MUR 7959

OFFICE OF  
GENERAL COUNSEL

2022 FEB -8 PM 12: 58

Dear General Council,

I received a two page letter from Mary deBeau, Paralegal Specialist from your office, dated Dec. 21, 2021. However, because of the Pandemic, I received the letter of instructions how to properly file complaints way after Christmas, and as I was away, I only read it past New Years (letter enclosed). I am an 89 year old widower, a retired architect who lives alone. I am technically past your 15 day deadline, but the circumstances around this particular time made this impossible.

I am lodging a formal complaint against ActBlue, 366 Summer St, Somerville, Maine 02144, consolidator of "Grass Root" donations for the Democratic Party, and against the UBS Financial Services, Inc. Client Relations, at P.O. Box 766, Union City 67087 for not answering my letter of complaint dated Nov. 18, 2021. I include documentation that I originally sent to you, plus addition information I obtained only recently. My full name is George Yourke and I live at New York, NY 10023. I have this letter notarized that I am who I state I am.

My complaint is that I was illegally charged by ActBlue multiple times, as documented by all my 2021 UBS Credit Card Statements, marked where the fraud seems to have occurred, a personally annotated list of my UBS credit card donations when I began to suspect fraud (Sept. 2-Nov.05, 2021) and a 3 part list of a total of 71 pages of ActBlue donations I obtained two days ago from UBS. None of them match. The major complaints is that there are 491 charges to "DONATETODEMS", that I do not know, never authorized, and numerous double billings of actual donations to organizations I approved of, but which slowly increased to duplicate the amount, date and even time, and ultimately charged sequentially, nor reflected in my personal list, nor in the 71 page list sent by UBS. I have changed my credit card and tediously unsubscribed from all organizations that use only ActBlue to collect donations. Yet I still receive complaints of not being able to process the false donations from old recipients still using my old credit card without authorization.

Dear Mr. Yourke:

This is in response to your letter to the Federal Election Commission (the "Commission"), received on December 15, 2021. The Commission is an independent regulatory agency charged with administering and enforcing the Federal Election Campaign Act of 1971, as amended (the "Act"), and Chapters 95 and 96 of Title 26, United States Code.

The Act and Commission regulations require that a complaint meet certain requirements. Your submission does not meet these requirements. Specifically, your submission was not sworn to and notarized, as required under the Act. Consequently, the Commission can take no action at this time unless the allegations are refiled meeting the requirements for a properly filed complaint.

We have provided below a listing and description of the required prerequisites to file a legally sufficient complaint, along with some suggested items that should be included in your resubmission in order to assist the Commission in processing the matter.

- (1) A formal complaint should contain a clear and concise recitation of the facts describing the violation of a statute or law over which the Commission has jurisdiction. (11 C.F.R. § 111.4).
- (2) Its contents must be sworn to and signed in the presence of a notary public and shall be notarized. (52 U.S.C. § 30109(a)(1); 11 C.F.R. § 111.4(b)(2)). The notary must indicate as part of the jurat that such swearing occurred. The preferred form is "Subscribed and sworn to before me on this \_\_\_ day of \_\_\_, 2021."
- (3) A formal complaint should be accompanied by supporting documentation if known and available to the person making the complaint. (11 C.F.R. § 111.4).
- (4) A complaint must be in writing. (52 U.S.C. § 30109(a)(1)). *During this time, a complaint may be emailed if you are in a state in which electronic notarization is available.*
- (5) A formal complaint must contain the full name and address of the person making the complaint. (11 C.F.R. § 111.4).

- (6) A formal complaint should clearly identify as a respondent each person or entity who is alleged to have committed a violation. (11 C.F.R. § 111.4).
- (7) A formal complaint should identify the source of information upon which the complaint is based. (11 C.F.R. § 111.4).

This matter will remain confidential for a 15 day period to allow you to correct the defects in your complaint. Any corrections to your complaint must be submitted in writing to the General Counsel at the FEC's street address, or submitted by email to [EnfComplaint@fec.gov](mailto:EnfComplaint@fec.gov), if you are in a state in which electronic notarization is permissible.

Please note that complaints received by mail on or after June 18, 2020, will not be processed on a daily basis until the Commission resumes normal mail operations. Therefore, the Commission asks that anyone filing an enforcement complaint by mail also send an electronic copy of the complaint to [EnfComplaint@fec.gov](mailto:EnfComplaint@fec.gov).

The Commission encourages the use of electronic signatures and notarizations where permitted by state law. Electronically submitted copies of complaints that otherwise appear to be in order will be deemed received on the date the copy was electronically received by staff. Complaints that are filed only by mail will be deemed received when actually received by Office of General Counsel staff, subject to mail processing delays. For further information on filing a complaint, please visit our website at <https://www.fec.gov/legal-resources/enforcement/complaints-process/how-to-file-complaint-with-fec/>. "Page not found"

If the complaint is corrected and refiled within the 15 day period, the respondents will be so informed and provided a copy of the corrected complaint. If the complaint is not corrected, the file will be closed and no additional notification will be provided to the respondents.

New York, NY 10023.

My complaint is that my credit card was illegally charged by ActBlue multiple times throughout 2021, as documented by my UBS Credit Card Statements for that year, List A Sept. 27 to Oct. 23, 2021 and List B Aug. 27 to Sept.26, 2021. As described in the attached documentation, there are 42 double sequential charges and 22 single charges, all to "Donate to Democrats" and to whom I have never donated, and although asked (covering letter for documentations, Nov. 18, 2021) for identification from the UBS Financial Services Client Relations, I never received an answer. There are 6 other grass root donations I made as a single donation that were doubled without my authorization, again sequentially.

Re: UBS Visa Signature Credit Card Old:  
 New:

Dear UBS Financial Services,

I am a widower and live alone the past 10 years and am 89 years old. I seem to be plagued with robo calls, scam mail and credit card fraud.

Upon reviewing my Credit Card Statements of **List A**, 08-27 & 09-25-21 and **List B**, 09-27&10-26-21, I find a lot of what I would consider outright fraud. I am enclosing a copy of donations I have made, and wrote down personally, once I began to suspect illegal activities. I also am sending copies of my UBS statements to all who are copied this letter. It starts with unidentified ActBlue "Donate to Democrats", an organization I do not know and never donated to.

**LIST B:** The first few entries are possibly two separate Democratic donations, but hidden under your general subject matter, with the same date, but different amounts (09/24, 09/25). But right away, the donations to this mysterious "Donate to Democrats" starts to duplicate date, amount and immediate sequencing (08/30 for times for \$10 and \$5, 09/25 twice for \$10, 10/04 twice for \$5, 10/06 twice for \$10, 10/08 twice for \$4.50, 10/09 twice for \$5 10/11 twice in sequence for \$8.50 and \$10, 10/17 twice for \$7.50, 10/18 four times for \$5, 10/19 twice for \$5, 10/20 four times for \$5. Scattered across the statement are many individual Amounts for the mysterious "Donate to Democrats": 08/26, 08/27, 08/30, 08/30, 08/31, 09.02, 09/04, 09/07, 09/09, 09/15, 09/18. I want all these mysterious charges identified.

I also question the double identical charges, same date in sequence, against the following: Moms Fed Up, \$5 twice on 10/04, Operation 147 for \$15 and \$22 on 10/04, Move On Org., twice on 10/12 for \$10, twice on Emily's List on 10/14, for \$35 twice on Alexandria Oc on 10/21 for \$10.

Two charges on 10.14, in sequence, on 10/14, to Plaskib\*PLSKCREAM and Syafria\*GETSAFRIRACTEA are simply sheer fraud. Each are for \$119.88. I never ordered anything from them.

**LIST A:** I began to check the next to latest credit card statement, and found the same fraud. The mysterious "Donate to Democrats" appeared again, double charger on the same date, same amount and in sequence: 08/28, 08/29, 08/30 four times, 09/01, 09/05, 09/06, 09/06, 09/10, 09/11, 09/16, 09/17, 09/20, 09/21.

Then there is a series of single charges to "donate to Democrats I do not recognize and want to know exactly who is this organization is: 8/26 for \$10, 8/27 for \$20, 8/30 for \$20, 8/31 for \$10, 9/02 for \$20, 9/04 for \$10, 9/07 for \$5. 9, 9/09 for \$10, 9/014 for \$10, 09/13 for \$10, 9/18 for \$10,

Then, there are double donations at the same day and in sequence to Ameripac as on 9/06 for \$5 and \$10, Emily's List on 9/09 for \$20, MoveOn on 9/ 12 for \$10, Josh Shapiro on 9/25 for \$5.

Of course, I can most probably find donations that are not listed in my own, private list, but that is a very tedious job that should be done because your ActBlue organization is rife with fraud.

I have changed my credit card and do not expect ever to donate through ActBlue again. **I insist that ActBlue be completely eliminated from ever emailing me anything again.**

George Yourke

**Re: Fraud within the ActBlue Democratic Collections Agency**

Dear FEC,

As you can see in the enclosed credit card statements, I am a solid Democrat, yet I have a serious complaint against the very ActBlue Agency that collects donations for the Democratic Party. I am also an 89 year old widower, who lives alone for the past 10 years and is plagued with fraud, robo calls and very dubious mail.

Last year's election contributions via ActBlue were also very fraudulent and I sent emails to ActBlue so stating with examples, but never got an answer. As the cheating was for the Democratic Party, I let it go. But now, it continues with billings to unknown to me parties (Donate to Democrats) which I never heard of, and double billing the same amount on the same date, often charged sequentially. And to other organizations, as well.

I have begun to write down each of my donations by hand, in order to document the fraud. I enclose the letter of protest I am mailing to my credit card company, UBS Financial Services with documentation in order to clear up what I consider fraud.

Sincerely yours,

George Yourke

Dear Mr. Hill,

I have just received and reviewed my credit card statement (copy enclosed) and I'm shocked at the total sum, mostly from ActBlue.

I believe that ActBlue is a fraudulent organization. I have so stated to you and various candidates seeking funds, numerous times. Your web site hides the buttons to ensure that the donation is one-time-only. I now exert a very careful review of my donation and receipt that it is marked one-time-only. Yet I find it 'recurrent' in my credit card statements. I have objected numerous times, and you are quick to correct this. And you always state that it's not you, but the choice of the customer. It is YOUR web site. There are no other options for the customer to choose from. This has continued for years. Occasionally there is even a donation listed I did not make.

Recently, I have made copies of all my transactions with ActBlue. I will assemble them and send this to all my elected officials, all candidates who seek funding from me, and all City, State and Federal agencies in charge of protecting the consumer, including the Consumer Financial Protection Bureau, which I had been hesitating to do this last year. I am an 85 year old liberal Democrat, but your constant, blatant fraud has reached it's limit.

Please rescind ALL ActBlue donations listed in the enclosed credit card statement for 03/256/18 to 04/26/2018 AND to date.
