Subject: WG: EFRAG issues its Draft Comment Letter on the Exposure Draft 'Simplifying Earnings per Share'

Dear Sir or Madam,

We support EFRAG's recommendation in its dcl not to commence deliberations on IAS 33 until the joint project of IASB and FASB on equity/liability-destination is completed.

We have no comments on details of EFRAG's dcl, for DZ BANK is not listed or in the process of becoming listed in a public market and thus falls outside the scope of IAS 33 and the ed.

Mit freundlichen Grüßen/Kind regards

Rainer Krauser
