Board of Directors Meeting
July 28, 2022
3:00 PM
3901 Morse Street
Denton, Texas
AGENDA

- ITEM 1. CONVENING OF MEETING
- ITEM 2. INVOCATION
- ITEM 3. PLEDGE OF ALLEGIANCE
- ITEM 4. OPPORTUNITY FOR PUBLIC TO ADDRESS THE BOARD OF DIRECTORS
PERSONS DESIRING TO ADDRESS THE BOARD OF DIRECTORS MUST FILL OUT A SPEAKER'S CARD PRIOR TO THE MEETING. NO PRESENTATION SHALL EXCEED THREE MINUTES. THE BOARD CANNOT DELIBERATE ON ANY SUBJECT THAT IS NOT INCLUDED ON THE AGENDA.
- ITEM 5. PROGRESS REPORT
CHIEF APPRAISER - HOPE MCCLURE
DEPUTY CHIEF APPRAISER - DON SPENCER
LIAISON OFFICER - ASHLEY AGUADO
- ITEM 6. CONSENT AGENDA
THE ITEMS ON THE CONSENT AGENDA ARE CONSIDERED SELF-EXPLANATORY BY THE BOARD AND WILL BE ENACTED WITH ONE MOTION. THERE WILL BE NO SEPARATE DISCUSSION ON THESE ITEMS UNLESS A BOARD MEMBER OR CITIZEN SO REQUEST.
 - A. APPROVAL OF MINUTES FROM THE PREVIOUS BOARD OF DIRECTORS MEETINGS
 - B. ACKNOWLEDGE RECEIPT OF MONTHLY FINANCIAL STATEMENTS
 - C. ACKNOWLEDGE RECEIPT OF VALUE CHANGES
- ITEM 7. CONSIDER AND TAKE ACTION ON PENALTIES AND INTEREST FOR OUTSTANDING THIRD QUARTER ALLOCATIONS
- ITEM 8. PUBLIC HEARING FOR THE 2023 DENTON CAD BUDGET
- ITEM 9. CONSIDER AND ADOPT THE 2023 DENTON CAD BUDGET
- ITEM 10. PRESENTATION FROM TRUE ROLL REGARDING HOMESTEAD EXEMPTION PROJECT
- ITEM 11. PRESENTATION OF DENTON CAD'S STRATEGIC PLAN
- ITEM 12. ADJOURN TO EXECUTIVE SESSION PURSUANT TO SECTIONS 551.071 AND 551.074 OF THE TEXAS GOVERNMENT CODE FOR THE FOLLOWING PURPOSES: (AS NEEDED)
 - A. CONSULTATION WITH LEGAL COUNSEL;
 - B. DELIBERATION ON PERSONNEL MATTERS
- ITEM 13. RECONVENE TO OPEN SESSION AND TAKE ACTION ON ITEMS DISCUSSED IN EXECUTIVE SESSION (AS NEEDED)
- ITEM 14. ADJOURN

AS AUTHORIZED BY SECTION 551.071 OF THE TEXAS GOVERNMENT CODE, THIS MEETING MAY BE CONVENED INTO A CLOSED EXECUTIVE SESSION TO OBTAIN CONFIDENTIAL LEGAL ADVICE FROM THE DENTON CENTRAL APPRAISAL DISTRICT'S ATTORNEY ON ANY AGENDA ITEM LISTED HEREIN. THE DENTON CENTRAL APPRAISAL DISTRICT'S BOARD OF DIRECTORS WILL THEN RECONVENE IN AN OPEN SESSION AND TAKE ANY ACTION, AS MAY BE NECESSARY, ON ANY ITEMS DISCUSSED IN A CLOSED EXECUTIVE SESSION.

DENTON CENTRAL APPRAISAL DISTRICT

BOARD OF DIRECTORS MINUTES

JUNE 23, 2022

3:00 p.m.

ITEM 1: CONVENING OF MEETING

Roy Atwood convened the meeting at 3:00 pm.

BOARD MEMBERS PRESENT: Roy Atwood
Charles Stafford
Alex Buck
Ann Pomykal
Michelle French, Ex Officio Member

BOARD MEMBERS ABSENT: David Terre

STAFF PRESENT: Hope McClure, Don Spencer, Kim Collins,
Misty Baptiste

OUTSIDE COUNSEL: David Tabor - Perdue, Brandon, Fielder, Collins
and Mott, LLP

ITEM 2: INVOCATION

Invocation was given by Michelle French.

ITEM 3: PLEDGE OF ALLEGIANCE

The Pledge of Allegiance was stated to the U.S. Flag and Texas Flag by all who were present.

ITEM 4: OPPORTUNITY FOR PUBLIC TO ADDRESS THE BOARD OF DIRECTORS

- Tracy Miller - President of Lewisville ISD School Board - read his letter submitted to the Board requesting to postpone Budget approval by one month.
- Mark Vargas - Mayor of Lakewood Village - spoke to the Board about the high values in Lakewood Village and how he felt they were unfairly appraised.

Minutes - Board of Directors Meeting of June 23, 2022

- Tracy Runnells - Resident in Denton - applauds DCAD for hiring a Communications Liaison, commented on the report from Petree and the rebuttal, encouraged empathy from DCAD employees, and wanted more information posted about the ARB.
- Ryan Williams - Precinct 1 County Commissioner - asks that DCAD postpone the budget approval until the July meeting.
- Andy Eads - Denton County Judge - disappointed Board did not hear Richard Petree's report in May, disappointed exemptions are not being processed in a timely manner, does not feel confident supporting the budget/board the way things are currently being run.
- TJ Gilmore - Mayor of Lewisville - thinks the website is amazing and nice resource for the county, commented on changing signs on doors and the trouble he had finding the 3901 building, supports delaying the budget by a month, has a problem with no increase in the training budget, but supports the increase in staff.

ITEM 5: PROGRESS REPORT

DON SPENCER - DEPUTY CHIEF APPRAISER

- DCAD is in peak protest season - 100,000 protests have been filed to date.
- Snapshot of June 15 - online system received 1 protest every 20 seconds, 200 property owners in building, 500 help desk tickets, 1,100 phone calls per day.
- Hats off to our team who are helping as quickly and efficiently as possible with the limited resources and personnel - very defeating to them when all they have a heart for service, but all they hear are complaints about the wait time.
- Growth of Denton County means more taxpayers, more properties, more exemption. DCAD receives 500 homestead applications per week right now - we currently have about 7,500 exemptions that need to be processed - we have 7 Customer Service FTEs and additional temps processing the exemptions, between answering the phone and customers walking in needing assistance.
- 20,000 protests have been closed to date through 28 business days - 700-800 closed per day.
- 76,000 protests still under review
- 58 billion in value still under review
- Single Family - 39% - 56K accounts - 22.8 billion under protest
- Commercial - 51% of value - 29 billion under protest
- 11k vacant lots still under review
- 69% of what has been closed was settled informally
- 13% have receive an ARB determination
- 4% protests have been withdrawn
- 15% no show on protests scheduled
- 500 property owners are scheduled per day for ARB
- Running 6 ARB panels at a time

Minutes - Board of Directors Meeting of June 23, 2022

- 28 hearings per panel per day
- Try not to overbook the ARB - very much a science trying to get things scheduled as efficiently as possible.
- Alex Buck asks - how many exemptions can be processed per day?
Customer Service priority is walk-ins and phones -
40-50 per day are processed by temps - temps only work basic HS exemptions, not OV65, DP, or DV HS exemptions
- Ann Pomykal asks on the phone system - is there a possibility to leave their callback name and number for someone to call them back within 48 hours -
Each day DCAD receives 1,100 to 1,500 calls a day, we do not have the additional staff to return messages left from prior days.
- Roy Atwood asks what is the target for turnaround time? When we get to where we want to be? 90 days (3 months) would be the ideal turnaround time on exemptions.
- Roy Atwood asks how are protests prioritized?
Residential are done by first in first out - some appraisers are working agent files and some are working individual files.
Commercial accounts are handled differently - scheduling conflicts with other CADs is a problem - higher property values hold the highest priority

ASHLEY AGUADO - TAXPAYER LIAISON - No Report

ITEM 6: CONSENT AGENDA

THE ITEMS ON THE CONSENT AGENDA ARE CONSIDERED SELF-EXPLANATORY BY THE BOARD AND WILL BE ENACTED WITH ONE MOTION. THERE WILL BE NO SEPARATE DISCUSSION ON THESE ITEMS UNLESS A BOARD MEMBER OR CITIZEN SO REQUEST.

- A. APPROVAL OF MINUTES OF THE PREVIOUS BOARD OF DIRECTORS MEETINGS
- B. ACKNOWLEDGE RECEIPT OF MONTHLY FINANCIAL STATEMENTS

Ann Pomykal made a motion to approve all items on the Consent Agenda.
Charles Stafford seconded the motion. The motion passed and the vote was unanimous.

ITEM 7: PUBLIC HEARING FOR THE 2023-2024 REAPPRAISAL PLAN

Don Spencer states this is a statutory requirement for the Board of Directors - must be done biennially by September 15th every even-numbered year. Report provides for reappraisal activities and identifies characteristics for each property in the county. The Reappraisal Plan develops appraisal models for each area and defines Market Value as of January 1 in accordance with IAAO and USPAP.

Roy Atwood opens the floor for comments on the Reappraisal Plan. No Comments.

ITEM 8: CONSIDER AND ADOPT THE 2023-2024 REAPPRAISAL PLAN

Alex Buck made a motion to approve the Reappraisal Plan for 2023-2024. Ann Pomykal seconded the motion.

Discussion from Michelle French - Is there benefit to appraising annually? Is there benefit to splitting the county to be appraised every 3 years? Breaking up the county into 3 segments to be worked every 3 years.

Hope McClure expressed concern with not examining the whole county every year in such a rapidly growing market and points out that Denton CAD could not pass a PVS Study and keep values within ratio if they appraised every 3 years - which would lead to ISD's not receiving their full state funding.

Charles Stafford states that in a rising market things would be missed - in a falling market people would be stuck with their values for 3 years.

The motion passed and the vote was unanimous.

ITEM 9: PUBLIC HEARING FOR THE 2023 DENTON CAD BUDGET

Roy Atwood comments on the budget comments offered by those from the public who chose to address the board.

Mark Vargas - reiterates from others comments who have requested to postpone. Since the entities are asking - it would cost less for Denton Cad to postpone.

Jack Martin - a representative from Tan Parker's office - asks that the board take into account the request from the entities.

ITEM 10: CONSIDER AND ADOPT THE 2023 DENTON CAD BUDGET

Alex Buck made a motion to table the approval of the 2023 Budget until the BOD meeting on July 28. Ann Pomykal second the motion.

Discussion:

Ann Pomykal comments that the budget was tabled because people showed up to express either concern.

Charles Sattford comments there is very little harm in delay and sees great benefit down the road.

Roy Atwood asks Hope McClure about the difficulty for the District to push the timeline back.

Hope McClure states that her only concern was for the entities to be able to calculate their own budgets and tax rates on time, but since the entities are asking for this, she has no issue with it. She then added that this will provide the entities 30

Minutes - Board of Directors Meeting of June 23, 2022

more days to express any concerns or ask any questions about the budget that they may have, because prior to this meeting she has not received any questions regarding the budget amount or items in the budget from any Denton County entity. She welcomed all questions and invited the entities to come tour the DCAD facility, meet the DCAD staff and find out the needs of DCAD firsthand.

Motion to table the budget until the July meeting passed and the vote was unanimous.

ITEM 11: PRESENTATION OF WESTERN VALUATION'S REPORT AND BOARD DISCUSSION

Richard Petree made the presentation of his report to the board. He reminds the board that the focus was primarily on staffing and the building situation. Richard Petree says "nothing he said was intended to be a hatchet job" but to provide opportunities for the District." He provided a definition of Toxic which provided the phrase "causing death and disease" Richard Petree states his goal was to avoid the disease and death of the organization. States that many things in the report were positive. The report was based on IAAO standards and includes many issues that every CAD across the state face. Richard Petree states "I wrote every word in the Denton report." He reminds the board that he sat down with managers and Hope a couple of times and promised all those he spoke with, anonymity. Some were 15-20 minute discussions and some were 2 hours long. Richard Petree claims he did have some former employees and retirees reach out to him individually and there was enough response that caused concern. There is a fear of retaliation and lack of trust across the board in his opinion and Richard Petree provided steps to restore trust to the organization. He also interviewed a couple of the largest taxing units. The entities "want an accurate role in a timely fashion." Richard Petree says, Denton CAD needs more people and people are hesitant to apply. DCAD needs people who can walk in the door and hit the ground running.

Roy Atwood asked a procedural question about when the report was provided. Richard Petree states the copy of the report was provided at 3:05 pm on Friday before the 3-day weekend with the Board meeting on Tuesday. Mr. Atwood asks for clarification if it was the intent of Richard Petree to meet with Hope to discuss the report once it was provided. It was his intent, but "time did not allow".

Alex Buck asked about training and if Richard Petree has any direction on finding trainers. Are there companies out there who provide trainers? Richard Petree explained that because the job of the appraisal district is so specific there is not anyone out there who does training. He reminded the board it takes a minimum of 3 years to get the RPA license and go through the full tax cycle.

Alex Buck asked about the MAP completed and the Perfect Score. Richard Petree states, that is a recent and accurate assessment completed by the Comptroller.

Minutes - Board of Directors Meeting of June 23, 2022

Ann Pomykal addressed that there were some comments in the report that were unfair and asked about the PVS studies where Richard Petree says we have failed. Richard Petree clarifies his comments. Ann Pomykal also asked about hiring by committee and not from top administration. Petree clarifies his intention in that suggestions was to alleviate Mrs. McClure's workload.

Charles Stafford asked Petree, that of the appraisal districts you have assessed, how does Denton compare in how fast the county is growing? Richard Petree states, DCAD is most like Fort Bend. Denton CAD has been behind for a while and needs to play some major catch-up. DCAD is shooting for that to start in August once the budget is approved.

Ann Pomykal asked about the Training Budget which seems to have gone down.

Hope McClure's goal is to have retired CAD employees with industry knowledge come in and train and create in-house training positions. Both of these changes would be reflected in salaries and not the training budget line item.

Alex Buck states that he is encouraged by the recommendations provided by Richard Petree.

Roy Atwood asks about the personnel recommendations in the report. DCAD currently has 87 employees, and Petree recommends 124. The 2023 Budget asks for a total of 105. It is possible that many of DCAD's employees are doing the work of 3 people and can see where that might cause some upset feelings. How much of the negative response Richard Petree received is due to being burned out?

Richard Petree says that is obviously a factor. These are high stress jobs.

Hope McClure and Roy Atwood clarify the yearly FTE count. Future budgets are approved nearly a year in advance. The FTE count listed in that future budget is the max FTE count the District can have that year. Even if there is additional money left in salaries, the District can only hire the posted FTE amount. They would have to amend the budget and get approval to change the FTE count for that year.

Michelle French thanks Richard Petree for his work and for pointing out the strengths and the weaknesses at Denton CAD.

BOARD TAKES A BREAK AT 4:40

RECONVENE AT 4:50

ITEM 12: PRESENTATION BY THE CHIEF APPRAISER - WHAT YOU NEED TO KNOW ABOUT DENTON CAD AND BOARD DISCUSSION

Hope McClure introduces the Interim Communications Liaison - Emer Sanabria.

Minutes - Board of Directors Meeting of June 23, 2022

McClure then proceeded to discuss the document she created. She begins by explaining the appraisal process and which government entities are responsible for the laws that the appraisal districts are bound by. Hope McClure speaks on her 27 years at Denton CAD. She expresses how important transparency and communication is to her as a Chief Appraiser.

McClure also addresses the phrase “toxic culture” and points out that it is hard to accept Richard Petree’s report that Denton CAD has a toxic culture when property owners compliment how passionate and helpful the DCAD staff is and how successful the District is performing during their yearly audits with minimal staff. McClure admits there might be a couple of toxic employees, but that does not equal a toxic culture. The vast majority of employees work over 50 hours a week, employees stay to help each other where they can, departments are helping each other more than ever before.

Kim Collins then gave an example of the support, laughter, positive admiration, and respect for each other that she notices on a daily basis. Hope McClure refers to the survey that was sent out and points out that 75% of the staff responded in 2 days, and only 2 employees had negative feelings towards the Chief Appraiser or DCAD.

Ann Pomykal asked for Mrs. McClure’s reasoning behind the survey.

Even though McClure only had a few days to get a survey conducted (in time for the Board meeting), she wanted an opportunity to show that the majority of the DCAD team does not agree with Mr. Petree’s findings and the survey provided that.

Hope McClure goes on to address the toxic relationship between the three largest entities in Denton County and DCAD. She asked that whatever is causing that toxicity be put in the past and asked the three entities (in attendance) for feedback on how DCAD can improve that relationship and make things better for everyone moving forward.

McClure states that her favorite part of the job is hiring employees and creating a positive culture for all involved on the team. She does acknowledge there is a “smaller pool” due to being a smaller industry, but Denton CAD has no trouble getting great applicants from all over the State. Individuals are applying from other CAD’s through word of mouth about the positive work environment.

Hope McClure wraps up her presentation by saying she no longer cares about what has happened in the past - she is only focusing on the future of the company. Denton CAD wants to rebrand and rebuild.

ITEM 13: ADJOURN TO EXECUTIVE SESSION PURSUANT TO SECTIONS 551.071 AND 551.074 OF THE TEXAS GOVERNMENT CODE FOR THE FOLLOWING PURPOSES:

- A. CONSULTATION WITH LEGAL COUNSEL
- B. DELIBERATION ON PERSONNEL MATTERS

The Board went into Executive Session at 5:12.

ITEM 14: RECONVENE TO OPEN SESSION AND TAKE ACTION ON ITEMS DISCUSSED IN EXECUTIVE SESSION, AS NEEDED

The Board reconvened from Executive Session at 5:46

ITEM 15: ADJOURN

Chairman, Roy Atwood, adjourned the meeting at 5:46.

Roy Atwood, Chairman

ATTEST:

Ann Pomykal, Secretary

Denton Central Appraisal District April 2022 Financials

AGENDA ITEM #6B

Please find attached the Monthly Financial Report as of April 30, 2022 with highlights.

Balance Sheet Notes:

- Current *Reserved for Contingency* balance is \$2,113,230. Reallocations presented and approved at May meeting will be reflected on May financials

Revenue Notes:

- Second Quarter Allocations, billed on March 1, are reflected in YTD revenue
- *Local Support* revenue is skewed because 2 quarters have been billed and received

Expense Notes:

- Year-to-Date Actual Expenditures are under Budget Year-to-Date by (\$141,963.93).
- *YTD Actual Compared to YTD Budget* is under budget across most expenses. Notable exceptions are explained below:
 - *Worker's Comp* – billing is annual
 - *Memberships & Dues* – most dues are paid annually at the beginning of the year
 - *Training* – conference expenses for annual TAAD conference occurred in March
 - *Oil & Gas Valuation* – billing is quarterly
 - *Subscriptions & Contracts* – annual payment for TrueRoll, proactive monitoring of existing homesteads vetting of new homestead applications
 - *General Insurance* – billing is annual
 - *Postage & Freight* – postage for appraisal notices is prepaid, and this is time of year notices start going out
 - *Building & Land Improvements* – payments for Phase II Renovations
 - *Seasonal Labor* – increased use of temps preparing for protest season

Recommendation:

To approve April 2022 Board Financials as presented.

Finance H/R Manager

This report is in compliance with the Public Funds Investment Act (Chapter 2256, Government Code).

Denton Central Appraisal District May 2022 Financials

AGENDA ITEM #6B

Please find attached the Monthly Financial Report as of May 31, 2022 with highlights.

Balance Sheet Notes:

- Current *Reserved for Contingency* balance is \$1,613,230.
- Reallocations of Reserves approved at the May meeting are reflected Fund Equity

Revenue Notes:

- Second Quarter Allocations, billed on March 1, are reflected in YTD revenue and includes annual payments by some of our entities
- *Miscellaneous Revenue* includes payments from Jim Pritchard for Special Inventory Tax Enforcement

Expense Notes:

- Year-to-Date Actual Expenditures are under Budget Year-to-Date by (\$110,331.72).
- *YTD Actual Compared to YTD Budget* is under budget across most expenses. Notable exceptions are explained below:
 - *Memberships & Dues* – most dues are paid annually at the beginning of the year
 - *Oil & Gas Valuation* – billing is quarterly
 - *Subscriptions & Contracts* – annual payments skew total
 - *General Insurance* – billing is annual
 - *Postage & Freight* – postage for appraisal notices is prepaid, and this is the busiest time of year for notices
 - *Building & Land Improvements* – payments for Phase II Renovations
 - *Seasonal Labor* – increased use of temps preparing for protest season

Recommendation:

To approve May 2022 Board Financials as presented.

DATE: July 19, 2022

TO: Board of Directors

FROM: Kim Collins, HR Finance Manager

SUBJECT: Agenda Item #7 – Consider and Take Action on Penalties and Interest for outstanding 2022 Third Quarter Allocations

The Texas Property Tax Code, Section 6.06 (e) outlines the payment schedule for taxing units and establishes a penalty of 5% and interest rate accrued at 10% for any delinquent payments. Attached you will find a list of entities and their corresponding outstanding payment amounts as of June 30 for the 2022 Third Quarter Allocation invoices. Invoices totaling \$3,601,901.21 were mailed on June 1, 2022 with a due date of June 30, 2022. I have notated three deposits made in July for payments received after June 30.

There were some outstanding invoices from the second quarter billing when I prepared the third quarter billing. Each entity was contacted, and duplicate invoices were sent. My conversations revealed some necessary updates to contacts.

The Board has the discretion to waive penalty and interest as they see fit. The interest and penalties are calculated at the statutory rates and shown for your consideration.

RECOMMENDATION:

To waive penalty and interest on outstanding 2022 Third Quarter Allocations as of June 30, 2022.

Notice Of Public Hearing On Denton Central Appraisal District 2023 Budget

The Denton Central Appraisal District will hold a public hearing on a proposed budget for the 2023 fiscal year. The public hearing will be held on July 28, 2022 at 3:00 P.M. at 3901 Morse Street, Denton, Texas.

A summary of the appraisal district budget follows:

The total amount of the proposed budget.	\$17,997,944.33
The total amount of increase over the current year's budget.	\$2,673,650.52
The number of employees compensated under the proposed budget.	105
The number of employees compensated under the current budget.	87

The appraisal district is supported solely by payments from the local taxing units served by the appraisal district.

If approved by the appraisal district board of directors at the public hearing, this proposed budget will take effect automatically unless disapproved by the governing bodies of the county, school districts, cities and towns served by the appraisal district.

A copy of the proposed budget is available for public inspection in the office of each of those governing bodies. A copy is also available for public inspection at the appraisal district office.

Ann Pomykal
Secretary of the Board of Directors

Denton Central Appraisal District

The Denton Central Appraisal District (DCAD) is honored to help and serve Denton County Taxing Entities and Property Owners. DCAD firmly believes in creating a culture where its employees are celebrated and respected, the taxpayers are treated fairly, and the entities are communicated with effectively and efficiently.

Executive Summary

The Denton Central Appraisal District is responsible for mass appraisal of real property and personal property. Appraisal Districts provide a market value for property that the school districts, cities, county, and special districts use for taxation purposes.

Appraisal Districts were formed by the Texas Legislature in 1979 as part of a sweeping change designed to standardize the administration of local property taxes. Senate Bill 621, or the “Peveto Bill”, was named for Rep. Wayne Peveto and formed the foundation of our current property tax system. It was at that time, appraisal districts were created and became a political subdivision of the State of Texas. All appraisal districts are governed by a board of directors.

The Denton Central Appraisal District is governed by a board of six directors. Five members are appointed by vote of the governing bodies, and one is the Denton County Tax Assessor/Collector who serves as an ex-officio member.

Appraisal Districts are run by a Chief Appraiser. The Chief Appraiser is the executive administrator and chief operating officer for DCAD and answers directly to the Board of Directors.

The Denton Central Appraisal District has eight departments, including Administration, Customer Service, Information Technology, Appeals, Mapping, Residential, Commercial, and Business Personal Property. These departments work together to conduct and administer the laws set forth in the Texas Property Tax Code and operate under the standards of: The Property Tax Assistance Division of the Texas State Comptroller’s Office (PTAD), The International Association of the Assessing Officers (IAAO), and the Uniform Standards of Professional Appraisal Practice (USPAP).

Currently, DCAD has 462,435 accounts to appraise with a total market value of \$187 billion. DCAD serves 109 local taxing units, has 87 budgeted full-time employees and has a total budget of \$15.3 million.

The Vision

The vision for DCAD is to increase staffing levels in 2023, 2024 and 2025. By largely increasing staffing levels over the next three years, it would allow DCAD to gain positive momentum and be on par with other like-sized CADs. Achieving momentum, the 2026 and 2027 personnel budget would incrementally grow to support the growth rate of the county and the number of new properties.

DCAD will also be revamping and restructuring the DCAD training approach by implementing an updated and systematic training structure. The training approach will not only involve detailed department training, but it will also involve cross-training in other departments.

DCAD is planning to implement new and effective technology, while continuing to use current technology. Technology allows us to do more work in less time, with fewer errors.

Another necessity for DCAD, is an increased number of Denton Co. Appraisal Review Board (ARB) members. DCAD needs the ability to schedule an estimated 100,000 hearings in three months to adapt to the timeline laid out by the Texas Legislature. DCAD received roughly 107k protests in 2022, and that will only increase as the population increases.

DCAD will also need to expand in office space in the very near future. There will need to be enough space to accommodate DCAD staffing, ARB Hearings, ARB Members, Board of Directors Meetings, a training space for DCAD and other local CADs, proper waiting rooms for property owners, and enough parking spaces to accommodate it all.

Five Strategic Goals

1. Increase DCAD Staffing
2. Improve Training Program for Employees
3. Adapt Technologies
4. Increase Appraisal Review Board
5. Expand Building Space

Action Plan

1. Increase DCAD Staffing

The Denton Central Appraisal District needs to assertively increase the personnel budget in 2023 through 2025. Currently, DCAD has 87 budgeted full-time employees. That is 50-60 fewer employees of appraisal districts of similar size. Increasing the personnel budget over the next three years would allow DCAD to gain momentum, reach a timely certification, and have a more

accurate tax roll. An increase in personnel would allow DCAD to finally operate in a proactive posture throughout the appraisal cycle.

In 2023 and 2024, the additional Full-Time Employees (FTEs) will be strategically placed where they can most effectively decrease the workload of understaffed departments.

2023 New Positions -

- Director of Administration (1)
- Director of Appraisal (1)
- Residential Appraisers (8)
- Mapping Techs (2)
- CS Specialists (5)
- Ag Appraisal Support (1)

New Employees:	18
Total Employee Count:	105

2024 New Positions -

- Ag/Land Supervisor or Senior (1)
- Customer Service Supervisor or Senior (1)
- Commercial Appraisers (2)
- Ag Appraiser (1)
- BPP Appraiser (1)
- Residential Appraisers (4)
- BPP Appraisal Support (1)
- Mapping Tech (2)
- CS Specialists (4)
- Appeals Support (2)
- Exemptions Specialist (1)

New Employees:	20
Total Employee Count:	125

By strategically placing new FTEs in specific departments, DCAD can eliminate the need for temporary employees, creating more consistency and less continuous training in those departments' operations. DCAD will capitalize on that momentum gained and strategically place its primary efforts on establishing greater efficiencies in its activities.

In 2025, DCAD will reevaluate where the current need is for an additional 15 to 20 full-time employees. We want to place them strategically and where they will be most effective.

For 2026, 2027 and future years, we will create a formula that adds full-time employees per added properties to the County. That will ensure DCAD continues to grow with the county's growth. IAAO recommends 3,100 parcels per appraiser for county-wide appraisals.

In order to comply with the reappraisal plan and complete the appraisal of 462,435 properties in Denton County, DCAD would need 149 appraisers. That does not include administration and support. DCAD currently has 87 total employees and only 41 appraisers. That is 11,279 parcels per appraiser.

DCAD’s five-year staffing plan is also based on the 2021 data collected by similar-size appraisal districts (Figure 1) provides the justification for our request.

Figure 1 - Comparable CAD’s in 2021

Comparable CAD's	Fort Bend	Collin	El Paso	Denton	Travis
2021 Parcel Count (smallest to largest)	385,101	392,000	428,250	453,777	461,061
2021 FTE Count	128	143	140	81	129
2021 Budget	\$18,194,846	\$22,759,400	\$18,037,133	\$14,234,603	\$22,786,111
Work Performed					
2020-21 Tax Year New Residential Properties	9,415	4,630	4,450	9,235	9,051
2020-21 Tax Year Deeds Processed	39,793	25,100	19,350	42,042	93,652
2020-21 Tax Year Exemptions Processed	23,025	19,000	21,200	42,385	24,831

Out of the five comparable appraisal districts, Denton CAD is:
(1 reflecting smallest - 5 reflecting the largest)

- #4 largest CAD listed
- #4 largest in new residential properties added
- #4 largest number of deeds processed in a year
- #5 largest in exemptions processed in a year

- #1 smallest amount of full time employees
- #1 smallest overall budget

DCAD employees are doing double the work of any other comparable appraisal district. Employees are overworked and approaching burnout. DCAD needs to increase staffing to not lose valuable employees to other CAD’s or to exhaustion.

To prevent that from happening, DCAD wants to take current action. The 2023 appraisal cycle starts in August of 2022, due to the cycle of the appraisal calendar, DCAD would like to hire 5 FTEs in September of 2022. The 5 FTEs would be included in the 18 total FTEs for 2023. DCAD would pay their four-month salary (Sept–Dec 2022) and benefits from the 2022 contingency fund. Then on January 1, 2023, those employees would be a part of the 2023 DCAD Budget and a part of the 18 new employees.

DCAD will remain understaffed and start 2023 in the rear if we cannot get additional staff as soon as possible.

To make this possible, DCAD would need to amend the 2022 Budget to change the total FTE count listed in the budget. To do that, the Chief Appraiser would need the Board of Directors and the Denton County Taxing Entities to approve the increase in FTEs. It would NOT change the bottom line of the budget for any taxing entity. There would be no increase to the already approved 2022 budget and this action would not directly affect any Denton County entity in a negative or financial way. It would solely change the approved FTE count in the 2022 Budget. DCAD would hold a public hearing and approval of the change in August 2022.

2. Improve Training Program for Employees

Revamping and restructuring the DCAD training approach will be fundamental to DCAD's future success. Current training for DCAD employees consists of coursework from Texas Association of Assessing Officers (TAAO) and International Association of the Assessing Officers (IAAO). All DCAD employees then have the opportunity to continue course work towards a Registered Professional Appraiser (RPA) license through the Texas Department of Licensing and Regulation (TDLR).

With DCAD having eight departments that all do drastically different tasks, there is not one set training guide for the entire staff. Each department has their own departmental training manuals with each department's significant activities and associated tasks listed in the manuals.

The first step is updating the current department training manuals to reflect new leadership, new policies, and new procedures. The manuals will also need to be updated a minimum of every other year to accommodate changing legislation.

DCAD has identified that the best trainers are individuals who have vast experience in the appraisal district industry. It is such a unique industry, that there is no other field that does exactly what appraisal districts do. Based on that, it is best to hire retired appraisal district employees or ask seasoned veterans to train greener employees.

For example, DCAD has a previous Chief Appraiser from a local CAD currently working on restructuring and updating the Residential cost schedules. This fall, he will enhance our capabilities by teaching the Residential department how to maintain and update the cost schedules and land tables within standards. This will allow DCAD to remain current and proactive on all cost schedules and land tables moving forward.

The greatest tool for future training is additional staff. This will allow seasoned employees to move into a trainer position. There will be one trainer position in every department. This employee will be responsible for onboarding new employees, staying current on legislative changes, and working with vendors to learn new technology.

Succession Planning / Road Map

One way to recognize employees is by promoting, investing, and training them. The Road Map is a program that will provide employees with the requirements needed to advance within the organization. This program will be used to encourage and emphasize the DCAD culture and will help to promote from the inside. The Road Map program will be developed in 2023-2024. Below is a small example of the direction of the DCAD Road Map (Figure 3).

Figure 3 - DCAD Road Map

Cross-Training

Cross-training is another very effective tool for employees. It allows employees to learn all aspects of the company as well as spark new interests in other departments.

The goal with cross-training employees is first and foremost, learning appreciation for each other. When an employee from one department is required to sit in for an employee in a different department, they learn three things. One, how that job fits into the bigger picture of the company and how important each role is to the success of the company. Two, they start respecting how hard the other person works in their role, which in turn makes them more respectful and empathetic towards each other, which encourages a more harmonious culture within the company. Three, it allows the employee to learn other areas of the company. This might spark interests and strengths they did not know they had. At DCAD, Administration is always looking to place the right person in the right role. Play to strengths and help individuals thrive and love what they do.

Conferences and Seminars

Attending conferences and seminars is just another way for employees to grow and receive additional training. All upper management attend the Texas Association of Appraisal Districts (TAAD) conference in February of each year. This conference allows the managers to stay up to date on legislative changes as well as attending courses on how to become better leaders. The TAAD conference offers everything from ethics, HR, finance, appraisal and even courses that the Board of Directors can attend to learn their roles in the appraisal process. Managers also attend the Harris Govern conference each year. Harris Govern provides DCAD with the mass appraisal software (CAMA software) that appraisal districts use to perform appraisal functions. At this conference, the managers learn new efficiencies and new performance capabilities that they take back and teach their departments. This allows DCAD to not become stagnant and stay current with changing times.

Virtual seminars have become a quick and effective way for employees to sharpen their skills and strengthen their minds without costing the company travel expenses and time away from the office.

For example, the Chief Appraiser is currently enrolled in a two-month summit through IAAO entitled *Emerging Leaders' Summit*. This program will be presented in three parts: two webinars and a third in-person session at the annual IAAO conference. The topic is *Mind the Gap! How to Navigate Intergenerational Communication Gaps in the Workplace*. IAAO has supplied the Chief Appraiser with a copy of *Gentelligence: The Revolutionary Approach to Leading an Intergenerational Workforce* which she will be reading and completing before the annual conference at the end of August.

This is just one example of how virtual capabilities have allowed more cost-effective ways for employees to explore additional training opportunities.

DCAD currently allows employees to engage in Appraisal, Mapping, GIS, HR, Finance, Legal, and Legislative seminars, as well as having in-house annual and semi-annual training in CPR, First Aid, AED, cybersecurity and active shooter training.

3. Adapt Technologies

Providing greater appraisal and analysis capabilities through various software and technology has always been a goal for the Denton Central Appraisal District.

Currently, DCAD utilizes technology like street level and aerial photography in our Residential and Commercial departments. This extensive tool allows DCAD to perform daily and yearly tasks that were not possible in previous years. The aerial photography allows DCAD to appraise properties deep in wooded areas and behind privacy gates. It identifies barns, pools, shops, etc. that appraisers would not have access to from the street. Street level photography offers

multiple purposes. It makes properties more identifiable for the appraisers, the appraisal review board members and the property owners during the protest season, along with reducing time needed in the field.

One of the goals for 2022 is to figure out how street level photography can be utilized by the Denton County Taxing Entities. Since DCAD pays for the program and owns the pictures captured, we are working on a way to offer a no-cost service to the entities. Allow the entities to utilize the information to better serve their own city, town or school district.

One of the major areas where technology is needed at DCAD is the exemption process. DCAD's Customer Service and Business Personal Property departments process close to 45,000 exemptions per year, that means that DCAD would need to process 182 exemptions per business day (on top of all other appraisal and administrative duties) to stay current. This task is not feasible nor achievable with the number of FTEs DCAD currently staffs.

True Roll is a software company that aids in processing and vetting homestead applications. They are currently working with DCAD to create a software application that will vet and evaluate homestead applicants quicker and more efficiently. DCAD will have them present at the July 2022 Board of Directors meeting. True Roll's goal is to build and initiate a two-part program that will be put into effect immediately. The first will be an online application. This will allow property owners to fill out the application online, and then True Roll will send the application through a series of vetting techniques. Checking the drivers licenses, the owner's name, purchasing dates, and other homestead exemptions in the State of Texas. Currently, the vetting process is being manually done by DCAD employees, and is a very tedious and time-consuming process. The second way True Roll is offering to help DCAD is by helping tackle the current backlog of exemptions.

True Roll is already represented in our 2022 and 2023 Budget and the technology has paid for itself in the amount of accurate value it has added to the appraisal roll due to tracking duplicate and erroneous exemptions.

In future years, DCAD will be going out for bid with companies that offer online applications and exemptions, other than homestead. Many companies offer the online application technology, but none have perfected pushing the data from the online application straight into the CAMA software. Pushing the data into the CAMA software will be an industry game changer and will decrease the amount of time and manpower that is spent processing agricultural applications, business personal property renditions, charitable organization exemptions, and many more. The technology is currently being developed and DCAD will continue to monitor and assess the progress. There is a small placeholder in the 2023 Budget that would allow DCAD to get started on this project if the technology became available.

The other area where technology is needed in DCAD is deeds processing. DCAD's Mapping department processes close to 43,000 deeds per tax year, that means that DCAD would need to process 174 deeds per business day (on top of all other appraisal and administrative duties) to

stay current. This task is not feasible nor achievable with the number of FTEs DCAD currently staffs.

Currently, DCAD is using a third-party vendor to help maintain the entering of deeds. This company has limited resources to devote to an appraisal district the size of Denton. In 2023, DCAD will go out for bid on a deeds processing company. There are companies that currently provide other appraisal districts with the processing of deeds. DCAD has already begun discussing and preparing so when the 2023 Budget is approved and in place, DCAD can launch into action with a program that will help decrease wait time and increase efficiency.

Also in 2023, DCAD's Commercial department would like to partner with Trepp. *Trepp is a leading provider of information, analytics, and services to the Commercial Real Estate and Banking markets. Trepp subsidiary, Commercial Real Estate Direct, is a daily news source covering the commercial real estate capital markets and providing the most up-to-date market intelligence.* Commercial values are the largest values in a county. To have up-to-date market trends, current sales and equity movement would be invaluable to DCAD's Commercial department.

It is hard to predict what technology DCAD would need in 2024-2027, as technology changes and improves every day. DCAD does have a desire to partner with Data Cloud Solutions in future years to use their sketch validation software. This software could accurately measure the square footage of a home or building by the aerial footage. It is becoming increasingly harder for appraisers to do their job properly, due to no trespassing signs, dangerous animals or angry property owners. This software would allow them to safely validate the properties.

The one thing DCAD can predict and will always prepare for is the update and upgrade of desktop computers and servers. DCAD's Information Technology department currently has 147 Mac Minis that will accommodate the new FTEs in 2023, but Macs are also needed to run ARB hearings which limits the supply. DCAD will need to budget for new and updated computers and a server refresh in 2024.

4. Increase Appraisal Review Board

Although the Texas Legislature calls for appraisal districts and appraisal review boards to work separately, they have yet to figure out the best way to pay citizens willing to serve and give their time on an Appraisal Review Board (ARB) without directly going through the appraisal districts' budget. Currently, the board of directors of an appraisal district approves the number of ARB Members per year and the amount paid to them through salary and stipends, but the State Administrative Judge is the one who appoints the qualified citizens to the ARB.

With the anticipated growth of Denton County, DCAD will need to work with the Denton County Appraisal Review Board to handle the increase in protests each year. An increase in properties directly correlates with the number of protests the ARB can anticipate in a particular year.

This year the Denton County Appraisal Review Board was only capable of scheduling roughly 23,000 hearings in 2022. DCAD needs the ARB to be able to schedule roughly 80,000-100,000 per year. For that to be possible a number of events have to take place. One, DCAD would need more meeting spaces to accommodate the hearings, along with more technology and more appraisers. Each hearing has at least three ARB Members and one appraisal district appraiser involved in the hearing procedures. Two, DCAD needs the entities' help on recruiting and maintaining a full ARB. If each entity could help the ARB advertise and recruit willing and qualified citizens, then DCAD could get through the protest season much quicker.

The Denton County Appraisal Review Board ran 6-7 panels, and got through nearly 23,000 protests this year. A conservative formula would be that for every 20,000 protests filed, it requires 20 ARB Members to effectively run enough panels to oversee and hear those protests by the certification deadline. DCAD had an estimated 107,000 protests filed in 2022 and only 28 active ARB Members. DCAD would have needed at least 100 ARB Members, running at least 33 panels to certify on time.

The DCAD Board of Directors has approved 42 Appraisal Review Board members for 2023. DCAD would need to more than double that number to run a proper protest season the way it was fully intended. The complication of the formula is that DCAD currently does not have the budget, the office space, the parking spaces, the technology or the staff to accommodate 33 ARB panels.

This is a formula that DCAD and the Denton County Taxing Entities need to solve together and very quickly. There will need to be drastic increases to the budget for the next 3-5 years.

5. Expand Building Space

DCAD's Administration department has chosen to focus on increasing the 2023 DCAD Budget to first receive additional FTEs. That is DCAD's number one priority. Administration will need a creative way of housing those FTEs in the next couple of years. They are currently exploring hybrid work options.

The second priority is increasing the Appraisal Review Board. Unfortunately, DCAD's Administration cannot get as creative in this area. The Appraisal Review Board hearings must be open to the public and accommodate a minimum of 5 people per room. That requires space and parking that DCAD does not have currently or in the future.

DCAD and the Taxing Entities will need to team up to create a building committee for the expansion of DCAD. DCAD wants to provide the entities an opportunity to analyze the options and properly budget for the expansion. DCAD has started the research process and has met with a financial advisor.

DCAD has processed through a lot of options when it comes to expanding. The top three choices have been narrowed down to buying land and building new, finding a vacant building that is large enough to house future expansion and reconditioning it (example: old grocery store) or tearing down DCAD’s two current buildings and building on land DCAD already owns.

In the first two scenarios, DCAD could sell the two buildings and land they currently own for profit, that could in turn be used to pay towards the debt of a new building or reconditioned building. In scenario three, DCAD would have to purchase the Land Bank between their two current buildings and demolish at least two out of the three buildings on site and then build new.

In 2023, DCAD Administration and representatives from the Taxing Entities will need to meet to create an expansion action plan for the 2024-2027 Budgets.

SWOT Analysis

This strategic plan addresses the following strengths, weaknesses, threats, and opportunities (SWOT) for DCAD.
