Responding to a Reservation Clarification Request

If the Bank has questions about the submitted reservation and/or additional information is needed to complete a reservation review, a reservation clarification request will be initiated by the Bank. A member contact is notified of these requests by email, and the status of the reservation changes from "Reservation Request Under Review" to "Reservation Request Clarification Pending."

A **red and white exclamation mark** will indicate which page requires the additional information. Bank comments will appear on both the Reservation Home screen and the individual page(s) giving further direction for what needs to be clarified. Navigate to the page(s) with **red and white exclamation mark**, make the corrections and resave the page. Once the page is saved, the Reservation home screen will show the page with a **green question mark**.

The Reservation Home screen indicates all screens that need to be completed or clarified. Once all **green marks** appear, you will see the Submit button. Press Submit to send the clarifications to the Bank for review. Once a clarification is submitted, no modifications to the clarification can be made. Verify that the Reservation Status has changed from "Reservation Request Clarification Pending" to "Reservation Clarification Request Submitted." If the status is updated, then the clarification has been successfully submitted. A system-generated email will also be deployed to the contacts associated with this request notifying them that the clarification has been submitted.
