

# Supplementary Vaporizer

## Compact-size supplementary vaporizer for saunas.

Compact wall-mounting vaporizer for saunas. Ideal as an add-on device to increase steam supply in saunas. Can be used with every EOS H-series sauna control unit.

Quick and simple refilling through the steam outlet at the top. Integrated, removable holder for herbs. Suits sauna cabins up to approx. 14 m<sup>3</sup> size.

### Your advantages:

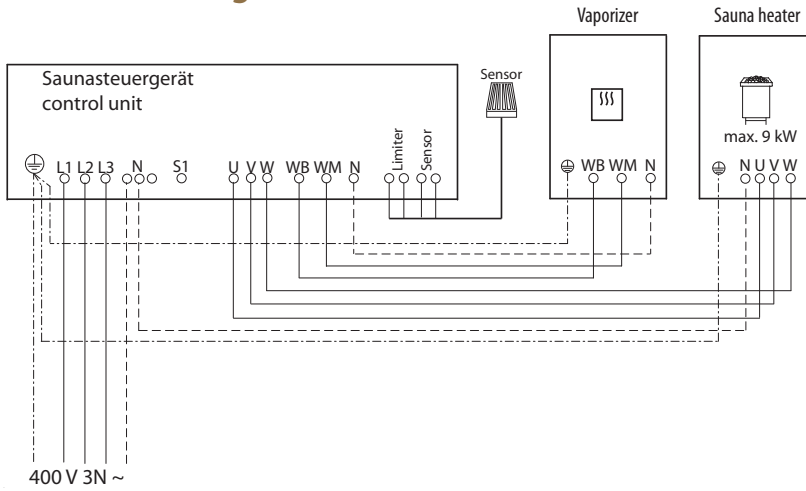

- Place-saving, slim design. Integrated holder for herbs. Wall-mounting construction.
- Powerful steam supply - 2 kW power, 5 l water tank.
- Can be retrofitted in an existing sauna.
- Easy manual refilling through the steam outlet.
- Acoustic low-water alarm and automatic cut-off by water shortage.
- Pre-mounted 3 m connection cable 4 x 1.5 mm<sup>2</sup>.
- Made in Germany quality from EOS.

### Specifications:
