Cordless 1500 Rechargeable Desktop

Logitech

Cordless freedom with energy-saving performance

With its stunning design featuring contemporary high gloss details, the Cordless 1500 Rechargeable Desktop delivers cordless freedom with energy-saving performance and control. The keyboard is equipped with an array of productivity features such as Calculator, Email, Media, and Internet. The rechargeable cordless mouse keeps on going without the need for replacement batteries, boosting productivity with its essential internet navigation buttons. Simple to install, the desktop works out of the box without having to load any additional drivers. Its simple brown-box packaging has been optimised for system builders, integrators and value-added resellers. Comes with a 3-year warranty.
