 This surveyor has made no independent search for encumbrances of record, restrictive covenants, ownership title evidence, or any other facts that may not be contained in the above mentioned commitment.

SURVEYOR'S COMMENTS
Road Right-of-way Note:
 No record encasements for road right-of-way were provided with the commitment that define the right-of-way for Quadrant Avenue South or for 87th Street South. The rights-of-way are not dimensioned on County mapping. The easements for these publicly maintained roads are not currently defined by center line location or right-of-way width. The public use of these rights-of-way is assumed to be an easement, prescriptive in nature.
Mining Operations with Property:
 The terms and conditions for mining within the property are covered Resolution 2008.02 from Denmark Township for a Conditional Use Permit filed as Document No. 3682274 in the Office of the County Recorder, Washington County, Minnesota.
