Re: Dewhurst for Texas *Sua Sponte* Matter

Dear Mr. Jordan:

Dewhurst for Texas ("DFT") hereby provides the following *sua sponte* submission pursuant to the Federal Election Commission's ("FEC" or "Commission") Statement of Policy Regarding Self-Reporting of Campaign Finance Violations, 72 Fed. Reg. 16695 (Apr. 5, 2007), concerning certain violations of the Federal Election Campaign Act of 1971, as amended ("FECA" or "Act"), and Commission regulations.¹ This submission details and documents the information that was provided orally to your office on a *sua sponte* basis in January 2013, and also provides an update on events that have taken place since January relating to these matters.

I. INTRODUCTION

As is detailed below—and as your office was notified orally on a *sua sponte* basis last January—in December 2012 DFT became aware of very serious financial irregularities perpetrated by Kenneth A. "Buddy" Barfield ("Mr. Barfield") during 2011 and 2012. DFT immediately launched an internal investigation which has determined that:

- Mr. Barfield misappropriated approximately \$1.1 million of DFT campaign funds and converted the funds to his personal use.

¹ DFT is Texas Lieutenant Governor David Dewhurst's authorized campaign committee for the U.S. Senate; DFT registered with the FEC on July 19, 2011. Lt. Governor Dewhurst sought the Republican Party nomination for a U.S. Senate seat in Texas during the 2011-12 election cycle. Lt. Governor Dewhurst was the top vote-getter in the May 2012 U.S. Senate Republican primary and advanced to a Republican primary run-off election, which Senator Ted Cruz won on July 31, 2012. Lt. Governor Dewhurst also operates the David Dewhurst Committee ("Dewhurst State Committee"), which is registered with the Texas Ethics Commission and which supports Lt. Governor Dewhurst's state campaigns.

- Mr. Barfield directed the Dewhurst State Committee to pay approximately \$474,000 of expenses and obligations that were incurred by DFT.
- Mr. Barfield paid approximately \$83,000 in DFT campaign obligations using funds from one of his businesses.
- During the fall of 2012, Mr. Barfield intercepted and prevented the mailing of refund checks totaling approximately \$725,000 of general election contributions. Mr. Barfield took this action because DFT, following Mr. Barfield's prior embezzlement of campaign funds, did not have sufficient funds to cover the refund checks. As a result of Mr. Barfield's action, DFT failed to refund the general election contributions within the 60-day time period prescribed by Commission regulations following the Republican primary run-off election held on July 31, 2012.
- To conceal his embezzlement of DFT funds, Mr. Barfield knowingly and repeatedly supplied false financial information to DFT personnel, which caused DFT to file inaccurate disclosure reports with the FEC. These inaccuracies included reporting that the general election contribution refunds noted above had been made, the reporting of a fictitious \$725,000 contribution from Lt. Governor Dewhurst to DFT in September 2012 that was not actually made, and the misreporting of debts owed by DFT to various vendors.

After confirming that the foregoing irregularities had occurred, in January 2013 DFT's counsel contacted the U.S. Department of Justice ("DOJ") and the FEC Office of General Counsel and indicated that DFT wanted to voluntarily report the irregularities simultaneously to DOJ and the Commission and to fully cooperate with both agencies in investigating and resolving these matters. Accordingly, on January 28, 2013, counsel for DFT met with representatives of DOJ and the FEC Office of General Counsel and provided information orally on a *sua sponte* basis concerning these matters. During these meetings with the FEC Office of General Counsel, counsel for DFT indicated that DFT's internal investigation was ongoing and that DFT would provide additional information to the Commission as DFT's internal investigation progressed. Between January 2013 and July 2013, DFT continued its review of these matters and consulted with the FEC Reports Analysis Division ("RAD") to address certain reporting issues.

In addition to the information detailed below, attached as Exhibits A-N hereto are copies of documents in DFT's possession that relate to the various FECA matters discussed herein.

II. FACTUAL BACKGROUND

David Dewhurst is the current Lieutenant Governor of Texas and has held that office since 2003. Mr. Barfield began advising Lt. Governor Dewhurst in the early 1990s and worked in a number of political and campaign capacities during the next 20 years, including serving as the executive director of the Dewhurst State Committee. After DFT registered with the FEC in July 2011, Mr. Barfield was a political consultant for DFT and Jim Bognet served as campaign manager for DFT. In October 2011, Mr. Barfield replaced Mr. Bognet as DFT's campaign manager and Mr. Bognet became a political consultant for DFT. Mr. Barfield served as DFT campaign manager through the May 2012 Republican primary and the July 2012 Republican primary run-off election. Mr. Barfield continued serving as DFT's campaign manager as DFT engaged in wind-down activities following the run-off election.

When DFT was formed in July 2011, Dr. Carlos Hamilton was appointed as treasurer of DFT and Mr. Bognet served as assistant treasurer. On January 31, 2012, Rebekah Balciunas replaced Mr. Bognet as DFT's assistant treasurer; Ms. Balciunas also worked as an office manager for DFT and helped prepare DFT's disclosure reports filed with the FEC. Ms. Balciunas concluded her employment with DFT at the end of October 2012. On October 30, 2012, Mr. Barfield replaced Ms. Balciunas as assistant treasurer of DFT. In January 2013, Curt Beck replaced Mr. Barfield as DFT's assistant treasurer.²

In November 2012, Kevin Lindley became a senior employee of the Dewhurst State Committee. During the last week of November 2012, Richard Millan³ and Ed Shack⁴ requested a meeting with Mr. Lindley concerning the Dewhurst State Committee's upcoming disclosure report to be filed with the Texas Ethics Commission ("TEC"). On December 3, 2012, Mr. Lindley met with Mr. Millan, Mr. Shack, and

³ Mr. Millan is a Certified Public Accountant and the principal of Millan & Company, an accounting firm in Austin, Texas. Both DFT and the Dewhurst State Committee retained Millan & Company for various accounting and financial services. With respect to DFT, Millan & Company was responsible for making disbursements, preparing monthly financial statements, and preparing the disbursement, loan, and debt schedules for DFT's disclosure reports filed with the FEC. DFT also retained CMDI for compliance services, but the scope of CMDI's responsibilities was limited to maintaining a contribution database and generating FEC reports based on disbursement and debt information provided by Millan & Company.

Chandra Hinds⁵ concerning the Dewhurst State Committee's draft TEC disclosure report, which appeared to be inaccurate due to Mr. Barfield's apparent embezzlement of Dewhurst State Committee funds. During this meeting, Mr. Millan indicated that Mr. Barfield also may have embezzled funds from DFT.

On the morning of December 4, 2012, Mr. Lindley telephoned Howard Wolf, an Austin, Texas attorney and longtime legal advisor to Lt. Governor Dewhurst, and relayed what was learned at the meeting the prior day. That afternoon, Mr. Lindley and Mr. Wolf met with Mr. Millan, Mr. Shack, and Ms. Hinds concerning Mr. Barfield's apparent embezzlement scheme. During this meeting, the group reviewed DFT's accounting records and discovered evidence of similar financial irregularities as those experienced by the Dewhurst State Committee. Later the same day Mr. Lindley and Mr. Wolf informed Lt. Governor Dewhurst of Mr. Barfield's apparent embezzlement of funds from DFT and the Dewhurst State Committee. The group then consulted with Roy Minton, a Texas criminal law attorney.

On December 5, 2012, Lt. Governor Dewhurst, Mr. Lindley, Mr. Wolf, Mr. Shack, and Mr. Millan met with Mr. Barfield at the Dewhurst State Committee's offices. Mr. Minton confronted Mr. Barfield about his apparent embezzlement of funds from both DFT and the Dewhurst State Committee and asked Mr. Barfield how much he had embezzled from the two entities. Mr. Barfield reportedly scribbled numbers in a notebook indicating that he thought he needed to repay \$686,000. Mr. Barfield did not specify whether that figure represented funds he had stolen from DFT, the Dewhurst State Committee, or from both entities. Mr. Barfield was immediately fired and escorted out of the Dewhurst State Committee's offices.

DFT and the Dewhurst State Committee thereafter commenced an internal investigation. During December 2012, Mr. Beck reviewed the financial and accounting records for both entities as well as many of Mr. Barfield's personal and business financial records, hard-copy documents, and emails. Mr. Beck met with Mr. Barfield on multiple occasions during December 2012 to review records for DFT and the Dewhurst State Committee in order to determine the amount of money that Mr. Barfield had misappropriated from each committee.⁶ During the course of his investigation, Mr. Beck determined that Mr. Barfield had embezzled significantly more funds from both committees than the \$686,000 amount that Mr. Barfield had indicated during the December 5, 2012 meeting – specifically, Mr. Beck determined that Mr. Barfield had

⁶ Shortly before Mr. Barfield ceased cooperating with DFT and the Dewhurst State Committee's internal investigations, he emailed Mr. Beck with an estimate of each committee's outstanding obligations as a result of his embezzlement. See Email from B. Barfield to C. Beck (Dec. 14, 2012, 3:28 PM CST) (Exhibit B-3). For DFT, this figure was reportedly \$2 million. *Id.*

embezzled approximately \$1.1 million from DFT and approximately \$3.5 million from the Dewhurst State Committee. Mr. Beck also discovered that the Dewhurst State Committee had apparently paid for approximately \$474,000 of expenses and obligations incurred by DFT. In addition, Mr. Beck determined that approximately \$725,000 in general election contribution refunds, which DFT had reported on its 2012 October Quarterly Report as having been made during the reporting period, had in fact not been made, and that a \$725,000 contribution from Lt. Governor Dewhurst, which DFT had reported on its 2012 October Quarterly Report as having been received by DFT on September 29, 2012, had in fact not been received.

The Dewhurst State Committee had a TEC reporting deadline on December 21, 2012. On December 20, 2012, attorneys representing the Dewhurst State Committee met with the Travis County District Attorney's office to voluntarily share information concerning Mr. Barfield's embezzlement of Dewhurst State Committee funds. The Travis County District Attorney's Office indicated that they were interested in investigating the matter and thereafter launched a criminal investigation.

On January 22-23, 2013, counsel for DFT contacted DOJ and the FEC Office of General Counsel and indicated that DFT wanted to voluntarily report the irregularities perpetrated by Mr. Barfield simultaneously to DOJ and the Commission and to fully cooperate with both agencies in investigating and resolving these matters. On January 28, 2013, counsel for DFT met with representatives of DOJ and the FEC Office of General Counsel and provided information orally on a *sua sponte* basis concerning these matters.

III. FECA ISSUES PERPETRATED BY BARFIELD

Mr. Barfield's wrongful actions against DFT during 2011 and 2012 triggered a number of compliance issues under the Act which DFT reported voluntarily on a *sua sponte* basis to the Commission in January.

A. Barfield's Embezzlement of DFT Campaign Funds

DFT's internal investigation has determined that Mr. Barfield embezzled approximately \$1.1 million of campaign funds by knowingly generating and submitting fraudulent invoices to DFT and arranging for DFT to pay the invoices.⁷ It appears that all of DFT's payments of the fraudulent invoices were disclosed on DFT's FEC reports.

⁷ As explained below, Mr. Barfield funneled approximately \$1.2 million of DFT campaign funds into his consulting company through the submission of fraudulent invoices. Since Mr. Barfield's consulting company appears to have paid for a number of DFT obligations, which is discussed in greater

While serving as DFT's senior advisor and campaign manager, Mr. Barfield received, in his individual capacity, a consulting fee of \$17,500 per month for his general consulting services. DFT considers these payments to be for bona fide consulting services that Mr. Barfield performed on behalf of DFT. DFT understood Mr. Barfield's monthly consulting fee to encompass not only Mr. Barfield's services, but also the services of Mr. Barfield's administrative assistant, Theresa Wheatley, in connection with her assistance on DFT matters. A summary of the payment dates and amounts for Mr. Barfield's bona fide general consulting services are provided in Exhibit A along with copies of available supporting invoices.

In addition to the bona fide invoices, Mr. Barfield also submitted invoices to DFT on behalf of Alexander Group Consulting, LLC ("AGC")⁸ for additional consulting services that Mr. Barfield purportedly provided to DFT. Mr. Barfield submitted AGC invoices to DFT for a variety of purported consulting services, including services for "polling," "activist mailer," "conservative mailer," "telemarketing calls," "postage costs," "mail," "advertising," and "media expenses." However, DFT's internal investigation has determined that these invoices were fraudulent as Mr. Barfield did not actually provide the services that were described in the invoices. The first of these phony invoices was dated October 10, 2011.⁹ Through AGC, Mr. Barfield fraudulently invoiced DFT seven more times in 2011 for a total of approximately \$313,000. In 2012, Mr. Barfield funneled approximately \$890,000 of DFT campaign funds into AGC through the payment of 16 more fraudulent invoices. A summary of the fraudulent invoice dates, amounts, and purposes, along with copies of the fraudulent invoices submitted to DFT, are provided in Exhibit B.

Based on available information, Ms. Wheatley, at Mr. Barfield's direction, generated the foregoing fraudulent invoices on behalf of AGC for submission to DFT for payment. As DFT's campaign manager, Mr. Barfield then approved payment of the invoices and directed Rebekah Balciunas, DFT's office manager, to effectuate payment from DFT. Mr. Barfield appears to have specified on the invoices whether the payments

detail in Section III.C, the net amount that Mr. Barfield embezzled from DFT is approximately \$1.1 million.

⁸ DFT understands that Mr. Barfield owns, operates, and is the managing member of Alexander Group Consulting, LLC ("AGC"). Mr. Barfield used AGC as a vehicle for his personal business dealings as well as to embezzle funds from DFT and the Dewhurst State Committee.

⁹ As was noted above, Mr. Barfield served as a consultant for DFT from DFT's inception in July 2011 through October 9, 2011. At that time, Mr. Barfield assumed the role of campaign manager and DFT's prior campaign manager, Mr. Bognet, transitioned to serving as a senior adviser for DFT. On October 10, 2011, Mr. Bognet was removed, and Mr. Barfield was added, as signatory on DFT's bank accounts. The available information indicates that Mr. Barfield's embezzlement scheme began around the time that he became campaign manager for DFT.

should be made by check or wire transfer. Ms. Balciunas then reportedly either directed Millan & Company to cut a check from DFT or initiated a wire transfer online. Based on available information, Ms. Balciunas does not appear to have had any knowledge at the time of Mr. Barfield's embezzlement scheme and believed that she was processing the payments of bona fide invoices submitted to DFT.

B. Barfield Directed the Dewhurst State Committee to Pay for Certain DFT Expenses and Obligations

During DFT's oral *sua sponte* presentation in January 2013, counsel for DFT indicated that between September and December 2012, the Dewhurst State Committee appeared to have paid approximately \$474,000 of expenses and obligations that were incurred by DFT.¹⁰ During Mr. Beck's meetings with Mr. Barfield in December 2012, Mr. Barfield identified a number of invoices made out to and incurred by DFT that Mr. Barfield directed the Dewhurst State Committee to pay. Mr. Barfield reportedly took this action because DFT's vendors were pressing for payment and DFT had insufficient funds to pay the vendors due to Mr. Barfield's prior embezzlement of DFT's funds. To effectuate this scheme, Mr. Barfield reportedly directed Ms. Wheatley to generate phony invoices from the DFT vendors made out to the Dewhurst State Committee. Mr. Barfield and Ms. Wheatley appear to have then submitted these phony invoices to Millan & Company for payment, directing Millan & Company to issue checks for the vendors from the Dewhurst State Committee's account.

Overall, the available information indicates that the Dewhurst State Committee made 24 disbursements to a variety of different vendors for DFT obligations which totaled approximately \$474,000. A listing of these Dewhurst State Committee disbursements, and the available supporting invoices, are attached as Exhibit C. As is outlined in greater detail in Section IV.G below, on January 31, 2013, DFT amended its 2012 October Quarterly Report to reflect a debt incurred to the Dewhurst State Committee for the payment of these expenses. An additional amount incurred was disclosed on DFT's 2012 Year End Report, which was also filed on January 31, 2013.

C. Barfield and His Consulting Company Appear to Have Paid for Certain DFT Obligations

DFT's internal investigation has found evidence that Mr. Barfield and his consulting company, AGC, apparently paid for a number of DFT expenses and obligations totaling approximately \$83,000 between September 2011 and September 2012. The first of these payments appears to have taken place in September 2011, when

¹⁰ As is discussed in Section IV.E below, separate and apart from these transactions, Mr. Barfield appears to also have funneled \$502,500 from DFT into the Dewhurst State Committee's bank account to defray certain Dewhurst State Committee obligations.

Mr. Barfield apparently paid (through his personal checking account) a DFT consultant's monthly retainer fee. Thereafter, AGC began making payments for certain DFT expenses. The first of these apparent payments by AGC was on October 11, 2011, which was the day after Mr. Barfield first embezzled and deposited funds from DFT into AGC's bank account. A listing of the apparent payments that Mr. Barfield and AGC made for DFT expenses, along with copies of available documentation, are attached as Exhibit D.

One of AGC's apparent payments of DFT expenses involved a reimbursement made to Sylvia Anguiano, who is Lt. Governor Dewhurst's personal assistant in Austin, Texas. Mr. Barfield reportedly asked Ms. Anguiano to use her personal credit card to pay for expenses incurred for DFT's primary run-off election night party held on July 31, 2012. Ms. Anguiano reportedly agreed to place the expenses on her personal credit card, which totaled approximately \$35,000. When several weeks passed and Ms. Anguiano had not received a reimbursement check, she reportedly began pressing Mr. Barfield for payment. On September 12, 2012, a \$37,886.84 check from the Dewhurst State Committee was deposited into AGC's bank account. Prior to this deposit, the balance in the AGC bank account was approximately \$160. Later that same day, Mr. Barfield wrote a check to Ms. Anguiano for \$35,786.84 drawn on AGC's bank account. The available documentation for these transactions is contained in Exhibit D-4.

D. Barfield Intercepted and Prevented the Mailing of General Election Contribution Refunds

DFT's 2012 October Quarterly Report, as originally filed, indicated that all contributions designated for the general election were refunded within the 60-day time period prescribed by Commission regulations following the July 31, 2012 primary run-off election. When Mr. Beck reviewed the contents of Mr. Barfield's office in December 2012 after Mr. Barfield's embezzlement scheme was discovered, Mr. Beck found a box containing hundreds of general election refund checks—totaling approximately \$725,000—that were never sent to donors. DFT subsequently re-issued new refund checks, which were mailed to donors on or about February 6, 2013. Mr. Beck and other DFT personnel also determined that an additional \$49,000 in contribution refunds needed to be made. These additional refund checks also were mailed on or about February 6, 2013. The disbursements for these contribution refunds were disclosed on DFT's April 2013 Quarterly Report. Attached as Exhibit E-1 is a listing of the general election contribution refunds that DFT made in February 2013.

DFT's internal investigation found that DFT's finance staff had prepared the refund checks for mailing in late September 2012, prior to the expiration of the 60-day refund period. After the general election refund checks were prepared for mailing, Becca McMullen, DFT's finance director, reportedly placed the refund checks in a locked office and waited for approval from Mr. Barfield to mail the checks to the donors. Soon thereafter, either Ms. Wheatley or Mr. Barfield moved the box of refund checks into Mr.

170274-1110

Barfield's office. Ms. McMullen and other DFT personnel reportedly stressed to Mr. Barfield the importance of mailing the refund checks within the 60-day timeframe.¹¹ Mr. Barfield reportedly told those who questioned him about the general election refund checks that DFT did not have sufficient funds to make the refunds and that he was waiting to receive a contribution from Lt. Governor Dewhurst to provide additional funds to DFT.¹² Ms. McMullen and other members of DFT's finance staff also reportedly notified Mr. Barfield of donor complaints that they had not received their contribution refunds. When asked about the status of the refund checks, Mr. Barfield reportedly told DFT personnel that he was handling the matter.¹³

E. Barfield Knowingly Supplied DFT with False Financial Information, Which Caused DFT to File Inaccurate Disclosure Reports with the FEC

To conceal his embezzlement scheme, Mr. Barfield knowingly supplied DFT personnel and Millan & Company with false financial information that Millan & Company subsequently used to prepare DFT's disclosure reports filed with the FEC.

¹¹ A number of emails sent to and from Mr. Barfield during this time period highlight these discussions. For example, after Ms. McMullen emailed Mr. Barfield on September 21, 2012 outlining the amount of general election refunds that needed to be made, Mr. Barfield replied "OK - let's get checks written dated for Friday. We will pick-up and hold until good funds are in the account." See Email from B. Barfield to B. McMullen (Sept. 25, 2012, 4:07 PM CDT) (Exhibit E-3). Similarly, Ms. Balciunas emailed Mr. Barfield to remind him that "[t]he general contribution refunds need to be dated 9/30/12 (or earlier). However, 9/30 falls on a Sunday. So, either the checks can be cut next Friday (9/28) or earlier." See Email from R. Balciunas to B. Barfield (Sept. 21, 2012, 4:27 PM CDT) (Exhibit E-2).

¹² For example, when Ms. Balciunas asked Mr. Barfield on September 27, 2012 whether "the campaign [was] close to having funds to issue the refunds tomorrow," Mr. Barfield replied that the campaign would "drop checks next week - preparing and dating them tomorrow - expect funds by Saturday to cover." See Email from B. Barfield to R. Balciunas (Sept. 27, 2012, 3:12 PM CDT) (Exhibit E-4). When the refund checks had not been mailed a week later, Ms. McMullen sent a reminder email to Mr. Barfield. See Email from B. McMullen to B. Barfield (Oct. 9, 2012, 12:29 PM CST) (Exhibit E-5) ("Let me know when we should put those refund checks in the mail. They are ready to go."). Mr. Barfield replied that he "hope[d] to cut loose by tomorrow or no later than Thursday. I will let you know." See Email from B. Barfield to B. McMullen (Oct. 9, 2012, 3:27 PM CST) (Exhibit E-5).

¹³ See, e.g., Email from B. Barfield to K. Moomaw (Oct. 30, 2012, 5:31 PM CST) ("We will check and get a response to [Mr. Crain] tomorrow.") (Exhibit E-6); Email from B. Barfield to N. Crain (Nov. 1, 2012, 3:16 PM CST) ("I apologize we are re-dropping them in the mail to you. You should have in the next couple of days.") (Exhibit E-7); Email from B. McMullen to B. Barfield (Nov. 27, 2012, 3:01 PM CST) ("Kevin Moomaw . . . just called and asked if we sent the refund checks. Have they been sent yet? He got another call from Nate Crain last week and is worried about his check. Let me know if I can help with this.") (Exhibit E-8); Email from B. Barfield to B. McMullen (Nov. 27, 2012, 4:24 PM CST) ("I followed-up and talked to Nate and he got his checks.") (Exhibit E-8).

Mr. Jeff S. Jordan, Esq.

Page 10

First, the available information indicates that Mr. Barfield led DFT personnel and Millan & Company to believe that the general election contribution refund checks discussed above, which were issued on September 28, 2012, would be mailed during the following week; accordingly, the contribution refunds were reported as having been made during the reporting period on DFT's 2012 October Quarterly Report. As noted above, however, Mr. Barfield intercepted and prevented these contribution refund checks from being mailed to donors.

Second, Mr. Barfield reportedly informed DFT personnel and Millan & Company that he held a \$725,000 check from Lt. Governor Dewhurst dated September 29, 2012 and that the check need only be deposited into DFT's account. Despite Mr. Barfield's assertions, Lt. Governor Dewhurst, in fact, made no such contribution.¹⁴ This fictitious \$725,000 contribution from Lt. Governor Dewhurst effectively balanced DFT's reported cash-on-hand figure such that the general election contribution refunds discussed above, which were not mailed, could be reported as having been made on DFT's 2012 October Quarterly Report. As discussed in greater detail in the reporting section below, DFT amended its 2012 October Quarterly Report on January 31, 2013 to remove the foregoing fictitious contribution from Lt. Governor Dewhurst. Documentation concerning the phantom contribution from Lt. Governor Dewhurst is provided in Exhibit F.

Third, Mr. Barfield reportedly concealed a significant amount of debt owed by DFT to numerous vendors by intercepting and holding invoices and not informing Millan & Company and DFT personnel of the existence of the outstanding invoices. As a result, the debt owed to these vendors was not reported on DFT's 2012 12 Day Pre-Runoff and October Quarterly Reports. Attached as Exhibit G-1 is a summary of the unpaid vendor invoices that Mr. Barfield reportedly concealed. DFT amended its 2012 October Quarterly Report on January 31, 2013 to include these previously undisclosed debts and, pursuant to discussions with Nataliya Ioffe from RAD, DFT has made subsequent changes to earlier debt schedules via letter.

¹⁴ Ms. Balciunas emailed Mr. Barfield on the evening of September 30, 2012, noting that "[t]he wire from DHD [Lt. Governor Dewhurst] did not go through to the campaign's bank account yesterday. If you/the campaign are in receipt of a check from DHD by today's date, it can count toward this [FEC reporting] quarter." See Email from R. Balciunas to B. Barfield (Sept. 30, 2012, 8:17 PM CDT). In response to Ms. Balciunas' inquiry, Mr. Barfield stated that he was "in receipt of a check. Thanks for your follow-up." See Email from B. Barfield to R. Balciunas (Oct. 1, 2012, 3:42 PM CDT) (Exhibit F-2).

Ms. Balciunas subsequently emailed Mr. Barfield several times, offering to deposit the \$725,000 check from Lt. Governor Dewhurst that Mr. Barfield purportedly had in his possession and asking for information about the contribution. Mr. Barfield largely ignored Ms. Balciunas' emails, responding that he would "get this done" (deposit the check) and indicating that he received the check on September 29, 2012. See Email from B. Barfield to R. Balciunas (Oct. 10, 2012, 11:53 AM CDT) (Exhibit F-3).

IV. SUBSEQUENT EVENTS SINCE DFT'S ORAL *SUA SPONTE* PRESENTATION IN JANUARY

Since DFT's *sua sponte* meeting with the FEC Office of General Counsel in January, a number of additional developments have occurred relating to these matters as detailed below.

A. DFT and Dewhurst State Committee Civil Litigation Against Barfield

On March 22, 2013, DFT and the Dewhurst State Committee filed suit in the 53rd District Court, Travis County, Texas, against Mr. Barfield, AGC, and Mr. Barfield's other business entities seeking to hold Mr. Barfield civilly liable for his misappropriation of campaign funds and to recover such funds. See *David Dewhurst Committee and Dewhurst for Texas v. Kenneth Barfield, et al.*, Case No. D-1-GN-13-000820 (Tex. 53d D. filed Mar. 22, 2013). Copies of the complaint and answer in this ongoing litigation matter are attached as Exhibit H.

As DFT's litigation against Mr. Barfield progresses, DFT will notify the Commission if DFT succeeds in recovering some or all of the campaign funds that Mr. Barfield misappropriated. DFT intends to seek guidance from the Commission on how to properly report any campaign funds that are recovered from Mr. Barfield.

B. Travis County District Attorney Criminal Investigation of Barfield

Shortly after meeting with representatives from DFT and the Dewhurst State Committee in December 2012, the Travis County District Attorney's office commenced an investigation into Mr. Barfield's alleged criminal conduct. To date, Mr. Barfield has not been indicted on any criminal charges. However, DFT understands that the Travis County District Attorney's office is actively pursuing the matter.¹⁵

C. Discovery of Ms. Wheatley's Role in the Embezzlement Scheme

Shortly after Mr. Barfield's embezzlement was discovered in December 2012, DFT and Dewhurst State Committee employees observed that Ms. Wheatley appeared surprised at the revelation and indicated to others that she had no prior knowledge of Mr. Barfield's scheme. However, in the course of conducting its internal investigation and taking discovery in the civil litigation against Mr. Barfield, DFT subsequently learned that Ms. Wheatley not only had knowledge of Mr. Barfield's embezzlement scheme, but

¹⁵ DOJ has not contacted DFT since DFT's oral *sua sponte* presentation on January 28, 2013. DFT understands that the Travis County District Attorney's office is handling the criminal investigation of these matters.

also actively assisted Mr. Barfield in perpetrating the scheme. Ms. Wheatley's employment with the Dewhurst State Committee has since been terminated.

In connection with the civil litigation against Mr. Barfield, counsel for DFT and the Dewhurst State Committee interviewed Ms. Wheatley concerning her knowledge of Mr. Barfield's assets and business dealings, as well as her role in Mr. Barfield's embezzlement scheme. Ms. Wheatley acknowledged during the interview that she knew Mr. Barfield was misappropriating money from DFT to finance his personal business deals, but did not tell anyone. Ms. Wheatley also acknowledged that she knew the Dewhurst State Committee had paid for several DFT obligations, and admitted her role in the creation and submission of fraudulent vendor invoices which were submitted to the Dewhurst State Committee and which were used to effectuate Mr. Barfield's embezzlement scheme.

For example, DFT's internal investigation revealed that on October 25, 2012, Ms. Wheatley received two past due invoices from The Lukens Company that were made out to DFT. On November, 21, 2012, Ms. Wheatley, reportedly at Mr. Barfield's direction, prepared a fraudulent invoice from The Lukens Company, listing the Dewhurst State Committee as the obligated party, and submitted the fraudulent invoice to Millan & Company for payment from the Dewhurst State Committee account. Copies of the foregoing invoices and relevant email traffic are attached as Exhibit I.

D. Discovery of a Straw Donor Scheme Involving Mr. Barfield and Ms. Wheatley

In the course of conducting its internal investigation and taking discovery in the civil litigation against Mr. Barfield, DFT also learned that Ms. Wheatley made a contribution to DFT in the name of another. Ms. Wheatley stated in her interview with counsel for DFT and the Dewhurst State Committee that, on one occasion, when DFT had insufficient funds to pay a vendor, Mr. Barfield transferred \$5,000 from AGC's bank account to Ms. Wheatley's personal bank account. Ms. Wheatley, in turn, made a \$5,000 contribution to DFT.

After finding evidence that Ms. Wheatley had made a \$5,000 contribution in the name of another, DFT promptly disgorged the funds to the U.S. Treasury. Relevant documentation concerning this transaction and DFT's subsequent disgorgement of funds is attached as Exhibit J.

E. Discovery that Mr. Barfield Funneled \$502,650 from DFT to the Dewhurst State Committee

DFT's internal investigation has found evidence that Mr. Barfield ultimately deposited \$502,650 of funds misappropriated from DFT into the Dewhurst State

Committee's bank account in order to meet certain obligations of the Dewhurst State Committee. Specifically:

- On April 12, 2012, Mr. Barfield submitted a fraudulent invoice from AGC to DFT in the amount of \$255,780.14. The fraudulent payment was apparently made via wire transfer on the same day. Mr. Barfield subsequently wired \$252,500 from AGC to the Dewhurst State Committee later that same day. Relevant documentation for these transactions is attached as Exhibit K.
- On July 13, 2012, Mr. Barfield submitted a fraudulent invoice from AGC to DFT in the amount of \$251,436.34. The fraudulent payment was apparently made via wire transfer on the same day. Mr. Barfield subsequently wired \$250,150 from AGC to the Dewhurst State Committee later that same day. Relevant documentation for these transactions is attached as Exhibit L.

Given that Mr. Barfield orchestrated the foregoing transactions such that DFT funds could be used to satisfy \$502,650 of Dewhurst State Committee expenses, DFT may seek leave from the Commission to amend its 2012 October Quarterly and Year End Reports to remove the approximately \$484,000 debt owed to the Dewhurst State Committee.¹⁶

F. Separate from Barfield's Embezzlement of Campaign Funds, DFT Has Taken Corrective Action to Remedy a Number of Excessive Contributions

On January 25, 2013, Bradley Matheson, the RAD Analyst assigned to review DFT's reports, informed DFT's counsel that DFT might receive a referral to the Office of General Counsel or to the Alternative Dispute Resolution Division for failing to remedy certain excessive contributions within the 60 day time period prescribed by Commission regulations. During DFT's oral *sua sponte* presentation to the FEC Office of General Counsel on January 28, 2013, Commission staff also raised this potential referral with DFT's counsel. Since that time, DFT has taken affirmative steps to ensure that all potential excessive refunds noted in Requests for Additional Information ("RFAs") were redesignated or reattributed within the appropriate timeframe or were refunded. Documentation of these corrective steps is attached as Exhibit M.

¹⁶ DFT recently discovered that a Dewhurst State Committee payment for approximately \$9,800, previously thought to have been made on behalf of DFT, was in fact made for services that were provided to the Dewhurst State Committee. For this reason, DFT's FEC reports currently list an approximately \$484,000 debt owed to the Dewhurst State Committee, whereas Exhibit C lists the total amount of DFT expenses paid for by the Dewhurst State Committee as approximately \$474,000. DFT plans to consult with the Commission concerning the appropriate reporting of these matters.

G. DFT Has Consulted with the Commission on a Number of Reporting Matters and Has Worked Proactively to Address the Issues

During DFT's oral *sua sponte* presentation to the FEC Office of General Counsel in January, DFT sought and received guidance from Commission staff on how best to address a number of reporting issues that were caused by Mr. Barfield's actions. Below is a summary of the reporting measures and actions that DFT has undertaken between January and July to rectify certain reporting issues and augment the public record regarding these matters.

1. 2012 October Quarterly Report

On January 31, 2013, DFT filed a second amendment to its 2012 October Quarterly Report.¹⁷ The amended report filed on January 31, which reflected guidance received from Commission staff during DFT's oral *sua sponte* briefing three days earlier, made the following changes:

- Removed the fictitious \$725,000 contribution to DFT from Lt. Governor Dewhurst that was disclosed on the original report but which was not actually made;
- Removed the general election contribution refunds that were disclosed on the original report but which were not actually made during the reporting period;
- Disclosed \$38,793.87 in debt incurred to the Dewhurst State Committee that had not been disclosed on the original report or on the October 18, 2012 amendment to account for payments made by the Dewhurst State Committee during the reporting period; and
- Disclosed additional vendor debt that had not been disclosed on the original report or on the October 18, 2012 amendment.

Although political committees like DFT that file reports on paper are only required to submit pages containing changes when amending reports, the January 31,

¹⁷ On October 15, 2012, DFT timely filed its 2012 October Quarterly Report covering activity from July 12, 2012 through September 30, 2012; DFT's activity from July 1, 2012 through July 11, 2012 had previously been disclosed to the Commission in a Pre-Runoff Report. On October 18, 2012, DFT filed an amendment to its 2012 October Quarterly Report. The October 18, 2012 amendment removed entries on the original report that disclosed redesignations of certain contributions from individuals and entries disclosing an in-kind contribution to DFT from Lt. Governor Dewhurst. As a result of the deletion of the in-kind contribution entries, the summary pages on the October 18, 2012 amendment disclosed total receipts and total disbursements that were each \$7,850.29 less than the total receipts and total disbursements that were disclosed on the original report.

2013 submission amended DFT's 2012 October Quarterly Report in its entirety so that the public record could be as clear as possible. Commission staff confirmed that amending the report in its entirety would be acceptable during DFT's *sua sponte* meeting. A cover letter was also filed with the January 31, 2013 amendment noting that DFT had recently provided the Commission with information on a *sua sponte* basis concerning its internal investigation into Mr. Barfield's activities. The cover letter was likewise filed in accordance with guidance provided by Commission staff at DFT's *sua sponte* meeting. A copy of the cover letter submitted with the January 31, 2013 amendment to DFT's 2012 October Quarterly report is attached as Exhibit N-1.

On June 5, 2013, RAD sent an RFAI regarding the January 31, 2013 amendment to DFT's 2012 October Quarterly Report. The RFAI requested clarification on contributions that the RFAI contended were in excess of contribution limits, 48-hour contribution notice reporting issues, debt reporting issues, and additional debts owed that had not been disclosed previously. A copy of the RFAI is attached as Exhibit N-2. After consulting with Commission staff on certain issues raised in the RFAI, DFT responded to the RFAI on July 8, 2013, prior to the RFAI response due date of July 10, 2013. A copy of DFT's response to the RFAI is attached as Exhibit N-3.

2. 2012 Year End Report

On January 31, 2013, DFT timely filed its 2012 Year End Report covering activity from October 1, 2012 through December 31, 2012. In accordance with guidance from Commission staff received during DFT's *sua sponte* meeting, this report disclosed an additional \$430,601.27 in debt incurred to the Dewhurst State Committee to account for payments made by the Dewhurst State Committee during the reporting period. The report also disclosed other debts incurred in previous reporting periods, including the debt to the Dewhurst State Committee incurred during the 2012 October Quarterly reporting period, that remained outstanding as of December 31, 2012.

This report was also filed with an accompanying cover letter noting that DFT had recently provided the Commission with information on a *sua sponte* basis concerning its internal investigation of Mr. Barfield's activities. The cover letter was filed in accordance with guidance provided by Commission staff at DFT's *sua sponte* meeting. A copy of the cover letter submitted with DFT's 2012 Year End Report is attached as Exhibit N-4.

On June 5, 2013, RAD sent an RFAI regarding the campaign's 2012 Year End report. A copy of the RFAI is attached as Exhibit N-5. The RFAI requested clarification on contributions designated to the 2012 primary election but received after the 2012 primary election occurred and the reporting of certain debts. After consulting with RAD personnel on certain issues raised in the RFAI, DFT responded to the RFAI on July 8,

Buddy,

The general contribution refunds need to be dated 9/30/12 (or earlier). However, 9/30 falls on a Sunday. So, either the checks can be cut next Friday (9/28) or earlier. Was there a particular day you planned to have Becca give the approval to have everything cut? Chandra mentioned this could be a hundred or more checks.

Sincerely,

Rebekah Balciunas

Becca,

1. OK – let’s get checks written dated for Friday. We will pick-up and hold until good funds are in the account.
2. On the \$7,600 – can you send me a list of these folks? Are these all ones that we have no flexibility with? They maxed out to Primary and Runoff and maybe gave a little more?
3. What is the total of this group right now?

Thanks

Here is the updated list. Please note that there are 2 tabs. There is 663K on the triple maxed list that we will need to refund. I attached the list that are being redesignated and there are a few that need partial refunds so to sum it up, this is what we are looking at:

- 1) Triple maxed/ need refunds= 663K
- 2) Partial refunds= 7600
- 3) There are handful of people that sent their form back to request refunds but hopefully we can get these changed so worst case, there will be a few in this category. Other than that, we should be good.

Buddy,

The wire from DHD did not go through to the campaign's bank account yesterday. If you/ the campaign are in receipt of a check from DHD by today's date, it can count toward this quarter. A new quarter begins tomorrow, October 1st.

It would be okay if DHD plans to wire the funds (instead of a hard copy check) tomorrow (thus, after this quarter) but it would be ideal for the campaign to receive the loan by today (e.g. the campaign be in receipt of a hard copy check from DHD since this would be fastest at this point) since refund checks have already been cut.

Sincerely,

Rebekah

Buddy,

We will need to make a copy of the check from DHD for the campaign's records and deposit it as soon as possible. This will also need to be reported on the current report so cash balances with the refunds that were cut.

I can deposit the check this afternoon if you would like.

The entity engaged in business in Texas and this lawsuit arises from its business in Texas. It may be served through its managing member, Kenneth Barfield, whose home address is listed above. It can also be served with process through the secretary of state because the entity is a foreign filing entity that has failed to appoint or did not maintain a registered agent in this state or transacted business in this state without being registered as required by the Business Organizations Code. Alternatively, because the entity is not in good standing in Nevada, Mr. Barfield may be held personally responsible for all of its liabilities and a judgment against Barfield is sufficient to enforce against any asset of Alexander Group Consulting, LLC.

6. Defendant The Alexander Group, Inc. is a Texas corporation with its principal place of business in Austin, Texas. According to the Secretary of State's records, it can be served with process through its president and registered agent for service, Kenneth Barfield, at 1210 San Antonio #700, Austin, Texas 78701. The entity engaged in business in Texas and this lawsuit arises from its business in Texas. It can be served with process through its managing member, Kenneth Barfield, at the address listed above. It can also be served with process through the secretary of state because the entity is a foreign filing entity that has failed to appoint or did not maintain a registered agent in this state or transacted business in this state without being registered as required by the Business Organizations Code. Alternatively, because the entity is not in good standing in Delaware, Mr. Barfield may be held personally responsible for all of its liabilities and a judgment against Barfield is sufficient to enforce against any asset of Austin Properties, LLC.

9. Defendant Western Property Development Company, LLC is a Delaware limited liability company with its principal place of business in Austin, Texas. The entity engaged in business in Texas and this lawsuit arises from its business in Texas. According to the Secretary of State's records, it can be served with process through its managing member and registered agent for service, Kenneth Barfield, at 1008 West Avenue, Austin, Texas 78702.

The entity engaged in business in Texas and this lawsuit arises from its business in Texas. It can also be served with process through the secretary of state because the entity was a foreign filing entity that has failed to appoint or did not maintain a registered agent in this state or transacted business in this state without being registered as required by the Business Organizations Code. Alternatively, because the entity is not in good standing in Nevada, Mr. Barfield may be held personally responsible for all of its liabilities and a judgment against Barfield is sufficient to enforce against any asset of Bentley Resources Nevada.

III.
JURISDICTION AND VENUE

12. The Court has jurisdiction over Defendants because Barfield is a Texas resident and all of the remaining Defendants maintain their principal places of business in Texas, had sufficient minimum contacts with Texas to satisfy Constitutional Due Process, and Defendants purposely availed themselves of the jurisdiction, the matters at issue concern activities occurring in whole or in substantial part in Texas, and the amount in controversy exceeds the Court's minimum jurisdictional limits. Venue is proper in Travis County, Texas, because all or a substantial part of the events or omissions giving rise to the claims occurred in Travis County. TEX. CIV. PRAC. & REM. CODE § 15.002(a).

V.
STATEMENT OF FACTS

13. David Dewhurst is the current Lieutenant Governor of the State of Texas. Since 2004, his state political campaigns have been supported by the David Dewhurst Committee

170444-1M156

EXHIBIT H-1

("DDC"). In 2011, a federal political committee, Dewhurst for Texas ("DFT"), was formed to support Dewhurst's bid for the U.S. Senate. DDC and DFT are nonprofit corporations duly organized under Texas law.

14. Kenneth "Buddy" Barfield is a political consultant based in Austin who has advised and worked for various officeholders and candidates over the past quarter-century, including former U.S. Rep. Jim Collins of Dallas and one-time GOP nominee for governor Clayton Williams. Until recently, he was a longtime political consultant for Dewhurst, who he helped in his first run for office as Texas land commissioner. Barfield quickly positioned himself as a trusted advisor, becoming Dewhurst's campaign manager and an officer and/or director of both DDC and DFT. In 2010, Barfield managed Dewhurst's successful reelection campaign. In 2012, he managed his failed bid for the U.S. Senate.

15. Barfield also owns and operates Alexander Group Consulting, LLC and The Alexander Group, Inc. (collectively "Alexander Group"), a business that provides various types of services, including political consulting services. The DDC was one of the Alexander Group's clients, paying it a monthly consulting fee. Unbeknownst to the DDC or DFT, Barfield was also using the Alexander Group to perpetrate frauds.

16. Sometime prior to 2010, Barfield began stealing money from the Dewhurst political committees through a variety of fraudulent schemes. For example, Barfield would issue numerous invoices from the Alexander Group for services allegedly provided, such as large television ad buys. In reality, such invoices were fake or substantially inflated. When the invoices were paid, Barfield would pocket the money. Barfield thereby had funds to use for one of his other business ventures, such as A.F. Gavin LLC, Austin Properties, LLC, Western Property Development Company, LLC, Bentley Resources Texas and Bentley Resources

1704444444444444

EXHIBIT H-1

Nevada. Because Barfield wholly owned and/or controlled (either directly or indirectly) all of the business entities who are Defendant in this lawsuit, each of them was an active participant in Barfield's fraudulent scheme and is jointly responsible for and bound by all of Barfield's actions.

17. The large amount of activity and expenditures during campaign years allowed Barfield to steal hundreds of thousands of dollars through fictitious and inflated invoices. In non-campaign years, the scheme was harder to pull off. Accordingly, Barfield would attempt to hide his theft of money from committee bank accounts. Since both committees were required to publicly disclose their finances on a regular basis, Barfield's scheme included creating false deposit slips and checks right before reporting deadlines in order to create the impression that monies had been deposited and thus not funds missing.

18. For example, in December 2009 the DDC's cash balance increased from \$644,419.01 to \$1,713,908.79 with related decreases in accounts receivable and undeposited funds to \$0. The increase in cash was supported by a deposit slip for \$678,605.98 dated December 31, 2009. However, the deposit was never made. A review of these three accounts reveals a pattern of similar fake deposits around December 31, 2008, June 30, 2009 and December 31, 2009, all of which coincided with the Texas Ethics Commission's reporting deadlines. After each deadline, the bank deposits were removed from the cash balance and the undeposited funds and receivables were added back to the balance sheet. In other words, Barfield artificially increased the DDC's cash balance by producing fictitious deposit slips that were never received by the bank and did not appear on subsequent bank statements. Barfield continued his scheme in December 2010, providing false deposit slips and checks totaling \$428,650.

19. Barfield soon began using DFT to hide his actions. Realizing he had to find some

EXHIBIT H-1

way to get cash in the DDC account, he twice deposited over \$250,000 into DDC accounts based on fraudulent payments he secured from DFT on the same day. When Dewhurst did not prevail in the U.S. Senate primary election, DFT prepared \$750,000 in donor refund checks for money that had been donated for the general election. Barfield hid the checks under his desk and then fraudulently altered FEC filings to overstate DFT contributions and its cash balance.

20. During the Senate campaign, Barfield announced he would be ending his career in politics and that Dewhurst would need a new campaign advisor. In December 2012, in connection with the employment of a new campaign manager, Barfield's fraudulent scheme was discovered.

21. When confronted, Barfield confessed to the scheme and was immediately discharged. DDC and DFT have now filed amended state and federal campaign reports and are cooperating with law enforcement.

**VI.
CAUSES OF ACTION**

A. Fraud

22. Plaintiffs re-allege and incorporate the allegations set forth above in paragraphs 1 through 16 as if set forth fully in this paragraph.

23. Defendants' scheme was premised on making material, false representations to the DDC and DFT through deposit slips, checks, accountings and regulatory filings. When Defendants made these representations, they knew they were false or made them recklessly, as a positive assertion, and without knowledge of their truth. Defendants made the representations with the intent that Plaintiffs act on them. Plaintiffs relied on the representation, which caused them injury.

1704444111111111111

EXHIBIT H-1

B. Breach of Fiduciary Duty

24. Plaintiffs re-allege and incorporate the allegations set forth above in paragraphs 1 through 17 as if set forth fully in this paragraph.

25. Defendant Barfield was a director and/or officer of the DDC and DFT.

Accordingly, Plaintiffs and Defendants had a fiduciary relationship. Defendants breached their fiduciary duties by engaging in a course of conduct that fraudulently took committee funds, converted them for their personal use and then attempted to hide their theft. Defendants' breaches resulted in injury to Plaintiffs and/or benefit to Defendants.

C. Theft Liability Act

26. Plaintiffs re-allege and incorporate the allegations set forth above in paragraph 1 through 19.

27. Plaintiffs had a possessory interest to their campaign funds. Defendants unlawfully appropriated and/or exercised control over funds by taking them without Plaintiffs' effective consent. Defendants appropriated the funds with the intent to deprive Plaintiffs of them and Plaintiffs sustained damages as a result of the theft.

**VII.
DAMAGES**

28. As a proximate result of Defendants' fraud, breach of fiduciary duty and theft, Plaintiffs have sustained losses and damages including, but not limited to, all money diverted by Defendants' scheme. Plaintiffs further seeks all damages recoverable by law for the causes of action asserted, including without limitation its direct, indirect, consequential, special, and incidental losses.

**VIII
EXEMPLARY DAMAGES**

29. Defendants' acts or omissions, when viewed objectively from Defendants'

standpoint at the time it occurred, involved an extreme degree of risk, considering the probability and magnitude of the potential harm to others. Defendants had actual, subjective awareness of the risk but proceeded with a conscious indifference to the rights, safety, or welfare of others. Accordingly, Plaintiffs further seek exemplary damages in an amount to be determined by the jury.

**IX.
ATTORNEYS' FEES**

30. Pursuant to Texas Civil Practice & Remedies Code 134.005(b), Plaintiffs seek the recovery of its reasonable and necessary attorneys' fees and costs incurred.

**X.
PIERCING THE CORPORATE VEIL**

31. The corporate form for Alexander Consulting Group, LLC, The Alexander Group, Inc., A.F. Gavin LLC, Austin Properties, LLC, Western Property Development Company, LLC, Bentley Resources Texas and Bentley Resources Nevada should be disregarded because the form was used as a sham to perpetrate a fraud, was organized and operated as a mere tool of Barfield and is his alter ego. The corporate form should also be disregarded because it was used to protect against the discovery of a crime and Barfield perpetrated an actual fraud on Plaintiffs primarily for his direct personal benefit.

**XI.
JURY DEMAND**

32. Plaintiffs demands a trial by jury and tender the required fee with this petition.

**XII.
REQUEST FOR DISCLOSURE**

33. Pursuant to Rule 194 of the Texas Rules of Civil Procedure, Defendants are requested to disclose and produce, within 50 days of service of this Request, the information or material described in Rule 194.2.

Re: Disgorgement of Funds Representing Potential FECA Violations

Dear Sir or Madam:

I am writing on behalf of Dewhurst for Texas (C0049350), a political committee registered with the Federal Election Commission.

Enclosed please find a check from Dewhurst for Texas in the amount of \$5,000 payable to the U.S. Treasury. These funds represent potential violations of the Federal Election Campaign Act of 1971, as amended, and should be placed in the "general fund account."

Please do not hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Curt Beck". The signature is written in a cursive, slightly slanted style.

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Commission notes your additional explanation regarding the committee's corrective action taken for some of these contributions.

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,500 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

Please be reminded that all refunds, redesignations and reattributions must be

question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate and/or reattribute the excessive amount will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

A written response or an amendment to your original report(s) correcting the above problems should be filed with the Senate Public Records Office. Please contact the Senate Public Records Office at (202) 224-0322 for instructions on how and where to file an amendment. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1166.

Re: Request for Additional Information dated February 9, 2012 referencing October Quarterly Report (07/19/2011-09/30/2011)

Dear Mr. Matheson:

This letter and the enclosed amendment and documents are being filed in response to the Request For Additional Information ("RFAI") received by Dewhurst for Texas regarding its 2011 October Quarterly Report.

Please note that a contribution to the campaign made by Christina M. Crain on September 30, 2011 was inadvertently reported as a contribution from Nathan E. Crain. The amendment to the campaign's October Quarterly Report filed on January 30, 2011 correctly lists this contribution as a contribution from Christina M. Crain. Nathan E. Crain has not made an excessive contribution to the campaign.

Additionally, please note that the RFAI incorrectly indicates that Charles R. Saulsbury Jr. made a contribution of \$6,000 for the 2012 Primary on September 27, 2011. Mr. Saulsbury contributed \$5,000 for the 2012 Primary on September 27, 2011, \$2,500 of which has since been redesignated to the 2012 General.

Please note that James R. Hawkins made a contribution of \$1,000 on July 29, 2011 and contributed \$4,000 on September 27, 2011. The \$4,000 contribution was reported on the 2011 October Quarterly Report as a contribution from James R. Hawkins in the amount of \$2,000 and from Nell Hawkins in the amount of \$2,000. However, the amendment filed on January 30, 2012 to amend the campaign's October Quarterly Report reflects that James R. Hawkins contributed \$1,500 while Nell Hawkins contributed \$2,500 of the \$4,000 contribution made on September 27, 2011. A reattribution to Nell Hawkins in the amount of \$2,500 occurred on September 27, 2011.

Please also note that a contribution made on September 30, 2011 by Lisa Simmons Epstein in the amount of \$5,000 was inadvertently reported as a contribution from Harold C. Simmons. The

amendment to the campaign's October Quarterly Report filed on January 30, 2012 correctly lists this contribution as a contribution from Lisa Simmons Epstein. As a note, redesignation of \$2,500 occurred on October 15, 2011 and was reported on the campaign's Year End Report filed on January 31, 2012.

The attached amendment is being filed to revise the spelling of donor names listed on page 8, entry "C" and page 75, entries "A" through "C" of the amendment to the October Quarterly Report filed on January 30, 2011.

The attached amendment also corrects entries included in the amendment to the October Quarterly Report filed on January 30, 2011 which inadvertently listed a \$5,000 contribution from Mark Eidman and a redesignation of \$2,500, as well as a \$5,000 contribution from Vicki Eidman and a redesignation of \$2,500. The attached amendment correctly lists these contributions made on September 30, 2011 as \$2,500 per spouse, per election. The entries are contained on page 100, entries "A" through "C" and page 101, entry "A," of the attached amendment.

All other contributions listed in the RFAI have been redesignated, reattributed, or refunded. Copies of refund checks and letters redesignating or reattributing these contributions are enclosed. Redesignations, reattributions, and refunds that occurred on or before December 31, 2011 were disclosed on the campaign's Year End Report. Any redesignations, reattributions, or refunds that occurred on or after January 1, 2012 will be disclosed on the campaign's 2012 April Quarterly Report.

If you have any further questions regarding these matters, please contact me at (512) 682-1082.

Sincerely,

Rebekah Balciunas

Dear Mr. Anders,

Thank you for your generous contribution to Dewhurst for Texas.

Federal election law limits contributions from individuals to \$2,500 per election and with your recent contribution you have exceeded that limit for the Primary election. However, we are allowed to use the portion of your contribution that exceeds \$2,500 for the General election. Accordingly, we have re-designated \$2,500 to the General election.

Should you prefer, we will refund the excess portion of the contribution.

Once again, thank you for your support!

Sincerely,

Dear Ms. Connelly,

Thank you for your generous contribution to Dewhurst for Texas.

Federal election law limits contributions from individuals to \$2,500 per election and with your recent contribution you have exceeded that limit for the Primary election. However, we are allowed to use the portion of your contribution that exceeds \$2,500 for the General election. Accordingly, we have re-designated \$2,500 to the General election.

Should you prefer, we will refund the excess portion of the contribution.

Once again, thank you for your support!

Mr. Charles Hodge

Dear Mr. Hodge,

Thank you for your generous contribution to Dewhurst for Texas.

Federal election law limits contributions from individuals to \$2,500 per election and with your recent contribution you have exceeded that limit for the Primary election. However, we are allowed to use the portion of your contribution that exceeds \$2,500 for the General election. Accordingly, we have re-designated \$2,500 to the General election.

Should you prefer, we will refund the excess portion of the contribution.

Once again, thank you for your support!

Sincerely,

Should you prefer, we will refund the excess portion of the contribution.

Once again, thank you for your support!

Mr. Mark E. Watson, Jr.

Dear Mr. Watson,

Thank you for your generous contribution to Dewhurst for Texas.

Federal election law limits contributions from individuals to \$2,500 per election and with your recent contribution you have exceeded that limit for the Primary election. However, we are allowed to use the portion of your contribution that exceeds \$2,500 for the General election. Accordingly, we have re-designated \$2,500 to the General election.

Should you prefer, we will refund the excess portion of the contribution.

Once again, thank you for your support!

Sincerely,

Response Due Date

07/31/2012

IDENTIFICATION NUMBER: C00499350

REFERENCE: APRIL QUARTERLY REPORT (01/01/2012 - 03/31/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 item(s):

1. Schedule A of your report discloses one or more contributions that appear to be from a corporation(s) and/or labor organization(s) (see attached). 2 U.S.C. § 441b(a) and 11 CFR § 103.3(b) prohibit the receipt of contributions from corporations and labor organizations unless made from separate segregated funds established by the corporations and labor organizations. The Commission notes your additional explanation regarding the committee's corrective action taken for all of these contributions.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

If you have received prohibited contributions, you must make a refund within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(1) and (2))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide a photocopy of any refund checks. Refunds must be reported on a Schedule B supporting Line 20(a) of the report covering the period in which the refund is made. (11 CFR § 104.8(d)(4))

DEWIIURST FOR TEXAS

Page 2 of 5

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

2. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Commission notes your additional explanation regarding the committee's corrective action taken for some of these contributions.

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,500 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

Please be reminded that all refunds, redesignations and reattributions must be made within 60 days of receipt of the contribution. To date, one or more of the apparent excessive contributions have not been refunded, redesignated, or reattributed.

For reattributions, the funds can be retained if, within 60 days of receipt, the excessive amount was properly reattributed to another person. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor who signed the check an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

140441-14440-1

EXHIBIT M-3

DEWHURST FOR TEXAS

Page 3 of 5

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount was properly designated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt, the excessive amount must be refunded. (11 CFR § 103.3(b)(1))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/ or letters reattributing or redesignating the contributions in question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate and/or reattribute the excessive amount will be taken into consideration.

3. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached).

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a

candidate for federal office in excess of \$2,500 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and their affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

The Commission notes your refund of all of these contributions. Please be reminded that all refunds, redesignations, and reattributions must be made within 60 days of receipt of the contribution.

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/or letters redesignating or reattributing the contributions in question. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund the excessive amount will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Please note that contributions made to the campaign by Mike Hopkins are from two different individuals. Information disclosing the separate contributions is enclosed.

Dear Mr. Anwar,

Thank you for your generous contribution to Dewhurst for Texas.

Federal election law limits contributions from individuals to \$2,500 per election and with your recent contribution you have exceeded that limit for the Primary election. However, we are allowed to use the portion of your contribution that exceeds \$2,500 for the General election. Accordingly, we have re-designated \$2,500 to the General election.

Should you prefer, we will refund the excess portion of the contribution.

Response Due Date

07/31/2012

IDENTIFICATION NUMBER: C00499350

REFERENCE: 12 DAY PRE-PRIMARY REPORT (04/01/2012 - 05/09/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 item(s):

1. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Commission notes your additional explanation regarding the committee's corrective action taken for all of these contributions.

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,500 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

Please be reminded that all refunds, redesignations and reattributions must be

1404741-4444074

DEWHURST FOR TEXAS

made within 60 days of receipt of the contribution. To date, one or more of the apparent excessive contributions have not been refunded, redesignated, or reattributed.

For reattributions, the funds can be retained if, within 60 days of receipt, the excessive amount was properly reattributed to another person. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor who signed the check an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount was properly designated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt, the excessive amount must be refunded. (11 CFR § 103.3(b)(1))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/ or letters reattributing or redesignating the contributions in

DEWHURST FOR TEXAS

question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate and/or reattribute the excessive amount will be taken into consideration.

2. Schedule A of your report discloses one or more contributions from an organization(s), which is not a political committee registered with the Commission (see attached). In order for your committee to accept contributions from unregistered organizations, your committee should take steps to ensure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 2 U.S.C. §§441a(f) and 441b or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: (1) establish a separate account which contains only those funds permitted under the Act, or (2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible.

If you have received prohibited contributions, you must make a refund. (11 CFR § 103.3(b)(1)) The refund must be made within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(2))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide a photocopy of any refund checks. Refunds must be reported on a Schedule B supporting Line 20(b) of the report covering the period in which the refund was made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the

170474-11001

prohibited amount will be taken into consideration.

3. Schedule C of your report fails to include information required by Commission regulations. With every report submitted, you must provide the date incurred, the original source and amount of the loan, the due date, the interest rate, the cumulative payment, and the outstanding balance. In addition, if there are any endorsers or guarantors, their mailing address, along with the name of their employer and occupation, must be disclosed. Please amend your report to include the due date for loans received from the candidate on 4/9/12, 4/12/12, 4/17/12, 4/23/12, 5/1/12, 5/7/12, and 5/9/12. (11 CFR §§ 100.52(a), 100.52(b) and 104.3(d))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. Requests for extensions of time in which to respond will not be considered.

A written response or an amendment to your original report(s) correcting the above problems should be filed with the Senate Public Records Office. Please contact the Senate Public Records Office at (202) 224-0322 for instructions on how and where to file an amendment. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1166.

Should you prefer, we will refund the excess portion of the contribution.

September 13, 2012

CARLOS R. HAMILTON JR., TREASURER
DEWHURST FOR TEXAS
1210 SAN ANTONIO STREET SUITE 700
AUSTIN, TX 78701

Response Due Date

10/18/2012

IDENTIFICATION NUMBER: C00499350

REFERENCE: JULY QUARTERLY REPORT (05/10/2012 - 06/30/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Commission notes your additional explanation regarding the committee's corrective action taken for all of these contributions.

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,500 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

Please be reminded that all refunds, redesignations and reattributions must be

110511-11111111

EXHIBIT M-7

DEWHURST FOR TEXAS

Page 2 of 4

made within 60 days of receipt of the contribution. To date, one or more of the apparent excessive contributions have not been refunded, redesignated, or reattributed.

For reattributions, the funds can be retained if, within 60 days of receipt, the excessive amount was properly reattributed to another person. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor who signed the check an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount was properly designated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt, the excessive amount must be refunded. (11 CFR § 103.3(b)(1))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/ or letters reattributing or redesignating the contributions in

EXHIBIT M-7

DEWHURST FOR TEXAS

Page 3 of 4

question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate and/or reattribute the excessive amount will be taken into consideration.

2. Schedule C of your report discloses loans from the candidate where the aggregate amount outstanding in excess of \$250,000.00 was not repaid within 20 days after the primary election.

Outstanding loan amounts from the personal funds of the candidate aggregating in excess of \$250,000.00 and designated to the primary election must be repaid within 20 days after that election. If loans are not repaid by the twenty-day deadline, the committee must treat the portion of the aggregate outstanding balance that exceeds \$250,000.00 as a contribution from the candidate, which cannot be repaid. (11 CFR § 116.11)

If any of the apparent loans in question were incompletely or incorrectly disclosed, you must amend your original report with the clarifying information. Otherwise, you must amend your report to show the outstanding balance of candidate loans for the primary election exceeding \$250,000.00 as a contribution from the candidate.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

A written response or an amendment to your original report(s) correcting the above problems should be filed with the Senate Public Records Office. Please contact the Senate Public Records Office at (202) 224-0322 for instructions on how and where to file an amendment. If you should have any questions regarding this matter or wish to

Mr. Edward Abraham

Dear Mr. Abraham,

Thank you for your generous contribution to Dewhurst for Texas.

Federal election law limits contributions from individuals to \$2,500 per election and with your recent contribution you have exceeded that limit for the Primary election. However, we are allowed to use the portion of your contribution that exceeds \$2,500 for the Runoff election. Accordingly, we have re-designated \$2,500 to the Runoff election.

Should you prefer, we will refund the excess portion of the contribution.

Once again, thank you for your support!

Sincerely,

CARLOS R. HAMILTON JR., TREASURER

Response Due Date

10/18/2012

IDENTIFICATION NUMBER: C00499350

REFERENCE: 12 DAY PRE-RUN-OFF REPORT (07/01/2012 - 07/11/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Commission notes your additional explanation regarding the committee's corrective action taken for all of these contributions.

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,500 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

Please be reminded that all refunds, redesignations and reattributions must be

1700444110001

EXHIBIT M-9

DEWHURST FOR TEXAS

Page 2 of 3

made within 60 days of receipt of the contribution. To date, one or more of the apparent excessive contributions have not been refunded, redesignated, or reattributed.

For reattributions, the funds can be retained if, within 60 days of receipt, the excessive amount was properly reattributed to another person. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor who signed the check an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount was properly designated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt, the excessive amount must be refunded. (11 CFR § 103.3(b)(1))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/ or letters reattributing or redesignating the contributions in

question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Resignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate and/or reattribute the excessive amount will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. Requests for extensions of time in which to respond will not be considered.

A written response or an amendment to your original report(s) correcting the above problems should be filed with the Senate Public Records Office. Please contact the Senate Public Records Office at (202) 224-0322 for instructions on how and where to file an amendment. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1166.

Dear Friends,

Thank you for your generous contribution to Dewhurst for Texas.

Federal election law limits contributions from individuals to \$2,500 per election and with your recent contribution you have exceeded that limit for the Primary election. However, we are allowed to use the portion of your contribution that exceeds \$2,500 for the Runoff election. Accordingly, we have re-designated \$2,500 to the Runoff election.

Should you prefer, we will refund the excess portion of the contribution.

Once again, thank you for your support!

Sincerely,

A handwritten signature in black ink that reads "Becca McMullen".

Mr. Sam L. Susser

Dear Mr. Susser,

Thank you for your contribution to Dewhurst for Texas.

As you may know, the strict regulations of the Federal Election Campaign Act limit individual contributions to \$2,500 per person per election. However, it is permissible to reattribute up to \$2,500 to your spouse for the Primary election and use the remaining portion of your contribution for the Runoff election. Therefore, we have attributed your contribution of \$10,000 as follows:

\$2,500 to the Primary from Sam Susser

\$2,500 to the Runoff from Sam Susser

\$2,500 to the Primary from Catherine Susser

\$2,500 to the Runoff from Catherine Susser

If you prefer, we will refund the excess portion of the contribution.

Thank you once again for your generous support!

Sincerely,

A handwritten signature in black ink that reads "Becca McMullen".

REFERENCE: AMENDED OCTOBER QUARTERLY REPORT (07/12/2012 - 09/30/2012),
RECEIVED 01/31/2013

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 8 item(s):

1. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Commission notes your additional explanation regarding the committee's corrective action taken for some of these contributions.

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,500 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

Page 2 of 5

Please be reminded that all refunds, redesignations and reattributions must be made within 60 days of receipt of the contribution. To date, one or more of the apparent excessive contributions have not been refunded, redesignated, or reattributed.

For reattributions, the funds can be retained if, within 60 days of receipt, the excessive amount was properly reattributed to another person. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor who signed the check an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount was properly designated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt, the excessive amount must be refunded. (11 CFR § 103.3(b)(1))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/ or letters reattributing or redesignating the contributions in question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate and/or reattribute the excessive amount will be taken into consideration.

2. Schedule A of your report indicates that your committee may have failed to file one or more of the required 48-hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-Runoff Report (see attached). A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. The failure to file 48-hour notices may result in civil money penalties or legal enforcement action. If any contribution of \$1,000 or more was incorrectly reported, you must amend your original report with the clarifying information. (11 CFR § 104.5(f))

3. Your committee filed 48-hour notices reporting the following "last minute" contributions (see attached). However, these contributions do not appear on Schedule A of this report. Please amend your report to include these contributions or provide an explanation of these apparent discrepancies. (11 CFR § 104.3(a)(4)(i))

4. Your committee filed 48-hour notices disclosing "last minute" contributions (see attached). However, only partial amounts of these contributions have been disclosed on Schedule A of this report. Please amend your report to include the entire amounts of these contributions or provide an explanation of the apparent discrepancies. (11 CFR-§ 104.3(a)(4)(i))

5. Schedule B supporting Line 20(a) discloses the refund of contributions received from: Pat Burns, Jeff Hicks, Douglas Schnitzer, and Charlya Ward. However, it appears that these contributions were not previously reported by your committee. Please amend the appropriate report(s) to disclose the original contribution or provide clarifying information. (2 U.S.C. § 434(b) and 11 CFR § 104.3(a) & (b))

6. Schedule D of your report itemizes debts owed to Millan and Company, Wiley Rein, LLP, and Texas Association of Companies with an outstanding beginning balance. These debts were not included on your previous report. Please file an amendment to your report(s) to correct this discrepancy. (11 CFR § 104.11(b))

7. Your report discloses a debt owed to The Lukens Company with an outstanding beginning balance of \$25,636.13. The previous report filed by your committee discloses a closing balance of \$15,131.19. These amounts should be the same. Please correct this discrepancy and file an amendment to your report(s). (2 U.S.C. § 434(b)(8) and 11 CFR § 104.11)

8. Your amended report discloses an increase in debts totaling \$951,334.96 on Line(s) 10 of the Summary Page from those disclosed on your original report. Please provide clarifying information as to why this activity was not disclosed on your original report. (11 CFR § 104.3)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

A written response or an amendment to your original report(s) correcting the above problems should be filed with the Senate Public Records Office. Please contact the Senate Public Records Office at (202) 224-0322 for instructions on how and where to file an amendment. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1166.

Patrick J. Studdert contributions should be listed as P2012- \$2,500 and R2012- \$2,500. He was refunded \$2,500 for overpayment. His total contribution equals \$5,000.

Welcome Wilson, Sr. contributions should be listed as P2012- \$2,500 and R2012- \$1,000. His total contribution equals \$3,500.

2. The following missing 48 hour notices were reported and a copy is attached: Kelly Eltife and Walter Scott Light. James Morgan was not reported but should have been reported as a \$5,000 contribution on July 27, 2012.
3. The contributions reported on the 48-hour report should also be reported on Schedule A of the report.
4. The 48-hour notices reporting the contributions should reflect the entire amounts of the contributions rather than just the partial amounts
5. After reviewing our amended October, 2012 filing, we could not see where Pat Burns, Jeff Hicks, Douglas Schnizer and Charlya Ward were listed as refunds in our filing. Please indicate which pages that you see that they were reported on and we will be glad to research the issue.
6. It is our understanding based on discussions with Nataliya Ioffe that the Dewhurst Campaign may make changes to debt schedules on reports covering activity during the 2011-2012 election cycle in letter form rather than amending those reports.

The debt of \$7,501.70 owed to Wiley Rein, LLP was originally incurred during the 2012 Pre-Runoff reporting period but was not disclosed as an outstanding debt on the Dewhurst Campaign's 2012 Pre-Runoff report. This debt was properly disclosed on the Dewhurst Campaign's 2012 October Quarterly report and 2012 Year-End report. The repayment of this debt was properly disclosed on Schedules B and D of the Dewhurst Campaign's 2013 April Quarterly report.

The debt of \$7,865.47 owed to Millan and Company was originally incurred during the 2012 October Quarterly reporting period. Accordingly, this amount should have been included in the "Amount Incurred this Period" field rather than the opening balance field on the October Quarterly report. This debt was properly disclosed on the Dewhurst Campaign's 2012 Year-End report and the repayment of this debt was properly disclosed on Schedules B and D of the Dewhurst Campaign's 2013 April Quarterly report.

The debt of \$3,212.32 owed to Texas Association of Counties was originally incurred during the 2012 Pre-Runoff reporting period but was not disclosed as an outstanding debt on the Dewhurst Campaign's 2012 Pre-Runoff report. This debt remains outstanding and was properly disclosed on the Dewhurst Campaign's 2012 October Quarterly report, 2012 Year-End report, and 2013 April Quarterly report.

7. The additional debt of \$10,504.94 that was reported for The Lukens Company was originally incurred during the 2012 Pre-Runoff reporting period but was not disclosed as an outstanding debt on the Dewhurst Campaign's 2012 Pre-Runoff report. This debt remains outstanding and was properly disclosed on the Dewhurst Campaign's 2012 October Quarterly report, 2012 Year-End report, and 2013 April Quarterly report.
8. Regarding the additional \$951,334.96 in debt reported on the Amended 2012 October Quarterly report, the Dewhurst Campaign would like to refer the Commission to the cover letter that accompanied the Amended 2012 October Quarterly report (copy enclosed). Additional debts referenced in that cover letter will be more fully explained in a forthcoming *sua sponte* presentation. I would ask for the Committee's patience until their receipt of the forthcoming *sua sponte* presentation in order to fully resolve this issue.

Please do not hesitate to contact me if you have any questions. The Dewhurst Campaign looks forward to continuing to cooperate fully with the Commission in this matter.

Re: Amended 2012 October Quarterly Report

Dear Mr. Matheson:

Dewhurst for Texas ("Dewhurst Campaign"), pursuant to the Federal Election Commission's ("Commission") Statement of Policy Regarding Self-Reporting of Campaign Finance Violations, 72 Fed. Reg. 16695 (Apr. 5, 2007), recently provided the Commission with information, on a *sua sponte* basis, concerning an internal investigation conducted by the Dewhurst Campaign. The Dewhurst Campaign's internal investigation, which is ongoing, has found that Mr. Kenneth A. Barfield ("Mr. Barfield"), who served previously as Campaign Manager and Assistant Treasurer of the Dewhurst Campaign, misappropriated and converted campaign funds for his personal use. In addition, the Dewhurst Campaign's internal investigation has found that Mr. Barfield knowingly supplied false information to the Dewhurst Campaign, which caused the Dewhurst Campaign to report a number of inaccurate transactions in its disclosure reports filed with the Commission.

In light of the foregoing, the Dewhurst Campaign is filing an amended 2012 October Quarterly Report to remove certain transactions that were disclosed on the original report, but which did not actually occur. In addition, the amended 2012 October Quarterly Report discloses a debt to the David Dewhurst Committee, which is Lieutenant Governor David Dewhurst's Texas state political committee. This debt represents payments made by the David Dewhurst Committee for various consulting services provided to the Dewhurst Campaign, including media consulting, communications consulting, and other types of consulting services.

In addition, although paper filers are only required to submit pages containing changes when amending reports, the Dewhurst Campaign is submitting this amendment in its entirety in order to ensure that the changes are as clear as possible on the public record.

The Dewhurst Campaign is filing this informational notice in accordance with guidance from Commission staff. The Dewhurst Campaign is continuing its internal investigation of this matter as well as its review of relevant financial records and documents, and the Dewhurst Campaign will file additional amendments to the 2012 October Quarterly Report and to other disclosure reports as necessary.

Please do not hesitate to contact me if you have any questions. The Dewhurst Campaign looks forward to continuing to cooperate fully with the Commission in this matter.

Sincerely,

Curt Beck
Assistant Treasurer

IDENTIFICATION NUMBER: C00499350

REFERENCE: AMENDED OCTOBER QUARTERLY REPORT (07/12/2012 - 09/30/2012),
RECEIVED 01/31/2013

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following § item(s):

1. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Commission notes your additional explanation regarding the committee's corrective action taken for some of these contributions.

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,500 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

130444-1-11

EXHIBIT N-2

DEWHURST FOR TEXAS

Page 2 of 5

Please be reminded that all refunds, redesignations and reattributions must be made within 60 days of receipt of the contribution. To date, one or more of the apparent excessive contributions have not been refunded, redesignated, or reattributed.

For reattributions, the funds can be retained if, within 60 days of receipt, the excessive amount was properly reattributed to another person. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor who signed the check an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount was properly designated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt, the excessive amount must be refunded. (11 CFR § 103.3(b)(1))

DEWHURST FOR TEXAS

Page 3 of 5

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/ or letters reattributing or redesignating the contributions in question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate and/or reattribute the excessive amount will be taken into consideration.

2. Schedule A of your report indicates that your committee may have failed to file one or more of the required 48-hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-Runoff Report (see attached). A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. The failure to file 48-hour notices may result in civil money penalties or legal enforcement action. If any contribution of \$1,000 or more was incorrectly reported, you must amend your original report with the clarifying information. (11 CFR § 104.5(f))

3. Your committee filed 48-hour notices reporting the following "last minute" contributions (see attached). However, these contributions do not appear on Schedule A of this report. Please amend your report to include these contributions or provide an explanation of these apparent discrepancies. (11 CFR § 104.3(a)(4)(i))

4. Your committee filed 48-hour notices disclosing "last minute" contributions (see attached). However, only partial amounts of these contributions have been disclosed on Schedule A of this report. Please amend your report to include the entire amounts of these contributions or provide an explanation of the apparent discrepancies. (11 CFR § 104.3(a)(4)(i))

5. Schedule B supporting Line 20(a) discloses the refund of contributions received from: Pat Burns, Jeff Hicks, Douglas Schnitzer, and Charlya Ward. However, it appears that these contributions were not previously reported by your committee. Please amend the appropriate report(s) to disclose the original contribution or provide clarifying information. (2 U.S.C. § 434(b) and 11 CFR § 104.3(a) & (b))

6. Schedule D of your report itemizes debts owed to Millan and Company, Wiley Rein, LLP, and Texas Association of Companies with an outstanding beginning balance. These debts were not included on your previous report. Please file an amendment to your report(s) to correct this discrepancy. (11 CFR § 104.11(b))

7. Your report discloses a debt owed to The Lukens Company with an outstanding beginning balance of \$25,636.13. The previous report filed by your committee discloses a closing balance of \$15,131.19. These amounts should be the same. Please correct this discrepancy and file an amendment to your report(s). (2 U.S.C. § 434(b)(8) and 11 CFR § 104.11)

8. Your amended report discloses an increase in debts totaling \$951,334.96 on Line(s) 10 of the Summary Page from those disclosed on your original report. Please provide clarifying information as to why this activity was not disclosed on your original report. (11 CFR § 104.3)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

A written response or an amendment to your original report(s) correcting the above problems should be filed with the Senate Public Records Office. Please contact the Senate Public Records Office at (202) 224-0322 for instructions on how and where to file an amendment. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1166.

The debt of \$7,501.70 owed to Wiley Rein, LLP was originally incurred during the 2012 Pre-Runoff reporting period but was not disclosed as an outstanding debt on the Dewhurst Campaign's 2012 Pre-Runoff report. This debt was properly disclosed on the Dewhurst Campaign's 2012 October Quarterly report and 2012 Year-End report. The repayment of this debt was properly disclosed on Schedules B and D of the Dewhurst Campaign's 2013 April Quarterly report.

The debt of \$7,865.47 owed to Millan and Company was originally incurred during the 2012 October Quarterly reporting period. Accordingly, this amount should have been included in the "Amount Incurred this Period" field rather than the opening balance field on the October Quarterly report. This debt was properly disclosed on the Dewhurst Campaign's 2012 Year-End report and the repayment of this debt was properly disclosed on Schedules B and D of the Dewhurst Campaign's 2013 April Quarterly report.

The debt of \$3,212.32 owed to Texas Association of Counties was originally incurred during the 2012 Pre-Runoff reporting period but was not disclosed as an outstanding debt on the Dewhurst Campaign's 2012 Pre-Runoff report. This debt remains outstanding and was properly disclosed on the Dewhurst Campaign's 2012 October Quarterly report, 2012 Year-End report, and 2013 April Quarterly report.

7. The additional debt of \$10,504.94 that was reported for The Lukens Company was originally incurred during the 2012 Pre-Runoff reporting period but was not disclosed as an outstanding debt on the Dewhurst Campaign's 2012 Pre-Runoff report. This debt remains outstanding and was properly disclosed on the Dewhurst Campaign's 2012 October Quarterly report, 2012 Year-End report, and 2013 April Quarterly report.
8. Regarding the additional \$951,334.96 in debt reported on the Amended 2012 October Quarterly report, the Dewhurst Campaign would like to refer the Commission to the cover letter that accompanied the Amended 2012 October Quarterly report (copy enclosed). Additional debts referenced in that cover letter will be more fully explained in a forthcoming *sua sponte* presentation: I would ask for the Committee's patience until their receipt of the forthcoming *sua sponte* presentation in order to fully resolve this issue.

Please do not hesitate to contact me if you have any questions. The Dewhurst Campaign looks forward to continuing to cooperate fully with the Commission in this matter.

Sincerely,

Re: 2012 Year End Report

Dear Mr. Matheson:

Dewhurst for Texas ("Dewhurst Campaign"), pursuant to the Federal Election Commission's ("Commission") Statement of Policy Regarding Self-Reporting of Campaign Finance Violations, 72 Fed. Reg. 16695 (Apr. 5, 2007), recently provided the Commission with information, on a *sua sponte* basis, concerning an internal investigation conducted by the Dewhurst Campaign. The Dewhurst Campaign's internal investigation, which is ongoing, has found that Mr. Kenneth A. Barfield ("Mr. Barfield"), who served previously as Campaign Manager and Assistant Treasurer of the Dewhurst Campaign, misappropriated and converted campaign funds for his personal use. In addition, the Dewhurst Campaign's internal investigation has found that Mr. Barfield knowingly supplied false information to the Dewhurst Campaign, which caused the Dewhurst Campaign to report a number of inaccurate transactions in its disclosure reports filed with the Commission.

In light of the foregoing, the 2012 Year End Report discloses a debt to the David Dewhurst Committee, which is Lieutenant Governor David Dewhurst's Texas state political committee. This debt represents payments made by the David Dewhurst Committee for various consulting services provided to the Dewhurst Campaign, including media consulting, communications consulting, and other types of consulting services.

The Dewhurst Campaign is filing this informational notice in accordance with guidance from Commission staff. The Dewhurst Campaign is continuing its internal investigation of this matter as well as its review of relevant financial records and documents, and the Dewhurst Campaign will file additional amendments to disclosure reports as necessary.

Please do not hesitate to contact me if you have any questions. The Dewhurst Campaign looks forward to continuing to cooperate fully with the Commission in this matter.

Sincerely,

Curt Beck
Assistant Treasurer

IDENTIFICATION NUMBER: C00499350

REFERENCE: YEAR-END REPORT (10/01/2012 - 12/31/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A of your report discloses one or more contributions received after the primary that are designated for the primary. These contributions may only be accepted to the extent that the committee has net debts outstanding from the primary election. For more information on how to calculate net debts outstanding, please see page 25 of the Campaign Guide for Congressional Candidates and Committees, which is available online at <http://www.fec.gov/pdf/candgui.pdf>. (11 CFR § 110.1(b)(3)(i))

A contribution is considered made when the contributor relinquishes control over the contribution. A contributor shall be considered to have relinquished control over the contribution when it is delivered to the candidate, when it is delivered to an authorized committee of the candidate, or to an agent of an authorized committee of the candidate. A contribution that is mailed to any of the aforementioned recipients will be considered made on the date of the postmark. Envelopes should be retained for the committee's records. (11 CFR § 110.1(b)(6))

If any contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If a contribution exceeds the amount of net debts outstanding from the

17014444071

DEWHURST FOR TEXAS

primary election, you may have to refund or redesignate the contribution.

The funds can be retained if, within 60 days of receipt, the excessive amount was properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election, or (2) the committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B))

If the foregoing conditions for redesignations are not met within 60 days of receipt, the excessive amount must be refunded. See 11 CFR § 103.3(b)(3).

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/or letters redesignating the contributions in question. Refunds are reported on Line 20(a), (b) or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate the excessive amount will be taken into consideration.

2. Schedule D of your report discloses an apparent credit for debts owed to Baselice & Associates, James R. Bognet, Contact Services LLC, Holloway Consulting Inc., Raconteur Media Company, The Lukens Company, and The McIntosh Comany. Please provide further clarification regarding these credits. (11 CFR §§ 104.3(d) and 104.11)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will

be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

A written response or an amendment to your original report(s) correcting the above problems should be filed with the Senate Public Records Office. Please contact the Senate Public Records Office at (202) 224-0322 for instructions on how and where to file an amendment. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1166.

Re: Identification Number C0049350
Year-End 2012 Report

Dear Mr. Matheson:

We are pleased to respond to your letter dated June 5, 2013 (copy enclosed). We have reviewed your requests and provide the following responses:

1. In response to your inquiry number one on the year-end report, we feel we have properly re-designated all Schedule A contributions according to the federal rules. If you have certain contributions in question, please let us know and we can provide specific details for those contributions. All contributions that could not be properly re-designated have since been refunded by Dewhurst for Texas.
2. The credits for debts owed to each of the vendors you referenced that were reported all relate to the newly disclosed debt to the David Dewhurst Committee (Lieutenant Governor Dewhurst's state campaign committee) as reported on page 29 of 29 of the Year-End 2012 Report (\$469,395.14). The David Dewhurst Committee incorrectly made payments to each of the vendors you referenced so those payments were reported as reductions in the amounts owed to those vendors. This fact was disclosed in the cover letter provided with the Year-End 2012 Report (copy enclosed) and will be fully addressed in a forthcoming *sua sponte* presentation. I trust this adequately addresses your concerns over the credits reported.

Please do not hesitate to contact me if you have any questions. The Dewhurst Campaign looks forward to continuing to cooperate fully with the Commission in this matter.

Sincerely,

Curt Beck
