English Department Office, LCH E-315 and must be on file in the English Department Office (LCH E-315) before noon, **Thursday, Feb. 8, 1996**;  
*and*
3. Provide verification of satisfactory performance on tests or in courses. Verification in the form of letters of notification, scores reported by testing agencies, grade slips, or transcripts will be checked before the petition forms are accepted by the English Department Office.

Each student petitioning to take:

- English 110** is required to have an English Placement Test (EPT) score of: T-155 and E-8 or higher. A student exempted from the EPT on the basis of a satisfactory score on the EEE, AP, SAT-Verbal, ACT, or College Board Achievement Test in English Composition **with essay** may attempt to earn credit by examination. (Only test scores will be used to determine the eligibility of a student.); **English 111** must have completed English 110, or its equivalent, with a grade of "B" or better. Eligible students may apply for credit by examination for both English 110 and 111 at the same time.

Students who are unsuccessful in their attempts to earn credit by examination may remain in the class, complete the work, and be awarded credit at the end of the semester. Students who pass the examination may NOT remain in the class to earn grades better than those earned on the examination. They may, however, retake the course in a later semester to improve grades lower than "C" in accordance with the Repeat and Cancel Policy.

More information on earning credit by examination appears in the current *University Catalog*.

All students should bring an 8½ x 11" blue book to the examination.

# University Police

The Department of Public Safety (DPS) provides safety oriented service to Dominguez Hills.

It includes University Police and Parking Services providing 24 hour-a-day patrol protection of university property, buildings, parking lots and student housing. All laws and codes of the state are enforced on the campus, including regulations the University establishes to administer the campus community.

Officers are responsible for reporting and investigating crimes, issuing traffic citations and responding to medical emergencies, traffic accidents and fire emergencies, as well as other incidents that require police assistance. University police officers are vested with full law enforcement powers and responsibilities, identical to the local police or sheriff departments in your home community. Officers meet training requirements mandated by the California Commission on Peace Officers Standards and Training as well as training designed to meet the needs of the university community. As state police officers their police authority extends throughout the entire state, including concurrent jurisdiction with the Los Angeles County Sheriff Department on the adjacent streets and community.

The Department prepares and submits a monthly Uniform Crime Report to the California Department of Justice. The Department also enters reported stolen vehicles and property with serial numbers into the National Crime Information Center, allowing for recovery throughout the United States.

As an active member of the Criminal Justice System, the University Police interacts and cooperates with other law enforcement agencies. Cases are filed with the Los Angeles County District Attorney. Information may also be given to the Office of the Vice President for Student Affairs for appropriate action involving students.

The Department works closely with the Student Housing Office in an effort to educate the residents in crime awareness and crime prevention. Crime prevention programs and materials are directed to the residents and staff to increase mutual understanding and cooperation.

## Crime Prevention Programs

The Department has established programs that serve to raise the level of safety awareness of the campus community. These programs include:

- Student Orientation Program
- Resident Advisors Training Program
- Student Escort Service
- Sexual Assault Prevention
- Personal Safety Awareness
- DUI and Drug Abuse
- Theft Prevention
- Operation ID Engraving
- Building, Area and Parking Lot Lighting Surveys
- 9-1-1 Capability from all University phones
- Emergency Telephones at various campus locations
- Closed Circuit Television Surveillance - Parking Lot 4
- Emergency Preparedness Committee
- Electronic Alarm Systems

The Student Escort Service provides escort service during hours of darkness (6 - 11 p.m.) for students, faculty and staff who must walk alone to their cars. Housing offers an additional student escort service to those living in student housing.

Most campus buildings and facilities are accessible to members of the campus community, guests and visitors Monday through Saturday until 10 p.m. and as certain special events dictate.

Motor vehicle lots, pedestrian walkways and building exteriors are well lighted. The University Police conducts a weekly light survey throughout the campus and a report is made to Physical Plant on a weekly basis.

Shrubbery, trees and other vegetation on campus are trimmed and maintained on a regular basis with special attention given to walkways. Physical Plant conducts a facility audit on the entire campus on an annual basis.

## Parking Services

Parking Services is responsible for enforcement of parking regulations, guest parking and the information booth. The parking officers patrol the campus ensuring safe and legal use of our parking areas as well as providing escort service for our students, faculty and staff.

## The University's Sexual-Assault Policy

California State University, Dominguez Hills strives to provide an optimal environment for growth and learning in an atmosphere conducive to personal safety. All forms of sexual assault are acts of aggression or violence against individuals.

All reports of sexual assault will be thoroughly investigated by the University Police. Arrests will be made when appropriate. If indicated, results of investigations will be submitted to the Los Angeles District Attorney's Office for evaluation for criminal prosecution.

CAMPUS DISCIPLINARY ACTION will be initiated against any student, staff or faculty member charged with sexual assault.

On campus disciplinary action in cases of ALLEGED sexual assault provides that the accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding; and both the accuser and the accused shall be informed of the outcome of any campus disciplinary proceeding brought alleging a sexual assault.

POSSIBLE SANCTIONS for students found guilty of sexual assault charges include expulsion, suspension for a specific time, barring access to the campus, or disciplinary probation for a specific time. Possible sanctions for faculty or staff found guilty of sexual assault charges include termination, suspension for a specific time, or formal reprimand.

IF YOU BECOME THE VICTIM OF A SEXUAL ASSAULT on campus :

- get to a safe place
- contact the University Police
- don't shower, bathe, douche, change or destroy clothing
- don't straighten up the area
- seek medical attention

If a victim reports a sexual assault to someone on campus other than the University Police, that person should encourage the victim to contact the University Police.

The University Police will see that the victim receives medical assistance, information on legal rights and options, as well as contact any family member or friend upon request by the victim.

If the victim has been assaulted off-campus, the University Police will assist the victim in contacting the appropriate police agency.

First aid and urgent care is available at the Student Health Center. Individuals needing full medical evaluation, including evidence collection, will be referred and transported to a local emergency care hospital by the University Police. Evidence collection and documentation of the incident are of critical importance in prosecution of the assailant.

A written CRIME ALERT BULLETIN will be issued by the University Police to the campus community as soon as possible. Only those details of the assault which are essential to the health and safety of the campus community shall be released. The PROTECTION OF THE IDENTITY OF THE VICTIM will be of the highest priority.

COUNSELING SERVICES are available through either Health Programs and Psychological Counseling or Student Development.

THE OFFICE OF THE VICE-PRESIDENT FOR STUDENT AFFAIRS will provide additional support services to students, including alternative housing assignments and academic assistance alternatives.

IN AN EFFORT TO PROMOTE AWARENESS OF RAPE, ACQUAINTANCE RAPE AND OTHER SEX OFFENSES a number of campus offices offer crime prevention classes various times during the academic year. Consult the Office of Student Affairs for information.

For further information on the sexual assault policy, contact the University Police at 516-3639.

These programs assist students in finding alternatives to substance abuse, while promoting a healthy lifestyle and the ability to cope with problems as they arise.

All state laws dealing with alcohol and drug use are enforced by the University Police. Violators may be subject to fine, imprisonment or expulsion from the University.

## INTERNATIONAL STUDENTS

The international "hold" will be placed on international students who do not enroll full-time. The International Student Services Office (ISSO) will also place a "hold" on students who did not submit their passport number and/or current address to their office or who fail to provide proof of health insurance coverage prior to registration.

If a comparable health/medical insurance has not been purchased, international students will be required to purchase the Renaissance Insurance Plan. Health/medical coverage should include \$250,000 maximum aggregate benefits per injury or illness and repatriation/medical evacuation to the student's home country. The term of coverage must run from Jan. 1996 through Aug. 1996. Questions may be directed to (310) 516-4215.

A non-resident student who is a citizen and resident of a foreign country may pay the required non-resident tuition fee on an installment basis (this includes a 15% interest charge). Prior arrangements must be made and payment must be in three monthly equal installments. A deferred payment form can be picked up in the ISSO located in the Small College Complex (SCC) room N-124.

## OPEN UNIVERSITY STUDENTS

If you are 18 years of age or older, you may apply to Extended Education to enroll in courses without being officially admitted to the University. Matriculated students eligible to enroll as regular students may not enroll in courses through Open University except for 600 level graduate continuation courses.

## PERMISSION TO REGISTER FOR MORE THAN 18 UNITS

If you propose to enroll in up to 21 units, an advisor's signature of approval is required on the Add form. Students enrolling in more than 21 units must obtain the approval of the dean of the school or college in which the student is majoring. Undeclared majors must obtain the approval of the director of the University Advisement Center.

## PHOTO IDENTIFICATION CARDS

A photo ID card is required of all students and is available from the Registrar's Office. Check the information board outside the Registrar's office for dates and times. The photo ID card fee is assessed automatically of all new students.

## Advance and Regular Registration Procedures

Each student eligible to register will receive a *Telephone Registration Access Mailer* or a letter from the Admissions Office, which will provide important registration information:

- Registration appointment date and time
- Personal Identification Number (PIN)
- Student Identification Number (SID) - social security number on record

- Major(s)
- Advising holds for students required to seek advising prior to registration
- Other holds preventing registration

*It is very important to review all the information printed, to take the appropriate action to correct inaccurate information, and to seek advising or clear other holds several working days prior to your registration appointment date and time.*

## REGISTRATION APPOINTMENT DATE AND TIME

**You will not be able to access Telephone Registration before the date and time printed on your *Registration Access Mailer* or admission letter.** Appointment dates and times are determined by class level and number of units completed.

Note that units in progress at CSUDH are not included and courses taken at another institution may not be included in the calculation of units completed.

Register at, or very soon after, your priority appointment time for the best selection of classes. If you are not able to register on your priority registration appointment day, you may register at any time through the end of the registration period, but you will be competing for classes with students with lower priority access. It is in your best interest to register as early as possible!

## PERSONAL IDENTIFICATION NUMBER (PIN)

Each student will be assigned a 6-digit PIN (similar to that used at an ATM machine). You are urged to change your PIN for security reasons and to keep your PIN in a safe place. **Do not write your PIN in your *Schedule of Classes*.** You may change your PIN by dialing the Telephone Registration number and making the appropriate selection at the main menu; the recorded voice will guide you. If you lose your PIN, you will need to go to the Records/Registration Office with photo ID to obtain or change your PIN. PINs will not be released over the telephone.

## STUDENT IDENTIFICATION NUMBER (SID)

The SID on your *Registration Access Mailer* should match your social security number. If the number is incorrect, use the assigned number and then file a request for a change of your SID number at the Records/Registration Office **after you have completed registration.** When you request a change, you must bring your social security card to the office.

## MAJOR(S)

Advising is required for students in certain majors. Telephone registration restricts enrollment in some courses to students in specific majors and concentrations/options. If the information on your access mailer is incorrect, file a *Change of Major/Minor* form **immediately** - well in advance of your registration appointment.

**Telephone Registration  
(310) 516-4538**

## ADVISING HOLDS

Advising is required for (1) all new students entering the University; (2) students who have completed 60 semester units; (3) students who have completed 90 semester units; and (4) students on academic or Academic Skills Assessment Plan (ASAP) probation.

Advising is also required for undeclared majors, specified majors, Educational Opportunity Program students, international students, special admits, post-baccalaureate students and some graduate students.

If you have more than one advising hold, you must meet with all appropriate advisors. **Advising holds must be cleared before Advance Registration even if you do not plan to register until Regular or Late Registration.** Departmental advisors may not be available at other times.

Students in majors requiring advising will be mailed letters from the department informing them of advising dates and times. It is important to seek advising during the designated advising period and as early as possible. **Do not wait until just prior to your registration appointment time since advisors may not be available.** If you are in the process of changing your major, you should meet with an advisor in your new department.

**All Advising Holds prevent access to Telephone Registration and must be cleared by the appropriate advisor(s) before your priority registration appointment date.**

## Telephone Registration Information

**Confirming Courses** - It is very important to confirm your course requests before exiting telephone registration. Do not hang up without confirming your course selection/s. Failure to do so will result in cancellation of your request.

**Enrollment limit** - You may enroll in a maximum of 18 units during Telephone Registration. Students wishing to register in additional units must wait until the Change of Program, Add/Drop period.

**Co-requisites** - Some courses require concurrent enrollment in a laboratory or activity section as well as in a lecture or seminar section, or concurrent enrollment in one or more other courses. The Telephone Registration system will inform you that failure to add both or all co-requisites will result in being dropped from your original request.

**Enrollment restrictions** - Some courses are restricted to students in specific degree programs, to specific class levels (e.g. seniors) or to certain level students (e.g. graduates).

Some departments may choose not to print course reference numbers (CRNs) in the "Course Listing" section of the *Class Schedule* in order to screen students for eligibility. Other courses may not be available during Telephone Registration but may be added with the instructor's approval during Late Registration, Add/Drop.

*Questions about enrollment restrictions and eligibility for specific classes should be directed to the department concerned.*

**See page 8 for  
fee payment deadlines**

**Time conflicts** - The Telephone Registration system checks for time conflicts and will not allow registration in classes meeting at the same time. Students with permission from both instructors to enroll in classes with a time conflict, will need to file a *Petition for Permission to Register for Courses with a Time Conflict* form obtainable from the Records/Registration Office, and will need to be registered in-person at the Records/Registration Office during official registration periods only.

**Full/cancelled classes** - If you attempt to register for a class that is already full or canceled, the system will give you the option of enrolling in any alternate open sections.

**Schedule adjustment/review** - Remember, you may call back any time during Advance and Regular Registration to change or review your schedule. If you choose to exchange one class for another, add the new class before dropping the other class (unless you have reached the maximum enrollment limit). If you wish to drop a class without adding another, do not delay as a courtesy to another student trying to add the class. You may also review your schedule at any time during late registration. See page **B** for dates and time.

## Telephone Registration Checklist

- Read your *Registration Access Mailer* carefully:
  - Check your appointment date and time.
  - Check for any holds preventing registration.
- Get advising early and meet with all advisors required.
- Clear all holds.
- Read the information and instructions in the *Class Schedule*.
- Read the "Course Listing" section.
- Note enrollment restrictions, pre-requisite and co-requisite requirements, and suppressed course reference numbers.
- Complete the *Registration Worksheet* on page **D** before attempting to register.
- Prepare a list of alternate sections in case your first choice classes are not available.
- Call **(310) 516-4538** from any touchtone telephone.
- Listen carefully - the recorded voice will guide you.
- Change your PIN (for security reasons).
- Confirm your course requests before exiting the system. *Failure to do so will result in cancellation of your course requests.*
- Refer to the "Troubleshooting" section if you encounter difficulty.
- Call back to add, drop or review your schedule at any time after your registration appointment through Advance and Regular Registration.
- Keep trying if you want to register in a full class - someone may drop.

## Troubleshooting - See Information on pages E and F also

- Missed your priority appointment time?**  
You can register at any time from your appointment time through the end of the touchtone registration period.
- Can't access telephone registration?**  
Are you using a true touchtone telephone? Not all push-button telephones are touchtone and some programmable telephones using the "\*" or "#" key in programming cause access problems. Try another phone. Students wanting to register while on campus may use the campus pay phones or the courtesy phones located in the lobby of the Records/Registration Office.
- System not available?**  
Check dates and hours of operation. If the system is not available during scheduled hours, try again later.
- Busy signal?**  
All lines are busy - try again later.
- Made a mistake?**  
Do not hang up - wait for the recorded voice to prompt you.
- Not able to register for a specific course?**  
Check for footnotes in the course offerings section. The course may:
  - be full (select to listen to alternative sections available, if any);
  - be a duplicate section of a course in which you are already registered;
  - conflict with another course in which you are already registered;
  - be restricted to certain majors, class levels or student levels;
  - require screening in the department (CRN will not be printed);
  - require one or more co-requisite sections.Questions regarding enrollment restrictions should be directed to the department.
- Lost your entries?**  
**You must confirm courses before hanging up.**  
*Failure to confirm courses will result in cancellation of your course requests.*
