Appendix E, CONTRACT TERMS AND CONDITIONS

V.1. CONTRACT-001.1b Contract Terms and Conditions (Nov 30 2006)

The Contract with the awarded bidder (who shall become the “Contractor”) shall include the following terms and conditions:

V.2. CONTRACT-002.1a Term of Contract – Contract (May 2012)

The initial term of the Contract shall be **01 year(s)** and **00 month(s)**.

The term of the Contract shall commence on the Effective Date (as defined below) and shall end on the Expiration Date identified in the Contract, subject to the other provisions of the Contract.

The Effective Date shall be: a) the Effective Date printed on the Contract after the Contract has been fully executed by the Commonwealth (signed and approved as required by the Commonwealth contracting procedures) or b) the “Valid from” date printed on the Contract, whichever is later.

V.3. CONTRACT-002.2a Renewal of Contract Term (Nov 30 2006)

The Contract may be renewed for a maximum of **4** additional **1 year** term(s), so long as Commonwealth provides written notice to Contractor of its intention to extend the Contract by letter prior to the expiration of the term of the agreement, or any extension thereof. The Commonwealth may exercise the renewal as individual year or multiple year term(s). Any renewal will be under the same terms, covenants and conditions. No further document is required to be executed to renew the term of the contract.

V.4. CONTRACT-002.3 Extension of Contract Term (Nov 30 2006)

The Commonwealth reserves the right, upon notice to the Contractor, to extend any single term of the Contract for up to **three (3) months** upon the same terms and conditions.

V.5. CONTRACT-003.1b Signatures – Contract (July 2015)

The Contract shall not be a legally binding contract until the fully-executed Contract has been sent to the Contractor. No Commonwealth employee has the authority to verbally direct the commencement of any work or delivery of any supply under this Contract prior to the Effective Date. The Contractor hereby waives any claim or cause of action for any service or work performed prior to the Effective Date.

The Contract may be electronically signed by the Commonwealth. The electronically-printed name of the Purchasing Agent represents the signature of that individual who has the authority, on behalf of the Commonwealth, to bind the Commonwealth to the terms of the Contract. If the Contract output form does not have “Fully Executed” at the top of the first page and does not have the name of the Purchasing Agent printed in the appropriate box, the Contract has not been fully executed.

Appendix E, CONTRACT TERMS AND CONDITIONS

The fully-executed Contract may be sent to the Contractor electronically or through facsimile equipment. The electronic transmission of the Contract shall require acknowledgement of receipt of the transmission by the Contractor. Receipt of the electronic or facsimile transmission of the Contract shall constitute receipt of the fully-executed Contract.

The Commonwealth and the Contractor specifically agree as follows:

- (a) No handwritten signature shall be required in order for the Contract to be legally enforceable.
- (b) The parties agree that no writing shall be required in order to make the Contract legally binding, notwithstanding contrary requirements in any law. The parties hereby agree not to contest the validity or enforceability of a genuine Contract or acknowledgement issued electronically under the provisions of a statute of frauds or any other applicable law relating to whether certain agreements be in writing and signed by the party bound thereby. Any genuine Contract or acknowledgement issued electronically, if introduced as evidence on paper in any judicial, arbitration, mediation, or administrative proceedings, will be admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form. Neither party shall contest the admissibility of copies of a genuine Contract or acknowledgements under either the business records exception to the hearsay rule or the best evidence rule on the basis that the Contract or acknowledgement were not in writing or signed by the parties. A Contract or acknowledgment shall be deemed to be genuine for all purposes if it is transmitted to the location designated for such documents.
- (c) Each party will immediately take steps to verify any document that appears to be obviously garbled in transmission or improperly formatted to include re-transmission of any such document if necessary.

V.6. CONTRACT-004.1a Definitions (Oct 2013)

As used in this Contract, these words shall have the following meanings:

- (a) Agency. The department, board, commission or other agency of the Commonwealth of Pennsylvania listed as the Purchasing Agency. If a COSTARS entity or external procurement activity has issued an order against this contract, that entity shall also be identified as “Agency.”
- (b) Contracting Officer. The person authorized to administer this Contract for the Commonwealth and to make written determinations with respect to the Contract.
- (c) Days. Unless specifically indicated otherwise, days mean calendar days.

Appendix E, CONTRACT TERMS AND CONDITIONS

- (d) Developed Works or Developed Materials. All documents, sketches, drawings, designs, works, papers, files, reports, computer programs, computer documentation, data, records, software, samples or any other tangible material without limitation authored or prepared by Contractor as the work product covered in the scope of work for the Project.
- (e) Documentation. All materials required to support and convey information about the services required by this Contract. It includes, but is not necessarily restricted to, written reports and analyses, diagrams, maps, logical and physical designs, system designs, computer programs, flow charts, disks, and/or other machine-readable storage media.
- (f) Services. All Contractor activity necessary to satisfy the Contract.

V.7. CONTRACT-005.1a Purchase Orders (July 2015)

Commonwealth agency may issue Purchase Orders against the Contract. These orders constitute the Contractor's authority to make delivery. All Purchase Orders received by the Contractor up to and including the expiration date of the Contract are acceptable and must be performed in accordance with the Contract. Each Purchase Order will be deemed to incorporate the terms and conditions set forth in the Contract.

Purchase Orders may be electronically signed by the Agency. The electronically-printed name of the purchaser represents the signature of that individual who has the authority, on behalf of the Commonwealth, to authorize the Contractor to proceed.

Purchase Orders may be issued electronically or through facsimile equipment. The electronic transmission of a purchase order shall require acknowledgement of receipt of the transmission by the Contractor. Receipt of the electronic or facsimile transmission of the Purchase Order shall constitute receipt of an order. Orders received by the Contractor after 4:00 p.m. will be considered received the following business day.

- (a) No handwritten signature shall be required in order for the Contract or Purchase Order to be legally enforceable.
- (b) The parties agree that no writing shall be required in order to make the Purchase Order legally binding. The parties hereby agree not to contest the validity or enforceability of a Purchase Order or acknowledgement issued electronically under the provisions of a statute of frauds or any other applicable law relating to whether certain agreements be in writing and signed by the party bound thereby. Any Purchase Order or acknowledgement issued electronically, if introduced as evidence on paper in any judicial, arbitration, mediation, or administrative proceedings, will be admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form. Neither party shall contest the admissibility of copies of Purchase Orders or acknowledgements under either the business records

exception to the hearsay rule or the best evidence rule on the basis that the Purchase Order or acknowledgement were not in writing or signed by the parties. A Purchase Order or acknowledgment shall be deemed to be genuine for all purposes if it is transmitted to the location designated for such documents.

- (c) Each party will immediately take steps to verify any document that appears to be obviously garbled in transmission or improperly formatted to include re-transmission of any such document if necessary.

Purchase Orders under **ten thousand dollars (\$10,000)** in total amount may also be made in person or by telephone using a Commonwealth Purchasing Card. When an order is placed by telephone, the Commonwealth agency shall provide the agency name, employee name, credit card number, and expiration date of the card. Contractors agree to accept payment through the use of the Commonwealth Purchasing Card.

V.8. CONTRACT-006.1 Independent Prime Contractor (Oct 2006)

In performing its obligations under the Contract, the Contractor will act as an independent contractor and not as an employee or agent of the Commonwealth. The Contractor will be responsible for all services in this Contract whether or not the Contractor provides them directly. Further, the Contractor is the sole point of contact with regard to all contractual matters, including payment of any and all charges resulting from the Contract.

V.9. CONTRACT-007.01a Supplies Delivery (Nov 30 2006)

All item(s) shall be delivered F.O.B. Destination. The Contractor agrees to bear the risk of loss, injury, or destruction of the item(s) ordered prior to receipt of the items by the Commonwealth. Such loss, injury, or destruction shall not release the Contractor from any contractual obligations. Except as otherwise provided in this contract, all item(s) must be delivered within the time period specified. Time is of the essence and, in addition to any other remedies, the Contract is subject to termination for failure to deliver as specified. Unless otherwise stated in this Contract, delivery must be made within **thirty (30) days** after the Effective Date.

V.10. CONTRACT-007.01b Delivery of Services (Nov 30 2006)

The Contractor shall proceed with all due diligence in the performance of the services with qualified personnel, in accordance with the completion criteria set forth in the Contract.

V.11. CONTRACT-007.02 Estimated Quantities (Nov 30 2006)

It shall be understood and agreed that any quantities listed in the Contract are estimated only and may be increased or decreased in accordance with the actual requirements of the Commonwealth and that the Commonwealth in accepting any bid or portion thereof, contracts only and agrees to purchase only the materials and services in such quantities as represent the actual requirements of the Commonwealth. The Commonwealth reserves the right to purchase materials and services

Appendix E, CONTRACT TERMS AND CONDITIONS

covered under the Contract through a separate competitive procurement procedure, whenever Commonwealth deems it to be in its best interest.

V.12. Pallets

Materials delivered under this Contract may be required to be delivered on non-returnable wooden pallets so that they can be unloaded using a forklift. If pallet delivery is required, the ordering agency must so indicate on the purchase order. The total height of the palletted materials (including the height of the pallet) must not exceed **52 inches**. Each carton in the pallet must have the commodity code and purchase order number on the outside of the carton. A packing slip must accompany each shipment.

V.13. Warranties

- (a) The Contractor warrants that all items furnished, and all services performed by the Contractor, its agents and subcontractors shall be free and clear of any defects in workmanship or materials and conform in all material respects to the functional specifications and requirements of the Contract. Unless otherwise stated in the Contract, all items are warranted for a period of **one year** following delivery by the Contractor and acceptance by the Commonwealth. The Contractor shall repair, replace or otherwise correct any problem with the delivered item. When an item is replaced, it shall be replaced with an item of equivalent or superior quality without any additional cost to the Commonwealth.
- (b) The Contractor hereby represents and warrants to the Commonwealth that the Contractor will not cause or take any action that may directly or indirectly cause a disruption of the Commonwealth's operations.
- (c) Contractor warrants that it has the necessary legal rights, including licenses to third party products, tools or materials, to perform the Services and deliver the supplies and Developed Materials, if any, under this Contract.
- (d) THE FOREGOING EXPRESS WARRANTIES ARE THE CONTRACTOR'S SOLE AND EXCLUSIVE WARRANTIES AND NO OTHER WARRANTIES, EXPRESS OR IMPLIED, SHALL APPLY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
- (e) All warranties shall survive final acceptance.

V.14. CONTRACT-009.1a Patent, Copyright, Trademark, and Trade Secret Protection (Oct 2013)

- (a) The Contractor shall hold the Commonwealth harmless from any suit or proceeding which may be brought by a third party against the Commonwealth, its departments, officers or employees for the alleged infringement of any United

Appendix E, CONTRACT TERMS AND CONDITIONS

States or foreign patents, copyrights, or trademarks, or for a misappropriation of trade secrets arising out of performance of this Contract, including all work, services, materials, reports, studies, and computer programs provided by the Contractor, and in any such suit or proceeding will satisfy any final award for such infringement, including costs. The Commonwealth agrees to give Contractor prompt notice of any such claim of which it learns. Pursuant to the *Commonwealth Attorneys Act 71 P.S. Section 732-101, et seq.*, the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under the terms it deems appropriate, delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of Contractor made in the defense of such suits. No settlement which prevents the Commonwealth from continuing to use the Developed Materials as provided herein shall be made without the Commonwealth's prior written consent. In all events, the Commonwealth shall have the right to participate in the defense of any such suit or proceeding through counsel of its own choosing. It is expressly agreed by the Contractor that, in the event it requests that the Commonwealth to provide support to the Contractor in defending any such claim, the Contractor shall reimburse the Commonwealth for all expenses (including attorneys' fees, if such are made necessary by the Contractor's request) incurred by the Commonwealth for such support. If OAG does not delegate the defense of the matter, the Contractor's obligation to indemnify ceases. The Contractor will, at its expense, provide whatever cooperation OAG requests in the defense of the suit.

- (b) The Contractor agrees to exercise reasonable due diligence to prevent claims of infringement on the rights of third parties. The Contractor certifies that, in all respects applicable to this Contract, it has exercised and will continue to exercise due diligence to ensure that all works produced under this Contract do not infringe on the patents, copyrights, trademarks, trade secrets or other proprietary interests of any kind which may be held by third parties. The Contractor also agrees to certify that work produced for the Commonwealth under this contract shall be free and clear from all claims of any nature.
- (c) If the defense of the suit is delegated to the Contractor, the Contractor shall pay all damages and costs awarded therein against the Commonwealth. If information and assistance are furnished by the Commonwealth at the Contractor's written request, it shall be at the Contractor's expense, but the responsibility for such expense shall be only that within the Contractor's written authorization.
- (d) If, in the Contractor's opinion, the products, materials, reports, studies, or computer programs furnished hereunder are likely to or do become subject to a claim of infringement of a United States patent, copyright, or trademark, or for a misappropriation of trade secret, then without diminishing the Contractor's obligation to satisfy any final award, the Contractor may, at its option and expense, substitute functional equivalents for the alleged infringing products,

Appendix E, CONTRACT TERMS AND CONDITIONS

materials, reports, studies, or computer programs or, at the Contractor's option and expense, obtain the rights for the Commonwealth to continue the use of such products, materials, reports, studies, or computer programs.

- (e) If any of the products, materials, reports, studies, or computer programs provided by the Contractor are in such suit or proceeding held to constitute infringement and the use or publication thereof is enjoined, the Contractor shall, at its own expense and at its option, either procure the right to publish or continue use of such infringing products, materials, reports, studies, or computer programs, replace them with non-infringing items, or modify them so that they are no longer infringing.
- (f) If the Contractor is unable to do any of the preceding, the Contractor agrees to pay the Commonwealth:
 - (i) any amounts paid by the Commonwealth less a reasonable amount based on the acceptance and use of the deliverable;
 - (ii) any license fee less an amount for the period of usage of any software; and
 - (iii) the prorated portion of any service fees representing the time remaining in any period of service for which payment was made.
- (g) The obligations of the Contractor under this Section continue without time limit and survive the termination of this Contract.
- (h) Notwithstanding the above, the Contractor will have no obligation for:
 - (i) modification of any product, service, or deliverable provided by the Commonwealth;
 - (ii) any material provided by the Commonwealth to the Contractor and incorporated into, or used to prepare, a service, product or deliverable;
 - (iii) use of product, service or deliverable in other than its specified operating environment;
 - (iv) the combination, operation, or use of the product, service, or deliverable with other products, services, or deliverables not provided by the Contractor as a system or combination, operation, or use of the product service, or deliverable, with any products, data, or apparatus that the Contractor did not provide;
 - (v) infringement of a non-Contractor product alone;

Appendix E, CONTRACT TERMS AND CONDITIONS

- (vi) the Commonwealth's distribution, marketing or use beyond the scope contemplated by the Contract, or
- (vii) the Commonwealth's failure to use corrections or enhancements made available to the Commonwealth by the Contractor at no charge.
- (i) The obligation to indemnify the Commonwealth, under the terms of this Section, shall be the Contractor's sole and exclusive obligation for the infringement or misappropriation of intellectual property.

V.15. OWNERSHIP RIGHTS

- (a) **General.** The Commonwealth shall have unrestricted authority to reproduce, distribute, and use any submitted report, data, or material, and any software or modifications and any associated documentation that is designed or developed and delivered to the Commonwealth as part of the performance of the Contract.
- (b) **Software.**
 - (i) **Embedded Software licenses.** Any software included in the Supplies at the time of delivery (the "Embedded Software"), which includes any subsequent updates, patches or fixes, is licensed as part of the Supplies and not sold separately. The Contractor hereby grants to the Commonwealth a non-exclusive, royalty- free, fully-paid, perpetual license to use the Embedded Software only in the operation of the Supply in which it was delivered. The Commonwealth shall not be required to accept and comply with any additional license agreement or terms (including, but not limited to any clickthrough, open source or freeware terms) for any Embedded Software, except as set forth in paragraph (ii) below.
 - (ii) **Commercially Available Software Licenses.** The Contractor may not offer Supplies which require commercially available software, which includes freeware and open source software, for its use, unless and until the Commonwealth has entered into a software license agreement with the software licensor. The Contractor must inform any such software licensor that the software licensor must enter into a software license agreement with the Commonwealth with terms that are acceptable to the Commonwealth.
- (c) **Contractor Intellectual Property.** The Commonwealth acknowledges that Contractor has previously developed software and related processes, instructions, methods, and techniques, and that the same shall remain the sole and exclusive property of Contractor. Contractor retains ownership of all Contractor Intellectual Property that Contractor delivers to the Commonwealth pursuant to this Contract.

Appendix E, CONTRACT TERMS AND CONDITIONS

- (d) **Commonwealth Intellectual Property and Data.** The Commonwealth owns all Data and Intellectual Property provided to the Contractor pursuant to this Contract or collected or generated by the Contractor on behalf of the Commonwealth pursuant to this Contract. Commonwealth grants Contractor a non-exclusive, royalty-free, license to use, copy, display, and prepare derivative works of the Commonwealth's Intellectual Property and Data only to fulfill the purposes of this Contract. The Commonwealth's license to Contractor is limited by the terms of this Contract.
- (e) **Click-Through Terms.** The terms and conditions of this Contract shall be the exclusive terms of agreement between the Contractor and the Commonwealth. Other terms and conditions included in click-through agreements (including end user licenses) or referenced in the Contractor's quotations, invoices, business forms, or other documentation shall not become part of this Contract and shall be disregarded by the parties. Any such terms shall be unenforceable by the Contractor and not binding on the Commonwealth.
- (f) **No Transfer of Right, Title or Interest.** Except as expressly set forth in this Contract, nothing in this Contract shall be construed as granting to or conferring upon Contractor, any right, title, or interest in any physical or intellectual property that is now owned or subsequently owned by the Commonwealth or any third party. Except as expressly set forth in this Contract, nothing in this Contract shall be construed as granting to or conferring upon the Commonwealth, any right, title, or interest in any physical or intellectual property that is now owned or subsequently owned by the Contractor.

V.16. CONTRACT-010.1a Acceptance (Oct 2006)

No item(s) received by the Commonwealth shall be deemed accepted until the Commonwealth has had a reasonable opportunity to inspect the item(s). Any item(s) which is discovered to be defective or fails to conform to the specifications may be rejected upon initial inspection or at any later time if the defects contained in the item(s) or the noncompliance with the specifications were not reasonably ascertainable upon the initial inspection. It shall thereupon become the duty of the Contractor to remove rejected item(s) from the premises without expense to the Commonwealth within **fifteen (15) days** after notification. Rejected item(s) left longer than **fifteen (15) days** will be regarded as abandoned, and the Commonwealth shall have the right to dispose of them as its own property and shall retain that portion of the proceeds of any sale which represents the Commonwealth's costs and expenses in regard to the storage and sale of the item(s). Upon notice of rejection, the Contractor shall immediately replace all such rejected item(s) with others conforming to the specifications and which are not defective. If the Contractor fails, neglects or refuses to do so, the Commonwealth shall then have the right to procure a corresponding quantity of such item(s), and deduct from any monies due or that may thereafter become due to the Contractor, the difference between the price stated in the Contract and the cost thereof to the Commonwealth.

V.17. CONTRACT-010.2 Product Conformance (March 2012)

Appendix E, CONTRACT TERMS AND CONDITIONS

The Commonwealth reserves the right to require any and all Contractors to:

- (i) Provide certified data from laboratory testing performed by the Contractor, or performed by an independent laboratory, as specified by the Commonwealth.
- (ii) Supply published manufacturer product documentation.
- (iii) Permit a Commonwealth representative to witness testing at the Contractor's location or at an independent laboratory.
- (iv) Complete a survey/questionnaire relating to the bid requirements and specifications.
- (v) Provide customer references.

V.18. CONTRACT-010.3 Rejected Material Not Considered Abandoned (March 2012)

The Commonwealth shall have the right to not regard any rejected material as abandoned and to demand that the Contractor remove the rejected material from the premises within **thirty (30) days** of notification. The Contractor shall be responsible for removal of the rejected material as well as proper clean-up. If the Contractor fails or refuses to remove the rejected material as demanded by the Commonwealth, the Commonwealth may seek payment from, or set-off from any payments due to the Contractor under this or any other Contract with the Commonwealth, the costs of removal and clean-up. This is in addition to all other rights to recover costs incurred by the Commonwealth.

V.19. CONTRACT-011.1a Compliance with Law (Oct 2006)

The Contractor shall comply with all applicable federal and state laws and regulations and local ordinances in the performance of the Contract.

V.20. CONTRACT-012.1 Contract Scope (Oct 2013)

If the Contractor must perform work at a Commonwealth facility outside of the daily operational hours set forth by the Commonwealth, it must make arrangements with the Commonwealth to assure access to the facility and equipment. No additional payment will be made on the basis of lack of access, unless the Commonwealth fails to provide access as set out in the Contract.

Except as set out in this Contract, the Contractor shall not offer for sale or provide Commonwealth agencies with any hardware or software (i.e., personal computers, file servers, laptops, personal computer packaged software, etc.). Contractor may recommend the use of tools such as hardware and software, without requiring agencies to purchase those tools.

Appendix E, CONTRACT TERMS AND CONDITIONS

Software tools that are NOT on statewide contract will be acquired through separately procured purchase agreements, and the Contractor shall not be considered for award of such agreements if it has recommended their use.

Contractor shall comply with the IT standards and policies issued by the Governor's Office of Administration, Office for Information Technology (OA/OIT) (located at: <https://www.oa.pa.gov/Policies/Pages/itp.aspx> including the accessibility standards set out in IT Policy **ACC001, IT Accessibility Policy**). The Contractor shall ensure that Services procured under this Contract comply with the applicable standards. In the event such standards change during Contractor's performance, and the Commonwealth requests that Contractor comply with the changed standard, then any incremental costs incurred by Contractor to comply with such changes shall be paid for pursuant to a change order to the Contract.

V.21. CONTRACT-013.1 Environmental Provisions (Oct 2006)

In the performance of the Contract, the Contractor shall minimize pollution and shall strictly comply with all applicable environmental laws and regulations, including, but not limited to: the *Clean Streams Law* Act of June 22, 1937 (P.L. 1987, No. 394), as amended 35 P.S. Section 691.601 *et seq.*; the *Pennsylvania Solid Waste Management Act*, Act of July 7, 1980 (P.L. 380, No. 97), as amended, 35 P.S. Section 6018.101 *et seq.*; and the *Dam Safety and Encroachment Act*, Act of November 26, 1978 (P.L. 1375, No. 325), as amended, 32 P.S. Section 693.1.

V.22. CONTRACT-014.1 Post-Consumer Recycled Content (June 2016)

Except as specifically waived by the Department of General Services in writing, any products which are provided to the Commonwealth as a part of the performance of the Contract must meet the minimum percentage levels for total recycled content as specified by the Environmental Protection Agency in its Comprehensive Procurement Guidelines, which can be found at <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.

V.23. CONTRACT-014.3 Recycled Content Enforcement (Feb 2009)

The Contractor may be required, after delivery of the Contract item(s), to provide the Commonwealth with documentary evidence that the item(s) was in fact produced with the required minimum percentage of post-consumer and recovered material content.

V.24. CONTRACT-015.1 Compensation (Oct 2006)

The Contractor shall be required to furnish the awarded item(s) at the price(s) quoted in the Purchase Order. All item(s) shall be delivered within the time period(s) specified in the Purchase Order. The Contractor shall be compensated only for item(s) that are delivered and accepted by the Commonwealth.

V.25. CONTRACT-015.1A Compensation/Expenses (May 2008)

The Contractor shall be required to perform the specified services at the price(s) quoted in the Contract. All services shall be performed within the time period(s) specified in the Contract.

Appendix E, CONTRACT TERMS AND CONDITIONS

The Contractor shall be compensated only for work performed to the satisfaction of the Commonwealth. The Contractor shall not be allowed or paid travel or per diem expenses except as specifically set forth in the Contract.

V.26. CONTRACT-015.2 Billing Requirements (July 2021)

Unless the Contractor has been authorized by the Commonwealth for Evaluated Receipt Settlement or Vendor Self-Invoicing, the Contractor shall include in all of its invoices the following minimum information:

- Vendor name and “Remit to” address, including SAP Vendor number;
- SAP Purchase Order number;
- Delivery Address, including name of Commonwealth agency;
- Description of the supplies/services delivered in accordance with SAP Purchase Order (include purchase order line number if possible);
- Quantity provided;
- Unit price;
- Price extension;
- Total price; and
- Delivery date of supplies or services.

If an invoice does not contain the minimum information set forth in this section, the Commonwealth may return the invoice as improper. If the Commonwealth returns an invoice as improper, the time for processing a payment will be suspended until the Commonwealth receives a correct invoice. The Contractor may not receive payment until the Commonwealth has received a correct invoice.

Contractors are required to establish separate billing accounts with each using agency and invoice them directly. Each invoice shall be itemized with adequate detail and match the line item on the Purchase Order. In no instance shall any payment be made for services to the Contractor that are not in accordance with the prices on the Purchase Order, the Contract, updated price lists or any discounts negotiated by the purchasing agency.

V.27. CONTRACT-016.1 Payment (Oct 2006)

- (a) The Commonwealth shall put forth reasonable efforts to make payment by the required payment date. The required payment date is: (a) the date on which payment is due under the terms of the Contract; (b) **thirty (30) days** after a proper invoice actually is received at the “Bill To” address if a date on which payment is due is not specified in the Contract (a “proper” invoice is not received until the Commonwealth accepts the service as satisfactorily performed); or (c) the payment date specified on the invoice if later than the dates established by and (b) above. Payment may be delayed if the payment amount on an invoice is not based upon the price(s) as stated in the Contract. If any payment is not made within **fifteen (15) days** after the required payment date, the Commonwealth may pay interest as determined by the Secretary of Budget in accordance with [Act No.](#)

Appendix E, CONTRACT TERMS AND CONDITIONS

266 of 1982 and regulations promulgated pursuant thereto. Payment should not be construed by the Contractor as acceptance of the service performed by the Contractor. The Commonwealth reserves the right to conduct further testing and inspection after payment, but within a reasonable time after performance, and to reject the service if such post payment testing or inspection discloses a defect or a failure to meet specifications. The Contractor agrees that the Commonwealth may set off the amount of any state tax liability or other obligation of the Contractor or its subsidiaries to the Commonwealth against any payments due the Contractor under any contract with the Commonwealth.

- (b) The Commonwealth shall have the option of using the Commonwealth purchasing card to make purchases under the Contract or Purchase Order. The Commonwealth's purchasing card is similar to a credit card in that there will be a small fee which the Contractor will be required to pay and the Contractor will receive payment directly from the card issuer rather than the Commonwealth. Any and all fees related to this type of payment are the responsibility of the Contractor. In no case will the Commonwealth allow increases in prices to offset credit card fees paid by the Contractor or any other charges incurred by the Contractor, unless specifically stated in the terms of the Contract or Purchase Order.

V.28. CONTRACT-016.2 Payment – Electronic Funds Transfer (July 2022)

- (a) The Commonwealth will make contract payments through the Automated Clearing House (ACH). Within **10 days** of award of the contract or purchase order, the contractor must submit or must have already submitted their ACH information within their user profile in the Commonwealth's procurement system (SRM).
- (b) The contractor must submit a unique invoice number with each invoice submitted. The unique invoice number will be listed on the Commonwealth of Pennsylvania's ACH remittance advice to enable the contractor to properly apply the state agency's payment to the invoice submitted.
- (c) It is the responsibility of the contractor to ensure that the ACH information contained in SRM is accurate and complete. Failure to maintain accurate and complete information may result in delays in payments.

V.29. CONTRACT-017.1 Taxes (Dec 5 2006)

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax free purchases under Registration No. 23-23740001-K. With the exception of purchases of the following items, no exemption certificates are required and none will be issued: undyed diesel fuel, tires, trucks, gas guzzler emergency vehicles, and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania state sales tax, local sales tax, public transportation assistance taxes

Appendix E, CONTRACT TERMS AND CONDITIONS

and fees and vehicle rental tax. The Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this section is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental, or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

V.30. CONTRACT-018.1 Assignment of Antitrust Claims (Oct 2006)

The Contractor and the Commonwealth recognize that in actual economic practice, overcharges by the Contractor's suppliers resulting from violations of state or federal antitrust laws are in fact borne by the Commonwealth. As part of the consideration for the award of the Contract, and intending to be legally bound, the Contractor assigns to the Commonwealth all right, title and interest in and to any claims the Contractor now has, or may acquire, under state or federal antitrust laws relating to the products and services which are the subject of this Contract.

V.31. CONTRACT-019.1 Hold Harmless Provision (Nov 30 2006)

- (a) The Contractor shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all third party claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents under this Contract, provided the Commonwealth gives Contractor prompt notice of any such claim of which it learns. Pursuant to the *Commonwealth Attorneys Act* (71 P.S. Section 732-101, *et seq.*), the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under such terms as it deems appropriate, delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of Contractor made in the defense of such suits.
- (b) Notwithstanding the above, neither party shall enter into any settlement without the other party's written consent, which shall not be unreasonably withheld. The Commonwealth may, in its sole discretion, allow the Contractor to control the defense and any related settlement negotiations.

V.32. CONTRACT-020.1 Audit Provisions (Oct 2006)

The Commonwealth shall have the right, at reasonable times and at a site designated by the Commonwealth, to audit the books, documents and records of the Contractor to the extent that the books, documents and records relate to costs or pricing data for the Contract. The Contractor agrees to maintain records which will support the prices charged and costs incurred for the Contract. The Contract shall preserve books, documents and records that relate to costs or pricing data for the Contract for a period of **three (3) years** from the date of final payment. The Contractor shall give full and free access to all records to the Commonwealth and/or their authorized representatives.

Appendix E, CONTRACT TERMS AND CONDITIONS

V.33. CONTRACT-020.2 Single Audit Clause of 1984 (Oct 2013)

In compliance with the *Single Audit Act of 1984*, the Contractor agrees to the following:

- (a) This Contract is subject to audit by federal and state agencies or their authorized representative in accordance with the auditing standards promulgated by the Comptroller General of the United States and specified in Government Auditing Standards, 1994 Revisions ([Yellow Book](#)).
- (b) The audit requirement of this Contract will be satisfied if a single audit is performed under the provisions of the *Single Audit Act of 1984*, 31 U.S.C. Section 7501, *et seq.*, and all rules and regulations promulgated pursuant to the Act.
- (c) The Commonwealth reserves the right for federal and state agencies or their authorized representatives to perform additional audits of a financial/compliance, economy/efficiency, or program results nature, if deemed necessary.

The Contractor further agrees to comply with requirements that may be issued by the state agency upon receipt of additional guidance received from the federal government regarding the *Single Audit Act of 1984*.

V.34. CONTRACT-021.1 Default (Oct 2013)

- (a) The Commonwealth may, subject to the Force Majeure provisions of this Contract, and in addition to its other rights under the Contract, declare the Contractor in default by written notice thereof to the Contractor, and terminate (as provided in the Termination Provisions of this Contract) the whole or any part of this Contract or any Purchase Order for any of the following reasons:
 - (i) Failure to begin work within the time specified in the Contract or Purchase Order or as otherwise specified;
 - (ii) Failure to perform the work with sufficient labor, equipment, or material to ensure the completion of the specified work in accordance with the Contract or Purchase Order terms;
 - (iii) Unsatisfactory performance of the work;
 - (iv) Failure to deliver the awarded item(s) within the time specified in the Contract or Purchase Order or as otherwise specified;

Appendix E, CONTRACT TERMS AND CONDITIONS

- (vii) Delivery of a defective item;
 - (viii) Failure or refusal to remove material, or remove and replace any work rejected as defective or unsatisfactory;
 - (ix) Discontinuance of work without approval;
 - (x) Failure to resume work, which has been discontinued, within a reasonable time after notice to do so;
 - (xi) Insolvency or bankruptcy;
 - (xii) Assignment made for the benefit of creditors;
 - (xiii) Failure or refusal within **10 days** after written notice by the Contracting Officer, to make payment or show cause why payment should not be made, of any amounts due for materials furnished, labor supplied or performed, for equipment rentals, or for utility services rendered;
 - (xiv) Failure to protect, to repair, or to make good any damage or injury to property;
 - (xv) Breach of any provision of the Contract;
 - (xvi) Failure to comply with representations made in the Contractor's bid/proposal; or
 - (xvii) Failure to comply with applicable industry standards, customs, and practice.
- (b) In the event that the Commonwealth terminates this Contract or any Purchase Order in whole or in part as provided in Subsection (a) above, the Commonwealth may procure, upon such terms and in such manner as it determines, items similar or identical to those so terminated, and the Contractor shall be liable to the Commonwealth for any reasonable excess costs for such similar or identical items included within the terminated part of the Contract or Purchase Order.
- (c) If the Contract or a Purchase Order is terminated as provided in Subsection (a) above, the Commonwealth, in addition to any other rights provided in this paragraph, may require the Contractor to transfer title and deliver immediately to the Commonwealth in the manner and to the extent directed by the Contracting Officer, such partially completed items, including, where applicable, reports, working papers and other documentation, as the Contractor has specifically produced or specifically acquired for the performance of such part of the Contract or Purchase Order as has been terminated. Except as provided below, payment

Appendix E, CONTRACT TERMS AND CONDITIONS

for completed work accepted by the Commonwealth shall be at the Contract price. Except as provided below, payment for partially completed items including, where applicable, reports and working papers, delivered to and accepted by the Commonwealth shall be in an amount agreed upon by the Contractor and Contracting Officer. The Commonwealth may withhold from amounts otherwise due the Contractor for such completed or partially completed works, such sum as the Contracting Officer determines to be necessary to protect the Commonwealth against loss.

- (d) The rights and remedies of the Commonwealth provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- (e) The Commonwealth's failure to exercise any rights or remedies provided in this section shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.
- (f) Following exhaustion of the Contractor's administrative remedies as set forth in the Contract Controversies Provision of the Contract, the Contractor's exclusive remedy shall be to seek damages in the Board of Claims.

V.35. CONTRACT-022.1 Force Majeure (Oct 2006)

Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but aren't limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, general strikes throughout the trade, and freight embargoes.

The Contractor shall notify the Commonwealth orally within **five (5) days** and in writing within **ten (10) days** of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effect on performance, (ii) state whether performance under the contract is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. The Contractor shall have the burden of proving that such cause(s) delayed or prevented its performance despite its diligent efforts to perform and shall produce such supporting documentation as the Commonwealth may reasonably request. After receipt of such notification, the Commonwealth may elect to cancel the Contract, cancel the Purchase Order, or to extend the time for performance as reasonably necessary to compensate for the Contractor's delay.

In the event of a declared emergency by competent governmental authorities, the Commonwealth by notice to the Contractor, may suspend all or a portion of the Contract or Purchase Order.

Appendix E, CONTRACT TERMS AND CONDITIONS

V.36. CONTRACT-023.1b Termination (Oct 2013)

(a) For Convenience

- (i) The Commonwealth may terminate this Contract without cause by giving Contractor **thirty (30) calendar days** prior written notice (Notice of Termination) whenever the Commonwealth shall determine that such termination is in the best interest of the Commonwealth (Termination for Convenience). Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance under this Contract is terminated either in whole or in part and the date on which such termination becomes effective.

In the event of termination hereunder, Contractor shall receive payment for the following:

- (1) all Services performed consistent with the terms of the Contract prior to the effective date of termination;
- (2) and all actual and reasonable costs incurred by Contractor as a result of the termination of the Contract.

In no event shall the Contractor be paid for any loss of anticipated profit (by the Contractor or any Subcontractor), loss of use of money, or administrative or overhead costs.

Failure to agree on any termination costs shall be a dispute handled in accordance with CONTRACT CONTROVERSIES provision of this Contract.

- (ii) The Contractor shall cease Services as of the date set forth in the Notice of Termination, and shall be paid only for such Services as have already been satisfactorily rendered up to and including the termination date set forth in said notice, or as may be otherwise provided for in said Notice of Termination, and for such services performed during the **thirty (30) calendar day** notice period, if such services are requested by the Commonwealth, for the collection, assembling, and transmitting to the Commonwealth of at least all materials, manuals, magnetic media, studies, drawings, computations, maps, supplies, and survey notes including field books, which were obtained, prepared, or developed as part of the Services required under this Contract.
- (iii) The above shall not be deemed to limit the Commonwealth's right to terminate this Contract for any reason as permitted by the other provisions of this Contract, or under applicable law.

Appendix E, CONTRACT TERMS AND CONDITIONS

(b) Non-Appropriation

Any payment obligation or portion thereof of the Commonwealth created by this Contract is conditioned upon the availability and appropriation of funds. When funds (state or federal) are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year period, the Commonwealth shall have the right to terminate the Contract. The Contractor shall be reimbursed in the same manner as that described in this section related to Termination for Convenience to the extent that appropriated funds are available.

(c) Default

The Commonwealth may, in addition to its other rights under this Contract, terminate this Contract in whole or in part by providing written notice of default to the Contractor if the Contractor materially fails to perform its obligations under the Contract and does not cure such failure within **thirty (30) days** or, if a cure within such period is not practical, commence a good faith effort to cure such failure to perform within the specified period or such longer period as the Commonwealth may specify in the written notice specifying such failure, and diligently and continuously proceed to complete the cure. The Contracting Officer shall provide any notice of default or written cure notice for Contract terminations.

- (i) Subject to the LIMITATION OF LIABILITY provision of this Contract, in the event the Commonwealth terminates this Contract in whole or in part as provided in this Subsection, the Commonwealth may procure services similar to those so terminated, and the Contractor, in addition to liability for any liquidated damages, shall be liable to the Commonwealth for the difference between the Contract price for the terminated portion of the services and the actual and reasonable cost (but in no event greater than the fair market value) of producing substitute equivalent services for the terminated services, provided that the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this section.
- (ii) Except with respect to defaults of Subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform the Contract arises out of causes beyond the control of the Contractor. Such causes may include, but are not limited to, acts of God or of the public enemy, fires, floods, epidemics, quarantine restrictions, strikes, work stoppages, freight embargoes, acts of terrorism, and unusually severe weather. The Contractor shall notify the Contracting Officer promptly in writing of its inability to perform because of a cause beyond the control of the Contractor.

Appendix E, CONTRACT TERMS AND CONDITIONS

- (iii) Nothing in this Subsection shall abridge the Commonwealth's right to suspend, debar, or take other administrative action against the Contractor.
- (iv) If it is later determined that the Commonwealth erred in terminating the Contract for default, then the Contract shall be deemed to have been terminated for convenience under Subsection (a).
- (v) If this Contract is terminated as provided by this Subsection (c), the Commonwealth may, in addition to any other rights provided in this Subsection, and subject to the OWNERSHIP RIGHTS provision of this Contract, require the Contractor to deliver to the Commonwealth in the manner and to the extent directed by the Contracting Officer, such reports and other documentation as the Contractor has specifically produced or specifically acquired for the performance of such part of the Contract as has been terminated. Payment for such reports and documentation will be made consistent with the Contract.
- (d) The rights and remedies of the Commonwealth provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- (e) The Commonwealth's failure to exercise any rights or remedies provided in this Section shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.
- (f) Following exhaustion of the Contractor's administrative remedies as set forth in the CONTRACT CONTROVERSIES provision of this Contract, the Contractor's exclusive remedy shall be to seek damages in the Board of Claims.

V.37. CONTRACT-024.1 Contract Controversies (Oct 2011)

- (a) In the event of a controversy or claim arising from the Contract, the Contractor must, within **six months** after the cause of action accrues, file a written claim with the contracting officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum. At the time the claim is filed, or within **sixty (60) days** thereafter, either party may request mediation through the Commonwealth Office of General Counsel Dispute Resolution Program.
- (b) If the Contractor or the contracting officer requests mediation and the other party agrees, the contracting officer shall promptly make arrangements for mediation. Mediation shall be scheduled so as to not delay the issuance of the final determination beyond the required **120 days** after receipt of the claim if mediation is unsuccessful. If mediation is not agreed to or if resolution is not reached through mediation, the contracting officer shall review timely-filed claims and

Appendix E, CONTRACT TERMS AND CONDITIONS

issue a final determination, in writing, regarding the claim. The final determination shall be issued within **120 days** of the receipt of the claim, unless extended by consent of the contracting officer and the Contractor. The contracting officer shall send his/her written determination to the Contractor. If the contracting officer fails to issue a final determination within the **120 days** (unless extended by consent of the parties), the claim shall be deemed denied. The contracting officer's determination shall be the final order of the purchasing agency.

- (c) Within **fifteen (15) days** of the mailing date of the determination denying a claim or within **135 days** of filing a claim if, no extension is agreed to by the parties, whichever occurs first, the Contractor may file a statement of claim with the Commonwealth Board of Claims. Pending a final judicial resolution of a controversy or claim, the Contractor shall proceed diligently with the performance of the Contract in a manner consistent with the determination of the contracting officer and the Commonwealth shall compensate the Contractor pursuant to the terms of the Contract.

V.38. CONTRACT-025.1 Assignability and Subcontracting (Oct 2013)

- (a) Subject to the terms and conditions of this section, this Contract shall be binding upon the parties and their respective successors and assigns.
- (b) The Contractor shall not subcontract with any person or entity to perform all or any part of the work to be performed under this Contract without the prior written consent of the Contracting Officer, which consent may be withheld at the sole and absolute discretion of the Contracting Officer.
- (c) The Contractor may not assign, in whole or in part, this Contract or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of the Contracting Officer, which consent may be withheld at the sole and absolute discretion of the Contracting Officer.
- (d) Notwithstanding the foregoing, the Contractor may, without the consent of the Contracting Officer, assign its rights to payment to be received under the Contract, provided that the Contractor provides written notice of such assignment to the Contracting Officer together with a written acknowledgement from the assignee that any such payments are subject to all of the terms and conditions of this Contract.
- (e) For the purposes of this Contract, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in the Contractor provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.

Appendix E, CONTRACT TERMS AND CONDITIONS

- (f) Any assignment consented to by the Contracting Officer shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of the Contract and to assume the duties, obligations, and responsibilities being assigned.
- (g) A change of name by the Contractor, following which the Contractor's federal identification number remains unchanged, shall not be considered to be an assignment hereunder. The Contractor shall give the Contracting Officer written notice of any such change of name.

V.39. CONTRACT-026.1 Other Contractors (Oct 2006)

The Commonwealth may undertake or award other contracts for additional or related work, and the Contractor shall fully cooperate with other contractors and Commonwealth employees, and coordinate its work with such additional work as may be required. The Contractor shall not commit or permit any act that will interfere with the performance of work by any other contractor or by Commonwealth employees. This section shall be included in the Contracts of all contractors with which this Contractor will be required to cooperate. The Commonwealth shall equitably enforce this section as to all contractors to prevent the imposition of unreasonable burdens on any contractor.

V.40. CONTRACT-027.1 Nondiscrimination/Sexual Harassment Clause (August 2018)

The Contractor agrees:

- (a) In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, the Contractor, each subcontractor, or any person acting on behalf of the Contractor or subcontractor shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the *Pennsylvania Human Relations Act* (PHRA) and applicable federal laws, against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.

The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract it becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.

Appendix E, CONTRACT TERMS AND CONDITIONS

- (x) For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. If the Commonwealth is the requestor of the change, the Contractor will inform the Commonwealth if there will be any charges for the Contractor's services in investigating the change request prior to incurring such charges. If the Commonwealth and the Contractor agree on the results of the investigation and any necessary amendments to the Contract, the parties must complete and execute a change notice to modify the Contract and implement the change. The change request will be evidenced by a Purchase Order issued by the Commonwealth. No work may begin on the change request until the Contractor has received the Purchase Order. - (b) Changes outside the scope of this Contract shall be accomplished through the Commonwealth's normal procurement procedures, and may result in an amended Contract or a new contract. No payment will be made for services outside of the scope of the Contract for which no amendment has been executed, prior to the provision of the services.

V.51. CONTRACT-036.1 Background Checks (February 2016)

- (a) The Contractor must, at its expense, arrange for a background check for each of its employees, as well as the employees of any of its subcontractors, who will have access to Commonwealth facilities, either through on-site access or through remote access. Background checks are to be conducted via the Request for Criminal Record Check form and procedure found at <https://www.psp.pa.gov/pages/criminal-history-background-check.aspx>. The background check must be conducted prior to initial access and on an annual basis thereafter.
- (b) Before the Commonwealth will permit access to the Contractor, the Contractor must provide written confirmation that the background checks have been conducted. If, at any time, it is discovered that a Contractor employee has a criminal record that includes a felony or misdemeanor involving terroristic behavior, violence, use of a lethal weapon, or breach of trust/fiduciary responsibility or which raises concerns about building, system or personal security or is otherwise job-related, the Contractor shall not assign that employee to any Commonwealth facilities, shall remove any access privileges already given to the employee and shall not permit that employee remote access unless the Commonwealth consents to the access, in writing, prior to the access. The Commonwealth may withhold its consent in its sole discretion. Failure of the

Appendix E, CONTRACT TERMS AND CONDITIONS

Contractor to comply with the terms of this Section on more than one occasion or Contractor's failure to appropriately address any single failure to the satisfaction of the Commonwealth may result in the Contractor being deemed in default of its Contract.

- (c) The Commonwealth specifically reserves the right of the Commonwealth to conduct background checks over and above that described herein.
- (d) Access to certain Capitol Complex buildings and other state office buildings is controlled by means of card readers and secured visitors' entrances. - (a) The Contractor agrees to protect the confidentiality of the Commonwealth's information. The Commonwealth agrees to protect the confidentiality of Contractor's confidential information. In order for information to be deemed to be confidential, the party claiming confidentiality must designate the information as "confidential" in such a way as to give notice to the other party. (Notice may be communicated by describing the information, and the specifications around its use or disclosure, in the SOW). Neither party may assert that information owned by the other party is such party's confidential information. The parties agree that such confidential information shall not be copied, in whole or in part, except when essential for authorized use under this Contract and, in the case of disclosure, where the recipient of the confidential information has agreed to be bound by the confidentiality requirements no less restrictive than those set forth herein. Each copy of such confidential information shall be marked by the party making the copy with all notices appearing in the original. Upon termination or cancellation of this Contract or any license granted hereunder, the receiving party will return to the disclosing party all copies of the confidential information in the receiving party's possession, other than one copy, which may be maintained for archival purposes only, and which will remain subject to this Contract's security, privacy, data retention/destruction and confidentiality provisions (all of which shall survive the expiration of this Contract). Both parties agree that a material breach of these requirements may, after failure to cure within the time frame specified in this Contract, and at the discretion of the non-breaching party, result in termination for default pursuant to the DEFAULT provision of this Contract, in addition to other remedies available to the non-breaching party.

Appendix E, CONTRACT TERMS AND CONDITIONS

- (b) Insofar as information is not otherwise protected by law or regulation, the obligations stated in this Section do not apply to information:

 - (iii) known or available to the public, except where such knowledge or availability is the result of unauthorized disclosure by the recipient of the proprietary information;
 - (iv) disclosed to the recipient without a similar restriction by a third party who has the right to make such disclosure; or
 - (v) required to be disclosed by the recipient by law, regulation, court order, or other legal process.

There shall be no restriction with respect to the use or disclosure of any ideas, concepts, know-how, or data processing techniques developed alone or jointly with the Commonwealth in connection with services provided to the Commonwealth under this Contract.

- (c) The Contractor shall use the following process when submitting information to the Commonwealth it believes to be confidential and/or proprietary information or trade secrets:

 - (ii) Prepare a redacted version of the document that redacts the information that is asserted to be confidential or proprietary information or a trade secret, and
 - (iii) Prepare a signed written statement that states:
 - (1) the attached document contains confidential or proprietary information or trade secrets;
 - (2) the Contractor is submitting the document in both redacted and un-redacted format in accordance with 65 P.S. § 67.707(b); and

The Contractor shall not publish or otherwise disclose, except to the Commonwealth and except matters of public record, any information or data obtained hereunder from private individuals, organizations, or public agencies, in a publication whereby the information or data furnished by or about any particular person or establishment can be identified, except with the consent of such person or establishment. The parties shall not use or disclose any information about a recipient receiving services from, or otherwise enrolled in, a Commonwealth program affected by or benefiting from services under this Contract for any purpose not connected with the parties' Contract responsibilities except with the written consent of such recipient, recipient's attorney, or recipient's parent or guardian pursuant to applicable state and federal law and regulations. Contractor will be responsible to remediate any improper disclosure of information. Such remediation may include, but not be limited to, credit monitoring for individuals for whom information has been released and reimbursement of any costs incurred by individuals for whom information has been released. Costs for which Contractor is responsible under this paragraph are not subject to any limitation of liability set out in this Contract or Purchase Order.

V.54. Limitation of Liability

- (a) The Contractor's liability to the Commonwealth under this Contract shall be limited to the greater of **\$250,000** or the value of this Contract (including any amendments). This limitation will apply, except as otherwise stated in this Section, regardless of the form of action, whether in contract or in tort, including negligence. This limitation does not, however, apply to damages for:

 - (ii) death;
 - (iii) for gross negligence or intentional or willful misconduct;
 - (iv) damage to real property or tangible personal property for which the Contractor is legally liable;
 - (v) under the PATENT, COPYRIGHT, TRADEMARK, AND TRADE SECRET PROTECTION section of the Contract;

V.55. **CONTRACT-039.1 Virus; Malicious, Mischievous or Destructive Programming (Oct 2013)**

- (a) Notwithstanding any other provision in this Contract to the contrary, the Contractor shall be liable for any damage to any data and/or software owned or licensed by the Commonwealth if the Contractor or any of its employees, subcontractors or consultants introduces a virus or malicious, mischievous or destructive programming into the Commonwealth's software or computer networks and has failed to comply with the Commonwealth software security standards. The Commonwealth must demonstrate that the Contractor or any of its employees, subcontractors or consultants introduced the virus or malicious, mischievous or destructive programming. The Contractor's liability shall cease if the Commonwealth has not fully complied with its own software security standards.
- (b) The Contractor shall be liable for any damages incurred by the Commonwealth including, but not limited to, the expenditure of Commonwealth funds to eliminate or remove a computer virus or malicious, mischievous or destructive programming that result from the Contractor's failure to take proactive measures to keep virus or malicious, mischievous or destructive programming from originating from the Contractor or any of its employees, subcontractors or consultants through appropriate firewalls and maintenance of anti-virus software and software security updates (such as operating systems security patches, etc.).
- (c) In the event of destruction or modification of software, the Contractor shall eliminate the virus, malicious, mischievous or destructive programming, restore the Commonwealth's software, and be liable to the Commonwealth for any resulting damages.
- (d) The Contractor shall be responsible for reviewing Commonwealth software security standards and complying with those standards.
- (e) The Commonwealth may, at any time, audit, by a means deemed appropriate by the Commonwealth, any computing devices being used by representatives of the Contractor to provide services to the Commonwealth for the sole purpose of determining whether those devices have anti-virus software with current virus signature files and the current minimum operating system patches or workarounds have been installed. Devices found to be out of compliance will immediately be disconnected and will not be permitted to connect or reconnect to the Commonwealth network until the proper installations have been made.

Appendix E, CONTRACT TERMS AND CONDITIONS

- (f) The Contractor may use the anti-virus software used by the Commonwealth to protect Contractor's computing devices used in the course of providing services to the Commonwealth. It is understood that the Contractor may not install the software on any computing device not being used to provide services to the Commonwealth, and that all copies of the software will be removed from all devices upon termination of this Contract.
- (g) The Commonwealth will not be responsible for any damages to the Contractor's computers, data, software, etc. caused as a result of the installation of the Commonwealth's anti-virus software or monitoring software on the Contractor's computers.
 - (i) Notwithstanding any other provision in this Contract to the contrary, if the Contractor or any of its employees, subcontractors or consultants introduces a virus or malicious, mischievous or destructive programming into the Commonwealth's software or computer networks and has failed to comply with the Commonwealth software security standards, and provided further that the Commonwealth can demonstrate that the virus or malicious, mischievous or destructive programming was introduced by the Contractor or any of its employees, subcontractors or consultants, the Contractor shall be liable for any damage to any data and/or software owned or licensed by the Commonwealth. The Contractor shall be liable for any damages incurred by the Commonwealth including, but not limited to, the expenditure of Commonwealth funds to eliminate or remove a computer virus or malicious, mischievous or destructive programming that result from the Contractor's failure to take proactive measures to keep virus or malicious, mischievous or destructive programming from originating from the Contractor, its servants, agents or employees through appropriate firewalls and maintenance of anti-virus software and software security updates (such as operating systems security patches, etc.). In the event of destruction or modification of software, the Contractor shall eliminate the virus, malicious, mischievous or destructive programming, restore the Commonwealth's software, and be liable to the Commonwealth for any resulting damages. The Contractor shall be responsible for reviewing Commonwealth software security standards in effect at the commencement of the Contract and complying with those standards. The Contractor's liability shall cease if the Commonwealth has not fully complied with its own software security standards.
 - (ii) The Contractor shall perform a security scan on any software or computer program developed by the Contractor or its subcontractors in a country other than the United States of America that may come in contact with the Commonwealth's software or computer networks. Contractor shall perform such security scan prior to introducing any such software or computer program into a Commonwealth development environment, test environment or production environment. The results of these security

Appendix E, CONTRACT TERMS AND CONDITIONS

scans will be provided to the Commonwealth prior to installing into any Commonwealth development environment, test environment or production environment. The Commonwealth may perform, at its discretion, additional security scans on any software or computer program prior to installing in a Commonwealth environment as listed above.

- (iii) The Commonwealth may, at any time, audit, by a means deemed appropriate by the Commonwealth, any computing devices being used by representatives of the Contractor to provide services to the Commonwealth that will be connected to a Commonwealth network for the sole purpose of determining whether those devices have anti-virus software with current virus signature files and the current minimum operating system patches or workarounds have been installed. Devices found to be out of compliance will immediately be disconnected and will not be permitted to connect or reconnect to the Commonwealth network until the proper installations have been made. The Commonwealth shall not install any software or monitoring tools on the Contractor's equipment without the Contractor's written consent to do so.
- (iv) The Contractor may use the anti-virus software used by the Commonwealth to protect Contractor's computing devices used in the course of providing services to the Commonwealth. It is understood that the Contractor may not install the software on any computing device not being used to provide services to the Commonwealth, and that all copies of the software will be removed from all devices upon termination of this Contract.
- (v) Neither the Commonwealth nor the Issuing Agency will be responsible for any damages to the Contractor's computers, data, software, etc. caused as a result of the installation of the Commonwealth's anti-virus software or monitoring software on the Contractor's computers.

V.56. CONTRACT-042.1 Installment Purchase Additional Terms and Conditions (Oct 2013)

To the extent that the Contractor offers the Commonwealth or any purchasing agency ("Purchaser") the option to pay for any items covered by the Contract in installments over time, these Installment Purchase Terms And Conditions shall, in addition to the other terms and conditions of the Contract, govern the installment purchase, except to the extent the Contractor assigns an Installment Purchase to an Initial Assignee, in which case the Initial Assignee shall be bound to the obligations of the Contractor only as specified in these Installment Purchase Terms and Conditions. If a Purchaser desires to purchase items on an installment basis, the Purchaser shall indicate its Installment Purchase election on the PO issued to the Contractor ("Installment Purchase PO"). By issuing an Installment Purchase PO, the Purchaser explicitly agrees to these Installment Purchase Terms and Conditions. Any items covered by an Installment Purchase shall be called "Installment Items" in these Installment Purchase Terms and Conditions. To the extent

Appendix E, CONTRACT TERMS AND CONDITIONS

that there is a conflict between the other terms and conditions of the Contract and these Installment Purchase Terms and Conditions, these Installment Purchase Terms and Conditions shall prevail to the extent that the Purchaser has elected an Installment Purchase option.

(a) Term of Installment Purchase

The Contractor may provide any Installment Items under the Contract for any term up to **60 months**. The Purchaser shall identify the term selected on the Installment Purchase PO. The Installment Purchase term shall commence on the date the Purchaser accepts the Installment Items by executing the Acceptance Certificate, and the term shall continue for the length specified on the Installment Purchase PO. **The form of the Acceptance Certificate is attached as Appendix _____ to the IFB.**

If the Contractor delivers the Contract items in more than one delivery, unless otherwise specified in the Specifications for this procurement, the Purchaser will provide separate acceptance certificates for each delivery of the items, and the Purchaser will make separate payments for the Contract items corresponding to the amount of Contract items delivered and accepted **30 days** prior to the payment due date.

(b) Payments

- (i) Full Term Intention. The Purchaser shall pay the applicable monthly payment for the Installment Items. The Purchaser shall continue payment for the full Installment Purchase term, unless the Purchaser terminates the Installment Purchase, either for Contractor default as set forth in the Default provision of the Contract or for non-appropriation of funds as specified in this section.
- (ii) Non-Appropriation. The Purchaser's obligation is payable only and solely from funds allotted for the purpose of the Installment Purchase. If sufficient funds are not appropriated for continuation of performance under any Installment Purchase for any fiscal year subsequent to the one in which the Purchaser issued the Installment Purchase PO, the Purchaser may return the Installment items to the Contractor/Initial Assignee (as applicable), and thereafter the Contractor/Initial Assignee will release the Purchaser of all further obligations under the Installment Purchase, provided:
 - (1) The Purchaser delivers unencumbered title to the Installment items to the contractor or Initial Assignee (if applicable);
 - (2) The Purchaser returns the Installment items to the Contractor/Initial Assignee in good condition, reasonable wear and tear excepted; and

Appendix E, CONTRACT TERMS AND CONDITIONS

- (3) The Purchaser gives **30 days** written notice of the failure of appropriations to the Contractor/Initial Assignee, along with a certification that the Installment Items are not being replaced by similar items from another vendor. In the event the Purchaser returns the Installment Items for failure of appropriations, the Purchaser shall pay all amounts then due under the Installment Purchase through the end of the fiscal year for which sufficient funds were appropriated for the Installment Purchase.

(c) **Title and Security Interest**

- (i) The title to the Installment Items shall pass to the Purchaser at the time and place of delivery to the Purchaser of each unit of equipment. The Contractor or its Initial Assignee shall have a purchase money security interest in the Installment Items until payment of all installments as set forth in the payment schedule are made, or if the Purchaser prepays its installments, upon payment of the agreed amount between the Contractor and the Purchaser as set forth in Subsection (i) of this Section.
 - (1) Upon payment of the final installment or other concluding payment option, neither the Contractor nor its assignee shall have any further interest in the Installment Items.
 - (2) The Installment Items shall remain personal property and shall not become a fixture or affixed to real property without consent of the Contractor/assignee.
 - (3) At the request of the Contractor or Initial Assignee, the Purchaser will join the Contractor/assignee in executing one or more UCC-1 financing statements.
 - (4) The Purchaser will keep the Installment Items free and clear of all encumbrances except the Contractor's/assignee's security interest.

(d) **Use and Location of, And Alteration to Installment Items**

The Purchaser shall keep the Installment Items within the confines of the Commonwealth of Pennsylvania and shall inform the Contractor/Initial Assignee upon request of the location of the Installment Items. The Purchaser, at its own cost and expense, shall maintain the Installment Items in good operating condition and will not use or deal with the Installment Items in any manner which is inconsistent with the terms of the Contract or any applicable laws and regulations. The Purchaser agrees not to misuse, abuse, or waste the Installment Items and the Purchaser will not allow the Installment Items to deteriorate, except for ordinary wear and tear resulting from their intended use. No alterations, changes, or

Appendix E, CONTRACT TERMS AND CONDITIONS

modifications to the Installment Items shall be made without the approval of the Contractor/Initial Assignee.

(e) **Assumption of Risks**

(i) The Purchaser shall, after acceptance of the Installment Items, assume and bear the risk of damage to, or loss or theft of, the Installment Items (including all component parts) from any cause other than action or inaction of the Contractor/assignee. The loss or damage of the Installment Items shall not impair any obligation of the Purchaser under these Installment Purchase Terms and Conditions, which shall continue in full force and effect. In the event that all or part of the Installment Items shall, as a result of the above-mentioned causes, become, in the Purchaser's reasonable determination, lost, stolen, destroyed, rendered unusable, or irreparably damaged, then the Purchaser shall notify the Contractor/assignee in writing. At its option, the Purchaser shall elect either:

- (1) to replace the equipment either like equipment, or
- (2) to pay pro rata to the Contractor/assignee all payments then currently due according to the payment schedule, plus the pro rata principal portion of any remaining installments. The "pro rata principal portion of remaining installment payments" is that percentage of the principal portion of remaining installment payments as of the date of payment that the cost of the units of the equipment lost, stolen, destroyed, or rendered irreparably unusable or damaged bears to the total cost of the equipment determined by the amounts set forth in the field purchase order.
- (3) The Purchaser assumes all risks and liabilities for injury to or death of any person, or damage to any property, arising out of the Purchaser's possession, use, operation, condition, or storage of any Installment Items, as more fully set forth in Paragraph (i) of Subsection (g) of this Section.
- (4) The Purchaser agrees to insure the Installment Items as provided under Paragraph (ii) of Subsection (g) of this Section.

(f) **Warranties**

- (i) The Purchaser shall have the benefit of any and all manufacturer or supplier warranties for the Installment Items.
- (ii) The Contractor/Initial Assignee and any subsequent assignee warrants that neither the Contractor/Initial Assignee or subsequent assignee, nor anyone

Appendix E, CONTRACT TERMS AND CONDITIONS

acting or claiming through these parties by assignment or otherwise, will interfere with the Purchaser's quiet enjoyment of the Installment Items so long as no event of default as defined in Subsection (j) of this Section shall have occurred and be continuing.

(g) **Liability**

- (i) The Purchaser assumes all risks and liabilities for injury to or death of any person or damage to any property, arising out of the Purchaser's possession, use, operation, condition, or storage of any Installment Item, whether such injury or death be of agents or employees of the Purchaser or of third parties, and whether such property damage be to the Purchaser's property or the property of others; provided, however, that the damage or injury results from the action or inaction of the Purchaser, its agents or employees, and provided that judgment has been obtained against the Purchaser, its agents or employees. This provision shall not be construed to limit the governmental immunity of any Purchaser.
- (ii) The Purchaser shall, during the Installment Purchase term, either self-insure or purchase insurance to cover the risks it has assumed under Paragraph (i) of this Subsection, including but not limited to risks of public liability and property damage.

(h) **Assignment**

- (i) The Purchaser shall not assign any Installment Purchase PO or other interest in the Installment items without the prior written consent of the Contractor or its assignee. The Contractor may assign, and/or grant security interests in whole or in part in, the Installment Purchase to an Initial Assignee, who in turn may further assign and/or grant a security interest in an Installment Purchase to a subsequent assignee without the Purchaser's consent. Any other Contractor assignment shall require the Purchaser's prior written consent. Upon written notice to the Purchaser, the Contractor may assign payments under any Installment Purchase to a third party.
- (ii) The Contractor may assign, without DGS or Purchaser consent, any Installment Purchase PO to a third party ("Initial Assignee") who will fund the purchase of the Installment Items. The Initial Assignee may take title to, and assume the right to receive all payments for, the Installment Items. The Contractor shall notify the Purchaser of any Installment Purchase PO assignment in its acknowledgment of the Installment Purchase PO to the Purchaser, providing the Purchaser with a copy of the assignment agreement between the Contractor and the Initial Assignee.

Appendix E, CONTRACT TERMS AND CONDITIONS

- (iii) Notwithstanding any provisions to the contrary in the Contract, in the event of an assignment to an Initial Assignee, the Initial Assignee shall be bound only to the Contractor's obligations specified in these Installment Purchase Terms and Conditions. An Initial Assignee shall not be responsible for any of the Contractor's additional representations, warranties, covenants, or obligations under the Contract Documents. By issuing an Installment Purchase PO, the Purchaser waives any claims it may have under the Installment Purchase against the Initial Assignee for any loss, damage, or expense caused by, defect in, or use or maintenance of any Installment Item. The Purchaser acknowledges that the Initial Assignee is not the supplier of the Installment Items and is not responsible for their selection or installation. After the ordering Purchaser executes, and the Initial Assignee receives, an acceptance certificate in the form attached to these Installment Purchase Terms and Conditions, if any portion of the Installment Items is unsatisfactory for any reason, the ordering Purchaser shall, nevertheless, continue to make payments under the applicable Installment Purchase terms and shall make any claim against the Contractor or the manufacturer, not against the Initial Assignee or any subsequent assignee of the Initial Assignee.
- (iv) After a Purchaser executes and the Initial Assignee receives an acceptance certificate:
 - (1) The Purchaser shall, regardless of whether any portion of the Installment Items is unsatisfactory for any reason, nevertheless, continue to make payments under the applicable Installment Purchase and shall make any claim relating to the Installment Items against the Contractor or the manufacturer, not against the Initial Assignee or any subsequent assignee; and
 - (2) The rights of the Initial Assignee and any subsequent assignee to receive payments are absolute and unconditional and shall not be affected by any defense or right of set-off.
- (v) Warranty Disclaimer

IN THE EVENT THE CONTRACTOR ASSIGNS AN INSTALLMENT PURCHASE TO AN INITIAL ASSIGNEE, SUCH INITIAL ASSIGNEE AND ANY SUBSEQUENT ASSIGNEE MAKE NO WARRANTY (OTHER THAN A WARRANTY OF QUIET ENJOYMENT OF THE INSTALLMENT ITEMS), EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. AS TO THE INITIAL ASSIGNEE AND ANY SUBSEQUENT ASSIGNEE, THE PURCHASER TAKES THE EQUIPMENT AND ANY FINANCED ITEM "AS IS." IN NO

Appendix E, CONTRACT TERMS AND CONDITIONS

EVENT SHALL THE INITIAL ASSIGNEE OR ANY SUBSEQUENT ASSIGNEE HAVE ANY LIABILITY FOR, NOR SHALL THE PURCHASER HAVE ANY REMEDY AGAINST, THE INITIAL ASSIGNEE OR ANY SUBSEQUENT ASSIGNEE FOR CONSEQUENTIAL DAMAGES, LOSS OF SAVINGS, OR LOSS OF USE.

(i) **Financing and Prepayment**

- (i) If the Contractor is not the supplier of the Installment Items, the Contractor will pay the charges for the Installment Items directly to the supplier. In the event the Contractor assigns the Installment Purchase to an Initial Assignee, the Initial Assignee will pay the charges directly to the Contractor or the supplier, as applicable. If the Contractor has assigned payments under the Installment Purchase to an Initial Assignee, the Purchaser's obligation to make payments for the Installment Items for which the Purchaser has executed and delivered acceptance certificates shall not be affected by any discontinuance, return, or destruction of any license or licensed program materials, or by any Purchaser dissatisfaction with any Installment Item.
- (ii) The Purchaser may at any time elect to prepay its remaining Installment Purchase payments. The Purchaser shall provide notice of the intended prepayment date, which shall be at least **one month** after the date of the notice. Depending on market conditions at the time, the Contractor/Initial Assignee may reduce the balance of the remaining payments to reflect the requested prepayment and shall advise the Purchaser of the balance to be paid.
- (iii) If the Purchaser purchases Contract items related to an Installment Item prior to the expiration of the Installment Purchase terms, or if the Installment Purchase is terminated for any reason except non-appropriation as described in Subsection (b) of these Installment Purchase Terms and Conditions, and if the Installment Item has been delivered and the Purchaser has executed and delivered to the Contractor an acceptance certificate, the Purchaser shall prepay such Installment Item.

(j) **Remedies for Default**

- (i) If the Purchaser does not make a required payment within **30 days** after its due date and such nonpayment continues for **15 days** after receipt of written notice from the Contractor/Initial Assignee that the Purchaser is delinquent in payment, if the Purchaser breaches any other provision under these Terms and Conditions and such breach continues for **15 days** after receipt of written notice of the breach from the Contractor/Initial Assignee, or if the Purchaser files any petition or proceeding (or has a

Appendix E, CONTRACT TERMS AND CONDITIONS

petition or proceeding filed against it) under any bankruptcy, insolvency, or similar law, the Contractor/Initial Assignee may pursue and enforce the following remedies, individually or collectively:

- (1) Terminate the applicable Installment Purchase.
 - (2) Take possession of any or all Contract items in the Purchaser's possession, without any court order or other process of law. For such purpose, upon written notice of its intention to do so, the Contractor or its assignee may enter upon the premises where the Contract items may be and remove and repossess the Contract items, from the premises without being liable to the Purchaser in any action or legal proceedings. The Contractor/assignee may, at its option, sell the repossessed Contract items at public or private sale for cash or credit. The Purchaser shall be liable for the Contractor's/assignee's expenses of retaking possession, including without limitation the removal of the Contract items and placing the Contract items in good operating condition (if not in good operating condition at the time of removal) in accordance with the manufacturer's specifications. Repossessed Contract items shall include only those items that were purchased under the Installment Purchase.
 - (3) Recover from the Purchaser all payments then due, plus the net present value of the amount of the remaining payments. The present value of such remaining payments shall be calculated using a discount rate equal to the average of the weekly two- and three-year Treasury Constant Maturities published by the Federal Reserve Board for the last calendar week of the month preceding the contractor's/assignee's termination of the applicable Installment Purchase. The Treasury Constant Maturities are published in Statistical Release H.15 and may be accessed via the Federal Reserve Board's Internet website.
- (ii) In the event of Contractor default under the Default provision of the Contract, the Purchaser may pursue one or more of the following remedies:
- (1) If the payments under the Installment Purchase have been assigned to an Initial Assignee, the Purchaser shall continue to make payments for those Contract Items which have been delivered and for which the Purchaser has provided acceptance certificates to the Contractor/Initial Assignee.
 - (2) The Purchaser may cancel, without liability for payment, its order for any Contract items which have not been delivered and for

Appendix E, CONTRACT TERMS AND CONDITIONS

which it has not issued acceptance certificates. In this instance, the amount of the Contract payments will be recalculated to take into consideration and pay for the actual number of Contract items which were delivered and accepted. If no Installment items have been delivered and accepted, the Purchaser may terminate the Installment Purchase without liability for any payment.

- (3) If payments have not been assigned, the Purchaser may set off or counterclaim any and all damages incurred by the Purchaser as a result of the contractor's default against its obligation to make payments.

(k) **Compliance with Internal Revenue Code**

- (i) Tax Exempt Financing. If it intends to provide tax exempt financing, the Contractor/Initial Assignee must file, in timely fashion, any reports the Internal Revenue Service may require with respect to the order under the Internal Revenue Code (IRC). The Purchaser shall cooperate with the Contractor/Initial Assignee in the preparation and execution of these documents. The Purchaser shall also keep a copy of each notification of assignment with the Purchaser's counterpart of the order and shall not, during the Installment Purchase term, permit the Installment Items to be directly or indirectly used for a private business use within the meaning of Section 141 of the IRC.
- (ii) Governmental Status. Eligible Purchasers include State entities or political subdivisions of a State for the purpose of Section 103(a) of the IRC as well as tax exempt non-profit corporations and entities under 501(c)(4) of the IRC. Any misrepresentation of a Purchaser's status under the IRC shall constitute an event of default by the Purchaser. If the Internal Revenue Service rules that the Purchaser does not so qualify under either Section 103(a) or 501(c)(4) of the IRC, or if the Purchaser fails to cooperate with the Contractor/Initial Assignee in the preparation and execution of any reports required under Section 124 or 149 of the IRC (including 8038G and 8038GC forms), the Purchaser will, upon demand, pay the Contractor/Initial Assignee a sum the Contractor/Initial Assignee determines sufficient to return the Contractor/Initial Assignee to the economic status it would otherwise have received.

(l) **Governing Law**

All Purchases made under these Installment Purchase Terms and Conditions shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania, except that the parties agree that Article 2A of the Uniform Commercial Code shall not apply or govern transactions under these Installment Purchase Terms and Conditions.

Appendix E, CONTRACT TERMS AND CONDITIONS

(m) Notices

Service of all notices under these Installment Purchase Terms and Conditions shall be sufficient if delivered to the Purchaser at the address set forth in the applicable Installment Purchase PO, or to the Contractor/Initial Assignee at the address set forth in its acknowledgment of the Installment Purchase PO, including any attached document. Notices by mail shall be effective when deposited in the U.S. mail, properly addressed, with sufficient paid postage. Notices by hand or by overnight courier shall be effective when actually received.

V.57. CONTRACT-043.1-1 Leasing Additional Terms and Conditions (Oct 2013)

To the extent that the Contractor offers the Commonwealth or any purchasing agency (“Lessee”) the option to lease any items covered by the Contract, these Leasing Terms And Conditions shall, in addition to the other terms and conditions of the Contract, govern the Lease, except to the extent the Contractor assigns a Lease to an Initial Assignee, in which case the Initial Assignee shall be bound to the obligations of the Contractor only as specified in these Leasing Terms and Conditions. If a Lessee desires to lease contract items, the Lessee shall indicate its leasing election on the PO issued to the Contractor (“Lease PO”). By issuing a Lease PO, the Lessee explicitly agrees to these Leasing Terms and Conditions. Any items covered by a Lease shall be called “Leased Property” in these Leasing Terms and Conditions. To the extent that there is a conflict between the other terms and conditions of the Contract and these Leasing Terms and Conditions, these Leasing Terms and Conditions shall prevail to the extent that the Lessee has elected a leasing option.

(a) Term of Lease

The Contractor may provide any Leased Property under the Contract for any term up to **60 months**, including a Fair Market Value Option for Lease/Purchases. The Lessee shall identify the term selected, as well as its election of either a Lease or Lease/Purchase option, on the Lease PO. The Lease term shall commence on the date the Lessee accepts the Leased Property by executing the Acceptance Certificate, and the term shall continue for the length specified on the Lease PO. The form of the Acceptance Certificate is attached as **Appendix ___** to the RFP.

If the Contractor delivers the Leased Property in more than one delivery, unless otherwise specified in the Specifications for this procurement, the Lessee will provide separate acceptance certificates for each delivery of the items, and the Lessee will make periodic payments for the Leased Property corresponding to the amount of the Leased Property delivered and accepted **30 days** prior to the payment due date.

(b) Payments

Appendix E, CONTRACT TERMS AND CONDITIONS

- (i) Full Term Intention. The Lessee shall pay the applicable monthly or annual rent payment for the Leased Property for the full Lease term, unless the Lessee terminates the Lease, either for Contractor default as set forth in the Default provision of the Contract or for non-appropriation of funds as specified in this section.

- (ii) Non-appropriation. The Lessee's obligation is payable only and solely from funds allotted for the purpose of the Lease. If sufficient funds are not appropriated for continuation of performance under any Lease for any fiscal year subsequent to the one in which the Lessee issued the Lease PO, the Lessee may return the Leased Property to the Contractor/Initial Assignee (as applicable), and thereafter the Contractor/Initial Assignee shall release the Lessee of all further obligations under the Lease, provided:
 - (1) The Lessee delivers unencumbered title to the Leased Property to the Contractor or Initial Assignee (if applicable);
 - (2) The Lessee returns the Leased Property to the Contractor/Initial Assignee in good condition, reasonable wear and tear excepted; and
 - (3) The Lessee gives **30 days** written notice of the failure of appropriations to the Contractor/Initial Assignee, along with a certification that the Leased Property is not being replaced by similar items from another vendor. In the event the Lessee returns the Leased Property for failure of appropriations, the Lessee shall pay all amounts then due under the Lease through the end of the fiscal year for which sufficient funds were appropriated for the Lease.

- (c) **Title**
 - (i) Title to the Leased Property shall not pass to the Lessee but shall remain in the Contractor or Initial Assignee, whichever applies; except in the case of a Lease/Purchase, the title shall pass to the Lessee upon payment of the final installment or other concluding payment option.
 - (1) Upon payment of the final installment or other concluding payment option, neither the Contractor nor its assignee shall have any further interest in the Leased Property.
 - (2) The Leased Property shall remain personal property and shall not become a fixture or affixed to real property without consent of the Contractor/assignee.

Appendix E, CONTRACT TERMS AND CONDITIONS

- (3) At the request of the Contractor or Initial Assignee, the Lessee will join the Contractor/assignee in executing one or more UCC-1 financing statements.
- (4) The Lessee will keep the Leased Property free and clear of all encumbrances except the Contractor's/assignee's security interest.

(d) Use And Location Of, and Alteration to Leased Property

The Lessee shall keep the Leased Property within the confines of the Commonwealth of Pennsylvania and shall inform the Contractor/Initial Assignee upon request of the location of the Leased Property. The Lessee, at its own cost and expense, shall maintain the Leased Property in good operating condition and will not use or deal with the Leased Property in any manner which is inconsistent with the terms of the Contract or any applicable laws and regulations. The Lessee agrees not to misuse, abuse, or waste the Leased Property and the Lessee will not allow the Leased Property to deteriorate, except for ordinary wear and tear resulting from their intended use. No alterations, changes, or modifications to the Leased Property shall be made without the approval of the Contractor/Initial Assignee.

(e) Risk of Loss

The Contractor shall assume and bear the risk of loss or damage to, or theft of, the Leased Property and all component parts while the Leased Property or parts are in the Lessee's possession, unless the Lessee could have prevented such loss, damage, or theft by exercising reasonable care or diligence in the use, protection, or care of the Leased Property or parts. No loss or damage to the Leased Property or parts shall impair any Contractor or Lessee obligation under the Lease, except as expressly provided in these Leasing Terms and Conditions. If the damage could not have been prevented by the Lessee's exercise of reasonable care or diligence, and the Contractor determines the Leased Property or parts can be economically repaired, the Contractor shall repair or cause to be repaired all damages to the Leased Property or their parts. In the event that the any of the Leased Property or their parts are stolen or destroyed, or if in the Contractor's opinion they are rendered irreparable, unusable, or damaged, the affected Leased Property shall be considered a total loss and the Lease shall terminate as to that Leased Property, and the Lessee's obligation to pay rent for the affected Leased Property shall be deemed to have ceased as of the date of the loss.

(f) Warranties

- (i) The Lessee shall have the benefit of any and all manufacturer or supplier warranties for the Leased Property during the Lease term.

Appendix E, CONTRACT TERMS AND CONDITIONS

- (ii) The Contractor/Initial Assignee and any subsequent assignee warrants that neither the Contractor/Initial Assignee or subsequent assignee, nor anyone acting or claiming through these parties by assignment or otherwise, will interfere with the Lessee's quiet enjoyment of the Leased Property so long as no event of default as defined in Subsection (j) of this Section shall have occurred and be continuing.

(g) **Liability**

- (i) The Lessee assumes all risks and liabilities for injury to or death of any person or damage to any property, arising out of the Lessee's possession, use, operation, condition, or storage of any Leased Property, whether such injury or death be of agents or employees of the Lessee or of third parties, and whether such property damage be to the Lessee's property or the property of others; provided, however, that the damage or injury results from the action or inaction of the Lessee, its agents or employees, and provided that judgment has been obtained against the Lessee, its agents or employees. This provision shall not be construed to limit the governmental immunity of any Lessee.
- (ii) The Lessee shall, during the Lease term, either self-insure or purchase insurance to cover the risks it has assumed under Paragraph (i) of this Subsection, including but not limited to risks of public liability and property damage.

(h) **Assignment**

- (i) The Lessee shall not assign any Lease PO or other interest in the Leased Property without the prior written consent of the Contractor or its assignee. The Contractor may assign, and/or grant security interests in whole or in part in, the Lease PO and Leased Property to an Initial Assignee, who in turn may further assign and/or grant a security interest in a Lease to a subsequent assignee without the Lessee's consent. Any other Contractor assignment shall require the Lessee's prior written consent. Upon written notice to the Lessee, the Contractor may assign payments under any Lease to a third party.
- (ii) The Contractor may assign, without Lessee consent, any Lease PO to a third party ("Initial Assignee") who will fund the purchase of the Leased Property. The Initial Assignee may take title to, and assume the right to receive all rental payments for, the Leased Property. The Contractor shall notify the Lessee of any Lease PO assignment in its acknowledgment of the Lease PO to the Lessee, providing the Lessee with a copy of the assignment agreement between the Contractor and the Initial Assignee.

Appendix E, CONTRACT TERMS AND CONDITIONS

- (iii) Notwithstanding any provisions to the contrary in the Contract, in the event of an assignment to an Initial Assignee, the Initial Assignee shall be bound only to the Contractor's obligations specified in these Leasing Terms and Conditions. An Initial Assignee shall not be responsible for any of the Contractor's additional representations, warranties, covenants, or obligations under the Contract Documents. By issuing a Lease PO, the Lessee waives any claims it may have under the Lease against the Initial Assignee for any loss, damage, or expense caused by, defect in, or use or maintenance of any Leased Property. The Lessee acknowledges that the Initial Assignee is not the supplier of the Leased Property and is not responsible for their selection or installation. After the ordering Lessee executes, and the Initial Assignee receives, an Acceptance Certificate, if any portion of the Leased Property is unsatisfactory for any reason, the ordering Lessee shall, nevertheless, continue to make payments under the applicable Lease terms and shall make any claim against the Contractor or the manufacturer, not against the Initial Assignee or any subsequent assignee of the Initial Assignee.
- (iv) After a Lessee executes and the Initial Assignee receives an Acceptance Certificate:
 - (1) The Lessee shall, regardless of whether any portion of the Leased Property is unsatisfactory for any reason, nevertheless, continue to make payments under the applicable Lease and shall make any claim relating to the Leased Property against the Contractor or the manufacturer, not against the Initial Assignee or any subsequent assignee; and
 - (2) The rights of the Initial Assignee and any subsequent assignee to receive rental payments are absolute and unconditional and shall not be affected by any defense or right of set-off.
- (v) Warranty Disclaimer

IN THE EVENT THE CONTRACTOR ASSIGNS A LEASE TO AN INITIAL ASSIGNEE, SUCH INITIAL ASSIGNEE AND ANY SUBSEQUENT ASSIGNEE MAKE NO WARRANTY (OTHER THAN A WARRANTY OF QUIET ENJOYMENT OF THE LEASED PROPERTY), EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. AS TO THE INITIAL ASSIGNEE AND ANY SUBSEQUENT ASSIGNEE, THE LESSEE TAKES THE LEASED PROPERTY "AS IS". IN NO EVENT SHALL THE INITIAL ASSIGNEE OR ANY SUBSEQUENT ASSIGNEE HAVE ANY LIABILITY FOR, NOR SHALL THE LESSEE HAVE ANY REMEDY

Appendix E, CONTRACT TERMS AND CONDITIONS

AGAINST, THE INITIAL ASSIGNEE OR ANY SUBSEQUENT ASSIGNEE FOR CONSEQUENTIAL DAMAGES, LOSS OF SAVINGS, OR LOSS OF USE.

(i) **Financing and Prepayment**

- (i) If the Contractor is not the supplier of the Leased Property, the Contractor will pay the charges for the Leased Property directly to the supplier. In the event the Contractor assigns the Lease to an Initial Assignee, the Initial Assignee will pay the charges directly to the Contractor or the supplier, as applicable. If the Contractor has assigned rental payments under the Lease to an Initial Assignee, the Lessee's obligation to make rental payments for the Leased Property for which the Lessee has executed and delivered acceptance certificates shall not be affected by any discontinuance, return, or destruction of any license or licensed program materials, or by any Lessee dissatisfaction with any Leased Property.
- (ii) The Lessee may at any time terminate the financing for any Leased Property by prepaying its remaining rental payments. The Lessee shall provide notice of the intended prepayment date, which shall be at least **one month** after the date of the notice. Depending on market conditions at the time, the Contractor/Initial Assignee may reduce the balance of the remaining rental payments to reflect the requested prepayment and shall advise the Lessee of the balance to be paid.
- (iii) If the Lessee purchases Contract items related to Leased Property prior to the expiration of the Lease term, or if the Lease is terminated for any reason except non-appropriation as described in Subsection (b) of this Section, and if the Leased Property has been delivered and the Lessee has executed and delivered to the Contractor an acceptance certificate, the Lessee shall prepay such Leased Property.

(j) **Remedies for Default**

- (i) If the Lessee does not make a required payment within **30 days** after its due date and such nonpayment continues for **15 days** after receipt of written notice from the Contractor/Initial Assignee that the Lessee is delinquent in payment, if the Lessee breaches any other provision under these Leasing Terms and Conditions and such breach continues for **15 days** after receipt of written notice of the breach from the Contractor/Initial Assignee, or if the Lessee files any petition or proceeding (or has a petition or proceeding filed against it) under any bankruptcy, insolvency, or similar law, the Contractor/Initial Assignee may pursue and enforce the following remedies, individually or collectively:

Appendix E, CONTRACT TERMS AND CONDITIONS

- (1) Terminate the applicable Lease.
 - (2) Take possession of any or all Leased Property in the Lessee's possession, without any court order or other process of law. For such purpose, upon written notice of its intention to do so, the Contractor or its assignee may enter upon the premises where the Leased Property may be and remove and repossess the Leased Property, from the premises without being liable to the Lessee in any action or legal proceedings. The Contractor/assignee may, at its option, sell the repossessed Leased Property at public or private sale for cash or credit. The Lessee shall be liable for the Contractor's/assignee's expenses of retaking possession, including without limitation the removal of the Leased Property and placing the Leased Property in good operating condition (if not in good operating condition at the time of removal) in accordance with the manufacturer's specifications. Repossessed Leased Property shall include only those items that were leased or lease/purchased under the Lease.
 - (3) Recover from the Lessee all rental payments then due, plus the net present value of the amount of the remaining rental payments. The present value of such remaining rental payments shall be calculated using a discount rate equal to the average of the weekly two- and three-year Treasury Constant Maturities published by the Federal Reserve Board for the last calendar week of the month preceding the contractor's/assignee's termination of the applicable Lease. The Treasury Constant Maturities are published in Statistical Release H.15 and may be accessed via the Federal Reserve Board's Internet website.
- (ii) In the event of Contractor default under the Default provision of the Contract, the Lessee may pursue one or more of the following remedies:
- (1) If the rental payments under the Lease have been assigned to an Initial Assignee, the Lessee shall continue to make payments for that Leased Property which has been delivered and for which the Lessee has provided acceptance certificates to the Contractor/Initial Assignee.
 - (2) The Lessee may cancel, without liability for payment, its order for any Leased Property which has not been delivered and for which it has not issued acceptance certificates. In this instance, the amount of the rental payments will be recalculated to take into consideration and pay for the actual amount of Leased Property which was delivered and accepted. If no Leased Property has been

Appendix E, CONTRACT TERMS AND CONDITIONS

delivered and accepted, the Lessee may terminate the Lease without liability for any payment.

- (3) If payments have not been assigned, the Lessee may set off or counterclaim any and all damages incurred by the Lessee as a result of the Contractor's default against its obligation to make rental payments.

(k) **Purchase Option**

If the Lessee is not in default, it shall have the right at the expiration of the Lease term to buy the Leased Property "as is with no additional warranty" by tendering the purchase option amount the parties have established. For any Lease with a Fair Market Value Option, the fair market value of the equipment shall be established by the Contractor/Initial Assignee and shall not exceed the then-current purchase price of the Leased Property as established in the Contract. Upon the Lessee's exercise of a purchase option and payment of the required amount to the Contractor/Initial Assignee, all right, title, and interest in the Leased Property shall pass to the Lessee.

(l) **Extension**

If the Lessee does not elect to purchase the Leased Property at the expiration of a Lease term, and the Lessee is not in default under the Lease, the Lessee may elect to extend the Lease by written notification to the Contractor/Initial Assignee. The Lessee will make any elective extension under the same Leasing Terms and Conditions, including any rent payable (not less than fair market rental value), and will continue until the earlier of termination by either party upon **one month's** prior written notice, or **five years** from the date of installation.

(m) **Return of Leased Property**

At the expiration or termination of a Lease for any Leased Property, or upon Contractor/Initial Assignee demand pursuant to Subsection (j) of this Section, the Lessee shall promptly return the Leased Property, freight prepaid, to any location in the continental United States specified by the Contractor/Initial Assignee. The Lessee shall pay the required rent for the Leased Property until they have been shipped to the Contractor.

- (i) Since DGS has, as a matter of policy, determined that all hard drives contain information that is confidential or sensitive, the Contractor shall, at its discretion, either remove and destroy any hard drive from the Leased Property or clean the hard drive to Office of Administration/U.S. Department of Defense standards, and the Contractor shall provide written certification to the Lessee that the hard drive has been destroyed or

Appendix E, CONTRACT TERMS AND CONDITIONS

cleaned to Office of Administration/U.S. Department of Defense standards.

- (ii) Except in the event of a total loss of any or all Leased Property as described in Subsection (e) of this Section, and except for any costs associated with the removal, destruction, and cleaning of any hard drives, the Lessee shall pay any costs the Contractor/Initial Assignee incurs to restore the Leased Property to good operating condition in accordance with the Contract specifications. All parts the Contractor/Initial Assignee may remove and replace shall become the Contractor's/Initial Assignee's property.
- (iii) The Contractor's/Initial Assignee's costs associated with the cleaning of any hard drive to Office of Administration/U.S. Department of Defense standards and the removal and destruction of any hard drive(s) shall be included in the rental amount. The Lessee shall not be required to pay additional charges for the Contractor's/Initial Assignee's cleaning of a hard drive to Office of Administration/U.S. Department of Defense standards nor for the Contractor's/Initial Assignee's removal and destruction of any hard drive(s) upon the return of a Leased item.

(n) **Compliance with Internal Revenue Code**

- (i) Tax Exempt Financing. If it intends to provide tax exempt financing, the Contractor/Initial Assignee must file, in timely fashion, any reports the Internal Revenue Service may require with respect to the order under the Internal Revenue Code (IRC). The Lessee shall cooperate with the Contractor/Initial Assignee in the preparation and execution of these documents. The Lessee shall also keep a copy of each notification of assignment with the Lessee's counterpart of the order and shall not, during the Lease term, permit the Leased Property to be directly or indirectly used for a private business use within the meaning of Section 141 of the IRC.
- (ii) Governmental status. Eligible Lessees include State entities or political subdivisions of a State for the purpose of Section 103(a) of the IRC as well as tax exempt non-profit corporations and entities under 501(c)(4) of the IRC. Any misrepresentation of a Lessee's status under the IRC shall constitute an event of default by the Lessee. If the Internal Revenue Service rules that the Lessee does not so qualify under either Section 103(a) or 501(c)(4) of the IRC, or if the Lessee fails to cooperate with the Contractor/Initial Assignee in the preparation and execution of any reports required under Section 124 or 149 of the IRC (including 8038G and 8038GC forms), the Lessee will, upon demand, pay the Contractor/Initial Assignee a sum the Contractor/Initial Assignee determines sufficient to

Appendix E, CONTRACT TERMS AND CONDITIONS

return the Contractor/Initial Assignee to the economic status it would otherwise have received.

(o) **Governing Law**

All Leases made under these Leasing Terms and Conditions shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania, except that the parties agree that Article 2A of the Uniform Commercial Code shall not apply or govern transactions under these Leasing Terms and Conditions.

(p) **Notices**

Service of all notices under these Leasing Terms and Conditions shall be sufficient if delivered to the Lessee at the address set forth in the applicable Lease PO, or to the Contractor/Initial Assignee at the address set forth in its acknowledgment of the Lease PO, including any attached document. Notices by mail shall be effective when deposited in the U.S. mail, properly addressed, with sufficient paid postage. Notices delivered by hand or by overnight courier shall be effective when actually received.

- (b) **Public Liability and Property Damage Insurance** to protect the Commonwealth, the Contractor, and any and all subcontractors from claims for damages for personal injury (including bodily injury), sickness or disease, accidental death and damage to property including the loss of use resulting from any property damage, which may arise from the activities performed under the Contract or the failure to perform under the Contract, whether such performance or non-performance be by the Contractor, by any subcontractor, or by anyone directly or indirectly employed by either. The minimum amounts of coverage shall be **\$250,000** per person and **\$1,000,000** per occurrence for bodily injury, including death, and **\$250,000** per person and **\$1,000,000** per occurrence for property damage. Such policies shall be occurrence rather than claims-made policies and shall not contain any endorsements or any other form designated to limit and restrict any action by the Commonwealth, as an additional insured,

Appendix E, CONTRACT TERMS AND CONDITIONS

against the insurance coverage in regard to work performed for the Commonwealth.

Prior to commencement of the work under the Contract and at each insurance renewal date during the term of the Contract, the Contractor shall provide the Commonwealth with current certificates of insurance. These certificates or policies shall name the Commonwealth as an additional insured and shall contain a provision that the coverage's afforded under the policies will not be cancelled or changed until at least **thirty (30) days** written notice has been given to the Commonwealth.

The Commonwealth shall be under no obligation to obtain such certificates from the Contractor(s). Failure by the Commonwealth to obtain the certificates shall not be deemed a waiver of the Contractor's obligation to obtain and furnish certificates. The Commonwealth shall have the right to inspect the original insurance policies.

V.59. CONTRACT-046.1 Manufacturer's Price Reduction (Oct 2006)

If, prior to the delivery of the awarded item(s) by the Contractor, a price reduction is announced by the original equipment manufacturer, a comparative price reduction will be given to the Commonwealth by the Contractor.

V.60. CONTRACT-051.1 Notice (Dec 2006)

Any written notice to any party under this Contract shall be deemed sufficient if delivered personally, or by facsimile, telecopy, electronic or digital transmission (provided such delivery is confirmed), or by a recognized overnight courier service (e.g., DHL, Federal Express, etc.) with confirmed receipt, or by certified or registered United States mail, postage prepaid, return receipt requested, and sent to following:

- (b) If the Commonwealth needs the Contractor's assistance in any matter arising out of the RTKL related to this Contract, it shall notify the Contractor using the legal contact information provided in this Contract. The Contractor, at any time, may designate a different contact for such purpose upon reasonable prior written notice to the Commonwealth.

Appendix E, CONTRACT TERMS AND CONDITIONS

 - (i) Provide the Commonwealth, within **ten (10) calendar days** after receipt of written notification, access to, and copies of, any document or information in the Contractor's possession arising out of this Contract that the Commonwealth reasonably believes is Requested Information and may be a public record under the RTKL; and

- (e) The Commonwealth will rely upon the written statement from the Contractor in denying a RTKL request for the Requested Information unless the Commonwealth determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should the Commonwealth determine that the Requested Information is clearly not exempt from disclosure, the Contractor shall provide the Requested Information within **five (5) business days** of receipt of written notification of the Commonwealth's determination.
- (f) If the Contractor fails to provide the Requested Information within the time period required by these provisions, the Contractor shall indemnify and hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor's failure, including any statutory damages assessed against the Commonwealth.
- (g) The Commonwealth will reimburse the Contractor for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.

Appendix E, CONTRACT TERMS AND CONDITIONS

As between the parties, the Contractor agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL.

- (i) The Contractor's duties relating to the RTKL are continuing duties that survive the expiration of this Contract and shall continue as long as the Contractor has Requested Information in its possession.

V.62. CONTRACT-053.1 Enhanced Minimum Wage Provisions (July 2022)

V.64. AGENCY-SPECIFIC SENSITIVE AND CONFIDENTIAL COMMONWEALTH DATA (IF APPLICABLE)

- (a) The Contractor understands that its level of access may allow it to view or access highly sensitive and confidential Commonwealth and third party data. This data is subject to various state and federal laws and policies that vary from agency to agency, and from program to program within an agency. If applicable, prior to deployment of the Supplies or Services, the Contractor must receive and sign off on particular instructions and limitations as dictated by that Commonwealth agency, including but not limited to, as necessary, HIPAA Business Associate Agreements. - (d) The requirements of this section are in addition to and not in lieu of other requirements of this Contract, its Exhibits, Appendices and Attachments, having to do with data privacy and security, including but not limited to the requirement that the Contractor comply with all applicable Commonwealth ITPs, which can be found at <https://www.oa.pa.gov/Policies/Pages/itp.aspx>.

IV-1. General Information/Objectives.

- A. General.** The Commonwealth intends to satisfy the need for Enterprise Storage Hardware as well as associated Installation, Service Integration, and Support Services from those interested in submitting bids (Bidders) for this Invitation for Bids (IFB).
- B. Specific.**
1. The Commonwealth intends to award multiple statewide contracts for the procurement of Enterprise Storage Hardware as well as associated Installation, Service Integration, and Support Services to responsive Bidders who meet the requirements of this IFB. The Commonwealth is seeking Bidders who offer the best discounts from the manufacturer's nationally publicized price list and respond to purchase orders in a timely fashion.
 2. Each Bidder shall only propose a single Original Equipment Manufacturers (OEM). Only one Bidder will be awarded per OEM. Of the Contractors, the **lowest total cost** will be chosen as the Best Value Contractor. Bidders awarded Contracts that were not deemed as the Best Value will be referred to as the Secondary Contractors. Contractors must provide the OEM's full storage product line at the minimum discount off catalog list price as indicated in their response to the sample configuration in **Appendix G – Cost Submittal**.
 3. The Commonwealth reserves the right to issue supplemental IFBs to add new manufacturers. Supplemental IFBs may be issued if it is determined to be in the best interest of the Commonwealth. If a Contractor holds an existing contract resulting from IFB 6100057583 for Enterprise Storage Hardware, the Contractor will be prohibited from being awarded an additional contract(s) under subsequent supplemental IFBs related to IFB 6100057583 for Enterprise Storage Hardware. The contract resulting from this IFB would not limit the Commonwealth in seeking competitive pricing for both on-premises infrastructure and cloud infrastructure as required by the OA/OIT technology and support needs.

IV-2. Purchasing Scenarios.

- A. Net New Environment.** To be defined as new installation that does not include expansions, replacement, or repair. The Best Value Contractor is to be used for installations of Storage hardware in net new environments in the commonwealth. If the Best Value Contractor is unable to meet the specific technical requirements (to include but not be limited to integration, compatibility, existing staff knowledge, floor space, network connectivity, etc.), a waiver must be provided by the Office of Administration through in accordance with ITP-BUS002 and the Department of General Services Chief Procurement Officer in order to procure from a Secondary Contractor.

B. Replacement/Refresh with or without reduction. No waiver is required. In order to procure a replacement/refresh, Agencies are to choose from either of the options below:

- a) Procure from the Best Value Contractor, regardless of OEM.
- b) Procure from a Secondary Contractor so long as they have been awarded a contract for the OEM hardware being replaced.

C. Upgrade/Expansion.

1. No waiver is required. Adding performance and/or capacity to an existing storage array, still under OEM support. In order to procure an upgrade/expansion, Agencies are to choose from the following options below:

- a) Procure from the Best Value Contractor, so long as they have been awarded a contract for the OEM hardware being replaced.
- b) Procure from a Secondary Contractor so long as they have been awarded a contract for the OEM hardware being replaced.
- c) If not available under any other contract, then the Agency must procure using an appropriate procurement method.

2. This contract does not guarantee volume based on past and future purchasing.

IV-3. Service Level Definitions.

A. The Commonwealth will utilize three (3) separate tiers of Service Levels as follows:

- 1. **Basic.** 99.9% Availability, **Two (2)-Day** On-site parts and/or labor dispatch—standard response with **48-hour** parts and/or labor on-site support after completion of phone-based troubleshooting.
- 2. **Enhanced.** 99.99% Availability, Next Business Day On-site parts and/or labor dispatch—accelerated response with parts and/or labor on-site support after completion of phone-based troubleshooting.
- 3. **Critical.** 99.999% Availability, Mission-critical response with **four (4)-hour** on-site parts and/or labor on-site support, with a designated point of contact for resolution management, escalation and status updates.

IV-4. Small Diverse Business (SDB) and Veteran Business Enterprise (VBE) Participation.

- A. The Department's Bureau of Diversity, Inclusion and Small Business Opportunities (BDISBO) has developed a goal setting policy based upon recommendations from its 2018 Disparity Study. The goal setting policy requires BDISBO and agencies to identify contract-specific participation goals for SDBs (which include Minority Business Enterprises, Women Business Enterprises, LGBT Business Enterprises, Disability-Owned Business Enterprises, and Service-Disabled Veteran-Owned Small Business Enterprises) and VBEs (which include Veteran-Owned Small Business Enterprises and Service-Disabled Veteran-Owned Small Business Enterprises).

Question #	QUESTION	ANSWER
1.	<p>Could we have a 2-week extension for this response? Most of our workforce and the OEM's people are out until Jan 3rd.</p>	<p>The bid due date has been changed and has been updated in the IFB.</p>
2.	<p>This bid was previously a 4 month long process and now is being squeezed into 10 business days and over a religious holiday. This is over the Christmas and New Years holiday, when many OEMs have mandatory shutdowns. Resellers representing these OEMs are at a disadvantage. Therefore, requesting an extension to (at least) late January for this large lift. Also, kindly requesting that this question be responded to no later than COB 12/22 so that we can adequately plan if we need to be taking time away from our families over Christmas to complete this bid.</p>	<p>The bid due date has been changed and has been updated in the IFB.</p>
3.	<p>Both the deadline to submit questions (12/27) and the bid submission deadline (1/6) are very tight given the amount of documents included in the RFP, therefore would DGS consider extending these deadlines to ensure we have enough time to review for questions and complete a response?</p> <p>We would like to propose that the Q&A deadline be extended to 1/3 and the bid</p>	<p>The bid due date and the questions due date has been updated in the IFB.</p>

Question #	QUESTION	ANSWER
	deadline be extended two weeks to 1/20 if possible.	
4.	Hi. Could we have a 2 week extension for this response? The majority of our workforce and Netapp's people are out until Jan 3 rd .	The bid due date has been changed and has been updated in the IFB.
5	The IFB states "The Commonwealth is seeking Bidders who offer the best discounts from the manufacturer's nationally publicized price list and respond to purchase orders in a timely fashion." Please clarify what is meant by "price list". Is this specific to object and block storage? If so, how do you define those items?	The Commonwealth is asking for minimum discount off manufacturers list prices for all object and block storage offerings. It is specific to manufacturers price lists. The Commonwealth will always accept better discounts than minimum on specific configurations when quotes are requested.
6.	The Commonwealth defines an IFB as "Competitive sealed bidding for a product or service, awarded to the lowest responsive and responsible bidder." Given that an IFB is solely based on price, how are SDB requirements judged on a solicitation that is not a full-fledged RFP?	SDB and VBE Participation Goals are a responsiveness requirement for the solicitation. There is no "evaluation" of the SDB/VBE Goals. A Bidder/Offeror's failure to meet the SDB participation goal in full or their failure to receive an approved Good Faith Efforts waiver for any unmet portion of the SDB participation goal will result in the rejection of the Bid or Proposal as nonresponsive.

Question #	QUESTION	ANSWER
7.	We already have subcontractor agreements executed with our SDBs. Are Appendix B and D required or can we provide our already-signed subcontractor agreements in lieu of these appendices?	Appendix B -Model Form SDB Subcontract Agreement.pdf and Appendix D -Model Form VBE Subcontract Agreement.pdf are provided as reference for bidders. It is only to be completed by the award winning vendor upon contract award. Nothing is required by proposer at bid due date for this component.
8.	Appendix N cannot be opened; could this be reposted please?	Appendix N - BOP-2201-06 Worker Protection & Investment Certification Form has been re-reposted
9.	Must we agree to sell the awarded items/services via the COSTARS Program? If no, will that be detrimental in any way to our response?	Signing up for COSTARS is not required and will not impact the evaluation of the bid.
10.	How does the Commonwealth intend this to function – will bidders provide a price on the IFB configuration for evaluation purposes only or will bidders be bound to that price for that specific configuration for the duration of the contract?	Please refer to the Specifications Section IV-6 (D). Cost Submittal for information on the cost evaluation.
11.	Will the manufacturer’s nationally publicized price list be available to users of the contract?	Any quote will need include the list price, the discount amount/percentage and the price that that Commonwealth can buy the product for.

When responding to an agency request, the vendor must provide at least the minimum discount bid in the IFB. We will always accept better discounts than minimum on specific configurations when quotes are requested.
15.	When responding to purchase orders/RFQs from customers, the manufacturer will provide opportunity-specific pricing for that RFQ?	Correct, with the minimum discount off list that was bid in the IFB being the worst-case pricing.

Question #	QUESTION	ANSWER
84.	Have you all considered using a National contract to procure storage? Or any of the other technology you purchase? Many states use Omnia, ITS75, Texas DIR, etc.	The Commonwealth has decided to use an IFB as its source selection for Enterprise Storage Hardware and Related Services.
85.	In the previous version of this solicitation, some vendors offered one discount for the main configurations and another discount for the balance of line of the items in the catalog they were offering. Is that an option this time, or is the Commonwealth only allowing one discount across the evaluation configuration and catalog? 86.	Is the Commonwealth accepting As-A-Service solutions with service level guarantees as legitimate responses to the IFB? Interest in cloud-like operating models continues to grow, with those models being valued for their economic potential, the operational benefits including those in the area of risk mitigation, and transformed customer experience. This is evidenced not only by the growth of the public cloud service providers, but by industry interest in private and hybrid cloud solutions. **INSTRUCTIONS FOR COMPLETING THE SMALL DIVERSE BUSINESS (SDB)
PARTICIPATION SUBMITTAL AND SDB UTILIZATION SCHEDULE.**

PLEASE READ BEFORE COMPLETING THESE DOCUMENTS
Bidders/Offerors do not need to return SDB-1 with their SDB Participation Submittal

The following instructions include details for completing the SDB Participation Submittal (SDB-2) which Bidders or Offerors must submit in order to be considered responsive.

The following instructions also include details for completing the SDB Utilization Schedule (SDB-3), which Bidders or Offerors must submit for any portion of the SDB participation goal the Bidder or Offeror commits to meeting.

A Bidder/Offeror's failure to meet the SDB participation goal in full or their failure to receive an approved Good Faith Efforts waiver for any unmet portion of the SDB participation goal will result in the rejection of the Bid or Proposal as nonresponsive.

I. **SDB Participation Goal:** The SDB participation goal is set forth in the **Solicitation**. The Bidder/Offeror is encouraged to use a diverse group of subcontractors and suppliers from the SDB classifications to meet the SDB participation goal.

II. **SDB Eligibility:**

1. **Finding SDB firms:** Offerors can access the directory of **DGS-verified** SDB firms from the DGS Supplier Search directory at: <http://www.dgs.internet.state.pa.us/suppliersearch>.
2. **Only SDBs verified by DGS** and as defined herein may be counted for purposes of achieving the SDB participation goal. In order to be counted for purposes of achieving the SDB participation goal, the SDB firm, including an SDB prime, **must be DGS-verified for the services, materials or supplies that it has committed to perform on the SDB Utilization Schedule (SDB-3).** A firm whose SDB verification is pending or incomplete as of the bid or proposal due date and time shall not be counted towards the SDB participation goal. Offerors cannot use self-certified SBs that do not have their SDB verification as of the bid or proposal due date and time to meet the SDB participation goal.
3. **SDB Requirements:** To be considered an SDB, a firm must be a **DGS-verified** small minority business enterprise (MBE); woman business enterprise (WBE); LGBT business enterprise (LGBTBE); Disability-owned business enterprise (DOBE); Service-Disabled Veteran-Owned Small Business Enterprise (SDVBE); or otherwise deemed disadvantaged by the Uniform Certification Program.

Additional information on the DGS verification process can be found at:

INSTRUCTIONS FOR COMPLETING THE SMALL DIVERSE BUSINESS (SDB) PARTICIPATION SUBMITTAL AND SDB UTILIZATION SCHEDULE.

4. Dually verified firms. If a DGS-verified SDB is dually verified as a VBE, the firm may receive credit towards both the SDB participation goal and the VBE participation goal as set forth on the SDB and VBE Participation Summary Sheet.

Example: The SDB participation goal is 10% and the VBE participation goal is 5%. A subcontractor is DGS-verified as both an SDB and a VBE and will perform 10% of the contract work. The prime contractor can satisfy both the SDB participation goal and the VBE participation goal through that subcontractor's performance of 10% of the contract work., unless otherwise agreed to by the parties in writing and approved by BDISBO and the Issuing Office. However, an SDB firm verified as both a WBE and MBE may not be double counted toward satisfying the SDB participation goal.

5. Participation by SDB firms as prime bidders/offerors or subcontractors. A Bidder/Offeror that qualifies as an SDB and submits a bid or proposal as a prime contractor is not prohibited from being included as a subcontractor in separate proposals submitted by other Bidders/Offerors. An SDB may be included as a subcontractor with as many prime contractors as it chooses in separate bids or proposals and a prime contractor may not prohibit an SDB from committing to any other prime contractor.
6. Questions about SDB verification. Questions regarding the SDB program, including questions about the self-certification and verification processes can be directed to:

III. Guidelines Regarding SDB Prime Self-Performance.

1. An SDB firm participating as a prime bidder or offeror on a procurement may receive credit towards the SDB Participation goal established for the procurement through their own self-performance.

Example: A solicitation has a 15% SDB participation goal. An SDB prime offeror self-performing contract work valued at only 10% of contract costs (if permitted by the solicitation documents) must still satisfy the remaining 5% SDB participation goal through subcontracting or must request a Good Faith Efforts Waiver for the unmet SDB participation goal. Failure to satisfy the remaining 5% SDB participation goal or failure to obtain a Good Faith Efforts waiver for the

unmet portion of the SDB participation goal will result in rejection of that SDB prime's bid or proposal as nonresponsive.

2. For an SDB prime bidder or offeror to receive credit for self-performance, the SDB prime bidder or offeror must list itself in the **SDB Utilization Schedule (SDB-3)**.
3. The SDB prime bidder or offeror must also include the classification category (MBE, WBE, LGBTBE, DOBE, and/or SDVBE) under which it is self-performing and include information regarding the work it will self-perform. For any portion of the SDB participation goal not met through the SDB prime bidder or offeror's self-performance, the SDB bidder or offeror must also identify on the **SDB Utilization Schedule (SDB-3)** the other SDB subcontractors it will use to meet the unmet portion of the goal or must request and receive a Good Faith Efforts waiver.

IV. Calculating SDB participation

1. The selected Bidder or Offeror may only count dollar amounts actually paid to an SDB for performance of a Commercially Useful Function (the performance of a distinct element of work required for the Contract, with the requisite skill and expertise) towards satisfying its SDB participation commitments. In addition, the SDB subcontractor, through its own employees, must perform at least 50% of the amount of the subcontract.

V. Additional Required Documentation.

1. The Bidder or Offeror must submit along with its SDB Participation Submittal (SDB-2) a letter of commitment (LOC) (SDB-3-1) for each subcontractor included in its SDB Utilization Schedule (SDB-3). At a minimum, each LOC must contain the following unless otherwise specified by the solicitation documents:
 - a. The fixed numerical percentage commitment and associated estimated gross dollar value of the commitment made to the SDB; and
 - b. A description of the services or supplies the SDB will provide; and
 - c. The timeframe during the initial contract term and any extensions, options and renewals when the SDB will perform or provide the services and/or supplies; and
 - d. The name and telephone number of the Bidder or Offeror's point of contact for SDB participation; and
 - e. The name, address, and telephone number of the primary contact person for the SDB; and
 - f. Signatures of representatives of both the Bidder/Offeror and the SDB subcontractor who are authorized to contractually bind their firm.

SDB-1
**INSTRUCTIONS FOR COMPLETING THE SMALL DIVERSE BUSINESS (SDB)
PARTICIPATION SUBMITTAL AND SDB UTILIZATION SCHEDULE.**

VI. Document Submittal Errors.

1. **Fatal errors.** The following errors will result in rejection of a bid or proposal as non-responsive:
 - a. Failure to submit a completed **SDB Participation Submittal (SDB-2)**;
 - b. Failure to submit an **SDB Utilization Schedule (SDB-3)**, unless the bidder or offer is seeking a complete Good Faith Efforts waiver;
 - c. Failure to make commitments to and list **DGS-verified** SDBs that will be used to meet the SDB participation goal, unless the bidder or offeror's commitments to other DGS-verified SDBs meet or exceed the SDB Participation goal;
 - d. Failure to submit a Good Faith Efforts waiver request when not fully meeting the SDB participation goal.

Example: A bidder/offeror lists a subcontractor that possesses a third-party certificate issued by one of the DGS-approved third party certifying entities; however, the subcontractor did not complete its DGS SDB verification as of the bid or proposal due date and time. The bidder/offeror does not receive credit for any commitments made to the subcontractor and has therefore not met the SDB participation goal. The bidder/offeror cannot cure this error. Therefore, the bid or proposal must be rejected as non-responsive.

2. **Potentially curable errors.** The Issuing Office and BDISBO may provide Bidders or Offerors the opportunity to provide clarifications or to correct errors not listed as fatal errors above. If the additionally submitted information does not adequately address the or clarify the submittal, the bid or proposal may be rejected. **Bidders or Offerors are not permitted to add additional SDBs or make material changes as part of its clarifications or corrections in order to meet the SDB participation goal.**
3. **Solicitations with Multiple Lots or Base Bids.** If the Bid or Proposal contains separate Lots or multiple Base Bids, an Offeror must complete and submit a separate **SDB Participation Submittal (SDB-2)** and accompanying required documentation for EACH Lot or Base Bid for which it is submitting a bid or proposal. Each separate **SDB Participation Submittal** and accompanying required documentation must be labeled to identify the corresponding Lot or Base Bid. Failure to submit an **SDB Participation Submittal** and accompanying required documentation for each Lot or Base Bid will result in the rejection of the bid or proposal for each Lot or Base Bid for which an **SDB Participation Submittal** was not submitted.

SDB-4
GUIDANCE FOR DOCUMENTING GOOD FAITH EFFORTS TO MEET THE SMALL DIVERSE BUSINESS (SDB) PARTICIPATION GOAL

Bidders/Offerors do not need to return SDB-4 with their SDB Participation Submittal

In order for its bid or proposal to be responsive, the Bidder or Offeror must either (1) meet the SDB participation goal and document its commitments for participation of SDB firms, or (2) when it does not meet the SDB participation goal, submit a Good Faith Efforts waiver request as set forth in Section IV below and the **Good Faith Efforts Documentation to Support Waiver Request (SDB-5)** of the SDB Participation Goal.

I. Definitions

SDB participation goal – “SDB participation goal” refers to the SDB participation goal set for a procurement for MBE, WBE, LGBTBE, DOBE, and SDVBE utilization.

Good Faith Efforts - The “Good Faith Efforts” requirement means that when requesting a waiver, the Offeror must demonstrate that it took all necessary and reasonable steps to achieve the SDB participation goal. Those steps are considered necessary and reasonable when their scope, intensity, and relevance could reasonably be expected to obtain sufficient SDB participation, even if those steps were not fully successful. The Issuing Agency and Department of General Services’ Bureau of Diversity, Inclusion and Small Business Opportunities (BDISBO) will determine whether or not the Offeror requesting a Good Faith Efforts waiver made adequate Good Faith Efforts by considering the quality, quantity, and intensity of the Offeror’s efforts. Mere *pro forma* efforts are not Good Faith Efforts to meet the SDB participation requirements. The determination concerning the sufficiency of the Offeror's Good Faith Efforts is subjective; meeting quantitative formulas is not required.

Identified Items of Work – all reasonably identifiable subcontractable work opportunities under a resulting contract for performance by subcontractors.

Identified SDBs– all of the SDBs the Offeror has identified as available to perform the Identified Items of Work and should include all DGS-verified SDBs that are reasonably identifiable.

Offeror – for purposes of this **Good Faith Efforts Documentation to Support Waiver Request**, the term “Offeror” includes any entity responding to a solicitation, including invitations for bids, requests for proposals, and other types of best value solicitations.

SDB – “SDB” refers to Minority Business Enterprises (MBE), Women Business Enterprises (WBE), Disability-Owned Business Enterprises (DOBE), LGBT-Owned Business Enterprises (LGBTBE), Service-Disabled Veteran-Owned Small Business Enterprise (SDVBE) verified by BDISBO, or otherwise deemed disadvantaged by the Uniform Certification Program.

II. Types of Actions Agency and BDISBO will Consider

The following is a list of types of actions the procuring agency and BDISBO will consider as part of the Offeror's Good Faith Efforts when the Offeror is unable to meet, in full, the SDB

SDB-4
GUIDANCE FOR DOCUMENTING GOOD FAITH EFFORTS TO MEET THE SMALL DIVERSE BUSINESS (SDB) PARTICIPATION GOAL

participation goal. This list is not intended to be a mandatory checklist, nor is it intended to be exclusive or exhaustive. Other factors or types of efforts may be relevant in appropriate cases.

A. Identify Proposal Items as Work for SDBs

1. Identified Items of Work

- (a) Offerors should reasonably identify sufficient items of work to be performed by SDBs.
- (b) Where appropriate, Offerors should break out contract work items into economically feasible units to facilitate SDB participation, rather than perform these work items with their own forces. **The ability or desire of a prime contractor to perform the work of a contract with its own organization does not relieve the Offeror of the responsibility to make Good Faith Efforts to meet the SDB participation goal.**

B. Identify SDBs to Solicit

1. Identified SDBs

- (a) Offerors must reasonably identify the SDBs that are available to perform the Identified Items of Work.
- (b) Any SDBs identified as available by the Offeror should be certified to perform the Identified Items of Work.

C. Solicit SDBs

- 1. Offerors must solicit a reasonable number of identified SDBs for all Identified Items of Work by providing written notice. The Offeror must:
 - (a) provide the written solicitation to the Identified SDBs at least 10 days prior to Bid or Proposal due date to allow sufficient time for the Identified SDB to respond;
 - (b) send the written solicitation by first-class mail, facsimile, or e-mail using contact information in the BDISBO Directory, unless the Offeror has a valid basis for using different contact information; and
 - (c) provide adequate information about the plans, specifications, anticipated time schedule for portions of the work to be performed by the Identified SDB, and other requirements of the contract to assist Identified SDBs in responding. (This information may be provided by including hard copies in the written solicitation or by electronic means as described in C.3 below.)

SDB-4

GUIDANCE FOR DOCUMENTING GOOD FAITH EFFORTS TO MEET THE SMALL DIVERSE BUSINESS (SDB) PARTICIPATION GOAL

2. “All” Identified SDBs includes any SDB Firms the Offeror identifies as potentially available to perform the Identified Items of Work, but it does not include Identified SDBs who are no longer certified to perform the work as of the date the Offeror provides written solicitations.
3. “Electronic Means” includes, for example, information provided *via* a website or file transfer protocol (FTP) site containing the plans, specifications, and other requirements of the contract. If an interested SDB cannot access the information provided by electronic means, the Offeror must make the information available in a manner that is accessible to the interested SDB.
4. Offerors must follow up on initial written solicitations by contacting Identified SDBs to determine their interest in bidding. The follow up contact may be made:
 - (a) by telephone using the contact information in BDISBO’s Directory, unless the Offeror has a valid basis for using different contact information; or
 - (b) in writing *via* a method that differs from the method used for the initial written solicitation.
5. In addition to the written solicitation set forth in C.1 and the follow up required in C.4, offerors must use all other reasonable and available means to solicit the interest of Identified SDBs certified to perform the work of the contract. Examples of other means include:
 - (a) attending any Supplier Forums, or Pre-Proposal or Pre-Bid conferences at which SDBs could be informed of contracting and subcontracting opportunities; and
 - (b) if recommended by the procurement, advertising with or effectively using the services of at least two diversity-focused entities or media, including trade associations, minority/women/disability/LGBT community organizations, minority/women/disability/LGBT contractors' groups, and local, state, and federal minority/women/disability/LGBT business assistance offices.

D. Negotiate with Interested SDBs

Offerors must negotiate in good faith with interested SDBs.

1. Evidence of negotiation includes, without limitation, the following:
 - (a) the names, addresses, and telephone numbers of SDBs that were considered;
 - (b) a description of the information provided regarding the plans and specifications for the work selected for subcontracting and the means used to provide that information; and

SDB-4
GUIDANCE FOR DOCUMENTING GOOD FAITH EFFORTS TO MEET THE SMALL DIVERSE BUSINESS (SDB) PARTICIPATION GOAL

- (c) evidence as to why additional agreements could not be reached for SDBs to perform the work.
2. In negotiating with subcontractors, the offeror should consider a subcontractor's price and capabilities as well as the SDB participation goal.
 3. Additional costs incurred in finding and using SDBs are not sufficient justification for the Offeror's failure to meet the SDB participation goal, as long as such costs are reasonable. Factors to take into consideration when determining whether an SDB's quote is excessive or unreasonable include, without limitation, the following:
 - (a) dollar difference between the SDB subcontractor's quote and the average of other subcontractors' quotes received by the Offeror;
 - (b) percentage difference between the SDB subcontractor's quote and the average of other subcontractors' quotes received by the Offeror;
 - (c) percentage that the SDB subcontractor's quote represents of the total contract cost;
 - (d) whether the work described in the SDB and Non-SDB subcontractor quotes (or portions thereof) submitted for review is the same or comparable; and
 - (e) number of quotes received by the Offeror for that portion of the work.
 4. The factors in paragraph 3 above are not intended to be mandatory, exclusive, or exhaustive, and other evidence of an excessive or unreasonable price may be relevant.
 5. The Offeror may not use its price for self-performing work as a basis for rejecting an SDB's quote as excessive or unreasonable.
 6. The "average of the other subcontractors' quotes received" by the Offeror refers to the average of the quotes received from all subcontractors. Offeror should attempt to receive quotes from at least three subcontractors, including one quote from an SDB and one quote from a non-SDB.
 7. The Offeror shall not reject an SDB as unqualified without sound justification based on a thorough investigation of the SDB's capabilities. For each SDB that is rejected as unqualified or that placed a subcontract quotation or offer that the Offeror concludes is not acceptable, the Offeror must provide a written detailed statement outlining the justification for its conclusion. The Offeror also must document the steps taken to verify the capabilities of the SDB and non-SDB Firms quoting similar work.

SDB-4

GUIDANCE FOR DOCUMENTING GOOD FAITH EFFORTS TO MEET THE SMALL DIVERSE BUSINESS (SDB) PARTICIPATION GOAL

- (a) The factors to take into consideration when assessing the capabilities of an SDB include, but are not limited to the following: financial capability, physical capacity to perform, available personnel and equipment, existing workload, experience performing the type of work, conduct and performance in previous contracts, and ability to meet reasonable contract requirements.

- (b) The SDB's standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations (for example union vs. non-union employee status) are not legitimate causes for the rejection or non-solicitation of Proposals in the efforts to meet the SDB participation goal.

E. Assisting Interested SDBs

When appropriate under the circumstances, the procuring agency and BDISBO will consider whether the Offeror made reasonable efforts to assist interested SDBs in obtaining:

1. The bonding, lines of credit, or insurance required by the procuring agency or the Offeror; and

2. Necessary equipment, supplies, materials, or related assistance or services.

III. Other Considerations

In making a determination of Good Faith Efforts, the procuring agency and BDISBO may consider engineering estimates, catalogue prices, general market availability and availability of certified SDBs in the area in which the work is to be performed, other Proposals or offers and subcontract Proposals or offers substantiating significant variances between SDB and non-SDB costs of participation, and their impact on the overall cost of the contract to the Commonwealth and any other relevant factors.

The procuring agency and BDISBO may consider whether the Offeror decided to self-perform potentially subcontractable work with its own forces. The procuring agency and BDISBO also may consider the performance of other Offerors in meeting the SDB participation goal. For example, when the apparent successful Offeror fails to meet the SDB participation goal, but others meet it, this raises the question of whether, with additional reasonable efforts, the apparent successful Offeror could have met the SDB participation goal. If the apparent successful Offeror fails to meet the SDB participation goal but meets or exceeds the average SDB participation obtained by other Offerors, this, when viewed in conjunction with other factors, could be evidence of the apparent successful Offeror having made Good Faith Efforts.

IV. Documenting Good Faith Efforts

At a minimum, the Offeror seeking a Good Faith Efforts waiver of the SDB participation goal or a portion thereof must provide written documentation of its Good Faith Efforts along with its bid or proposal. The written documentation shall include the following:

Neither of the Parties to this Subcontract, nor any of their respective employees, agents, or other representatives, shall be construed to be the agent, employee or representative of the other party. Neither party shall have the authority to bind the other party, nor shall a party be responsible for the acts or omissions of the other party, unless otherwise stated in this Subcontract. Similarly, the Parties expressly acknowledge that neither the Contractor nor the Subcontractor is an agent, employee or representative of the Commonwealth and each party covenants not to represent itself accordingly.

4. Prime Contract Flow-Down.

(a) General. This agreement is a subcontract under the Prime Contract and all provisions of the Prime Contract and any amendments thereto applicable to the Services being performed by the Subcontractor shall extend to and be binding upon the Parties as part of this Subcontract.

(d) Audit Provisions. The Commonwealth shall have the right, at reasonable times and at a site designated by the Commonwealth, to audit the books, documents, and records of the Parties to the extent that the books, documents, and records relate to the Parties' compliance with the provisions set forth in subsection (b) above or to the Small Diverse Business or Veteran Business Enterprise Commitment effectuated through this Subcontract. The Parties shall preserve such books, documents, and records for a period of three years from the date of final payment hereunder. The Parties shall give full and free access to all such records to the Commonwealth and/or its authorized representatives.

5. Order of Precedence. The Letter of Commitment, Procurement and Prime Contract are incorporated herein by reference into this Subcontract. In the event of any conflict or inconsistency among the individual components of this Subcontract, such conflict or inconsistency shall be resolved by observing the following order of precedence:

- (a) This Subcontract;
- (b) The Letter of Commitment;
- (c) The Prime Contract; and
- (d) The Procurement.

6. Further Action. The Parties shall take such actions and complete, execute and deliver any and all documents or instruments necessary to carry out the terms and provisions of this Subcontract, to effectuate the purpose of this Subcontract, and to fulfill the obligations of each party hereunder.

7. Description of Services. Subcontractor will perform the following Services for the Contractor which Contractor is obligated to provide to the Commonwealth under the Prime Contract:

[DESCRIBE IN DETAIL THE SPECIFIC SUPPLIES, SERVICES OR CONSTRUCTION THE SUBCONTRACTOR WILL PROVIDE OR PERFORM WITH THE CORRESPONDING UNITED NATIONS STANDARD PRODUCTS AND SERVICES CODES (UNSPSC)]

Any proposed change to the Small Diverse Business or Veteran Business Enterprise Commitment must be submitted in writing to the Bureau and the Contracting Officer. The Bureau will make a recommendation to the Commonwealth Contracting Officer regarding a course of action.

9. Performance of Services. Subcontractor may not subcontract more than 50% of the work subcontracted to it hereunder without written permission from the Bureau. Subcontractor will perform the Services strictly in accordance with any applicable plans and specifications as contained in the Prime Contract and the reasonable deadlines set by Contractor in view of the requirements of the Prime Contract, and in a good workmanlike manner consistent with industry standards, meeting all applicable local, state and federal laws, regulations and policies.

10. Location of Services. Subcontractor will provide the Services at the following address(es):

11. Timeframe for Performance of Services. The Services will be provided by Subcontractor during the initial term of the Prime Contract, and during any extensions, options or renewal periods of the Prime Contract exercised by the Commonwealth, as more specifically set forth below:

[ATTACH A BILL OF MATERIALS, RATE CARD OR OTHER APPROPRIATE COST SHEET COVERING THE SERVICES TO BE PROVIDED.]

13. Payment for Services. Contractor shall exert reasonable and diligent efforts to collect prompt payment from the Commonwealth. Contractor shall pay Subcontractor in proportion to amounts received from the Commonwealth which are attributable to the Services performed by Subcontractor. Contractor shall pay Subcontractor within fourteen (14) days after the Contractor receives such payment from the Commonwealth, unless the parties expressly agree upon a

different payment schedule or structure as set forth below:

14. Utilization Reports. Both the Contractor and Subcontractor shall complete Monthly Utilization Reports (or similar type documents containing the same information) and submit them to the Contracting Officer and to the Bureau within ten (10) business days at the end of each month. This information will be used to determine the actual dollar amount paid to Subcontractor and will also serve as a record of fulfillment of Contractor's Small Diverse Business and Veteran Business Enterprise Commitments. If there was no activity during the month, then the form must be completed by stating "No activity in this month." A late fee of \$100.00 per day may be assessed against the Contractor if the Contractor's Utilization Report is not submitted in accordance with the schedule above.

15. Change Orders. If the Commonwealth issues any change order or other formal contract instrument either expanding or limiting the work to be performed under the Prime Contract, the Parties shall accept such Change Orders. Contractor agrees to provide Subcontractor with written notice of any such change orders that affect the Services to be provided by the Subcontractor hereunder as soon as practical after Contractor receives such notice. Any resulting increase or decrease in the Services, Small Diverse Business or Veteran Business Enterprise Commitment provided for in Paragraphs 7 or 8 above must be in writing, mutually agreed to, and signed by both Parties and communicated to the Bureau. If the Parties are unable to reach an agreement regarding any adjustment to the Services, Small Diverse Business or Veteran Business Enterprise Commitment necessitated by a Commonwealth Change Order, the Parties must submit the matter in writing to the Bureau which will make a recommendation to the Contracting Officer regarding a course of action.

16. Force Majeure. Neither party will incur any liability to the other if its performance of any obligation under this Subcontract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but are not limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemic and quarantines, general strikes throughout the trade, and freight embargoes. The existence of such causes beyond a party's control shall extend the period for performance to such extent as may be necessary to enable complete performance in the exercise of reasonable diligence after the causes have been removed.

17. Dispute Resolution.

(a) The Parties will attempt to resolve any dispute arising out of or relating to this Subcontract through friendly negotiations.

(1) The Parties expressly acknowledge and confer upon the Bureau and Contracting Officer the authority to adjudicate disputes that the Parties cannot resolve amicably concerning the Parties' compliance with their Small Diverse Business and Veteran

Business Enterprise Commitments as provided in the Prime Contract and this Subcontract.

(2) The Bureau may recommend to the Contracting Officer a range of sanctions it deems appropriate if the Bureau determines a party has failed to satisfy or perform its Small Diverse Business or Veteran Business Enterprise commitment. Such sanctions include, but are not limited to, one or more of the following: a determination that the party is not responsible under the Contractor Responsibility Program; withholding of Prime Contract and/or Subcontract payments; suspension or termination of the Prime Contract and/or Subcontract together with consequential damages; revocation of the party's Small Diverse Business and/or Veteran Business Enterprise verification status; and/or suspension or debarment of one or both parties from future contracting opportunities with the Commonwealth.

(3) The Parties' acknowledge that their prior performance in meeting their Small Diverse Business and Veteran Business Enterprise contractual obligations may be considered by the Commonwealth when reviewing future bids or proposals for responsiveness and responsibility.

(b) Nothing herein shall be construed to prevent either party from seeking such relief as provided by law in a court or tribunal of competent jurisdiction.

18. Notices. Any written notice to any party under this Subcontract shall be deemed sufficient if delivered personally, or by facsimile, telecopy, electronic or digital transmission (provided such delivery is confirmed), or by a recognized overnight courier service (e.g., DHL, Federal Express, etc.) with confirmed receipt, or by certified or registered United States mail, postage prepaid, return receipt requested, and sent to the following:

If to Contractor:

If to Subcontractor:

19. Waiver. No waiver by either party of any breach of this Subcontract shall be deemed to waive any other breach. No acceptance of payment or performance after any breach shall be deemed a waiver of any breach. No failure or delay to exercise any right by a party upon another's default shall prevent that party from later exercising that right, nor shall such failure or delay operate as a waiver of any default.

20. Severability. If any provision of this Subcontract shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Subcontract is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

21. Assignment. Neither party may assign or transfer this Subcontract without the prior written consent of the Commonwealth. If Contractor's Prime Contract with the Commonwealth is assigned to another contractor, the new contractor must maintain the Small Diverse Business and Veteran Business Enterprise Commitments set forth in the Prime Contract as implemented through this Subcontract.

22. Applicable Law. This Subcontract shall be governed by the laws of the Commonwealth of Pennsylvania.

23. Entire Agreement. This Subcontract constitutes the entire agreement of the Parties regarding the subject of this Subcontract as of the date of execution. No other agreement or understandings, verbal or written, expressed or implied, are a part of this Subcontract unless specified herein.

24. Amendment. This Subcontract may be modified or amended only if made in writing and signed by both Parties. Any proposed change to the Contractor's Small Diverse Business or Veteran Business Enterprise Commitment to Subcontractor must be submitted in writing to the Bureau which will make a recommendation to the Contracting Officer regarding a course of action.

25. Binding Effect. This Subcontract shall be binding upon, and inure to the benefit of, the Parties and their respective heirs, representatives, successors and assigns.

26. Counterparts. This Subcontract may be executed by the Parties in counterparts, each of which together shall be deemed an original but all of which together shall constitute one and the same instrument. A party's delivery of a duly executed signature page of this Subcontract in electronic format shall have the same force and effect as delivery of an original signature page.

**INSTRUCTIONS FOR COMPLETING THE VETERAN BUSINESS ENTERPRISE
(VBE) PARTICIPATION SUBMITTAL AND VBE UTILIZATION SCHEDULE.**

PLEASE READ BEFORE COMPLETING THESE DOCUMENTS
Bidders/Offerors do not need to return VBE-1 with their VBE Participation Submittal

The following instructions include details for completing the VBE Participation Submittal (VBE-2) which Bidders or Offerors must submit in order to be considered responsive.

The following instructions also include details for completing the VBE Utilization Schedule (VBE-3), which Bidders or Offerors must submit for any portion of the VBE participation goal the Bidder or Offeror commits to meeting.

A Bidder/Offeror's failure to meet the VBE participation goal in full or their failure to receive an approved Good Faith Efforts waiver for any unmet portion of the VBE participation goal will result in the rejection of the Bid or Proposal as nonresponsive.

- I. **VBE Participation Goal:** The VBE participation goal is set forth in the solicitation. The Bidder/Offeror is encouraged to use a diverse group of subcontractors and suppliers from the VBE classifications to meet the VBE participation goal.
- II. **VBE Eligibility:**
 1. **Finding VBE firms:** Offerors can access the directory of **DGS-verified** VBE firms from the DGS Supplier Search directory at: <http://www.dgs.internet.state.pa.us/suppliersearch>.
 2. **Only VBEs verified by DGS** and as defined herein may be counted for purposes of achieving the VBE participation goal. In order to be counted for purposes of achieving the VBE participation goal, the VBE firm, including an VBE prime, **must be DGS-verified for the services, materials or supplies that it has committed to perform on the VBE Utilization Schedule (VBE-3).** A firm whose VBE verification is pending or incomplete as of the bid or proposal due date and time shall not be counted towards the VBE participation goal. Offerors cannot use self-certified SBs that do not have their VBE verification as of the bid or proposal due date and time to meet the VBE participation goal.
 3. **VBE Requirements:** To be considered an VBE, a firm must be a **DGS-verified** Veteran-Owned Small Business Enterprise or Service-Disabled Veteran-Owned Small Business Enterprise.

Additional information on the DGS verification process can be found at:
<https://www.dgs.pa.gov/Small%20Diverse%20Business%20Program/Pages/default.aspx>

VBE-1

INSTRUCTIONS FOR COMPLETING THE SMALL DIVERSE BUSINESS (VBE) PARTICIPATION SUBMITTAL AND VBE UTILIZATION SCHEDULE.

4. Dually verified firms. If a DGS-verified SDB is dually verified as a VBE, the firm may receive credit towards both the SDB participation goal and the VBE participation goal as identified for the solicitation.

Example: The SDB participation goal is 10% and the VBE participation goal is 5%. A subcontractor is DGS-verified as both an SDB and a VBE and will perform 10% of the contract work. The prime contractor can satisfy both the SDB participation goal and the VBE participation goal through that subcontractor's performance of 10% of the contract work., unless otherwise agreed to by the parties in writing and approved by BDISBO and the Issuing Office.

5. Participation by VBE firms as prime bidders/offerors or subcontractors. A Bidder/Offeror that qualifies as an VBE and submits a bid or proposal as a prime contractor is not prohibited from being included as a subcontractor in separate proposals submitted by other Bidders/Offerors. An VBE may be included as a subcontractor with as many prime contractors as it chooses in separate bids or proposals and a prime contractor may not prohibit an VBE from committing to any other prime contractor.
6. Questions about VBE verification. Questions regarding the VBE program, including questions about the self-certification and verification processes can be directed to:

III. Guidelines Regarding VBE Prime Self-Performance.

1. An VBE firm participating as a prime bidder or offeror on a procurement may receive credit towards the VBE Participation goal established for the procurement through their own self-performance.

Example: A solicitation has a 15% VBE participation goal. An VBE prime offeror self-performing contract work valued at only 10% of contract costs (if permitted by the solicitation documents) must still satisfy the remaining 5% VBE participation goal through subcontracting or must request a Good Faith Efforts Waiver for the unmet VBE participation goal. Failure to satisfy the remaining 5% VBE participation goal or failure to obtain a Good Faith Efforts waiver for the unmet portion of the VBE participation goal will result in rejection of that VBE prime's bid or proposal as nonresponsive.

VBE-1
**INSTRUCTIONS FOR COMPLETING THE SMALL DIVERSE BUSINESS (VBE)
PARTICIPATION SUBMITTAL AND VBE UTILIZATION SCHEDULE.**

2. For an VBE prime bidder or offeror to receive credit for self-performance, the VBE prime bidder or offeror must list itself in the **VBE Utilization Schedule (VBE-3)**.
3. The VBE prime bidder or offeror must also include the classification category (Veteran-Owned Small Business Enterprise or Service-Disabled Veteran-Owned Small Business Enterprise) under which it is self-performing and include information regarding the work it will self-perform. For any portion of the VBE participation goal not met through the VBE prime bidder or offeror's self-performance, the VBE bidder or offeror must also identify on the **VBE Utilization Schedule (VBE-3)** the other VBE subcontractors it will use to meet the unmet portion of the goal or must request and receive a Good Faith Efforts waiver.

IV. Calculating VBE participation

1. The selected Bidder or Offeror may only count dollar amounts actually paid to an VBE for performance of a Commercially Useful Function (the performance of a distinct element of work required for the Contract, with the requisite skill and expertise) towards satisfying its VBE participation commitments. In addition, the VBE subcontractor, through its own employees, must perform at least 50% of the amount of the subcontract.

V. Additional Required Documentation.

1. The Bidder or Offeror must submit along with its VBE Participation Submittal (VBE-2) a letter of commitment (LOC) (VBE-3-1) for each subcontractor included in its VBE Utilization Schedule (VBE-3). At a minimum, each LOC must contain the following unless otherwise specified by the solicitation documents:
 - a. The fixed numerical percentage commitment and associated estimated gross dollar value of the commitment made to the VBE; and
 - b. A description of the services or supplies the VBE will provide; and
 - c. The timeframe during the initial contract term and any extensions, options and renewals when the VBE will perform or provide the services and/or supplies; and
 - d. The name and telephone number of the Bidder or Offeror's point of contact for VBE participation; and
 - e. The name, address, and telephone number of the primary contact person for the VBE; and
 - f. Signatures of representatives of both the Bidder/Offeror and the VBE subcontractor who are authorized to contractually bind their firm.

VBE-1
**INSTRUCTIONS FOR COMPLETING THE SMALL DIVERSE BUSINESS (VBE)
PARTICIPATION SUBMITTAL AND VBE UTILIZATION SCHEDULE.**

VI. Document Submittal Errors.

1. **Fatal errors.** The following errors will result in rejection of a bid or proposal as non-responsive:
 - a. Failure to submit a completed **VBE Participation Submittal (VBE-2)**;
 - b. Failure to submit an **VBE Utilization Schedule (VBE-3)**, unless the bidder or offer is seeking a complete Good Faith Efforts waiver;
 - c. Failure to make commitments to and list **DGS-verified** VBEs that will be used to meet the VBE participation goal, unless the bidder or offeror's commitments to other DGS-verified VBEs meet or exceed the VBE Participation goal;
 - d. Failure to submit a Good Faith Efforts waiver request when not fully meeting the VBE participation goal.

Example: A bidder/offeror lists a subcontractor that possesses a third-party certificate issued by one of the DGS-approved third party certifying entities; however, the subcontractor did not complete its DGS VBE verification as of the bid or proposal due date and time. The bidder/offeror does not receive credit for any commitments made to the subcontractor and has therefore not met the VBE participation goal. The bidder/offeror cannot cure this error. Therefore, the bid or proposal must be rejected as non-responsive.

2. **Potentially curable errors.** The Issuing Office and BDISBO may provide Bidders or Offerors the opportunity to provide clarifications or to correct errors not listed as fatal errors above. If the additionally submitted information does not adequately address the or clarify the submittal, the bid or proposal may be rejected. **Bidders or Offerors are not permitted to add additional VBEs or make material changes as part of its clarifications or corrections in order to meet the VBE participation goal.**
3. **Solicitations with Multiple Lots or Base Bids.** If the Bid or Proposal contains separate Lots or multiple Base Bids, an Offeror must complete and submit a separate **VBE Participation Submittal (VBE-2)** and accompanying required documentation for EACH Lot or Base Bid for which it is submitting a bid or proposal. Each separate **VBE Participation Submittal** and accompanying required documentation must be labeled to identify the corresponding Lot or Base Bid. Failure to submit an **VBE Participation Submittal** and accompanying required documentation for each Lot or Base Bid will result in the rejection of the bid or proposal for each Lot or Base Bid for which an **VBE Participation Submittal** was not submitted.

VBE-4
GUIDANCE FOR DOCUMENTING GOOD FAITH EFFORTS TO MEET THE SMALL DIVERSE BUSINESS (VBE) PARTICIPATION GOAL

Bidders/Offerors do not need to return VBE-4 with their VBE Participation Submittal

In order for its bid or proposal to be responsive, the Bidder or Offeror must either (1) meet the VBE participation goal and document its commitments for participation of VBE firms, or (2) when it does not meet the VBE participation goal, submit a Good Faith Efforts waiver request as set forth in Section IV below and the **Good Faith Efforts Documentation to Support Waiver Request (VBE-5)** of the VBE Participation Goal.

I. Definitions

Good Faith Efforts - The “Good Faith Efforts” requirement means that when requesting a waiver, the Offeror must demonstrate that it took all necessary and reasonable steps to achieve the VBE participation goal. Those steps are considered necessary and reasonable when their scope, intensity, and relevance could reasonably be expected to obtain sufficient VBE participation, even if those steps were not fully successful. The Issuing Agency and Department of General Services’ Bureau of Diversity, Inclusion and Small Business Opportunities (BDISBO) will determine whether or not the Offeror requesting a Good Faith Efforts waiver made adequate Good Faith Efforts by considering the quality, quantity, and intensity of the Offeror’s efforts. Mere *pro forma* efforts are not Good Faith Efforts to meet the VBE participation requirements. The determination concerning the sufficiency of the Offeror's Good Faith Efforts is subjective; meeting quantitative formulas is not required.

Identified Items of Work – all reasonably identifiable subcontractable work opportunities under a resulting contract for performance by subcontractors.

Identified VBEs– all of the VBEs the Offeror has identified as available to perform the Identified Items of Work and should include all DGS-verified VBEs that are reasonably identifiable.

Offeror – for purposes of this **Good Faith Efforts Documentation to Support Waiver Request**, the term “Offeror” includes any entity responding to a solicitation, including invitations for bids, requests for proposals, and other types of best value solicitations.

VBE – “VBE” refers to Veteran-Owned Small Business Enterprises or Service-Disabled Veteran-Owned Small Business Enterprise verified by BDISBO.

VBE participation goal – “VBE participation goal” refers to the VBE participation goal set for a procurement for Veteran-Owned Small Businesses and Service-Disabled Veteran-Owned Small Businesses.

II. Types of Actions Agency and BDISBO will Consider

The following is a list of types of actions the procuring agency and BDISBO will consider as part of the Offeror's Good Faith Efforts when the Offeror is unable to meet, in full, the VBE

DIVERSE BUSINESS (VBE) PARTICIPATION GOAL**

participation goal. This list is not intended to be a mandatory checklist, nor is it intended to be exclusive or exhaustive. Other factors or types of efforts may be relevant in appropriate cases.

A. Identify Proposal Items as Work for VBEs

1. Identified Items of Work

- (a) Offerors should reasonably identify sufficient items of work to be performed by VBEs.
- (b) Where appropriate, Offerors should break out contract work items into economically feasible units to facilitate VBE participation, rather than perform these work items with their own forces. **The ability or desire of a prime contractor to perform the work of a contract with its own organization does not relieve the Offeror of the responsibility to make Good Faith Efforts to meet the VBE participation goal.**

B. Identify VBEs to Solicit

1. Identified VBEs

- (a) Offerors must reasonably identify the VBEs that are available to perform the Identified Items of Work.
- (b) Any VBEs identified as available by the Offeror should be certified to perform the Identified Items of Work.

C. Solicit VBEs

- 1. Offerors must solicit a reasonable number of identified VBEs for all Identified Items of Work by providing written notice. The Offeror must:
 - (a) provide the written solicitation to the Identified VBEs at least 10 days prior to Bid or Proposal due date to allow sufficient time for the Identified VBE to respond;
 - (b) send the written solicitation by first-class mail, facsimile, or e-mail using contact information in the BDISBO Directory, unless the Offeror has a valid basis for using different contact information; and
 - (c) provide adequate information about the plans, specifications, anticipated time schedule for portions of the work to be performed by the Identified VBE, and other requirements of the contract to assist Identified VBEs in responding. (This information may be provided by including hard copies in the written solicitation or by electronic means as described in C.3 below.)

VBE-4

GUIDANCE FOR DOCUMENTING GOOD FAITH EFFORTS TO MEET THE SMALL DIVERSE BUSINESS (VBE) PARTICIPATION GOAL

2. “All” Identified VBEs includes any VBE Firms the Offeror identifies as potentially available to perform the Identified Items of Work, but it does not include Identified VBEs who are no longer certified to perform the work as of the date the Offeror provides written solicitations.
3. “Electronic Means” includes, for example, information provided *via* a website or file transfer protocol (FTP) site containing the plans, specifications, and other requirements of the contract. If an interested VBE cannot access the information provided by electronic means, the Offeror must make the information available in a manner that is accessible to the interested VBE.
4. Offerors must follow up on initial written solicitations by contacting Identified VBEs to determine their interest in bidding. The follow up contact may be made:
 - (a) by telephone using the contact information in BDISBO’s Directory, unless the Offeror has a valid basis for using different contact information; or
 - (b) in writing *via* a method that differs from the method used for the initial written solicitation.
5. In addition to the written solicitation set forth in C.1 and the follow up required in C.4, offerors must use all other reasonable and available means to solicit the interest of Identified VBEs certified to perform the work of the contract. Examples of other means include:
 - (a) attending any Supplier Forums, or Pre-Proposal or Pre-Bid conferences at which VBEs could be informed of contracting and subcontracting opportunities; and
 - (b) if recommended by the procurement, advertising with or effectively using the services of at least two veteran-focused entities or media, including trade associations, veteran community organizations, veteran contractors' groups, and local, state, and federal veteran business assistance offices.

D. Negotiate with Interested VBEs

Offerors must negotiate in good faith with interested VBEs.

1. Evidence of negotiation includes, without limitation, the following:
 - (a) the names, addresses, and telephone numbers of VBEs that were considered;
 - (b) a description of the information provided regarding the plans and specifications for the work selected for subcontracting and the means used to provide that information; and

VBE-4
**GUIDANCE FOR DOCUMENTING GOOD FAITH EFFORTS TO MEET THE SMALL
DIVERSE BUSINESS (VBE) PARTICIPATION GOAL**

- (c) evidence as to why additional agreements could not be reached for VBEs to perform the work.
2. In negotiating with subcontractors, the offeror should consider a subcontractor's price and capabilities as well as the VBE participation goal.
 3. Additional costs incurred in finding and using VBEs are not sufficient justification for the Offeror's failure to meet the VBE participation goal, as long as such costs are reasonable. Factors to take into consideration when determining whether an VBE's quote is excessive or unreasonable include, without limitation, the following:
 - (a) dollar difference between the VBE subcontractor's quote and the average of other subcontractors' quotes received by the Offeror;
 - (b) percentage difference between the VBE subcontractor's quote and the average of other subcontractors' quotes received by the Offeror;
 - (c) percentage that the VBE subcontractor's quote represents of the total contract cost;
 - (d) whether the work described in the VBE and Non-VBE subcontractor quotes (or portions thereof) submitted for review is the same or comparable; and
 - (e) number of quotes received by the Offeror for that portion of the work.
 4. The factors in paragraph 3 above are not intended to be mandatory, exclusive, or exhaustive, and other evidence of an excessive or unreasonable price may be relevant.
 5. The Offeror may not use its price for self-performing work as a basis for rejecting an VBE's quote as excessive or unreasonable.
 6. The "average of the other subcontractors' quotes received" by the Offeror refers to the average of the quotes received from all subcontractors. Offeror should attempt to receive quotes from at least three subcontractors, including one quote from an VBE and one quote from a non-VBE.
 7. The Offeror shall not reject an VBE as unqualified without sound justification based on a thorough investigation of the VBE's capabilities. For each VBE that is rejected as unqualified or that placed a subcontract quotation or offer that the Offeror concludes is not acceptable, the Offeror must provide a written detailed statement outlining the justification for its conclusion. The Offeror also must document the steps taken to verify the capabilities of the VBE and non-VBE Firms quoting similar work.

VBE-4

GUIDANCE FOR DOCUMENTING GOOD FAITH EFFORTS TO MEET THE SMALL DIVERSE BUSINESS (VBE) PARTICIPATION GOAL

- (a) The factors to take into consideration when assessing the capabilities of an VBE include, but are not limited to the following: financial capability, physical capacity to perform, available personnel and equipment, existing workload, experience performing the type of work, conduct and performance in previous contracts, and ability to meet reasonable contract requirements.

- (b) The VBE's standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations (for example union vs. non-union employee status) are not legitimate causes for the rejection or non-solicitation of Proposals in the efforts to meet the VBE participation goal.

E. Assisting Interested VBEs

When appropriate under the circumstances, the procuring agency and BDISBO will consider whether the Offeror made reasonable efforts to assist interested VBEs in obtaining:

1. The bonding, lines of credit, or insurance required by the procuring agency or the Offeror; and

2. Necessary equipment, supplies, materials, or related assistance or services.

III. Other Considerations

In making a determination of Good Faith Efforts, the procuring agency and BDISBO may consider engineering estimates, catalogue prices, general market availability and availability of certified VBEs in the area in which the work is to be performed, other Proposals or offers and subcontract Proposals or offers substantiating significant variances between VBE and non-VBE costs of participation, and their impact on the overall cost of the contract to the Commonwealth and any other relevant factors.

The procuring agency and BDISBO may consider whether the Offeror decided to self-perform potentially subcontractable work with its own forces. The procuring agency and BDISBO also may consider the performance of other Offerors in meeting the VBE participation goal. For example, when the apparent successful Offeror fails to meet the VBE participation goal, but others meet it, this raises the question of whether, with additional reasonable efforts, the apparent successful Offeror could have met the VBE participation goal. If the apparent successful Offeror fails to meet the VBE participation goal but meets or exceeds the average VBE participation obtained by other Offerors, this, when viewed in conjunction with other factors, could be evidence of the apparent successful Offeror having made Good Faith Efforts.

IV. Documenting Good Faith Efforts

At a minimum, the Offeror seeking a Good Faith Efforts waiver of the VBE participation goal or a portion thereof must provide written documentation of its Good Faith Efforts along with its bid or proposal. The written documentation shall include the following:

The Parties shall give full and free access to all such records to the Commonwealth and/or its authorized representatives.

- (c) The Prime Contract; and
- (d) The Procurement.

6. Further Action. The Parties shall take such actions and complete, execute and deliver any and all documents or instruments necessary to carry out the terms and provisions of this Subcontract, to effectuate the purpose of this Subcontract, and to fulfill the obligations of each party hereunder.

7. Description of Services. Subcontractor will perform the following Services for the Contractor which Contractor is obligated to provide to the Commonwealth under the Prime Contract:

[DESCRIBE IN DETAIL THE SPECIFIC SUPPLIES, SERVICES OR CONSTRUCTION THE SUBCONTRACTOR WILL PROVIDE OR PERFORM WITH THE CORRESPONDING UNITED NATIONS STANDARD PRODUCTS AND SERVICES CODES (UNSPSC)]

8. Small Diverse Business or Veteran Business Enterprise Commitment. The above-referenced Services represent ___ % of the final negotiated total cost for the initial term of the Prime Contract. Any proposed change to the Small Diverse Business or Veteran Business Enterprise Commitment must be submitted in writing to the Bureau and the Contracting Officer. The Bureau will make a recommendation to the Commonwealth Contracting Officer regarding a course of action.

9. Performance of Services. Subcontractor may not subcontract more than 50% of the work subcontracted to it hereunder without written permission from the Bureau. Subcontractor will perform the Services strictly in accordance with any applicable plans and specifications as contained in the Prime Contract and the reasonable deadlines set by Contractor in view of the requirements of the Prime Contract, and in a good workmanlike manner consistent with industry standards, meeting all applicable local, state and federal laws, regulations and policies.

10. Location of Services. Subcontractor will provide the Services at the following address(es):

11. Timeframe for Performance of Services. The Services will be provided by Subcontractor during the initial term of the Prime Contract, and during any extensions, options or renewal periods of the Prime Contract exercised by the Commonwealth, as more specifically set forth below:

[IDENTIFY THE SPECIFIC TIME PERIODS DURING THE INITIAL CONTRACT TERM AND EXTENSIONS, OPTIONS AND RENEWALS WHEN THE SUBCONTRACTOR WILL PERFORM COMPONENT SERVICES]

Contractor shall pay Subcontractor in proportion to amounts received from the Commonwealth which are attributable to the Services performed by Subcontractor. Contractor shall pay Subcontractor within fourteen (14) days after the Contractor receives such payment from the Commonwealth, unless the parties expressly agree upon a

different payment schedule or structure as set forth below:

14. Utilization Reports. Both the Contractor and Subcontractor shall complete Monthly Utilization Reports (or similar type documents containing the same information) and submit them to the Contracting Officer and to the Bureau within ten (10) business days at the end of each month. This information will be used to determine the actual dollar amount paid to Subcontractor and will also serve as a record of fulfillment of Contractor's Small Diverse Business and Veteran Business Enterprise Commitments. If there was no activity during the month, then the form must be completed by stating "No activity in this month." A late fee of \$100.00 per day may be assessed against the Contractor if the Contractor's Utilization Report is not submitted in accordance with the schedule above.

15. Change Orders. If the Commonwealth issues any change order or other formal contract instrument either expanding or limiting the work to be performed under the Prime Contract, the Parties shall accept such Change Orders. Contractor agrees to provide Subcontractor with written notice of any such change orders that affect the Services to be provided by the Subcontractor hereunder as soon as practical after Contractor receives such notice. Any resulting increase or decrease in the Services, Small Diverse Business or Veteran Business Enterprise Commitment provided for in Paragraphs 7 or 8 above must be in writing, mutually agreed to, and signed by both Parties and communicated to the Bureau. If the Parties are unable to reach an agreement regarding any adjustment to the Services, Small Diverse Business or Veteran Business Enterprise Commitment necessitated by a Commonwealth Change Order, the Parties must submit the matter in writing to the Bureau which will make a recommendation to the Contracting Officer regarding a course of action.

16. Force Majeure. Neither party will incur any liability to the other if its performance of any obligation under this Subcontract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but are not limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemic and quarantines, general strikes throughout the trade, and freight embargoes. The existence of such causes beyond a party's control shall extend the period for performance to such extent as may be necessary to enable complete performance in the exercise of reasonable diligence after the causes have been removed.

17. Dispute Resolution.

(a) The Parties will attempt to resolve any dispute arising out of or relating to this Subcontract through friendly negotiations.

(1) The Parties expressly acknowledge and confer upon the Bureau and Contracting Officer the authority to adjudicate disputes that the Parties cannot resolve amicably concerning the Parties' compliance with their Small Diverse Business and Veteran

Business Enterprise Commitments as provided in the Prime Contract and this Subcontract.

(2) The Bureau may recommend to the Contracting Officer a range of sanctions it deems appropriate if the Bureau determines a party has failed to satisfy or perform its Small Diverse Business or Veteran Business Enterprise commitment. Such sanctions include, but are not limited to, one or more of the following: a determination that the party is not responsible under the Contractor Responsibility Program; withholding of Prime Contract and/or Subcontract payments; suspension or termination of the Prime Contract and/or Subcontract together with consequential damages; revocation of the party's Small Diverse Business and/or Veteran Business Enterprise verification status; and/or suspension or debarment of one or both parties from future contracting opportunities with the Commonwealth.

(3) The Parties' acknowledge that their prior performance in meeting their Small Diverse Business and Veteran Business Enterprise contractual obligations may be considered by the Commonwealth when reviewing future bids or proposals for responsiveness and responsibility.

(b) Nothing herein shall be construed to prevent either party from seeking such relief as provided by law in a court or tribunal of competent jurisdiction.

18. Notices. Any written notice to any party under this Subcontract shall be deemed sufficient if delivered personally, or by facsimile, telecopy, electronic or digital transmission (provided such delivery is confirmed), or by a recognized overnight courier service (e.g., DHL, Federal Express, etc.) with confirmed receipt, or by certified or registered United States mail, postage prepaid, return receipt requested, and sent to the following:

If to Contractor:

If to Subcontractor:

19. Waiver. No waiver by either party of any breach of this Subcontract shall be deemed to waive any other breach. No acceptance of payment or performance after any breach shall be deemed a waiver of any breach. No failure or delay to exercise any right by a party upon another's default shall prevent that party from later exercising that right, nor shall such failure or delay operate as a waiver of any default.

20. Severability. If any provision of this Subcontract shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Subcontract is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

Important Points

- E-Alerts is an e-mail based system that notifies suppliers of new bids issued by the Department of General Services. This program can be accessed through the PA Supplier Portal at www.pasupplierportal.state.pa.us (for registered suppliers) or through the [DGS Procurement website](#) (for unregistered suppliers).

- E-Alerts are notifications for solicitations issued only by the Department of General Services - Bureau of Procurement (DGS-BOP). DGS-BOP manages procurements for services in excess of \$250,000 and materials in excess of \$20,000.

- Bidding opportunities under \$10,000 are not posted online, and therefore do not fall under the E-Alerts system. Suppliers interested in bid opportunities through other departments or under \$10,000 must still search [PA E-Marketplace](#) or contact the agency's [purchasing agent](#).

- **We recommend that you still check [PA E-Marketplace](#) website on a daily basis.** These E-Alerts are not meant to be the only notification of bidding opportunities. The Department of General Services assumes no risk or liability for any delays, errors or failures in suppliers' receipt of these E-Alerts.

Accessing the E-Alerts System - Overview

The E-Alerts system can be accessed two separate ways.

- Suppliers who have not registered at the PA Supplier Portal (www.pasupplierportal.state.pa.us) may access the E-Alerts system at the [DGS Procurement website](#).

- Suppliers who have registered at the PA Supplier Portal may access the E-Alerts system after logging in to their account (www.pasupplierportal.state.pa.us).

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, PC Connection, Inc. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, PC Connection, Inc. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
