

HP

DeskJet 350C/CBi

Colour Printer

HP DeskJet 350C/CBi

HP's robust, mobile printer for fast, professional-quality documents

The HP DeskJet 350C/CBi is specifically designed to meet the needs of professionals on the move. It's a mobile printer which delivers desktop efficiency without the desk.

Robustly built – a printer you can rely on

- Rugged and durable design – drop-tested and shock-tested to ensure it can withstand hard knocks and drops
- High-volume ink cartridges, for improved cost-effectiveness
- Fast, built-in recharging with NiMH battery with no memory effect
- 30-page automatic sheet feeder for convenient, hands-free printing

Fast, professional-quality printing – desktop efficiency without the desk

- Print speeds of up to 5 ppm for black and 2 ppm for colour – fast printing that doesn't compromise on quality
- Professional-quality black text at 600 x 600 dpi, and vibrant colour images at 600 x 300 dpi
- HP ColorSmart II – a HP technology which analyses documents and automatically optimises imaging capabilities for clearer, more vivid output
- HP SmartFocus, a ColorSmart II feature, which automatically sharpens low-resolution images from the Internet for better quality images

Hassle-free printing on the road

- Infrared adapter for wireless printing anywhere, anytime
- HP's Exclusive Smart Software Features*, which include:
 - LaserJet Margin Emulation, for printing documents formatted for HP LaserJet printers
 - Optimised for photocopy/fax mode, for printed documents that are perfect for faxing or photocopying
 - Easily create watermarks on your documents
- Prints on a wide variety of media – from plain paper, transparencies and labels to HP brochures
- Compatible with Windows® 3.1x, 95, 98, 2000, NT 4.0, MS-DOS and Mac OS (through optional Mac USB or Mac serial cable)

- **Robustly built – a printer you can rely on**
- **Fast, professional-quality printing – desktop efficiency without the desk**
- **Hassle-free printing on the road with long lasting battery and infrared adapter**

HP

DeskJet 350C/CBi

Colour Printer

Flexible, convenient, and very reliable

Robust and reliable

The HP DeskJet 350C/CBi gives you the best of both worlds – mobility combined with desktop efficiency. Its robust design means that it won't let you down, even under the toughest working conditions. It has been drop-tested and shock-tested to ensure it can withstand hard knocks and drops.

Desktop efficiency even when away from your desk

It not only prints beautifully, it's fast, too. The HP DeskJet 350C/CBi prints black and white output at up to 5ppm, and colour output at 2ppm. Despite those high speeds, it doesn't compromise on quality, producing 600 x 600 dpi for black and white and 600 x 300 dpi for vibrant colour images. This printer lets you produce contracts, forms, spreadsheets, or any other business document, and hand them straight to your customer.

Convenient printing on the road

The printer makes printing on the road as easy as in the office. The 30-page sheet feeder gives you convenient, hands-free printing. High-volume ink cartridges (black and colour) don't need to be changed so often and are both cost-effective and convenient.

Fast, flexible recharging means your printer is always available when you need it. The NiMH battery has no memory effect, so it can be partially recharged whenever you get the chance. Another convenient feature is the infrared adapter for wireless printing from a notebook. The smart leather carrying case (optional) can take the printer and your notebook, reducing baggage. For maximum flexibility, the printer is compatible with a wide range of operating systems - Windows®, MS-DOS and Mac OS (via an optional Mac-USB or Mac serial cable).

Comprehensive features for professional printing

The HP DeskJet 350C/CBi comes with HP's exclusive Smart Software features (for Windows only). These include LaserJet Margin Emulation, which makes it simple to print out documents originally formatted for HP LaserJet printers. The photocopy/fax-mode feature lets you create documents optimized for photocopying or faxing. In addition, you can print on a wide variety of media – from plain paper to labels and transparencies.

Robustly built – a printer you can rely on
Rugged and durable design – drop-tested and shock-tested to ensure it can withstand hard knocks and drops

The NiMH battery has no memory effect, so it's no problem to partially recharge it. This makes you more flexible – you can recharge whenever you get the chance. A fully charged battery can print 130 pages of black text in normal mode.

Wireless printing any time, anywhere: with the infrared adapter you can send print jobs from a notebook to your printer without the need for a cable.

High-volume ink cartridges for improved cost-effectiveness (up to 485 pages black at 5% coverage). The printer comes with two cartridges (one black and one colour) plus a convenient storage box for the cartridge not currently in use.

The 30-page portable sheet feeder can be easily attached to the printer for convenient hands-free printing. Without the automatic sheet feeder, it is still possible to feed sheets manually.

Smart leather case (optional) with room for your printer and your notebook

HP DeskJet 350C/CBi Colour Printer

Technical Specifications

Mixed text/colour graphics	up to 2 ppm	0.8 ppm	0.5 ppm										
Print Quality	Black print quality: Up to 600 x 600 dpi with black pigmented ink Colour print quality: 600 x 300 dpi (HP ColorSmart II)												
Software features	In-box printer driver features: LaserJet Margin Emulations**, Optimize for Photocopy/Fax, Handout, Watermark**, MS-DOS Printer control panel utility												
Operating Systems Compatibility	Microsoft® Windows® (3.1x, 95/98, NT 4.0); MS-DOS, Mac, Infra-Red support with Windows® 98 and Windows® 2000 only												
Minimum System Requirements	Microsoft® Windows® 3.1x: 486 66 MHz, 8 MB RAM; Microsoft® Windows® 95/98: Pentium® 60 MHz, 16 MB RAM; Microsoft® Windows® 2000: Pentium® 166, 32 MB RAM; Microsoft® Windows® NT 4.0: Pentium® 60 MHz, 24 MB RAM; Mac OS 8.1 or above: 32 MB RAM; MS-DOS 3.3. or above: 486, 4 MB RAM												
Recommended System Requirements	Microsoft® Windows® 95/98: Pentium® 300, 32 MB RAM; Microsoft® Windows® NT 4.0: Pentium® 300, 64 MB RAM; Mac OS 8.6: 64 MB RAM												
Memory	512 Kb built-in RAM, 32 Kb receiver buffer												
Printer Language	HP PCL Level 3 enhanced												
Built-in fonts	8 built-in fonts, 4 each in Portrait and Landscape orientations: CG Times, CG Times Italic, Univers, Univers Italic, Courier, Courier Italic, Letter Gothic, Letter Gothic Italic (Euro symbol supported)												
Duty Cycle	500 pages/month												
Recommended Media Weight	Paper: 60 to 90 g/m ² (16 to 24 lb)												
Media and Media Size	Paper: A4 210 x 297 mm, Transparencies: A4 210 x 297 mm, Labels: A4 210 x 297 mm												
Media Handling	Manual feed: single sheet only Portable Auto-Sheet feeder: up to 30 sheets												
Interface and Connectivity	IEEE 1284 with Plug & Play - Centronics parallel compatible; Infrared (IRDA compliant) for Win98 and Win 2000, USB iMac cable for Macintosh; Serial cable for Macintosh												
Dimensions (W x D x H)	Printer only: 400 x 66 x 150 mm (12.2 x 2.6 x 5.9 in) Printer with portable sheet feeder: 400 x 94 x 150 mm (12.2 x 3.7 x 5.9 in)												
Weight	1.95 kg (4.3 lb); 2.45 kg (5.4 lb) with portable sheet feeder												
Power Requirements	Built-in power module: Input Voltage 100 to 240 VAC (±10%); 50/60 Hz (± 3 Hz) Battery: NiMH -1600 mAh (6VDC)												
Battery Characteristics	Time for battery charge: -1 hr 40 min. (based on empty to full charge only) Built-in battery quick charger Pages printed with one charge: 130 black text, normal												
Power Consumption	Stand-by and Idle mode: 2.5 W Printing mode: 14.3 W max												
Operating Environment	Maximum operating temperature: 5° to 40°C Recommended operating conditions for best print quality: Temperature: 15° to 35°C Storage temperature: -40° to 60°C Relative Humidity: 20% to 80% RH non-condensing												
Warranty	1 year												

* Approximate figures. Exact speed will vary depending on the system configuration, software program, and document complexity

** Not available with Mac driver

Ordering Information

Number	Description
C2697A	HP DeskJet 350C Printer
C2698A	HP DeskJet 350CBI Printer

Print Cartridges:

C6628A	HP Black inkjet print cartridge
51649A	HP Colour inkjet print cartridge

Supplies/Accessories:

C3393A	HP Infrared Adapter (IRDA compliant)
C3394A	HP NiMH Battery
C3397A	Mac serial cable
C3399A	Mac USB (Universal Serial Bus) kit with USB cable
C4039B	HP Carrying Case
C3061A	HP IEEE-1284 compatible A-B Parallel Cable 2m

Media:

C51825A	HP Bright White Inkjet Paper A4 size, 500 sheets
51634Z	HP Premium Inkjet Coated Paper A4 size, 200 sheets
C6818A	HP Professional Brochure & Flyer Paper, A4-size, 50 sheets
C3835A	HP Premium Transparency Film, A4 size, 50 sheets
C3832A	HP Premium Transparency Film, A4 size, 20 sheets
C6042A	HP Greeting Card Paper, A4-size, 20 sheets, 20 envelopes

Box Content:

Printer, 30-page sheet-feeder, ink cartridges (one colour, one black), storage box for cartridge, power adapter, driver CD, NiMH battery (DeskJet 350CBI only), infrared adapter (DeskJet 350CBI only).
