Our venue was the beautiful Fellows Riverside Gardens within the Mill Creek Metroparks system in Youngstown, Ohio. We had over 1200 blooms displayed in their main hall, with the first floor filled with beautiful Artistic Arrangements. We topped off the evening with a wonderful banquet with entertainment and awards. There was also a special presentation by Jim Chuey giving a check for \$350,000 from the Sheetz/Chuey Charitable Foundation to Washington State University for the Dahlia Virus Program in memory of his brother, Carl F. Chuey. I would like to thank everyone who came to the show and a special Thank You to MVDS members and friends who worked very hard to make our show the Best Ever.

Harriet Chandler

Our show this year was one of the largest in many years with 18 exhibitors and over 350 entries. There were over 600 blooms to be auctioned off once the judging was complete and the customers at the mall had time to view the blooms and take pictures. Excess blooms donated by exhibitors were sold in baskets and empty tennis ball can vases throughout the day. We served a Pizza lunch to thank the judges, exhibitors and the many volunteers who helped make this show a success.

Central States Dahlia Society dedicated the 83rd Annual Show of our society to the memory of Vincent "Vince" Guasta. Vince departed us this past summer. He was a prominent person in our society for many years and a well-known dahlia man throughout the Midwest region.

A big thank you to everyone who made the 83rd Annual CSDS Show a success. Please come back again next year!

## GETTYSBURG DAHLIA SOCIETY

October, 2014

Leaves on the trees try now to take on the colors of the dahlias still blooming-yellows, golds, oranges, rose, magenta. As we watched through the summer, our dahlias, favored by enough sun and rain, and encouraged by our care, grew tall and promising. When September 11, 12, and 13 arrived, beautiful flowers were ready for the annual GDS flower show in Biglerville, PA. Design and Horticulture sections were stunning with flowers grown by participants from the Mid-Atlantic Conference area. Although we are a small group, our labors resulted in a super show.

GDS is growing. While the tubers are sleeping, we will meet with new members and new officers. President Georgie Detinburn has streamlined the GDS structure and has printed out a handy outline of annual meetings and events. At our next meeting we look forward to evaluating the Flower Show, fine tuning parts of it, and to organizing our activities for 2015. In November we shall join together for a holiday meal and also in the class given by Harry Risetto. We hope for a successful rest period for the dahlia tubers and for a beautiful holiday season for all.

The tables and Artistic Design Section was bulging with beautiful flowers. After the second snowiest winter on record in Cincinnati, we had a glorious spring and summer right up until two weeks before the show when heat in the 90's and humidity set in. In spite of the weather, our growers came through and filled the tables. We especially want to thank our loyal members who year after year show up to help with the set up and tear down of the show and our exhibitors without whose participation there would be no show. A special word of gratitude should go to Carol Hartman who stores and transports all the equipment necessary to stage the show. Also our thanks go to Eastgate Mall for providing our venue.

We put on a splendid Show of 700 dahlias in glorious abundance, very much appreciated by over 300 visitors. Many of them were returnees, keen to learn about our favorite blooms and there were many children, astonished by the variety of size, color and form. This was our 7th year and we have been fortunate to retain plenty of willing volunteers to help set up the exhibition and provide hospitality. No longer new faces, we welcome back our exhibitor friends from neighboring societies and thank them for all the beautiful blooms they contribute and for their judging skill and continued mentoring. The Court of Honor was resplendent, the basket displays were glorious and we thank those local floral designers who generously contributed magnificent dahlia arrangements. Congratulations to all our winners and we hope to see you back next year.

**Lane Country Dahlia Society, continued**

The 51st Lane Country Dahlia show was held September 13th & 14th in the Wheeler Pavillion at the Lane County Events Center in Eugene, Oregon.

Thanks to to our LCDS membership who put on another great show in spite of this year's tough growing conditions in the Willamette Valley. We were especially pleased to welcome ADS officers Terri and Bob Schroeder to our show. They brought beautiful blooms along with their judging expertise all the way from Bremerton, Washington. We look forward to a great season in 2015, culminating with our show September 12th & 13th. Keep in touch, visit our website, <http://lanecountydahliasociety.blogspot.com/>

The Santa Cruz Museum of Art and History provided a dramatic new venue for this year's show. Approximately 2,000 blooms were staged by 32 exhibitors. At least a thousand visitors streamed through to see the blooms and to attend one of the many dahlia culture and arranging presentations. New members Debbie Russell, Kai Parker, Maia Morris, Haley Abramson, and Shelley Edwards exhibited and/or clerked. Thank you to all who came together for set up and running of the show.

Upon arrival Friday Afternoon it was clear the 66th Annual Show of the Michigan Dahlia Association was going to be special!

Saturday morning at the Mall of Monroe and the tables were full with over 1200 blooms some referred to it as a Mini Midwest Show.

Thanks to all the MDA members for setup, luncheon and tear down to our exhibitors and our friends from Ohio from coming, judging, clerking and entering your blooms with out you the show would not have been possible.

We hope to see everyone next year when the Michigan Dahlia Association hosts the 82nd Midwest Conference Show September 5 & 6th, 2015 at Washtenaw Community College, Ann Arbor, MI.

The NCW Dahlia Society hosted our show at the Pybus Public Market in Wenatchee. This venue, situated on the banks of the mighty Columbia River, offered a large open space with and abundant natural light, helping greatly with seedling judging, as well as overall great show viewing. A stunning array of nearly 1200 blooms greeted the many attendees who came from all over the state of Washington. Saturday's show was finished off with a wonderful potluck dinner, which was attended by the majority of our show participants.

This was the 50th year of our society and we had a great show.

Like most of the society in the East (Northeast) outside of Long Island we are small. Our show depends on the support of people from other societies. It was so great to pull up to the show hall and find so many people carrying in blooms to the set up area.

After going to shows for over 60+ years, I still love it. Now it is more for the great people that support us than the flower. Don't get me wrong, the dahlia is still the greatest!

Our 2014 Washington County Fair show in mid-August was again a success. The RI Dahlia Society placed flowers for the entire fair and these flowers plus our show viewed by more than two thousand people.

We thank all those who contributed to the show, especially members and friends of the RI Dahlia Society and the Fair staff who were so welcoming.

NI=New Introduction		

Our show on September 13th was a big success. Even with our challenging summer that had us crossing our fingers that we would have something blooming on that day, we had one of the biggest shows we have had in our 75 year history. Several exhibitors traveled almost 300 miles to enter our show and we needed 5 teams of judges to judge all of the entries.

Due to the excellent publicity we received from many sources including our local newspaper, public TV and radio stations, we had an exceptional turnout of spectators. We invite all of our visitors to our October meeting and we have great hopes of seeing many of them. A few of our visitors even joined our society right at the show.

Our new photography section was a hit as was our ever popular design section. The creativity of our members never ceases to amaze us. As this was our first time featuring a photography section, we didn't have a judge for it, so instead we made it people's choice. The looks of concentration on our visitors' faces as they pondered just which ones would win, were priceless.

As we have for several years, we offered dahlia arrangements for sale to the public. Our dedicated members made more than 100 and for the very first time, we had a line of people just waiting for their arrangements to be created using our extra blooms the day of the show and from the show blooms the following day.

Our meetings for the rest of the year will feature: demonstrations on cutting clumps of tubers and advice on the best methods of storing them through our sometimes brutal New York winter, and our annual holiday party.

Mary Feasel

The San Leandro Dahlia Society held their 81st annual show August 2nd and 3rd at the San Leandro Library. Although we are in the midst of a drought and have the earliest show, we still had over fifteen hundred blooms of very good quality. The judges had attended a judging seminar just two weeks before our show so were on top of their game.

As always, we appreciate the help given by the other local societies.

The Seattle Dahlia Society's 57th Annual Show was a great success! The showroom was ablaze with color from 1300 blooms. Bloom count was down a bit due to other shows the same weekend. Special thanks to our show committee for their constant dedication and to the others who helped out as well. But it wouldn't be a show if we didn't have all those lovely blooms, so thank you to all the exhibitors, judges and clerks. We're especially proud of our newest members for exhibiting and earning several blue ribbons.

SDS wishes you all Happy Holidays and sweet dreams of next year's garden!

Many thanks to everyone who participated, especially those who contributed flowers to our floral arrangements, showed dahlias, judged, clerked, helped with set up and break down - everyone's combined efforts made for a great show. We counted less than 300 blooms this year as a heat wave and thunderstorm hit us the day before the show.

For the complete results and more than 1100 pictures of dahlias, please visit our web site at: [sgdahlia.gc.ca](http://sgdahlia.gc.ca) and then photos. Anyone wishing to have an enlarge copy of these pictures of dahlias, please just ask by clicking the button "priere d' ecrire" which means write here.

We had the smallest number of entries of dahlias that we've ever had in any of our Shows. This is mainly due to the strange weather we had this summer and the fact that we have fewer members that grow large numbers of dahlias.

We garden with the enthusiasm that only the stoic would face, the changing (hotter & dryer) bugs after slugs and snail attack, deer or a bull elk. Will we ever have a bloom to show off, then Wah-Laa!

With all this the show committee truly appreciates each bloom knowing the effort and love that went into it. The rewards are to see the pure joy in the eyes of the public and exhibitors. Thank you!

SSDS hosts the 34th consecutive Olympia show which has been held the weekend after Labor Day for 34 years. Because of rescheduling due to the National ADS show held in Tacoma the weekend prior, there are 4 NW shows this weekend. Bloom count drops to 846 (excluding vases). I encouraged Novice competitors to exhibit in anticipation of a smaller show. Surprisingly, the show was actually more competitive at the Novice level, with more entries than previous years, due to strong support from SSDS and ESDA members. SSDS member - and Novice - Jim Culp achieves Best In Show with Camano Sitka. John/Kathy Mackey from neighboring ESDA earn best single O.C. in show with Northwest Cosmos. SSDS members, Jim/Chris Stout, win both best triples in show with Valley Porcupines and Elvira. Other SSDS members winning sections were Duane/Joan Mikow and Susan Carlson - all Novices. And if the show had been Sunday, the winner could have been Kaile Brant - another Novice!

The West Michigan Dahlia Society has completed its 13th Annual Show at Frederik Meijer Gardens & Sculpture Park, 24-26 August 2014. It was a very successful show with 790 blooms and 20 exhibitors.

Our summer was particularly cool this year, and our dahlias just loved it. The quality of the blooms was exceptional, and the visitors to our show were most pleased.

The Victoria Dahlia Society would like to thank all of the out-of-town exhibitors from our 'sister club' in Nanaimo, B.C. and especially our guests from Oregon. Our show hosted the Pacific Northwest Dahlia Conference this year. We had a warm dry Summer season which resulted in a large number of blooms in our Show. A number of new Novice growers entered blooms in our show which bodes well for future club events. Our show was followed by a fun Awards Dinner at a local restaurant.
