Black-and-white  
Multifunction Printer

# Xerox® WorkCentre® 5865/5875/5890 Multifunction Printer

Superior productivity through  
leading-edge simplicity.

**Empowering a higher level of productivity requires a new mindset.**

You need an office technology solution that simply gets it done, behind the scenes, and frees your staff to work the way they want, while focusing on the work that really matters.

You need a new kind of simplicity that streamlines department-level workloads, plus the advanced capabilities that enable your team to work more cost-effectively, more securely, and with greater flexibility.

You need the solutions built on Xerox® ConnectKey® Technology and our WorkCentre® 5865/5875/5890.

## A new way of working.

### Large workgroups succeed because they're productive, flexible and reliable.

You need an office technology solution that matches those strengths. Which is why we designed the Xerox® WorkCentre® 5865/5875/5890 with a powerful mix of features and capabilities that handle your heavy workload in ways you never imagined.

- Great features – your choice of speeds.** With fast copying and printing – up to 65, 75 or 90 ppm – there's more than enough speed to meet your department-level workload. But if your business demands workgroup productivity, consider the fast but lower-speed models in the WorkCentre 5945/5955 for great performance up to 55 ppm.
- Scanning at up to 200 images per minute.** Single-pass color scanning enables faster electronic distribution of full-color documents for more effective and impressive communications.
- Single touch scanning.** Use the Single Touch Scan feature to create a dedicated, easy-to-locate scan button directly on the color touch screen interface. Assign the Single Touch Scan button its own scanning workflow for fast document distribution and archiving.
- Higher paper capacity, more flexibility.** Print more for longer with a total paper capacity of up to 8,700 sheets. Multiple finishing options, from basic to advanced, give you the flexibility your workload requires.
- Exceptional print and copy quality.** With superior fine-line definition, shadows and highlights, your copies truly look like the original.
- Walk-up simplicity.** Print from and scan to any USB memory device for faster document delivery when you're not at your computer.
- Your print job, your priority.** The Print Around feature eliminates extended printing delays by holding a job in need of resources (such as a different paper size) and printing the next job in the queue.
- Customize your solutions.** Xerox Extensible Interface Platform® Serverless technology allows creation of ConnectKey® Apps to run on ConnectKey enabled MFPs without the need for additional IT infrastructure. This allows you to simplify and personalize the usability of your device with a range of capabilities from support applications to scanning.

#### Illuminated Paper Path

The WorkCentre 5865/5875/5890 features an illuminated paper path, which makes user access even easier.

## The new standard of simplicity.

**When office life is simpler, large workgroups function more efficiently and excel at the work that really matters.** But you need the right tools to help you get there. Rest assured, the Xerox® WorkCentre® 5865/5875/5890 turns complexity into a higher level of simplicity with a solution that works the way you do.

### Conservation Built-in

Get a powerful multifunction printer that includes a number of environmental features.

- Power save with quick start-up conserves electricity during downtime while keeping the device ready for action.
- Full compliance with the EU Restriction of Hazardous Substances (RoHS) Directive, Environmental Choice, EPEAT (United States) and the stringent ENERGY STAR® TEC Version 1.2 standards.
- Multiple print settings are available that allow for reduced impact on the environment. Options include default two-sided printing, proof print, printing on recycled paper and draft mode.
- Our innovative Earth Smart print driver settings let you select the most environmentally conscious print options.

- **Leading-edge color touch screen user interface.** Provides the comfortable look and feel Xerox is known for and features bright, intuitive icons and easy access to all major functions directly from the home screen.
- **Less user intervention means less downtime.** Our new, more efficient toner lasts longer and can be replaced quickly by any user and provides superior image quality.
- **A help desk at your fingertips.** Get quick, easy, step-by-step troubleshooting assistance – like tips for sending a scan via email – with embedded help videos right on the user interface.
- **Xerox® Online Support.** Stay up and running with instant access to searchable online help right at the device's front panel or in the print driver. You get the same information our Product Support Specialists use when resolving printer problems, assisting with error codes, print quality, media jams, software installation, and more.
- **A truly universal print driver.** Xerox® Global Print Driver® lets IT administrators install, upgrade and manage Xerox® and non-Xerox® devices from a single driver. It provides a consistent, easy-to-use interface for end-users, reducing the number of support calls, and simplifying print services management.
- **Advanced copy and print features.** The WorkCentre 5865/5875/5890 greatly simplifies everyday office tasks, providing plenty of support for specialized print applications including Annotation, Bates Stamping, ID Card Copy, tab print capability and page-level programming.
- **Consistent user experience.** The WorkCentre 5865/5875/5890 features the same technology as our other latest-generation tabloid-size multifunction printers, making users more comfortable operating the devices because of their common look and feel. For more information about our groundbreaking Xerox® ConnectKey® Technology, visit [www.connectkey.com](http://www.connectkey.com).

## Don't risk your sensitive information.

**Working at peak performance means nothing if the data that's critical to the success of your business isn't fully safeguarded.** And network multifunction devices are potential points of entry for malicious activities. That's why the Xerox® WorkCentre® 5865/5875/5890 boasts the most complete range of advanced features, technologies, and solutions from security-industry leaders that ensure comprehensive, 24/7 protection.

- **Protect your confidential information.**

Safeguard all sensitive data with encrypted PDF files for scanning; hard drive encryption, compliant with the 256-bit AES FIPS 140-2 standard; and Image Overwrite with a 3-pass scrub process to ensure total deletion of all data fragments.

- **Prevent unauthorized access.**

Permit only authorized users to access the device with Xerox user permissions, network authentication, IP filtering, and smart card, role-based and function-level login.

- **Manage threats proactively.**

As new threats emerge, Xerox proactively monitors security clearinghouses for new vulnerabilities and provides patches when necessary, ensuring your equipment stays current and your data is kept safe. Plus, you can receive up-to-the-minute updates via RSS feeds and stay informed via [www.xerox.com/security](http://www.xerox.com/security).

- **Stay compliant with regulations.**

WorkCentre 5865/5875/5890 devices comply with the latest security standards across industries, including government, finance and healthcare. These include Common Criteria, HIPAA, Data Protection Act, COBIT and more. These devices can conform to any standard, with controls available to match your needs.

- **Gain complete visibility.**

Prevent IP theft and ensure non-repudiation by having total visibility into the device and network. With security policy management and tracking of most activities on the device with Audit Log, you can know who accessed what, when and details of most interactions with the device.

### Powerful Partnerships

The WorkCentre 5865/5875/5890 includes McAfee® technology integration, resulting in the industry's first lineup of multifunction printers that protect themselves from potential outside threats. McAfee's whitelisting technology ensures only safe, pre-approved files or functions are executed on your devices, minimizing the need to manually update software levels against new security threats. Also, seamless integration with the Xerox® Managed Print Services toolset and McAfee ePolicy (ePO) allows for easy tracking and monitoring.

Plus, automatic Cisco® TrustSec Identity Services Engine (ISE) integration provides comprehensive visibility of all Xerox® ConnectKey® enabled MFPs' endpoints to enforce IT-centric security policies and compliance.

## Real business for the real world.

**Today's pace of business requires anytime, anywhere access to the technology that makes your work easier.** You need a real-world solution that bridges the gap between workplace productivity and the tasks that have to get done beyond your office walls. Our mobile solutions empower today's professionals to get real work done in the office and on the go, providing the freedom and flexibility to keep pace with the demands of your business – wherever it takes you.

### Remote Control Panel

Remotely and securely operate the WorkCentre 5865/5875/5890 control panel from any office PC as though you were standing at the device. The Remote Control Panel allows IT staff to remotely view and control the user interface and makes it easier and more convenient to train users. And during a remote session, walk-up users are notified at the device to prevent simultaneous system changes. Plus, advanced print drivers and free device management tools let you remotely monitor real-time performance and available resources for greater uptime.

### The Freedom of Uninhibited Mobility

Whether at work or working away, the Xerox® WorkCentre® 5865/5875/5890 provides powerful, helpful technologies with barrier-free accessibility. Now, office staff can control device functions from any workstation, while mobile professionals stay connected to the communications tools and productivity solutions offered by the WorkCentre 5865/5875/5890 – for more flexibility, anywhere.

- **Optional Wi-Fi connectivity.** Administrators can connect the WorkCentre 5800 series devices anywhere, without the need for network cabling.
- **Apple® AirPrint™.** Print email, photos and important office documents directly from your Apple iPhone® or iPad® with no drivers to install.

- **Xerox® Mobile Print, and more.** Take the mystery and anxiety out of wireless and mobile device printing. Xerox has all the options to enable secure, accurate printing from most mobile devices, to any printer or multifunction printer, regardless of brand. Whether offsite or onsite, learn more about why Xerox is the only choice for today's mobile professionals by visiting [www.xerox.com/mobile](http://www.xerox.com/mobile).
- **Mopria™ certified.** Mopria certification simplifies the mobile printing experience for tablets and smartphones to many printing devices, including the WorkCentre 5800 series.
- **Xerox® Print Service Plug-in for Android™.** This plug-in enables printing to many Xerox® printers and MFPs without the need for third-party apps or additional print drivers.

#### Paper Input

- 1 Single-pass Automatic Document Feeder scans documents as fast as 200 images per minute.
- 2 100-sheet Bypass Tray handles heavy paper up to 80 lb. cover.
- 3 Two 500-sheet universal trays are adjustable up to 11 x 17 in.
- 4 Optional Envelope Kit (replaces Tray 2) provides trouble-free feeding of 50 envelopes.
- 5 High Capacity Tandem Tray holds a total of 3,600 sheets of letter-size paper.
- 6 4,000-sheet letter-size High Capacity Feeder (optional) can increase total capacity to 8,700 sheets. Or add the 2,000-sheet Short-Edge Kit in either letter/legal size or 11 x 17 in. size.

#### Finishing Options

- 7 Multiple finishing options let you add the capabilities that are right for individual workgroups. Choose basic features like staple and hole punch, or advanced capabilities to produce paginated, saddle-stitched and folded booklets and Z and C-folded brochures.

#### Extend Your Possibilities

Whether scanning and managing documents on your office network or a hosted cloud on the Internet, you can access scan workflow solutions right from any WorkCentre 5865/5875/5890 thanks to the power of Xerox® Workflow Solutions, built on our Xerox Extensible Interface Platform®. These are just a few of the many examples of Xerox® Workflow Solutions\*:

- **Xerox® ConnectKey® for SharePoint® or Xerox® ConnectKey® for DocuShare®.** Scan files directly into Microsoft® SharePoint or Xerox® DocuShare® and other Windows® folders. Plus, you'll go beyond basic file storage and PDF creation by automatically converting documents to intelligent, structured data with easy file naming and routing tools.
- **Xerox® ConnectKey® Share to Cloud.** Our cloud-based scanning solution provides easy, secure, scalable scanning to popular cloud-based repositories such as Google Docs™, Salesforce.com, Office 365 and Dropbox™, using custom-designed workflows that leverage our Xerox Extensible Interface Platform® technology. Learn more about Xerox® Workflow Solutions at [www.office.xerox.com/software-solutions](http://www.office.xerox.com/software-solutions).

\* Optional solutions may vary by geography.

WorkCentre 5800 series multifunction printers are built on Xerox® ConnectKey® Technology. For more information, go to [www.connectkey.com](http://www.connectkey.com).

| <b>Xerox® Mobile Express Driver®</b>                                    | Makes it easy for mobile users to find, use and manage Xerox® and non-Xerox devices in every new location. Plug into a new network, and Mobile Express Driver automatically discovers available printers and provides status and capability information. Save a list of “favorite” printers for each location, store application print settings for use on any printer in any network, and greatly reduce mobile support calls to IT.  |
| <b>Xerox® Global Print Driver®</b>                                      | A truly universal print driver that lets IT administrators install, upgrade and manage Xerox® and non-Xerox devices from a single driver. It provides a consistent, easy-to-use interface for end-users, reducing the number of support calls, and simplifying print services management.  |
| <b>Xerox® Pull Print Driver</b>   | Makes it easy for IT managers to qualify, deploy and manage all print devices using a single driver in a Pull Print environment. Uses a single queue and single driver. The Xerox® Pull Print Driver extends convenience across a broad range of printing assets. IT administrators no longer need to manage and configure multiple drivers. Used in conjunction with Xerox Secure Access Unified ID System®, Equitrac Office®, Ysoft® SafeQ®, Pharos® and others.                 |
| <b>Print Solutions</b>  |  |
| <b>Xerox® Mobile Print Cloud (Optional)</b>                             | Xerox® Mobile Print Cloud addresses the needs of businesses with a mobile workforce and puts you ahead of the evolving mobile print need, but without burdening staff, budget or infrastructure. Getting started takes only a few minutes via the cloud. Print from any mobile device to nearly any brand of printer. Accurate printing with true Microsoft® Office® rendering and more. Print what you need, when, where and how you need it.                                     |
| <b>Xerox® Mobile Print Solution (Optional)</b>                          | Xerox® Mobile Print Solution is an ideal choice for sites that have additional requirements for control and security with an onsite server. Xerox® Mobile Print Solution allows users to print from most mobile devices to nearly any brand of printer or MFP without drivers or added complexity. Simply enter a release code (PIN) at the device and get accurate printing with true Microsoft Office rendering and more to use with your server for private, onsite deployment. |
| <b>Unified Address Book for Fax, Internet Fax, Email and Scan to...</b> |  |
| <b>Features</b>   | Services supported: Fax, Internet Fax, Email, Scan to<br>Maximum contacts: 5,000<br>Contacts: Supports 1 or more destinations<br>Favorites for quick access of fax numbers, emails, etc.   |
| <b>Scan</b>   |  |

| Network Scanning – Software Solutions              |   |
| Xerox® Scan to PC Desktop® Professional (Optional) | A desktop offering that provides advanced document imaging, archiving, editing and organization tools: <ul style="list-style-type: none"> <li>PaperPort Professional image viewing and file management software               <ul style="list-style-type: none"> <li>Complete PDF functionality</li> <li>Secure PDF workflow of all scanning applications</li> </ul> </li> <li>OmniPage Pro Office (for desktop/client installation) – Professional OCR software for digital archiving and document conversion</li> <li>Image Retriever – provides fully automated retrieval of scanned images direct from a scan enabled Xerox® WorkCentre to individual desktops. Also includes email inbox polling capability</li> </ul>   |
| Xerox® ConnectKey® for SharePoint® (Optional)      | Xerox® ConnectKey for SharePoint simplifies and streamlines the way you scan, capture and store your paper-based documents. Using your Xerox® MFP, you can route documents directly into the precise document repository folder, just like you would from your PC. At the MFP, you can browse to the folder, name the document, and add any key indexing information before you scan. With the flexibility to capture and route to SharePoint as well as Windows folders, ConnectKey is the right solution for any office that needs to archive and share paper-based documents.  |
| Xerox® ConnectKey® Share to Cloud (Optional)       | Xerox® ConnectKey Share to Cloud provides organizations with powerful, easy and secure document scanning capabilities that connect your Xerox® MFP to popular cloud services and email, such as Google Docs, Salesforce.com, Office 365 and Dropbox™ and gives employees anytime, anywhere access to their most important documents using mobile devices.   |
| Xerox® ConnectKey® for DocuShare® (Optional)       | Xerox® ConnectKey for DocuShare, a one-step scan-to-workflow solution, simplifies the process of incorporating hard copy content into enterprise document flows. Users can easily scan documents directly into a DocuShare collection or Windows folder via a multifunction printer (MFP).  |
| Security   |   |
| Features   | <ul style="list-style-type: none"> <li>Expanded Authentication               <ul style="list-style-type: none"> <li>Network authentication to access device and/or device services via: Kerberos (UNIX / Windows Server 2003 / Windows Server 2008), SMB (Windows Server 2003 / Windows Server 2008), NDS, LDAP</li> <li>Xerox Secure Access Unified ID System®</li> <li>Local Authentication (internal database)</li> <li>Smart Card authentication -144k CAC / PIV Card Support (2048 bit certificate key) / .NET</li> </ul> </li> <li>Secure Data               <ul style="list-style-type: none"> <li>Digitally signed PDF (when using Smart Card authentication)</li> <li>Encrypted Scan to Email</li> <li>Encrypted / Password Protected PDF (when using Email and Network Scan Templates only)</li> <li>Secure Print (up to 10 digit PIN or Network Authentication)</li> <li>Immediate Image Overwrite</li> <li>On Demand Image Overwrite (Scheduled, Manual), includes sanitation of unused area of disk</li> <li>FIPS 140-2 256 bit Hard Disk Encryption</li> </ul> </li> <li>Expanded Authorization               <ul style="list-style-type: none"> <li>SA access based on network credentials</li> <li>Authorization per user per service</li> <li>User Permissions required to access Print and Print Features (e.g. color access, or time restrictions) reflects in the print driver</li> </ul> </li> <li>Secure Network Access               <ul style="list-style-type: none"> <li>IP Filter, IPsec, IPv6, SSL v3.0, SNMPv3, HTTPs, 802.1X, Cisco® TrustSec integration, Device Security</li> <li>– McAfee® Embedded Security, Port disablement including USB ports, Audit Log, Hide Print Job Names, McAfee Integrity Control (optional)</li> </ul> </li> <li>Common Criteria Certification ISO 15408</li> </ul> |
| Xerox Secure Access Unified ID System® (Optional)  | Xerox Secure Access Unified ID System integrates your Xerox® multifunction systems with your existing employee/student ID PIN or badge providing a flexible and convenient authentication system. Allow your staff, employees or students to send documents to a centralized print server. Then, at any multifunction printer on the network, they'll simply log in with a swipe of their magnetic or proximity ID card or their PIN to securely print their job. | <b>Novell NDPS/NEPS</b>   | Server gateway application: centralized management tool.  |

|   |  |
|---|--|
| <b>Xerox® Device Manager</b>  | Xerox® Device Manager collects and manages the data that drives fact-based decisions for your enterprise device management environment. It is a single tool to install print queues and configure, manage, monitor and report on both networked and locally connected devices – regardless of vendor – across your enterprise. Xerox® Device Manager provides: <ul style="list-style-type: none"> <li>• Device monitoring and troubleshooting</li> <li>• Extensive reporting and discovery of new devices</li> <li>• Usage collection, chargeback and billing capabilities</li> </ul>  |
| <b>Xerox® Device Types for SAP Environment</b>                                    | Xerox, together with SAP through our Gold-level membership in the SAP Printer Vendor Program, provides seamless connectivity between SAP systems and your Xerox® printers and MFPs. And as an SAP customer you benefit from having SAP-certified Xerox® device types available right from SAP's online delivery model. SAP-certified device types for Xerox® printers and MFPs are available to download. <a href="http://www.office.xerox.com/software-solutions">www.office.xerox.com/software-solutions</a>   |
| <b>Xerox® Device Types for SAP R/3 Intelligent Barcode Utility (optional)</b>     | Provides built-in process intelligence that allows the printing of barcodes on any appropriately configured PostScript printer in specific versions of SAP environment and within Latin-1 (ISO8859-1) SAP system code pages only. Used in conjunction with Xerox® PostScript Device Types for SAP environment and Xerox® Font Center Barcode Fonts. Information available at <a href="http://www.office.xerox.com/software-solutions">www.office.xerox.com/software-solutions</a>  |
| <b>Xerox® Barcode Pro PS (optional)</b>   | Enables intelligent PostScript printing on Xerox® multifunction systems by storing Xerox® software, as well as, the barcode fonts on the printer hard disk. Enables the printing of barcodes from any application (SAP client or mainframe) that supports PostScript printing. Information available at <a href="http://www.office.xerox.com/software-solutions">www.office.xerox.com/software-solutions</a>   |

<sup>1</sup> Maximum volume capacity expected in any one month. Not expected to be sustained on a regular basis.

<sup>2</sup> Expected regular monthly throughput.

<sup>3</sup> Paper capacities are based on 20 lb. / 75 gsm stock; capacities will vary with different weight stocks.

<sup>4</sup> Approximate pages. Declared Yield based on 5 page job size, 6% area coverage, using letter / A4 media. Yield will vary based on media size, image area coverage, media orientation and usage patterns.

Return spent imaging supplies through the Xerox Green World Alliance collection/reuse/recycling program.
