

JOINT FAO/WHO FOOD STANDARDS PROGRAMME  
CODEx ALIMENTARIUS COMMISSION  
Forty-fourth Session

EDITORIAL AMENDMENTS TO CODEx TEXTS PROPOSED BY THE CODEx SECRETARIAT

**General Standard for Food Additives (CXS 192-1995)**

In Annex B, Part II, Food Category Descriptors, an editorial amendment in the descriptors for food category 14.1.2 Fruits and vegetable juice is suggested as follows:

*14.1.2 Fruit and vegetable juices: This category applies only to fruit and vegetable juices. Beverages based on fruit and vegetable juices are found in food category 14.1.4.2. Fruit-vegetable juice blends have separate classifications for each component (i.e. fruit juice (14.1.2.1) and vegetable juice (14.1.2.32)).*

The Commission is invited to adopt the proposed amendment as described above.

**Standard for Canned Sardines and Sardine-Type Products (CXS 94-1981)**

In section 2.1, product definition, a space should be added in most of the species names in the English version. The following amendments are proposed:

<b>Current spelling</b>	<b>Amended spelling</b>
<i>Sardinapilchardus</i>	<i>Sardina pilchardus</i>
<i>Sardinops melanostictus</i>	<i>Sardinops melanostictus</i>
