

MAGMA

A close-up portrait of a man with a short beard and a black beanie, looking upwards and to the right. He is wearing a black t-shirt with a white logo on the chest. The background is dark.

Rafik

„MAGMA bags are like the utopian child. Smart, subtle and fun to travel with. Travel planning can be a problem. MAGMA is here with the solutions that I want.“

DJ RAFIK (Germany)

A close-up portrait of a Black man with a short beard and mustache, looking slightly upwards and to the right. He is wearing a dark grey t-shirt. The background is plain white.

„Ever since my Mrs. bought me a MAGMA backpack for my digital DJ needs, about 7 years ago, I've been watching the brand rather closely, and truthfully, I love what they're doing over there. They really put thought into what a working/travelling DJ would need. Great quality shit!“

SHORTEE BLITZ (UK)

EQUIPMENT-BAGS & TROLLEYS

Truly designed from the standpoint of durability, functionality and maximum performance comfort, MAGMA has been the go-to solution for the heavy travelers among us.

Road-worthy equipment packs and trolleys with clean looks and thoughtful features designed to organize, protect and carry just about everything - from DJ to production gear and daily needs.

Specs: External: 41,5 x 53 x 21,5 cm
Internal: 33,2 x 40 x 7,5 cm

A high-contrast, black and white close-up portrait of a man with a short beard and mustache. He is looking slightly to the left of the camera with a subtle, thoughtful expression. His right hand is raised, with his index finger resting against his chin. The lighting is dramatic, highlighting the texture of his skin and the details of his facial hair against a dark background.

„MAGMA makes the best bags and definitely has me covered for all my travel needs!“

CHRIS KARNs (USA)

EQUIPMENT & LAPTOP-STANDS

Whether you are deejaying in a tiny booth or faced with the „lack of space problem” in the studio, MAGMA LAPTOP and EQUIPMENT STANDS will definitely make your life easier.

Our sturdy and space-saving designs provide increased workflow, maximum stability and protection for your laptop or controller against spilled drinks during your performance.
