DEKALB COUNTY FOOTBALL HISTORY

Eight-man football and the original eight schools served as the origin of the long and proud gridiron history of DeKalb County.

Druid Hills, Southwest DeKalb, Tucker and Avondale helped DeKalb County make the jump to the current 11-man version of football in 1950, with Stone Mountain, Lithonia, Clarkston and Chamblee also in the field.

Legendary DeKalb County multi-sport coach and Athletic Director Elmer Morrow developed the first powerhouse at Druid Hills, guiding the Red Devils to a runner-up state finish to Valdosta and 11-1-1 record in 1956.

Such other coaching giants as Avondale's Calvin Ramsey and Tucker's Terry Hodges lifted DeKalb County's state-wide status to even greater heights toward the end of the 1950s and for most of the 1960s.

Avondale ranked among the powerhouse programs in the state from the mid-1950s through most of the 1980s.

The Blue Devils gained state and national fame during a 13-year stretch from 1958-70, winning a pair of state championships and posting a 129-12-3 record while never losing more than one game in any of those seasons.

Ramsey finished with a 167-33-7 record, leading Avondale to state titles in 1958 (a 13-13 tie against Thomasville in AA) and in a 40-0 blanking of Moultrie in AAA in 1963. Hodges led Tucker to 10 or more wins four times from 1957-63, highlighted by a 1963 team that went 11-2 and lost in the state final.

Lakeside and Southwest DeKalb emerged as new powers as the decade of the 1970s rolled around, and Avondale still loomed large under Crawford Kennedy's direction. Wayman Creel, who held the distinction of being the all-time winningest coach in Georgia high school history upon his death in the summer of 1991, guided Lakeside to an immediate period of domination never seen before or since on the local level.

Creel arrived in the spring of 1970 and proceeded to lead the Vikings to undefeated state championships that fall (13-0) and in 1972 (14-0).

Lakeside also went 9-1 in 1971 for a three-year run of 36-1 that has never been matched in DeKalb County history.

Southwest DeKalb claimed its first state championship in 1972, as Dewey Alverson's talented squad knocked off Gainesville (16-12) in the AA final to finish a 13-1 season.

Avondale returned to the head of the class in 1976, roaring to a perfect 14-0 campaign under Kennedy that was highlighted by a 20-19 triumph over Woodward Academy in the AA state championship contest.

Redan in 1979 under Steve Shankweiler, Lakeside in 1991 under Phil Lindsey, Dunwoody in 1993 under David Kelly, Southwest DeKalb in 1995 under Buck Godfrey, Tucker in 2008 and 2011 under Franklin Stephens and Cedar Grove under Jermaine Smith in 2016 and 2018, Miguel Patrick in 2019 and John Adams in 2021 claimed DeKalb's other state titles.

Southwest DeKalb's Godfrey surpassed Kennedy (168-88-9) as the winningest coach in DeKalb County history and finished his career with a 273-89-1 record.

T. McFerrin (Lithonia; Peachtree; Tucker), Dave Hunter (Peachtree), French Johnson (Chamblee), Phil Knight (Columbia; Lithonia), Ron Gartrell (Shamrock; Stephenson) and Tally Johnson (Briarcliff) are among DeKalb County's other coaching giants.

ABOUT THE COVER

The cover for the 2022 DeKalb County Football Media Guide is a pictorial salute to the Cedar Grove Saints. Cedar Grove rolled past Carver, Atlanta by a 56-26 margin in the state Class AAA title game. The state crown is the fourth captured by the Saints in the last six years. Athletic Specialist **Mark Brock** shot the pictures that appear on the front cover.

DEKALB COUNTY SCHOOL DISTRICT

The DeKalb County School District has nineteen high schools that field teams in interscholastic sports. DeKalb schools compete in five of the seven classifications of the Georgia High School Association: two are AAAAAA, six are AAAAA, six are classified AAAA, one is in AAA and four are AA. The 2022 region alignments are listed on page 5.

The DeKalb County School District, one of Georgia's largest, serves more than 100,000 students (K - 12) living in a 258 square-mile area in the east and northeast sections of metro Atlanta. DeKalb provides diverse educational programs and services operating on a semester basis. The system includes 83 elementary schools, 19 middle schools, 21 high schools, special service centers for foreign language, science, vocational-technical, educational computing, special education, early childhood, learning resource and performing arts. The county operates Fernbank Science Center which features the nation's third largest planetarium.

STADIUMS AND SCHOOLS

All DeKalb County teams play their home games in the five county stadiums. Locations for the stadiums are listed on page 6 of this brochure. Directions to each high school are listed on the schedule page for each individual school throughout the book.

GAME TIMES

Single games played at DeKalb County stadiums begin at 7:30 p.m. When doubleheaders are played on Friday or Saturday nights, the first game begins at 5:15 p.m. and the second game is scheduled for 8 p.m. Thursday single contests start at 7 p.m.

SPEED AND WEIGHT

The speed in the 40 yard dash and what a player can bench press are listed in this brochure along with the height and weight of every senior and returning starter in DeKalb County. The information is provided by the head football coach at each school. Due to the fact that there are various ways to determine the speed in the 40 yard dash and the weight for the bench press, there will be variables to consider among schools. Some coaches time the 40 on a track; others time players on grass in cleats. Some times are determined in full uniform while others are not. The bench press can be done on a universal weight machine. Most coaches in DeKalb County will go by Olympic Loose Weights. There is also a discrepancy in heights of players listed since some coaches will measure their players with their shoes on. College coaches should find out from individual coaches how they obtain the information listed in this brochure.

BROCHURE

The Football Brochure is prepared by the Athletic Department and printed by an outside company. The book was written and edited by Phil Schaefer from 1981 to 1999 and Chris Chilton beginning in 2001. For information on the book, call 678-676-1825. Information appearing in the DeKalb County Football Guide can be reprinted only with permission of the Athletic Department.
