Principal

**WARNING**  
**TOWN OF DANVILLE SCHOOL DISTRICT**  
**March 2, 2021**

The legal voters of the Danville School District are hereby warned and notified to meet in the Danville School Gymnasium in said Town on March 2, 2021, at 10:00 a.m. to transact the following business by Australian ballot:

*The polls will be open from 10:00 a.m. until 7:00 p.m.*

*Absentee ballots may be requested until 4:00 p.m. on Monday, March 1, 2021.*

- Article 1. To elect a School Moderator. **(To be voted on by Australian ballot.)**
- Article 2. To elect a School Director for a term of three (3) years. **(To be voted on by Australian ballot.)**
- Article 3. To elect **two** School Directors for a term of one (1) year each. **(To be voted on by Australian ballot.)**
- Article 4. To elect a School District Treasurer for a term of three years. **(To be voted on by Australian ballot.)**
- Article 5. Shall the voters of the Danville School District authorize the Danville School Board to expend six million three hundred forty-six thousand ninety-one dollars (\$6,346,091.00) which is the amount the school board has determined to be necessary for the 2021-2022 fiscal year? It is estimated that this proposed budget, if approved, will result in education spending of \$17,611.00 per equalized pupil. This projected spending per equalized pupil is 1.2% lower than spending for the current year. **(To be voted on by Australian ballot.)**
- Article 6. Shall the voters of the Danville School District vote to authorize the Danville School Board to borrow money with which to pay its lawful debts and expenses for the fiscal year 2021 - 2022, in an amount not to exceed 90% of the anticipated collection of taxes and the receipt of other funds to be used for those purposes? **(To be voted on by Australian ballot.)**
- Article 7. Shall the voters of the Danville School District authorize the Board of School Directors to hold any audited fund balance as of June 30, 2022 in a reserve fund to be expended under the control and direction of the Board of School Directors for the purpose of operating the school? **(To be voted on by Australian ballot.)**

**DANVILLE School Board of Directors**

Bruce Melendy, Chair

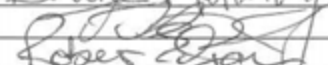

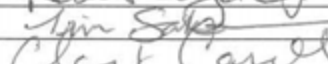

David Towle, Vice-Chair

Robert Edgar, Clerk

Tim Sanborn

Clayton Cargill

  
Attest: Wendy Somers, Town Clerk

**MINUTES OF THE ANNUAL MEETING OF THE  
DANVILLE SCHOOL DISTRICT HELD MARCH 3, 2020**

The Annual School Danville District meeting was called to order at 11:20 a.m. at the Danville School on Tuesday, March 3, 2020. Bruce Melendy opened the meeting and the School Directors introduced themselves.

The following Articles were voted on:

**ARTICLE 1 To elect a School Moderator – Nominated – Dr. Thomas Ziobrowski**

**Moved by – Jenness Ide and Seconded      Motion Carried by Voice Vote**

The moderator then asked permission for Principal David Schilling to join the board upfront.

**ARTICLE 2 To elect two School Directors for a term of one year each. – The Moderator stated that these would be done one at a time. The Moderator then opened nominations for the first of two one year terms.**

**Nominated-Bruce Melendy      Moved by – Tim Ide and Seconded**

With no other nominations, the clerk was instructed to cast one vote for Bruce Melendy as School Director for a one year term.

The Moderator then opened nominations for the second of two, one year terms.

**Nominated-Robert Edgar      Moved by – Lindsey Mitchell and Seconded**

With no other nominations, the clerk was instructed to cast one vote for Robert Edgar as School Director for a one year term.

**ARTICLE 3 To elect one School Director for a term of three years.**

**Nominated-Tim Sanborn      Moved by – Jenness Ide and Seconded**

With no other nominations, the clerk was instructed to cast one vote for Tim Sanborn as School Director for a term of three years.

**ARTICLE 4 Shall the voters of the Danville School District vote (Australian Ballot) to authorize the school board to expend six million six hundred thirty-six thousand seven hundred eighty four dollars (\$6,636,784.00) which is the amount the school board has determined to be necessary for the ensuing fiscal year? It is estimated that this proposed budget, if approved, will result in education spending of \$17,820 per equalized pupil. This projected spending per equalized pupil is 4.19% higher than spending for the current year.**

Principal David Schilling did a Power Point presentation that highlighted the 2019/2020 school year. Highlights included Dual enrollment, OVX Tobacco prevention, Art and Music Programs, middle school Robotics Program and enhanced science programs through the Montshire and Fairbanks Museums.

**No Discussion - Moved to next Article**

**ARTICLE 5 Shall the voters of the Danville School District authorize its Board of Directors to borrow money to pay its lawful debts and expenses for the fiscal year which ends June 30, 2021 in an amount not to exceed 90% of the anticipated collection of taxes and receipts of other funds to be used for those purposes?**

Moved by – Sandy Hauserman and Seconded

Motion Carried by Voice Vote

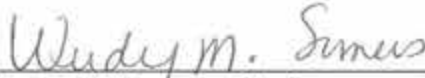

**ARTICLE 6 To transact any other non-binding business that may legally come before the meeting.**

Winona Gadapee , Bruce Melendy and Toby Balivet spoke to the accomplishments of students that have graduated from the small school of Danville.

With no further business, it was moved to adjourn, which was seconded and carried by voice vote. The annual school meeting adjourned at 11:45 a.m.

Respectfully submitted,

Attest:

  
Wendy M. Somers, Clerk

Approved:

  
Dr. Thomas Ziobrowski, Moderator

  
Bruce Melendy  
School Director, Chair

## Principals' Report to the Danville Community

Each year, the first step to writing this report is to take a look back at what we wrote last year, see how things went, and look ahead to the future. Looking back at where our school was at the start of 2020, not a single plan we made could have prepared us for the world as we knew it just three weeks after town meeting. Since the moment last school year ended abruptly and remotely, we just can't say enough about the resilience, cooperation and grit of every single member of our school community.

Having to adapt to the world during an unprecedented pandemic was no small feat, from transitioning to fully remote learning for the first three months, to re-examining every second of our day, needing to devote a great deal of imagination to even the simplest acts - walking down the hallway, for example. Through it all, the school improvement values below, now in their third year of guiding our professional practice, became more important than ever, and we're happy to report on the many successes and accomplishments of Danville School.

**Educators create great schools.** Skilled teachers and strong leaders matter far more than funding levels, programs or facilities.

**Every school can improve.** Learning is a lifelong process—for students and educators. The highest performing schools are continually learning, improving, and seeking out what works (but avoiding change for change's sake).

**Schools don't exist in a bubble – community matters.** Any great school needs to have the support of and partnership with the surrounding community, and must be open and welcoming. Certainly, Danville School enjoys the support of a committed and dedicated town. In return, our goal is to deliver a high quality educational experience for your youth, earning the school its continued place at the center of the community.

With these beliefs in mind, here are some of this year's highlights:

### **COVID-19 Successes and Accomplishments**

- While many schools turned to outside vendors to create virtual learning academies, Danville was proud to join our CCSU colleagues in a more localized approach. Even though developing concurrent in-person and virtual classes was an incredibly heavy lift for our faculty, we felt it was the right thing to do, especially since it meant keeping students who needed to be fully remote connected to their actual teachers and peers. The result was avoiding many of the challenges others experienced - no wait times, no

enrollment caps, and the ability to successfully transition back and forth between both worlds, in the event of unforeseen circumstances.

- Just as the pandemic hit, we were discovering that our ventilation system was out of commission, building-wide, and had been simply turned off for years. Not a great combination of events! With strong collaboration from TruexCullins Architects and DEW Construction, we are proud that we were able to open the building by the first day of the school year with full ventilation. Throughout the fall, heating coils were added to maintain temperature control through the winter, without the loss of a single school day due to construction. Best of all, these repairs were fully funded through a statewide COVID-19 indoor air quality grant. As a result, this nearly \$600,000 project was completed with no impact to Danville taxpayers.
- Our community continues to be responsive, honest and understanding when it comes to the need to keep students home. As a result, we have been able to remain open for in-person instruction at times that many of our neighbors have gone fully remote. We firmly believe that remote instruction, while occasionally necessary, is not a good substitute for in-person learning and are committed to keeping our school building open as long as we can safely do so.

### **Other Successes and Accomplishments**

- **PBIS**  
Last June we participated in a virtual conference to learn how to start and implement a Positive Behavior Supports and Intervention system in our elementary and middle school. This team of nine consisted of behavior support, counselors, teachers and administrators who worked for four days to develop a system that would work at Danville. Faculty participated in a peer-led workshop rolling this out, and a post-workshop survey showed that 100% of our staff in these areas are ready to move forward. This is a great response in a school of our size. Our staff and students are invested in this process, and we have seen a tremendous decrease in behavior referrals throughout the entire school. Our students are actively engaged in representing Danville PRIDE (**Polite - Responsible - Inclusive - Determined - Engaged**) throughout their day.
- **Leadership Team**  
We have continued to reinforce shared leadership through our staff leadership team.. Staff who wanted to participate submitted an application last fall and a team of nine was chosen to represent the elementary, middle and high school. This team met regularly until Covid disrupted our school structure. We reconvened the team in August to join other leaders from CCSU to plan our concurrent in-person and virtual options for our students. This team has continued to meet since then and has developed short- and long-term plans for unexpected shifts to remote learning.
- **Leadership Structure**  
Shifting to remote learning in mid-March demonstrated the need to restructure the school's leadership in a way that allowed the greatest expertise and knowledge to be focused in the right areas. At this time, we began to explore a co-principal structure, as opposed to the previous principal/assistant model. In the months leading up to March, both administrators had quickly formed a strong working relationship built upon

communication and trust in one another's skills, abilities and passions. In August, the school board approved an official change to a co-principal model supporting grades preK-6 and 7-12. This change has relieved a tremendous amount of stress as we are both able to operate where our passions lay yet still support one another to ensure that Danville remains a strong preK-12 community.

## Challenges Ahead

- The statewide financial picture continues to be challenging, and this year's budget started with a nearly \$245,000 drop in revenue from last year, due completely to events outside of our control. We've had to make some significant cuts just to put forth a moderate tax increase in the year ahead, that are not easily reflected in the dollars and cents. We feel our preschool and elementary enrollment numbers supported the proposed reductions, and as a result, the quality of Danville's education will not be affected. At the same time, reductions of that magnitude in a "normal" year would yield either a tax savings, or would give us resources in areas of greater need. This year, it just gets us by.
- Our campus facility needs still continue to be an issue, put on pause by the COVID-19 pandemic. While we have made our aging spaces and systems work remarkably well, the building is showing signs of deterioration, and instructional space is greatly affected. Big systems such as our woodchip heating plant are in an advanced state of disrepair, and will require significant work to return to functionality. Additionally, we have many small interior rooms that do not effectively function as the classrooms we need them to be. We've maxed out our ability to repurpose closets and storage spaces as small-group instructional areas. Last year, the board engaged TruexCullins, an architecture firm very experienced in school design to complete a full study of our current facility and educational needs. We look forward to getting back on track with that study. Research shows that investment in the physical environment directly affects learning outcomes and a sense of student inclusion and pride in their school.

This is *your* school, and once we're able to again, we will invite members of the community to come see the great things going on each day. Our Facebook page, [www.facebook.com/danvilleschoolvt](https://www.facebook.com/danvilleschoolvt), also provides a great glimpse into our world - you don't need a Facebook account to read the content.

Thank you for your continued support of education in Danville, and for the pride, support and dedication this community shows toward making sure a small school, functioning as a large family, continues to occupy the heart of this town.

David Schilling  
Principal, Danville School

Sarah Welch  
Principal, Danville School

## Superintendent's Report

When I sat down to write this report, I started by looking back at *last year's* annual report, written in my first year of tenure serving the schools in CCSU. The very first sentence read, "This has been a year of significant transition for Caledonia Central SU." If only I had known in December 2019 what was ahead .

In some important ways, we are as far away from normal as I could ever imagine. In March 2020, the Governor rightly ordered the closing of all schools in Vermont, in the very early days of Vermont's response to the Covid-19 pandemic. This closure reflected to a large extent what we *didn't* know about Covid-19 – how, and how fast it would spread, and whether our healthcare system in Vermont had the capacity to deal with serious cases. Getting our kids out of school and safe at home was a wise decision from a public health standpoint.

Finding a way to bring our kids back to school in September was the focus of our work over a very busy summer. I am blessed to have a solid and collaborative leadership team, consisting of the building Principals/Assistant Principals and the administrators in my office, and together we crafted a reopening plan based on two important foundational concepts. The first was consistency in the health and safety practices at all seven schools. The second was allowing the flexibility for each school to determine its instructional models, based largely on class numbers and physical classroom sizes, to ensure we could maintain distancing guidelines in the schools.

At the elementary level, we emphasized having our youngest students in school as much as possible, but we also allowed families who were uncomfortable with in-person instruction to opt for a remote-learning model. Supporting both dispositions at the elementary level required some tradeoffs in scheduling, typically the shortening of the school day for elementary students so that teachers could work with remote learners in the afternoon. At the middle- and high-school level, most students are participating in a hybrid model, where grades are split and students come to school for some days and work remotely the other days. We chose this model for older students because they tend to move around from classroom to classroom, complicating the need to maintain social distancing throughout the day. While I don't think *any* of these tradeoffs are ideal, I do think they reflect an honest attempt to meet all of the disparate student and family needs, using existing staff. Most important, we have operated continuously from September 8<sup>th</sup> to now with no transmission of Covid-19 in the schools and only limited instances where we chose to keep students home in response to concerns over possible contact with an outside person who was infected.

We are fully aware that the March-June shutdown impacted learning progress for many of our students, and the modified schedules are impacting our ability to provide as much remedial time to those students as we would like to offer. That said, I do believe with the near-term emergence of Covid-19 vaccines we are beginning to see the light at the end of the tunnel, and it is my fervent hope, and growing optimism, that we will return to a normal operating schedule in the 2021-22 school year.

One last note – please take a moment to thank the teachers and staff at your school. The only reason this is all working is because we have dedicated and responsible school employees who want your children to be in school and are sometimes twisting themselves into emotional knots to ensure that they can meet the needs of your children *and* keep the schools open. You can do your part by continuing to follow the health and safety guidelines that restrict traveling and social gatherings, painful and frustrating as they are.

**Mark Tucker, Superintendent of Schools**

## **School Board Report**

During 2020-2021 your School Board remained busy as we have been dealing with the challenges of COVID 19. Our last School Board meeting physically at the School was on March 16, 2020 when we held our Re-Organization Meeting. We have been meeting remotely through video conferencing and appreciate the patience of all involved as sometimes there are technical issues with virtual meetings. We have had many other issues that School Boards are tasked with and have worked in the best interest of our children, their parents, the staff and community.

The Board used Capital Reserve funds to hire Truexcullins to do an in depth investigation of the overall condition of the School's physical infrastructure as the possibility of an expansion and repairing existing facility needs were explored. The Board would like to publicly thank Rob Balivet, a Danville resident for volunteering his time and experience to work with Truexcullins and our Administration on this project. One of the problems that was quickly uncovered was the ventilation system. When the pandemic hit, it became clear that our system was inadequate and the Board looked at several options to repairing the ventilation system, before deciding it made sense to overhaul the entire system. The Board approved taking out a loan for this repair, however due to the efforts of the people we hired and Principal David Schilling, the \$600,000 in repairs to the ventilation system were done and paid for through Efficiency Vermont, at no cost to the district and no cost to the Town.

There will be more work to do and more information to come on the ongoing renovation and maintenance of the building and we welcome our new Facilities Manager, Shawn McNamara, who started in December, 2020.

The Board accepted the recommendation of Superintendent Mark Tucker and Principal David Schilling to move to Co-Principal positions. Sarah Welch is now the Elementary Principal, joining David Schilling as the Middle School and High School Principal.

The Danville Board would like to recognize and thank the Administration, Teachers, and Staff for the diligence, commitment, and flexibility they have shown during this pandemic. When schools closed last March, we saw extraordinary efforts to continue to deliver education to every student, but even above and beyond in their work to deliver food to the community. When the decision was made to reconvene in-person education in the fall, the school responded with a hybrid model that made it possible to deliver education to every student. Our school's diligence with safety protocols and clear communication has enabled it to stay open, even as other schools in the region have struggled during this time. Our school has kept our students safe and proven again to be the center of a strong community. We commend each member of our school staff for their diligence.

The Danville School Board recognizes the challenges facing our community and certainly took into serious consideration the possibility of rising property taxes as we worked on the FY22 Budget. Your School Board asks for your support of the FY22 budget of \$6,346,091 which would result in an increase of 4.8 cents (3.0%), on your local homestead tax rate from the FY21 budget as we continue in a period of uncertainty. This budget is \$290,693 less than the FY21 budget and our Education Spending per Equalized Pupil is down \$209. The tax rate is increasing due to two figures the Board cannot control; the Common Level of Appraisal, which measures if area homes sold above or below listing price, and the Education Tax Yield, which is set by the Legislature.

Respectfully Submitted,

Bruce Melendy, Chair; David Towle, Vice-Chair; Robert Edgar, Clerk; Clayton Cargill; Tim Sanborn

## **Curriculum and Professional Development**

*Jessica Monahan, Curriculum Director*

*Monica Morrissey, Curriculum Director*

The seven schools of Caledonia Central Supervisory Union have been working on curriculum and instructional practices to support students' needs during this unique and challenging time. Staff across the supervisory union have dedicated countless hours of hard work and determination to ensure all students are provided enriched learning opportunities.

### **Start of Year Preparation:**

During the August Inservice, the Curriculum and IT Department offered professional development opportunities to staff that directly supported the diverse learning environments: remote, in-person, and hybrid instruction. The sessions consisted of training on various online teaching tools, academic skills, and management platforms. Teachers, administrators, and directors throughout the SU volunteered to deliver this training to their peers. Through collaboration, teachers created "Landing Pages" to enhance communication between teachers, students, and parents.

In the summer months, the CCSU Leadership Team created a *School Opening Plan*. The plan included procedures to promote a safe and healthy start to the year through an emphasized focus on Social Emotional Learning (SEL), integration of technology, classroom norms, and school-wide expectations. As a part of this work teachers participated in training on how to teach students to "reach out instead of act out". Additional time was spent understanding vicarious trauma and the impact it has on students, families, communities, and staff alike. School based MTSS teams (Multi-Tiered System of Support) developed schedules and systems to support all students during the transition back to school. These practices were implemented to build a COVID-19 appropriate culture and climate within each school. Teams will meet again in June to reflect on the year and plan for next year.

### **Assessments 2020-2021:**

Due to COVID-19, the Spring 2020 state assessments were cancelled by the Agency of Education. CCSU's local assessment plan specifies three benchmark windows, at which time local assessments will be administered to our students. These assessments are administered more frequently to monitor the progress and growth of students needing supplemental support throughout the year. Additional assessments that align with specific content are completed at each grade level. We are moving forward in preparation for the upcoming 2021 State Testing season.

## **Consolidated Federal Program**

### **The Big Picture**

*Danville School received Federal Funds for FY21*

### **What is a Title I School?**

Being a Title I, Part A school means the school receives federal funding (Title I, Part A dollars) to supplement the school's existing programs.

**Title I: Improving the Academic Achievement of the Disadvantaged** The purpose of this program is to provide all children significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps. To qualify for Title IA funds, a school must have at least 35% of their population who qualify for the free and reduced lunch program.

- Identifying students experiencing academic difficulties and providing timely assistance to help these students meet the State's most challenging content standards.
- Purchasing supplemental: staff, programs, materials, and supplies.
- Conducting parent and family engagement meetings, trainings and activities.

### **Title I sponsored educational opportunities**

- Math and/or Literacy Interventionist
- Literacy and Math Professional development
- Family Engagement
- Grant Manager
- Support for students experiencing Homelessness

**Title IIA: Supporting Effective Instruction** The purpose of this program is to provide grants to state educational agencies, local educational agencies (LEA), state agencies for higher education and eligible partnerships to:

- Increase student achievement consistent with the challenging State academic standards
- Improve the quality and effectiveness of teachers, principals and other school leaders
- Increase the number of teachers, principals, and other school leaders who are effective in improving student academic achievement
- Provide low-income and minority students greater access to effective teachers, principals and other school leaders.

Title IIA follows Supplemental guidelines. All investments should not be supplanting.

Title IIA sponsored CCSU educational opportunities

- Social Emotional Learning Professional Development
- CCSU Literacy Committee
- Literacy and Math Professional Development

### **Title IVA: Student Support and Academic Enrichment**

The purpose of this program is to improve students' academic achievement by increasing the capacity of States, local educational agencies, schools, and local communities to:

- provide all students with access to a well-rounded education;
- improve school conditions for student learning; and
- improve the use of technology in order to improve the academic achievement and digital literacy of all students.

**Title IVA follows Supplemental guidelines. All investments should not be supplanting.**

**Title IVA sponsored educational opportunities**

- In FY20, all schools received a Clorox 360 Electrostatic Sprayer and solution (a specific formula) to use in the system. This machine is able to sanitize all surfaces quickly.
- All schools receive more solution for FY21.
- All schools purchased Renaissance STAR 360 Assessment system, which is connected with Freckle Math online educational program.
- Professional development for Freckle and/or STAR assessment
- Remote Learning Professional Development
- Multi-Tiered System of Support teams met in August to develop schedules and systems to support all students during the transition back to school. Teams will meet again in June to reflect on this year and plan for next year.

## **CCSU Student Services Department**

Covid has brought about many challenges; the most significant is continuing to provide meaningful and enriched learning experiences for all students across different settings and service delivery models, while adhering to state guidelines for the safety and health of all. Our commitment to our students is to provide the appropriate level of services and support while working collaboratively with their families, general educators, and outside agencies to ensure that our student's needs are met.

Special education is at no cost to the student's families to meet the unique needs of a child with a disability. A child's right to a Free and Appropriate Public Education (FAPE) and Individuals with Disabilities Education Act (IDEA) requires equitable education to students with disabilities. Special education is a mandated federal and state program that provides services to eligible students with an identified disability between the ages of 3 and 21. Students who qualify for special education services have been identified as having a disability which adversely affects their education in at least one basic skill area and are in need of specifically designed instruction to address their unique educational needs that are not available through the school's comprehensive services.

It is important to know that unlike much of the school's budget, which is funded through local property taxes, the majority of special education costs are funded through both state and federal funding formulas. Vermont's Agency of Education has been reviewing a different funding approach for the last several years which will impact the way the state reimburses us for part of our special education costs. More information on when the potential new funding approach will begin and how it will impact Caledonia Central Supervisory Union should be more clear over the next year.

Our special educators and related service providers continuously examine and refine our service delivery model to meet the needs of our students. Through collaboration, teamwork, creativity, and dedication, we are improving our delivery of instruction to provide a wider continuum of services to close learning gaps, and to engage students to be active participants with their peers in the classroom and within their community. We are committed to fostering academic, social, and emotional growth in a physically and emotionally safe learning environment with a nurturing sense of belonging for all.

I am grateful for the opportunity to work in a district with staff that are committed to supporting the needs of all students.

Respectfully submitted,  
Sabrina Brown  
Student Service Director

## **Food Service Department**

We continue to expand our availability to locally-sourced foods. Farm to School is a nutrition program that integrates community, cafeteria, and curriculum, the three Cs, into schools. Great strides have been made incorporating an increased number of area products into individual school menus, but there is more work to be done. With support of individual community representatives and the CCSU administration a team of community and school representatives participated in a Farm to School conference sponsored by Shelburne Farms and VT Feed. The team's focus is currently on community and cafeteria. COVID-19, with the added workload placed upon the instruction staff and school administrators, postponed the curriculum component of Farm to School to the next school year. CCSU school community members interested in participating in the Farm to School program are able to do so in a variety of ways. Food can be sold and delivered to one or more schools. Participation in classroom presentations or hosting an agricultural field trip are two other supportive roles.

During the remote learning period that ran from mid-March until the start of the current school year, CCSU schools provided 79,797 meals (39,855 breakfasts and 39,942 lunches) to the children in our communities. Those meals were delivered to any family who asked for them. The schools are justly proud of the meals served, and we are grateful to all of our kitchen employees and many others who stepped up to first design and then execute what was a fairly complex logistical activity.

The pandemic and resulting school closure affected school lunch financing in a number of ways. Fewer meals were served overall, but at the same time the reimbursement rate was increased slightly. We had additional costs related to food delivery, but are still hoping that some of those costs may be offset by yet-to-be approved Coronavirus Relief Fund (CRF) reimbursements. This will all be resolved over the upcoming months; in the meantime, our number one mission in Food Service remains the provision of meals to families on days when their students are not in school.

Ken Cyr,  
CCSU Food Service Director

## Early Education Program

The Early Education Program currently includes eleven preschool classrooms in our seven schools. Due to the ongoing pandemic, we have implemented modifications to our program in order to maintain the safest and healthiest learning environment possible. Some of these adaptations include changes in program hours, enhanced cleaning and sanitation protocols, mask wearing and social distancing, adjustments in how materials are used and shared, and limitations on visitation to the classrooms. Despite these challenges, the early education team has continued to provide our preschoolers with dynamic, versatile, developmentally appropriate, and joyful learning opportunities.

Our curriculum is aligned with the Vermont Early Learning Standards and we create abundant learning opportunities for the children to grow in all areas of development. The children are continually offered opportunities which promote experimentation, open ended play, and hands on learning. Our outdoor education program has been instrumental this year as we've provided enhanced time and activities on our nature trails, forest classrooms, and outdoor learning stations. We are very proud that each of our seven schools has maintained a five star rating (the highest that can be achieved) in Vermont's STARS accreditation system.

In addition to our school-based programs we continue to offer preschool choice, as per Vermont Act 166, to any prequalified program for ten hours weekly. Currently, we are partnering with eleven private programs that provide services to children who reside in our communities. In addition, two other supervisory unions tuition their children into our program.

Ingrid Reade,  
Early Education Coordinator

The store owned by Charles S. Dole on the corner of Hill Street in about 1890. The C. S. Dole store was the first building to be rebuilt after the Great Fire in Danville in May 1889. The building was erected on the site of the former Eagle Hotel which was destroyed in the fire. The post office was located in the store at one time and a harness shop occupied space on the lower level. Even today, some still refer to the building as “the Dole Block.” From the *Harold E. Hatch collection*, Danville Historical Society

### INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen  
Town of Danville  
Danville, Vermont

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Town of Danville, Vermont as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Town of Danville, Vermont, as of December 31, 2019, and the respective changes in financial position and, where applicable, cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 8, the Schedule of Proportionate Share of the Net Pension Liability on Schedule 1 and the Schedule of Contributions on Schedule 2 on pages 39 through 40 and the Schedule of Revenue, Expenditures and Fund Balance Budget to Actual on page 41 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

***Other Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Danville, Vermont basic financial statements. The combining fund financial statements and budgetary comparison schedule for the General Fund are presented for purpose of additional analysis and are not a required part of the basic financial statements. These schedules have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

**Other Reporting Required by "Government Auditing Standards"**

In accordance with "Government Auditing Standards", we have also issued our report dated December 15, 2020 on our consideration of the Town of Danville, Vermont's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with "Government Auditing Standards" in considering the Town of Danville, Vermont's internal control over financial reporting and compliance.

16. Shall the Town of Danville vote to raise, appropriate and expend the sum of \$500.00 for the support of Kingdom Animal Shelter to provide services to residents of the Town? The funds will be used for the care of stray unwanted cats brought into the shelter including food/litter and veterinary care (including spay/neuter, vaccinations, and FeLV testing) to prepare them for adoption.

Moved by – Ruth Rubin and Seconded

Motion Carried by Voice Vote

17. Shall the Town of Danville vote to raise, appropriate and expend the sum of \$1,700.00 to assist the Northeast Kingdom Council on Aging, in providing services to senior citizens in the ensuing year?

Moved by – David Houston and Seconded

Motion Carried by Voice Vote

18. Shall the Town of Danville vote to raise, appropriate and expend the sum of \$2,306.00 for the support of Northeast Kingdom Human Services, Inc., a not-for-profit 501(c)(3) organization, to support the provision of 24 hour, 7 days a week emergency/crisis services to residents of the Town?

Moved by – Jane Kitchel and Seconded

Motion Carried by Voice Vote

19. Shall the Town of Danville vote to raise, appropriate and expend the sum of \$750.00 to Northeast Kingdom Youth Services to support their work with youth and families in our community?

Moved by – Michelle Douglas and Seconded

Motion Carried by Voice Vote

20. Shall the Town of Danville vote to raise, appropriate and expend the sum of \$28,000.00 to assist the Pope Memorial Library in meeting its operational expenses?

Moved by – Sandy Hauserman and Seconded

Motion Carried by Voice Vote

21. Shall the Town of Danville vote to raise, appropriate and expend the sum of \$1,400.00 for services provided by Rural Community Transportation (“RCT”) to residents who live in Danville?

Moved by – Mildred Labeur and Seconded

Motion Carried by Voice Vote

22. Shall the Town of Danville vote to raise, appropriate and expend the sum of \$1,200.00 to Umbrella, Inc., to serve victims of domestic and sexual violence and their children and families seeking child care and child care providers?

Moved by – Phyllis Thomas and Seconded

Motion Carried by Voice Vote

23. Shall the Town of Danville vote to raise, appropriate and expend the sum of \$1,000.00 to assist the West Danville Community Club with operating expenses for Joe’s Pond Beach?

Moved by – Deborah Stresing and Seconded

Motion Carried by Voice Vote

24. Shall the Town of Danville vote to adopt the proposed General Fund budget of \$720,495.00 for the ensuing year, and authorize the Selectboard to assess a general Town Tax in an amount sufficient to support the adopted budget?  
(By Australian Ballot)

No Discussion - Moved to next Article

25. Shall the Town of Danville vote to adopt the proposed Town Highway budget of \$1,524,822.00 for the ensuing year, and authorize the Selectboard to assess a Town Highway Tax in an amount sufficient to support the adopted budget?  
(By Australian Ballot)

Jennes Ide thanked the selectboard for being financially prudent of the budget and thanked Keith Gadapee for the great work the road crew does for the town.

No further discussion- Moved to next article.

26. Shall the Town of Danville vote to pay property taxes to the Town Treasurer on or before October 26, 2020 by 6:00 p.m.

Moved by – Jenness Ide and Seconded

Motion Carried by Voice Vote

27. Shall the Town of Danville vote to authorize the selectboard to borrow money for the Town expenses and refund indebtedness not to exceed 90% of the anticipated taxes and to execute and deliver the note or notes of the Town therefore.

Moved by – David Houston and Seconded

Motion Carried by Voice Vote

28. Shall the Town of Danville vote to authorize the selectboard to apply for grants and to accept and expend grants or gifts for the use and benefit of the Town?

Moved by – Sandy Hauserman and Seconded

Motion Carried by Voice Vote

29. Shall the Town of Danville vote to authorize the selectboard to appoint a constable (and at the selectboard's discretion appoint a second constable) under the provisions of 17 V.S.A §2651a? (By Australian Ballot)

2651a. Constables; appointment; removal.

(a)(1) A town may vote by Australian ballot at an annual meeting to authorize the selectboard to appoint a first constable, and if needed a second constable, in which case at least a first constable shall be appointed.

(2) A constable so appointed may be removed by the selectmen for just cause after notice and hearing.

(3) When a town votes to authorize the selectmen to appoint constables, the selectboard's authority to make such appointments shall remain in effect until the town rescinds that authority by the majority vote of the legal voters present and voting at an annual meeting, duly warned for that purpose.

(b) Notwithstanding the provisions of subsection (a) to the contrary, a vote to authorize the selectboard to appoint constables shall become effective only upon a two-thirds vote of those present and voting, if a written protest against the authorization is filed with the legislative body at least 15 days before the vote by at least five percent of the voters of the municipality.

(c) The authority to authorize the selectboard to appoint the constable as provided in this section shall extend to all towns except those that have a charter that specifically provides for the election or appointment of this office of constable.

Winona Gadapee asked if this was new this year. Kenneth Linsley stated it was to comply with state law. It was asked if there was anyone holding the position and what the duties are. Kenneth Linsley

stated the position was vacant at this time and the duties are primarily in regards to dog issues and other duties assigned by the selectboard.

**With No additional Discussion - Moved to next Article**

30. **Shall the Town of Danville enter into a communications union district (CUD) to be known as NEK Community Broadband, under the provisions of 30 V.S.A. §82., to bring a reliable and affordable, high-speed internet option to every residential and business address in the Northeast Kingdom.**

**Moved by – Jonathan Baker          Motion Seconded          Motion Carried by Voice Vote.**

Jonathan Baker then spoke to the article and the formation of the communications union district and why. Jenny Green & Deborah Marrier supported the need of reliable broadband in remote areas. Jane Kitchel spoke to the importance of joining the communication union district. With no more discussion the article was called.

31. **Shall the Town of Danville vote to fix the tax applicable to Danville Senior Citizens Housing, Inc. at 98 Grandview Avenue to eighty (80) percent of the annual tax for a period of ten years, under the provisions of 32 VSA §3840?**

**Kenneth Linsley then took over and read article 31.**

**Moved by –Dr. Thomas Ziobrowski and Seconded          Motion Carried by Voice Vote**

Dr. Thomas Ziobrowski then spoke to the article. He then amended the motion to change to 80% of the assessed value instead of 80% of the annual tax. The Amended Motion was seconded by Jenness Ide, and passed by voice vote. After a short discussion the amended article moved and the motion carried by voice vote.

32. **Shall the Town make the following statement of support?  
We, the citizens of Danville, strongly support the completion of the Lamoille Valley Rail Trail. We urge the Governor and Legislature to jointly develop a plan that will ensure the Lamoille Valley Rail Trail is completed by 2025.**

**Motioned by – Sandy Hauserman and Seconded          Motion Carried by Voice Vote**

Kenneth Linsley, Jane Kitchel & Kitty Toll then spoke to the article.

33. **To transact any other business that may legally come before the meeting.**

Kenneth Linsley had the Selectboard members introduce themselves. Glenn Herrin updated everyone on the Planning Bylaw changes and upcoming meeting to discuss the changes. With no more discussion, David Houston motioned to adjourn which was seconded and passed by voice vote. The meeting adjourned at 11:10 a.m.

## **Selectboard Report**

In 2020 the Selectboard was secured with the same persons as the current incumbents were re-elected: Ken Linsley 3 year term, Henry Pearl 1 year term, and Kristin Franson 1 year term.

2020 started off a bit differently than previous years...just like most of the world, the Selectboard had to deal with COVID-19. Many safety measures were taken to keep staff at Town Hall and the Highway Department safe.

Town Hall underwent some interior change because of COVID. The first major change was to the Zoning office. The Town Clerk's office needed a bit more space, due to workflow changes and occupancy restrictions associated with six feet social distancing guidelines, the Part Time Assistant Town Clerk was relocated to the Zoning office. Plexiglas was a commodity at a high cost. With CARES Act funding, the Town acquired enough to secure the Town Clerk and Full Time Assistant from exposure to the public so that uninterrupted Town services could continue. Cloth face masks were supplied by the State via the 2020 Emergency Management Director, Mike Walsh and hand sanitizer was also purchased along with signage for social distancing. All the PPE (personal protective equipment) purchased not only helped keep employees safe, it also was used during the primary and presidential elections. The financial cost associated with the purchasing of the PPE was recovered through the CARES Act.

COVID not only affected daily routines but also events such as Bulky Day and Green Up Day which were done on two separate days instead of the normal first Saturday in May.

As safety precautions were required to reduce the COVID transmission risk, the Selectboard added an additional step to protect volunteers, townspeople and employees by setting up a Zoom account so that all committees could meet remotely and still conduct Town business with members of the public attending electronically.

In 2020 safety seemed to be the theme as a temporary advisory shoulder was installed on Peacham Road for bikers and walkers. Positive feedback was received from residents and those who travelled through the area. A radar feedback speed sign was also purchased and installed on Peacham Road. This mobile unit can be easily moved to various locations around the Town as needed.

With the closing of 2020 came the resignation of our 16 year recycle attendant, Bob Larose. We extend our gratitude and appreciation for his 16 years of recycling time to the Town of Danville. Thank you, Bob!

Conservation Commission put out a bid for the Timber Sale at the Rodgers Lot and bid parameters were set in July. A contract has been signed and any funds received will be in trust for maintenance of the Town forests.

A Communications Union District (CUD) was formed to address high speed internet issues in March with Danville resident, Jonathan Baker, serving as the Town Representative.

Drew-Kelsey Cemetery was the first of the Danville Cemeteries to have a ground penetrating radar survey done to locate available spaces and unmarked graves to determine availability.

A Train Station Restoration Committee, a subcommittee of the Planning Commission was formed to determine renovations, restoration, current use, future use of train station.

We, the Selectboard, extend our appreciation to all who have volunteered countless hours to the Town of Danville.

Ken Linsley, Chair      Eric Bach, Vice Chair      Kellie Merrell      Henry Pearl      Kristin Franson

## Town Clerk's Report

If I could sum up 2020, it would be challenging and ever changing. The year started off like any other year, with finalizing a budget and preparing for Town Meeting and the Presidential Primary. But, soon after Town Meeting, like everywhere else, Covid-19 brought everything to a halt. In order to be compliant with the Governor's orders, I had the Assistant Town Clerk/Treasurer, Sharon Daniell work in the office full time to assist Attorney's and researchers in obtaining documents that were needed. During this time I was working from home and office during off hours and weekends, to make sure the office could operate as normal as possible. By May, we were back open, by appointment, and are continuing to do business in the safest way possible while still taking care of the public's needs.

With all of the challenges 2020 brought, I want to reflect on all of the positive things that did happen. In September, I secured a grant in the amount of \$24,197.39 with Covid relief funds through the State of Vermont. This has enabled us to digitize our land records so they are available on line. We currently have land records online from 2013 through current, which is streamlining the research of the local land records. We were also able to purchase a state of the art large bed scanner to scan mylars. These can now be emailed or printed to 8x10 or 11x 14 in their entirety. It is our goal to have all of the current mylars scanned and also made available online to the public.

In October, I also secured a \$5,000.00 grant through Civic Life. With the grant we were able to purchase PPE supplies, equipment, and secure poll worker hazard pay for the General Election in November. With these funds we were able to purchase air purifiers and large rolling Plexiglas barriers to protect our poll workers that are now being used in the Town Clerk's office, research room and hallway.

In the Town of Danville, we had a record turnout for the General Election, processing 1501 ballots through the tabulator. This was an 89% turnout of the registered voters in Danville, with 83% voting by absentee. Because of the large absentee expected, the Secretary of State's office gave us a grant in the amount of \$1,000.00, which paid for the new secured drop box outside the town offices.

With 2020 drawing to a close, I look forward to a better, brighter, and more normal 2021. I would like to thank Sharon and Diane for taking on the extra challenges and work load that enabled us to keep the office running, in spite of so many things being closed down this year. I also want to thank all of the town employees for their support during this very difficult year. By working together during this difficult time, we were able to keep the town moving forward.

In closing, I would like to thank the residents of Danville for their continued support and confidence. I look forward to the day life is back to normal and I can see you all back in the office again.

Wendy M. Somers, Town Clerk/Treasurer

## **Road Foreman's Report**

2020 brought some different times to the Highway Department. I need to commend my crew for being very health conscious during this pandemic both in and outside of work keeping COVID-19 out. We all sacrificed our normal life in order to stay healthy and stay working.

Our 2019 budgeting work ended up accurate resulting in a positive outcome in 2020. Though our gravel budget was exceeded, our parts and repair expenditures came in under budget. A large unexpected revenue from Vermont Agency of Transportation due to a redirection of grant funds to every town in the state created an increase in carry over funds for 2021. This will allow us to increase our paving line to try to catch our deteriorating blacktop roads.

This year the Selectboard is considering borrowing money to reclaim and pave the entire Peacham Road except for the village portion. Grant applications have and will be applied for to rebuild the last section of the Joes Brook Road and for a section of Tampico Road which needs to be ditched. These grant projects allow us to do extra projects above and beyond the general maintenance budget.

Striving to comply with the Municipal Roads General Permit, our maintenance projects will be focusing on storm water runoff. This means ditching, culvert upsizing, surface gravel and storm water BMPs. The choice for paving will depend on the Peacham Road decision.

Town equipment continues to be replaced on a rotating basis following an established Capital Equipment Replacement Plan which allows replacement without borrowing money. Contributing to this fund annually regardless of purchases prevents spikes in the annual budget.

Again, I applaud the five dedicated individuals in my crew, Bill Bailey, Bryan Pal, Dennis Tillotson, Troy Cochran, and Jason Crocker who each day provide a service to all of the town. I also appreciate the support we get from the Selectboard and residents of the town who put up with the inconveniences of us working in the way as we try to make the highways safe for travel.

Keith Gadapee, Road Foreman

## Other Agencies and Organizations Requesting Town Funds

**Caledonia Home Health Care & Hospice** provides home care and hospice services regardless of ability to pay as well as community clinics and screenings, health education, support groups, and private duty nursing. Services include nursing visits, home health aides, therapy visits, social services, homemaking and hospice. Last year **2,946** visits including Home Care, Maternal Child Health, Hospice and Long Term Care were made to **99** homes in Danville. **748-8116**.

**Catamount Arts** keeps the arts vital and available to all of the residents of the Northeast Kingdom through various offerings, including film series, gallery exhibits and live performances. **748-2600**.

**Community Restorative Justice Center** is committed to providing a safe environment for neighbors and parties to resolve conflict in our communities, to restore relationships, and to take responsibility to repair harms caused. In the past year, the CRJC heard **2** restorative justice cases involving Danville residents, **2** legal clinic cases, **1** mediation and supported Restorative Practices at Danville School. **748-2977**.

**Fairbanks Museum and Planetarium** offers exhibits of natural history and collections as well as housing Vermont's only public planetarium. The appropriation provides support for the care of the Museum's historic building and maintenance and exhibitions. The museum offers free general admission to the Museum to Danville residents **748-2372**.

**Kingdom Animal Shelter** is an all-volunteer, no-kill, non-profit certified 501(c) (3) animal rescue organization that facilitates the placement of area stray and unwanted cats into desirable homes. They operate without federal or state funding, relying on fundraising and donations. **In 2020, 130 cats were taken in and homes were found for 127.** Each cat that comes into the shelter costs roughly **\$300-\$500** for vaccinations, testing, spay/neuter, other medical treatments, food and lodging. **473-3377**.

**Northeast Kingdom Council on Aging** is a private, non-profit organization providing services to people age 60 and older in their efforts to remain active, healthy, and financially secure and in control of their own lives. **748-5182**.

**Northeast Kingdom Human Services** provides services related to mental health, developmental disabilities, and alcohol and drug abuse. **748-3181**.

**Northeast Kingdom Youth Services** is a private, non-profit agency that offers supportive services for at risk youth and their families in Caledonia and Essex counties. **748-8732**.

**Northeastern Vermont Development Association** (NVDA) is our regional planning and development commission. **748-5181**.

**Rural Community Transportation** (RCT) a non-profit corporation providing transportation to the elderly and disabled, Medicaid and general public through a van/bus and volunteer service. Last year, RCT provided **34** Danville residents with **1,419** trips. **748-8170**.

**Umbrella** has ensured that communities in the NEK have access to services that make for strong women, supported families and safe homes. Four facets of our programs are Advocacy, Kingdom Child Care connection, The Family Room and Cornucopia. At least **46** households in Danville were served in 2020. **748-1992**.

*For more in depth information about any of these agencies, please ask for the complete packet of information from the Town Clerk's Office 684-3352.  
We will gladly mail you one.*

Balance due	<u>\$3,460.00</u>	(including interest & penalty) December 31, 2020

**Edward J. Ledo, Delinquent Tax Collector**

## **2020 LISTERS REPORT**

### **COMMON LEVEL OF APPRAISAL**

Danville's grand list increased from \$2,976,629 in 2019 to \$2,987,990 in 2020. Our CLA (common level of appraisal) was 100.62 on 2020 tax bills and will be 98.65 on 2021 tax bills. The CLA factor is a 3 year rolling average of actual property sales compared to appraised values in Danville. The CLA is used to adjust and equalize the state education tax rate for each Vermont town. The goal of the reappraisal is to have the CLA at 100% and the COD (coefficient of dispersion) less than 5%.

### **HS-122 & HI-144 (HOMESTEAD DECLARATION & INCOME SENSITIVITY ADJUSTMENT)**

This form continues to be an issue. It must be filed **ANNUALLY** in order to receive the **residential tax rate** and (if you qualify) a **school property tax reduction**. The best thing is to file this form with your income tax return on or before the 15<sup>th</sup> of April. The Vermont Legislature delayed the filing of Income Tax Returns and Homestead Declarations until August 15<sup>th</sup> because of Covid-19. This put a big time squeeze on Town Clerks and Listers and is the reason 2020 tax bills were later than usual. It created many revised bills after the initial mailing and extra work for the listers and the town clerk. The last revised bills were mailed out December 21<sup>st</sup>, almost 2 months after taxes in Danville were due. We hope this doesn't happen again. Last year 530 Danville residents received a total of \$767,379.10 in property tax reductions.

### **REAPPRAISAL**

NEMRC (New England Municipal Resource Center) started the Danville reappraisal of all 1644 parcels last June. We mailed out notices to all property owners and as of this writing almost all parcels have been visited. The reappraisers were not allowed to go into houses because of Covid-19. All buildings have been measured and pictures taken for the property tax records. Property owners have been very cooperative and that is very much appreciated by the reappraisers and the listers. This Spring we will be sending out an "Official Notice of Change of Appraisal" to all property owners.

### **TAX MAPS**

We receive a lot of phone calls concerning the tax maps. We update and make corrections to these maps annually. They are not perfect and probably never will be until there is a survey of every property in Danville. Tax maps are available on the Town website.

Included is a list of the 2020 Property Transfers and a list of the 190 property owners in Danville who have Current Use contracts with the State of Vermont. 50% of the land in Danville and 33% of all the land in Vermont is enrolled in the Current Use Program.

Please contact the Listers Office if you have any questions. We do not have regular office hours but are available to meet with you at your convenience. Our phone number is 802-684-3352 and our e-mail address is: [listers@danvillevermont.org](mailto:listers@danvillevermont.org).

December.....	Brittany R. LaRocque.....	and..... Robert Stephen Perkins

**These lovely Danville ladies were part of a choral quintet that sang at weddings and funerals in town. Mrs. Fred (Sue) Preston was the organist for the group. Fred Preston built the house currently owned by the Bess family on Brainerd Street in Danville. The singers are from left to right: Marion Tinker, Lelia Morse, Susie Preston, Delia Stocker, Sarah MacDonald. Danville Historical Society**

## Dog Report

Dog licenses are due on or before **April 1**. Licenses are available anytime at the Town Clerk's Office after January 1. Please check to make sure that we have your dog's most recent rabies certificate. If your dog has had a rabies vaccination since you last registered it, chances are we don't have the most current copy. Dogs six months old or older must be licensed on or before April 1. A current rabies certificate is required.

At the current time, our office remains closed to the public, however, you may renew the license by sending the appropriate fee and any updated rabies certificates. For your convenience, we also have a drop box at the front of the town hall where you may deposit your payment and certificate. We will then mail your license and tags to you.

There were **444** dogs licensed in 2020 with **260** dogs remaining unlicensed.

The cost for a license on or before April 1 is **\$9.00** for a neutered or spayed dog; **\$13.00** for intact dogs. After April 1 is **\$11.00** for a neutered or spayed dog; **\$17.00** for intact dogs.

\$5.00 from the license fee is sent to the State of Vermont, \$2.00 for the Rabies program and \$3.00 for the Spay/Neuter program.

**Pet Dealer's License** - Dealers selling more than 3 litters in a calendar year are required to obtain this. State of Vermont Sales Tax laws apply. Cost is \$25.00. Act 30 obligations will apply.

**Pet Breeder's License** - for those who breed dogs for sale. This covers up to 10 dogs under the \$30.00 annual fee (plus \$1.00 rabies program fee). **This license is contingent on the animals being kept in a "proper enclosure" as defined by state law.** There were **3** Breeder licenses issued in 2020.

### **2020 Danville Dogs**

Piper, Tilly, Princess, Biggie, Little Man, Pete, Brutus, Danni, Pearl, Milly, Higgins, Pippa, Rusty, Max, Buster, Leah, Mia, Lucian, Hunter, Kimber, May, Callie, Russel, Jack, Gracie, Cinnamon, Rosie, Meg, Tessa, Lily, Kaitie, Ruby, Ginger, Sydney, Josephine, Daisy, Roscoe, Meg, Tully, Kate, Holly, Zuzu, Odin, March, Allie, Daisy, Piper, Ace, Rafi, Sunny, Stella Grace, Matilda, Pants, Ador, Sydney, Jimmy, Harlee, T.J., Frank, Beni, Peggles, Charleigh, Lucky, Oliver, Duke, Dutchess, Ella, Balo, Bayley, Millhouse, Buster, Willow, Spotter, Timmy, Lucy, Odin, Brackley, Maggie Mae, Maverick, Sampson, Blu, Jasper, Koda Prince, Beau, Drogo, Cooper, Lacy, Jasmine, Duke, Rocky, Rex, Pepper Ann, Lola, Lily, Khloe, Kimber, Kipling, Jimmy, Bella, Flash, Otto, Indi, Max, Lily, Svivi, Josie, Fenway, Gunner, Dunkin, Frank, Sparky, Sammi, Delila, Willie, Johnny, Bailey, Dottie, Peewee, Spade, Thorn, Daisy Mae, Ambyr, Gracie, Willa, Sassy, Susie, Diesel, Loki, Bella, Baron, Tucker, Remy, Fred, Lola, Sampson, Ellie, Lucy, Piper, Juliette, Reese, Charlee, Fable, Brady, Razz, Everest, Sparky, Maggie, Moose, Maple, Hershey, Saffron, Neu, Emma, Winnie, Cash, Bailey, Harley, Endo, Max, Hudson, Lexi, Willow, Charlie, Suzie, Buster, Murphy Brown, Petunia, Linus, Caleb, Bailey Blue, Sophie Blue, Rush Limdog, Maggie, Booker, Meatloaf, Sonny, Aleks, Valley, Sadie, Marley, Chloe, Ruby, Elvis, Miley, Mike, Leia, Maxim, Dexter, Annie, Scooter, Sasha, Zoe, Bella, Calli, Holly, Maya, Barney, Polly, Bailey, Annie, Sophie, Lexie, Barton, Josie, Madeline, Maude, Tiny, Bodhi, Utah, Rudy, Ringo, Layna, Connor, Biscuit, Rogan, Pehelope, Juniper, Stella, Norrie, Susieboy, Gladys, Mick, Georgia, Rusty, Lucy, Emma, Teaki, Winston, coco, Belle, Sebastien, Treasure, Cody's Kahle, Ellie, Tilly, Anne, Silvia, Otis, Ash, Klby, Sophie, Toni, Winnie, Roxy, Nukka, Chance, Mud, Mossy, Daisy, Callie, Bear, Gracie, Max, Paddy, Roo, Pub, Gizmo, Bode, Buddy, Lucy, Marley, Mason, Bailey, Ruger, Zoe, Molly, Cadi, Ruger, Ozzie, Rhubarb, Rocky, Maggie, Remington, Molly, Beckett, Jack, Jill, Lola, Cole, Henry, Isabel, Decaprio, Blu, Bernie, Sasha, Dugan, Dixie, Abby, Bailey, Chelsea, Krikkit, Cella, Yogi, Mick, Sam, Luke, Freckles, Barnie, Boone, Murphy, Riley, Finnegan, Rosie, Ruger, Cooper, Lily, Peanut, Trout, Bella, Olaf, Daisy, May, Buddy, Poppey, Rexy, Conway, Buttons, Spartan, Julie, Auggie Bear, Maggie, Smudge, Rangeley, Lucy, Bonny, Mandy Upton, Betsy, Zealand, Zimba, Nala, Roxy, Sula, Ug, Harley, Baxter, Shadow, Spotty, Fritz, Silas, Charlie, Thor, Colby, Nonnie, Diesel, Bigbee, Ginger, Lucy, Gill, Sadie, Abbey, Stanley, Bonnie, Tori, Sniper, Arrow, Zena, Cricket, Fiona, Dexter, Ludy, Diesel, Abby, Allie, Deuce, Gux, Zeva, Maple, Murphy, Ruby, Caleb, Simba, Tilly, Nanook, Sadie, Brandy, Oakie, Inooka, Oreo, Keila, Teddie, Belle, Drake, Meadow, Frankie, Shadow, Blu, Chloe Jean, Jersey, Diesel, Ziva, Cambrie, Barley, Luke, Clover, Asha, Brina, Magoo, Vinnie, Addy, Joy, Jack, Nutmeg, Jake, Daisy, Hershey, Willow, Katie, Miss Daizy, Brody, Roxy, Jasper, Stella, Finn, Mario, Emily, Finnigan, Jasmine, Winnie, Sassy, Raven, McGregor, Lyka, Sadie, Kiana, Stella, Chester, Abbie, Annie, Rega, Gem, Maple, Rosie, Beatrice, Betsy, Lexi, Lady, Sam, Woodrow, Quincy, Charlotte, Luna, Moss

## VT Spay Neuter Incentive Program

The VT Spay Neuter Incentive Program (VSNIP), under VT Economic Services, helps income challenged care-providers of cats & dogs neutered for \$27.00. The balance is paid ONLY by a \$4.00 fee added to the licensing of dogs, and put into a designated account.

VSNIP is now at “0” funding due to dogs not being registered at least by six months of age. Required by law, a rabies vaccination enables your dog to be licensed. While town offices may not be open to the public, dogs *can* be licensed. Call, provide the rabies certificate, include a check for that amount, and a SASE. **Rabies IS in Vermont and IS deadly.** Tractor Supply Stores are now holding monthly rabies clinics again! Call for their schedule.

**Licensing a dog:** **1)** identifies your dog if lost, **2)** provides proof that your dog is protected from rabies in the event your dog is bitten by a rabid animal {but would still need immediate medical attention}, **3)** bites another animal/person, which could result in the quarantine of your dog or possibly euthanasia to test for rabies if your current vaccination isn't proven, **4)** helps support VSNIP to address the over-population of cats and dogs in VT, and **5)** **§3590. List of dogs and wolf-hybrids not licensed states, in part ...** “the municipal clerk shall notify the owners or keepers of all dogs and wolf-hybrids named on the list that have not already been licensed or inoculated, and after May 30 shall furnish to the legislative body a list of dogs and wolf-hybrids not licensed or inoculated as required by law. **Owners shall also be notified that unlicensed or uninoculated dogs or wolf-hybrids may be destroyed.**” (No one wants this, so vaccinate & register – for the protection of your animals and people!)

For an application for VSNIP, send a SASE to: VSNIP, PO Box 104, Bridgewater, VT 05034. Indicate if this is for a cat/dog or both. 802-672-5302

.....

VT Volunteer Services for Animals Humane Society has held a “DRIVE UP & POKE! RABIES CLINIC” for several years now. This type of clinic allows us to maintain a safe distance from people while vaccinating dogs and cats. All people stay in cars, masks are required. Pre-registration is encouraged. If you would like the paperwork we've developed to share with whomever usually does rabies clinics in your area, we'd be happy to share.

Thanks!

Sue Skaskiw, VVSA Director/ VSNIP Administrator: 802-672-5302.

## Properties Posted in Danville 2020-2021

Last Name	First Name	Acreage	Location	Registered	Expiration

**(Cite as: 10 V.S.A. § 5201) § 5201. Notices; posting**

(a)(1) An owner, or a person having the exclusive right to take game upon land or the waters thereon, who desires to protect his or her land or private pond or propagation farm over which he or she has exclusive control, may maintain notices stating that:

(A) the shooting, trapping, or taking of game or wild animals is prohibited or is by permission only;

(B) fishing or the taking of fish is prohibited or is by permission only;

(C) fishing, hunting, trapping, or taking of game is prohibited or is by permission only.

(2) "Permission only signs" authorized under this section shall contain the owner's name and a method by which to contact the property owner or a person authorized to provide permission to hunt, fish, or trap on the property.

(b) Notices prohibiting the taking of game shall be erected upon or near the boundaries of lands to be affected with notices at each corner and not over 400 feet apart along the boundaries thereof. Legible signs must be maintained at all times and shall be dated each year. These signs shall be of a standard size and design as the Commissioner shall specify.

(c) The owner or person posting the lands shall record this posting annually in the town clerk's office of the town in which the land is located. The recording form shall be furnished by the Commissioner and shall be filled out in triplicate, one copy to be retained by the town clerk, one copy to the Commissioner, and one copy to be retained by the person having the right to post the lands. The forms shall contain the information as to the approximate number of acres posted, location in town, date of posting, and signature of person so posting the lands. The town clerk shall file the record and it shall be open to public inspection. The town clerk shall retain a fee of \$5.00 for this recording.

(d) Land posted as provided in subsection (b) of this section shall be enclosed land for the purposes herein. (Added 1961, No. 119, § 1, eff. May 9, 1961; amended 1967, No. 302 (Adj. Sess.), § 1, eff. March 20, 1968; 1979, No. 161 (Adj. Sess.), § 11; 2013, No. 78, § 20; 2015, No. 145 (Adj. Sess.), § 16.)

***Posted Properties must be filed with the Town Clerk to be enforceable.***

## **Zoning Administrator**

Zoning saw major changes in 2020 in response to the world pandemic, COVID-19.

Danville's zoning office was taken by storm as all paper copies and submissions became electronically filed on the Town's website. Zoning applications were then able to be electronically submitted instead of by mail. Physical interaction was at a minimum but applications were at a continuous flow. Zoning application inquiries revolved mostly around home businesses and additions.

The DRB membership also changed in 2020. Mike Smith who had been part of the DRB since 2009 serving in a capacity of member and then Chair, resigned. Another member also resigned and one member took a leave of absence. With all the changes, the DRB still had a quorum and was able to hold hearings.

In 2020, there were 58 zoning permits applied for. 50 were Permitted Use, 3 were Subdivisions, 2 were Conditional Use, and 3 were Variances. Of the 58 permits, 12 were single family homes either to be constructed or tear downs and rebuilds, 7 were garages either attached or detached, and two were businesses (1-yoga/massage/AirBnB and 1-catering).

Current applications and pertinent zoning information can be found at:  
<https://www.danvillevermont.org/administration/zoning-administrator/>

Information can still be requested to be mailed, emailed or appointments can be made to discuss a future zoning permit or for current or prior zoning information, logs or even just to discuss zoning bylaws.

Acting Zoning Administrator, Audrey DeProspero

## **Planning Commission Report**

The Planning Commission focused on two major projects in 2020: Revising the Zoning Bylaw, and implementation of recommendations provided in our Better Connections Grant – Master Plan.

Danville's Zoning Bylaw was most recently amended with an addition for signs in 2017. The Planning Commission began a complete review and update in 2018 which has continued throughout 2019. There was an early push to get an interim bylaw to address waivers and variances; unfortunately, that process ended up detracting from the full review, so the commission dropped it to focus on the formal amendment. The updated draft bylaw addresses process issues including waivers and variances, updates the Design Control Districts and the four village center districts, creates a new Developed Shoreland overlay district for Joe's Pond, updates subdivisions to encourage preservation of agricultural fields, and generally updates and simplifies the bylaw as much as possible. Due to delays caused by the COVID-19 pandemic, the Planning Commission was not able to hold the Public Hearing in the spring as originally planned, it was postponed until August. The commission will send the draft to the Selectboard for their Public Hearing in the spring of 2021.

The Village to Village (V2V) project, was a 14-month grant that looked to better connect Danville's village centers and community assets to the Lamoille Valley Rail Trail (LVRT). The multimodal activity center master plan includes transportation infrastructure alternatives to improve safety along the LVRT and Route 2 Corridors, economic development strategies to support existing businesses, and draft architectural sketches of Danville's historic railroad station. During the summer of 2020, the advisory shoulder pilot test project along Peacham Road from the Danville School, to the town recreation fields was implemented. These advisory shoulders provided a safe space for bicyclists and pedestrians to travel along Peacham Road between the school and recreation fields. Additionally, a sub-committee was formed to guide the restoration and reuse of the Danville Train Station. This sub-committee will research and apply for grants to aid in these efforts.

Planning Commission Members: Jenni Lavoie (Chair), Glenn Herrin (Vice Chair), Kate Whitehead (Secretary), Jeff Paquet, Vincent Foy, Michael Hogue, Mark Nicholson

## Danville Conservation Commission

The Danville Conservation Commission (DCC) endeavored this year to implement the Forest Management Plan for the Rodgers Lot Town Forest. The 120-acre forest is located between the North Danville Road and Partridge Lane and hosts the town “Stump Dump.” The Management Plan was completed in 2011 and is on file at the Town Hall and on its website. We enlisted County Forester, Matt Langlais, to manage the harvest. He ascertained the current state of the forest stands, and marked the trees to be harvested according to the management plan objectives.

HB Logging LLC was awarded the contract to conduct the harvest. Although delayed by Covid, and by poor pulpwood markets, work should begin in 2021. We will put out notices when it begins as recreation will necessarily be limited during the harvest.

The harvesting is long overdue and will help the forest transition to one that is more healthy and diverse. The work will also allow for more recreation as we plan to create a network of trails using the skid trails as a template, and a small parking lot for visitors on Partridge Lane. Proceeds from the sale of the timber will go into a separate fund earmarked for stewardship projects within Danville’s town forests.

We have also been monitoring the spread of a vigorous and long-established patch of Japanese knotweed nearby the proposed landing for several years and have witnessed its hardiness. As many people can attest this plant is hard to get rid of.

We set up test plots within the patch to compare three different possible control treatments: 1) cutting the stems, 2) cutting plus chemical spraying (Glysohate), and 3) cutting and covering, first with black plastic and then with 2 ft. of wood chips. Our results after 3 years of treating and monitoring indicate that smothering with black plastic and mulch seems to be the most effective. Chemical control, while quite effective, required repeated application over several years.

If you are battling Japanese knotweed you can find the best current practices for removal by looking up VTinvasives.org. **Please do not bring your cuttings to the stump dump.**

The Emerald Ash Borer, an invasive and extremely destructive insect, is becoming well-established in Vermont. Although not yet seen in Danville, it is close by in the southern part of Caledonia County. To see the current spread and learn more about this invasive insect go to vtinvasives.org. If you believe your trees might be infested or have other hazardous tree questions, please contact Danville’s Tree Warden , Wes Everts at EvertsFM@gmail.com

Please check out the Danville Conservation Commission on Facebook! Are you interested in Conservation issues? The DCC is looking for new membership! We would love for you to join us. Please feel free to contact us & drop in on one of our meetings! [conservation@danvillevermont.org](mailto:conservation@danvillevermont.org)

*Dave Houston, Bridget Ferrin-Smith, Barbara Huibregtse, Brian Henderson, Debra Bixby, and Evangelyn Morse – Chair*

## **Pope Memorial Library**

We sincerely appreciate the financial help the town has given the library over the past several decades. As you can imagine, this year we need your help more than ever. In March we had to close the library doors to our patrons. We have tried to keep things as normal as possible. We continue to do “curbside” pick-up and delivery. You can contact the library by phone or e-mail with requests. This has been working well since March and we will continue until we can throw the doors open and welcome our patrons back. You can also visit our website which contains online courses, free downloadable books and media, access to Consumer Reports, our online catalog and more.

We couldn’t hold our regular summer reading program but our children’s librarian, Marilyn McDowell, planned and implemented several great outdoor activities. We had three story walks, a visit from story teller Tom Stamp and a great puppet performance by the Modern Times Theater, sponsored by the Passumpsic Bank.

Our community building is still being used every other month by the Red Cross for blood drives which have been very successful.

We recently had a Wi-Fi booster installed on the outside of the Library building to access Wi-Fi from your car or when the weather gets warmer from our picnic tables or library lawn.

Because of the ongoing situation we had very limited fundraising events this year. Joe Hollowell donated his beautiful sculpture “Leaves” for us to raffle off. We are very grateful. Our staff and trustees are being creative and planning some different types of fundraisers for 2021. Stay tuned.

We miss our patrons and community members and can’t wait until we can safely welcome everyone in and get back to business!

The trustees and staff thank the Danville community for the continued support of **YOUR** library.

<http://popememorallibrary.org>

684-2256

## **Danville Historical Society**

The Danville Historical Society is, and has been, a well-organized group for years, and to become an active part of it is, indeed, an honor. History, whether local, national, or international is being made every day, and keeping track of our place amid the ever changing world, is more important than ever. My love of Danville, and its people, combined with a never ending curiosity of Danville's history, will, hopefully, be of service to this organization. As I've been told, history keeps track of where we've been.

Not unlike all other organizations supported by recurring events throughout the year, 2020 provided some challenges. By careful and considerate budgeting of both time, and money, we focused on the things that could be accomplished while waiting out the "COVID Storm". We set our goals for finishing work on a book highlighting the history of West Danville, soon to be published. With hope for a possible March availability, please stay tuned! We scrutinized our budget including investigation of things to make our facility operate more efficiently, while protecting the integrity of the building. Countless volunteer advisors, and workers, guided us to make some worthwhile changes for the better. Our pilot areas, North Danville, West Danville, and Greenbanks Hollow, all used this time, as well, to do improvements and re-invent their exposure. We spent time planning for the future causing us to rethink events, and activities, as well as priorities.

Our hope is to be back active and open in the very near future, with access to the countless gifted pieces of Danville history available to all. We are forming alliances with surrounding historical groups, hoping to make our local area history "user friendly" and stimulate an interest for our residents and visitors. We hope to become a resource for our schools, as well. Our Facebook page and website have had a great response and we are gearing towards the beauty of technology for communication. We are currently able to assist personally by appointment only and abide by CDC guidelines.

The support of this town never ceases to amaze me, both on a monetary level, and in its ability to fulfill the wants, and needs of our community. We are blessed, and always have been, by the tireless volunteer efforts, and interest in the history of Danville, both past and present. Come see us online. We will get you hooked!

Dianne Smith Langmaid, Interim President

## Danville Volunteer Fire Department

This year has brought many changes for all, and the fire department was no exception. Two long time members, Christopher Walsh and Michael Walsh, resigned from the Department. We would like to thank them both for their years of hard work and dedication. We also regret to inform the passing of two retired firefighters, Dennis Cochran and Robert Briggs Jr. They each had many years devoted to the fire department and will be greatly missed.

We would like to take this opportunity to thank the community for your support. If anyone has interest in volunteering, please reach out to a member of the department for an application. We also have a junior program for 16 & 17 year olds that would like to join. No prior experience needed; training will be provided. We look forward to hearing from you!

This year's officers are as follows:

Chief- Troy Cochran - Assistant Chief- Ryan Heath - 2<sup>nd</sup> Assistant Chief- Roland Heath Jr.  
Captain- Jonathan Austin-Shortt - 2<sup>nd</sup> Captain- Theodore Legendre - Lieutenant- Thomas Vogel  
Administrative officer- Jonathan Austin-Shortt - Treasurer- Bennett Cochran  
Secretary- Seth Sjolander

**We've certainly come a long way since horse-drawn road equipment. Fayette B. Calkins and another fellow town worker are shown here operating this early town grader to smooth the surface of the road running through the center of Danville Green. Danville Historical Society**

## **North Danville School Association Report for 2020**

(Liz Sargent, Secretary for the North Danville School Association, Community Club, and Library)

**Special Notes:** Lee Langmaid Beattie continues to devote many volunteer hours to this building, its maintenance, schedule, and beyond. Also, twins Judy Heath Parker & Joan Heath Legendre continue with the task of cleaning the building in a COVID-safe way, which is volunteer time, therefore, saving money! Marie Langmaid tends to the supplies and keeping the kitchen tidy. ***These ladies deserve our thanks!***

**First, what a year this has been! We hope to have a better 2021, however, because of the COVID Pandemic, it still will be months before we can safely continue the community-based activities of this cherished North Danville Community Building which is used and so appreciated by many, many people.**

**North Danville Community Club:** Meetings came to an abrupt halt after February 2020 due to the COVID Pandemic, though Board members were in constant contact staying current and making decisions. Normally meetings are held on the first Monday of each month at 7:30 PM in the meeting room and a Selectboard member meets with us at least four times a year for North Danville School Association business.

It has been sad not to be able to do our usual activities for the community and beyond. We look forward to again hosting the Pre-Town Meetings, raising money for the children's playground, seasonal connections with special folks such as Valentines and May baskets, ball games, July 4<sup>th</sup>, Craft Fair, Memory Tree, quilting/knitting, puzzle pieces, and cribbage, which has been a big hit for all ages!

**North Danville Brainerd Memorial Library:** Again open hours and meetings came to an abrupt halt. Normally our hours covered completely by volunteers are:

- Tuesdays: 10 AM – 3 PM
- Wednesdays: 6 – 8 PM
- Thursdays: 10 AM – 3 PM
- Saturdays 10 AM – noon

How we have missed the busyness of Storytime for Children on Saturday mornings, coffee and fellowship, our fundraisers, etc. We continue to be associated with the State of Vermont Department of Libraries.

**North Danville Historical Room:** When we can re-open, we welcome visitors, and hope, if you have artifacts connected to North Danville, you will consider sharing them. They will be properly cataloged with the Danville Historical Society and housed in the North Danville Historical Room. The same goes for photographs and/or the opportunity to scan them for historical records and history.

**We lost two important members of our community in 2020 each faithful visitors/volunteers/supporters to the North Danville Community Building. One being Hazen Spaulding who served on the library board for years; the other, Bob Sargent who was instrumental in getting the library re-born again, if you will!**

**Here they are below with a few other regular library coffee time participants.**

## Danville Senior Meal Site

This past year was a difficult year for the Danville Senior Meal Site. The COVID19 pandemic created challenges for our organization. It was amazing to see the support and guidance we received to overcome obstacles that this organization overcame to support the citizens of Danville, Peacham and Walden. Chef Robert Walley and the volunteers overcame numerous challenges to ensure that the Meals on Wheels program, transitioning to meals to go for all participants. A normal year would see over 4,000 meals provided for our communities, this year they served over double the amount of meals to support the needs of our communities.

With guidance from the Northeast Kingdom Council on Aging, our staff worked diligently to make sure the mission of supporting those in need received the support necessary during difficult times. Normal times would see the meal site serving meals every Tuesday and Thursday. We have now transitioned to working four days a week. Serving double the meals per week would have been impossible without the support of so many volunteers, preparing and packaging food, providing extra frozen meals, delivering meals, and more importantly, contact with the vulnerable of our community. Twice a week our driver volunteers delivered meals to homes and ensured that the recipients received them. It has been a difficult process during these times of social distancing.

Not knowing what the future will bring us, the Danville Senior Meal Site requests the same appropriation as last year from the Town of Danville, \$5,000 to support the needy citizens of our area. Thank you so much for your support in the past and looking forward to a better future.

*Board of Directors, Danville Senior Meal Site*

**Sam A. Hatch's sugarhouse in 1904, as photographed by Harold Hatch. Gathering sap from metal buckets the old-fashioned way was a family affair and everyone helped. From the *Harold E. Hatch collection*, Danville Historical Society**

## **Danville Senior Citizens Housing, Inc.**

Danville Senior Citizens Housing, Inc. is a non-profit organization begun by members of all three churches in Danville. Our ten unit building was completed in 1967. In the Town Report for 1968, Paul Sevigny stated: “The project would not have been possible without the support of the entire community.” Our goal has always been to promote the welfare of seniors from our rural area, by providing affordable apartments so people can stay in our community.

All our one bedroom units are about 600 square feet and are equipped with a washer and dryer. Current rent is \$510 for single and \$535 for double occupancy. Rent from residents is our principal income source, although we are grateful for the gifts we have received from individuals and churches.

We have a waiting list of approximately twenty-five parties. When there is an opening, our volunteer board selects from this list depending on seniority on the list and income, with preference to Danville residents. By law, our annual meeting occurs every January and all are welcome. If for some reason we could no longer operate, the assets would go to the Town of Danville for any of its public purposes.

Our two biggest expenses are electricity (which provides our heating) and property taxes, followed now by loan payments. Thanks to the installation of a new HVAC heating system and major weatherization of the building, our electricity cost dropped by nearly 19% in 2020 (\$14,530). Thanks to the Danville voters agreement to reduce the assessment on our town property tax for ten years at town meeting 2020, our property taxes only increased 4.5% (\$8634).

We continue to welcome the attention, interest, and assistance of members of the community. You can reach us through our website at [DanvilleSeniorHousing.org](http://DanvilleSeniorHousing.org), or through any of our board members:

President: Thomas Ziobrowski (802-748-3642)

Vice President: Jenness Ide

Treasurer: David Hare

Members: Sharon Daniell, Lynda Farrow, Laura Goguen, Gloria Tillotson

Building Manager: James Emmons

## **Danville Village Improvement Society**

Like everyone in 2020 the DVIS had to adapt which meant we did not hold any meetings. Instead the officers already in place continued for the year.

We arranged with Snapdragon Flower Farm, Morrill Road, Danville to get our summer flowers for the barrels for the median in the village. They provided beautiful ones that lasted into fall. Keeping them watered was a challenge in the drought but it was good exercise! I also heard many appreciative compliments from drivers for the lovely displays as I was doing it. Snapdragon donated a lot of soil and mulch for the barrels which was a great help. Unfortunately the very early frost meant many of Snapdragon's mums got nipped. They generously donated them to us to use for the fall barrel and grandstand displays. None of the frost nip showed and they lasted until the snow came. We want to thank Snapdragon Flower Farm and encourage everyone to shop locally there this spring.

The gazebo holiday tree, donated by Eric Bach, was set up by the committee with the help of Jacob Mills, who was recruited at the last minute. It is tied securely to the railings which held during the wind storm that happened the night we put it up. I envisioned it blowing down Route 2 but it was safe in place in the morning! The decorations on the trees and the railing swags were done by Girl Scout families. Each family got a time on one Sunday to hang decorations on their tree. We are hoping to expand that part of the decorating next winter. Thank you to the Girl Scouts for doing this. We appreciate it very much!

When we are next able to have an in person meeting I will post it on Front Porch Forum and the Chamber's Facebook page. As always we are happy to welcome new members.

Laurel Stanley, Chair

## **Danville Chamber of Commerce**

The Danville Chamber of Commerce has had an interesting year. Many hours of work have been put into events we were unfortunately not able to have or were only able to host in a limited capacity.

We miss our community members and our vendors but understand the importance of everyone's health and safety. We are working diligently from our homes to make sure we are able to bring back our community events as soon as we are permitted.

Stay safe and healthy. We will see each other all again soon!

Danvillevtchamber.org

## West Danville Community Club

The primary responsibility of the West Danville Community Club (WDCC) continues to be to supervise the maintenance of the Joe's Pond Beach and the Park & Ride. The grass is mowed regularly, trash/litter removed daily, with ongoing upgrades to picnic tables and beach structures.

We are fortunate to have the Lamoille Valley Rail Trail in the center of West Danville, but its popularity has increased our expenses every season. The WDCC has made every effort to sustain this maintenance so it can be enjoyed by tourists and locals alike.

We appreciate your support and are asking the same amount we have requested each year: \$1,000 toward the maintenance of the Joe's Pond Beach and the main west entrance to the Town of Danville.

West Danville Community Club  
PO Box 6, West Danville, VT 05873

**The Danville gravel pit was located on the former site of Joe Peck's duck pond, on the right side of Route 2 heading toward West Danville, in the early 1900s. Town workers stand at the ready with their shovels as their teams of horses patiently wait to draw the wagonloads of dirt to their destination. The crew are from left to right: Fred H. McCosco, Noel Burdick, Henry Weeks, Bert Heath, Bert Hartshorn. Danville Historical Society**

## Caledonia Essex Area Ambulance Service, Inc.

Compassionate professionals delivering the highest quality emergency medicine, specialty care, and training to our providers and communities.

2020 was not at all what anyone expected especially in the world of providing Emergency Medical Services and being frontline healthcare providers. In my 27 year career, I have never seen so much change happening daily sometimes even hourly, new policies/procedures, new protocols, response changes, new guidance, daily/weekly virtual meetings all in response to this historic year with the coronavirus pandemic. Our agency stepped up in a big way, not only to meet the medical needs of the community with regard to medical response and inter-facility transport in the face a pandemic, our agency worked alongside the Vermont Department of Health providing COVID pop up testing clinics in Saint Johnsbury from the beginning. Weekly our crews helped staff VDH pop up sites with two to three EMT/Paramedics to provide additional support and resources to provide PCR testing. Our staff tested hundreds of local residents and visitors traveling into the region. Donned in personnel protective gear -N95 masks, gloves, gowns, faceshields inside a tent in the midst of the summer heat for hours, our staff was there. In addition, our team was available to be called upon to do home PCR tests for those who did not have transportation to a test site. We also were called up for additional resources for potential outbreaks or scheduled facility testing in the region. Lastly, we will be providing assistance to VHD for vaccine clinics once they have these up and running for the community as well.

Even though this was a stressful year and many additional responsibilities and changes added upon our staff, they adapted and overcame with a tremendous level of professionalism. This was new to all of us in many ways, and we had to learn new ways to protect ourselves and treat our patients with new equipment in order to keep us safe in our transport environment. This meant a great deal of training and familiarizing with new equipment and updated protocols. Our staff has been here 24/7/365 meeting the medical needs of our communities and a big “thank you” should be given to all the frontline medical staff and responders as well as all the other essentials workers who have been here assuring everyone is safe. If you see a healthcare provider/medical responder, please thank them! CALEX has protected our staff very well during this period, with only a few isolated sick days as expected during this time of year. We have not had any staff COVID-19 positives to date and our staff has begun receiving their vaccinations.

CALEX continues to provide the highest quality of pre hospital care to all the towns we serve providing 911 coverage at the Paramedic level 24/7/365. Serving 9 towns – Saint Johnsbury, Waterford, Barnet, Concord, Kirby, Victory, Danville, Walden and Peacham. Our volumes were down this year due to the pandemic. CALEX responded to 1,366 911 responses and the remainder being Interfacility Transfers and Medical transports. Our average response time to the scene for our entire service area 8 minutes 32 secs. Overall our agency responded to 2,815 requests for service. 230 of them were in Danville. CALEX provided 478 inter-facility transports throughout the year in VT and an additional 282 in NH for a total of 761 inter-facility/medical transports. These transports are a critical point of our service, reducing any delays of getting our patients to definitive care whether it be trauma services, cardiac care or other specialty services at a higher-level care facility such as DHMC or UVMHC and other hospitals across the New England. CALEX also continues to provide Paramedic intercept services to Lyndon Rescue and other services that may be transporting critical ill patients into NVRH. Our Paramedics respond rapidly with our intercept vehicle to meet on scene or enroute to the hospital to provide the highest level of care. Our crews experienced many life-saving emergencies and very successful stories with great outcomes this year. We provided numerous training opportunities with both internal and external training as well as various simulation opportunities to focus on high quality training for our staff.

In 2021, we plan to remount our 2011 Dodge Ambulance, and replace with a 2021 Ford F-450. This remount process which is completed by Osage Ambulance, Linn MO – removes the old box from the chassis, installs new LED lightning, new flooring, reinspects all the electrical systems, and completely sandblast the box and repaint/letter. This remount process has been successful for us while saving thousands versus purchasing new for a minimum of two remounts. We maintain a fleet of 5 Ambulances, one Paramedic intercept vehicle, one off-road UTV.

As we end 2020, I look forward to safe and successful year of providing the very best of pre hospital care to our communities. We are fortunate to have such a dedicated and experienced team providing care for when it is needed to anyone who may need our service in the communities we serve. We hope you will continue to support us and approve our funding requests so we can continue providing the very best Emergency Medical Care to the region.

In closing, I would like to thank all of our staff, their families, and the CALEX Board of Directors and our dedicated dispatchers for their continued support and dedication to the Agency’s mission.

Respectfully Submitted,

Michael J. Wright, NRP  
Chief Executive Officer

# **DANVILLE GREEN CEMETERY**

Lot of Three	\$2,400.00
Lot of Four	\$3,200.00

*Prices include 4 corner stones, one full burial or up to 3 urns allowed in a single lot*

The Danville Green Cemetery is a private cemetery located at 548 Brainerd Street, Danville VT. The officers and trustees of the Danville Green Cemetery Association are responsible for the operation and management of the property. The Sexton of the cemetery, hired by the trustees, is Kristen Weaver. She is responsible for daily operations and management of all activities at the cemetery. Little Acres Landscaping is hired each year to provide mowing services and ground maintenance as needed.

2020 put a hold on most projects outside of mowing and general maintenance needs. In the future we will continue to manage tree removal, cleaning and straightening of gravestones, water improvements and roadway repairs for the safety of all that visit. The public is always welcome. If you have not had a chance to visit the grounds, please come and see our beautiful cemetery.

Chris Vance, President

A dapper group of handsomely dressed gentleman pose on the steps of C. S. Dole's store on the corner of Hill Street in Danville around 1905. The store, which sold groceries and an array of general merchandise, featured advertisements for the latest in men's dress attire in the front display window at the time of this photo. Danville Historical Society

## Executive Committee Report

The NEKWMD finished 2020 by processing less recycling compared to 2019 – 2,211 tons in 2020 compared to 2,615 tons in 2019. Significant drops in mixed paper and plastic were responsible for most of the decline. A few items, including food scraps, tires, and cardboard saw increases in tonnage. E-Waste, glass, and battery tonnages were approximately the same as 2019. Recycling markets remained stable but low throughout most of 2020.

The District ended 2020 with a deficit of \$8,338.22. Revenues in 2020 were 5% above projections. While budgeted expenses were 6% above projections. The COVID19 pandemic did disrupt our work schedule for several weeks in the spring, but it does not appear to have impacted the District significantly over the course of the entire year. Legal fees and truck repairs were the primary drivers of the deficit in 2020. The pandemic will impact our budget process for 2021. The 2021 budget will be approved by the NEKWMD Board of Supervisors and not a direct vote by District members. This is a temporary one-year change directly related to changes in Town Meeting Day.

There were no additions or subtractions to the District membership in 2020. We continue to serve the largest geographical area and largest number of towns (49) in the State. Our population served is 3<sup>rd</sup> in the state behind only Chittenden Solid Waste District and the Central Vermont Solid Waste Management District.

The NEKWMD is entering 2021 with a proposed budget of \$809,527 – an increase of 1.85% compared to 2020. Due to the COVID19 pandemic, the District's 2021 budget will be acted upon by the District Board of Supervisors at their regularly scheduled meeting on March 9, 2021. The District sought and received a one-time legislative remedy in order to act on the budget internally. There will be 2 additional public hearings to receive input on the 2021 proposed budget. These meetings will be held via ZOOM on February 18 and 25, 2021 at 6pm.

The NEKWMD was staffed by nine full-time and three part-time employees in 2020. Each of the member Towns is entitled to representation by at least one Supervisor. The Board of Supervisors is the principal authority over the NEKWMD and the primary means of contact with the member towns. The Board of Supervisors meets monthly with the District's Executive Director to set the direction of NEKWMD policy.

Since the surcharge on trash is based on the amount of waste produced, members have a clear opportunity to control their waste management costs. Costs can decrease as waste generation rates decrease and recycling rates increase.

We would like to express our appreciation to our able staff for their continuing commitment to our mission. The 47,600 residents of 49 Towns throughout the Northeast Kingdom can be assured that the NEKWMD will continue to address their waste management concerns in a timely and environmentally sound fashion.

***NEKWMD Executive Committee***

# 2021 Household Hazardous Waste Collection Schedule

DATE	TIME	LOCATION
SATURDAY, MAY 8	8:00 a.m. – 12:00 p.m.	Ryegate Transfer Station
SATURDAY, JUNE 5	9:00 a.m. – 1:00 p.m.	Derby Recycling Center
SATURDAY, JUNE 12	8:00 a.m. – 12:00 p.m.	Brunswick Town Office
SATURDAY, JUNE 19	8:00 a.m. – 12:00p.m.	Newport Center Town Garage
SATURDAY, JULY 10	8:00 a.m. – 12:00p.m.	Brighton Recycling Center
SATURDAY, JULY 24	8:00 a.m. – 11:00a.m.	Greensboro Recycling Center
SATURDAY, AUGUST 14	8:00 a.m. – 12:00p.m.	Lunenburg Transfer Station
SATURDAY, AUGUST 28	8:00 a.m. – 12:00p.m.	Marshfield Town Office
SATURDAY, SEPT. 25	8:00 a.m. – 3:00 p.m.	Lyndon Recycling Center

**\*\*HHW Collections are free and open to residents of all DISTRICT TOWNS\*\***

The NEKWMD reserves the right to terminate any collection event if storage capacity is reached.

**Please limit HHW disposal at listed events to 30 gallons.**

**HHW Collection events are limited to District Households.**

**If you have more than 30 gallons, or need to dispose of business' HHW, please call our office for an appointment at our Lyndonville facility May 4 – Oct. 2, 2020.**

**Not going to be able to make any of these dates? NOT A PROBLEM!** The NEKWMD will be accepting these materials by appointment at our Lyndonville facility from *May 4, 2021 to October 5, 2021*. Due to regulatory handling requirements, hazardous wastes will not be accepted without an appointment. Scheduling ahead ensures that a qualified individual will be on-site ready to accept your hazardous waste.

What are *Household Hazardous Products*? They are consumer products that contain ingredients that **may be:**

**Toxic-** poisonous if eaten, breathed, or absorbed through the skin

**Corrosive-** can burn or destroy living tissue if spilled on skin

**Reactive-** creates fumes, heat, or explosion hazards if mixed with certain materials such as water

**Explosive-** can explode with exposure to heat or pressure

**Flammable/Ignitable-** can easily be set on fire

To determine if a product in your home is hazardous, check the label for the following words:

Danger indicates that the substance is extremely flammable, corrosive, or toxic.

Poison means that the substance is highly toxic.

Caution/Warning is put on all other hazardous substances that are a somewhat lesser hazard, but are still dangerous if the directions are not followed closely.

Conditionally Exempt Generator businesses can also use the Lyndonville collections for the actual cost of the disposal of their materials. Please call ahead for pricing and an appointment.

**CONTACT THE NEKWMD IF YOU HAVE ITEMS YOU CANNOT IDENTIFY**

### Unacceptable Plastics Include:

Any **black** plastic containers  
Screw-top Caps  
Motor oil, gas containers  
Pesticide containers  
Styrofoam of any kind  
Planting pots and trays  
Plastic furniture  
Plastic Toys  
Coffee Makers  
Coat hangers  
Vinyl Siding  
Maple Tubing  
CDs, DVDs, VHS, and cases  
Water line pipes and plastic tubing of any size  
**Hard, rigid plastic** (if it shatters, it's not accepted)

### Unacceptable Plastic Bags and Films

Any films with food residue

### Unacceptable Aluminum

Chip Bags, Snack Wrappers, Pop tart Wrappers  
Aluminum Flashing (recycle with scrap metal)  
Coffee Bags

### Unacceptable Tin

Recycle these with Scrap Metal

Frying Pans  
Large Pieces of Metal  
Nails, Screws, Fasteners  
Any tin that is a non-food container

### Unacceptable Cardboard

Pringles containers  
Milk and Juice Cartons of any kind  
Ice cream and waxy or plastic frozen food boxes  
Cardboard with metallic interior  
Single-use coffee cups  
Soiled Cardboard  
Waxy Cardboard

### Unacceptable Paper

Kraft brown paper bags (recycle with cardboard)  
White or Brown Boxboard (recycle with cardboard)  
Shiny, glossy, or metallic papers  
Paper plates, cups, bowls  
Single-use cups  
Napkins, paper towels, tissue paper

### Unacceptable Glass

Crystal  
Incandescent light bulbs  
Automotive lights  
Pyrex  
Porcelain

### Unacceptable Food Scraps

PLU Stickers (sticks on fruits, vegetables)  
“Biodegradable” bags, cutlery, bowls, plates,  
Food utensils  
Plates, bowls, cups  
Plastic bags  
Styrofoam  
Keurig cups

## Caledonia County Budget

	<b>FY2021</b>	<b>FY 2022</b>
Personnel	\$135,000.00	\$132,000.00
Operations	\$9,000.00	\$8,200.00
Professional Services	\$8,000.00	\$7,000.00
Building Expense	\$1,000.00	\$1,000.00
Reserve Fund	\$1,000.00	\$100.00
Probate Court	\$1,500.00	\$1,500.00
Court Budget	\$155,500.00	\$148,800.00
Sheriff Budget	\$201,766.00	\$198,000.00
<b>TOTAL</b>	<u><u><b>\$357,266.00</b></u></u>	<u><u><b>\$346,000.00</b></u></u>

## Caledonia County Sheriff

“Good bye 2020” is all I have to say about that year. We completed another audit for our office in 2020 and it resulted in no findings or problems of any kind. We have kept our rates for service the same for the past few years and have a slight increase with construction and traffic. With project (ROAD), Responsible Operators Against Distractions, we want to continue to educate operators about phone use and texting while driving.

We continue to do town patrols and feel that the towns that we patrol are a safer place to live and drive in because of our presence. The patrols are community based which means each town is different, so the patrols may be different. Our goal is to have 20 to 25 deputies to cover all details. We have become more active with local schools to ensure the safety of students and staff. We have been involved with drills and evacuation plans and will continue to assist as needed.

We have continued with our great relationship with NVRH and are helping them make certain that their patients and staff feel safe while in the hospital. We will again do snowmobile patrols throughout the county. We’re doing our best to keep the trails as safe as possible, and we will again answer snowmobile related complaints.

I look forward to serving this county as the Sheriff. If anyone has questions or concerns, please call me or stop by the office. My door is always open.

Dean Shatney, Caledonia County Sheriff (802)748-6666.

## **NEK Community Broadband CUD**

The NEK (Northeast Kingdom) Community Broadband CUD (Communications Union District) is a community-driven organization working to provide equitable access to high-speed internet to its 32 member communities, which includes Danville. NEK Community Broadband has completed a feasibility study that shows areas that can be cash flow positive in three years. These would be areas that have enough density to pay for the cost of the construction and operation of the infrastructure required to provide reliable broadband with adequate speed. The revenue from these areas would then fund building infrastructure in the more sparsely populated parts of the CUD.

The company which performed the feasibility study for the CUD, Tilson Technology Management Incorporated (TTMI), was awarded a grant from the state of Vermont which means 375 addresses in Danville will be getting connected to fiber optic high speed Internet during 2021. This is a big step forward for our community, and we must continue to push for Tilson to connect more addresses and to provide a high quality of service.

A significant amount of federal grant money, over \$18 Billion, was awarded to serve rural America with broadband. Consolidated Communications Incorporated (CCI) and the National Rural Telecommunications Cooperative (NRTC) received funding to help construct infrastructure that would serve a large part of the Northeast Kingdom. This money was made available through the Rural Digital Opportunity Fund (RDOF) auction that was held at the end of 2020. The good news is Consolidated Communications Incorporated (CCI) was awarded funds to serve a portion of Danville as well.

On January 29, 2021, NRTC and CCI will be able to speak to NEK Community Broadband about their construction plans. NEK Community Broadband will then develop a five-year plan with a detailed 2-year work plan. This plan will focus on areas that are not going to be served by the RDOF auction funds. Danville will be one of the priority communities. NEK Community Broadband will work with NRTC, CCI, and Tilson to identify additional addresses that can be served.. Meanwhile, it is very important for the residents of Danville to communicate to their state and federal representatives the importance of committing to infrastructure investments that are necessary to make broadband available.

For 70 years, the Northeastern Vermont Development Association (NVDA) has been a regional advocate for stronger communities and vibrant local economies. As the state's only combined regional planning and economic development organization, we are uniquely suited to simultaneously serve the municipalities and businesses of the Northeast Kingdom.

This year, we are once more requesting dues from our member communities. These funds are vital as they allow our team of professionals to provide direct technical assistance to the 50+ municipalities and the many businesses in our region. Municipal contributions also allow us to leverage other state and federal funds for our region.

Local governance is increasingly complex -- and even more so during a pandemic! Since last March NVDA staff has been swift and agile in meeting the pandemic's unprecedented challenges. We quickly mobilized to help local governments secure expense reimbursements due to COVID and connect so many of our businesses to the available state and federal recovery resources. Our regular services continued without interruption as well. They include, but are not limited to:

- Land use planning and regulation – town plans, zoning bylaws, and on-call technical assistance for local officials;
- Transportation studies, Infrastructure inventories, and Project planning;
- Digital mapping and GIS services;
- Grant writing and administration for community and regional projects;
- Direct business support, referral services, and lending to employers in our region;
- Energy planning and water quality planning to help communities meet evolving statutory requirements;
- Local emergency planning and hazard mitigation planning;
- Brownfield assessments and planning;
- Economic development planning to grow and strengthen businesses in our communities;
- Municipal education and training opportunities for local officials;

How is this relevant to your community? In 2020:

NVDA Staff provided Grants-in-Aid Assistance for local roads. Assisted with advisory shoulder experiment on the Peacham Road. Review of zoning bylaw amendment. Traffic Counts. Assisted with Hazard Mitigation Plan. Assisted with updating the Local Emergency Management Plan which was approved by Vermont Emergency Management. Provided daily COVID 19 information such as grant assistance and health information and provided information to the Fire Department on grants that were available to Fire Departments.

NVDA's municipal dues remain at a very affordable \$0.75 per capita rate, with a maximum of \$3,500 and a minimum of \$250. We take great pride in providing cost-effective professional services to the communities and businesses of the Northeast Kingdom. We take pride in keeping communities aware of new opportunities through our e-newsletter and social media. Contact us at [tgonyaw@nvda.net](mailto:tgonyaw@nvda.net) to receive our e-newsletter and like us on Facebook.

David Snedeker, Executive Director

## DANVILLE INFORMATION

Population (from the 2010 Census): 2196  
Registered Voters: 1796

### Telephone Numbers:
