A SECOND CHANCE

COMMUNITY KITCHEN

SERVING UP SKILLS FOR A BRIGHTER FUTURE

Kitchen's message says it all: To empower disadvantaged adults to achieve greater self-sufficiency through job training, personal development and employment in the foodservice industry.

But it can also be said with just three simple words—a second chance.

Now in its 15th year of operation, St. Mary's Food Bank Alliance's Community Kitchen program has transformed the lives of hundreds of individuals and families. The program offers individuals who are faced with significant barriers an opportunity to move in a positive direction so they can support themselves and their families.

Targeted at a segment of the population consistently struggling with unemployment and poverty, Community Kitchen is a 16-week program that consists of three distinct disciplines designed for self-growth and development. The goal is to help students gain the necessary kitchen skills through hands-on cooking and culinary classroom studies while learning the tools to direct their own lives in the process.

Just as important, Community Kitchen offers life skills instruction designed to chart a new direction in the students' overall environment. Classes cover topics ranging from improving family relationships to self-improvement to writing a resume. Students with histories of legal and substance abuse problems or domestic violence situations learn to take control of their lives while preparing for a new career.

In addition to the hands on food service training and personal development workshops, student have the opportunity to receive various certifications and support services that include, the National Restaurant Association ServSafe Manager Certification, fire safety training, chef's uniform, career advisement, transportation assistance, and case management support. Completion of the journey leads to successfully securing a job in the industry that will provide them with an opportunity for advancement.

Housed on the Stardust Campus and in the University of Phoenix Programs Center, the Community Kitchen graduates have gained employment at some of the Valley's best restaurants, catering facilities and hotels, and the job placement record is more than 90 percent. "Serving up Skills for a Brighter Future," Community Kitchen is a point of pride at the world's first food bank.

We apologize if you have notified us of your legacy intent (and granted permission for name publication) and your name has been inadvertently omitted from the above listing. In addition to the individuals listed above, there are currently more than 50 Alan Merrett Society members who have requested anonymity with regard to published member listings. Deceased AMS members whose gifts have already been realized are not included in the listing above.

For information on including a bequest to St. Mary's Food Bank in your will or estate plan, contact Claudia Cucitro, Senior Director of Planned Gifts at (602) 343-3144, email: cucitro@FirstFoodBank.org or visit our gift planning website at www.SMFBAlegacy.org.

NO CHILD DESERVES TO GO TO BED HUNGRY

Because no child deserves to go to bed hungry,” the St. Mary’s Food Bank Kids Cafe® program aims to alleviate childhood hunger in our state by providing nutritious meals to children at risk of hunger.

With one in four Arizona children in danger of food insecurity, the Kids Cafe program has undergone explosive growth in the past year, now serving more than 5 million meals a day during the school year to at-risk kids.

In addition, when the schools close for the summer and as a result kids are without the free breakfast and lunch programs, Kids Cafe will ratchet up the program to reach even more kids in an effort to fill that meal gap. In the fall of 2012, Kids Cafe introduced the first hot meals to the after school program, starting with 100 meals featuring meats, starches and vegetables at pilot programs and are now serving nearly 800 meals throughout the Valley.

All the Kids Cafe meals are served at monitored sites with an emphasis on safe, accessible and nurturing environments to benefit at-risk children. As a part of an after-school program that also includes tutoring, homework study groups and athletic activities, Kids Cafe partners with churches, schools, community centers and city Parks and Recreation Departments to provide meals for kids who might not have a dependable evening meal at home.

During Fiscal Year 2012-13, the St. Mary’s Food Bank Kids Cafe program served one million meals for the first time in the history of the program to children five to 18 years of age at more than 90 sites around the Valley. That is an increase of more than 375,000 meals over the previous year, and there are plans for the same kind of increase in the next year.

MOBILE PANTRY

For so many of the clients that visit St. Mary's Food Bank Alliance, a shortage of food isn't the only problem. The lack of reliable transportation or the difficulty of taking food home via public transportation sometimes makes even the drive to the Food Bank a difficult ordeal.

That's why St. Mary's greatly expanded its mobile pantry program in 2012-13, with the idea of bringing many perishable, nutritious foods to neighborhoods hardest hit by poverty. Fresh fruits and vegetables, breads, canned goods and bottled drinks are included in all the mobile pantry distributions, which are held at consistent locations and times so those in the neighborhood can make it a part of their schedule.

Drive by a school on one side of the Valley, a church on the other or a community center in an outlying area and you will see a St. Mary's tractor trailer and pallet after pallet of the kind

of foods that can make for nutritious meals all week long. The Mobile Pantry program has increased to 44 current sites in rural and urban locations and has become a gathering place for the neighborhood.

Community volunteers are vital to the program. They set up the pantry, distribute the food to their neighbors and make sure the area used is returned to the same condition. The result is healthy food opportunities in areas where the only alternative leads to poor eating habits.

"We know we're helping these communities and keeping them healthy at the same time," said St. Mary's Community Development Manager Scott Gray. "You can tell by the reaction we get that we're really making a difference. The need is just so strong. This is the kind of food people need to be eating, but don't always have the ability."

BOARD OF DIRECTORS & ADVISORY COUNCIL

2015-16 EXECUTIVE OFFICERS

Chairman

JOHN DEMETRA
Deloitte Consulting (Retired)

Vice Chairman

MARC ISAACS
President & CEO, Sun Orchard, Inc.
