# Highlights

## Original Philips EnergyLight lamps

The EnergyLight features original Philips EnergyLight lamps producing light with all the intensity and quality of natural daylight. In fact, it can give you up to 10,000 lux, but without any unpleasant dazzle or glare. If you use the EnergyLight for just 30 minutes a day (there's no need to stare into the lamp all the time) at a light intensity of 10,000 lux, you'll notice an improvement in your energy level and mood after just 5 days' use.

## Adjustable angle

The appliance can be positioned at various angles for comfortable use.

## UV-free

The EnergyLight uses the full natural daylight spectrum. It meets European safety standards and features a UV-filtering screen. The EnergyLight is therefore safe to use.

## Supported by the Medical Device Directive (MDD)

This device has proven health benefits, as certified by the Medical Device Directive (MDD).

## Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

# Specifications

## Technical specifications

Power: 72 W

Voltage: 220/230

Frequency: 50/60 Hz

Type of lamps: 2 PL-L 36W Philips

EnergyLight

Lifetime of lamps: 10.000

Type of ballast: HF-K 236TLD (High Frequency)

Ballast operating frequency: 42.000 kHz

Insulation: Class II (double isolation)

Cord length: 3 m

## Weight and dimensions

Product dimensions: 33x57x18 (WxHxD) cm

Product weight: 3.5 kg

F-box dimensions (=A-box): 36x62.2x21.5

(WxHxD) cm

F-box weight (=A-box): 4.4 kg

Qnt. on Euro pallet: 30 (UK 39) pcs

## Logistic data

CTV code: 884330801000

Country of origin: Germany

## Safety

UV-free: no UV comes through the filtering screen

No flickering: due to high frequency ballast avoiding headaches

Cenelec certified

## Easy to use

On product user protocol: Indicates how long to use it at a certain distance

On/off button

## Feel energetic in 30 min a day

Original Philips EnergyLight: lamps: 10.000 lux at 20cm, 2.500 Lux at 60cm

## Easy positionable
