Card	Description	Munters Ordering Number
 <p>A green printed circuit board (PCB) for a scale card. It features a large integrated circuit (IC) in the center, several resistors, and a green terminal block on the right side with two channels. The PCB is populated with various electronic components. Text on the board includes 'P/N: C-P3-RSC Ver.1.0.1' and '270709'.</p>	<p>R-P3-RSC-2: PRO &amp; ROTEM 1 SCALE CARD 2CH</p>	<p>900-99-00267 78P3RSC2</p>
 <p>A green PCB for a 6-channel scale card. It has a similar layout to the 2-channel version but with a larger IC and more complex circuitry. It features a green terminal block with six channels. Text on the board includes 'P/N: C-P3-RSC Ver.1.0.1' and '270709'.</p>	<p>R-P3-RSC-6: PRO &amp; ROTEM 1 SCALE CARD 6CH</p>	<p>900-99-00268 SOLD AS PART OF KIT 784SCALPRO- COMBO</p>
 <p>A green PCB for an alarm card. It is smaller than the scale cards and features a large black integrated circuit, a red push-button, and a green terminal block. Text on the board includes 'P/N: C-P3-ALARM Ver.1.0.3' and '270565'.</p>	<p>R-P3-ALARM: PRO ALARM CARD</p>	<p>900-99-00100 784ALARPRO</p>
 <p>A green PCB for an RS485 interface card. It features a large integrated circuit, several resistors, and a green terminal block.
