A SECOND CHANCE

COMMUNITY KITCHEN

SERVING UP SKILLS FOR A BRIGHTER FUTURE

Kitchen's message says it all: To empower disadvantaged adults to achieve greater self-sufficiency through job training, personal development and employment in the foodservice industry.

But it can also be said with just three simple words—a second chance.

Now in its 15th year of operation, St. Mary's Food Bank Alliance's Community Kitchen program has transformed the lives of hundreds of individuals and families. The program offers individuals who are faced with significant barriers an opportunity to move in a positive direction so they can support themselves and their families.

Targeted at a segment of the population consistently struggling with unemployment and poverty, Community Kitchen is a 16-week program that consists of three distinct disciplines designed for self-growth and development. The goal is to help students gain the necessary kitchen skills through hands-on cooking and culinary classroom studies while learning the tools to direct their own lives in the process.

Just as important, Community Kitchen offers life skills instruction designed to chart a new direction in the students' overall environment. Classes cover topics ranging from improving family relationships to self-improvement to writing a resume. Students with histories of legal and substance abuse problems or domestic violence situations learn to take control of their lives while preparing for a new career.

In addition to the hands-on food service training and personal development workshops, students have the opportunity to receive various certifications and support services that include, the National Restaurant Association ServSafe Manager Certification, fire safety training, chef's uniform, career advisement, transportation assistance, and case management support. Completion of the journey leads to successfully securing a job in the industry that will provide them with an opportunity for advancement.

Housed on the Stardust Campus and in the University of Phoenix Programs Center, the Community Kitchen graduates have gained employment at some of the Valley's best restaurants, catering facilities and hotels, and the job placement record is more than 90 percent. "Serving up Skills for a Brighter Future," Community Kitchen is a point of pride at the world's first food bank.

ALAN MERRETT SOCIETY

Membership in the Alan Merrett Society is bestowed upon individuals who have committed long-term support to the mission of St. Mary's Food Bank Alliance by including the Food Bank in their estate plan. The Society is named for Alan Merrett, the first Board President of St. Mary's Food Bank, who later served as Executive Director.

We apologize if you have notified us of your legacy intent (and granted permission for name publication) and your name has been inadvertently omitted from the above listing. In addition to the individuals listed above, there are currently 62 Alan Merrett Society members who have requested anonymity with regard to published member listings.

For information on including a bequest to St. Mary's Food Bank in your will or estate plan, contact Claudia Cucitro, Senior Director of Planned Gifts at (602) 343-3144, email: cicutro@FirstFoodBank.org or visit our gift planning website at www.SMFBAlegacy.org.

NO CHILD DESERVES TO GO TO BED HUNGRY

Because no child deserves to go to bed hungry, the St. Mary's Food Bank Kids Cafe® program aims to alleviate childhood hunger in our state by providing nutritious meals to children at risk of hunger.

With nearly one in four Arizona children in danger of food insecurity, the Kids Cafe program has undergone explosive growth in the past year, now serving 1.3 million meals per year to at-risk kids.

In addition, when the schools close for the summer and as a result kids are without the free breakfast and lunch programs, Kids Cafe will ratchet up the program to reach even more kids in an effort to fill that meal gap. In the fall of 2012, Kids Cafe introduced the first hot meals to the after school program, starting with 100 meals featuring meats, starches and vegetables at pilot programs and are now serving nearly 800 meals throughout the Valley.

All the Kids Cafe meals are served at monitored sites with an emphasis on safe, accessible and nurturing environments to benefit at-risk children. As a part of an after-school program that also includes tutoring, homework study groups and athletic activities, Kids Cafe partners with churches, schools, community centers and city Parks and Recreation Departments to provide meals for kids who might not have a dependable evening meal at home.

MOBILE PANTRY

For so many of the clients that visit St. Mary's Food Bank Alliance, a shortage of food isn't the only problem. The lack of reliable transportation or the difficulty of taking food home via public transportation sometimes makes even the drive to the Food Bank a difficult ordeal.

That's why St. Mary's greatly expanded its mobile pantry program in 2012, with the idea of bringing many perishable, nutritious foods to neighborhoods hardest hit by poverty. Fresh fruits and vegetables, breads, canned goods and bottled drinks are included in all the mobile pantry distributions, which are held at consistent locations and times so those in the neighborhood can make it a part of their schedule.

Drive by a school on one side of the Valley, a church on the other or a community center in an outlying area and you will see a St. Mary's tractor trailer and pallet after pallet of the kind

of foods that can make for nutritious meals all week long. The Mobile Pantry program has increased to 44 current sites in rural and urban locations and has become a gathering place for the neighborhood.

Community volunteers are vital to the program. They set up the pantry, distribute the food to their neighbors and make sure the area used is returned to the same condition. The result is healthy food opportunities in areas where the only alternative leads to poor eating habits.

"We know we're helping these communities and keeping them healthy at the same time," said St. Mary's Community Development Manager Scott Gray. "You can tell by the reaction we get that we're really making a difference. The need is just so strong. This is the kind of food people need to be eating, but don't always have the ability."

VOLUNTEERS

From those who help St. Mary's by sorting, boxing, bagging and distributing food boxes to those who serve as members of our Board of Directors, the Food Bank simply could not accomplish its mission to serve all those in need without our incredible volunteers.

St. Mary's cannot thank the tens of thousands of individuals who came through our doors wanting to help this year enough for their interest and passion for helping others. Over the course of FY 2017, those volunteers provided hundreds of thousands of volunteer hours to make sure the one in five Arizonans who are food insecure had hope in their lives.

Every hour of volunteer service helps provide more than 100 meals to those in need, and allows a food bank with

just 150 full-time employees the opportunity to accomplish the daunting task of providing 86 million pounds of food to Arizona's hungry. That means enough food is distributed to provide more than 72 million meals provided thanks to our volunteer corps.

Thank you to everyone, whether you donated an hour, a day or are one of our outstanding repeat volunteers. We couldn't do it without you!

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of

ST. MARY'S FOOD BANK ALLIANCE AND SMFB FOUNDATION

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of ***St. Mary's Food Bank Alliance and SMFB Foundation*** (the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2017, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of **St. Mary's Food Bank Alliance and SMFB Foundation** as of June 30, 2017, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating statement of financial position and consolidating statement of activities are presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position and results of operations of the individual entities and are not a required part of the consolidated financial statements. Accordingly, we do not express an opinion on the financial position or results of operations of the individual entities. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 12, 2018 on our consideration of **St. Mary's Food Bank Alliance's and SMFB Foundation's** internal control over financial reporting and on our tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering **St. Mary's Food Bank Alliance's and SMFB Foundation's** internal control over financial reporting and compliance.

January 12, 2018

**ST. MARY'S FOOD BANK ALLIANCE
AND SMFB FOUNDATION**
