### KP26 – Plan Activity Output on cost center

### **Functionality**

In Direct Activity allocation we need to enter the planned activities on the sender cost center. We can even manually maintain the activity prices on the sender cost center.

#### <u>Scenario</u>

Here we show how the plan activity output is entered on the sender cost center. We plan Plant maintenance hours on the maintenance cost centers.

#### **Requirements**

Activity type and cost center master data must have been created.

Menu Path	Accounting $\rightarrow$ Controlling $\rightarrow$ Cost Center Accounting $\rightarrow$ Planning $\rightarrow$ Activity Output/Prices $\rightarrow$ KP26 - Change
Transaction Code	KP26

1. Double click on **KP26 – Change**.
