## LETTER FROM THE CHANCELLOR

---

Dear Class of 2023:

I offer you my most enthusiastic and heartfelt congratulations on achieving this consequential milestone on the journey of a lifetime.

Today, we celebrate you – and all the hard work, perseverance and scholarship that brought you here. You will undoubtedly look back on this occasion for many years to come, filled with a well-earned sense of pride in your accomplishments – and maybe even a sense of relief for attaining a goal that, at times, might have felt more than a little daunting.

As numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. You have by necessity developed and demonstrated skills – far beyond your academic work – that will ensure your continued success: resilience, flexibility, resourcefulness, patience and tenacity. Your resolve shines brightly as a symbol of hope and optimism. It is admirable. And it is inspiring.

Of course, you did not make this journey alone. We also recognize the faculty who deepened your knowledge and enabled you to see the world from new perspectives. We acknowledge the counselors, tutors, advisors, librarians, coaches and support staff who championed you at every turn. And we appreciate the family, friends and loved ones who encouraged you, uplifted you and supported you along the way. Please remember to thank these important people and let them know how much their support means.

This celebration marks a new beginning for you – a time to commence a new life, filled with opportunities and prospects made possible by your degree from the California State University.

With this rite of passage we call “commencement,” you will join a dynamic, global network of more than 4 million CSU alumni. They are a remarkable force for good, and I am certain your addition to their ranks will multiply their contributions to our communities, to our state and to the world. I ask that – in the Cal State spirit – you use the knowledge, skills and personal qualities you have developed to work for justice, seek opportunities to foster equity and always uplift and empower others. Stay connected to your campus and look for ways to give back. And whenever possible, support future generations who aspire to follow in your footsteps.

On behalf of the entire California State University, again, congratulations.

Sincerely,

A handwritten signature in black ink that reads "Jolene Koester". The signature is written in a cursive, flowing style.

Jolene Koester  
Interim Chancellor

## LETTER FROM THE PRESIDENT

---

Dear Graduates:

Congratulations, and welcome to the 2023 California State University, San Bernardino Spring Commencement at the Toyota Arena in Ontario. I am excited to join you all at our in-person ceremonies on May 19 and 20, honoring those graduating from the College of Arts and Letters, Jack H. Brown College of Business and Public Administration, James R. Watson and Judy Rodriguez Watson College of Education, College of Natural Sciences and College of Social and Behavioral Sciences.

We are grateful that we can celebrate today, together with family and friends, the significant milestone Commencement represents. We also recognize and admire the resilience, fortitude, perseverance and determination you demonstrated during the uncertainties and challenges presented by the pandemic. Attaining a college degree is a defining achievement that serves as a source of inspiration and satisfaction, made all the more special if you are the first in your family to graduate from college.

As you have pursued your degree at CSUSB, you've grown intellectually, creatively and professionally. You've had the opportunity to explore new paradigms, disciplines and cultures; to discover and create meaning in new ways; and to apply a variety of perspectives to problem solving. These are noteworthy accomplishments during the best of times, and you have shown exceptional strength during these unprecedented times.

You are here today as the direct result of your hard work, focus and dedication. These qualities will serve you well into the future as you establish successful and rewarding careers. You can take great pride in this achievement as you join just above 120,000 other distinguished alumni who call CSUSB their alma mater and who are using their talents to make a difference in the world.

It is my distinct honor to congratulate you in person as you walk across the stage today, and to applaud your extraordinary achievements. I wish you the very best as you move on to pursue your personal and professional aspirations.

A handwritten signature in black ink, appearing to read 'TDM', written in a cursive style.

Tomás D. Morales  
President

# COMMENCEMENT SYMBOLISM AND TRADITION

---

## Academic Regalia

Academic ceremonies with their gowns, mortarboards, tassels and hoods are colorful traditions handed down from European universities of the 14th century. Academic regalia have evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

United States universities now have standardized the academic regalia so that their features are common throughout the country. The gown is ordinarily black for academic degrees. The pattern of the sleeves varies with the degree: short sleeves for the master's degree and round full sleeves for the doctoral degree. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and three bars of the same material across the sleeves. The color of the velvet on the sleeves also could be the color of the subject in which the degree was earned.

The hood usually is not worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. The silk lining of the hood bears the colors of the institution from which the individual has graduated. The velvet binding or edging of the hood designates the academic major in which the wearer has taken his or her degree.

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

## Official Colors

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

Some examples of doctoral hoods are listed below:

Arts and Letters	White
Business Administration	Drab
Education	Light Blue
Computer Science	Gold
Sciences	Yellow
Public Administration	Peacock Blue
Nursing	Apricot

Fields of study for the master's degrees offered at CSUSB are:

Master of Arts	White
Master of Fine Arts	Brown
Master of Business Administration	Drab
Master of Criminal Justice	Purple
Master of Education	Light Blue
Master of Public Administration	Peacock Blue
Master of Natural Sciences	Gold
Master of Social and Behavioral Sciences	Citron
Master of Social Work	Citron

## The University Mace

The university mace is a ceremonial symbol of authority carried in academic processions at commencements. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity.

The Cal State San Bernardino mace was designed and fashioned by Mark Petherbridge, B.A., art, 1985, with technical supervision from Roger Lintault, professor emeritus of art, 2000.

## ALMA MATER

---

By Loren Filbeck, D.M.A.  
*Professor Emeritus of Music*

Beneath the shimm'ring mountains,  
Near sea and desert sand,  
Our Alma Mater stands secure,  
Truth's light held in her hand.  
Her youth and energy we share  
As we reach t'ward wisdom's door,  
Her name we laud and gladly bear,  
With pride our spirits soar.  
San Bernardino, our Alma Mater,  
We sing our praise to thee.  
San Bernardino, as sons and daughters  
We pledge faith and loyalty.

## UNIVERSITY-WIDE HONORS AND DISTINCTIONS

## CITATION FOR DR. MARY M. HECKMANN

---

### Doctor of Humane Letters

*California State University, San Bernardino  
Commencement, May 20, 2023*

Dr. Mary M. Heckmann is a philanthropist and occasional creative writing instructor at California State University, San Bernardino's Palm Desert Campus. A Coachella Valley resident for 40 years, she is one of the area's most prolific leaders in education. Dr. Heckmann is a member of CSUSB's Palm Desert Campus' Advancement Board and has served on its executive committee since 2019. She has previously served on the boards of the University of California, Riverside, the University of Washington Foundation, Pepperdine University, Mothers Against

Prescription Drug Abuse (MAPDA) and Shelter from the Storm.

After she served on its board of directors for a decade, The Mary Heckmann School was established on the Shelter from the Storm campus. The recently opened center based in Palm Desert, California provides spacious K-12 classrooms where the children of domestic violence victims learn in a safe environment. Shelter from the Storm provides services to victims of domestic violence through professional, ethical and compassionate programs and is the only comprehensive domestic violence shelter in the Coachella Valley.

In 2000, Dr. Heckmann and her ex-husband (divorced 2004), the late Dick Heckmann (1943-2020), generously gave a \$6 million gift that helped establish The Richard J. Heckmann International Center for Entrepreneurial Management at the University of California, Riverside's Palm Desert campus. Mr. Heckmann was a water treatment entrepreneur and former co-owner of the NBA's Phoenix Suns. Originally intended as a teaching and research hub of the A. Gary Anderson Graduate School of Management, the center offered an Executive Master of Business Administration program.

Dr. Heckmann received her Bachelor of Arts degree in English literature from CSUSB in 1995, and her graduate and doctorate degrees from the University of California, Riverside.

In recognition of her many accomplishments and extensive contributions to the university and the community, the Board of Trustees of the California State University, and California State University, San Bernardino are proud to confer upon Dr. Mary M. Heckmann the honorary degree of Doctor of Humane Letters.

## CITATION FOR DORENE C. DOMINGUEZ

### Doctor of Humane Letters

*California State University, San Bernardino  
Commencement, May 20, 2023*

Ms. Dorene C. Dominguez is the chairwoman and CEO of Vanir Construction Management and the Vanir Group of Companies, Inc. Founded by her father, H. Frank Dominguez, in 1964, the company has delivered \$25.8 billion in construction value to hundreds of clients nationwide with offices throughout the United States, Dubai and Saudi Arabia. Shortly after her father's passing, Ms. Dominguez founded the Vanir Foundation in Memory of H. Frank Dominguez in February 2004. In 2016, the foundation changed its name to The Dominguez Dream.

The foundation is committed to empowering children in underserved communities to achieve their full potential through literacy, STEAM (Science, Technology, Engineering, Art and Math), social-emotional learning and parent engagement programs. Among the 12 schools receiving steadfast support from the foundation is the H. Frank Dominguez Elementary School in San Bernardino, which opened its doors in 2014. Named in honor of her father, it is a testament to the family's long history of philanthropy to the community.

An active member of various community improvement projects, boards and commissions, Ms. Dominguez currently serves on the board of directors for Douglas Emmett, KB Home, CIT Group, Catholic Educational Foundation and serves on the Coca-Cola Hispanic Advisory Council. In addition to these roles, she sits on the board of trustees for the University of Notre Dame and is the former chair of the advisory council of the university's Institute for Latino Studies. She is also the first Latina shareholder in an NBA team as a member of the ownership group of the Sacramento Kings.

Ms. Dominguez is the recipient of numerous awards including the Inland Empire Hispanic Leadership Council's Legend Award in 2015, the Cardinal's Award in 2019 and the 2022 Angel Award from the Catholic Association of Latino Leaders. In 2016, she was honored as Hispanic Lifestyle's Latina of Influence and was among the Association of Latino Professionals for America's Top 50 Most Powerful Latinas in 2020.

In recognition of her many accomplishments and extensive contributions to the university and the community, the Board of Trustees of the California State University, and California State University, San Bernardino are proud to confer upon Dorene C. Dominguez the honorary degree of Doctor of Humane Letters.
