FREE ON-SITE CONSULTATION

We understand that every installation is unique and we can gather valuable information by visiting the actual site. We are committed to getting it right the first time and, at no charge, we will travel to your location to take measurements, do a site survey and consult with the appropriate parties.

FREE DESIGN SERVICE

We go to great lengths to understand your needs and the objectives of the project. Our experienced design department will design your console to be ergonomically correct and to support the associated electronics and equipment. Once the design is final we will provide you with a complete design and specification package ready for presentation.

FREE PROJECT SUPPORT

Winsted is a true project partner and we pride ourselves on going above and beyond. What can we do to help you win the job? We can provide Building Information Modeling (BIM) files for Revit®, full CAD drawings in multiple views, photo-quality color renderings of the console design and even animated "walk-through" videos of the proposed installation.

WORLD CLASS CUSTOMER SERVICE

Our goal is to provide the best customer service in the industry; it is what our success is built on. Your satisfaction is guaranteed. Our experienced and knowledgeable customer service staff is ready to respond before, during and after the sale. We also stand by our products, which is why most of them carry a lifetime warranty. See page 71 for Winsted's Warranty.

NOTES: The software is licensed as a concurrent user, meaning that the software can be installed on an infinite amount of machines on the network, however only the number of clients purchased may connect to the server at one time. The software can be installed as either a full client (gives user ability to control what is being displayed on the Video Wall) or a lightweight client (this is used to install on a machine in which you want to display over the network what is being displayed on the Video Wall). This application is a Windows based application only, however it can be installed in a VM environment. Any computer with the software must have access to the same network as the VSI Video Wall Controller in order to operate.

CHANGE SUMMARY: Contract Extension

The current contract the Commonwealth of Pennsylvania, Department of General Services has for Professional Broadcast, Audio Visual & Multimedia Equipment will expire on March 23, 2019. Per the terms of the above referenced contract, the Commonwealth is exercising its option to extend the contract term in accordance with Section 2 of the *Standard Contract Terms and Conditions for IT Supplies and Related Services:2*.

Extension of Contract Term

The Commonwealth reserves the right, upon notice to the Contractor, to extend any single term of the Contract for up to three (3) months upon the same terms and conditions.

The purpose of this extension is to prevent any lapse in coverage while the contracts resulting from RFP 6100046056 are being processed. This extension will start effective March 24, 2019 and expire June 22, 2019, or until a new contract is in place; whichever is sooner.

ALL OTHER TERMS AND CONDITIONS OF THIS AGREEMENT NOT CHANGED BY THIS CHANGE NOTICE REMAIN AS ORIGINALLY WRITTEN.
