**Camp Advisory Committee:** Robert C. Boggs, Chairman, presented the report of the Camp Advisory Committee, which was adopted as follows:

**Role of the Camp Advisory Committee:** This committee was established in June, 1969, by action of the Conference Program Council. The committee serves only in an advisory capacity and is amenable to the Executive Committee of the Conference Program Council. The Camp Advisory Committee furnishes advisory service to the camp director of the program council staff as requested by him in consultation with the program director. In 1971 upon recommendation of the Executive Committee of the Program Council the Camp Advisory Committee entered into a contingency contract with an architect for preliminary planning of a Conference Retreat Center.

At the June, 1972, session of the Annual Conference the Camp Advisory Committee was given authorization to secure working drawings and specifications to build the Conference Retreat Center at the Leesburg Camp facility subject to financing. (1972 Conference Journal, pp. 196-197)

The conference also directed the establishing of a Special Gifts Committee to proceed with plans of financing.

The Committee reports to this called session of the Florida Annual Conference meeting in Lakeland, Florida, on November 9, 1972, as directed by the action of the Conference in its June, 1972, meeting.

This committee recognizes the prior claims upon the financial resources of this Annual Conference of the Partners in Education Campaign and the anticipated Pension Study Committee report to the 1973 session of the Annual Conference and does not intend in its efforts to usurp these established priorities.

Therefore, we present the following report concerning our procedures as of this date:

- (1) The Camp Advisory Committee has undertaken to secure feedback from Conference Agencies and Boards, local churches, and individual ministers concerning the possible use(s) of a Conference Retreat Center. This was done with a Conference-wide survey. The results are being tabulated.
- (2) The Camp Advisory Committee has also surveyed the possibilities of upgrading the present facilities at the United Methodist Youth Camp, Leesburg, to comparable deluxe accommodations to those in the proposed Conference Retreat Center.
- (3) The Camp Advisory Committee has attempted to survey the possible use of a Family Camping Area on present property at the Leesburg facility as an interim possibility for some types of meetings and has received estimates for the construction of such a facility.
- (4) The Camp Advisory Committee is in the process of studying the

probable costs of operations of a Conference Retreat Center through surveys of comparable costs of operation of motel units and other Annual Conference Retreat Centers.

- (5) The Special Gifts Committee is organizing to solicit funds for the Conference Retreat Center/Family Camping Facility.

We conclude that no further action is requested at this session of the Annual Conference. These studies will continue until the 1973 session of the Annual Conference, at which time a full report will be made, and a decision reached on timing of any major campaign for funds. Meanwhile, the Finance Committee is asked to complete its organization, make arrangements for an account in the Florida Methodist Foundation, and set up procedures to safeguard and account for any gifts that may be directed to Camp Development, or the Conference Retreat Center, by individuals or churches.

ROBERT C. BOGGS, *Chairman*

**Housing Allowance:** A. Waldo Farabee, Chairman of the Board of Pensions, presented the following resolution, which was adopted:

WHEREAS, Since 1908 The Discipline of The Methodist Church has recognized and stated its responsibility to its ministers, effective and retired, for their comfortable support—and to meet this obligation a Conference Claimants Fund was established by annual assessments on the local churches; and

Whereas, The United States Government has recognized in its income tax regulations monies designated as "allowance for the rental value of a parsonage or home" for a minister as exempt from taxation; and

Whereas, The United States Government has also recognized in its income tax regulations monies paid by a minister for the utilities of such a "parsonage or home" for a minister to be exempt from taxation;

Therefore Be It Resolved, that Florida Annual Conference of The United Methodist Church, in session duly called, November 9, 1972, Bishop Joel D. McDavid, Presiding, that fifteen hundred dollars (\$1,500.00) of the total annuity paid to each retired minister shall constitute a rental allowance paid as a part of the retired minister's compensation for past services;

And Be It Further Resolved, that an additional allowance of five hundred dollars (\$500.00) shall constitute a utility allowance for the minister's said "parsonage or home."

This is in accord with paragraph 860, code section 107, regulation paragraph 1:107, IRS.

A. WALDO FARABEE, *Chairman*

**Abandoned Property:** Robert C. Boggs, Tampa District Superintendent, presented the following resolution, which was adopted:

Whereas, services at the Wimauma United Methodist have been discontinued with the concurrence of the cabinet, and

Whereas it seems unlikely that a successful Methodist Congregation can function at the present location for the foreseeable future, therefore:

Be it resolved that the Wimauma United Methodist Church be declared discontinued, and its' physical assets be declared abandoned property and the Trustees of the Florida Annual Conference of the United Methodist Church be authorized to dispose of the property and assets at the direction of the Board of Missions of the Tampa District, in such way as will best benefit the cause of Church Extension in South Hillsborough County.

THE UNITED METHODIST CHURCH

WHEREAS, the Board of Education of the Florida Conference of the United Methodist Church in the discharge of its responsibilities of service to the Florida Conference has held title to a number of properties in Florida, and

Whereas, the restructuring of the Florida Conference provides for the title for all properties formerly held by the Board of Education of the Florida Conference of the United Methodist Church through the Trustees of that Board to be transferred to and to be held by the Trustees of the Florida Conference of the United Methodist Church, and

Whereas, it has not been possible as of this date to complete the transfer of all properties to the Trustees of the Florida Conference of the United Methodist Church by the Trustees of the Board of Education of the Florida Conference of the United Methodist Church, and to complete certain other responsibilities, and

Whereas, the Chairman of the Board of Education of the Florida Conference of the United Methodist Church, Daniel T. Winter, did appear in person before the Trustees of the Florida Conference of the United Methodist Church in session on this fourth day of June, 1973, and request the assistance of the Trustees of the Florida Conference to seek with him a solution to this dilemma, now therefore be it,

Resolved, by the Trustees of the Florida Conference of the United Methodist Church, that the Florida Annual Conference be requested, and hereby is requested, to extend the corporate existence of the Board of Education of the Florida Conference and the Trustees of the said Board, as of this date, until the 1974 annual session of the Florida Conference in order that they may be able to complete their several responsibilities of service to the Florida Conference.

#### RESOLUTION

**WHEREAS**, the program planning responsibility of the Annual Conference is vital to the ongoing life of United Methodism, and

*Whereas*, this responsibility involves the necessity of careful study and preparation on the part of many Boards, Committees and Agencies of the Conference, and

*Whereas*, it is becoming increasingly difficult for ministers and lay delegates to the Conference to adequately familiarize themselves with the wide range of issues upon which they are required to take responsible action, and

*Whereas* the time required to bring all program proposals before the Conference is becoming so great as to create a reluctance on the part of delegates to ask questions and debate issues, and

*Whereas*, the division of the Conference into six or eight or ten Legislative Committees, to meet on the first full day of the Conference session, would allow the delegates to concentrate their attention upon assigned segments of the proposed program as printed in the *Recommendations, Reports and Resolutions Booklet*, and

*Whereas*, this booklet along with Legislative Committee assignments would have been in the hands of the delegates for several weeks prior to the Conference session, and

*Whereas*, this procedure would more directly involve each minister and lay delegate within the Conference in the process of shaping and perfecting Conference Program before action is taken by the Annual Conference, and

*Whereas*, adequate meeting places for Legislative Committees are available on the campus of Florida Southern College within walking distance of Branscomb Memorial Auditorium, and

*Whereas*, other Conferences of United Methodism have been making use of this form of organization for a number of years,

*Now, therefore, be it resolved*, that, the Annual Conference by the adoption of this Resolution commend to its Program Committee the possibility that the 1974 Annual Conference be organized on this basis, provided other considerations do not make it inadvisable at this time.

**Question No. 52:** "Where will the next session of the Annual Conference be held?" Dr. Charles Thrift invited the Conference to return to Florida Southern College for its next session and the Conference accepted.

**Announcements:** H. Maurice Felton made necessary announcements.

**Benediction:** Dr. Joe Tolle gave the Benediction.

**Adjournment:** Bishop McDavid adjourned the Conference at 12:35 p.m.

**Amendment:** Robert Chapman moved that the Resolution be sent also to the Special Prosecutor, Archibald Cox. The amendment passed. By common consent the Conference momentarily tabled the Resolution so the Committee on Resolutions could make the necessary editing.

**Motion:** Larry Webb moved to suspend the Standing Rules so the Conference could consider a motion relative to the report of the Hospitals and Homes Committee. The motion passed.

**Motion:** Larry Webb moved that "we establish a task group on aging to be constituted of two members from the work area on Health and Welfare; two from the work Area on Church and Society; representatives of Housing for the Aged, Specialized Urban Ministries, Town and Country and any other members deemed appropriate by the Conference Council Nominating Committee. This task group is charged with the task of developing a comprehensive survey in Florida, and suggesting possible ministries and resources for enabling those ministries within the Florida Conference. This report is to be presented to the Conference Council on Ministries as soon as available for action and to the Annual Conference at its next session. Implementation will be by the Conference Council on Ministries. The funding for this task group, up to \$500 from the budgets of the work areas on Church and Society and Health and Welfare, and the Conference Council on Ministries, will come as available." After some perfecting the resolution passed.

*Whereas*, in the Watergate affair we are faced with issues of truth and falsehood in massive proportion which have powerful influences on our national well-being; and

Whereas, the Senate Watergate Committee and the Special Prosecutor assigned to the case have as their primary concern the search for truth;

Now therefore *Let It Be Resolved*, that this session of the Florida Annual conference of The United Methodist Church expresses its wholehearted support of their search for truth; and

*Let It Be Further Resolved*, that the Secretary of the Florida Annual Conference be instructed to send copies of this resolution to Senator Sam Ervin, Chairman of the Senate Watergate Committee, to Special Prosecutor Archibald Cox, and to the President of the United States.

In remembrance of the promise and vows you made at your ordination and in your conference relationship as an act of the renewal of the same, will you reverently accept the appointment given to you with a glad mind and will and pray that you shall be worthy of your call to the ministry? BISHOP JOEL D. McDAVID

A back-alley waif stood on the streets of New York City one Thanksgiving Day. He said to himself, "This is a good city and folks here love me or I wouldn't have clothes to wear or food to eat." Milah and I have found that this is a strong Conference of United Methodism and the folk here have a great capacity to love. We came among you in late July of last year, not as tourists whose presence is so welcome because they help the economy, but we came as new residents and you brought us into the family with all the affection, support and encouragement that this family relationship connotes.

Jim and Margaret Henley, for the official records you can use the title Bishop and Mrs. James W. Henley, had opened the way so magnificently that their gracious Christian spirit is reflected in every door we enter. As the pastor in the United Methodist itinerant system, I have followed strong pastors and lesser ones. If the choice were mine, which it is not in our system, I would choose the strong ones like Jim Henley who leave you no great wounds to heal, and no dismantled structures to rebuild. This Conference will always love this family, and rightly you should, for how can you help but love those who are lovable and cheer the effectiveness of a great leader. Our friendship of many years has become something of special appreciation now that we are co-laborers in this vineyard. I want him to stay within shouting distance for I expect to continue to cry out in his direction.

Our heritage takes us far back, no one knows when except as Genesis has stated it, "In the beginning God . . ." The story has many chapters of prophets, lawmakers, priests. The true revelation of it all came to us through the unexpected village of Nazareth and in the unknown carpenter of that village who has become the Bright and Morning Star. The pages turn fast as if the book of history were in a mighty wind. We find pioneer missionaries coming to North Florida in the name of the Methodist Church. They were unwanted and perhaps their presence in this Spanish colony was illegal. But they stayed and gained a foothold for the United Methodist Church.

Recently we celebrated with one of our fine congregations the 150th anniversary of the founding of their church. As we walked about the church and the adjoining cemetery, a setting like the one that produced Gray's "Ellegy in a Country Churchyard," I felt like reverently removing my shoes for we were upon holy ground. The real heritage of this which belongs to us is not places but people, lay and clergy alike, who have mapped the strategy, faced obstacles, discovered inner resources, and have issued the orders, "Onward, Christian Soldiers." Their names could be recalled by the people here and each one would be honored in a special way. But this is not our purpose, as important an exercise as that might be. We are here to catch the step of those pioneer saints and less than saints, carry forth their heritage "like a mighty army moves the church of God. Brothers, we are treading where the saints have trod." Their footprints are deeply imbedded in the soil of Florida's United Methodism. We honor this heritage by capturing their spirit of commitment and adventure and carrying it into the future.

Since the band of people from many parts of the known world met at Pentecost and a new power came into their midst, binding them into a fellowship of people of the Way, the church has been a mystery. Even those

who have sought to understand its power by diligent search from within have not been able to fully appraise it nor understand it. Those who stand without to criticize or to observe have not failed to see the wonder of it all. When a church steeple graces the skyline or a city or the countryside, a new upward thrust of life has appeared.

We are therefore a part of something so magnificently different, so mysteriously needed, that Paul's word to the Ephesian Christians takes on life and relevance. "Through the church the manifold wisdom of God might now be made known to the principalities and powers in the heavenly places." (Ephesians 3:10) Our thoughts tonight are not of the usual and routine but of God's special empowerment of life through the church. Let no one say the church is an elective in life unless he or she would cut themselves loose from the deeper message of God. We can not contain the church in our structures and programs, but when its procedures are touched by the Divine finger they take on the power of Pentecost.

How desperately the church is needed in our world today. When the decline in ethical behavior brings scandal to our government at local and national levels the church must set anew that plumb line in the midst of a society to measure honesty and right. Not only does the church provide a ritual for prayer and worship, but it provides a reminder that the wages of sin is death. With a renewed call to freedom, which in reality is often a justification for permissiveness, the church preaches with greater fervor the "Sermon on the Mount," which is in essence a call to discipline, to travel along the narrow way which leads to life's broadest and finest experiences. As we live in our world of conflict, wars and rumors of wars, hate and hostility, the church bears a message of reconciliation and peace. Many things need to be changed in our world so that people can develop to their highest potential and every person will feel a sense of belonging. We know what needs to be done but how do you "pull it off" as one said to me. Again, the church enters the scene with its mystery and wonder. It empowers us to do what we felt to be impossible and it will do the same for the world, for it is of God. There is no reason for us to be discouraged or hopeless. The Call is to a new commitment to Jesus Christ through His church.

The Florida Conference is a part of world Methodism. This fellowship, 20 million strong, encompasses every nook and cranny of the globe. The Methodist Council is preparing now for a great world-wide evangelistic thrust. This is an expansion of Key 73 which related itself primarily to this continent. Prayer vigils will be called for the closing of 1973 and the beginning of 1974. This will be followed by Bible study and innovative plans for evangelism. However, evangelism can never be reduced to a plan. It is an attitude, an experience, a faith. The Florida segment of this world church must be a full participant.

The United Methodist Church, of which we are a structured part, numbers over 40 thousand churches and almost 11 million members. We are a connectional church in that we identify with local congregations but are members of the larger fellowship. We stand in support of one another; our tears and celebrations are shared. The larger world sphere of operation puts us in direct touch with world needs and world opportunities for service. Our benevolent dollars have high ministry value because the church we claim as our own operates with a minimum of overhead. As United Methodist people our mission giving should be channeled through our own denomination because of our loyalty and because of the general church skills in meeting needs directly.

The United Methodist fellowship is somewhat pluralistic. We are not narrow in conformity nor exclusive in dogma. We are a part of the ecumenical movement and honor all who are in the Christian church. As United Methodists we will not agree on all matters. The Christian faith has infinite dimensions and we bring only our finite beings to this altar. Thus we have room for intellectual differences and varieties in techniques and procedures. We are bound together in a community of love centered in Jesus Christ as Lord.

Our Conference offers excitement and hope in rich opportunities for great service. The institutional ministry includes two of the finest church colleges in America—Bethune-Cookman and Florida Southern. The ministry to needy children through our children's home at Enterprise is appreciated by us all. The Methodist Hospital in Jacksonville stands against disease and suffering and stands for health and hope. The four homes for senior citizens is a growing ministry of love which must be expanded, for opportunities are pounding heavily upon our doors.

In each of our large cities we have in operation, or under development, an urban ministry program. It is designed to deal with changing urban situations, to help the church in a full ministry to human need. The ugly hurts of injustice and the infected sores of poverty, the degradation of loneliness cries out for a Good Samaritan. We have passed by on the other side long enough. The personal gospel of salvation must become an experience of surrender to the Christ who said, "Inasmuch as you did it unto one of the least of these my brethren, you did it unto me."

The camping program of our conference stands with distinction. Our basic problem is one of inadequate facilities. It is a dream implemented by the developing stages of plans for us to take a careful look at each of our campsites. They are some of the most beautiful spots in Florida. After careful study of camping needs we ought to utilize these campsites, each in its own way, to be most beneficial to the program by which we offer largest opportunity to serve people in a camping ministry. When the study is completed and other programs engaging us are past, the conference must set its mind and heart to raise a sizeable sum of money to provide the best camping facilities and the strongest camping program possible, as a part of our total ministry of retreat, recreation and renewal.

The ethnic minority groups among us provide a great opportunity to enlarge and strengthen the true brotherhood we claim for the church. Continued effort must be made to strengthen our ministry to both Hispanics and blacks. More and more they must become self-supporting and their leadership must be honored in our conference. An annual offering for the Hispanic mission work must take on personal meaning and call for greater generosity. The plan for the four Hispanic ministers to be coordinators for this great work is a move in the direction of self-determination and new freedom. Our black churches are a meaningful part of this conference and we are pleased at their progress. The urgent call is for us to make our gifts on Black Church Extension Sunday an expression of true stewardship. We must build new parsonages and restore some churches. It is our goal to continue to recruit the finest black leadership we can find both clerical and lay, to empower these fine congregations to a greater ministry.

Add to this the other local congregations of the conference, a total of over 700, and you have a sketchy picture of what we are about in this business session of the Annual Conference. This represents almost 319,000 lay people and 850 members of the clergy. I am pleased to report to you that your church in Florida increased by 1420 members during 1972. Let us hope this trend takes on a momentum of a real concern for people and their relationship to Christ and the church. Your record of stewardship of means reached the 30 million dollar mark in 1972, almost 2½ million more than the previous year.

We quote these statistics not as numbers on a chart but as persons, the supreme of God's creation; and the collar marks are heartbeats of generosity and the response to the discipline of stewardship. Florida is a state of growth and development. Tourists come among us for a short stay and make it their permanent abode. We are grateful to God for the challenge this offers the church, a challenge for an enlarged ministry at every level. Somewhere we must find the dollars to match the need in church extension and the zeal to match the hour of need in evangelism, education, stewardship and mission. The business world glories in the economic opportunity of the moment. Let us, as churchmen, be no less glorious in our desire for the church to be the growing institution in numbers and influence that it can be.

The parts must fit together in total churchmanship. Without hesitation we should be seeking to bring people to an experience of conversion. It is not an archaic concept. All of us struggle for what it offers. Rita Snowden describes the change in her life. "The very grass beneath my feet looks greener, the air came fresher to my lungs, the sky overhead seemed bluer, common ordinary tasks took on a new significance, words used in prayer or sung in the congregation suddenly walked up and down in my mind calling for a deeper, livelier consideration, reaching out to wider horizons. I was converted." (*On the Tip of My Tongue*, pp. 31-32) This conversion sent her out to blaze new trails of hope and health as a missionary in New Zealand. "My first impulse," she said, "was to put my arms around the world and share it with everybody." "If any man be in Christ, old things are passed away. Behold, all things are become new." (II Corinthians 5:17) Persons, both singular and plural, clamor for this experience of reality.

Christian education is not the sterile tedium we have sometimes allowed it to become. It can be the exciting business of letting this mind be in us which was also in Christ Jesus. What a teacher he was—master teacher—and how we need to learn. It is tragic in our day when church school attendance dwindles and we face it without alarm. We don't teach the Bible in church school, I am afraid, because we don't know the Bible and are uninformed about the basic beliefs of our church because no one has informed us. How can we be inspired workmen in the vineyard unless someone inspires us, puts tools in our hands?

Ours is a day of affluence—affluence of time, talent and money. These are gifts of God. They hold in store for the world blessing or curses, good or evil. That is also what they hold in store for us. Real discipleship calls us to a new sense of investment of ourselves, and all that we own. No crucial need should go unmet for we have skills and money adequate and in abundance. This conversion experience that makes the sky bluer overhead also makes the earth to become the Lord's and the fullness thereof.

No church does its work well unless it spends time, energy and money beyond its own needs. I speak now of missions. Beyond the Christian Service Fund which ought to be paid in full by every church, there should be an Advance Special. This is the lifeline of our faith. Unless our concern for missions increases and our giving made larger we will have to bring home some of these ambassadors of Christ on the front line in mission fields all over the world. Equally as tragic our faith in a Christ who gave all will be lulled into endless sleep. The healthy church is the sharing church. I would ask that each church, large or small, put some amount in the budget or take a special offering this year for a missional need. We find our lives by losing them.

The church is neither obsolete nor irrelevant. There is no substitute for corporate worship and a community of believers who hear the word of God proclaimed and then act upon it. The church gathers in the temple built for that purpose and scatters to be the church in mission wherever church men and church women touch life.

Lest we mistakenly think of the church as buildings, programs, campaigns, I would remind you that the church is people. When the sanctuary doors are closed and the choir robes are in the closet and the candles on the altar are not burning, the church is not out of business. The church pilots planes non-stop everywhere: it sells merchandise over the counter: presides in court and classrooms: grows the food for the table of the world and lives in family units—the church is people—God's people who acknowledge Christ as the Way, the Truth and the Life. It is a frightening but fruitful thought to know that we are the church and wherever we go we bear witness to our churchmanship.

It is exciting business to be a part of the clergy, called of God for a special commission to be His spokesmen and servants. Florida is a pleasant and fulfilling place to express that ministry. Over 200 clergy from other conferences request a transfer every year. We need some of them but can't find places for all. We are a part of the church, along with those lay

workers on our staffs who direct activities, lead in music, handle finances, clean and make ready the house of the Lord. What a joy to be a part of such a team of special servants of the Master.

My counsel to you is to be a good minister of Jesus Christ. Be diligent in prayer and work. Proclaim the word in power and relevance. Major in preaching for the spiritually hungry come to be fed. Make your ministry person centered. The pastoral opportunity enables you to touch lives with healing and compassion in ways offered to no other. Be a good leader. This is not authoritarian in mood, but it is taking the initiative in giving a cup of cold water in the Master's name. Keep your life attuned to Christ and your own spiritual resources in full restoration that you might be an inspiration in word and deed. Paul's counsel to Timothy is mightily relevant, "Preach the word, be urgent in season and out of season, convince, rebuke and exhort, be unfailing in teaching and in patience."

The other part of that team of the ministry is the laity—devoted, dedicated, divinely inspired persons who sit in the pews, chair the committees, teach in the classrooms, and bear witness to their faith in Christ in the mill and market place, on the street and in the statehouse. You who bear the honored title of laity make the church strong. You not only pay the bills but you strengthen the preacher and build the church.

What can we do to release your power and utilize your skills for Christ? The Leesburg Laymen's Retreats are so effective that a fifth weekend has been added this year. We are working on a plan for another type of lay retreat to include lay women and youth. Your real strength lies, however, at the local church level and in the community where you live and work. You are never off duty in your witness for Christ and His church. You are where the action is and where life becomes very real. The spirit of Christ is channeled through you to those hard, harsh, and needy spots. May your witness be empowered from on high.

This is a new day for United Methodist Women. The revised organization promises not to be old wine in old wineskins, but the real "taste of new wine" as Keith Miller coins a phrase. A more vital spot of influence and leadership is being sought and found for women in the life of the church. This means a new dimension of strength and a broader ministry not only for women but for the total church.

Youth are finding the church to be relevant to their needs and a place to express their ideals and involvement. The church must seek out youth with understanding and appreciation. Their role in the church must be made larger and more significant. This will not be done with cookies and punch but with the full challenge of the Gospel of Jesus Christ that they must be his disciples.

On any given Sunday when congregations assemble for worship, study, and fellowship, one sees faces of people whose minds carry the great thoughts of the day, whose skill turns the wheels of the world, whose devotion touch life with rich compassion and concern. These are the resources at the disposal of the church. Our needs are great, but our skills and abilities are also great. How can we bring the two together and add the ingredient of motivation, desire and the will to do it? We go back to the mystery of God at work in us all. It is at work in Florida United Methodism and will cause it to happen.

John Wesley lay upon his deathbed, after a life of amazing service to God and man. He raised up from his pillow and with immortal strength and vision said, "Let us sing a hymn, the best of all God is with us." That is best of all. May we leave this conference with that clear assurance.

**BOARD OF THE MINISTRY****REPORT NO. 1**

The work of the Board of the Ministry is done through its subcommittees which are:

- I. Psychological Guidance, Dr. Kenneth Rogers, Chairman
- II. Pastor's School and Continuing Education, Dr. Walter Kalaf, Chm.
- III. Conference Relations, Dr. J. Milburn McLeod, Chairman
- IV. Ministerial Education, Rev. Tom Sofge, Chairman
- V. Local and Lay Ministry, Rev. Edison Russell, Chairman
- VI. Recruitment and Christian Vocation, Rev. H. J. Downey, Chairman
- VII. Committee on Doctrine, Rev. James Crook, Chairman

It is well known that the Registrar, Rev. Pat McBride, carries a very heavy load. We are deeply grateful to Mr. McBride and all these committees for their many hours of work.

We would lift up only a few phases of the Board's work:

**A. Continuing Education:**

The Pastor's School is the major continuing education program of the Florida Annual Conference. In a time when many other schools of this nature have experienced declining enrollment and a reduced schedule the Florida Conference Pastor's School attracts large numbers of our Conference members and claim their full participation.

We are grateful for the Conference's approval of our recommendations concerning continuing education last June, and for the Bishop's and the Cabinet's implementation of them. With the appointment this year of a Conference staff member who will give special attention to continuing education, we look forward to the establishment of many new programs in the Districts and communities of the state. We anticipate that these programs will involve many of our Conference members in short-term learning experiences.

We commend the seminaries of the Jurisdiction for the excellent on-campus seminars they have designed especially for parish ministers who wish to extend their knowledge and sharpen their professional skills. The Leave of Absence program, jointly designed by the Board of Ministry and the Bishop and Cabinet, and the guidelines established for MEF financial assistance for continuing education, should enable many of our Conference members to pursue education seriously with the full cooperation and assistance of their congregations. Please note these guidelines:

1. Upon approval of a leave of absence by the Conference Committee on Leave of Absence, application may be made to the MEF (2%) Committee of the Conference Board of Ministry for financial assistance.
2. Application for financial assistance for continuing education programs of short enough duration not to require leave of absence may be made to the MEF Committee without the prior approval of the Conference Committee on Leave of Absence.
3. Financial Assistance shall be granted only for continuing education programs which meet the following qualifications:\*

(\*Provisional guidelines recommended by the Division of Ordained Ministry of the Board of Higher Education and Ministry.)

- a. The educational experience should take place in an organized event, course or group. This would be in contrast to individual study programs.
- b. The event, course or group meetings should include at least three days (or equivalent) work on a given subject(s) and should involve some defined measure of serious study by the participants. This would be in contrast to a one or two-day conference, briefing or orientation on a given subject.
- c. The subject or focus for study should be directly related to the development of personal qualities, knowledge or skills required for professional ministry.

*B. Ministerial Education Fund:*

You will be delighted to know that during the last school year your Board was able to assist 81 students with a total of \$53,175. Most of these could not have remained in school without this additional help. In all cases the committees worked closely with the Seminaries in determining needs.

*C. Campus Visitation:*

Your Board has tried to keep up with all Florida men who are enrolled in Seminaries. In most cases actual campus visits have been made.

*D. Conference Relations:*

Any change in status of full members of the conference is handled by the subcommittee or Conference Relations. Increasingly this work is important because of the greater number of options open to the minister.

*E. Division of the Ministry:*

The Board of the Ministry is delighted to be a part of a Division where all the concerns of the ministry is grouped. We believe that this is a forward step.

*F. Recommendations:*

1. That the apportionment for the Ministerial Education Fund be paid in full. As the General World Service apportionment for Ministerial training of ministers, a principal source of financial support for the Education is decreased, this will be the only source of funds for the United Methodist Seminaries. All local churches are urged to give special attention to this item.
2. That all local churches immediately forward to the Registrar of the Board of the Ministry all names of Ministerial students who are enrolled either in college or seminary.

### CONFERENCE PROGRAM COMMITTEE

The Annual Conference Program Committee has attempted to encourage a full participation of the members in conducting the business of the Annual Conference Session by keeping a clear outline of procedure from day to day. To this end your Program and Program Books are valuable tools.

On the first day while ministerial members tend to the matters of the Board of the Ministry, the Laity will be in executive session for orientation to Conference matters and procedures.

Resolutions to be considered by the Conference are in the Program Book and are properly before the Conference. On Tuesday afternoon additional resolutions and input to the Conference will be made so that they may be under consideration for 24 hours before being acted upon. Ordination will be Tuesday evening.

Wednesday and Thursday are given to adopting the Conference Program for 1974. Special Conference Committee reports will be heard and acted upon as well as the recommendations of the Council of Ministries. All recommendations carry with them the financial cost and name the implementing person or agency.

Friday the Conference Budget is presented and acted upon. Emphasis upon the Laity is stressed on Friday and Saturday including Lay Reports, Board of the Laity Dinner and, new this year, laity prayer breakfast and workshop on Saturday morning.

This year, instead of a state of the church address at the beginning of the Conference, Bishop McDavid will address the Conference on the Mission of the Church in the year ahead. Pastoral assignments will be confirmed Friday night.

Time for devotions, study and worship are provided throughout the week. Dr. George Foster will lead the Bible Study three mornings at 8:45. Dr. Harvey Pothoff will preach on three occasions. Bishop McDavid will preach twice, celebrate Holy Communion, and conduct the service of ordination. The Chapel is open continuously for prayer.

Mimeographed reports needing to be distributed are to be made available in the lobby of the auditorium prior to the session at which the appropriate report is to be considered, and removed immediately following the session.

The Standing Rules of the Conference shall be the procedure by which the Conference shall expedite its business.

Your Program Committee recommends that the printed program become the agenda for this Annual Conference, with such alterations as may become necessary in the opinion of the Presiding Officer, the Conference Secretary, and the Chairman of this committee.

RALPH B. HUSTON, *Chairman*

## REPORT OF THE CABINET ON PRIVATE SCHOOLS IN FLORIDA UNITED METHODISM

In accordance with the mandate of the June, 1972 Annual Conference, the Bishop and Cabinet have reviewed each private school housed in United Methodist Churches in the Florida Conference. This study has revealed some deficiencies, notably in the area of academic quality, accreditation, and equipment. It is unmistakably clear, however, that each school desires to comply fully with the spirit of racial inclusiveness implied by the action of the General Conference of The United Methodist Church. The four schools involved are either complying now, or making positive plans to comply at an early date, with the guidelines established by the General Conference. We urge these schools to meet completely the standards of inclusiveness set by The United Methodist Church.

It should be noted further that no study of private schools at this time can be properly conducted apart from consideration of the contemporary crisis in American public school education. To this end, the Cabinet urges Florida United Methodism to give wholehearted support to our public schools as they struggle to maintain the strategic role they have played in American life. Private schools should be viewed, therefore, as supplements to public schools rather than as substitutes. It is felt that the energy and resources now being invested in the small number of private schools in the Florida Conference could do a great deal to strengthen our public school system if they were so redirected.

### *Recommendation from the Cabinet*

We recommend that the Conference Committee on District Boundaries shall be a quadrennial committee which shall engage in a continuous study of district boundaries and recommend to the annual conference such changes as shall seem appropriate to even the work load of the district superintendents and provide for effective administration of the churches of the conference. It shall be composed of the following: Presiding bishop, two district superintendents, two pastors, two lay men, two lay women, and one youth or young adult. Vacancies shall be filled by the cabinet in the interim of annual conference sessions.

---

## SPECIAL APPOINTMENTS

### *Introductory Statement:*

The cabinet feels a strong obligation in making an effort to interpret the category of "Special Appointments" in our church. The following paper has been adopted by the cabinet and will be used as guidelines.

Par. 352 of the 1968 *Discipline* says:

"A Conference Member may be appointed by his Bishop after consultation with the district superintendents, to a position in a school, college, university, seminary, hospital, home or agency or other ministry or institutional chaplaincy or similar specialized appointment."

Par. 302 says that:

"There are persons within the ministry of the baptised who are called by God and set apart by the church for the special Ministry-Word, Sacrament and Order." How is this interpreted: Does it pertain only to pastors of local churches? Does it allow for any of the people who are under special appointment?

Par. 308.3 says:

"The itinerant system is the accepted method of the United Methodist Church which ministers are appointed by the bishop to fields of labor." This should be seen together with Par. 316 which reads:

"Every ministerial member who is in good standing in an Annual Conference is to receive an annual appointment by the bishop unless he is

granted a sabbatical." This says to us that each minister is guaranteed an appointment. We will look at an exception to this brought about by action of 1972 General Conference.

Par. 331 says:

Each minister "offers himself without reserve to be appointed and serve as his superiors in office may direct." With the above questions we also ask these questions: Are ministers under special appointment that free to have their appointment changed? Should Minister-Workers make their own appointments? These questions and many others of similar nature confront us as we look at special appointments.

#### *Categories of Special Appointments*

Special appointments come under three headings: 1. Methodist related, 2. Non-Methodist related and 3. Appointment to minister in secular world. There are several statements under Par. 352 at which we should look.

"The institution or agency desiring to employ a conference member shall first, through its appropriate official, consult the member's bishop and secure his approval before completing any agreement to employ the member. If the institution or agency is located in another area the bishop of that area shall also be consulted."

Par. 391.6 says:

"On the request in each case of an appropriate official, agency, or institution, and on the recommendation of the district superintendents, confirmed by a two-thirds vote of the Annual Conference, he may make appointments annually to positions in non-United Methodist agencies; provided that in no such case shall the United Methodist Church incur any financial responsibility."

The important point here seems to be that the minister does not accept employment without the approval of his bishop. Also, it seems that we are dealing with the importance of the relationship of the minister to the mission of the church. Another area of concern is the problem of episcopal oversight and the relationship of the minister to his or her Annual Conference. It is very difficult for a bishop to exercise pastoral oversight to ministers working outside the area. It is also difficult for a member who is working outside of his own Annual Conference to maintain a good working relationship with his own Conference. The action of the last General Conference has given us a new area of special appointment. It is covered in Par. 352.7 and says:

"At his or her request, a conference member on recommendation of the Cabinet, confirmed by a two-thirds vote of the Annual Conference may be appointed for ministry in and to society beyond the ministries usually extended through the local church and other institutions of, or directly related to the church, provided that in no such case shall The United Methodist Church incur any financial responsibility."

#### *Handling Special Appointments*

As the Cabinet of the Florida Annual Conference, where do we go from here? It is obvious that we will each year have to make appointments in this category. We recommend the following:

1. Get as clear an understanding as possible of the disciplinary actions concerning special appointments. The major factor seems to be that neither the Cabinet nor Annual Conference can change the conference status of a person seeking a special appointment. Two judicial council decisions interpret this for us. "An Annual Conference has no authority to make any changes in the provisions of the Discipline concerning the ministry. A procedure which would compel a conference member seeking special appointment to a Non-United Methodist agency to change his conference status to sabbatical leave or voluntary location or discontinuance for a year of evaluation does make such changes and is, therefore, unconstitutional." (Decision No. 325)

Decision No. 329 states:

"In the appointment to specialized ministerial positions in Non-United Methodist agencies, Paragraphs 352.1 and 391.6 must be construed, interpreted and applied together, and the appointing bishop must strictly apply these provisions for protection of the ministry in relation to the appointive system."

2. Our second recommendation is that each minister on special appointment be required to submit an annual evaluation report to the proper person (see reports). This report will accompany the letter requesting the next year's appointment. It seems that Decisions 325 and 329 make it clear that as a cabinet we have to be guided in making special appointments by Par. 352.1 and 391.6.

3. Our third recommendation is that those seeking the "Worker-Minister" relation as special appointment realize that they must request this appointment each year. Also, in addition to Par. 352.7 there is Par. 391.11 which says: "An appointee to such appointment as is referred to in this new paragraph 352.7, may neither be required to accept nor guaranteed an appointment, and may be returned to a regular appointment only by agreement of bishop and cabinet.

4. That the bishop be requested to name a "Committee on Special Appointments," made up of cabinet members to carry out the work of this committee and report to the Annual Conference each year.

#### LEAVE OF ABSENCE

Upon recommendation of the Conference Board of Ministry, the Annual Conference of 1972 asked that "a program be established by the Bishop and Cabinet whereby a pastor could take a short leave from his church on partial salary to be used for continuing education, with a retired man or other available help serving his church in his absence." It was further recommended "that 15% of the Ministerial Education funds available for use by the Annual Conference be used for scholarship assistance to members of the Conference for short-term study on a university or seminary campus." (Page 170, 1972 *Journal*)

The following guidelines are submitted by the Bishop and Cabinet to implement the above recommendations:

1. A Conference Leave of Absence Committee will be appointed to coordinate and supervise the Leave of Absence program. It will be composed of three District Superintendents and three representatives of the Conference Board of the Ministry.
2. The pastor shall obtain the approval of the local church Pastor-Parish Relations Committee, the District Superintendent, and the Conference Committee on Leave of Absence for study or educational travel for a short leave of absence, preferably up to three months, and not to exceed six months' duration.
3. It is recommended that the local church will pay full salary for the leave of absence period. The pastor, with the approval of the Pastor-Parish Relations Committee and the District Superintendent, shall arrange for an interim pastor to carry on the pastoral work. Remuneration for the supply pastor shall be paid by the local church.
4. Upon approval of a leave of absence by the Conference Committee on Leave of Absence, application may be made to the Ministerial Education (2%) Committee of the Conference Board of Ministry if financial assistance is required.
5. Each District Superintendent will compile and make available a list of retired, lay, or other pastors who may substitute for the pastor during his leave of absence.

6. Following the Leave of Absence a written report shall be filed with the Conference Leave of Absence Committee, the District Superintendent, and the local church Pastor-Parish Relations Committee.

**CREDIT UNION**

A short list of observations of unusual progress of the Florida Conference United Methodist Credit Union reported to the Annual meeting of the members and prospective members June 5, 1973 in the Colligiate Room, Florida Southern on the first day of Annual Conference.

An extraordinary rate of development has taken place since the Credit Union opened for business January 1, 1970, with 47 members and \$1,800 in assets.

The first loan was to a young minister in the amount of \$100 to buy tires.

At the end of March, 1973, there are 826 members and over \$325,000 in assets. This kind of improvement didn't just happen. It was made to happen. One thousand members and \$500,000 in assets represents the next goals to be reached. Confidence has been earned by the management team in cooperation with all of the members.

The Board of Directors, headed by Dr. Richard Pearce, Vice-President of Florida Southern, holds responsibility for the proper operation of the Credit Union. The members of the Board of Directors are elected at the annual meeting. The Board employs the manager and bookkeeper. The president reports to the annual conference.

A real step forward came when the Credit Union was large enough to budget funds sufficient to repay the conference for the full support of the bookkeeper and assistant treasurer, Mrs. Joan Mixon. In addition, the major portion of the supplies are also in the budget. This is a giant step for a new credit union that started as a service project supported entirely from conference funds. It is reasonable to believe that in another year, complete self-support will be possible.

The friendliness and efficiency of Mrs. Mixon has deepened confidence. It is a rare occasion when a complaint comes because of an error and any that have been found are corrected courteously, quickly and efficiently.

It has been found that direct mailings from the manager to the list of members and prospective members have accounted for the fast growth. Personal appearances of the manager at district meetings and conference groups have been exceedingly helpful in acquaintance and exposure. This avenue of promotion has been made possible by the Bishop and the District Superintendents. Bishop Joel McDavid, in his new role, has really spent time to acquaint himself with an understanding of the function and purpose of the Credit Union.

The Education Committee, under the direction of Mrs. Doris Buhrman, has given real assistance as news has been given space in COM/Line and the *Florida Methodist*.

The committee members have given time generously to make the Credit Union function. The Credit Committee reviews loan applications. The Supervisory Committee provides internal audits, and the Delinquent Loan Committee begins functioning if any member misses two payments.

State Banking Commission conducts the surprise audit annually which provides real assurance to the members.

The opportunities for future development are almost unlimited—more members, increased share deposits, plans for quicker processing of loan applications, a stronger membership education program and a willingness to join and turn to the Credit Union for service will increase effectiveness. Service is still the strongest reason for a Credit Union can provide an opportunity for members to save together, earn a good dividend and loan to each other at the lowest dollar cost possible. Inquiries are always welcome.

**REPORT OF THE EPISCOPAL RESIDENCE  
FURNISHINGS COMMITTEE**

The Episcopal Residence Furnishings Committee (1972 *Journal*, p. 149) was requested by the Annual Conference to furnish the residence for the Bishop at 127 Lake Hollingsworth Drive, Lakeland. This beautiful house, owned by Florida Southern College and leased to the Florida Conference as the home and office of our Bishop, had been furnished previously by

Bishop and Mrs. Henley who owned the furniture. Upon their removal to their own home in Lakeland last June, it became necessary to furnish the Episcopal Residence to accommodate the needs of our newly assigned Bishop and his family.

The Committee has worked in close touch with Bishop and Mrs. McDavid and the Conference Trustees who were always most cooperative and helpful. We also appreciate the valuable assistance provided by Florida Southern College. The need for professional consultation became apparent at the first meeting of our Committee, and Imperial Studios, Inc., of Lakeland was engaged to assist in the selection and purchase of the furniture. This service was most helpful to the Committee.

Funds for the purchase of the furnishings and the work entailed was provided through the Trustees from the Episcopal Residence reserve fund. (1972 *Journal*, p. 143). We have expended, to date a total of \$17,715.00. A complete inventory of all items in the residence belonging to the Conference has been prepared and copies will be provided for the Trustees and the Bishop's office.

The experience has been a happy one for the Committee and we trust that our work has been satisfactory. We recommend that our Committee be terminated and that the responsibility for the care of the Episcopal Residence furnishings be vested in the Conference Trustees.

### PROPOSED CONSTITUTIONAL AMENDMENTS

*Proposed Amendment No. 1: Concerning substituting "persons" for "men" in the Preamble to the Constitution.*  
No. 1972-7

That the first paragraph of The Preamble of the Constitution be amended by deleting the word "men" in the second sentence and by substituting in its place the word "persons" so that the first paragraph of The Preamble of the Constitution as amended will read:

"The Church is a community of all true believers under the Lordship of Christ. It is the redeemed and redeeming fellowship in which the Word of God is preached by persons divinely called, and the Sacraments are duly administered according to Christ's own appointment. Under the discipline of the Holy Spirit the Church seeks to provide for the maintenance of worship, the edification of believers, and the redemption of the world."

*Proposed Amendment No. 2: Concerning the General Conference, making it possible to hold regular sessions more often than each four years.*  
No. 1972-8

That the first paragraph of Section II, Article I (Paragraph 13) be amended to read:

"The General Conference shall meet at such times and place as shall be determined by the General Conference or its duly authorized committees, but not more often than once in two consecutive years. Each Annual Conference shall determine whether to elect delegates each two years or each four years."

*Proposed Amendment No. 3: To permit an Annual Conference to elect as many additional lay members as necessary to equalize lay and ministerial membership.*

No. 1972-9

That Section VII, Article I (Paragraph 36) be amended by adding a paragraph at the end thereof as follows:

"If the lay membership should number less than the ministerial members of the Annual Conference, the Annual Conference shall, by its own formula,

provide for the election of additional lay members to equalize lay and ministerial membership of the Annual Conference."

*Proposed Amendment No. 4:* To give a vote to lay members of Annual Conferences on such matters as ordination, character and Conference Relations of ministers.

*No. 1972-10*

That Section VII, Article II (Paragraph 37) be amended by deleting the words "with the exception that the lay members may not vote on matters of ordination, character and conference relations of ministers" so that the paragraph as amended will read:

"The Annual Conference is the basic body in the church and as such shall have reserved to it the right to vote on all Constitutional Amendments, on the election of ministerial and lay delegates to the General and Jurisdictional or Central Conferences, on all matters relating to the character and conference relations of the ministerial members, and on the ordination of ministers and such other rights as have not been delegated to the General Conference under the Constitution. It shall discharge such duties and exercise such powers as the General Conference under the Constitution may determine."

*Proposed Amendment No. 5:* To remove a 21 year minimum age qualification for delegates to the General Conference, Jurisdictional and Central Conferences.

*No. 1972-11*

That Section VII, Article V (Paragraph 40) be amended by deleting the words "provided that such delegates be at least twenty-one (21) years of age and" and substituting, therefore, the words "without regard to age, provided such delegates" so that the paragraph as amended will read:

"The lay delegates to the General Conference and to the Jurisdictional or Central Conferences shall be elected by the lay members of the Annual Conference or Provisional Annual Conference, without regard to age, provided such delegates shall have been members of one of the constituent churches forming this union or of the United Methodist Church for at least four years next preceding their election, and are members thereof within the Annual Conference electing them at the time of holding the General and Jurisdictional or Central Conferences.

*Proposed Amendment No. 6:* Deals with deleting of masculine references in the Constitution specifically with Bishops.

*No. 1972-12*

That Division III, Article V (Paragraph 54) be amended by deleting in subunit (2) of the first paragraph thereof the words "he shall have given his specific consent" and substituting in their place the words "that bishop shall have specifically consented" and

by deleting in subunit (3) of the first paragraph thereof the words "he" and "him" and substituting in their place the words "the bishop" and

by deleting in the second paragraph thereof the word "him" and substituting in its place the words "the bishop"

so that the paragraph as amended will read:

"The bishops shall have residential and presidential supervision in the Jurisdictional Conferences in which they are elected or to which they are transferred. Bishops may be transferred from one jurisdiction to another jurisdiction for residential and residential supervision under the following conditions: (1) The transfer of bishops may be on either of two bases: (a) jurisdiction which receives a bishop by transfer from another jurisdiction may transfer to that jurisdiction or to a third jurisdiction one of its own bishops eligible for transfer, so that the number transferred in by each jurisdiction shall be balanced by the number transferred out, or (b) a jurisdiction may receive a bishop from another jurisdiction and not transfer out a member of its own College of Bishops. (2) No bishop shall be transferred unless that bishop shall have specifically consented. (3) No bishop shall be eligible for transfer unless the bishop shall have served one quadrennium in the jurisdiction which elected the bishop to the episcopacy.

(4) All such transfers shall require the approval by a majority vote of the members, present and voting, of the Jurisdictional Conferences which are involved after consideration by the Committees on Episcopacy. After the above procedures have been followed, the transferring bishop shall become a member of the receiving College of Bishops and shall be subject to residential assignment by that Jurisdictional Conference.

"A bishop may be assigned by the Council of Bishops for presidential service or other temporary service in another jurisdiction than that which elected the bishop, provided request is made by a majority of the bishops in the jurisdiction of the proposed services.

"In the case of an emergency in any jurisdiction or Central Conference through the death or disability of a bishop or other cause, the Council of Bishops may assign a bishop from another jurisdiction or Central Conference to the work of the said jurisdiction or Central Conference with the consent of a majority of the bishops of that jurisdiction or Central Conference."

*Proposed Amendment No. 7:* Deals with deleting of masculine references in the Constitution, specifically with Bishops.  
No. 1972-13

That Division III, Article VII (Paragraph 56) be amended by deleting in the first paragraph thereof the words "him" and "his" and substituting in their place respectively the words "the bishop" and "the" and by deleting in the second sentence of the second paragraph the words "Each bishop shall report in writing annually all his decisions of law" and substituting in their place the words "All decisions of law made by each bishop shall be reported in writing annually" so that the paragraph as amended will read:

"A bishop presiding over an Annual, Central, or Jurisdictional Conference shall decide all questions of law coming before the bishop in the regular business of a session; provided that such questions be presented in writing and that the decisions be recorded in the journal of the conference.

"Such an episcopal decision shall not be authoritative except for the pending case until it shall have been passed upon by the Judicial Council. All decisions of law made by each bishop shall be reported in writing annually, with a syllabus of the same, to the Judicial Council, which shall affirm, modify, or reverse them."

## REPORT OF THE CAMP ADVISORY COMMITTEE

Your Committee was requested to make an overall evaluation of our Conference Campsites as to the role of each, the potentiality for programing, and the development of additional facilities which may be needed.

The oldest campsite, Leesburg, presently has complete facilities for organizational type camping, facilities for Conferences and retreats for larger groups, and an area dedicated to rustic camping. It has an adequate water supply and a sewer system capable of handling all current and future

development. Maintenance has progressed on essentials, the kitchen having been completely renovated at great expense over the last two years to keep pace with health codes. At present a cabin for the physically handicapped is being added, paid for by gifts raised in memory of Miss Sylvia Rucker and the Reverend George Warren. The master plan for the development of Leesburg envisions a future Family Camping area and a future Retreat Center on land owned by the Conference adjacent to the present site. Sewer facilities are already installed on this property. With these additions Leesburg would be able to entertain a wide variety of programs, from a group of several families on retreat together to conferences of up to 600 persons or more.

Changes in the life-style of youth and in local church youth situations, coupled with our inability to find a camp style and program that will appeal more to youth on the one hand and pastors and church leaders on the other, have resulted in attendance losses at Leesburg, with consequent financial decreases in operating the total camp related program. In part this attendance loss has been made up by the development of new programs not related to a site—trail hikes, canoe trips, bicycle hikes, etc. These latter are unfortunately by nature small group experiences, which are tremendously effective with persons but expensive to operate.

Nationally there is a trend back to organizational type camping, not replacing but rather complementing the development of new styles and programs in group experiences. Your committee feels that with diligent work and adjustments in facilities to meet the new needs, Leesburg will again be able to carry program losses in other areas. Adjustments have been made in fees for this year, though current inflation may make those adjustments ineffective.

In view of the facilities already available at Leesburg, and in view of its central location for the entire Conference, your committee recommends that the Leesburg facilities have first priority on any capital funds available.

Camp Florida in Brandon is a small camp which came to us through the merger of the former Evangelical United Brethren and the former Methodist Conferences. Located in the center of the Tampa Bay urban area, within 1½ hours of 50% of the United Methodist members in Florida, it has heavy bookings, and normally a waiting list for dates. It is capable of handling up to 125 persons on limited acreage. This camp faces a complete revamping of shower facilities in all toilets, the eventual complete replacement of the dining hall, and should acquire any more land that may become available. It is most usable as a retreat center for many types of programing and though small is nearing self-support. Our recommendation is that the local area be challenged to contribute the amount necessary to update the showers before this summer's program begins, and that the opportunity for a memorial gift of the dining hall be publicized. No capital funds would be requested for this campsite in next year's budget.

The South Florida Camp near LaBelle includes a lovely pavillion and rustic camp facilities, including some rustic cabins. Development is hindered by lack of portable water. Engineers have been working on the problem for a number of years, and we are informed a promising new breakthrough may soon solve this problem. Any large development of this site would also involve an expensive sewage treatment facility. The Camp is located on the eastern fringe of an area of fantastic growth, and excellent roads make it readily available to the East Coast area as well. Your committee feels that this site has great potential for the future, but that for the present it should be maintained for rustic camp programs only. We further recommend that plans be developed for a Family Camping area in the future and gifts from interested individuals be invited for this future project. No amounts are recommended in capital funds budget for next year, pending some further report by engineers on the water problem.

The North Florida Camp, located on beautiful acreage on the Suwanee River near Mayo, has some rustic cabins, other facilities for rustic camping, and a recently added mobile home for a caretaker. The future of this camp is clouded by the fact that the Jacksonville District has been given 100 acres

on Lake Asbury, 25 miles from downtown Jacksonville, for a District Campsite. Should the Jacksonville District aggressively develop that site, it would drain resources of money and persons potentially available for North Florida Camp development. We face the very real question as to whether United Methodists can develop and adequately use two campsites in the more sparsely populated North Florida area. In any event, we recommend that only rustic camping be held on the Mayo site for the immediate future.

#### Recommendations:

1) That plans for the actual construction of the proposed Retreat Center at Leesburg be held in abeyance but that the Committee to Finance the Center be empowered to publicize our desire to erect such a facility in the future and to hold all funds contributed in an account now open in the Florida Methodist Foundation.

2) That we proceed as rapidly as possible with the development of the Family Camp area at Leesburg, and give this first priority on capital funds that may be earmarked for Camp development. Our continued failure to exploit for our Christ this popular and growing movement would be tragic.

a) We propose the installation of roadways, needed water and electric lines, and sewer taps (mains are already installed in the area) together with other facilities for three U shaped areas (as per master plan) with 110 trailer or tent sites. We propose the building of the central shower facility for one circle at this time, with the solicitation of gifts for the other two facilities from persons expressing an interest in the Family Camp area.

b) To finance the above, estimated to cost between \$110,000 and \$120,000, we propose that the Conference Trustees be authorized to negotiate a loan from the Florida Methodist Foundation to absorb balances on the three current notes for Camp related developments and provide the additional money, repayment schedule not to increase the current budgeted amount for Camps in the Conference Capital Funds Budget.

At the present the Conference appropriates \$34,000 per year for three loans, which terminate at various date in the next three years. At the end of 1973 the principal on these notes will be down to \$78,286.07, which with the \$120,000 would create a new note of \$198,286.07. With annual payments of \$34,000 principal and interest, this would be paid off in a little less than eight years.

In closing, we would remind the Council and the Conference that our faith expressed 25 years ago in the creation of facilities at Leesburg has already blessed and enriched the lives of countless thousands of all ages in the Florida of today. We need to move resolutely forward in providing the tools for blessing life in the future!

### ARCHIVES AND HISTORY

We are grateful to God that He gives the churches of the Florida Conference a chance to continue to be a part of "The Endless Line of Splendor." Under the leadership of our new Bishop, Joel D. McDavid, we look forward to going from strength to strength.

The First United Methodist Church of Jacksonville is celebrating its 150th Anniversary in 1973. Charlotte Harbor, Friendship, Clearwater, and Sun Ray have submitted historical materials for the Archives. We continue to be grateful to Dr. Charles T. Thrift, Jr. and to Florida Southern College for space in the Library for the Conference Archives. We thank Mrs. Otye Bly for her fine service in organizing our Archives.

We will continue to present Certificates of Recognition to those churches who celebrate anniversaries at 25 year intervals and who submit up-to-date

histories for the Archives. Ministers who have served 25 years will be given a certificate.

Ministers entering the conference in full connection will be presented copies of our Conference History, "From Saddlebags to Satellites." We urge every Pastor to make sure that a copy is available in each church. The book would make a fine gift of appreciation to lay members of the church who have given outstanding and faithful service in the church.

As we face the future, let us give thanks for our heritage and press on to the mark of the high calling in Jesus, our Lord.

**CONFERENCE LEGAL ADVISORY COMMITTEE**

The Resolution of the Annual Conference providing for creation of The Florida Annual Conference Legal Committee:

"RESOLVED, that the Bishop appoint a Florida Annual Conference Legal Committee consisting of the chairman of the Conference Board of Trustees, who shall convene the committee, one Methodist attorney-at-law from each district, and one attorney for each of the several boards and institutions of the United Methodist Church to come together and discuss the problems of tax exemption of United Methodist Church properties; application for tax exemption; the possibility of uniformity of deeds, corporation forms; and such other and further legal problems as are district-wide or Conference-wide which might be solved through cooperative effort. They are directed to report back such recommendations to the Florida Annual Conference meeting in 1973."

Pursuant to this Resolution, Bishop Henley appointed the following attorneys at law as members:

Mr. Charles Smith, 2205-14 Ave., Vero Beach  
Mr. Quillian S. Yancey, Marable Arcade, Lakeland  
Mrs. A. B. Blackburn, Jr., 6858 LaLoma Dr., Jacksonville 32217  
Mr. Samuel P. Bell, III, 44 N. Beach St., Daytona Beach 32015  
Mr. Sam T. Dell, Jr., 203 N.E. First St., Gainesville  
Mr. Madison Pacetti, Box 2775, Palm Beach 33480  
Mr. Robert S. Trinkle, Drawer TT, Plant City 33566  
Mr. Jackson D. Miller, 701-11 St. W., Bradenton 33505  
Mr. Hugh Reams, West Coast Title Building, St. Petersburg  
Mr. A. Duane Bergstrom, Box 3146, Orlando 32802  
Mr. James H. Peck, Suite 441 Plaza Building, Miami  
Mr. J. Lewis Hall, Box 1228, Tallahassee

The committee has been inspired by the encouragement and cooperation of Bishop Henley, Bishop McDavid, the Cabinet, and in the process of deliberations and conferences we seem to have assumed, or there has been conferred upon us, the more dignified appellation of Florida Conference Legal Advisory Council.

In accordance with the purposes of the committee as expressed in the Conference resolution, your committee has undertaken and has in process of preparation a handbook or manual that will afford legal advice and guidance to district superintendents, pastors, conference and church officers and lawyers involved in the temporal affairs of the church in regard to church and civil law relating to taxes and tax exemption, civil liability, sale, purchase and mortgaging of church property, incorporation of churches and conference and church agencies, wills and gifts, trusts and the status generally of church property under the civil law of Florida.

In an appendix to the handbook or manual, we plan to provide suggested forms for compliance with church and civil law in respect to the various topics mentioned above, including forms for claim for tax exemption, deeds, mortgages, notices, resolutions, incorporation and other forms for documents necessary or proper for carrying on the business affairs of the Conference, its agencies and churches.

The committee is acutely aware of the increasing need for legal aid and assistance for every agency and official of the local churches, the several districts and of this Conference and its agencies, boards and commissions, particularly in regard to tax and property matters.

We propose and recommend to the Conference a plan of organization, substantially as follows:

1. That the committee be continued as an agency of this Conference under the name Florida Annual Conference Legal Advisory Council and that its members serve at the pleasure of the presiding Bishop.
2. That the committee be composed of one lawyer from each of the twelve Conference districts, and act generally as a legal advisory body rendering such services to the Bishop, the agencies of this Conference, the district superintendents, and the local churches as may be requested of it and to carry out such other assignments as may be given it by this Conference or by the presiding Bishop.
3. That the members of the committee from each district act in cooperation with the district superintendent and local church ministry and Methodist lawyers to provide and afford legal aid and assistance to every local church and to the several district boards and commissions.
4. In accordance with the directive of this Conference, the committee has considered the present and future needs for legal advice to this Conference and its several boards, agencies and institutions. It is the opinion of the members of the Legal Advisory Committee that the increasing complexities of handling the business affairs of the church will, in the foreseeable future, require the services of a full-time paid legal staff with the Advisory Committee acting in an advisory capacity in relation to such

paid staff, and that plans should be made accordingly as that need becomes fully apparent.

In the meantime, the committee recognizes that Florida Southern College, Florida Methodist Foundation, the Florida Methodist Children's Home and possibly other Conference boards, agencies and institutions are presently in need of legal counsel and that some of these agencies have separate counsel at the present time, and that the above named agencies and institutions of the Conference, together with such other agencies and institutions as may be designated by this Conference or the presiding Bishop, be authorized to have independent legal counsel.

5. That necessary funds be appropriated for expenses of the committee.

J. LEWIS HALL, *Chairman*  
JUNE C. BLACKBURN, *Secretary*

### THE COMMITTEE ON THE LAY WORKER

Those persons attaining the Lay Worker relationship in the Annual Conference are professional in training and position. We believe the matter of their employment should involve a commitment on the part of both the Lay Worker and the employing church for at least one full year. Termination of service on the part of either in less than a year may prove to be traumatic, and it will almost certainly militate against the highest level of proficiency and a good relationship. We urge both employer and employee to consider employment a contractual agreement for at least one full year.

We would further urge both the employing church and the Lay Worker to give 90 days notice of the termination of employment whenever this is at all possible. We believe 30 day notice is almost mandatory for either party involved.

We remind those churches employing Lay Workers of the disciplinary provision which states that pensions shall be provided for persons in such a relationship. If we are to retain the services of the best persons in the fields represented and maintain a position of fairness on the part of the church, this committee believes some provision for pension deserves careful consideration. We urge all our churches to provide pensions for Lay Workers. The Methodist Church, through its Board of Pensions, offers "A Pension Plan for Lay Workers." This committee would also encourage local churches to consider health insurance programs under a group plan for the Lay Workers in their employ.

We commend the secretary of the Annual Conference for publishing in the Conference Journal a roll of those who are Lay Workers and members thereby of the Annual Conference.

Realizing that several lay members must be elected to the Annual Conference on a district basis in order to provide the required ratio of laity to clergy, we recommend that district nominating committees consider the possibility of including in their nominations those Lay Worker members of the Annual Conference, who are persons to be seated with the privilege of voice, in order that they may also have the privilege of vote.

The committee has met and interviewed those persons requesting consecration as Lay Workers by the Florida Annual Conference and will continue to interview those seeking this relationship. It will be our privilege to present the candidates to the Florida Annual Conference for their election to membership and to Bishop McDavid for consecration when the Conference meets in June.

These persons have been certified by their respective professional organizations responsible for their certification, have been interviewed and recommended by the Conference Committee on the Lay Worker for election as Lay Worker members of the Florida Annual Conference and are com-

mended to Bishop McDavid for consecration at this session of the Annual Conference:

**Church Administrators:**

Louis C. Candedo  
Mildred W. Edenfield

**Director of Christian Education:**

Ellen Rice

**Director of Music:**

Norman R. Gregory  
Theodore C. Wheeler.

These persons by their own requests or by change of employment that has removed them from relationship to the United Methodist Church are recommended for removal from the list of Lay Worker members of the Conference:

Charles Biggs  
Moody L. Chisholm  
James E. Compton

Mrs. John C. Crotty  
Mrs. Geraldine Curphey  
Robert Deniston.

**TRUSTEES OF THE FLORIDA CONFERENCE OF  
THE UNITED METHODIST CHURCH**

The Trustees have found it a privilege to cooperate with the Episcopal Residence Furnishings Committee which was elected by the Annual Conference last June. This able Committee is faithfully carrying out their assignment, but as of this date the work is not yet complete. Upon completion of the work the Trustees will give a complete accounting of funds expended. There will also be on file an inventory of all furnishings belonging to the Florida Conference. Bishop and Mrs. Joel D. McDavid have been most understanding and cooperative in handling all matters relating to this responsibility.

The information which the Trustees have indicates that there is insurance on all properties belonging to the Florida Conference. Some increases in coverage have been made, and as values continue to appreciate it will be necessary to make other increases in coverage.

Transfers of properties held by other boards and agencies of the Florida Conference are now in process. The up-dating of abstracts will be necessary. Since no funds are budgeted to cover necessary expenses related to these transfers to the Conference Trustees, we recommend that the interest earnings, as necessary, be available to the Trustees from the sale last year of the Maxwell Street residence. As of January 1, 1973 the total in this account was \$34,643.26. This is on deposit with The Methodist Foundation.

An additional clergy staff member is expected to be added to the Conference Program Council in June. It will be necessary to provide housing for this staff person. The Trustees recommend concurrence by the Conference with a suggestion from the Cabinet, namely, that "in view of the exploratory nature of the job" a housing allowance be granted in lieu of the purchase of a parsonage at this time. This is an exception to the Conference policy of providing a parsonage.

Indebtedness on all property obligations are paid to date. Attached hereto is a schedule indicating annual payments due, unpaid balances as of January 1, 1973, and the dates on which the final payments are due.

## REPORTS OF ECUMENICAL AFFAIRS

### I.

#### REPORT OF CONFERENCE COMMISSION ON ECUMENICAL AFFAIRS

The work of the Commission during the year 1972 may be seen through several highlights, the first of which was the receiving, assimilating, and reporting of the Response and Evaluation Forms resulting from studies done by Florida United Methodist groups and individuals on the Consultation on Church Union "Plan of Union" document. The report, presented to the Florida Annual Conference in June, 1972, indicated a low interest as it stood at that time. The "Plan" is presently being revised in the light of criticism received in the 1972 response forms and a revised edition is anticipated to be ready in 1974 or 1975.

A second highlight was the Commission's participation in the formulating of a written state-wide response to the "Plan of Union" involving representatives from all eight COCU participating denominations.

A third highlight was the division of the Conference Commission on Ecumenical Affairs and the Florida United Methodist Delegation to the Florida Council of Churches into two separate agencies.

A highlight for all of Florida's churches was the installation of our own Mrs. Bruce Gray to the office of President of the Florida Council of Churches, the first woman to hold that office in the twenty-five years of the Council.

Still another highlight was the continued assistance which the Commission rendered to the local churches in setting up work areas on Ecumenical Affairs, conducting programs on ecumenism, providing literature, films, and promotional aids, and representing Florida United Methodism at various occasions of ecumenical significance.

#### REPORT OF UNITED METHODIST DELEGATION TO THE FLORIDA COUNCIL OF CHURCHES

The Florida Council of Churches provides an opportunity and a facility for the Christian churches of our state to express their oneness in Christ. The Florida Conference of the United Methodist Church is proud to be a part of this unified Christian witness. Through the cooperation with our Commission on Ecumenical Affairs delegates are named to represent us in the life and work of the Florida Council of Churches. We share in the operating and program budget along with other Christian churches.

The United Methodist Church is especially pleased that Mrs. Bruce Gray, very active in her local church, the United Methodist Women, and the Florida Conference now serves as President of the Florida Council of Churches.

As we think of our united Christian witness we think of Key 73 and the evangelistic thrust it offers to us just now. Joint services and community studies prove beneficial to all churches. There are community needs and challenges too great for any single denomination to attempt alone, but unitedly we find strength and acceptance. Many of our public service media will open the doors for Christian worship and witness only to ecumenical groups. As we prepare certain materials for use in our churches we can prepare them jointly, utilizing the full expertise of all the churches.

The United Methodist Church, through its heritage and practice, has been eager to cooperate with other groups, especially other Christian denominations. Our doctrine of the church not only makes it possible but encourages this. If we did not have the Florida Council of Churches we would be seeking to develop another structure to do its work, for joint effort is imperative. Thus, we fulfill our heritage in the doctrine of the church and practical needs as we share in the ministry through the Florida Council of Churches.

## BOARD OF CHRISTIAN SOCIAL CONCERNS

### REPORT NO. 1

The Board of Christian Social Concerns held its annual meeting February 2-3, 1973 at the United Methodist Building in Lakeland. This Board has been very busy during this quadrennium in promotion of the program and work of Christian Social Concerns.

1. **THE CONFERENCE SCHOOL OF CHRISTIAN MISSION:** We have contributed personnel and substantial time and effort in the work of the school and feel that it has tremendous potential for good and for spiritual growth in the Florida Conference. Its purpose is: "to provide an opportunity for study and training in the mission of the church with particular emphasis on the current mission study themes and spiritual enrichment as they relate to the task of the several program areas in the local church both separately and as a whole." The weekend and week session commence July 20 and conclude on July 27, 1973 at Florida Southern College. We strongly urge every church to send one or more of its members to the school.
2. **ALCOHOL AND DRUG ABUSE FILM LIBRARY:** The Board has established a film library at the United Methodist Building in Lakeland. These filmstrips and films can be used at no rental cost but a service charge of \$1 per film will be assessed. They are available to local churches, church schools, and local church groups. Users are responsible for the proper care and safety and must return the films at the designated time.
3. **ALCOHOL AND DRUG SEMINARS:** The Board has the personnel and the resource material to aid the districts in cooperation with the District Superintendents, district officers, and the local churches, to promote such seminars, as time and circumstance will permit. The desire and motivation for such a program must be generated by a local sponsoring group.
4. **SEMINARS AND WORKSHOPS ON RECONCILIATION:** We strongly urge that every church make a survey, become conscious and concerned with the problems of Social Concerns within their own church and community. There are so many problems literally begging for Christian concern in your own local community that it would be impossible to properly handle all of them in this generation. It is the duty of the church to answer the call and cry of the needy, the distressed, the aged, and the many problems of inequality and discrimination that exist within our localities.
5. **LOCAL CHURCHES AND THE LOCAL COMMUNITIES:** The Board and its members stand ready to render whatever assistance, material and resources the local churches desire, and to perform it in a way that will fit into local program and local needs. It is not the purpose of this Board to go into any local community or into the local church and attempt to develop a program unless and until it is requested by a local group. The willingness and desire to do most of the work must be developed within the local organization.

Report of Division of General Welfare by John Fletcher, Chairman:

1. We believe the Conference may find genuine satisfaction in its sponsorship of the pilot drug abuse project in Orlando. Dr. Robert Curry, who has sparked this project from its inception in January 1969, reports that our program continues to be a vital and dynamic approach in combating drug abuse. The philosophy now prevailing emphasizes attitude change as a basic objective with the idea that life's goodness and pleasure is found in other ways than drugs.

Because of the wide favor given the program we have been requested by the Orange County school system to prepare a written guideline for use in all Orange County secondary schools. When this is done, in mid-1974, we believe our participation should discontinue as primary objectives will have been accomplished. We recommend continued support for this period.

2. United Christian Action has continued its work as a resource for Florida Methodists seeking to control the excesses of the powerful liquor and gambling industries in Florida. Its director has alerted us to issues before the Florida Legislature that deal with the welfare of all citizens. We believe that an increased effectiveness of this organization in its service to Methodist Churches and the people of Florida will become apparent in the near future. United Christian Action is an interdenominational agency, supported by the Florida Conference, which seeks to inform Floridians of the dangers involved in the use of alcohol, drugs, and certain other social concerns. We recommend continued support of this organization or a program of similar purpose.
3. We call attention to the fact that the official position of our church is that of the 1972 General Conference statement as follows: "We affirm our conviction that the choice to abstain from the use of alcoholic beverages is sound and is a wise witness to God's liberating and redeeming love for mankind."

This is in no way altered by recent discussion in which it has been suggested that we have a duty to Methodists who choose to drink "to begin to discuss the guidelines to responsible drinking." Study and dialogue in local churches dealing with this problem is encouraged. The observance of Drug and Alcohol Concerns Sunday is commended.

4. We are supporting the work of the Springfield Alcoholic and Rehabilitation Center in Jacksonville, where an affective work with alcoholic rehabilitation is under way. There are four areas of treatment used at the center: (1) physical, (2) social, (3) emotional, (4) spiritual. We recommend continued support. It is funded by JUMMBO (Jacksonville), Springfield United Methodist Church, and the Conference Board of Church and Society.
5. Two excellent new 16 mm films, *Health in Balance* and *Churches in Society*, have been added to the Conference Library and will be found effective in alcohol and drug education. A number of others purchased in recent years also are available.
6. We encourage continued support of the Community Service Volunteer Program whereby qualified laymen become volunteer counselors for parolees and aid in their rehabilitation, under the supervision of the Florida Parole and Probation Commission.
7. Human life is sacred; therefore, it is a crime against God for man's law to inflict death. We call for the prohibition of the death penalty by our state.

From 1970 Conference Journal: "Motion to amend by Don Hughes that the Florida Annual Conference of the United Methodist Church, local churches of the Florida Annual Conference, institutions, boards and agencies of the Florida Annual Conference become participating members of Project Equality." (page 95)

#### PROJECT EQUALITY

The following report contains a resume of the effort of the Board of

Church and Society, alias Christian Social Concerns, to implement the above mandate of the Florida Annual Conference in session in June, 1970:

#### SUMMARY:

Don Hughes moved to amend the report of the Board of Christian Social Concerns to the effect that the Florida Annual Conference and all of its institutions actively participate in Project Equality. Dr. Rooks, the Director of Program Council of the Florida Annual Conference, initiated the first contact of Project Equality followed by contacts initiated by various Board members, including chairman Revels. Information received from Project Equality office was vague and limited. Later it was discovered that Project Equality was in a period of transition in being liberated from its original sponsoring agency. Efforts were continued from year to year to date.

#### FINDINGS:

First we learned that there were no offices which could service our area. Later Project Equality suggested an alternative in that we service ourselves through existing Conference personnel, which they estimated would cost no more than \$25,000 a year for training, materials, and time allocated. Following this the United Presbyterians, U.S.A. expressed interest in Project Equality, and the Rev. Thomas Johnston contacted me suggesting that together we might service ourselves for as little as \$2,500 a year, which would be the cost of materials and training program.

It seemed advisable to use the Florida Council of Churches as the agency to implement Project Equality, thus making it possible for all denominations to participate. A meeting was called June 5, 1972 of the Commission on Christian Social Relations of the Florida Council of Churches, to which our chairman, Judge P. B. Revels and other board members were invited to meet with the Rev. Robert A. Hoppe and the Rev. Arthur L. Waidmann, Executive Director and Representative of Project Equality. They gave us the following counsel and information:

There are no offices near enough to service Florida, therefore, it will be necessary to establish such an office within the boundaries of the State of Florida. Minimum cost annually would be \$50,000 to \$55,000. This being an impossible amount at this time, it was considered best to conduct a Feasibility Study, which would cost between \$2,000 and \$2,500. The United Presbyterian Church, U.S.A. had available \$1,000 and the United Methodist Church, Florida Annual Conference, through the Board of Christian Social Concerns budget, made a contribution to the study in the amount of \$500. The rest of the funds are to be obtained from other interested denominations and the Feasibility Study is to be conducted under the direction of the Florida Council of Churches. The Florida Council of Churches' Commission on Christian Social Relations met October 2, 1972 and established purpose, procedure, and possible personnel.

#### CONCLUSIONS:

In the light of the foregoing facts, there is no further action which this board may take and should therefore report this to the Annual Conference convening in June 1973. I therefore offer the following recommendations:

1. That the Florida Annual Conference, all of its institutions and agencies, and all of its churches, be sensitive to the goals and purposes of equal opportunity in our land, and conscientiously support and implement them.
2. That the Florida Annual Conference defer its action relative Project Equality to the Florida Council of Churches, and that further consideration of Project Equality be suspended until facts support a clear opportunity to implement the program.

GORDON H. STRICKLAND

Peace and World Order—Rev. Jimmy Jones, Chairman. The following recommendations were approved:

1. Program: Study Action Groups: Designed for personal enrichment and a broadening horizon which may lead to specific courses of action as needs are determined. Suggested themes for study: United Nations, World Development, Foreign Policy, Food and Population, Arms Race, etc. October-November 1974, Local Churches. Funding: None.
2. Program: "Laboratory in attitudes" to be held in three geographical areas of the conference, with attention focused on training in the use and technique of "Simulation Gaming in The Church." February-March 1974. Funding \$200.
3. Program: Conference-wide Workshop or Seminar on Peace and Self-Development of Peoples under the leadership of Bishop John Wesley Lord. Reverend Jimmy S. Jones and Mrs. Hugh Wilcox have been named by Bishop McDavid and the cabinet to coordinate this program. Date to be determined by the cabinet. Date and funding to be determined later.
4. Program: Observance of Special Days and Projects: United Nations Week, UNICEF, World Day of Prayer, World Order Sunday. Opportunities for study, information and action. Date and Place: Local Church, 1974. Implementation: Local Church. Funding: None.
5. Program: Distribution of information concerning the portion of the "Fund for Reconciliation" money used in the rehabilitation of Vietnam—through *The Florida Methodist* and the Coordinated Mailing. Funding: None.

Human Relations and Economic Affairs: The following report was given by the Chairman, Mr. Cashus Richardson and approved:

1. Because of the injustices suffered by minorities, we encourage Florida Methodists to be aware of the need for compliance with Civil Rights Legislation. (Florida leads the south in charges filed with the Equal Employment Opportunity Commission in 1972.)
2. In light of an established Conference priority to work toward alleviation of economic exploitation, poverty and racism, and in the interest of implementing this goal; we urge that the United Methodist Council on Ministries, and every local church work to provide equal employment, with not less than minimum wage, and without regard to race, color, sex, age, or national origin.
3. We are concerned about the welfare and living conditions of farm workers, and we realize the gross injustices in the migrant communities; therefore, we support the right of farm workers to organize in the necessary efforts to bargain for better wages, better working and living conditions.

#### CONCLUSION

The Conference Board of Christian Concerns for the quadrennium ending in June 1972, and for the year ending with this conference as the Conference Board of Church and Society has tried faithfully to fulfill its responsibilities, and to do it in a mature and responsible fashion.

We have assisted in the experimentation to find new techniques in dealing with alcohol and drug abuse and misuse. We have supported the Orlando Drug Pilot Program to seek new avenues in the field of drug education. Likewise, we became involved with the Springfield Alcohol Rehabilitation Center, at the Springfield United Methodist Church in Jacksonville seeking new methods and testing old procedures in rehabilitation of alcoholics. We recognize as a Board we do not have sufficient personnel or funds to launch these experimentations, but we united with local groups who were dedicated workers willing to give time and support to these projects with substantial results. We believe both are blazing new trails in combatting these grave problems.

We have alerted local congregations to many serious social problems, and have encouraged many of them to become involved with some of our more pressing needs.

We have promoted reconciliation and many other social issues. We have bridged the gap between this board and the local churches and have strengthened our relationship with the local churches.

We have reduced the number of resolutions. Many times resolutions are frightening, and divisive, and accomplish ill rather than good. We have tried to heal and reconcile, and help the church grow in these uncertain and changing times.

### BOARD OF PENSIONS

We take this opportunity to express appreciation to the people of the Florida Conference for their cooperation and support as we attempt to meet in full all obligations to the pensioners at the established rate for the year 1972-73, and to the Minister's Reserve Pension Fund for the same period.

Eleven congregations failed to pay in full for the fiscal year, 1972, their share of the Ministerial Support that was required for pensions. Careful consideration and follow-thru by the District Superintendents will lead to a reduction in this number. Your Conference Board of Pensions finds it necessary to call attention to paragraph 1260.6 of the 1972 *Discipline*. We do not want to see any minister and his family suffer a deduction in pension due to a default.

The prospects of having a full-time staff member of the Program Council to work with the Division of Ministry and its Board of Pensions delights us. We need this expertise—knowledgeable counsel and responsible service in furnishing to the General Board of Pensions necessary information, reports and other records as may be required from time to time.

#### I. Question 11

1. That the amount required to meet the needs of both the Current Income claimants and the requirements of the Minister's Reserve Pension Fund for 1974 be approved as requested in the budget report of the council on Finance & Administration.

2. That the annuity rate for fiscal 1974 be fixed at \$90.00 per service year for all accredited service rendered by retired ministers and lay pastors of the Conference; 75% of that amount for widows and 25% for each dependent child.

3. That the following resolution be approved for "Housing Allowance for Retired Ministers:"

WHEREAS, Since 1908 *The Discipline* of The United Methodist Church has recognized and stated its responsibility to its ministers, effective and retired, for their comfortable support—and to meet this obligation a Conference Claimants Fund was established by annual assessments on the local churches; and

Whereas, The United States Government has recognized in its income tax regulations monies designated as "allowance for the rental value of a parsonage or home" for a minister as exempt from taxation; and

Whereas, The United States Government has recognized also in its income tax regulations monies paid by a minister for the utilities of such a "parsonage or home" for a minister to be exempt from taxation;

Therefore Be It Resolved, that Florida Annual Conference of The United Methodist Church, in session duly called, June 5, 1973, Bishop Joel D. McDavid, Presiding, that fifteen hundred dollars (\$1,500.00) of the total annuity paid to each retired minister shall constitute a rental allowance paid as a part of the retired minister's compensation for past services;

*And Be It Further Resolved*, that an additional allowance of five hundred dollars (\$500.00) shall constitute a utility allowance for the minister's said "parsonage or home."

This is in accord with paragraph 860, code section 107, regulation paragraph 1:107, IRS.

## II. Question 15

1. That annuity claimants working under a general board, institution, or agency of the church who have been approved for annuity credit, shall pay, or the respective board, institution, or agency shall pay, \$1,188 for the appointment year beginning June 1, 1973.

2. That the following institutions or organizations be approved for annuity responsibility: Florida Southern College, Bethune-Cookman College, Florida Methodist Children's Homes, conference evangelists, Crystal Beach Community Church, Biscayne Manor, Jacksonville Urban Ministries, Miami Coordinator of Urban Ministries, Tallahassee Parish Development, Tampa United Methodist Centers, Fort Lauderdale Specialized Ministries, Florida Spanish Ministry, Goodwill Industries at Orlando, General Board of Missions, General Board of Education, Florida Christian Migrant Ministry, West Palm Beach District Board of Church Extension, Alaska Missionary Conference, St. Petersburg Urban Ministries, Epicenters of Orlando.

**REPORT OF THE TRUSTEES OF THE PREACHER'S RELIEF BOARD**

While the Preacher's Relief Board cannot provide housing for all conference claimants in their retirement, it has been able to provide for 50 retired ministers and wives, and/or widows, and children. In addition, we have some few properties that are not of a quality that there is any demand for them. Eventually, those not worth the cost of repairs will be sold, the amount thus secured to be used to upgrade present property, or to purchase new. Our property manager has been operating under a policy of flexible, shared responsibility, wherein the occupants often share in the cost of maintenance, taxes, and improvements, as they may be able to do so. Traditionally, the property manager has devoted much time to visiting these people and properties to express concern and interest in their welfare, and to arrange for maintenance and repair.

Of late years, our parsonages throughout the Conference have become more livable and quite comfortable. It stands to reason that the quality of our houses provided these claimants should be upgraded as the situation permits. Some are not very attractive nor livable at present. The Board contemplates using some of its reserve funds for building an occasional duplex of modern design to replace inadequate dwellings, or to make more dwellings available for those reaching retirement, but unable to purchase a house. This can be accomplished with the cooperative generosity of people donating their own houses, (after life tenure), by a minister willing to bear a portion of the cost of a new duplex, and by the sale of unused property owned by the Board.

In one church, a lovely lady in consultation with her pastor, has left our Board three buildings (two duplexes and a single family dwelling.) These will be in our hands shortly, and we hope to have living facilities for three couples in that lovely city of Lake Wales.

We are very much dependent upon the income from our reserve funds for maintenance. Also, the conference has been directing six thousand dollars from the Conference Budget, annually. However, in cooperation with the large priority given to other conference plans, just now, we have felt that we could operate for the present without asking for any allocation from the Conference Budget. We trust that the difference will be made up in gifts of property given by people in every district of Florida. Arrangements can be made for such donors to occupy their gift house as long as they live, the property then to be used for these retired parsonage couples needing them.

We especially commend Dr. Bruce F. Gannaway for his excellent administration of our properties during this Conference year, for the attractive promotion he has given our cause, and his good suggestions for future growth. It is a very time consuming responsibility. In cooperation with the Conference directive, these heavy responsibilities will now be served by the Program Staff member who works in the other areas of Ministry.

### COMMITTEE ON RELIGION AND RACE

Race relationships within the Florida Annual Conference have improved significantly during the four years since our Conference merger in 1969. The problems involved have been greatly over-shadowed by the many advantages and benefits resulting from the merger. We have been enriched by our growing understanding of each other as we have worked together in the service of Christ.

Significant steps have been taken this year to improve church facilities in many of our former Central Jurisdiction churches. There is still much that remains to be done to make possible a more effective ministry in many of these communities. Many black churches or charges do not own a parsonage, and some existing parsonages are greatly in need of improvement. We commend the Board of Missions for their efforts to help with these needs through Black Church Extension.

As more and more black pastors retire there is a growing need for young men to take their place in our Conference. The black youth of our Conference need to be encouraged to prayerfully consider this need. In this connection, we believe it would be helpful if our Conference program included a speaker from Gammon Theological Seminary in Atlanta, Georgia.

We encourage continued deliberate efforts to be a truly inclusive church, with representative leadership at all levels of our district and conference organizations. We recognize the very insignificant leadership potential among many of the black members of our conference. It is our prayer that progress shall continue as we face the year ahead.

### REPORT OF THE CONFERENCE INSURANCE COMMITTEE

This Committee was appointed two years ago by the Annual Conference, upon recommendation of The Florida Methodist Foundation, Inc. to study the field of Property Insurance for churches and institutions of the Annual

Conference and ascertain information as to the feasibility of a program of self-insurance.

District Superintendents and Pastors have been most cooperative in this study furnishing descriptions of property.

Just recently you have received information that the General Council on Finance and Administration is offering an attractive "Nation-wide general insurance and workmen's compensation program open to local churches, annual conferences, church related institutions and general boards and agencies"—with large savings on premiums.

With the inauguration of this church-wide program, this committee recommends that the Florida Annual Conference not plan its own self-insurance program, but that the Conference, its institutions, and its churches give consideration to this national program.

As a liaison will be needed between the Annual Conference and the General Board for this program, we recommend the continuance of an Annual Conference Property Insurance Committee.

#### THE FLORIDA ANNUAL CONFERENCE RESOLUTION FOR CURRENT & PRIOR SERVICE PARTICIPATION (Full Transition Program)

##### OF THE MINISTERS RESERVE PENSION FUND

WHEREAS, the Florida Annual Conference in 1964 adopted the plan of the Ministers Reserve Pension Fund for enrolling new entrants as participating members in the Ministers Reserve Pension Fund administered by the General Board of Pensions of The United Methodist Church; and

Whereas, two hundred forty one (241) ministers of the Florida Annual Conference are enrolled as members of the Ministers Reserve Pension Fund for whom the Annual Conference is now providing the funds necessary for the annual allocation for credit to each member's service annuity account, in addition to the allocation to provide Disability Income Benefits and Minimum Benefits for surviving spouses and Dependent Children of deceased members of the Fund; and

Whereas, current and prior service participation (Full Transition Program) in the Ministers Reserve Fund by the Conference has as advantages:

1. Current funding of approved service
2. Establishment of reserve funds

3. Financial productivity of compound interest on reserves
4. Disability benefits for members

Whereas, The General Board of Pensions has provided an actuarial study to determine the annual deposits that will be required as of January 1, 1974 to make possible the participation in the Fund for all eligible persons with annuity claim on the Annual Conference and the funding of all credited service prior to January 1, 1974 at a \$90.00 service annuity rate; and

Therefore Be It Resolved:

1. 4. The service annuity on account of approved service rendered on and

after January 1, 1974 shall be determined according to the tables of annuity rates for such purpose in use by the General Board of Pensions at the time of entering into the annuity and the amount in the Service Annuity Account at that time, provided that the Florida Annual Conference will provide through the Conference Account and the Annual Reserve Requirement, any additional amounts which may be necessary to provide a service annuity for such service at a rate equivalent to \$90.00 per year of approved service with 75% continued to the surviving spouse, if any, or at such rate as the Conference may from time to time approve;

5. That the Conference, in accordance with the Disciplinary provisions and the Rules and Regulations of the Fund, shall contribute annually to the Fund an amount equivalent to twelve (12%) of the conference average salary on behalf of each member of the Fund, for whom, and to the extent that, the Florida Annual Conference assumed pension responsibility; and
6. That in accordance with the Disciplinary provisions of The United Methodist Church and the Rules and Regulations of the Fund, at the time that a member of the Fund is granted a Service Annuity, he may receive a Personal Contributions Annuity of a type identical with his Service Annuity, the amount thereof to be the actuarial equivalent of his personal contributions accumulations in the Ministers Reserve Pension Fund, or if he so desires, he may elect to take all or any part of the personal contributions accumulation in a lump sum at the time of retirement or within the twelve-month period preceding or subsequent to retirement; and
8. That the Conference shall remit to the General Board the initial deposit of \$1,654,322 due as of January 1, 1974 to apply to the credit of the Florida Conference Account to reduce the accrued liability of \$10,820,158 by the amount of this payment; and
9. That the Conference shall deposit \$596,249 each December 31 for 30 years the first deposit due as of December 31, 1974; or until such time as the actual cost of funding the accrued prior service obligation shall have been met. Future actuarial studies shall be provided by the General Board of Pensions for the consideration of the conference in making possible adjustments in the funding of the service annuity rate, annual prior service funding requirements and the number of years during which annual prior service funding deposits will be required; and

### COMMITTEE ON INSURANCE, BOARD OF PENSIONS

#### 1. *Group Health Insurance Program*

A major health insurance program for the ministers of the Florida Conference has been in effect for the past seven years through a policy with Time Insurance Company, Milwaukee. At the time of initial enrollment in 1966 all active ministers were eligible to enroll without furnishing evidence of their insurability. All ministers were given ample opportunity and encouraged to enroll in this program at that time.

All new members in the conference, under age 65, are eligible to enroll in this health insurance program, during their first 90 days in the conference, without furnishing evidence of their insurability. Other members of the conference, except those 65 or older, who are not enrolled can make application at any time for enrollment. These applicants are required to furnish a statement of health history and possibly a physical exam in order for the insurance carrier to determine eligibility or ineligibility. No one age 65 or older is eligible to enroll in this plan.

The Committee on Insurance expresses appreciation to the Florida Conference for approving the recommendation made by our committee at the 1972 session that the conference share in the payment of the quarterly health insurance premiums, beginning in 1973, to the extent of 25% of the premiums paid by all members enrolled in the plan. The conference began sharing with the Feb. 1 premium and it is a big help to everyone enrolled in this plan.

For the necessary application forms, please contact Mr. R. A. Cumming, P.O. Box 5687, Jacksonville, Florida, 32207—phone 904-398-4459.

#### 2. *Group Life Insurance Program*

A life insurance program for the ministers of our Florida Conference has been in effect for the past three years through a policy with Ministers Life and Casualty Union, Minneapolis. At the time of initial enrollment in 1970 all active ministers under age 72 and all ministers enrolled in the former group plan were eligible to enroll without furnishing evidence of their insurability. All ministers were given ample opportunity and encouraged to enroll in this program. An open enrollment was held during the month of June, 1972, to allow the enrollment of active members of the Florida Conference, under age 65, who were not presently enrolled, without furnishing evidence of their insurability.

All new members in the conference, under age 65, are eligible to enroll in this life insurance program, during their first 90 days in the conference, without furnishing evidence of their insurability.

Premiums are \$10.00 a quarter for each member enrolled, with the balance of the quarterly premium being paid from the Committee on Insurance reserve fund, on deposit with the Florida Methodist Foundation, Inc., that accumulated under the former group life insurance program of the conference.

For the necessary application forms, please contact Mr. David C. Groves, 267 Kilmer Lane, S.E., Winter Haven, Florida 33880—phone 813-293-0719; or Mr. Jim DeHayes, 1041 N.W. 74th Terrace, Hollywood, Florida 33000, phone, 305-989-1830.

#### 3. *Special Word to New Ministers in the Florida Conference:*

All new ministers are asked to give serious consideration to enrolling in the group health and life insurance programs of the conference. These plans offer extremely good coverage at a comparably low cost. Don't let this opportunity pass by and regret it later! Representatives from each insurance company will have enrollment forms and information about these programs at a table in the Fine Arts Center adjacent to Branscomb Auditorium.

#### 5. *Recommendation:*

The Committee on Insurance recommends the Florida Conference continue the group health insurance program with Time Insurance Company, Milwaukee, and the group life insurance program with Ministers Life and Casualty Union, Minneapolis. Premium rates for the next policy year for both plans are not able to be determined by the March 15 deadline for this report. Any proposed rate change will be presented to the Annual Conference with the report of the Committee on Insurance.

### REPORT OF BETHUNE-COOKMAN COLLEGE

It is with a great sense of personal pride and inward satisfaction that I report to you on my stewardship as President of Bethune-Cookman College. Many of you are already quite familiar with the Bethune-Cookman College story, for it has been with the help of the Florida Conference of

the United Methodist Church that we have attained our present level of achievement. With your continued support and assistance, and with that of all members of the college community, we approach the next quarter century at Bethune-Cookman College with strength of purpose and confidence in direction.

#### ACADEMICS

We at Bethune-Cookman College consider idealism a virtuous attribute, for attempts at perfection often lead to great accomplishments and zealous ambition. However, we too, are realistic in facing the inevitability of change in cultural and educational values. We do not simply resign ourselves to change. We seek to aggressively bring it about when expressly for the benefit of the College.

Bethune-Cookman College has sought and made those revisions in its instructional program which would prepare students to relate to the challenges and the problems not only of today, but tomorrow. To achieve this farsighted purpose, we have committed ourselves to: (a) to provide education with a Christian emphasis; (b) to provide education with quality; (c) to provide education free of political restrictions; (d) to provide education emphasizing the individual personality; and (e) to act as a service institution to the Church.

The College confers Bachelor of Arts and Bachelor of Science degrees in 16 major areas of study. Opportunities are also available for students receiving pre-professional instruction. Courses are offered in pre-medicine, dentistry, nursing, pharmacy, law, ministry, social work and college teaching, optometry, engineering, and medical technology.

#### STUDENT BODY

Over the years, the students at Bethune-Cookman College have, to a great extent, played a significant role in the development of the institution through their enthusiasm for and support of many of our programs, both in an academic and a social context. With an increased enrollment came stronger support . . . support which enhanced the general welfare and security of the institution. Enrollment for the first semester, 1972-73 is 1,216 (560 men, 656 women).

Results of a recent religious preference survey reveal that out of 22 faiths indicated, those five which predominate among Bethune-Cookman College students are: Baptist, Methodist, Catholic, Holiness and Pentecostal.

#### FACULTY

The educational level of instructors is one of the most significant advances made in the area of instruction over the past 25 years. At the present time, out of a total of 66 members, 44 percent (or 28 members) hold the earned Doctorate degree, while the remaining 56 percent (or 36 teachers) hold the Master's degree and above. Their expertise and knowledge are more readily passed on to the individual student, as there is a very favorable faculty-student ratio of 1 to 19.

#### PHYSICAL FACILITIES

Since its inception, Bethune-Cookman College has maintained both a naturally attractive and functionally designed campus. Today, it consists of 37 acres and 20 buildings, with a book value of approximately \$9,000,000.

#### FINANCIAL AFFAIRS '72

The single most significant achievement for Bethune-Cookman College in 1972 occurred in the area of financial affairs. In this year, we eliminated the deficit of previous years and finished the year with a surplus of \$15,000. We felt this accomplishment to be of particular importance at a time when many other institutions are, out of necessity, taking from their endowment fund to support the annual operating budget of the school, and at a time when the American economy is under the pressure of inflation.

The latest audit report on the physical facilities, grounds and equipment of Bethune-Cookman College yields a value of \$9,000,000. To operate the College in 1972, the total appropriated budget was \$3,294,137.

A financial statement of the school in 1972 shows a total income of \$3,317,293. While all expenses for that year amounted to \$3,143,028. This leaves an excess of income over expenses of \$174,265. To support operating expenses of the institution was an endowment fund of \$1,333,039 (at book value). Gift income for 1972 reached a total of \$446,257, of which \$35,620 was the receipts of an alumni giving program (55% alumni participation).

Our needs at Bethune-Cookman College are great and we have come a long way, but the challenge is the distance we have to go. With the continued support of the Florida Conference of the United Methodist Church, we face the future unafraid.

RICHARD V. MOORE, *President*

### FLORIDA SOUTHERN COLLEGE

Florida Southern College opened its 88th academic year on Thursday, August 31, 1972. Bishop Joel D. McDavid was the preacher for the opening worship service which was held in Branscomb Memorial Auditorium on Sunday, September 3. The academic year concluded on Sunday, May 6, 1973 with the Commencement Service.

The College family was saddened by the death of A. Jack Houts, Florida Southern College Concert Choir Director and member of the faculty. Mr. Houts joined the faculty in 1962.

#### CONFERENCE SUPPORT:

Continued financial support for Florida Southern College at current levels is essential if the present high standard of its educational program is to be maintained.

It takes in excess of \$150,000 additional income for the College to make a faculty salary increase of ten percent. The College does not publish individual salaries, but even with substantial increases in the past few years, the College continues to rank among the lowest third of Methodist colleges in faculty salaries. The average salary (with no house provided) is slightly under \$11,000 for those faculty members with the doctorate, and for the others, it is little above \$10,000.

The following table indicates the projected expenditures and the expected sources of income for the next two years:

EXPENDITURES			
	1972-73	1973-74	1974-75

If the Conference asking is paid in full and *Partners in Education* income begins to become available as anticipated, then the College will be enabled to alter its projections for 1973-74 and 1974-75 with additions as follows:

EXPENDITURES		
	1973-74	1974-75

**PARTNERS IN EDUCATION**

The Florida Annual Conference in June, 1971 authorized a special gifts crusade in behalf of Florida Southern College and Bethune-Cookman College and directed the Steering Committee it constituted to establish a goal for the undertaking of "between \$2,000,000 and \$4,000,000." *Partners in Education* was adopted as the theme of the campaign.

The Colleges listed needs totaling nearly twenty million dollars but designated needs totaling \$4,000,000 as urgent. Based upon the response to the initial portion of the campaign among members of the Boards of Trustees and the Faculties of the two colleges, the professional counsel for the crusade recommended that the goal be established at \$2,000,000. The presidents of the two colleges urged that the needs were so great that it would be far wiser to use a higher goal and push toward its achievement than to settle for an amount quite inadequate for current requirements. The Steering Committee established the goal at \$4,000,000. On March 12, 1973 gifts and pledges totaled \$3,031,741.71.

A complete report of the *Partners in Education* campaign will be made at the Annual Conference in June and printed copies of the report will be made available to all delegates at that time. This interim report will, therefore, be brief and will include figures only through March 12, 1973.

Nineteen separate campaigns have been conducted across the state since February, 1972 and the twentieth and final campaign will be launched in the Jacksonville District on March 27, 1973. Campaign gifts and pledges on March 12, totaled \$3,031,741.71 from 1,527 donors. A total of 427 lay volunteers were recruited and 5,506 Methodist prospects were informed about the campaign and the colleges through a series of mailings, a case-book, dinner meetings and a personal visit or a letter soliciting their pledge. The Alumni and the local communities of the two colleges were also contacted through volunteer organizations which would substantially increase the number of campaign workers and the total number of prospects.

**THE ENROLLMENT 1972-73**

1,373 full-time students (1,388 last year) and 90 part-time students (92 last year) were enrolled for the 1972-1973 academic year. The opening full-time enrollment decreased by 15 from the opening enrollment of 1971-1972. The number of day students decreased by six, and the number of dormitory students decreased by nine. Of the 1,373 students enrolled this year, 22 were studying abroad—an increase of 19 from 1971-1972. A total of 344 students were graduated during the year; 39 received degrees on August 4, 1972 and 305 received degrees on May 6, 1973. (The figures a year ago were 326: 31 in August and 295 in May.)

Enrollment by states revealed that Florida continued to have the largest number of students attending the College. Over 75% of the Florida students

resided in nine counties. Based on full-time enrollment of Florida students in the fall of 1970 (809), 1971 (836) and 1972 (811), the following table gives the number and percentage of students enrolled in these nine counties:

County	1970		1971		1972	
Brevard	29	3.6%	20	3.6%	25	3.1%
Broward	78	9.6%	83	9.9%	74	9.1%
Dade	57	7.0%	60	7.2%	61	7.5%
Duval	36	4.4%	34	4.1%	28	3.5%
Hillsborough	54	6.7%	55	6.6%	57	7.0%
Orange	60	7.4%	69	8.3%	72	8.9%
Palm Beach	42	5.2%	44	5.3%	49	6.0%
Pinellas	67	8.3%	78	9.3%	73	9.0%
Polk	182	22.5%	184	22.0%	172	21.2%
Total	605	74.7%	637	76.3%	611	75.3%

Students enrolled from Florida, Georgia, Illinois, New Jersey, New York, Ohio, Pennsylvania and Virginia numbered 28 or more. The student body last fall came from 36 states and 18 foreign countries and territories representing Argentina, the Bahamas, Bermuda, Brazil, Columbia, Ecuador, England, Germany, Greece, India, Iran, Italy, Japan, Jamaica, Libya, Puerto Rico, Uruguay and the Virgin Islands.

Our policy of granting credit by examination through the College Level Examination Program and Modern Language Association examinations has served us well in attracting students who are well qualified academically. In the freshman class 151 earned 12 or more hours of credit, and 46 earned 30 hours or more. Last year when this credit was first granted, only 92 earned 12 or more hours of credit with 21 earning 30 hours or more.

The College continues to actively recruit the youth of the United Methodist Church in Florida. The Admissions Office has endeavored to interest students who have demonstrated academic excellence in high school. This year 176 were accepted from the 194 who completed applications. Approximately 65% of the new students in 1972-1973 ranked in the top 40% of their high school graduating class.

#### THE ENROLLMENT 1973-1974

If the same percentage of students return this year as last year, we will have 787 returning students. At this time we now expect 409 new students to enroll. At the same time last year we expected 425.

The number of applications received showed no appreciable change from a year ago. Total fall enrollment should be at least 1,350.

\* This year a vigorous effort was made to get as many students as possible, especially freshmen and junior college transfers, to apply for the newly enacted state program of assistance grants. We were able to get well over 200 students to apply. 38 students, all freshmen, were awarded a total of \$44,484. A determined effort is being made to get large numbers of our students to apply for these Florida Assistance Grants for 1973-1974.

#### BETHUNE-COOKMAN EXCHANGE PROGRAM

Strong student exchange program is in operation involving a federal grant for the Education Department. This program allowed our students to have several days and nights on the Bethune-Cookman campus to experience a Black situation in an effort to better understand some of the Black problems. However, a problem is developing in that the federal government grant has declined each year, and if we continue the program much farther, we will have to underwrite it through our own budget.

Our students have been quite eager to operate a semester exchange between Bethune-Cookman and Florida Southern College. This possibility already exists through the Associated Mid-Florida Colleges for any students who may apply.

The faculty exchange program has not been a strong one due to the 180 mile round trip problem, and both colleges experienced considerable difficulty in recruiting professors for this type of exchange program.

#### RESERVE OFFICERS TRAINING CORPS

Enrollment in the ROTC course of instruction, reflecting the national trend, was lower than last year but sufficient to insure a viable and effective program. Last summer the performance at the Summer Camp at Fort Bragg by our seniors was the highest of any class from Florida Southern College. Additional evidence of the quality of our students who are commissioned was provided by the selection of Cadet Mark S. Flenner as the outstanding junior in the Third Army area for 1971-1972.

#### CHANGES ON CAMPUS

Until this year, Florida Southern had operated its own food service plan under the direction of Mrs. Edna Ewerts, dietician. Due to the retirement of Mrs. Ewerts, a change was necessitated and the Shamrock Food Service, Atlanta, Georgia was engaged. To date, their service has been excellent, and the students seem pleased.

Many renovations and improvements have taken place this year in the area of residence units and parking facilities. However, bathroom facilities need to be modernized, painting (interior and exterior) is needed, and special attention should be given to the Danforth Chapel, the Science Building, Allan Spivey and Joseph Reynolds Residence Halls and other buildings as funds become available.

The Student Personnel-Women offices were relocated this year and are now in the north end of Allan Spivey Residence Hall. Many of the classrooms and offices in Edge Hall received major maintenance and are now complete as are office area adjustments in several other locations.

#### FESTIVAL OF FINE ARTS

The Festival of Fine Arts for 1972-1973 featured 25 programs composed of student and faculty productions, as well as internationally and nationally famous performers. The Festival of Fine Arts makes a definite contribution to the cultural life of Lakeland through its programs of dance, song, instrumental groups and drama and continues to meet with public enthusiasm as evidenced by the fact that there were 1,191 season subscribers this year . . . an increase of 191 over 1971-1972.

#### EXTRACURRICULAR USE OF FACILITIES

When groups in our community, Conference or State make requests to use our facilities, every effort is made by the Office of Community Affairs to pave the way for successful meetings. The availability of the buildings requested, as well as the parking and eating possibilities, are carefully checked prior to granting permission for the use of our buildings.

It is very important that those desiring to use our facilities make their reservations with the College in advance as so many dates on our reservation book are already filled.

#### RELIGIOUS LIFE

*Community Service Projects:* In 1972-1973 over 80 students tutored in the public schools under the supervision of Dr. Marian Calway. At least 60 more worked in the program of Youth Opportunities Unlimited. (This represented more than one-tenth of the student body engaged in tutoring alone.) In addition, others worked in the Cerebral Palsy Clinic, Boy Scouting, and gave service through special one-time projects such as visiting in a local nursing home, etc. The College cooperated with the Matchmaker Program of the local schools and distributed application forms for students and faculty to sign up as resource persons to be called upon in time of need.

*Florida Annual Conference:* Twelve students worked as paid youth workers in Methodist churches in Florida last summer. Nine students worked in churches in Lakeland and five or six others in churches in the Greater Lakeland area during the school year. A witness team made up of about 30 students, divided into three groups, made itself available to nearby churches for Sunday evening MYF programs and evening services. One or more of these groups was active each Sunday, and the program met with enthusiasm.

*Campus Worship Opportunities:* Attendance averaged about three hundred at the Sunday Campus Worship services conducted by the College Chaplain. A choir of 25 voices participated in these services. In addition, the pre-ministerial students conducted an evening service each Sunday evening in Danforth Chapel and a brief morning worship service is also conducted by students.

#### FSC PERFORMING GROUPS AND SPEAKERS' BUREAU

During the past year the Handbell Choir was involved in 31 performances, of which the majority were in United Methodist churches in Florida. The Concert Choir gave 12 off-campus performances as did the Concert Band. When the Choir and Band are on the road, they endeavor to make the most of their time as they usually perform in a high school during the day and a church in the evening.

The Vagabonds gave "Christ in the Concrete City" for eight churches, and I am happy to report that they now have two complete casts for this production. The Speakers' Bureau fulfilled 26 engagements—this does not include the many engagements of our faculty and staff who frequently receive requests directly rather than through the Bureau.

Florida Southern College is happy to fulfill requests for speakers and the various performing groups (Handbell Choir, Concert Band, Concert Choir and Vagabonds' Drama Group) whenever possible and only asks that requests be made far enough in advance that they may be met. For further information, contact the Reverend Jack C. Phillips, Associate Director of Development, Florida Southern College, Lakeland, Florida 33802.

**UNITED METHODIST FACILITIES FOR THE AGING**

This board has met twice during the 1972-73 conference year and during this time have discussed many important items which relate to this particular body.

One of the important functions of this group is to hear annual reports from the various retirement facilities within our conference. We have asked several of these homes to make a written report to the conference this year and next year we will include several others that we may all understand something of the work which these homes are doing.

Bishop James W. Henley has been making an extensive study of the needs of aging as related to the church in the Florida Conference. He gave an interesting and inspiring report to our committee. We are requesting time be given at the Annual Conference to hear from Bishop Henley concerning this report.

During the next year our committee will continue to work on the report given by Bishop Henley and we will consider the recommendations which he has made.

The Charter for our group appears on page 188, 1971 Journal.

Report of Asbury Towers

Report of Biscayne Methodist Home

ROBERT R. BARBER, *Secretary*  
MR. KARL FRESE, *Vice-Chairman*

**ASBURY TOWERS**

Asbury Towers has survived a trying era, but things are leveling off! Last year was a great one for us! Thanks to the financial assistance from the churches of the Sarasota District and the residents of Asbury Towers, we are operating in the black!

Since early 1970, the churches of the district have contributed more than \$150,000 to keep Asbury Towers operating as a ministry of the United Methodist Church. Additionally, the residents of Asbury Towers have contributed more than \$50,000 over and above their contract rates.

It is important to note that last year the Sarasota District not only paid the Christian Service Fund in full, but in addition, the churches contributed a substantial sum to the operation of Asbury Towers.

The churches and residents are continuing to sustain us, and through this help we expect to continue to operate in the black during the transitional period until all residents are under the new open-end contracts. At that time, the full financial responsibility will again rest on the residents.

This year we have added a Chaplain to our staff which will enhance the Christian ministry of the home. We have also added an Activities Director to provide leadership and stimulus in the social and recreational activities of our residents.

We invite you to come to see us. You will be proud of what we are doing in the name of our Lord and United Methodism!

#### THE BISCAYNE METHODIST HOME, INC.

Our twenty-five year old Home went through a progress experience in 1972.

##### *Financial Progress*

1. Our Annual Audit for 1972 by Lybrand, Ross Bros. & Montgomery will not be completed in time to meet the publishing deadlines of the Journal but (the preliminary work papers reveal) copies of our complete audit will be available at Annual Conference.

2. We continued in 1972 to reduce the askings from the Miami District Churches. We asked for \$21,000.00 and received 12% more (\$23,893.00) from the churches than we asked. Six churches gave more than they had accepted. Benevolences to individuals at the Home, where part of their cost was paid by others, was more than \$40,000.00 for 1972. Individuals helped close the gap by giving us about \$16,000.00 for the year. Five of our residents are on State Aid for we care *for all* and open to all regardless of their financial status, race or creed. We have no Admission or Founders Fees, and no one is asked to leave should their funds run out. Thus we are redemptive financially to persons.

3. The Development Department to raise funds for voluntary individual benevolences is expected to replace the 1973 asking (\$19,000.00) in 1974. This Department under the Administrator should be staffed by September of 1973. It is being guided into existence by a Committee of the Board of Directors headed by Dr. Don Cooke. Many churches have expressed the desire to continue to contribute to the Home voluntarily thru 1974. Many individuals have and will be making gifts to the Home not only for benevolences but for other enrichment and development programs as well. We already have some Building Program Funds in Lakeland in our Methodist Foundation.

##### *Expansion and Replacement*

After permission by the Annual Conference in June 1972 to replace our present facilities was given, we moved ahead with our architects and our developer to define the tri-levels of care and to have specified a two phase program of building thru FHA 236 (or perhaps other financing to start with).

1. In phase one, a 25 bed health care unit or infirmary expandable to 50 beds.

2. A 25 room institutional type Home for the Aged, to be expanded in the second phase.

3. In phase one, for independent living, 100 or more rooms, apartments—plus another 150 rooms in phase 2, both phases with sufficient non-revenue producing space for congenial grouping, congregate dining facilities, library, recreation, etc., including space for the non-resident older adult center.

4. The two phases are to be financed 100% at 1% interest with no residual District legal liability, under the FHA 236 Program.

In 1972 November we acquired a new apartment house with 5 apartments under conventional financing and it is operating in connection with the existing Home to produce a net income gain and add 12 to our census, making a total of 113 persons in residence in November and December of 1972. We have stayed at 100% capacity the entire year and continue to carry a long waiting list.

##### *Progress in Goal Setting*

In 1972 the Board of Directors, through the eyes of the Administrator, began to see more clearly the goals of Biscayne Home in terms of function and mission as we shall continue to be person oriented. Three basic goals were formalized.

1. The Home itself for residents is a tri-level redemptive care community, i.e. (1) independent living with congregate dining for the older adult; (2) partial care in a Home for the Aged; and (3) a Health Care Center for the sick older adult, both of these last two categories under licensure by the Division of Health, Dept. of Health & Rehabilitation Services of the State of Florida.

2. A Senior Citizens Center for the older adult in the outside community in the immediate vicinity of the Home.

3. An enabling center to take programs to other organizations (churches and others) so that they may minister to the older adult more effectively.

#### *Progress in Ministering to Persons*

Significant steps were made in more effectively ministering to staff and residents alike in 1972. A volunteer counselor was added to the three (one other volunteer) during 1972. We also expanded our spiritual enrichment by going to a daily morning worship together with other services bringing our worship to three and one-half hours per week.

The Dade County School System gave successive courses to our residents in both literature appreciation and in oil painting and this is continuing in 1973. A full arts and crafts program supports a gift shop with an annual income of between \$2,000 and \$3,000 and goes to support many outside charities including the Children's Home at Enterprise. The contributing residents decide where their benevolences go. We added an effective residents' choir to the services and programs in the Home. The Home became even more person oriented through weekly Department Head Staff Meetings to consider, plan and carry out means to help certain of our residents in distresses of various kinds.

1972 saw God lead us in Four Areas of progress: Financial, Expansion & Replacement, Goal Setting, and in Ministering to persons.

### ADVISORY COMMITTEE FOR CHURCH AND COMMUNITY WORK

Church and Community Work is a total church program designed to make the church visible in the community. This work is guided by the representatives of groups within the church who form the Advisory Committee for Church and Community Work. Guidelines for the committee are provided by Church and Community Ministry, National Division of the Board of Global Ministries.

The Church and Community Worker is a professionally qualified person, employed by the National Division, Board of Global Ministries. The worker is assigned annually in response to requests from annual conferences or districts.

Three Church and Community Workers are appointed within the bounds of the Florida Conference. Ms. Thelma Crosby, Leon-Wakulla Area in the Tallahassee District, and Ms. Masheetta Lindsey, Gainesville Group Ministry in the Gainesville District, were reassigned for the program year 1972-1973. Ms. Edith Goodwin was assigned January, 1973 to the Suwanee Valley Parish Ministry in the Gainesville District.

We are required by the National Division to share in the salary/support of each worker serving in our Conference. For the year 1973 the Conference Women's Society of Christian Service has designated \$4,500 from their Love Offering for our support responsibility for two workers. \$2,500 in the Conference Program Budget is designated for one worker.

Another responsibility of this committee is the Summer Worker in Town and Country Program which gives young adults an opportunity to serve in rural and small town churches. In 1972 ten young adults participated in the program, serving in the Gainesville, Lakeland and Tallahassee Districts.

The Conference Staff provides a week of concentrated training in the use of vacation church school materials, day camping skills, youth activities and recreation. An honorarium of \$400 is given to each participant. Funding for the 1973 program is provided from the Conference Program Budget, \$2,500, and Women's Society of Christian Service, \$2,500.

The Advisory Committee for Church and Community Work recommends:

1. that we continue to support the Church and Community Workers assigned within our Conference.
2. that the Summer Worker in Town and Country Program continue.

MRS. SARA THOMAS, *Chairperson*

### WORSHIP

The Commission wishes to report that several districts have had Worship Programs as a part of the total program.

Several planning sessions have been held to improve the program of worship by sharing with other agencies of our conference, i.e., The School of Mission, and we have been responsible for the worship part of the conference.

We hope that pastors and music directors and other lay women and laymen will take advantage of the workshops, on August 3-4, 1973 Orlando and St. Petersburg, Florida, and the workshop on Contemporary Worship in Various location around the state September 1973.

### HEALTH AND WELFARE MINISTRIES

The Conference Board of Health and Welfare has worked hard to be faithful servants of the dual role it must fulfill: serving the "down and outs" as well as the "up and outs." Through the institutions related to the conference we have served people in these areas.

Services rendered to children and youth in the Methodist Children's Homes (Enterprise and Daytona) have changed across the years. We no longer serve "orphans"; now our services more and more minister to the hurt, lost, lonely, and disturbed child. We minister to children who are in trouble or whose family is in trouble. We are discovering that our homes offer what so many other homes do not . . . Christian concern. We are grateful to all our Methodist people who have helped to increase giving to our work. We are up over 20%. We urge continued support of the fifth Sunday offering and special days to promote our work with children.

The Methodist Hospital in Jacksonville has continued to serve an increasing number of people. Many of these receive services far beyond their ability of pay. Truly we are in the masters service here. This becomes a real ministry to people who are in need—a ministry in the name of people called Methodist.

Then in our retirement homes and apartments, we blend service to the "up and outs" and the "down and outs." In several of our institutions we have people who can not pay the entire fee; there are also persons in our homes who are paying the full amount, and more. These make it possible for us to help the less fortunate. The districts of the conference have worked hard to make these services meet the needs of people. So often we assume that people who have great material resources can take care of themselves. In many instances this is so; however, there are many who need the care, love, concern and service which only the church can provide. People

who are lonely need more than food; people who are lost need more than just a roof. The church offers to these people, the love of Christ in a very special way.

One such way service is rendered in through the auxiliary. Several of our institutions have developed strong auxiliary services. We commend the work of the Biscayne Auxiliary, Miami. We would urge all our homes to develop such programs wherein the people of the local people may be of service to the home.

We urge continued support of our institutions. These specialized ministries meet specialized needs. We are your servants; our hands are your hands; we strive to serve in your name, and in the spirit of Christ.

**CONFERENCE COUNSELING CENTER COMMITTEE**

The Conference Counseling Center is now in operation. It is located on the campus of Florida Southern College. Dr. James Melvin Britt, a member of the North Alabama Conference, is our Counselor and has been making an effort to get into every district to make known the services available through his office.

At the present time the counselor is working half-time for the Conference Counseling Center and half-time on the faculty at Florida Southern College. In both areas we are delighted to report a fine reception to his work.

We wish to express deep appreciation to Florida Southern College for the very fine cooperation in helping the Conference procure a Center by utilizing the counselor on a half-time basis as professor thus allowing the Conference to build its program of services to be offered. We appreciate the college furnishing space and secretarial help to implement this vital program.

For 1974 we intend to try to have out-reach type opportunities wherein the counselor will travel to the distant (from Lakeland) areas of the Conference in order that persons desiring his service will not have to travel long distances. For this reason we are recommending a modest increase in travel expenses to cover this extension.

**THE FLORIDA UNITED METHODIST CHILDREN'S HOME, INC.**

**Report of The Board of Trustees to The Florida Annual Conference  
 of The United Methodist Church**

**"65 AND STILL COUNTING"**

Serving as your hands, using resources you have provided, The Florida United Methodist Children's Home has directly served 205 children and youth in the official program. This includes 48 new children admitted, but does not include hundreds of inquiries, assistance in finding appropriate and available services, and countless hours spent in planning and counseling services to many families. There were 147 new official requests for service. Six adoptions were finalized and five new children placed on a preadoptive basis.

Services provided by your Children's Home include group care, foster home care, adoptive placement, supervision in ones own home, referral service and family planning and counseling. In the group care program we have family style cottages for boys and girls, keeping families intact, peer pressure cottages for boys and for girls, and a levels system program.

By the time you read this report the Fox-Wright Memorial Cottage for children with minimal brain dysfunction will be well under construction. It is our hope, also, to be able at the time this building is dedicated in September by Bishop Joel McDavid, to announce the gift of a large, multi-purpose Gymnasium given as a memorial gift.

We are pleased to announce the employment of Bruce A. Graebner, M.S.W., A.C.S.W., as Director of Casework Services. His rich experience in Public Welfare in Illinois, plus experience in private and United Methodist Agencies for Children should continue to upgrade quality and variety of services provided children and families in need. Under his direction the full-time office in St. Petersburg will continue to serve well, and a part-time office will be opened in Jacksonville.

The Camp Enterprise property at Lake Junaluska was sold and search is underway for an appropriate property in Florida which can be reached in a few hours drive and used year round. It is not possible to develop a cooperative camp site with our conference camp program as we need it at exactly the same time.

The insurance coverage for the agency was upgraded and brought into line with present day values. The Special Study Committee brought the hopes and plans for the years ahead up-to-date.

After careful study of community needs, resources and problems, The Sarah Hunt Campus was leased to "Youth Alternatives, Inc.," a non-profit organization tied closely to Volusia County and the Court System for use in housing run-away youth, and nondelinquent dependent and neglected youth. The average stay is 3 days to two weeks and literally hundreds of youth will be served each year. The lease is on an annual basis and can be cancelled with no problems.

We continue to use annual consultation services of The Group Child Care Consultant Services of The School of Social Work of The University of North Carolina at Chapel Hill. We are requesting this year a study by The Child Welfare League of America which is our initial step toward certification by The Certification Council of The Division of Health and Welfare Ministries.

The conference has responded well to our financial needs this year. Total church support came to \$539,354.00, and Memorial gifts rose to \$37,539.00. During 1972 six districts reached or exceeded the goal of \$1.50 per member. Two hundred and thirty six churches reached or exceeded this goal in 1972. A new goal of \$2.00 per member per year is now placed before the conference for 1973.

The trustees respectfully request of Bishop Joel McDavid and his Cabinet the return of Bascom W. Carlton as Superintendent for his 21st year.

We request of the Conference that the present plan of financing be continued, whereby each church would remit to The Children's Home to Church School Offering, and the loose (undesignated) offering from morning worship each Fifth Sunday and at Christmas.

It would be our plan in 1974 to continue these aspects of the present program:

1. Group Care on the campus with a variety of services as noted in the report above.
2. Foster Home care, using some free foster homes, and making regular agency board payments to others, with continuing use of subsidized agency foster homes where possible.
3. Adoptive services, when possible, specializing in older children, particularly those who become adoptable while already under care.
4. Home care, or aftercare, for children and their families who need our services for planning and counseling while children remain at home.

5. A full-time regional office, located in St. Petersburg, offering access to all agency services, specializing in counseling to prevent family breakdown, and providing appropriate referral service.

Financial support for this entire program would be provided in the regular budget of the agency and we would depend on the Fifth Sunday and Christmas offerings from the churches of the conference to underwrite the budget. It is anticipated that such a program would cost \$673,883.00 using as a guideline at 5% increase over the 1973 budget,

It would be our plan in 1974 to work toward:

1. The operation of a full-time regional office in Jacksonville at an approximate cost of \$20,000.00, with a challenge to our churches to increase Fifth Sunday and Christmas offerings. It should be pointed out that  $\frac{1}{2}$  this amount is already carried in the 1973 budget.

2. To open the Home for High School Girls in DeLand, this already carried in the budget, and approved by the conference in 1972, but with housing still needed.

3. To open a Group Home for High School Boys in DeLand, with an approximate operating budget of \$20,000.00, such a budget to be underwritten by the regular conference budget, supplemented by funds from bequests.

A special appropriation or fund raising campaign is not anticipated as a request to the annual conference during 1974.

To the Board of Trustees  
The Florida United Methodist Children's Home, Inc.  
Enterprise, Florida

We have examined the combined balance sheet of the various funds of The Florida United Methodist Children's Home, Inc. as of December 31, 1972 and the related income statement and reconciliation of fund balances and statements of cash receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. We made a similar examination for the year ended December 31, 1971.

The accounts and financial records are maintained on the cash basis of accounting; therefore, the accompanying financial statements do not reflect accounts payable for current obligations nor has any provision been made for the depreciation of fixed assets.

In our opinion, the accompanying financial statements present fairly the financial position of the various funds of The Florida United Methodist Children's Home, Inc. at December 31, 1972 and the cash receipts and disbursements of the various funds for the year then ended, in conformity with generally accepted accounting principles for non profit corporations applied on a consistent basis.

### BOARD OF THE LAITY

I am deeply grateful for the privilege of serving as Conference Lay Leader since June 1972. I take this method in reporting to you my stewardship of the past year.

I accompanied Bishop Joel D. McDavid to eleven of the twelve Districts in the "MEET THE LAITY PROGRAM." We touched the lives of approximately 5,000 Lay persons on these visits, which were most meaningful, informative and inspirational. I spoke at the Morning Worship during the past year at twenty churches in eight Districts. Moreover, I was the guest speaker at ten District Methodist Men dinners.

The Executive Committee of the Board of the Laity met three times during the year, and the Executive Committee and District Lay Leaders had three meetings. At each of these meetings, considerable time was spent discussing and developing the new plan of action for the Board of the Laity under the new structure affecting the Board of the Laity, adopted by the General Conference, convening in Atlanta, Georgia 1972.

The 1972 Week-end Leesburg Retreats were well attended and highly successful. Judge William A. Meadows planned the program for the 1972 Retreats and Mr. John Grant, Associate Conference Lay Leader in charge of Leesburg, translated the plans into action.

This has been an exciting year for me to serve as Conference Lay Leader. The "Trust" factor and cooperation of Lay persons of the Florida

area have been greatly improved. Plans are underway to develop increased participation of Lay persons on the District and Sub-district levels. It is our hope that in each District and Sub-district a deeper commitment to Christ will be developed in making the "Kingdom of God" on Earth, a reality.

Mr. John Grant and I represented the Florida Conference Board of the Laity at the meeting of the Southeastern Jurisdiction Association of Conference Lay Leaders meeting in Atlanta, Georgia. Much encouragement was received in developing an improved program for the Laity.

I express deep appreciation to the Executive Committee of the Board of the Laity and the District Lay Leaders for their patience and untiring support; to Bishop Joel D. McDavid, the District Superintendents, the Ministers and Lay persons of the Florida area for their concern and leadership. With faith in God and your continued support, the Board of the Laity will be successful in its endeavors.

RICHARD V. MOORE

### THE WOMEN'S SOCIETY OF CHRISTIAN SERVICE AND WESLEYAN SERVICE GUILD

The year 1972 has been a great year not only for the members of the Society/Guild but for all women of the Methodist Church, changes have come rapidly, but true to our heritage, most of the women have accepted them as a challenge, to break out of the old structures to become new. It has been like living in two worlds at the same time; working in the old structure while we search out the way to become renewed.

For the year 1972 we accepted the seven priorities of the Annual Conference to be our priorities, we have endeavored to meet them through the following program.

- 1) Ecumenical and Evangelistic Emphasis—
  - a) Ecumenical Enrichment Experience with Church Women United
  - b) May Fellowship Day
  - c) World Day of Prayer
  - d) Legislative Seminar with Florida Council of Churches
  - e) Many district-wide and local retreats, days-a-part, prayer groups, and Bible study groups.
- 2) Education Ministry and 3) Continuing Education for Laity and Clergy—
  - a) Leadership Development Workshop followed with similar workshops in the districts.
  - b) Participation on the Conference School of Christian Mission
  - c) Program planning sessions with the District Chairwomen of Missionary Education and Service and District Secretaries of Missions.
  - d) The Society/Guild Scholarship Program.
  - e) Sponsoring of thirteen delegates to the Regional School of Christian Mission.
  - f) The Society and Guild Annual Meetings.
  - g) Conference Workshop for the Committees on Nominations.
  - h) All members of the Society and Guild Executive Committees attending Women's Division meeting on the New Organization.
  - i) Itineration of the District Annual Meetings to explain the United Methodist Women.
  - j) Workshops on United Methodist Women on new organization followed by similar workshops in each district.
- 4) Alleviation of Economic Exploitation, Poverty, and Racism—
  - a) All districts promoting "The Reading Program" recommended by Women's Division.

- b) Increased giving to Women's Division which in turn helps to support World and National Missions.
  - c) Financial Promotion Workshops held in the districts.
  - d) Many district and local projects with migrants, low income groups, the elderly, etc.
  - e) Financial support of the Summer Worker Program in Town and Country.
- 5) Peace and World Order—
- a) World Understanding Workshop sponsored cooperatively with the Board of Christian Social Concerns.
  - b) Letters, pamphlets, cassette tapes, and other media to district and local officers.
- 6) Conservation and Ecology—
- a) Action in this area has been in the local arena only.
- 7) Alcohol and Drugs—
- a) Each district is actively involved through the local members in community action sponsored by ecumenical groups and through their local church.
  - b) Constant flow of information from the Conference Officers to the district and local officers.

The membership of the United Methodist Women as of December 31, 1973 is:

Number of Units 599  
 Membership 43,853

In spite of the time and effort given to preparation for making the transition into the new organization we went over our anticipated giving. We pledged to missions \$332,000, we paid \$368,391, received through Call to Prayer \$24,538, through Supplementary Giving we gave \$42,056. Making a total of \$434,985 sent to Women's Division. The figure represents a total increase in giving of \$12,731 over 1971. The annual Love Gift Offering was \$23,116. This amount is not included in the above figure, nor does this represent monies raised for local church needs.

By General Conference action in July 1972 the women of the church officially became ONE, NEW, INCLUSIVE organization for women called United Methodist Women. In the Florida Conference the Executive Committees of the Society and Guild voted to make the transformation in the local church first with a target date for their completion into units of United Methodist Women of January 31, 1973; the district and conference to remain as Society/Guild operating as a joint Executive Committee until December 31, 1973.

The district and the conference have "Steering Committees" functioning to find ways to help meet new challenges in today's church and society. A part of our heritage we bring into the new is: that we will remain in a missional organization and we will continue to support the General Board of Global Ministries through pledge to missions.

At this point we have no program to project for 1974, the joint executive committees will make this decision as they act upon recommendations from the steering committee, May 18-19, 1973.

We look forward to the new organization of United Methodist Women with enthusiasm and joy as we work for an organization that respects, enriches, but never suppresses or suffocates the local.

MRS. ALLEN WATSON, *President*

### RESOLUTIONS SUBMITTED BY CONFERENCE BOARD OF CHURCH AND SOCIETY

#### 1. Resolution by Mr. Tom Smoot:

*Be it resolved* that the divisions of the Board of Church and Society meet far enough in advance of the annual meeting to permit a synopsis of their recommendations to be filed with the secretary of the board, and that this

synopsis be circularized to all members of said board at least two weeks in advance of the annual meeting. Failure to comply with this provision without good cause, the late matters will be deferred until the next meeting.

2. Resolution submitted by Rev. John Fletcher:

WHEREAS, substantial problems have been encountered over a period of several years regarding the operation of United Christian Action, to which the Conference has been contributing \$5,000 annually to combat alcohol and drug abuse, and

Whereas, it appears that the only way to improve the effectiveness of United Christian Action is to authorize the Conference Board of Church and Society to exercise discretion in the distribution of said appropriation for 1974.

Therefore, be it resolved, that the Board of Church and Society be authorized to reallocate the 1974 budget item earmarked for United Christian Action if the promised improvements are not accomplished by January 1, 1974, . . . provided, however, that the Conference Work Area on Church and Society has provided some suitable statewide resource for the promotion and cultivation of the United Methodist position of personal abstinence from the use of alcoholic beverages.

3. WHEREAS, many legal restraints against abortion have been removed by a recent Supreme Court ruling, and

Whereas, many persons will face this moral question now under the restraint only of conscience and community mores;

Therefore, be it resolved, that we encourage positive educational efforts by local churches in presenting religious, ethical, and human values that will assist many persons in arriving at personal decisions about this. We commend the statement of the Social Principles as helpful at this point.

4. Rev. John Fletcher presented a Resolution to create fast response Task Groups. It was passed as follows:

Be it resolved that authority be granted that will empower the Board of Church and Society to establish task groups at various places throughout the Conference. The purpose of these groups shall be to provide the conference with rapid response capacity to fast developing public events, thereby enabling current information to be made available for local church action. Each committee would be made up of persons living in close proximity and with expertise and/or interest, and high motivation regarding the concern to which they are assigned. Members would include lay and clergy. Their purpose would be to inform and alert local churches and leaders of significant and timely events to which response would be appropriate. No power to act or speak with conference authority is granted except as noted above. Authority over these groups would reside for the conference in the Board of Church and Society.

- a. Since *RAPID RESPONSE WITH INTELLIGENT CHRISTIAN REFLECTION* is a key objective each Task Group is challenged to invest adequate time to serious consideration of such issues as considered and recommendations which are to be made.
- b. Task Group personnel will include both clergy and laity with a majority of U. M. to be maintained. Small groups—6 to 8 persons—are encouraged.
- c. Each Task Group will agree to educate itself through disciplined group study and discussion when an assignment is accepted—6 meetings within 3 months is suggested.
- d. Communication through conference mailings and the *Florida Methodist* will be considered 1st as normal channels for reporting to local church leaders, but other channels may be used when authorized by the Church and Society Board Chairman.
- e. All Task Group assignments, and committee personnel selection, will be made by Board chairperson in consultation with Division chairpersons.
- f. No Task Group will speak publicly in the name of the Conference or Church and Society Board and great caution will be exercised to avoid an inference by others that such authority resides in any task group member.

- g. Written reports to the Church and Society Board will be made to each annual meeting.
- h. Expenses incurred by Task Groups would be reimbursed by Church and Society Board's budget when authorized.
5. Resolution submitted by Rev. Jimmy Jones:

WHEREAS, on January 27, 1973, an agreement to end the war in Vietnam was signed, and

Whereas, the war in Vietnam and Southeast Asia cost multiplied thousands of lives and many billions of dollars over a dozen years, and whereas a grievous toll has been paid in a wound to the spirit of American Society and that of Indo-China, we are called to the works of repentance and reconciliation,

Be it therefore resolved, that the Florida Annual Conference of the United Methodist Church express thanks to God for a cease-fire agreement and to pray for a healing of society to the end that peace will be an enduring reality, and

Be it further resolved, that the Florida Conference of the United Methodist Church urgently call upon our churches and the leaders of government to find ways toward reconciliation.

Of special importance is our responsibility to persons who have fought the war, to the families of those who were killed, and those missing in action, and to the plight of many Vietnam era veterans. These persons deserve every assistance that a compassionate government and church can provide. The church has an immediate ministry to provide pastoral care for such persons.

We believe that a necessary step toward reconciliation and the healing of this nation's spirit is that those persons and institutions of our national government who have responsibility for the legal processing of the individuals seeking and desiring amnesty consider each such persons and applications for amnesty with utmost Christian and humanitarian concern.

We are aware that this is a highly complex legal issue and also one that is further complicated by the emotional feelings involved on both sides of this issue. Therefore, we recommend that each case involving the granting of amnesty be considered on its particular individual conditions and merits. We urge all persons of these United States to pray for God's wisdom and guidance constantly to assist, enlighten and strengthen those whose difficult task it is to apply the legal procedures of our nation to each person seeking amnesty.

### STANDING RULES COMMITTEE

The Special Session of the Annual Conference, after having restructured the Annual Conference, assigned to the Standing Rules Committee the task of rewriting the Standing Rules to conform to the newly adopted Conference structure, where necessary for clarity to edit, and to bring our rules into conformity with the language and requirements of the *Discipline*.

In the editing and relocating of paragraphs we sought to clarify, simplify, and codify, while maintaining the integrity of the original document. Errors and omissions were called to our attention by appropriate boards and agencies. Where substantive changes or additions have been made we have indicated such with a symbol and these will need to be confirmed by this body as amendments.

We submit this rewriting of the Standing Rules, noting the proposed amendments and additions for your action, and stand ready to receive additional recommendations to perfect this instrument.

### REPORT NO. 2

We concur with the recommendation of the Commission on Minimum Salary for Minimum Support for 1974: Lay Pastors \$5,700; Associate Members \$6,100; Ministers in Full Connection without B.D. or equivalent

\$6,500; Probationary Member with B.D. or equivalent \$6,800; Ministers in Full Connection with B.D. or equivalent \$7,000; also we concur with the proposal for longevity benefits.

1. The salaries are to become effective January 1974. Minimum Support Fund shall be administered by the Commission on Minimum Salary, and disbursed by the Cabinet. Payments shall be made quarterly, providing funds are available.

A. The Council on Finance and Administration calls the attention of each minister to the Disciplinary requirements concerning ministerial support, pensions and benefit programs as outlined in the 1972 *Discipline* with special reference to proportional payment and the effect of default in these areas upon pension benefits.

2. After study and review of salaries of District Superintendents we recommend that the formula adopted in 1970 be continued. It is based, first on the top two salaries plus expenses in each of the twelve districts. Then, from the Conference at large the top four salaries and expenses not previously used. The average of these twenty-eight salaries and expenses makes up the formula. We further recommend for 1974 in addition to the formula, \$1,000 travel expenses plus expenses for Pre-Conference Cabinet Meetings. District Superintendents salaries for 1973 were \$16,110.18 calculated by the above formula.

3. In compliance with paragraph 885 and approval of the General Conference, the Episcopal Fund shall be 1¼% of the Ministers' salaries.

4. We recommend that the Ministers Reserve Pension Fund be a separate budget item in compliance with disciplinary requirements, to be remitted by the treasurer of the local church to the Conference Treasurer. Since pension benefits by Disciplinary requirement (Par. 921) shall be exactly proportional to the amount paid on ministerial salary, we recommend that this fund be apportioned to each church using a percentage formula based on the pastor's salary. The amount of M.R.P.F. for 1974 is \$1,380,-329.00.

5. We recommend that the Interdenominational Cooperation Fund, Ministerial Education Fund and Black College Fund be apportioned to each District, using the same formula as used in the Christian Service Fund. The Apportionment to the local Church shall be made by the District Superintendent over and above the Christian Service Fund.

6. We recommend that for 1974 the Christian Service Fund be separated into two categories and apportioned as follows:

I. Christian Service Fund:	
A. World Service and Conference Benevolences .....	\$1,905,258
B. Ministerial Support (not including MRPF) .....	636,948
Administration .....	249,953
Capital Funding and Debt Retirement .....	177,454
	1,064,355
Total Christian Service Fund .....	\$2,969,613

REPORT NO. 3  
Contingency Fund

We recommend setting up the following Contingency Fund from the Conference Reserve Fund:

1. The Conference Contingency Reserve Fund of \$21,700 to be used by the Council on Finance and Administration for emergency needs of the Conference Boards and Agencies during the year 1974.

REPORT NO. 4  
Travel Allowance

We recommend that the car allowance for members of Boards, Commissions, and Committees where allowed, to be set at 5¢ per mile for each

member, an additional 3¢ for one passenger and an additional 2¢ for two passengers or more, with top mileage of 10¢ per car plus tolls for roads and bridges. Members who choose to travel to Conference Meetings by other than automobile will be reimbursed at the above highway mileage rate. In addition, meals and lodging for Board members shall be paid at the rate of \$6.85 per diem. We further recommend that the Conference facilities at Lakeland and Leesburg be used by the Boards and Agencies.

#### REPORT NO. 5

##### Conference Boards

1. We appreciate the use of the Conference Treasurer's office by all Conference Boards and agencies and urge them to make full use of this office for both the collection and disbursement of their funds.

2. We call attention to paragraph 2 of the Standing Rule III which requires all Agencies receiving funds through the Council on Finance and Administration to give an Annual Report or an audit on all monies received and disbursed; and urge more faithful compliance with this rule. This statement shall include all monies held in reserve accounts. We suggest that the reports in question be in the hands of the Council Chairman within 60 days after the end of the fiscal year. Unless there is compliance with Standing Rule #3, the Council on Finance and Administration cannot consider requests for funds for the following year.

#### REPORT NO. 6

##### Christian Education Sunday Offering

We recommend that the Conference Council be authorized to use the Christian Education Sunday Offering for the work of the twelve District Councils and that the District Superintendent administer the funds received from the offering within their districts.

#### REPORT NO. 7

We recommend that the Junaluska Advancement Fund which will provide capital improvement to the Lake Junaluska Assembly ground be an Advance Special. The goal for this fund is \$1 per member for the quadrennium or 25¢ per member per year.

#### REPORT NO. 8

We recommend that the process to determine the Christian Service Fund apportionment, be changed to read, "the average total giving and the local church membership strength for past two years" rather than using the formula based on three years. This decimal will reflect more rapidly the change in local church strength.

#### REPORT NO. 9

1. We recommend the Florida Methodist Foundation for its outstanding work and encourage all Agencies of the Conference to make full use of its advantages and to help the Foundation attain its maximum potential for the Conference.

2. We recommend, with the concurrence of the Cabinet, that one half of the surplus earnings, current and future of the Florida Methodist Foundation be retained as a Conference Reserve Fund, up to and including the amount of \$200,000. The Conference Reserve Fund shall be used to meet Conference emergencies including emergency of the Florida Methodist Foundation, at the discretion of the Council on Finance and Administration. As the Conference Reserve is less than \$200,000, earnings shall be further retained to bring it up to that amount. At any time the Conference Reserve Fund exceeds \$200,000, the excess shall be available to the Conference.

REPORT NO. 10

We recommend support of the following non-budgeted items:

1. Special Offerings:
  - a. Christian Education Day
  - b. One Great Hour of Sharing
  - c. Florida Methodist Children's Home
  - d. Florida Methodist Black Church Extension

Florida Annual Conference of the  
 United Methodist Church  
 Lakeland, Florida

We have examined the balance sheet of the Central Treasury of the Florida Annual Conference of the United Methodist Church as of December 31, 1972, and the related statements of receipts, disbursements and fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We did not ascertain the values nor did we verify clear title to the other fixed assets stated on the balance sheet. These assets are explained in detail in Note 3 of the Notes to Financial Statements.

In our opinion, subject to the preceding paragraph, the accompanying balance sheet and statements of receipts, disbursements and fund balances present fairly the financial position of the Central Treasury as of December 31, 1972, and the recorded receipts and disbursements for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

### COMMITTEE ON RESOLUTIONS

WHEREAS, our hearts have been warmed by the great preaching of our beloved Dr. George A. Foster and our minds intrigued by the scholarly preaching of Dr. Harvey H. Potthoff, and the glowing spirit of love and brotherhood through the program of the 131st session of the Florida Annual Conference of the United Methodist Church which has been so thoughtfully prepared by Dr. Ralph B. Huston and the members of the Program Committee, reflecting the rich traditions and fellowship of our United Methodist heritage; and

Whereas, we have been brought to a sense of understanding and reconciliation as we have witnessed the meaningful presentations of our church of all ages and by the reports of the various organizations of the conference; and  
 Whereas, we have also been enriched by the special music and guest speakers to our conference; and,

Whereas, the great and good pastoral leadership of Bishop Joel D. McDavid has brought us to new and meaningful relationships of love and brotherhood, and,

### OTIS CHRISTY ALESHIRE

Otis Christy Aleshire was born in Colorado Springs, Colorado, June 10, 1908 and baptized in the Asbury M.E. Church in Colorado Springs, March 7, 1909. While on vacation in Colorado Springs he met Marie Carr—they were married June 12, 1930.

Their first son, Otis Carr, was born on his father's birthday, June 10th, 1931, in the same town of Colorado Springs.

A second son, Donald Edwin, born Aug. 5, 1936, in Glendale, California. A daughter Rose Marie, born March 19, 1940, in Glendale.

Otis was called to the Lord's service and received his licence to preach in June, 1942. He attended Life Bible College in California, in 1942. He was accredited in the Missouri Conference by Bishop Ivan Lee Holt, and was ordained elder in Missouri Conference by Bishop Holt in Sept. 1955, after attending S.M.U. 3 years.

Otis pastored in the Missouri Conference from 1952 to 1956, at which time he transferred to the Florida Conference. In Florida he pastored Port Orange, Columbia City Circuit, Interlachen, Cedar Key, and was serving Fort Ogden Nocatee at his death.

With what few words we describe the life of a dedicated servant of God! He was a trusted and faithful friend,—yet more than this,—he was a builder, participating in building programs in California, and in Florida at Port Orange, Columbia City, and Nocatee. Even than this, he was a man of faith, one who trusted the Lord Jesus for all things in his life.

He preached faith, and he lived faith. In the final days of his illness, he made preparations for his journey with a confidence that inspired all who knew him.

Preaching three sermons on Sunday, he was called home Tuesday, Mar. 20 in the darkness of the night, as he was going to the hospital. He saw the lights of heaven, and said "How bright the lights are."

Final services were at Ft. Ogden U.M.C with Charles P. Hamilton, District Supt. in charge, with Drs. Norman Edwards and Fred Foster Assisting. Burial was Sunday, March 25, at the Palatka Memorial Gardens, Palatka, Florida. Otis is mourned by his wife Marie, the children, and their families, and a host of friends. We can only say "We are glad you passed this way."

His name is written, not in marble temples, but in the hearts of friends.

### BURTON B. BOSWORTH

Burton B. Bosworth was born October 21, 1914 at Zion City, Illinois. His father, B. B. Bosworth was an evangelist and from his early childhood, Burton helped his father on the week-ends. So from the beginning, Burton Bosworth was an evangelist.

His preparation for the ministry was at Asbury College and Nyack Missionary College of Nyack, N. Y. He was originally a member of the Christian Missionary Alliance Church.

Burton's early ministry was in New England where he served churches in Maine and New Hampshire. In 1956, he became a pastor of the Evangelical United Brethren Church and served pastorates in Pennsylvania and New Jersey. While serving in New Jersey, he was Chaplain of the New Jersey State Legislature.

Evangelism was his first love in the ministry and he never wavered in this concern. To the very end, he kept a strong passion for the souls of men to be led to Christ.

On August 11, 1941, Burton married Ruth who shared his ministry through the years. They had a home that was pervaded with the love of Christ. All the family shared in a joyful acceptance of music. It was not unusual to have Burton leading a choir or to have members of the family singing special music in church.

Burton had completed nearly three years as pastor of Grace United

Methodist Church in West Palm Beach, Florida when he was stricken with a heart attack. He had served Calvary United Methodist Church in Sarasota before coming to West Palm Beach.

He leaves his wife, Ruth; one son, Burton; four daughters, Mrs. Richard Moyer, Mrs. Gary Brown, Beverly and Susan; his sister, Mrs. Merrill Dunlop and one grandson.

Services were held at the Grace United Methodist Church in West Palm Beach on Sunday, April 8, 1973. Dr. A. A. Hedberg, District Superintendent, officiated. Also participating in the service were his son, a son-in-law and a brother-in-law. His body now rests in the Lauderdale Memorial Park, Ft. Lauderdale, Florida.

Burton Bosworth's love of his Lord, his family and his church present something of an ideal for all of us. His was a quiet strength. We are grateful to God that He saw fit to have Burton pass our way.

### SHULER PEELE

Shuler Peele joined the Heavenly Host June 21, 1972, from the home of his son, Shuler Austin Peele, in Lake City, Florida. He was en route to Lake Junaluska, North Carolina, to spend some time with the family group when the Eternal Father suddenly changed Shuler's route from the Beautiful mountains of North Carolina to Zion's Hill. He was fully prepared, however, to accept the re-routing.

Shuler Peele was born in North Carolina on September 11, 1904. He graduated from Asbury College in 1927 with the Bachelor of Arts degree. His Alma Mater conferred upon him in 1946 the Doctor of Divinity degree in recognition of his outstanding ministry. He was admitted On Trial into the Florida Conference in 1930, and into Full Connection in 1932.

He and Christine Austin married in Orlando, Florida, March 17, 1937. For more than thirty-five years Christine graced the parsonage and greatly enhanced Shuler's ministry. She was, and is, loved by a host of friends who have undergirded her with their prayers and concern.

As pastor, administrator and board member, Dr. Peele's wisdom and forthrightness made him a real force in the Conference. He was chairman of the Board of the Children's Home for many years, and served at different times on the Board of World Service and Finance; Pensions; Preachers' Relief, as well as various commissions and committees.

His pastoral appointments were: Walker Memorial, Orlando; Trilby; Trinity, St. Petersburg; Fleming Street, Key West; Winter Garden; Bradenton, First; Seminole Heights, Tampa; Arlington, Jacksonville; Clearwater, First; and Daytona Beach, First. He was district superintendent of the Gainesville District 1945 until 1951, and of the Tallahassee District from 1956 to 1962. He retired June 6, 1972, just fifteen days prior to his final and eternal appointment in the Celestial City.

Our friendship began on the campus of Asbury College in 1924 and continued without disruption for forty-eight years. In the class, in the home, serving churches in the same city, and eleven years together in the cabinet, flood my mind with many cherished memories. His phenomenal ability to call names and to recognize people was a priceless gift from God. Perhaps the true measure of an individual's worth while on this earth can best be found in the esteem with which he is held by those with whom he has been most closely associated. Shuler Peele was privileged during his ministry to be associated with many younger ministers while serving as a district superintendent on two occasions. His loyalty and devotion to these men while serving with him and in later years is a clear indication of his steadfastness in the path which he chose. One man perhaps expressed most aptly these characteristics when he commented, "He was to me what Paul was to Timothy." What better legacy can any man leave. His pleasant smile and radiant disposition brought sunshine into many lives that would have otherwise been sunless. Bishop Arthur J. Moore said, "We are all better because he walked with us."

Guests of Lambuth Inn, Lake Junaluska, will recall the congenial fellowship that he inspired in the dining room, lobby and on the spacious front porch when he served as "Host" at the hotel during many conferences and convocations. We also remember how proudly he would parade around with one of his three grandchildren in his arms or clasping one by the hand. No grandfather was ever more devoted to his grandchildren than he; no parent more proud of his son than Dr. Peele was of Austin.

The Memorial Service was conducted in First United Methodist Church, Lake City, Florida, on June 24, 1972, at 11:00 A.M. The Pastor, William S. Echols, presided, and words of tribute, comfort and reassurance were given by Shuler's long-time friend, Dr. P. M. Boyd. It was a service emphasizing the *triumph* of a faithful Minister of the Gospel. The tone of the service was beautifully set forth by the printed statement in the memorial bulletin as appears below:

We come together this day as Christian friends to share in this service of memory, to reaffirm our common and oft-tested faith, to be reminded of God's providential care, and to be assured once again of the sufficiency of Christ. We honor the precious memory of this man of God, a faithful servant, who for more than two score years shared a saving and sustaining faith to countless families in times quite similar to these. We seek to uphold with our prayers, our presence, and our proclamation, these who suddenly have been called upon to respond to the event of death. Thanks be to God who gives us the victory.

Dr. Shuler Peele's body was laid to rest in Memorial Cemetery in Lake City. The world is better because Shuler lived, labored, and loved.

HARRY H. WALLER

#### WALTER G. GRAY

"The devotion, compassion, kindness, and concern of a fine minister are never forgotten by those whose lives he has touched. In the case of the Reverend Walter G. Gray, who died July 29, 1972, there are many as far away as India who will always remember his good works." These words written by a layperson express the love and affection felt by all who knew him.

Walter Gray was born in Brighton, Sussex, England. Following his college and seminary training in London, he took a one year extension course in medicine and surgery. He also had special courses in tropical diseases. "My big year," he wrote, "was 1907. In late November I sailed from Southampton, England on the S. S. Buelow as a missionary to India."

Along with his responsibilities as a missionary pastor he also devoted a great deal of time ministering to the medical needs of the people. The pathetic plea of lepers was so insistent that he secured an isolated tract of land, dug a well, and put up a leper hospital. "I personally treated them using the best known methods, including the indispensable Chaulmoogra oil." A medical clinic he established drew an average of fifty patients daily, traveling on foot or in bullock carts seeking the help of this compassionate servant of Christ. Indian pastors often participated in the worship service which was held each morning at the clinic.

In 1950 he left the South India Annual Conference of The Methodist Church and came to Florida. After Furlough, Bishop F. T. Keeney appointed him to Hollywood Temple, Florida, then a part of the St. John's River Annual Conference. He also served churches in Eustis and Allendale, St. Petersburg. In 1943 he was appointed associate minister to Pasadena Community Church in St. Petersburg. Following his retirement in 1953 he remained on the staff at Pasadena as Minister of Membership for an additional seven years. The Reverend Mr. Gray and his wife, Alice Marie, were living in St. Petersburg at the time of his death, July 29, 1972. The funeral service was conducted August 1 in Pasadena Community Church.

The opening sentence in his book *Prayers for the Pulpit* reads, "Kind Father, we are not strangers to the fact that in Christ Jesus Thou doest

freely give us all things . . ." God in Christ Jesus indeed blessed him with a warm, compassionate, understanding spirit. He was no stranger to the Father's love and indeed no stranger to human need. He spent a lifetime bringing the two together.

THOMAS C. KELSEY

### WILLIAM RAY BOLAND

William Ray Boland was born with his twin brother, the late Willard Roy Boland, on April 9, 1903 in Altona, Illinois, the son of William Oscar and Nettie Scott Boland.

Bill came to Winter Haven in 1919 with his family, 3 brothers and 2 sisters, when he was 16 years old. About one year later the Reverend J. B. Culpepper came to hold a revival in the Methodist Church there and Bill was wonderfully converted.

After his conversion his life was completely changed. He began to teach a church school class and take leadership in the young people's meetings, being elected president of the local and state Epworth League.

While at Florida Southern College, on hearing a stirring missionary message, Bill felt he should offer himself for some mission field—something that was hard for him to do. He did volunteer to go wherever they would send him but at that time there were no funds to send new missionaries so Bill rededicated himself to the tasks here at home with new zeal.

On June 5, 1935 he was married to the former Sally Higgins at Pleasant Ridge Church, Guilford College, North Carolina. She will continue to live at Belle Glade where Bill retired and was minister of visitation at the Community United Methodist Church. There are also a daughter, Mrs. George Garcia (Sally Ann) of Nashville, Tenn.; an adopted daughter and son, Mrs. Ray Jones (Diane) and George William Boland, both of Ft. Lauderdale, niece and nephew of Sally, who lost their parents when small children; two grandchildren, Alisa Story and William Ray Jones; one sister, Mrs. J. C. Dyson; and one brother, John S. Boland, both of Winter Haven, Florida.

Bill graduated from Winter Haven High School in 1922, entered Florida Southern College during the depression, and had to work his way through college. During the next nine years he took all sorts of jobs to get his education. He graduated from Florida Southern College in 1931 and entered Duke University School of Religion that same year.

He served the following appointments in the Florida Conference: Trilby-Lacoochee 1935, Lake Alfred and Auburndale 1937, Dade City 1941, Highland Avenue Tampa 1944; Umatilla 1946; Fernandina Beach 1949, Lake City 1957, Belle Glade 1962, Arcadia 1967, and retired in 1968.

As a member of the Florida Conference he served on the Statistical Board, the Board of Ministerial Training, (twelve years of which he served as Registrar), Treasurer for the Board of Evangelism, and Treasurer for the Board of Hospitals and Homes for many years.

Bill was always interested in music, a trait he no doubt inherited from his musical mother. He began to play the ukelele while still in high school and played it the rest of his life. He even won his Sally's love by playing and singing to her which lasted for more than 38 years.

Wherever Bill went, his ukelele went with him, and crowds of young people gathered around him to sing. He entertained church and youth groups, school children, kindergartens, cheered the shut-in and the sick in hospitals. One mother said she owed her success as a teacher in kindergarten to him because he taught her how to play the ukelele. At the Pastor's School and Florida Annual Conference he would get a group of ministers together to play and sing for fun and recreation, and to perform. Several times they played for the Town and Country Commission banquet of the Florida Annual Conference. They were tagged the "Barefoot Boys" by the Lakeland Ledger. Perhaps because of his intense interest in music, most of the churches he served bought new organs.

Bill was active in civic affairs. While pastor at Dade City he was an

active member of the Kiwanis and of Knights of Pythias, a Boy Scout Leader, and Red Cross Instructor in First Aid. At Fernandina Beach he continued his Kiwanis membership and while at Lake City, he was sent as a delegate to the Kiwanis International Convention at Dallas, Texas. At Belle Glade he was active in Rotary, Ministerial Association, and troop committee Boy Scouts of America.

At Fernandina Beach Bill directed the building of the Educational Building, completion of the balcony, and retirement of the debt before leaving. At Lake City a beautiful Children's Building was erected. The sanctuary at Umatilla was completely remodeled, and at Belle Glade he directed a campaign to pay off the debt on the Educational Building, which Bishop Henley dedicated.

He loved his work and served with much love and understanding for those within his parish and those outside, whoever they might be—Methodist, Baptist or Presbyterian. The joy and happiness within him radiated to every one—to the young and old, the rich and poor, the educated and uneducated, the farmer, the truck driver, the business man, the alcoholic, those in high or lowly places. They all loved him and sought his guidance and wisdom. He knew no stranger and made a host of friends.

Bill was a man of few words, and this enabled him to be especially helpful to those who needed pastoral counseling. He had great faith in what God could do and in what people he served could do; because of this he was able to lead his people to give freely to missions, Children's Home, building funds, and other projects.

Reverend Boland died August 13, 1973 at St. Mary's Hospital, West Palm Beach. Burial service was conducted by the Reverend Francis L. Luce, a life-long friend of Brother Bill's, at 11:00 A.M. August 16 in the Oaklawn Cemetery, Winter Haven, Florida, near his mother and father.

A memorial service was conducted at 8:00 P.M. the same day at the Community United Methodist Church in Belle Glade, Florida by Dr. A. A. Hedberg, District Superintendent. The choir sang "How Great Thou Art" and "Ready to Go", a song Bill sang most during the last days he lived. A group of young college girls Bill had taught played guitars and sang "Worthy Is the Lamb" and "Praise God."

Bill's life influenced many young people to full time ministry. He was a great and humble servant of God who has left an imprint for good on the lives of many people, both inside and outside of His Church. One wonders if Brother Bill hasn't already traded in his harp for a guitar and has begun a band of stringed instruments to play to the Glory of God.

#### CARLOCK HAWK

Carlock Hawk was born in Blountville, Tennessee, on May 30, 1884, the son of William Ingle and Martha Morrell Hawk. He was educated at Holston Institute, Emory and Henry College, and Vanderbilt University. He joined the Holston Methodist Conference in 1910. On August 20, 1912, he married Miss Ruth Hendricks at her home in Asheville, N. C. He served churches at Erwin, Harriman, and La Follette, Tennessee. In 1917, he went to Rio de Janeiro, Brazil, to the People's Central Institute where he was superintendent. On returning to the U. S. he joined the Western North Carolina Conference in 1920. He served churches in Asheville, Lenoir, Canton, and Wadesboro. He was also an agent for the Superannuate Fund 1927-28. He transferred to the Florida Methodist Conference in 1935, and served the following churches: Hyde Park Tampa, First Church Coral Gables, and First Church in Ft. Lauderdale. He was trustee of the Florida Children's Home, and district missionary secretary of the Bradenton District. Rev. Hawk retired in 1951 after 41 years of service. Mr. and Mrs. Hawk returned to their home at Lake Junaluska and later sold it and moved to Asheville. In 1972, Mr. Hawk became ill and the couple went to live with their daughter in Chapel Hill, N. C. On August 20, 1972, they celebrated their 60th anniversary. Mr. Hawk died Feb. 26 and was buried in

Chapel Hill. The funeral was conducted by Rev. W. M. Howard. He is survived by his widow and two daughters, Mrs. J. L. Seng, and Miss Miriam Hawk of Winston Salem, and three grandsons.

MRS. CARLOCK HAWK

#### MURDOCH A. SHAW

Murdoch A. Shaw was born in the state of Georgia, September 20th, 1904. As a small child, his family moved to Alabama and stayed for a short time and then moved to Florida.

Murdoch did part of his early schooling in Ocoee. As a young man, he went to work for the State Welfare and it was here he met his lovely wife, Thelma. At that time, she worked as his secretary. It was in the year 1938 that he entered the ministry of the Florida Conference.

He pastored Grand Avenue, Ft. Myers 1938, Ft. Ogden—Nocatee, 1939, Sellers Memorial, 1942, Fulford—Ojus 1943, Southside, Tallahassee—1946, Glen Myra, Jacksonville—1948, Fairfield, Jacksonville—1951, Mulberry—1954, Live Oak—1960, Eustis—1962, Main Street, Jacksonville, 1966, Wauchula—1969. He retired in 1970 and moved back to Eustis, with failing health. Not only was his health poor, but his beloved wife was dying with cancer. The last years of his life were a struggle in many ways with mounting medical expenses for he and his wife, but faith was steadfast. All who knew him observed that he was a gentle and kind man, always thinking of others and their needs before his own. In my many visits to their home, with all the problems they faced, never once, did he complain or gripe about the circumstances of life. Usually he would ask about some other sick person in the church or community and express a word of concern and love for their needs. He was just as faithful in his ministry to the needs and burdens of his people. It was just about six months after his wife passed away, that the summons came for him to go to the Father's house. Again, death came as a friend and a blessing for his body was worn out and tired. He will be remembered as a good and upright man, one who loved God and served him.

Funeral services were held in Eustis, Florida with John Brackman officiating and burial was at Greenwood Cemetery in Eustis.

JOHN M. BRACKMAN

#### FRANK ALBERT BARNABY

The Methodist Church in Hernando was filled to overflowing on Saturday afternoon, December 30, 1972 as the whole town paused to honor the memory of Frank Albert Barnaby. It had been a long and noble pilgrimage from Carpineto, Roma Italy, where Brother Barnaby was born October 29, 1889, to his death in Hernando, Florida, December 28, 1972. His was also a pilgrimage from membership in the Church of Rome to a ministry in the Church of God and finally in 1945 into the Lay Ministry of the United Methodist Church.

Married to Angelina Fiocco in 1910, a son, Alfred P. Barnaby survives, though his daughter, Mary, died in 1945. On May 8, 1940, Brother Frank and Rudy VanLienen Evans were married. Mrs. Barnaby and a stepson, Lucian Evans, survive. Brother Frank found in Ruby the inspiration to continue his studies toward the Methodist ministry, becoming a Local Deacon in 1949, and an Elder in 1951. He served as Pastor in Gibsonton five years, Kathleen four years, and San Marcos, Tampa, four years, retiring in 1959.

Frank Barnaby could not stay retired, however, and accepted appointment in Alabama to a two-point circuit near Gunter'sville. He served one of these churches, Warrenton, for seven years, leading the congregation in building a beautiful Sanctuary and Education building. Returning to Florida in 1969, he was appointed to the Hernando Church, and served with distinction to the very hour of his death. Renewed interest, soaring attendance, the purchase of additional property, and discussion of plans to enlarge the Sanctuary were the physical statistics that but dimly reveal the spiritual depths of Brother Frank's ministry in Hernando.

The key Scripture read in the lovely memorial service with which the Hernando Church and community honored Brother Barnaby expressed the foundation of his long and fruitful life:

"Thou dost keep him in perfect peace, whose mind is stayed on thee, because He trusts in thee." (Isaiah 26:3)

The body of Frank A. Barnaby was laid to rest in Marion, Illinois, but through his great trust in God, Brother Frank is more alive than ever!

ROBERT C. BOGGS

### THE REVEREND AND MRS. J. A. CULLIFER

Biographical details of The Reverend and Mrs. J. A. Cullifer were unavailable to those persons concerned with the preparation of memoirs. It seems appropriate, however, to consider their life and ministry together in one article. Without exception, impression given by friends who were associated with them across the years were always described in terms of "Brother and Mrs. Cullifer."

J. A. Cullifer, a native of Alabama, was licensed to preach in 1924, ordained a deacon in 1929, and an elder in 1938. He and Mrs. Cullifer came to Florida, where he was appointed to the Sopchoppy Charge in 1930. Brother Cullifer served a number of Florida Methodism's rural charges with great effectiveness until his retirement from the active ministry in 1956. His pastorates included Sopchoppy, The Fenholloway and West Madison Circuits, Wellborn, Branford and Coleman. Even after his retirement, Brother Cullifer continued to serve at Coleman.

Many people still living in the communities that were touched by the ministry of J. A. Cullifer speak of him and Mrs. Cullifer with affection and appreciation. He has been described as "a good and humble man, whose wonderful outlook on life was helpful in transforming the lives of other people." He was a faithful and effective preacher of the Gospel, the main thrust of his preaching being evangelistic. Indeed, his evangelistic ministry proved so meaningful that he was often invited to hold revival meetings by other pastors.

In all that he did for the Kingdom of God, Brother Cullifer received strength and support from his good wife, Leila. Their witness to the adequacy of the Christian faith was, in turn, strengthened as they shared it together. Mrs. Cullifer was a splendid homemaker whose sweet and winsome spirit endeared her to the parishioners she and her husband served.

J. A. Cullifer died on August 10, 1972. Mrs. Cullifer joined her husband in the Father's House only a short time afterwards. The impact of a Christian's witness is an eternal thing. Thus the thirty years given by this devoted couple to the Methodist ministry shall continue to bear fruit for the Kingdom of God.

### MRS. THELMA MARIE WOLFE SHAW

Thelma Shaw was born in Ericsville, Ohio on December 27, 1917 and died on September 20, 1972. She was a legal secretary before moving to Florida in the early 30's. Having had secretarial experience, she became a secretary for the State Welfare Board in 1931. It was here that she met and married Murdoch A. Shaw while working as his secretary, in April 1932.

It was in the year 1938 that Murdoch answered the call to the ministry and for 32 years, Thelma served as a faithful and devoted minister's wife and mother of two children, M. A. Shaw, Jr., who resides in Leesburg and Maria Brooks who resides in Kingsland, Ga.

During the last ten years of Thelma's life, she was plagued with cancer and had many visits in and out of hospitals for treatment and surgery. It was in 1970 that they moved back to Eustis, having retired from the

active ministry. Thelma was so sick at this time, she was never able to attend the services at the church, but what a faith she had! She was an inspiration to all who came to visit with her and her faith was contagious. She constantly talked about the goodness of God and his love while her body was wracked with pain. When death came, it came as a friend and blessing, for Christ was her constant companion and Saviour. She died as she lived, victorious in her faith.

Funeral services were held in Eustis, Florida, with John Brackman officiating. Burial was in Greenwood Cemetery, Eustis, Florida.

JOHN M. BRACKMAN

### MRS. WILLIAM E. BRYANT

Kate Teat Bryant was born in Brantley, Alabama, in 1892. She received her education in Opp, Alabama. She was married to The Reverend William E. Bryant in 1909. Brother and Mrs. Bryant were transferred to The Florida Annual Conference in 1922.

To this union were born two children—William Clay Bryant now of Islamorada, Florida, and Mrs. Walter (Mary) Strain of Woodridge, Virginia. There are seven grandchildren: they are Emily, Billy and Sally Bryant and Deborah Anne, Catherine, William Leroy, and Mary Frances Strain.

Mrs. Bryant went home to heaven on July 7, 1972, from the Mercy Hospital, Orlando, Florida. Funeral services were conducted at The First United Methodist Church, Apopka, July 10 and interment was in the Winter Garden Cemetery. The Bryants had lived in Apopka since his retirement.

Mrs. Bryant was one of the most gracious persons I have ever known. She met everyone with a smile and a modulated voice which caused one to feel that he was in the presence of one who possessed a reservoir of kindness, gentleness, and joy. Upon leaving her presence one always felt inspired to live a better life. She possessed all the graces of a Southern queen.

Mrs. Bryant gave her first love and care to her family; as a result her husband and children have memories of a happy, lovable home.

She always found time to participate in the activities of the church. She helped and inspired all ages but majored on work with children and young people; always teaching a Sunday School class and giving assistance where and when it was needed.

Brother Bryant led his people during his ministry in the building of twenty-two churches and seven parsonages, which is quite a record. However, this could have not been accomplished without the loving support and assistance of his faithful wife.

Of course, Mrs. Bryant had anxious hours and disappointments, toil and suffering but she never complained; instead, she would vibrate with joy as she enumerated her many blessings. When her husband, children and other loved ones and friends reach their heavenly home she will, without doubt, greet them with that ever present sweet smile and in her gentle, tender voice say, "Welcome my dear ones; I have been working with Jesus to prepare a home for you here."

"But the grandest thing, next to the radiance that flows from the Almighty Throne, is the light of a noble and beautiful life, wrapping itself in benediction round the destinies of men, and finding its home in the bosom of the everlasting God."

We give thanks to God for Mrs. Bryant. We loved her for what she was, for what she did and for what she hoped to be.

R. C. HOLMES

### MRS. PAUL WESLEY ELLIS

Lois Cotten was born October 28, 1882, in Whitesville, Georgia. She graduated from LaGrange College for Women in LaGrange, Georgia. Her Christian training and her devotion to Christ and His church was exemplified from early childhood. So impressive was her Christian influence that

she was urged by Bishop Warren A. Candler to go to Cuba and be a missionary teacher in Candler College in Havana where she served for several years.

So attractive was her personality that she was urged by a young Methodist preacher in the South Georgia Conference, Paul Wesley Ellis, to return to the United States and become his wife. For him she became a wonderful helpmate in the ministry in 1904. As a gifted and trained musician, she made many lasting friends to whom she had taught music. Always, she made valuable contribution to the effective ministry of her distinguished husband by sharing her musical talent with the local church.

In 1926 she and her husband came to Florida from South Georgia where they had served several prominent appointments in that Conference including the Macon District. In Florida they served the First Methodist Church, Jacksonville; First Church, Clearwater, the Deland District, the Sarasota District, and First Methodist Church, Ocala. It was while serving the church in Ocala that her husband died and was buried there.

After her husband's death, she attended Florida Southern College and brought her teaching degree up to date. Then she taught school for approximately 20 years, first, in Bradenton, where she also directed the choir of the First Methodist Church, and later she served as principal of Fruitville Elementary School in Sarasota. She also taught music in the Junior and Senior High School of Sarasota.

Mrs. Ellis later moved to Sarasota, Florida, where her daughter and grandchildren lived. Although in frail health, she loved to attend the church services and took great care in her personal appearance, so that she would always look her very best as she went to the House of the Lord to worship God her Heavenly Father.

On January 11, 1972, she passed away from her earthly home to her heavenly home where she longed to be reunited with her husband and a daughter, Louise, who had preceded her to the place of many mansions. Many friends gathered in the beautiful sanctuary of the First United Methodist Church of Sarasota, which she loved so much, and praised God for the victory that had come to her through Jesus Christ. The service was led by her pastor, Jesse E. Waller, and the committal service was in the Woodlawn Cemetery in Ocala in the family burial plot where her body rests alongside those of her husband and daughter. Many friends from Ocala were present for the committal service including the pastor of First Methodist Church of Ocala, Rev. Robert Bledsoe.

She is survived by two fine Christian lay persons, Candler Wesley Ellis, Asheville, North Carolina, and Mrs. Clyde H. (Pauline) Wilson, Sr., of Sarasota; four grandchildren and five great-grandchildren.

A favorite hymn of both Mrs. Ellis and her husband was sung by the congregation at her funeral, and as one who knew and appreciated her, I believe her life was evidence that the words of the hymn, "Walk in the Light" was the way she sought to live.

Walk in the light! so shalt thou know That fellowship of love  
His spirit only can bestow, Who reigns in light above.

Walk in the light! and thou shalt find Thy heart made truly his,  
Who dwells in cloudless light enshrined, In whom no darkness is.

Walk in the light! and thou shalt own Thy darkness passes away.  
Because that light hath on thee shone, In which is perfect day.

Walk in the light! and thine shall be a path, though thorny bright;  
For God, by grace, shall dwell in thee, And God himself is light.

**MRS. JAMES P. LILLY**

Ella Bruton Lilly was born in Montgomery County, North Carolina, November 7, 1895. She went to her heavenly home from Lakeland, Florida, August 26, 1972. She is survived by her husband, the Reverend J. P. Lilly and two sons by a former marriage; Mr. Harold McCranie, Valdosta, Georgia, and Mr. Foster McCranie, Macon, Georgia, and four grandchildren.

Funeral services were conducted by the Reverend John P. Simon and the Reverend Robert C. Holmes at the College Heights United Methodist Church, Lakeland, Florida, August 28, 1973. Interment was made at Oak Hill Burial Park, Lakeland.

Mrs. Lilly was the happiest when doing something for others. She was devoted to her family and was a faithful member of her church. She had an interest in community, civic and social activities but her first loyalty was to her church. During her active years she was always willing to serve wherever needed—teaching a class, leading a circle, working in the WSCS, serving on various committees and assisting in the preparation of meals for church meetings.

Mrs. Lilly was a leader in her community. She loved the beautiful and enduring things of life. She did what she could in recognition of those who had labored so well before her.

People loved her and enjoyed working with her because she was so gentle and considerate of everyone. She was always praising others. Mrs. Lilly was an inspiration to all those who knew her and helped those whom she came in contact with to lead a better life.

**MRS. RUTH R. NELSON**

Ruth (Rehme) Nelson was born on March 19th, 1896 at Brookville, Indiana. She was married to the late Chester G. Nelson—a member of the Florida Conference of the Methodist Church, on April 24th, 1938 at Summitville, Indiana. She came directly to Florida with her husband, where she was happy to serve as mistress of the Parsonage for ten years—until his retirement in 1948. The last church they served was the Methodist Church in Davenport. It was here that they purchased the lot next to the church, where they built for themselves a home for their remaining years.

Ruth died on August 4, 1972 at the Hall Mark Nursing Home in Haines

City. Funeral services were conducted on August 7 at the Dave Lane Funeral Home in Haines City, by the Rev. Irwin Price, of Davenport. Rev. Raymond Grossman was also present, since he had served the church previously—and had helped her on so many occasions. In fact, it was he and his wife who had taken her to the Heart of Florida Hospital in Haines City—after she had fallen and broken her right wrist. On Aug. 4, God came to relieve her of her suffering and took her home. She was laid to rest in the Forest Hill Cemetery in Haines City—by the side of her husband.

She had two sisters: the late Helen Rehme, and Blanche Kleinhen of Mantua, Ohio; two brothers—Harold Rehme of Summitville, Indiana, and Arthur C. Rehme, a retired Methodist minister from the western New York Conference, now living in Lakeland.

Ruth was always of a very optimistic and cheerful disposition—having a smile for everyone. She was very sympathetic, and many times, became greatly disturbed when she was not able to help those she loved. She enjoyed her position as mistress of the Parsonage—and graced it with dignity and friendliness. She was proud of her “little home” as she called it. She loved her church and was always happy to give of her services. She appreciated the gifts and kindness of her friends. Conscious almost to the very end—she was quite ready to go—and even wanting to go. She could very well say with Charles Wesley—

“O let this feeble body fail—  
And let it droop and die,  
My soul shall quit this mournful vale  
And soar to worlds on high.

O what are all my sufferings here,  
If, Lord, thou count me meet,  
With that enraptured host to appear—  
And worship at thy feet.

Give joy or grief, give ease or pain,  
Take life or friends away,  
But let me find them all again—  
In that Eternal day”

### MRS. EDITH E. SUTER

Edith Ewing Suter was born near Huntington, Quebec, the youngest of three daughters in a family of five whose parents were Mr. and Mrs. O. N. Ewing—her father was a prosperous dairy farmer, a strict Methodist who forbade dancing or card playing in his home.

During those pleasant years before World War I, Edith graduated from high school, attended Teacher's College, taught school and became immersed in church work where she taught Sunday School and played the church organ.

One evening the family was asked to give shelter to Dr. Henry Suter, a brilliant young minister-writer from London, England and Edith met her future husband. In later years Edith was heard to remark “God gave me everything but children.”

The Suters, Henry and Edith, moved to Alberta, Canada where for a few years Henry was a familiar figure driving his Ford over the great spaces of the prairies, preaching in more than a few churches of his circuit.

Henry, with delicate health determined upon warmer climes so the couple came East to Fort Fairfield, Maine, next to Marion, Massachusetts on Cape Cod, thence to Westerly, Rhode Island.

A man who loved life and a keen traveler, Dr. Suter had always been curious about Florida, so when opportunity beckoned, Edith and husband came South in 1930. The great depression had become the worst in a century so the Suters had their share of “hard times.”

After moving to Daytona Beach, Dr. Suter continued writing poetry and entertaining audiences with his impressions of Shakespeare's characters. Mrs. Suter provided background piano music and helped him with costuming, much of which she had made. Dr. Suter died in 1965.

Mrs. Suter, to the very end of her life, continued to reflect a vigorous spirit. She was pianist for her Sunday School class for over twenty years, active until a few Sundays before she died.

One of her last delights was to attend the church family camp in May, 1972 during which she enjoyed a motorboat ride and watched a softball game in a light rain.

*"Many daughters have done excellently, but thou excellest them all."*  
(Proverbs 31:29)

### MRS. CORA LYDIA PHILLIPS HOWES

Mrs. Lydia P. Howes, wife of retired minister Carson T. Howes, died October 2, 1972, in San Carlos Convalescent Center in Fernandina Beach, after an illness of 15 months.

Born in Handley, Texas on July 29, 1904 to Daniel E. and Cora McEwan Phillips, she moved as a small child with her parents to Tampa. There her father was very active in real estate and church work for a number of years, helping in the building program for Nebraska Avenue Methodist Church and others, including building and donating the then Odessa church and school building. In 1916 he transferred his interests to Georgia and Mrs. Howes graduated from Georgia State College for Women in 1923.

Returning to Tampa she taught in the local schools and in 1924 married Carson T. Howes in Nebraska Avenue Methodist Church, where at the age of 10 she had joined the church. Together they served 17 charges in the Florida Conference for the next 37 years, until Rev. Howes' retirement in 1961. They then served the mission church at Hudson for 18 months before moving back to Tampa for a five year stay. There Rev. Howes served as minister of visitation for Seminole Heights Church until his health made this impossible. That area, strangely enough, had been named, subdivided and originally developed many years before by Mrs. Howes' father.

Due to various illnesses and their resulting physical condition, in 1968 they moved to Clermont, a former pastorate, to be near a daughter and her family. There they were enjoying renewing old friendships, their nearby relatives, other family visits and "settling in" as minister's families learn to do, when Mrs. Howes broke her left hip in four places. She never fully recovered, suffering several strokes and requiring either full-time home help or stays in hospitals/nursing homes until her death. Rev. Howes was able to share many of her nursing home times and their devotion was an inspiration to all. He is now back at San Carlos Convalescent Center after a month as a patient at St. Vincent's Hospital, Jacksonville in January-February.

The yard of every parsonage in which Mrs. Howes had lived was more beautiful at the end of their assignment than at the beginning for she did indeed have a "green thumb" and her favorite activity was to work with her flowers and plants, many times planting something that would be enjoyed by others after they had moved on. She also sang in the choir, played the piano for church activities and helped with church dramatic programs. Perhaps it reminded her of when she met Rev. Howes as he was then a singer-evangelist and she was a substitute pianist at a revival meeting.

Every parsonage through the years became a true home for her husband, six children and her mother, who made her home with the Howes' for 33 years. An "open house" policy prevailed toward their children's friends, extending through their college years. Three of the daughters became

teachers and the oldest son is an Air Force chaplain but she was equally proud of the others and was, perhaps, happiest when relating even minor accomplishments of her family.

During the World War II years their parsonage home became "a home away from home" for, according to a guest book of that period, literally hundreds of servicemen were their guests. It seemed that even with war rationing and a large family there was always room for one extra—or even more—at their table and in their home. They even shared their home with several servicemen's families as housing grew scarce, making them part of their family too. Many lasting friendships developed as they became a second family for their "service boys." A number entered the ministry and are serving churches from Florida to New England and the Mid-West.

At the time of her death Mrs. Howes was a member of the Clermont Methodist Church, the Clermont Recreation Club and had become a WSCS life member while at Pahokee 1946-49.

In addition to her husband, she is survived by four daughters: Mrs. Elizabeth Konsler, Clermont, Mrs. Nell Johnson, Jacksonville, Mrs. Helen Swails, Yulee, Mrs. Mary Ann Stokes, Pensacola; two sons, Chaplain (Major) C. T. Howes Jr., Daniel P. Howes, Winter Park, and 13 grandchildren.

Funeral services were held in Jacksonville with Rev. Roy Ben Ridley, and Rev. W. G. Aldridge, officiating. Interment followed at Restlawn Cemetery, Jacksonville.

#### MRS. MAZIE GILBERT ALEXANDER

Mrs. Mazie Gilbert Alexander was born December 8, 1898 in St. Augustine, Florida, the daughter of Johnnie and Nancy Baldwin Gilbert. She met and married the Reverend George W. Alexander, Sr., a Methodist minister who was a member of the Florida Conference of the former Central Jurisdiction. The Reverend Alexander was called to his rest in 1941.

After the death of her husband, Mrs. Alexander continued pursuing her profession as a Registered Nurse, and she moved to Jacksonville where she joined the Ebenezer Methodist Church and remained there until her death. Her activities in Ebenezer included serving as a member of the Ida M. Rivers Circle, the Women's Society of Christian Service, and as Chairperson of the Hospital and Homes Commission of the Florida Conference of the Methodist Church, Central Jurisdiction, and as a Trustee of the Sarah Hunt Methodist Children's Home.

Mrs. Alexander was an alumna of Florida Memorial College. She was a member of the Brewster Alumnae Association and held membership in a number of professional organizations. She was a former Basileus of Sigma Chapter of Chi Eta Phi Sorority. She retired from active duty as a Registered Nurse several years ago.

Mrs. Alexander departed this life, September 25, 1972 in Fort Worth, Texas. Her body was returned to Jacksonville, and she was funeralized September 30, 1972 in The Ebenezer United Methodist Church. The Reverend Cubell A. Johnson gave the eulogy, assisted by the Reverend S. S. Robinson of Simpson United Methodist Church.

CULBELL A. JOHNSON

#### MRS. EMMA JONES MACK McCULLARS

Mrs. "Mack" was born in Orangeburg, S. C. in 1890. Her father was an active layman in the Methodist church and led her into a strong relationship with the church at an early age. While quite young she joined the Pleasant Branch United Methodist Church of Orangeburg. When the family moved to Arcadia, Fla. in 1902, they united with the AME Zion Church, because there was no Central Jurisdiction Church in the area. Her family was one of the leaders in establishing the Pleasant Hill Church of Arcadia.

Late in life she was ordained as an Accepted Supply and served several appointments during her 12 active years. She was forced to retire in 1957

because of ill health. Her greatest contributions to the work of the church were in the fields of her missionary zeal, her leadership in matters pertaining to women, and her sacrificial giving to the total work of the church.

She moved back to Arcadia for retirement and became a strong and guiding light in the work of the local church. Despite ill health, she remained active into her last year.

### MRS. FLORENCE LILLIAN DENSLOW

On June 3, 1904, to Lawrence O. and Esther Ross Russell of Anniston, Alabama, was born a baby girl. She was named Florence Lillian, and was the joy of her parents' hearts.

When it came time for Florence to enter high school she went to live with her maternal grandparents in Chattanooga, Tennessee. She attended and was graduated from that city's Central High where among the students she knew a Jimmy Henley, who was later to become Resident Bishop of the Florida Area of the United Methodist Church. They were, of course, just students going their own way then, but what a thrill in later years to meet again in the ministry of Florida Methodism!

Upon graduation Florence re-joined her parents and baby brother who had moved to Jacksonville, Florida. It was there that a young man from Ashtabula, Ohio, named Lawrence Ernest Denslow came into her life, and the wedding bells rang for the young couple in the Ortega Methodist Church on July 23, 1926.

The ensuing years found Lawrence and Florence and their growing family (finally four boys and two girls) living in West Palm Beach, Jacksonville, Clermont, Mineola, and Tampa. Those early years were depression years and Mother learned well the art of caring for her family on the meager means of a hard-working husband who spent his days delivering kerosene, hoeing orange trees, delivering ice and sweeping city streets on a Saturday night. Her dedication to the needs of her family and husband, and her wisdom in child-rearing have taught all of us a deep respect and love for home. And, all the while there was that steady love for God and the church, and that has not left us either.

Circumstances were to improve when the family moved to Tampa in 1942. But there grew ever more persistent the call of the ministry, and so, in Tampa in the year 1947, Florence became a minister's wife. On the request of a close working associate at MacDill Air Force Base, Dad began supplying the pulpit of Orient Park Community Church. Having received his "Local Preacher's License" some years earlier in the Methodist Church, Dad and Mother were soon to bring the little congregation of Orient Park into the family of Florida Methodism. That congregation has since merged with the Uceta congregation to form the Grace congregation of Tampa. To become a preacher's wife and make all us kids PKs was, I am sure, not an easy assignment! But in her beautiful and capable way Mother did it.

The years since have witnessed a warm, insightful, personable woman serving quite unselfishly as first lady in many Florida parishes: Keystone, Edgewood and Drew Park of Tampa; Seffner; Orange Heights of Lakeland; Alturas; Lee-Hickory Grove; Enterprise-Stafford.

During her last five or six years she found time to enjoy her violin and to share in bringing the joy of music to many through her membership in the DeBary Concert Orchestra.

In June of 1971, Mother and Dad retired from the active ministry to live in their DeLand home. On March 17, 1973, God called Florence to her eternal home. The funeral service was conducted in the Lang Funeral Chapel, DeBary, with the Rev. E. E. Stauffer officiating. Interment was in Oakhill Cemetery, Clermont, Florida. Family members surviving in addition to her husband are four sons: Norman E. Denslow of Valdosta, Ga.; the Rev. D. Ross Denslow of Sanford; Lawrence E. Denslow of Miami;

James A. Denslow of DeLand; and two daughters: Mrs. Robert G. Cole of Cocoa; Mrs. C. F. Hamlin, III of Memphis, Tenn.

### MRS. ROSETTA W. HUGER

Mrs. Rosetta W. Huger, widow of the late Reverend Thomas A. Huger, was born in Key West, Florida, and for many years maintained a home in Lakeland, Florida. She died at Daytona Beach, Florida on January 25, 1973.

Mrs. Huger was prominent in women's affairs in the old Florida Conference of the Central Jurisdiction, and served as Conference President of the Ministers' Wives and Daughters Alliance for several years. This organization had as its basic purpose the increase of the Pension Fund of the Conference. Her husband served as pastor of many congregations across Florida, and as District Superintendent under two appointments.

Mrs. Huger is survived by two sons: Dr. James E. Huger, Business Manager of Bethune-Cookman College, and Volusia County Councilman; and Mr. Theodore Huger of New York City.

### DONALD M. MAYNARD

Donald M. Maynard was born in Emmittsville, Iowa, May 18, 1900, the son of Orville Knowles and Metta Moore Maynard. He was graduated from Ohio Wesleyan University in 1923 and received his B.D. degree from Garrett Biblical Institute in 1926. While in Garrett he met Hester Isabel Douglas whom he married June 28, 1927. To this union were born Donald Moore, Jr. (deceased) and Wesley Douglas now residing in Nashville, Tennessee. His wife died in 1964 in Boston, Massachusetts.

Dr. Maynard entered the Colorado Conference on trial in 1924 and two years later was admitted in full connection and ordained a deacon. While a student at Garrett he served Fransville, Ives Grove, Wisconsin, 1924-25 and Footville, Wisconsin, 1925-26. In 1927, he transferred to the Florida Conference and served Silver Bluff Church in Miami, 1927-28 and Avon Park, Florida, 1928-29. He was ordained elder in 1929.

For two years, 1929-31, he was professor of Religious Education at Florida Southern College. During the period 1931-48 he was professor of Religious Education at Scarritt College, Nashville, Tennessee. Under his leadership Scarritt College developed an outstanding department of Religious Education and his students were in demand all over Methodism as directors of Christian Education. Likewise, his students from foreign countries have effectively made Christian Education a recognized part of the ministry of the church overseas. During his time at Scarritt College he studied at Yale University where he received the Ph.D. degree in 1936.

In 1948, Dr. Maynard went to Boston University where he built another outstanding department of Religious Education. He remained there until his retirement in 1965. He was then elected Professor Emeritus.

Since his retirement he made his home in Nashville, Tennessee. After a short illness, death came on May 7, 1973. The funeral service was conducted in Belmont United Methodist Church, Nashville, on May 10, with the Reverends Stuart J. Nunnally, Earl C. Parker and Horace W. Williams officiating. Interment was in Woodlawn Cemetery.

Dr. Maynard rendered distinguished service to the church, both Methodist and ecumenical; he was an author of note, particularly in the field of Christian home. He was a constant writer of Church School materials and special study units. When the Methodist Church in cooperation with other major Protestant denominations worked out a new approach to curriculum Dr. Maynard had a large part in adapting to the needs of adults through Methodist curriculum materials.

His work was recognized by the World Council on Christian Education and the Methodist Board of Missions. In 1957-58 he was sent to Taiwan to

teach for a year in a newly founded college and to assist in the development of the institution. Later he was sent to Ghana for a year of teaching and consultation in a new seminary there. The Chief of Chaplains of the United States Air Force invited and sent Dr. Maynard for a special conference and consultation with chaplains and their congregations in Germany and later in Japan. In 1958 he was a delegate to the World Convention on Christian Education in Tokyo, Japan. In the early 1960's he was a participant in a world Methodist Conference on the Christian Family held in Ireland.

In the local church, Dr. Maynard served faithfully and effectively on commissions on Education, Christian Family Life, and Children's Ministries. He taught from time to time in the Church School, both as a regular teacher and special classes. He and his family were affiliated with Belmont Church for a total of 24 years.

In every aspect of his ministry he was thorough, dedicated, and productive. He was a Christian gentleman in every aspect of the word. His students rise up in testimony that to know him was to love him.

### LEWIS GEORGE SCOTT

To the happy union of Mr. and Mrs. George Scott, a son, Lewis George was born April 22, 1902, in Branford, Florida.

He attended the public school in Branford, and continued his education through the conference course of study at Clafin College, Orangeburg, South Carolina.

At an early age he was converted and became an active member of the Methodist Church in Cedar Key. Here he heard the call to the Christian ministry and became a Local Preacher.

He was united in Holy Wedlock to Miss Sophie Mae Jordan. To this happy union, a son, Stanley Lewis was born.

He was received a full member of the Florida Annual Conference in 1941, and served with honor and distinction in the following churches: Oldtown, Winfield-New Hope, High Springs-Mikesville, Ocala, Liberty Hills, St. Joseph's, Jacksonville, and Mount Nebo-Jonesville. To God and the church he served faithfully, answering every call and need for service. This faithful and beloved servant was transferred to his eternal rest, Wednesday, May 16, 1973.

His funeral service was conducted at Mount Nebo United Methodist Church on Saturday, May 26, 1973 at 1 p.m. The eulogy was given by the Reverend F. S. Robinson, Jr. His body was laid to rest in the Bethlehem Cemetery.

### MRS. R. L. BRILL

Grace Brill was a radiant person whose optimism and laughter brought warmth and inspiration to those around her. To a remarkable degree she expressed the fruits of the Spirit that are enumerated in Scripture. To her husband, R. L. Brill, she was an ideal minister's wife. She accepted graciously whatever limitations were hers to endure in the ministry and she brought capable leadership abilities to her role. She was president of the Florida

Conference Woman's Missionary Association for several years and had served in executive positions in Virginia and elsewhere.

Best of all, friends report, she was an outstanding Bible Class Teacher. "She was one of the best I have ever heard," reported the Reverend William G. Hawk in a beautiful tribute at her funeral, held November 3, 1972, in St. Petersburg.

I knew her largely when limited by serious illness, yet the same lovely manner and warmth prevailed. She communicated a genuine Christian faith and love which many of us will continue to miss.

Grace Brill was born January 18, 1898 in Des Moines, Iowa, and in 1915 married R. L. Brill, a beautiful union destined to last nearly 57 years! Together they served Evangelical United Brethren Churches in Nebraska, Colorado, New Mexico, Virginia, and Florida, retiring to St. Petersburg in 1959. She died October 31, 1972 in St. Petersburg. There were four children: Mrs. Kenneth Kennard, Mrs. Vernon O. Rogers, Richard O. Brill, all of St. Petersburg; and Raymond Brill of Tampa. The Reverend R. L. Brill now lives in St. Petersburg.

JOHN M. FLETCHER

### MRS. EVA K. STANDISH

Mrs. Eva K. Standish was born in DeLand, Florida, on February 18, 1895, the second of four daughters. Both her older and her younger sister died in early childhood, leaving only the one sister. Blanche Klicker, who now resides in Tampa, Florida. Her father, Henry William Klicker, was born in London, England, of native-born German parents, and he immigrated to America as a young man to establish himself in the tailoring business. Her mother was Emma Martin of a pioneer family in Illinois.

Eva attended the Stetson Academy, from which she graduated in 1912, and then continued her education at Stetson University, where she received her A.B. degree in 1916. After teaching for a short time in Ft. Lauderdale, she went to Washington, D. C., as a government secretary. At the close of World War I she returned to DeLand to be with her parents, and especially her ailing mother. She took a position with the firm of Landis, Fish, and Hull, and was their chief legal secretary for almost seven years. During this time her mother died of a stroke.

The Klickers were active in the First Methodist Church of DeLand, and soon after her return from Washington Eva became the church organist. It was in the church that she met the man who she was to marry. Revile M. Standish was a native of western New York, where he had received normal school training and had taught in a one-room country school for four years. When he enrolled at Stetson University in 1921 he became a member of the Methodist church and its choir. Three years later they were married in the church there on May 28, 1924.

When Revile Standish received his A.B. degree from Stetson in 1925, they moved to Cambridge, Massachusetts, where Revile enrolled at the Boston University School of Theology, while Eva again worked as an executive legal secretary. Eva's father died in DeLand soon after their move to Massachusetts. Their three daughters were all born in Massachusetts during their seventeen years in the New England conference.

In 1942 Revile Standish was transferred to the Florida Conference, and had pastorates in a number of communities here before his retirement in 1960. All of their daughters graduated from Florida State University in Tallahassee. Evelyn Standish and Phyllis Montelaro have lived in Gainesville for many years, while Jocelyn Jackson has been in New York state ever since her marriage.

Visits of the grandchildren Stan and Steve Montelaro, and Elizabeth and Susan Jackson, have been highlights of their retirement years. Also, they have especially enjoyed a close relationship with other members of the Seminole Heights Methodist Church in Tampa. The Fellowship Class there, of which they were members, lived up to its name in every way.

When Reville Standish suffered a mild stroke in August, 1972, they moved to a remarkable non-profit and non-denominational retirement community in Kissimmee that provides total health care. It was in the Community Hospital of Kissimmee that Eva Standish died very suddenly of pulmonary embolism. Although perhaps coincidental, it is also in keeping with her religion-centered life that Eva Standish should die on Passover, April 17, and be buried on Good Friday, April 20, 1973.

- A. The following rules of procedure shall be observed to expedite the business of the Conference:

  2. No report, resolution, or recommendation shall be acted upon until it has been before the Conference 24 hours, and a copy has been furnished the Conference Secretary, except a resolution extending a vote of thanks. Publication in the Conference Report Book shall be deemed to have fulfilled this requirement.
  3. Any resolution not coming from an established organization of the Conference, shall be referred to the Committee on Reference before discussion on the floor of the Conference.
  4. Any report or resolution presented by a regular organization of the Conference, in accordance with the provisions above, shall be properly before the body of the Conference, when it is presented without a motion or a second.
  5. Every resolution requiring implementation shall carry the cost to the Conference, and shall include in the resolution in the name of the implementing organization or person. All resolutions for communication shall designate the person or persons responsible for the communication. (See also Section VII, Article 5)
  6. A member of the Conference who wishes to be recognized by the Chair for a question, point of order, or discussion of a motion, shall address the Chair and wait for recognition. When recognized by the Chair, the member will give name, whether lay or clerical member; and if a lay member, will give the name of local church represented.
  7. Debate and discussion of motions will be limited to three minutes per speech, and the speeches will alternate between those for and those against.
  8. A member of the Conference will be permitted to speak only one time in behalf of, or in opposition to, any motion before the Conference with the following exception: if no one wishes to speak opposite to the preceding speech, a member who has spoken on the motion may speak one more time. It is understood that this rule shall not be construed to debar the maker of the motion from concluding the debate.
  9. A motion to call for the previous question may be made at any time, if no one desires to speak. However, as long as there are those desiring to speak, a motion for the call of the previous question may not be made until there have been two speeches for and two speeches against the pending motion.
- B. The Conference Secretary shall be elected quadrennially at the first session of the Annual Conference following the General Conference, assuming office on September 1, and shall be eligible to serve no more than two consecutive quadrennia.
