Whereas the United States signed on October 15, 1968 following a unanimous vote in the Senate an international treaty representing a bill of rights for refugees fleeing to the United States, which treaty principally provided "the protection against expulsion or return of refugees to any country in which they would face persecution."

REPORTS

EPISCOPAL MESSAGE

ASSIGNMENT: STOP SOUL DRAIN

In Herbert Gold's book, "My Last Two Thousand Years," he described how he and the fired professor from Kiev, Russia stood by a desecrated, bulldozed Jewish cemetery not far from Babi Yar. There were smashed columns, gaping holes where coffins had been. There was no reason for destroying this relic of ancient Jewish presence in Kiev. Nevertheless, one night it had been done. The professor said to Gold, "You have heard of brain drain that's not why there are so many troubles. The problem is soul drain."

All among us the problem is "soul drain." This means the church has its work cut out for it. Soul drain does not imply hostile opposition that battles in the street until the white flag of surrender is hoisted. It is not the same kind of challenge offered to the early Christians in the burnings and slaughter if they insisted upon their faith. Nor is it akin to Paul's experience of being tossed into one jail after another, along with others, who for their faith knew the inside of prison better than the outside.

Probably more often than not quietly, almost without our missing it, one day we discover our faith is weak, our courage is gone, and right and wrong is an indistinct blur. Our attention has been fastened in other directions and the inner sense of God's presence and the direction of his spirit is almost unrecognizable.

D. T. Niles, the great Methodist Christian from Ceylon, tells of a woman active in his church and regular upon attendance at worship. Gradually she began to be careless in her church interest. Illness in her family accounted for it in part. When Dr. Niles called upon her she confessed that God had become distant, religion did not mean very much, and prayers seemed to go unanswered. In a pastoral way he reminded her that she was trying to hold onto God by herself. At such times as she was experiencing she needed her fellow Christians. It is not intended that we should travel through life holding to God as a private possession.

Thus the church provides the family-like experience through which we bear one another's burdens, lift fallen spirits, and make God to be real to those who have doubts and vagueness in faith. Beyond this we are commissioned to sensitize the world to deep and abiding spiritual values made clear and certain through Jesus Christ. It becomes the responsibility of the church to stop the soul drain. Our world, if it is to reach its great potential, must develop, sensitize, and make strong its spiritual dimension. "What does it profit a man if he gains the whole world and loses his soul?" The reminder of Jesus does not exclude from its truth anyone, not even the world.

When Jesus came back from those days in the wilderness where he had been fighting the supreme battle of life to decide what its mission really was to be, what kind of kingdom he was to build, he went back to Nazareth and they asked him to lead the service in the synagogue. He read his program from the 16th chapter of Isaiah, "The spirit of the Lord is upon me and it has anointed me to preach good news to the poor, to heal the broken-hearted, to give sight to people who can not see, to open the prison doors to those who are bruised, and to preach the acceptable year of the Lord." Then he closed the book, or rolled the scroll, and said, "This day are these words fulfilled in your hearing—I am going out and do this." I wish every minister here would leave this conference determined to do just that.

In the light of Jesus' purpose for his own ministry and that of the church to follow, let us see the church today in Florida and throughout the world. The church is a story of success beyond belief. The great baseball philosopher, Dizzy Dean, says, "It ain't braggin' if you've done it." When we

point with pride to the great accomplishments of the church it ain't braggin' because the church has done it. However, in the light of the perfect life of Christ we have before us impossible goals. In the presence of tremendous need we are greatly challenged. God has used the church marvelously for 2,000 years. He has much for it to do today.

First, see proclamation profound—preach good news! Preaching for a time dropped upon the priority list for pastors. We have been busy with other things; important to be sure, but the pulpit became lame. The result—soul drain! Some of us must have misunderstood Paul's words to the Corinthians when he discussed "the foolishness of preaching." Paul was really honoring it, telling how God could use it for saving persons. Let him speak. "For it pleased God through the foolishness of preaching to save those who believed." That's the kind of foolishness God is seeking. Preaching needs to be restored to the pinnacle of importance it must occupy if we are to follow the words and example of Jesus and the exhortation of Paul. History will support the claim great preaching has inspired great Christian living.

To be sure it is hard work, as every effective proclaimer of the Gospel will verify. Ask those close to the Harry Emerson Fosdicks, Gerald Kennedys, and Wallace Hamiltons, the secret of their friend's effectiveness. The answer is a four letter word "work." Sermons don't just happen. Jesus spent 40 days preparing for the one delivered at Nazareth Synagogue. Great preaching grows out of quality living on the part of the preacher, and it contributes to the depth of his Christian life and understanding.

Proclamation is more than reading essays from the pulpit and presenting intellectual homilies. Dr. W. A. Smart, in his book, "The Contemporary Christ" said, "Books about Jesus flow from presses in such an endless stream that is not often that anything really new can be said. And yet no apologies should be necessary when Christians try to tell each other what they have found in Christ." This is the proclamation of the Gospel, telling what we have found in Christ. The more we find the more we have to preach.

Socrates once asked, "Why is it that men know what is good but do what is bad?" This observation registers once more the need for proclamation. The Gospel calls to commitment not once but often. Without this we drift into an intellectual struggle with life with no direction from the soul and the will. One was preaching in a rescue mission chapel using Kipling's poem, "If" as an outline read, "If you can force your heart and nerve and sinew, to serve your turn long after they have gone, and so hold on when there is nothing in you, except the will which says to them, 'Hold on.'" One from his audience cried out, "But suppose you can't?" That's where most of us are. We are committed to the good life, want to live it, but we can't. Jesus knew this and so honored proclamation of good news as essential.

Proclamation is not for the pulpit alone but the pew is a place from which we preach. The finest and most effective proclamation of the Gospel is done in state houses, school rooms, homes, offices, social clubs, factories, when no ordained person is about. I wish you lay people knew the power you possess to change the direction of living of those about you. Don't undersell this nor fail to utilize it.

One of the lines of Kiplin's poem says, "If you can fill the unforgiving minutes with 60 seconds worth of distance run," that's a good line for all preachers and lay persons who have been captured by the power and spirit of Jesus Christ. Remember the admonition of Wesley? We still use it in our conference admission service. "Be diligent, never be unemployed, never be triflingly employed, never trifle any time, neither spend any more time at one place than is strictly necessary." We are all alike here. We have the same amount of time to invest. Effective proclamation calls for diligent work habits. My, what a challenge! Stop the soul drain with proclamation profound.

Look also at divine deliverance. Only the power of God can deliver us from captivity in which we are caught. How many and how confining these prisons really are. On a plane recently, waiting for the take-off, the pilot

came on the public address system and said, "There will be a few minutes delay because of mechanical difficulty. In order to relax you while we wait, the stewardesses have been authorized to give you free booze." Cheers went up. What prisoners we are when free booze is the prime compensation. It indicated not only a value system gone awry but we must be compensated for exercising a little patience. The prison of restlessness. H. G. Wells described a large class of people by an expressive name, "God sakers." These are the ones who are always saying, "For God's sake, let's do something." We have to be going somewhere, or coming back or doing something else. Life is empty. A prison of limited personal resources.

Every soul must break out of the prison of things. We are in the dungeon of possessions without a sense of stewardship, choking with over accumulation and no sense of generosity. It is a common jail, well over-crowded, the prison house of selfishness. The prison of the secular opens its doors, lures us into its dungeon. Heavy bars fall nosiely in place, no time for God, no time for spiritual thoughts. Somewhere I read of a team of two laymen who were doing evangelistic visitation for their church. They rang the doorbell. A man came to greet them. They said, "We are from the church. We want to talk to you about religion." The man threw up his hands and groaned, "O, good grief. I have troubles enough without taking on religion." Prison of secularism. "Life is more than meat," said Jesus.

The prison of sin—misuse of body, failure to see it as a temple of the soul; misuse of the mind—clever, cunning, but not charitable; misuse of talents. One described an artist, "His great talent petered out painting pebbles to be used for paper-weights."

People everywhere are trying to find an escape into the world of freedom so clearly described by Jesus as the Kingdom of God. We are all in a struggle against jail doors. Can the church help? Do we have a value system to recommend? An experience of life that provides a rhapsody rather than rejection? How can this soul drain be stopped?

As a human fellowship the church has little to offer, but as a divine plan it has everything. Paul faced the prison problem I am not speaking of the Phillipian jail, but prisons in which he was caught daily, "Who shall deliver me from this body of death?" he cried. His triumphant answer is, "I thank God through Jesus Christ our Lord." New energy is available. New enlightenment is within our grasp. Freedom beyond imagination is ours for the asking. "He breaks the power of canceled sin, he sets the prisoner free." That's the romance of escape. It is not fiction. Stop the soul drain with divine deliverance.

Again, see Jesus' plan healing into wholeness. Restoration of sight must be associated with the passage from Matthew "The lamp of the body is the eye. If your eye is sound your whole body will be full of light." (Matthew 6:22) Healing into wholeness means not only the whole person but the whole of society. Our social order is so fragmented, so broken by dishonesty, low moral standards, permissiveness that bears no discipline, and brings no freedom. This is not limited to an age group, nor to a social status. The soul drain is evident everywhere in our world.

Now please don't ask the church to be silent in the midst of social evil, injustice and destruction of persons. The church has to be concerned about the world in which human beings live. It matters to the church that people suffer unnecessarily from disease so we build hospitals. It matters to the church that people are victimized by drink and drugs so we try to rehabilitate them. It matters to the church that children of God are ignorant and in want so we build schools and provide food. It matters to the church that people live in filth and infestation of evil so we seek to clear up the slums, physically and spiritually. It matters to the church that those who lead be of good character so its members seek public offices as a response to the call of God. It matters to the church that forces are set loose that destroy the home so we demand integrity, strength and stability of the family.

In the name of Jesus Christ the church forges ahead praying, "Thy Kingdom come, thy will be done on earth as it is in heaven." I do not know of

any other force in society that will pray and work for the will of God to be done on earth than the church. Don't criticize it, join forces. A letter came complaining about some of the revolutionary ideas in our church school literature; revolutionary in that they were urging efforts of people to seek a better life for the oppressed. The letter concluded, "Why can't we teach our children and youth about Moses and other Biblical characters and leave these public issues alone?" Moses? The one who challenged Pharaoh, the leader of Egypt, in the interest of deliverance for the oppressed people? That's where we got our idea and our causes, from the Bible.

Healing toward wholeness. Wholeness of life for all God's people. Wholeness for God's world. This will slow down the soul drain.

Finally, celebration of commitment—preach the acceptable year of the Lord. Worship is the time when we direct our full attention to the greatness of God. His creative splendor sends us to our highest praise; his love and grace forces us to postures of great humility. The foundation of the temple often shakes as it did with Isaiah when he saw the Lord and the burning coal is taken from the altar to purify our lives and cleanse our lips. But don't go yet, for before the benediction and the freefold Amen a voice is heard, "Whom shall I send and who will go for me?" And then our celebration becomes real and is tested for its effectiveness. All of us want to respond favorably and occasionally will. "Here am I, Lord send me."

The church needs Christians with commitment unlimited who think not of self first but service as inspired by Jesus Christ who told his followers that they must be prepared to give up everything. Does your church membership mean this or has Matthew Arnold captured it in his "Scholar Gypsy," "Light half-believers of our casual creeds, who never deeply felt nor clearly willed, whose insight never has borne fruit indeed, whose vague resolves never have been fulfilled."

William Lloyd Garrison was complimented for his fineness of handwriting which once was very poor. His reply, "I set to work to improve it when I became a Christian, for I resolved that I would make my Christianity reach every detail of life." Commitment unlimited. That will stop the soul drain.

We are about to go now, back to our local churches, our hometowns to be with our families; to be churchmen and church-women, ordained and lay. I hope a new loyalty to the purpose of the church and a new zeal for its mission has dawned upon you. Proclamation profound. Divine deliverance. Healing in the wholeness. Celebration with commitment.

Go back. Stand on the steps of your church building, be it small or large, and ask, "What could this church really be in the life of people here and everywhere? Pray a prayer and I hope you will feel, "the spirit of the Lord is upon me," for this is Christ' church, I am determined to make it his body.

BOARD OF THE MINISTRY

REPORT NO. 1

This first report of the present Board of the Ministry must record its gratitude for the effective work of previous board member, and especially the past board, so ably chaired by Dr. W. S. Bozeman and the untiring labors of the Reverend Pat McBride as Registrar.

The Board is deeply appreciative of the dedicated leadership of Dr. Raymond A. Alley, as Registrar, it's executive officers from the Conference Council on Ministries, and of the guidance of Dr. Richard Burnette, Psychological Consultant.

The bulk of the Board's work is accomplished through sub-committees, coordinated by the Executive Committee. The sub-committees are:

- I. Psychological Guidance, The Reverend Alfred Vaught, Chairman
- II. Continuing Education for Career Development, Dr. Ralph B. Huston, Chairman

III. Conference Relations, The Reverend R. E. Rutland, Chairman

IV. Ministerial Education, The Reverend Lee VanSickle, Chairman

V. Local and Lay Ministry, The Reverend H. T. Heitzenrater, Chairman

VI. Doctrine, The Reverend Rudolph McKinley, Chairman

A few aspects of the Board's work need to be reported.

A. Continuing Education for Career Development:

The Committee on Continuing Education for Career-Development plans the Annual Pastor's School, supervises that portion of the three percent Ministerial Education Funds which are allocated for the Continuing Education of the Ministry, encourages local and district groups in programs for Continuing Education for Career-Development, and encourages individuals to engage in programs of study for Continuing Education.

The Pastor's School is a major Continuing Education program of the Florida Annual Conference. We encourage all ministers to take advantage of the resources which it offers and the lectures brought to our doorstep for our Continuing Education. The theme of the school for this year will be A Faith and Culture Dialogue and the dates are October first through fourth.

Programs for Continuing Education have been inaugurated in several of the districts and in many communities of the state. These programs involve many of our conference members in short term learning experiences. There are many opportunities for Continuing Education offered through the colleges and universities scattered throughout the state, hospitals and other professional groups offering to the ministers opportunities for seminars in Pastoral Care and Counseling, etc. Our seminaries are developing excellent on-campus seminars designed especially for parish ministers who wish to extend their knowledge and sharpen their professional skills. We encourage our ministers to look into these educational opportunities and see if they can be beneficial in your career development. These courses are designed for ministers who cannot leave the parish except for short periods of time.

A portion of the Ministerial Education Fund is designated for the Continuing Education for career-development and is administered by this committee. During the year this committee has set up certain guidelines for the administration of this fund as follows:

1. For any program to qualify as Continuing Education it must be designed to further the minister's personal and professional life, and/or his understanding of contemporary life, and/or the mission and ministry of the church. Persons seeking academic degrees will have their applications reviewed as to merit in relation to the ministry of the church.
2. All applications must be reviewed and approved by the committee prior to the beginning date of the intended project. Applications will be reviewed during the first week of January, April, June, and September. Applicants will be notified of the committee's decision within ten days after review dates. An attempt will be made to anticipate total request for the year and all scholarships pro-rated so that each qualifying request can be granted in a proportionate amount.
3. Normally scholarship grants are not made for programs sponsored by agencies or educational institutions if similar programs are being conducted by the conference.
4. For ministers who want to take advantage of programs away from the local parish there will be grants ranging from \$25 to \$500, with \$500 being the maximum given in any five-year period. Those seeking this aid are directed to follow the guidelines approved for "leave of absence" adopted by the conference. The Pastor Parish Committee must approve the minister's plans and be encouraged to seek financial assistance from

the congregation for the Ministers Continuing Education for Career-Development.

To qualify for financial assistance an applicant must:

- A. Be a minister with a full-time appointment
- B. Need assistance
- C. Be willing when possible, to use own resources to help meet education expenses
- D. Obtain or seek supplementary financial assistance from the local church or agency being served
- E. Choose an education program approved by the committee and undertaken with the approval of the district superintendent

It is our hope to encourage and enable the clergy to get into a process of Continuing Education that is to some extent planned and that makes a change in one's practice of ministry. Recognizing that career needs differ according to one's age and experience and circumstances, we want to encourage each pastor to take advantage of the structured settings for Continuing Education as they may present themselves and also to set out a course for discipline study in his local setting.

We commend those congregations who give their encouragement, their cooperation and their assistance to their minister's Continuing Education for Career-Development.

B. Ministerial Education Fund:

This last school year your Board was able to assist 90 students in the amount of \$42,765. In all cases the committee worked closely with the seminaries in determining the needs of each applicant.

C. Campus Visitation:

Visits are made to campuses by Board representatives to keep in touch with all Florida students and others who may want to qualify for membership in our conference.

D. Conference Relations:

The increased options open to conference members are explained and each person desiring any of these relationships is carefully guided by the committee.

E. Recommendations:

1. We recommend and urge that the Ministerial Education Fund be paid in full by every local church.
2. We recommend that local churches send to Dr. Raymond Alley the names of ministerial students who are either in colleges or seminaries.
3. We recommend that copies of minutes of the District Committees on the Ministry be sent to Dr. Raymond Alley as they are held.
4. We recommend that the 15% portion of the Ministerial Education Fund administered by the Board be used by the Committee on Continuing Education for Career-Development.
5. We recommend that the general guidelines stated in the Report on Continuing Education for Career-Development be followed and, That local congregations give their encouragement, cooperation and assistance to these ministers for Continuing Education for Career-Development.

THOMAS G. MITCHELL, *Secretary*

CONFERENCE PROGRAM COMMITTEE

Desiring to help all members of the Annual Conference become meaningfully involved, the last session requested the Program Committee to provide for group consideration of pertinent issues and information, if feasible. In accord with this request we have provided time for groups to meet in which delegates to the Conference will discuss some of the issues facing this Conference and give some consideration to the work of the church in 1975. We hope this pattern will provide an arena for increased participation on the part of all those who are members of this body.

To enable delegates to participate as much as possible, the committee has tried to provide a clear outline of material and procedure for the sessions of each day. Your Conference Program and the Program Book will prove to be helpful tools to this end.

A new feature of the program this year will be a devotional period at the beginning of the afternoon session. At the morning devotional period Dr. Charles Laymon will guide us in a study of the Psalms. Bishop Noah Moore is our Conference preacher this year. One of our own sons, Bishop Robert Blackburn, will preach the ordination sermon. Bishop McDavid will celebrate the Holy Communion.

Tuesday will be a day focused largely on orientation, the ministry, and the introduction of program materials to be dealt with by this Conference. It will provide an opportunity for small group participation as well as executive sessions for both ministerial and lay delegates to deal with those matters that relate specifically to them. The Communion service, the memorial service, the report of the Board of the Ministry, the retirement service, and the ordination service will be some of the special features. Reports and resolutions printed in the Program Book are properly before the body. There will be opportunity to present other resolutions to the Conference in order to comply with the 24 hour rule before action may be taken.

Wednesday and Thursday will be devoted largely to adopting the Conference program for 1975, hearing the reports of special committees of the Conference, and receiving the recommendations of the Conference Council on Ministries for action.

Friday will be a special day for the laity when laymen, laywomen and youth will report. The budget for 1975 will be adopted. On Friday evening Bishop McDavid will bring to the Conference his message on the mission of the Church and confirm the pastoral appointments for the year 1974-75.

Printed and mimeographed material for general distribution will be distributed to delegates in the foyer as they enter the auditorium prior to the session of the Conference at which it will be considered. It will be removed at the close of the session.

The Standing Rules of the Conference will be the basis upon which we operate.

This Committee recommends that the printed Program become the agenda for this Annual Conference session with such alterations as the Presiding Bishop, the Conference Secretary, the Chairman of this committee, or the body itself shall make.

M. C. CLEVELAND, *Chairman*

STANDING RULES COMMITTEE

Following the restructuring of the Annual Conference, your Committee revised the standing rules of the Conference to harmonize with that new structure. They reported the results of their labors to the 1973 session of the Conference which adopted their proposed changes. We are grateful for the excellent work they did and are happy to report that we have been able to function well as an Annual Conference in accord with the revision they had prepared.

There have been requests for copies of the standing rules available to the delegates during the Annual Conference sessions. We call your atten-

tion to the fact that they are printed in the Journal on pages 334-346. The secretary of the Conference has a substantial number of copies of the Journal available, and you may secure a copy by asking for it at the secretaries desk.

As is always true, there are some editorial changes that still need to be made, and some of these may even appear to be substantive in nature.

Your committee presents the following suggested changes, and moves that the standing rules of the Conference be amended accordingly. Furthermore, we invite your corrections, revisions, and suggestions both as individuals and organized groups of the Conference.

WORSHIP WORK AREA

The purpose of the Conference Worship Work Area is "to challenge the local congregations to understand the purpose and function of worship." This is accomplished through assisting interested persons in leadership roles. During the year a Christian Calendar and Lectionary was prepared and distributed to pastors and worship work area chairpersons. Articles on interpreting the meaning of worship have been included in the COM Line. Worship sessions were held during the School of Missions and workshops on worship have been held in some of our districts. In cooperation with other areas, support was given to the Bishop's Call to Prayer emphasizing the importance of family worship and devotional life. We have also been responsible for the worship services at Pastor's School and at the Annual Conference. Thomas Carlyle has said, "The person who does not habitually wonder and worship is like a pair of spectacles behind which there is no eye." Your Conference and District Work Areas on Worship are anxious to work with you in stimulating that sense of wonder and making meaningful worship experiences a reality.

CREDIT UNION

The records of 1973 show another year of excellent growth for the Credit Union. We experienced a gain in membership of 216 and at year-end we had 982. In January the total numbered 1001.

The total assets at year-end were \$427,921.33, an increase of \$140,376.14. The increase in share accounts amounted to \$147,048.56 and the increase in loans was \$116,003.53.

The potential is still great. At the end of four full years of operation the Credit Union has proven itself to be in a steady and secure position. During the 1974 year we should reach the half million mark in total assets. The energy crisis, credit crunch, shortages of gasoline, soft and hard goods, plus other factors has slowed the entire economy from which the Credit Union cannot hope to escape. It is our hope that the results will not be damaging, and in spite of all of these we can present:

Focused Goals of increases at every level.
 New members are considered to be important as persons in the light of services the Credit Union can offer. The potential for growth lies in the eligible new members. Every spouse and every child should become members.

Share deposits not only provide 5½% dividends, annually, but also increase the resources for loans to fellow members. Share deposits need to be enlarged on a regular basis, with the pay-roll deduction as a helpful method to achieve individual account growth and thus group growth.

Loans are available for members. The interest cost is 1% per month on the declining balance. It is a basic premise that loans must be repaid on a monthly basis. The 'dollar' cost of a loan is more important than an advertised interest rate. Interest can be computed so many different ways it always pays to compare costs on a loan. We will be glad to quote costs over the phone.

Two kinds of insurance are included automatically at no additional cost to our members. 1) Life Savings Insurance on share deposits up to \$2,000. 2) Loan protection insurance up to \$5,000 and up to age 70. We can furnish detailed information.

Please write for membership application cards or loan applications.

In family financial planning build reserves for at least three major objectives: 1) AN EMERGENCY FUND of from two to six months' income for unexpected emergencies. 2) THE BIG BILL FUND is a stockpile of dollars for near-future large expenses, the next car, taxes, insurance premiums, college costs, the long vacation—represent the need for a prorated accretion. 3) RETIREMENT SAVINGS in diversified investments to offset inflation, provide a roof over your head and a supplement to pensions, social security because even now these are not enough. Plan for the years ahead.

Let me take this opportunity to express appreciation to the Board of Directors, the committee members, the entire membership and backing it all, the Annual Conference, for the support and cooperation given Mrs. Joan Mixon, assistant-manager and bookkeeper and to myself as manager. We pledge our cooperation so that service, stability and growth may continue.

**THE FLORIDA METHODIST FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS**

December 31, 1973

1. All receipts and disbursements are made through the Central Treasurer of The Florida Annual Conference of the United Methodist Church.
2. Loans receivable are from various boards and agencies within the Florida Annual Conference of the United Methodist Church and are not collateralized.
3. Accounts receivable consist of prepayments of Trust Fund Income, receivables from brokerage firms and a receivable from the custodian of investment securities for principal and income cash collected but not remitted. Accounts payable is made up of Trust Fund income and principal due beneficiaries and custodial fees due to the custodian of investment securities.
4. Other assets consist of prior years reduction of annuity liability. The Board of Directors authorized the Treasurer to reclassify this amount in order that the beneficiaries of the annuities at the death of an annuitant will receive the full amount of the original annuity. They authorized all annuity payments to be charged to expense and further authorized the reduction of the annuity liability in prior years to be credited to the annuity surplus and to be expensed over a period of

- five years. The amount included in annuity expense during the current year applicable to prior years was \$1,337.
5. Loans payable consist of one demand loan from the Peoples Bank of Lakeland at 6% for \$100,050 including accrued interest.
 6. Since November, 1971, The Florida Methodist Foundation has acted as receiving and disbursing agent for the Partners in Education (P. I. E.) fund raising campaign. During the current year \$231,747.85 in cash and securities were received and disbursed, 60% to Florida Southern College and 40% to Bethune-Cookman College. As the agent for P.I.E., the Foundation sells all securities received and disburses only cash through the Conference Treasurer. It receives no income for services rendered.

COUNSELING CENTER

Through the combined support of Florida Southern College and the Annual Conference, your Conference Counseling Center has been in operation for nearly two years. During the past Conference year we have shared the skills of Dr. J. Melvin Britt who has taught at the College and served as Conference Counselor. We are happy to report that *every* reflection of his work received by the Committee has been most positive.

The Center was relocated from the College Administrative Complex to an upstairs, rear office of the Methodist Building with private access. A pilot project locating the Counselor in Fort Lauderdale two days a month according to need has also begun. The Director has served as resource person and leader in a number of District Retreats for pastors, their wives, and for other groups.

Evaluation of our Conference Program by comparison with those of other Annual Conferences, and recognition that continuation on a one half-time basis will necessarily limit the outreach of the Center has led the Committee to recommend:

1. That the Director be employed full-time as of June 1, 1975.
2. That funding be authorized to that end in the 1975 budget.

Such action will enable Dr. Britt to spend increased time as a resource person in regional areas providing leadership for seminars, workshops, small group activities, and Career Development, as well as increasing his availability for counseling.

PROPERTY INSURANCE COMMITTEE

Since our last report to the Conference in 1973, a number of interesting and exciting events have occurred in respect to insurance coverage of Methodist property in Florida. You will recall that the Committee in its last report mentioned that our General Council on Finance and Administration had worked out a plan whereby nation-wide general insurance and workmen's compensation would be offered, with the opportunity for savings in premium and broader coverage. This is now working and we are happy to report that in general the plan is progressing very well. Insurance is being written by local agents who receive their commissions and arrange coverage through the Atlantic Mutual Insurance Co., a very large and well-known national company. While the plan has not been in force long enough to determine dividends, we are optimistic in believing that these should be substantial.

Local agents working through the Frank B. Hall & Co., Inc. have found

them to be very cooperative in most cases in helping to solve the individual problems of churches with respect to their insurance matters. At the time of the preparation of this report (February 1974) it is reported that 2,040 churches or church-related property of Methodist come under this plan with many still pending. There are 152 in Florida.

As a Committee we urge that local churches and representatives of other Methodist owned property give serious consideration to coming under this plan. Naturally the larger volume and spread of risks will favor a more successful operation.

We recommend that this committee's existence for at least another Conference Year be approved in order that a clearing-house for information for the local churches may be assured.

PARTNERS IN EDUCATION CAMPAIGN:

Fletcher Rush, chairman of the Partners in Education Campaign to raise \$4,000,000 for Bethune-Cookman College and Florida Southern College, announced on December 20, 1973 that the goal had been reached with a total of \$4,019,590 committed to this effort.

The Campaign leaders and the two colleges express their great appreciation to the more than 1,800 donors and workers who made possible this successful achievement.

The funds raised will be used for scholarship aid, faculty salary support and physical plant improvements on the two campuses. Although the campaign successfully reached its goal, the figure raised represents only a portion of the total long-range needs of some \$20,000,000 projected by the two colleges. Concerned Methodists are encouraged to continue their support of these two institutions as spiraling inflation makes it necessary to seek funds on a continuing basis to maintain the high quality of education offered.

THE ENROLLMENT—1973-1974:

1,328 full-time students (1,373 last year) and 106 part-time students (90 last year) enrolled for the 1973-1974 academic year.

The opening full-time enrollment decreased by 45 from the opening enrollment of 1972-1973. The number of day students increased by seven, and the number of dormitory students decreased by 52. Of the 1,328 students enrolled this year, nine studied abroad.

The Admissions Office endeavors to enroll those students whose interests, personal qualifications, and academic background seem to make them best fitted for the College. In 1973-1974, 204 freshmen earned credit-by-examination through the national tests of the College Level Examination Program, the Modern Language Association Tests and the Advanced Placement Program. Of these students, 144 earned 12 or more semester hours of credit, with 29 earning 30 hours or more.

The student body originated in 36 states and 14 foreign countries and territories representing Argentina, the Bahamas, Brazil, Canada, England, Germany, India, Iran, Japan, Jamaica, Libya, Puerto Rico, Uruguay and the Virgin Islands. A study of enrollment by states reveals that Florida continues to have the largest number of students attending the College. Of these, over 73% reside in nine counties. Based on the full-time enrollment of Florida students in the fall of 1971 (836), 1972 (811) and 1973 (800), the following table gives the number and percentage of students enrolled from these nine counties:

| County | 1971 | | 1972 | | 1973 | |
|--------------|------------|--------------|------------|--------------|------------|--------------|
| Brevard | 30 | 3.6% | 25 | 3.1% | 29 | 3.6% |

| | <u>637</u> | <u>76.3%</u> | <u>611</u> | <u>75.3%</u> | <u>584</u> | <u>73.1%</u> |

PROJECTED ENROLLMENT FOR 1974-1975:

Last year 74% of those eligible to pre-register (1,063) actually returned (782). The same percentage this year (74% of 1,037 who are eligible to pre-register) would give us 767 students returning. At this time we expect 342 students to enroll. At the same time last year we expected 391. The projected enrollment at this time is 1,300.

Early statistics showed us behind in applications received. However, this trend has now been reversed with February applications increased by 30 over a year ago. If this upward trend continues, what now appears as a loss can be reversed. The recent advertising campaign in Florida newspapers is bringing a fine response.

BUDGET—1973-1974:

CHANGES ON CAMPUS:

Several changes were made in the administrative staff of the College during the last summer of 1973: Mr. Walter Y. Murphy, Dean of Students and member of the Religion and Philosophy Department, became Executive Vice President and Dr. Ben F. Wade became Dean of Academic Affairs.

Major renovations and improvements were made including the roofing, interior and exterior painting, carpeting and furnishing of Joseph-Reynolds Residence Hall. Allan Spivey Residence Hall also underwent changes in which nine new student rooms were created, as well as other rooms renovated. New furniture and carpeting were added to all three floors. Other student and faculty housing units were remodeled and painted, and a new dishwasher, stove and dishes were added to the cafeteria kitchen.

DIXIELAND MINI-MALL:

Phase 2 of the College's Dixieland Mini-Mall is expected to be completed mid-August. This unit of eight stores and eight office suites will complete-

ment the 12 store unit of Phase 1 already completed. A small tearoom, designed to cater to women shoppers, will be added to the complex.

The Dixieland Mini-Mall is a college endowment investment designed to produce income for the college's educational budget.

RESERVE OFFICERS TRAINING CORPS:

The Reserve Officers Training Program continues to hold its own, but manifests those problems from which the total program suffers. Participation throughout the country in Army ROTC dropped some 20% between September 1972 and June 1973. Estimates of the September 1973 enrollment indicated about another 20-22% drop from May. Our experience at Florida Southern College roughly paralleled this.

The year began with a total of 62 males and 8 females of which 27 males and all the females were freshmen. Females were admitted for the first time this year and were a welcome addition. Essentially, the program was not modified by their enrollment. They cannot be required to fire a weapon or participate in field exercises, but most chose to take all of the training offered.

The quality of the participants was high and their enthusiasm evident. Almost half were taking part in the Spartan Program—the volunteer, adventure, enrichment portion of the course. They spent the Thanksgiving break at the U. S. Army Ranger Camp in northern Georgia where mountain climbing was emphasized.

Although the contract with the Department of the Army calls for at least 25 commissions a year, Colonel Kenneth Webber was told informally that any school commissioning 15 officers annually will not be placed in a probationary status. If there are no more defections, Colonel Webber is confident that there will be no problem until the summer of 1976.

BETHUNE-COOKMAN EXCHANGE PROGRAM:

Florida Southern College and Bethune-Cookman College continued for their third year a joint instructional project for intern teachers and teacher education students under the direction of Dr. Mary Alice Smith of Bethune-Cookman College.

The basic plan of the project involved the provision of experiences designed to develop a keener understanding of ethnic and educational factors related to classroom teaching in the public schools. Student seminars were held on both campuses to identify and discuss these mutual concerns.

Mr. Melvin Britt, Florida Southern College, opened the series with a seminar activity in transactional analysis. In addition, faculty members exchanged classes to present several unique and relevant topics for consideration by the students. Dr. Harvey W. Lee, Jr., Bethune-Cookman College, gave a lecture and exhibit of Black Art history and Mr. Robert Anderson, Florida Southern College, presented a film and media session.

The group interaction continued to be a pleasant and rewarding facet of this cooperative educational project.

RELIGIOUS AND STUDENT LIFE:

Attendance at the weekly Sunday Campus Worship increased this year, and its choir was larger and stronger.

The pre-ministerial students' Sunday evening services continued to be effective. The Pre-minis, as they like to call themselves, now have a number of young women in their membership. In addition to the Methodist Student Movement, several other denominational groups met regularly on campus. Morning devotions were held each weekday in the Jackson Religion Building with 30 to 40 attending daily. Several informal prayer and Bible study groups met in residence halls at different times during the week. As a general observation, worship on campus is on the increase.

Our students were again actively engaged in volunteer services within the Lakeland community. This program, begun several years ago, has met

with success—both by the students involved and the institutions or agencies assisted.

Ground was broken on February 23, 1974 for the new College Center in which many student activities will be housed. This building project was originally started by the Alumni Association and then merged into the Partners in Education Campaign. The Kresge Foundation made a contribution of \$100,000 toward the construction of the building. This facility will provide the College with long-needed facilities for student activities.

Lee Schilling became the Dean of Students on September 1, 1973, and under his leadership the entire student life program continues to develop in a fine way.

Florida Southern continues to have an excellent student body that is quite aware of the intellectual, moral and spiritual values that the College strives to inculcate in all its students. From time to time there are those who seem to feel that the College should provide for more liquor and sex in its residence halls and fewer convocations and less class attendance. The Trustees developed guidelines which I conveyed to the Conference at its session in 1971. These guidelines, together with my remarks accompanying them, were filed with the Secretary and officially endorsed by the Conference on Friday, June 4, 1971. The Trustees and the administrative officers continue to follow the guidelines contained in the statement you endorsed. That statement said in part: "Florida Southern attempts to provide a climate for learning by precept and example as well as by class and laboratory. We try to provide education for living as well as for making a living. An education at Florida Southern College must necessarily occur in an environment worthy of the standards expected in the homes of our United Methodist families. College must not become an escape from, but rather an emergence into, a responsible role in society.

"I seek your support as parents in helping us to continue Florida Southern College as an institution that is concerned for the *quality* of life and believes that the environment has a large place in the development of students and that MINDS ALONE ARE NOT ENOUGH. We will continue to pursue academic excellence, but we must also continue to inculcate moral and spiritual values and to cultivate the civilities that make us human. I pledge you my best efforts in trying to provide a total, not a partial, environment for your sons and daughters."

The Trustees' statement reads as follows: "Due to the nature and heritage of this College with its close relationship with the United Methodist Church, the continuation of certain policies is called for. These policies are viewed as consistent with a belief that a college education is more than 128 credit hours and the quality points needed for graduation but must also involve the inculcating of religious and moral values and traditionally acceptable social amenities. Examples of such policies are that the College: (1) Remain an undergraduate, residential college, requiring non-married students who do not live with their parents in the Lakeland area to live in the residence halls and take their meals at the cafeteria. (2) Prohibit the use and possessions of alcoholic beverages by all students on or off campus. (3) Prohibit the use or possession of illegal drugs and misuse of drugs. (4) Provide a mid-week Faith and Life Convocation for all students. (5) Establish dormitory closing hours for women. (6) Not allow open visitation in rooms of the dormitories. (7) Maintain a dress code for campus wear, which included standards for the classroom, library, cafeteria, auditorium and other buildings. Such a code prohibits bare feet on campus and require Sunday dress at the noon meal on Sunday. (8) Maintain standards of appearance and grooming which require the hair to be well groomed and avoid extremes. (9) Require chaperones at college sponsored student activities or open house in dormitories."

USE OF COLLEGE FACILITIES BY CONFERENCE AND COMMUNITY GROUPS:

Due to classes being in session during the academic year, summer is a particularly busy time on campus for special meetings involving more than

a single day. During the summer of 1973 such meetings were attended by 3,500 people. In addition, single day events during the same period attracted approximately 7,000 people.

A complete sellout of the Festival of Fine Arts Series occurred again. These cultural programs have proven to be an excellent link between the people of Lakeland and the academic community.

PERFORMING GROUPS:

Florida Southern College is proud of its student performing groups: The Concert Band, the Concert Choir, the Handbell Choir and the drama group, the Vagabonds. These groups have all performed in various parts of the Conference.

The College is happy to fulfill requests for the performing groups and speakers whenever possible and only asks that requests be made far enough in advance that it is possible to meet them. For further information, contact Mr. Walter Y. Murphy, Executive Vice President, Florida Southern College, Lakeland, Florida 33802.

BETHUNE-COOKMAN COLLEGE

The entire Bethune-Cookman College Family considers it a high privilege to report to the 1974 session of the Florida Annual Conference of the United Methodist Church, as we conclude the seventieth year of successful service.

The year began on August 24, 1973 with a Faculty, Staff and Students Pre-planning Conference, where five important goals were examined:

1. Emphasis was given on the improvement of teaching and the total academic program.
2. Recruitment of students.
3. Development of ways and means of making our Alumni more viable in their support of their Alma Mater.
4. Review of additional ways to finance a quality educational program.
5. Developing a Plan of Action to strengthen our ties with the United Methodist Church and act as a service agent to the Florida Conference of the United Methodist Church.

We have an outstanding Faculty, with 45% holding the earned doctorate degree and all others holding the earned Master's Degree or above. We have 1,200 full-time college students enrolled.

Excellent progress has been made in the past year, especially in five areas. These are:

1. The visit of the State Committee for Reaffirmation of Accreditation of our Teacher Education Division. Our accreditation by the State was reaffirmed.
2. The occupancy of the ADAMS-ALUMNI INFIRMARY, at a total cost of \$191,023.85. (Alumni Project.)
3. The Laundry and Bake-shop Building is under construction, at a total cost of \$200,000.00, and we hope to dedicate this building during the Fall Meeting of the Board of Trustees.
4. Improved communication between the Faculty, Staff, Alumni and Students—all working toward the same goal.
5. A most successful Corporate Open House, where more than 100 corporate executives spent two days on the campus of Bethune-Cookman College.

This is a great moment in the destiny of church-related colleges. The task today is a difficult one. If they will live through these uncertain times, they must face their responsibilities realistically with optimism and courage, not resting on laurels of past accomplishments or justifying their claims on mere traditions or historical significance, but on the ability to render

service that will, in the light of changed conditions, fully justify public confidence and command support.

The future will demand more of us. It will require the cooperation and support of the entire Methodist constituency. The College faces one of the greatest years in the history of its development and of its great heritage.

We are most grateful to Bishop Joel D. McDavid, Chairman of the Board of trustees of Bethune-Cookman College, the following members of the Florida Conference of the United Methodist Church, who serve with distinction as members of the Board of Trustees: Judge P. B. Revels, Judge William A. Meadows, the Reverend A. D. Hall, Dr. Jack A. Davis, Dr. Leroy E. Northrup, Bishop James W. Henley, Dr. Walter B. Rutland, Dr. Samuel A. Banks, Dr. Ernest W. Newman, and Mr. Arthur Switzer; and to the District Superintendents, Ministers and Laypersons of the Florida Conference for their leadership, concern and support for this educational enterprise. With your continued cooperation and support, we face the future unafraid.

HIGHER EDUCATION & CAMPUS MINISTRY

REPORT NO. 1

Resolution

WHEREAS the Florida Annual Conference for twelve years has acknowledged the need for additional educational and general programming facilities at the University United Methodist Church and Student Center, Gainesville, as a top priority but has had to postpone implementation under the pressure of other capital needs, and

Whereas buildings now being used for student programming have been condemned, and

Whereas preliminary plans for replacement of these condemned facilities project a total cost of approximately \$300,000 to \$350,000, of which the Work Area on Higher Education/Campus Ministry is asking the conference for \$200,000 with the balance to be raised by the University United Methodist Church and Student Center, and

Whereas specific costs cannot be determined until architectural plans are drawn, therefore;

Be It Resolved that the Florida Annual Conference provide \$2,500 immediately from contingency funds for architectural fees for this project;

Be It Further Resolved that the conference authorize the University United Methodist Church to borrow funds, not to exceed \$200,000 from the Florida Methodist Foundation or another agency of the church when the project is ready for construction;

Be It Further Resolved that an amount equal to the annual interest obligation on this loan be added yearly to the capital budget of the Work Area on Higher Education/Campus Ministry when the loan is consummated;

Be It Further Resolved that the conference commit itself to repayment of this loan over a period of four years (\$50,000 per year) beginning in 1976.

WALTER KALAF

HIGHER EDUCATION & CAMPUS MINISTRY

REPORT NO. 2

(1) Motion, that—

A careful study be made of the financial needs of Bethune-Cookman College and Florida Southern College and Campus Ministries for the next ten years, 1974-1984, and the degree of conference support that will be necessary for effective service and ministry in higher education.

These projections to be based upon self-studies by each college and campus ministry unit. That the self-studies be evaluated by the Confer-

ence Work Area on Higher Education/Campus Ministry in consultation with the Conference Council on Administration and Finance;

And, that projection be established for annual askings from the conference over the 10-year period. This policy represents a continuation of long-term planning and projecting initiated in 1962, which was met with a large degree of success by our conference.

(2) Recommendation—

Due to requests for continuing education opportunities from both clergy and lay persons for credit and non-credit courses, the Work Area on Higher Education/Campus Ministry recommends that Bethune-Cookman College and Florida Southern College publicize their present offerings and explore additional opportunities that might exist and be met if needs warrant.

(3) Recommendation—

The Conference Work Area acknowledges with appreciation the Presidents' Councils of the two colleges and such conference-level events as Founders Week, involving students, faculty, administration, alumni and lay persons as effective means of interpretation, increased understanding and support.

In order to extend this type interpretation and support, the Conference Work Area recommends that similar events be held annually in each district with invitations to include specific leaders such as Chairpersons of Councils on Ministries, lay leaders, United Methodist Women and youth.

HIGHER EDUCATION & CAMPUS MINISTRY

REPORT NO. 3

The Campus Ministry Section of the Work Area on Higher Education/Campus Ministry of the Florida Annual Conference, in session March 20, 1974, by unanimous vote, requests that the following resolution be made a part of the annual report of the Work Area on Higher Education/Campus Ministry to the Annual Conference:

Be it resolved

that the Work Area on Higher Education/Campus Ministry be authorized to enter into a new relationship between the Florida Conference, United Methodist Church and the United Ministries in Higher Education, this new relationship to be that of Associate Member, since the limitations imposed by polity and history make the Associate Relationship more feasible for the benefit of both parties involved, and

Be it further resolved

that we express our appreciation for the Commission on Higher Education of the Florida Council of Churches because of its wider scope of denominational participation and hereby pledge our full cooperation with it and its programs as representative of our concern for ecumenical involvement.

**TRUSTEES OF THE FLORIDA CONFERENCE OF
THE UNITED METHODIST CHURCH**

The Trustees of the Board of Education have transferred to the Trustees of the Florida Conference of the United Methodist Church the properties which they had held for the Florida Conference. This action on their part fulfilled the action taken by the Annual Conference. There was one exception: the parsonage and the church plant used by the University United Methodist Church in Gainesville were transferred to that congregation.

The cost of effecting the transfers to the Trustees of the Florida Conference was \$1,000.04. Funds to meet these costs were taken from the earnings of the Maxwell Street Parsonage invested with the Methodist Foundation.

As of December 31, 1973 the Maxwell Street account stood at \$35,831.78, after the payment above indicated.

We recommend that should the need arise the Trustees be authorized to use income earned from the above account to care for emergency property needs.

At the direction of the Higher Education Committee of the Conference Council on Ministries and the local Campus Ministry Committee, the old parsonage for the Campus minister at the University of South Florida, Tampa, was sold for a net of \$40,443.70, and a new one more appropriately located was purchased and paid for at a cost of \$50,008.07. The difference in cost was provided by the Conference Committee.

The Trustees have carried out the direction of the Annual Conference of last June and have negotiated a loan from the Methodist Foundation in the amount of \$198,286.07. This includes all previously existing camp indebtedness at Leesburg and Camp Florida in Brandon and the funds with which to develop the Family Campsite at Leesburg. The development of the Family Campsite is going forward under the direction of the Committee on Camps and Conferences.

It is the thought of the Trustees that the several program groups, who make use of the properties held by the Trustees, are in day to day contact with the facilities and are therefore the appropriate groups to budget not only for programs but also for insurance, maintenance and other property needs. The 1975 Budget requests reflect this approach. The Trustees have requested funds to cover indebtedness on properties which they hold and a small sum for administrative expenses of the Trustees.

Two tables are attached. Table I reflects the indebtedness, annual payment schedule, and the date of the final payment on the indebtedness. Table II reflects the book value of the properties held by the Trustees.

DIVISION OF LAY ACTIVITIES

The 1973-74 Conference year has been one of progress in the work of the Laity in the Florida Conference. We did not achieve all of our goals but we made a significant beginning. It has been said, "that a journey of a thousand miles begins with the first step."

The year began with participation in the Annual Conference where the executive committee met and developed plans for the year. We also gave leadership in the orientation session.

A committee was appointed to study and recommend a new structure for the Board of Laity as authorized by the 1972 General Conference.

Four meetings of the executive committee were held with the District Lay Leaders in attendance at two of them.

The Leesburg retreats were most successful and commendations are in order to Mr. John A. Grant, Jr., Associate Lay Leader for Leesburg, and his co-workers for their leadership and planning.

Financially our budget is balanced and we completed the final payment on the land at Leesburg.

Plans are being developed for the Adult Rally, November 8-10, 1974, Bay Front Park, Saint Petersburg, Florida.

As Conference Lay Leader, I visited and spoke on many of the Districts and represented the Florida Conference at the Southeastern Jurisdiction Association of Conference Lay Leaders at Lake Juanluska.

We are deeply indebted to Bishop Joel D. McDavid for his wise counsel and leadership. The President of the United Methodist Women, United Methodist Men, the Department of Youth Ministries, District Superintendent, local pastors and hundreds of lay persons who contributed to the success of the work of the Board of the Laity.

With your continued cooperation, we look forward to another year of spiritual growth and increased activity for the Laity of the Florida Conference of the United Methodist Church.

RICHARD V. MOORE
Conference Lay Leader

UNITED METHODIST WOMEN

The year 1972 was an historic year for the women's organization of The United Methodist Church, for it was at General Conference on April 29, 1972, in Atlanta, Georgia, that the church passed legislation stating that "there shall be in each local church, one, new inclusive women's organization called United Methodist Women."

Thus began an exciting, new and challenging era.

WHO ARE UNITED METHODIST WOMEN?

We are women in mission!

Building on a history of mission involvement of over 100 years, United Methodist Women continues to be a missional organization. It is part of the Board of Global Ministries of The United Methodist Church, and its membership is the constituency of one of the seven divisions of the Board . . . the Women's Division.

We are women with a Purpose!

The organized unit of United Methodist Women shall be a community of women whose purpose is

- . . . to know God and experience freedom as whole persons through Jesus Christ;
- . . . to develop a creative supportive fellowship;
- . . . and to expand concepts of mission through participation in the global ministries of the church.

In this purpose, which each member must accept in order to belong to United Methodist Women, we affirm the claim of Jesus Christ on our lives . . . we affirm the worth of each individual and the need to be supportive of others as they pursue a meaningful and full life . . . and we affirm our responsibility to be involved in healing ministries to all of God's people in all of his world.

We are women in community!

Collectively, we are one and one-half million women in 36,000 local units across the land, and we give approximately \$14,000,000.00 a year through our pledge to missions for the work of the Board of Global Ministries. These \$14,000,000 represent 40% of the total budget of the Board of Global Ministries. In community, these funds help to make possible over 8,000 programs and projects in 56 countries, including the United States.

The programs and projects include—(to mention only a few)

Outside the United States:

841 missionaries
7,300 organized churches
17,000 preaching places
54 hospitals
37 theological schools
129 community development centers
15 orphanages (and many, many more)

Within the United States:

121 Community Centers
8 hospitals
20 schools
8 homes
5 missionary annual conferences
5 child care centers
5 rural development centers (and many, many more)

Within the Florida Conference:

The Florida Spanish Ministry program
The Tampa United Methodist Centers
The Jacksonville Hospital
Church and Community work in Gainesville and Tallahassee Districts
Wesley Community House in Key West (and others)

WHO ARE UNITED METHODIST WOMEN IN THE FLORIDA CONFERENCE?

We are 45,000 local members in 700 local units, ranging in size from 4 members to 700 members, with all sizes in between.

We are women about the task of, and involved in the process of making "one, new, inclusive organization" a reality in the Florida Conference. By intent, all local units in local churches began the transition into the new prior to the organization of the district and conference organizations. Again by design, this has been a slow process as we have attempted to move with clarity . . . with purpose . . . and with understanding of who we are, and what our purpose is. We completed the transition on January 1, 1974, as the twelve districts, following the local units, became organizations of United Methodist Women, and the Florida Conference organization of United Methodist Women was begun.

These first five months have been busy ones for the new conference executive committee . . . or conference mission team. We met together, for the first time, in January in a sharing, planning, getting-to-know-you and leadership development session. After much study of our purpose, and just plain hard work, we established five major goals for the Florida Conference for the two-year period 1974-75.

Our purpose calls us to interpret in action the revolutionary message of the gospel. Therefore, our first goal is:

GOAL 1: Following the life style of Christ (Matthew 25:34-46) we shall become involved in concrete action, supporting people where they hurt.

To make inclusiveness a reality, and not just a word, our second goal is:

GOAL 2: To provide a variety of opportunities for United Methodist Women in the Florida Conference to participate in programs and activities with persons of varying ethnic, economic and age groups.

We believe God created all persons of equal worth and that we are all his Children. Our third goal is:

GOAL 3: To provide opportunities for women to grow in and give expression to their Christian faith and to affirm the worth of each individual.

We are a missional organization, and we know the world we live in is rapidly and constantly changing. Our concepts of mission must also change and expand. Our fourth goal is:

GOAL 4: Enable women in the Florida Conference to better understand "mission" and its global outreach.

Just as inflation has taken its toll at the grocery store and other areas of living, so too has inflation and devaluation of the dollar overseas taken its toll with the work of the Board of Global ministries. With declining dollar value and increasing needs, we established our fifth goal.

GOAL 5: Increase our 1974 pledge to missions by 5%.

As a footnote to this goal, I would add that Florida women have responded to need generously in the past. We ended the year 1973 by overpaying our pledge to missions to the Board of Global Ministries by over \$43,000. We are confident we will do the same in 1974.

We will seek to fulfill our purpose through these goals in a variety of ways these next two years, such as:

- . . . 24 workshops on the work and function of the Committee on Nominations in the local unit have been planned and scheduled in the 12 districts by a conference team. 19 of the 24 workshops have already been completed, and the remaining 5 are scheduled for September. These workshops are a response to a need for leadership development, and have been well received by those attending.
- . . . All conference officers have met with their district counterparts in training experiences.
- . . . 3 regional activities are planned for the fall of 1974 for local members and district officers, stressing personal growth and development of the person. These will be in the Gainesville, Lakeland and Ft. Lauderdale areas.

We have approved a budget for the year 1974 totalling \$379,245.00. Of this amount, \$339,000.00 is designated as pledge to missions funds for the work of the Board of Global Ministries. This is an all-time high, and represents an increase of 70% over a 10-year period.

A major undertaking this new year is the launching of a quarterly newsletter, which will be mailed to all local members in all local units in the Florida Conference. The newsletter has been very appropriately named *Genesis*, which means "beginning." It is a word full of hope, as it symbolizes new life . . . freshness, and the continuing possibility of cleansing and renewal within the life of faith. United Methodist Women provides this kind of a vehicle.

The first issue of *Genesis* was mailed in April, and has met with a great response. Through this quarterly newsletter we will communicate to local members not only what is happening in the conference and the districts, but also what is happening to make United Methodist Women a reality in local units. We will attempt to inform, excite, stimulate, and inspire United Methodist women about United Methodist Women.

We will celebrate our first Conference annual meeting on November 16-17, 1974, here at Florida Southern College. Our theme will be, "To Be Alive in Mission," and we look forward to this time of supportive community with much anticipation and excitement.

A highlight of the Annual Meeting will be our participation in a love offering in which we will have the opportunity to give over and above our budget to meet some specific needs. The love offering this year will be directed to three specific areas:

- 1) Famine relief in Africa
- 2) World Division of the Board of Global Ministries . . . for support of missionaries and church programs.
- 3) Leesburg Adult Retreat Center

Because of our very short life of only 5 months, this report is only a prelude to a dream and vision we have for Florida Conference United Methodist Women. Much has already been accomplished, and much more is in the works because of a hard working dedicated conference mission team.

WHO ARE UNITED METHODIST WOMEN?

We are women called to be Christ's hands and feet . . .

called to share the good news that abundant life is
 available to all . . .
 called to work to build a world of justice where human needs are met.
 We celebrate the task!
 We celebrate His love!

DOLLIE CRIST, *Conference President*

COMMITTEE ON LAY MINISTRIES

This year has been an active one for the members of the new Committee, a combination of two former committees. Our responsibility is to serve as a support system for lay personnel and is comparable to the service of the Board of Ministry for the appointed ministers. These first two years will be mainly study to discover needs and concerns of the lay persons working full time in the church and how this committee can be supportive. Three working sub-committees are: (1) Support Committee, (2) Certification and Lay Worker Committee and (3) Conference and Public Relations Committee.

We commend the districts who recognized the Lay Workers and other certified lay professionals by electing them as district delegates to Annual Conference as a part of the equalization of lay and clerical members.

We commend the Conference Structure Committee for placing the Committee on Lay Ministries under the Division of Ministry as a recognition that many persons are in full-time ministry though not ordained.

Several persons will be presented to the Annual Conference in May who have completed the requirements for certification in their chosen lay profession. Other candidates will be presented to the Conference and to the Bishop for consecration as Lay Workers in the Florida Annual Conference.

EDITH GOODWIN, *Chairperson*

TOWARD A CONFERENCE POLICY ON AGING

A Report to the Florida Annual Conference by the Florida Annual Conference Task Group on Aging.

"God, through the ministry of the Holy Spirit, called the church into being to minister to the whole person throughout the whole of life. There is no nook or cranny of the individual or of a society which is alien to the concerns of God. Those who would do the will of God are, by virtue of His Fatherhood and their sonship, inescapably called to minister in His name and on His behalf wherever and whenever mankind stands in spiritual or physical need." (Henley)

"We believe that something is wrong with any society in which every age level is not clearly of meaning and of value to that society. The spiritual needs of the aging are those of every person, writ large: The need for identity, meaning, love, and wisdom." (Bollinger)

It has been the exciting and frustrating experience of this task group to discover so much of meaning and beauty happening through the people of God, and so much that needs to happen. The summary of this group's research is but a fraction of what needs to be discovered, translated, and shared to bind this Annual Conference in effective ministry together for the benefit of our older persons and, indeed, for the benefit of the whole church family.

In an attempt to bring some perspective to the task of ministry among older persons, we have clarified some problem areas and identified some approaches which can be made, and in some cases, are being made.

Among those problem areas surveyed, are the areas of legislation, health, education, transportation, economics, housing, recreation, and counseling.

In the area of legislation, the most pronounced item is the trend from federal programs for the elderly to local programming funded through

revenue-sharing funds. Many programs previously funded by federal legislation are expiring affecting housing, health, education and other services for the older citizen. The danger at this present stage of shift, is that few counties or communities have been prepared for this new local decision making so revenue funds become disbursed for other local priorities, leaving many elderly in crisis situations.

Since federal and state legislatures are in process of revising programs of health services, this and other crucial items affecting the elderly, should receive our careful study and response.

In area of health, several items are crucial: the accessibility of health services to rural areas or the transportation of elderly to adequate and continuing health care; real exploration by the church into the relationship of loneliness to health among our elderly neighbors; the access to and distribution of adequate food and food preparation services; and the coordination of health testing services offered by various nonprofit agencies.

In the area of education, is first the necessity for adequate distribution of information necessary for life support by persons in the fields of law, health, community services, et cetera to interpret the rapidly changing benefits available to the elderly. Second, education at the levels of adaptation of personal skills to new interests and meaningful participation in community life, and third, education in skills for adapting to the radically altered life styles of retirement or life alone.

We appeal for more emphasis upon education in the middle years for couples for their tasks in bridging the generations, including accepting death and preparation for the life of the survivor.

Transportation has always been a problem for those unable to drive their own vehicle. The present energy crisis adds new gravity to the plight of the elderly for mass and individual transportation to obtain groceries, medical and other services and to maintain participation in the community life.

With the rapid increase of inflation and its result of decreased purchasing power, the elderly on fixed minimal incomes and/or savings are rapidly moving toward poverty. With near 25% of those over age 65 in Florida presently living on \$200.00 or less per month, the number of crisis cases of need could easily exceed 500,000 persons. For those who are able, alternative methods of income supplement are immediately needed. A side effect of this inflation will be the reduced ability of elderly church participants to support to any extent their present church giving.

The lack of available low to moderate income housing is a fact acknowledged in all the urban areas of Florida. This affects all age groups, but especially the elderly. Housing for the elderly must be established with reference to other needs and services. With the cost of land and building soaring only a coordinated effort among churches, agencies, and communities can bring an acceptable solution. The development of such a coalition may be the calling of the church. The factor of urban sprawl and growth of planned communities is taking the urban housing problem into the rural areas as well.

Recreation is a necessity for the maintenance of a joyous spirit. It has no bounds by age or ability. Though the forms of recreation vary greatly, the opportunity for participation with others must be available to all. Churches, as guardians of the whole person, stand ready to function as both place and promoter of the human interchange which comes through recreation.

Counseling is a service receiving greater attention for all age groups. Few counselors have special skills in the predicaments of the elderly. We would urge serious study of this area of service on the basis that the search for identity, meaning, and love reaches a heightened intensity in the older years.

To assume that this list of problem areas was anywhere near comprehensive would be ludicrous. This merely points to the broad areas which must be considered in any ministry to this significantly large number of fellow human beings. It also points to a perhaps less obvious fact, that many programs have made inroads on these needs, while others have failed to touch them. The immensity of the task calls for several things:

First, a comprehensive policy on aging by which the church may design its ministry.

Second, a concerted effort by all program areas to discover their peculiar responsibility to this age group.

Third, a structural process by which the ministries of all areas and levels of the church can be coordinated allowing effective stewardship of all our resources in these responses to the crises of the elderly.

With the offering of this report, this task group finishes its assigned task commissioned at the previous annual conference. With our ending must come a new beginning for a concentrated ministry to and with the elderly. Our gratitude is expressed to those of all ages who in ministry together have made life worth living for all its years. May their tribe increase!

Addendum on Recommendations to the Florida Conference

1. A comprehensive policy on aging by which the church may design its ministry is an absolute must. A unified approach to the complex areas of ministry to older adults requires it. This cannot afford to be an annual effort, nor a quadrennial thrust. It must be designed for continual relevance, the constant addition of new data, the effective dissemination of information, and the candid evaluation of ministries at all levels of the church's ministry. This will require the Council's sincerest energies.
2. A concerted effort by all program areas to discover their peculiar responsibility to older adults will result from the concerns of the Council. Without some mutual sharing and questing many areas of ministry will go undone or poorly resourced.
3. A major necessity is the structural provision to assure an adequate channel of work and evaluation for the Conference. The immensity of the area of ministry to older adults requires a structure for sharing and coordination. The recommendation of the Task Group on Aging is the addition of a Coordinator of Older Adult Ministries to the Conference Council on Ministries. The coordination could be facilitated by a committee of one person from each work area under the able leadership of the Coordinator of Older Adult Ministries.

Several reasons underlie a sense of urgency in these recommendations:

1. the immensity of the problems
2. the intensity of the problems
3. the shift in funding and decision making on programs for the elderly from a federal level to state and local levels of government. Most government judicatories are not prepared for this responsibility and funds are being spent for "bricks and mortar" projects instead of human needs. The church has an immense task to educate and empower at the local level.

COMMISSION ON EQUITABLE SALARIES

The word equitable is defined as that which is "characterized by the equity or fairness; just and right; fair; reasonable." The word *minimum*

is defined as "the least quantity or amount possible, assignable, or allowable; the lowest amount, value, or degree attained or recorded."

Thus, the concept of equitable salaries is quite different from that of minimum salaries—although a minimum salary may need to be established as a step toward arriving at what constitutes an equitable salary.

An equitable salary for a minister implies remuneration commensurate with the qualifications of the minister and the demands and responsibilities required to serve a particular charge. It is obvious that some charges require the service of a minister with special talents and qualifications, and an equitable salary in such a situation may have little relationship to the ability of the charge to support that salary. New or rapidly changing situations might be an example of such needs.

Establishing equitable salaries for ministers also implies that their salaries should approach at least the median level received in other professions which require comparable educational preparation and which are comparable in their importance to society. This concept of equity places major responsibility for determining salaries on the local charges; yet the Conference must take the initiative to insure that policies, procedures, and incentives will be effected to insure that each full-time minister licensed by the Conference will receive a fair and just salary for his professional services.

THE COMMISSION ON EQUITABLE SALARIES must be concerned with more than minimum salaries. It must be as much concerned that the minister of the largest and most prestigious church in the Conference receives an equitable salary as it is that the full-time minister of a small rural charge receives a fair and reasonable minimum salary.

THE COMMISSION ON EQUITABLE SALARIES accepts as its responsibility the provision of equitable salaries for all full-time ministers in the Florida Annual Conference. In meeting this responsibility, it desires to encourage and provide incentives for local churches to assess each year their resources for providing fair and reasonable salaries which will reflect such factors as the cost of living, the financial resources of each church and its membership, and the significance these members place on the role which the United Methodist Church should assume in their communities for proclaiming the Good News, for helping the poor and needy, for teaching the Word of God, for celebrating the presence of Christ, for healing sick minds and bodies, and for binding together in close and meaningful fellowship those who are determined that THE CHURCH will be the most influential institution in the world.

The following is a recommendation for the Minimum Support presented by the Commission on Equitable Salaries to the Annual Conference for 1975. In so far as practicable this schedule of equitable salaries shall be observed by the bishop and district superintendents in the arranging charges and making appointments.

| | 1974 | 1975 |
|---------------------------------------------------------------|---------|---------|
| Ministers in full connection with B.D., or equivalent | \$7,000 | \$7,500 |
| Probationary Member with B.D., or equivalent | 6,800 | 7,300 |
| Ministers in full connection without B.D. | 6,500 | 7,000 |
| Associate Members | 6,100 | 6,600 |
| Lay Pastors | 5,700 | 6,200 |

Following are the regulations for the use of Equitable Salary support funds:

1. The maximum amount to be used for any one minister is \$2,400.
2. Minimum salary for any one charge may be drawn for a total of four years. Maximum for the first year \$2,400, for the second \$1,800, for the third \$1,200, for the fourth \$600. If a superintendent desires to draw this total amount in less than four years or in amounts different than stated above, he may present such a request to the Equitable Salary Committee.
3. Requests for more than the maximum amount in one year must be made to the Equitable Salary Commission of the Annual Conference.

4. Who is qualified to receive minimum salary funds?
 - A. All men who are under full time appointment and are not excluded by Section 5.
 - B. Student pastors—All student lay pastors who are serving normally established charges under appointment of the Bishop and meeting disciplinary requirements may receive from minimum salary funds \$1,800 per year.
5. Who is not eligible for minimum salary support?
 - A. Retired supplies (lay pastors)
 - B. Part time Lay Pastors
 - C. Supernumerary ministers
 - D. Associate ministers
 - E. Any ordained Conference member not under pastoral appointment.
6. To become a claimant a man must live in the bounds of his parish and give full time service to that charge. Studies pursued in an approved college or university are considered part of the work of the ministry if approved by the District Superintendent.
7. The Chairman of the Pastor-Parish Relations Committee shall secure and fill out an application annually for minimum salary and submit it to the District Superintendent.

A minister who has served eight years or more in full time service, four of which have been in the Florida Conference shall receive an additional supplement to insure that his present salary be \$500, above the minimum salary base in his category. Each minister must notify his District Superintendent and the Superintendent will make application to the Commission on Equitable Salaries. The years of service as listed in the Journal will be used to determine eligibility. Before a church is granted a salary support, they must conduct, or agree to conduct, an every member visitation for support of their church.

The Council on Finance and Administration is requested to appropriate \$225,000.00 for the Equitable Salaries Program for the Fiscal Year 1975. The Conference Treasurer shall remit funds to the Pastors as certified by the Chairman of the Section on Equitable Salaries.

The number of Charges receiving Equitable Support and the total amount required are:

| | Number of Charges | Total Amount |
|-------------------------------------------------------|----------------------|-----------------|
| Ministers in full connection with B.D., or equivalent | 35 | \$68,027 |
| Probationary Member with B.D., or equivalent | 5 | 9,880 |

| Associate members | 11 | 22,458 |

WORK AREA OF CHURCH AND SOCIETY

The Conference Work Area of Church and Society has held two general meetings, plus meetings of the divisions, since the last Conference. The session in September was an organizational meeting, at which time goals were formulated for the quadrennium. The purpose of our meeting in February was to hear reports from the four divisions, and to propose program for 1975. Also, at this February meeting, plans were made to put into action the programs that had been approved by the Conference for 1974.

Rev. Jimmy Jones gave a report on the progress and proposals made by the Task Group on the *Bishop's Call for Peace and the Self-Development of Peoples*. The Committee is planning to prepare packets for each local

church to help them to develop studies on the Bishop's Call. A multi-media presentation is being planned for the Annual Conference. In preparation for this, three articles will appear in the Florida Methodist between Easter and Annual Conference. It has been proposed that 5 Regional Seminars be held throughout the Conference in the spring of 1975 utilizing outstanding resource persons, who are qualified in the area of peace and self-development. These plans have been made to carry out the first goal set by the Task Group, which is, "To sensitize the Florida Conference to the Call."

DIVISION OF PEACE AND WORLD ORDER:

The Division of Peace and World Order supports the Task Group on the Bishop's Call for Peace and the Self-Development of Peoples. To this end, we strongly urge each local church to study prayerfully the Bishop's Call with special emphasis on: (a) Christian attitudes on sharing food, energy, etc; (b) Self-Development of all peoples; (c) Non-violence; (d) Amnesty; (e) Population growth; (f) Re-evaluation of priorities—especially those connected with the national budget.

We recommend that each local church continue to observe World Day of Prayer, World Order Sunday, United Nations Week and UNICEF. These observances should be in the light of particular needs of the local parish.

We recommend that each local church establish discussion groups to coincide with the national emphasis through the news media and otherwise on a television program, "Great Decisions—1975." These will be presented in the early months of 1975. The purpose will be to help American Citizens LEARN MORE—SPEAK OUT MORE—DO MORE about our country's foreign policies and political scene.

We commend the Washington-United Nations Seminar program, and urge the support of the Conference for this program.

ED MCGAHEE, *Chairperson*

DIVISION OF GENERAL WELFARE:

Rev. Louis Leigh made a report of the year's activities at the Springfield Alcoholic Rehabilitation Community in Jacksonville. He stated that about 14 months is required for complete rehabilitation, including 90 days of intensive therapy, in which the patient's entire family is included in the counseling. University Hospital now cooperates in supplying a complete medical history of patients. Counseling at the jail one-half day per week has been started, and if the inmate shows promise, he is accepted for therapy. Women are only treated on an out-patient basis.

A report was given by Rev. John Fletcher, concerning United Christian Action and its relationship to the Florida Conference. In view of a lack of communication over the last five or six years; the Work Area of Church and Society voted to sever all official financial relations with United Christian Action, and to formulate a comprehensive alcohol and drug program for the Florida Conference. A task Group has been appointed to make recommendations for this on-going program. The Chairperson of this Task Group is Rev. Robert Stevens.

Although United Christian Action is not being continued as a budgeted item for 1975, the members of the Work Area of Church and Society would like to bring to the attention of the Annual Conference: that any church or individual may still contribute to United Christian Action through the Conference Treasurer. The church may then receive financial credit in their annual conference report.

The Orlando Experimental Drug Program has done a very good job with their educational program in the Orange County High Schools. We commend Dr. Curry for all the time and effort that he has expended with this program.

Nancy Belden, of the Department of Population Problems of the General Board of Church and Society, reported on the various phases of population

problems and advocated renewal of the current national Legislation on Family Planning Services in the United States.

MRS. HAROLD MOORE, *Chairperson*

DIVISION OF HUMAN RELATIONS:

Inclusive Church: The process of merger between black and white churches in our Conference well begun, awaits the next step, that of appointing pastors on the basis of competence, character, and consecration, without primary consideration of race or sex. We recognize that the protection of any minister is the proper concern of the cabinet; however, this should not prevent the appointment of black ministers to white congregations. Therefore, we call upon the Cabinet to; 1. Seek out local churches which would be willing to accept black ministers; 2. Confer with black ministers about their willingness to serve a predominantly white church; 3. That we extend our commitment to the principle of open itinerancy to include all persons in ministry regardless of age, sex, cultural background or race.

We also urge that there be black persons on the staff in the United Methodist Building.

Status of Women: Because now, more than ever, our nation needs the services, talents, and special abilities of both men and women, and because full equality under the law has yet to be attained, and because we believe that support for the principles behind the Equal Rights Amendment are clearly affirmed in Section III F. of the Social Principles of the United Methodist Church, Therefore, we recommend that the Work Area of Church and Society, go on record in support of the Equal Rights Amendment and a statement of the reasons for our support be printed in the Florida Methodist, and be sent to each local church through Comline, urging individuals and local churches to contact their state senators and representatives to make their opinions known before the April 1974 session of the Florida Legislature.

Employment of Lay Personnel in the Church: We recommend that the Florida Conference, and its local congregations, re-examine their employment practices regarding lay persons; a vast majority of whom are women. We support the efforts of the Committee on Lay Ministries to upgrade the standards and benefits of lay persons working in the church.

Lay and Clerical Personnel: In this time of rapidly rising living costs, we express our concern over inequities of salary structure, both lay and clerical.

Project Equality: In order to develop an instrument to insure fair employment practices on the part of Christian churches and to influence fair employment practices in secular situations, we await with interest the conclusions of the Task Force to Study the Feasibility of Project Equality, appointed by the Florida Council of Churches due June 1974.

Farm Workers: We recommend that the Florida Conference and its local congregations continue support of the Florida Christian Migrant Ministry in its ministry to and on behalf of farm workers seeking self-determination.

ANN TABB, *Chairperson*

DIVISION OF EMERGING SOCIAL ISSUES:

The 1972 General Conference of the United Methodist Church enacted Legislation creating the formation of a Division of Emerging Issues (P. 970.1) under the Board of Church and Society (P. 955). The responsibility of the Division shall be to conduct a program of research, education, and action centering around newly emerging social issues which need to be called to the attention of the Church.

Some of the Emerging Issues:

1. *The Energy Crisis:* We recommend that United Methodist Churches, in response to the crises and its conformity with standards of responsible Christian stewardship, evaluate the use of church plants and facilities, and wherein possible, alter the time of evening worship services and/or explore the possibility of ecumenically shared facilities with neighboring churches.
2. *Inflation:* With the cost of living index rising in such rapid proportions, those most acutely affected by this condition are single or multi-family units of low, fixed, or poverty incomes. We recommend that serious study be given to include and/or increase the benefits to this increasing segment of our society.
3. *Revenue Sharing:* That major priority be given to the allocation of funds which provide more effective human services in place of designating those monies for public "brick and mortar" projects.
4. *Other Concerns:* We encourage local churches to support the study of such issues as: Mass Transportation Systems; meeting need through comprehensive Day Care programs; the bio-chemical revolution, e.g. "death with dignity"; and through cooperation with and support of regional planning groups that deal with emerging issues, develop alternatives toward responsible Christian action.

REV. RICHARD PETRY, *Chairperson*

Task Group on Aging: Dr. Larry Webb submitted a very comprehensive report on the findings of this Task Group. This report will be submitted to the Conference Council on Ministries and to the Annual Conference.

All programs from the Work Area of Church and Society that require funding by the Conference, have been omitted from this report, because they are included in the section on Program Proposals.

PARISH DEVELOPMENT SUPPORT STATEMENT

Proposed By

Town and Country Task Force

of the

Work Area on Missions

"It is the express intent of the Florida Annual Conference to aid churches of all sizes as they struggle to be Christ's Church in their communities. It is the aim of this Conference to aid Town and Country churches in exploring ways of becoming more proficient in their mission and ministry, relating more effectively to community agencies, seeking to help persons, involving themselves in mission, developing an effective teaching ministry, and encouraging innovative ministries. To realize these goals, it is our policy to encourage congregations to investigate and discover the benefits of the cooperative approach both within the denomination and with churches of other denominations."

WORK AREA

HEALTH AND WELFARE MINISTRIES

The work area of Health and Welfare Ministries met three times since last conference to discuss the role of the church in its relationship to our institutions and to our members both old and young.

As a part of its program the members voted to meet at each of the Institutions so that they might have a clear cut first hand insight to the services rendered, institutional facilities and to talk with administrators and their assistants.

The first meeting of this type was held in Jacksonville at the Methodist Hospital and later at the Wesley Manor. Future meetings will be scheduled

at the other Institutions related to the Florida Annual Conference of The United Methodist Church.

By unanimous vote the work area scheduled a workshop in Lakeland for January, 1975, of the leadership of the work area also to have District workshops to acquaint the membership of the church of the work for our young and old.

Several recommendations are made for consideration of the Annual Conference:

(1) That forty-five (45) minutes be allocated at the next Annual Conference for a full explanation of our Institutions along with a pictorial display. (This item was referred to the Conference Program Committee).

(2) That consideration be given to the employment of a full time director to work with our Institutions for the purpose of relating to the Annual Conference and to consider cooperate buying for the Institutions.

(3) The Conference give approval for Biscayne Retirement Home to conduct a fund raising campaign for capital improvements mainly in the Miami District, but not restricted thereto. Before going into any other District to raise money, approval should be granted by the District Superintendent, the District Council on Ministries and the Cabinet. (4) That Mother's Day be designated as Golden Cross Sunday.

The pamphlet "Because We Care" is being reprinted with some additions. As soon as it is off the press, we shall make a full distribution.

It is the feeling of work area membership that we are your Ambassadors in the field of service to our membership and we want you to call upon us for anything we can do for we constantly repeat:

If I can help somebody
as I pass along.
If I can cheer somebody
with a word or a song.
If I can show somebody
he is traveling wrong.
Then my living will not have
been in vain.

May God in His Infinite wisdom continue to Bless each of you—

COMMITTEE ON RELIGION AND RACE

The report from this committee will be centered around the apparent conclusion reached by the "Merger Review and Evaluation" committee from the Commission on Religion and Race of the General Conference, during an official visit to Lakeland on January 8, 1974. The visiting committee's main objectives were to review the progress, make recommendations and offer resources in meeting future needs in accordance with the philosophy and responsibility of the commission on Religion and Race.

Eighteen persons representing a balanced cross section of the membership in the Florida Conference along with Bishop McDavid, met with the representatives of the Merger Review and Evaluation Committee in order to provide unbiased input and assist in responding to questions relative to the situation in question. Spear-heading the evaluation sessions were forward looking remarks, observations and/or comments from our Bishop, as to the state of merger in the Florida Conference. The Florida delegation at the meeting were all agreed that progress was being made and great improvements in the area of religion and race were obvious. However, the group also revealed an awareness of areas where progress has been slow and many improvements needed.

The opportunity for and actual participation by members of minority races and/or ethnic groups at the conference, district and local church levels reflect the sincere efforts exerted by the leadership at all levels of the Florida Conference to bring about full implementation of the plan of merger, both in spirit and agreement.

However, the conference is still concerned about the difficult problems of

recruiting and getting more black leadership; obtaining more black participation at all levels. The Committee also recognizes a strong need for and an appointment of more Hispanic representations on all levels of the conference.

This committee wishes to commend all concerned for the progress made thus far, and to offer encouragement to continue our mutual efforts to solve problems pertaining to religion and race.

As we look toward the future with great anticipation we have a common denominator. . . . This denominator is the Gospel of Jesus Christ, which is based on love for Christ and love for people. It is our desire and hope to be available to help deal with Religion and Race in all districts when and if needed.

RESOLUTION WORK AREA OF CHURCH AND SOCIETY

Resolution submitted by Division of Human Relations and Economic Affairs, Mrs. Durbin Tabb, Chairperson:

RESPONSIBLE USE OF POWER

WHEREAS power is necessary for the progress of man, but history teaches us that unrestrained power inevitably corrupts, that indiscriminate use of power by those in authority threatens the welfare and happiness of all, and that, unchecked, power will destroy freedom, and

Whereas a system of checks and balances has proven the most effective control of governmental power and is the basic design of the Constitution of the United States of America,

Therefore, Be It Resolved by the Florida Annual Conference of the United Methodist Church:

1. That we call upon the United States Supreme Court to exercise its Constitutional prerogative to review and clearly define the powers of the executive, judicial and legislative branches of government.

2. That we urge the Congress of the United States to establish legislation pertaining to elections and pertaining to the bureaucratic structure in order to reduce incentive for corruption and in order to control abuse of power.

3. That all three branches of government responsibly exercise their constitutional powers, and remove from office all persons who have indulged in criminal acts while in office.

4. That we encourage all citizens to exercise their moral and political responsibilities at every level of our political structure.

5. Be it further resolved that copies of this resolution be sent to all members of the Congress of the United States of America.

The Resolution was adopted, as amended, 5/31/74.

Florida Annual Conference of the
United Methodist Church
Lakeland, Florida

We have examined the balance sheet of the Central Treasury of the Florida Annual Conference of the United Methodist Church as of December 31, 1973, and the related statements of receipts, disbursements and fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly

included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We did not ascertain the values nor did we verify clear title to the other fixed assets stated on the balance sheet. These assets are explained in detail in Note 3 of the Notes to Financial Statements.

In our opinion, subject to the preceding paragraph, the accompanying balance sheet and statements of receipts, disbursements and fund balances present fairly the financial position of the Central Treasury as of December 31, 1973, and the recorded receipts and disbursements for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Board of Pensions
 Florida Annual Conference of the
 United Methodist Church
 Lakeland, Florida

We have examined the balance sheet of the Board of Pensions of the Florida Annual Conference of the United Methodist Church as of December 31, 1973, and the related statement of receipts, disbursements and fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The General Board of Pensions of the United Methodist Church collects and disburses monies for the Superannuate Endowment Fund, Stabilization Fund, Initial Reserve Fund, Conference Endowment Fund, and Conference Claimants Distribution Fund. We did not independently verify the receipts and disbursements of these funds. The balances of these funds were confirmed directly to us by the General Board of Pensions of the United Methodist Church.

In our opinion subject to the preceding paragraph, the accompanying balance sheet and statement of receipts, disbursements and fund balances present fairly the financial position of the Board of Pensions of the Florida Annual Conference of the United Methodist Church and the recorded receipts and disbursements for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

BOARD OF PENSIONS

Once again we express appreciation to the people of the Florida Conference for their support of our efforts to meet in full all obligations to the pensioners of our conference at the established annuity rate.

By the end of 1973 fourteen congregations had failed to pay in full their share of the Ministerial Support that was required for pensions. At the time of this report the number has been reduced to nine. Our sub-committee on Delinquent Payments is following thru with local churches, pastors and District Superintendents involved, to discover reasons for the difficulty and to help such situations to achieve the desired objective. We are aware of paragraph 1260.6 of the 1972 *Discipline*, and we urge every pastor and local congregation to read it. We do not want to see a lien placed on any person's pension, and we will make every effort to prevent it. However, we do want to encourage the fulfillment of responsibilities to each other. Our brotherhood and our community in Christ cause us to care for each other and the cost involved.

Under the splendid leadership of our Years of Service Committee careful attention is being given to every request for additional years of service or correction to the records. We must say that the *Discipline* is quite clear in what we can and cannot do, and we have the benefit of professional counsel from the General Board of Pensions. Our goal is to see that every person is heard and receives justice, but we are not expected to go beyond the bounds detailed for us by the Church and its legislative body—and this includes the standing rules of our own conference.

A new committee has been established on Retired Relationship, and our Board will attempt to assure a continuing personal relationship between the Conference and our retired ministers and widows. It will function in harmony with the Board of Ministry and its Committee on Conference Relations. We want to do more than secure for our conference claimants a pension check. We want to encourage them, to recognize them, and to see that they are included in the life and ministry of the Church at all levels.

Not enough can be said by way of praise for the Associate Director of our Conference Council on Ministries who has portfolio for the Division on Ministry and serves in a special way the Board of Pensions. Dr. Raymond Alley has provided all that we had anticipated thru the structural change of our conference and the addition of another effective person to its Council Staff. We needed this help, and we are grateful for it.

Most of all we rejoice in the almost unanimous approval you gave our recommendation for full-transition into the Ministers Reserve Pension Fund (M.R.P.F.). This was long overdue. We realize the greater cost to our Conference during these early years of the thirty year period when we are funding past service, but we know it will save us money over-all. We urge your continued support to this important matter.

Ministers are encouraged to take advantage of the personal contributions program of the M.R.P.F. Through regular and manageable monthly, quarterly or annual contributions—usually equivalent to 3 percent of the average salary of the Conference—the minister may set aside resources during his active ministry. More than 3% can be paid for any year, but the total accumulation cannot exceed three times the average salary of our Conference. Within one year of retirement the resultant accumulation would be available as a "lump-sum" payment or for additional annuity. Incidentally the Board of Pensions is paying 7% interest at this time. The shock of mov-

ing at retirement from a furnished parsonage catches most ministers unprepared. We urge this self-disciplined opportunity to meet that inevitable responsibility for securing one's own housing. Brochures explaining this program, also the new program of Tax-Deferred Annuity Contributions to the General Board of Pensions, are available thru Dr. Alley's office in Lakeland or from the Chairman of this Board.

I. Question 11

1. That the amount required to meet the needs of M.R.P.F., health insurance supplements and administration be approved as requested in the budget report of the Council on Finance & Administration.

2. That the annuity rate for fiscal 1975 be fixed at \$94.00 per service year for all accredited service rendered by retired ministers and lay pastors of the Conference; 75% of that amount for widows and 25% for each dependent child. The goal of this Board is to help our Conference reach and maintain the Disciplinary recommendation that the annuity rate be no less than 1% of the average salary of the Conference. This would mean \$102.00 for 1975. You can see how much we need to do to catch up.

3. That the following resolution be approved for "Housing Allowance for Retired Ministers:"

Whereas, Since 1908 *The Discipline* of The United Methodist Church has recognized and stated its responsibility to its ministers, effective and retired, for their comfortable support—and to meet this obligation a Conference claimants Fund was established by annual assessments on the local churches; and

Whereas, The United States Government has recognized in its income tax regulations monies designated as "allowance for the rental value of a parsonage or home" for a minister as exempt from taxation; and

Whereas, The United States Government has recognized also in its income tax regulations monies paid by a minister for the utilities of such a "parsonage or home" for a minister to be exempt from taxation;

Therefore Be It Resolved, that Florida Annual Conference of The United Methodist Church, in session duly called, May 29, 1974, Bishop Joel D. McDavid, Presiding, that fifteen hundred dollars (\$1,500.00) of the total annuity paid to each retired minister shall constitute a rental allowance paid as a part of the retired minister's compensation for past services;

And Be It Further Resolved, that an additional allowance of five hundred dollars (\$500.00) shall constitute a utility allowance for the minister's said "parsonage or home."

This is in accord with paragraph 860, code section 107, regulation paragraph 1:107, IRS

II. Question 15

1. That annuity claimants working under a general board, institution, or agency of the church who have been approved for annuity credit, shall pay, or the respective board, institution, or agency shall pay, \$1,224.00 for the appointment year beginning June 1, 1974.

2. That the following institutions or organizations be approved for annuity responsibility: Florida Southern College, Bethune-Cookman College, Florida Methodist Children's Home, conference evangelists, Crystal Beach Community Church, Biscayne Manor, Jacksonville Urban Ministries, Miami Coordinator of Urban Ministries, Tallahassee Parish Development, Tampa United Methodist Centers, Fort Lauderdale Specialized Ministries, Florida Spanish Ministry, Goodwill Industries at Orlando, General Board of Missions, General Board of Education, Florida Christian Migrant Ministry, West Palm Beach District Board of Church Extension, Alaska Missionary Conference, St. Petersburg Urban Ministries, Episceners of Orlando.

**REPORT OF THE
TRUSTEES OF THE PREACHERS' RELIEF FUND**

May, 1974

Seven clergy and six laypersons comprise the trustees responsible for three-fourths million dollars worth of property and securities scattered across Florida in which are housed some of our retired ministers and their wives, or widows, and in some instances, children of deceased ministers. This property has come as the result of loyal people in our churches who have entered into an agreement that upon their death, their property would go to the Preachers' Relief Fund. Others, in loving memory of a beloved pastor, have remembered us in their will. It is difficult for some who have never had a home of their own through the years of their itinerancy to marshal enough funds to purchase a house in their declining years. With the rapid spiral of costs, this may become increasingly a problem. Thus far, we have been able to provide some type of housing for all who have needed or requested it. It may not always be in a location most desired, nor always equal to the quality of our usual parsonage. There are a few exceptions whereby very lovely homes have come to us and the occupants are able to share largely in the improvement or care of the house. When the surrounding neighborhood is zoned commercial, or becomes undesirable, we sell the property and use the funds to upgrade our other homes, or to buy in a new location. All men retiring this Spring were written to regarding housing. Two ministers have requested housing, and have been assigned.

During the year we received two duplexes, and a dwelling from the estate of the late Virginia Ruth Hunter, valued at nearly \$50,000. Another home in Williston is coming to us now.

I have appointed a committee to re-assess our policy and purpose, and to give direction for the future. If you are within a decade of retirement, you might want to express your thoughts about your preference location for new sites in the state, whether you think grouped housing for efficiency of management or scattered about the state is best, or that you are making your own plans for your own home. This information would be welcomed by the chairman of the committee, Dr. Jesse Waller, or myself.

Our property manager, Dr. Raymond Alley, has visited and inspected most of the property this year and taken care of many details of protecting these homes from termites, weathering, deteriorating roofs; making repairs, and seeing that painting was done. Occupants share in the expense of remodeling, taxes and furnishings as they are able, according to our flexible policy.

Dr. Alley, serving not only us, but the entire Board of the Ministry, including the Pension Board, has given our people a loving ministry of care, and has performed an efficient stewardship job for the Preachers' Relief Fund. We commend him and trust that he can continue his very excellent work with us.

R. E. ACKENHUSEN, *Chairman*

GROUP INSURANCE COMMITTEE

(A Committee of the Board of Pensions)

The Group Insurance Committee has been attempting to give conscientious attention to the health and life insurance programs of the Florida Conference. The members of the committee have faithfully attended meetings and have constructively contributed to the deliberations. It has been a significant help to the committee to have Dr. Raymond A. Alley handling a large amount of the routine administrative responsibilities in an efficient, co-operative manner as a part of his responsibility since being appointed to the Conference Council Staff coordinating matters for the Division of the Ministry.

It is with pleasure that we can report that our business relationships with the insurance carriers, Time Insurance Company and Ministers Life and Casualty Union, have been very satisfactory. Both carriers have endeavored to be cooperative and have given prompt and fair service, and on occasion have gone beyond what might have been expected.

Mr. Robert A. Cumming has done an outstanding job as Agent of Record of the conference for the group health insurance plan with Time Insurance Company for eight years. Mr. Cumming was appointed this year as Agent of Record of the conference for the group life insurance plan with Ministers

Life and Casualty Union. The committee feels this will be a good arrangement and will be convenient for the members enrolled in these insurance plans to be able to contact Mr. Cumming for matters relating to enrollments and claims for both of the conference insurance programs. We appreciate the genuine concern Mr. Cumming has for the ministers of our conference.

New members entering the conference, who are under age 65, are eligible to enroll in the health and life insurance programs during the first 90 days in the conference, without the need to furnish evidence of their insurability. Probationary members attending a seminary have six months to enroll from the date they enter the conference. Upon completion of seminary probationary members, who have not enrolled in the conference group insurance programs, have 90 days to enroll from the date of their appointment to a pastorate without the need to furnish evidence of their insurability.

All members of the conference, under age 65, can make application at any time to be enrolled. Applicants, other than those mentioned in the preceding paragraph, will be required to furnish a statement of health history and possibly a physical exam for the insurance carrier to determine eligibility or ineligibility. No one age 65 or older is eligible to enroll in either plan.

1. Group Health Insurance Program:

A major medical health insurance program for the ministers of the Florida Conference has been in effect for the past eight years through a policy with Time Insurance Company, Milwaukee.

The conference now pays 25% of the premium paid by all members enrolled in this plan. This 25% participation by the conference was recommended to the 1972 annual conference as an initial step with the understanding that the conference participation would be increased in the future. Next year a recommendation will be made to the conference that the conference increase its participation in the health insurance premium to 50% beginning in 1976.

Hospital benefits have been extended to include dental problems which require hospitalization. This new benefit will cover the hospital portion of the bill, but will not cover the dental surgeon or orthodontist portion of the bill. This coverage became effective November 1, 1973 and was added at no increase in premium.

Included in the recommendations at the end of this report is an important one for the health insurance plan. If approved, this recommendation would increase the maximum per cause benefit to \$30,000 and would triple the present maternity benefits. These increased benefits would give us the coverage needed to be in line with current health care costs.

2. Group Life Insurance Program:

A supplemental life insurance program for the ministers of the Florida Conference has been in effect for the past four years through a policy with Ministers Life and Casualty Union, Minneapolis.

During the past several months there have been several members enrolled in the group life insurance plan who have not received a quarterly premium billing from Ministers Life. We have been in touch with Ministers Life several times about this problem and it seems that it was caused by internal billing difficulties that are to be resolved with the July 1, 1974 billing. Also, we should receive the list of those who are delinquent in paying their premiums from Ministers Life sooner than we have in the past, which will enable us to remind those who are delinquent before their policy lapses. Mr. R. A. Cumming will give able assistance with these matters as the Agent of Record.

Premiums are \$10.00 a quarter for each member enrolled, with the balance of the premium being paid from the Group Insurance Committee reserve fund, on deposit with the Florida Methodist Foundation, Inc.—this fund is money that accumulated under the former group life insurance program of the conference.

Report of Reserve Account with Florida Methodist Foundation, Inc. as of December 31, 1973:

| | |
|---------------------------------------|-------------|
| Amount on Investment 12/31/72 | \$62,274.33 |
| Amount invested during 1973 | 6,850.10 |
| sub-total | \$69,124.43 |
| Withdrawals during 1973 | 9,003.37 |
| (for premium participation) | |
| sub-total | \$60,121.06 |
| Earnings credited for 12 months | 3,993.91 |
| Balance, 12/31/73 | \$64,114.97 |

3. *Special Word to New Ministers:*

All ministers entering the conference are urged to give serious consideration to enrolling in the group health and life insurance programs of the conference. Both of these plans offer extremely good coverage at a comparably low cost. Don't let this opportunity pass by and regret it later. Mr. Robert A. Cumming will be available at a table in the Fine Arts Center to help you with enrollment applications and he will answer any questions you may want to ask about these insurance plans.

4. *Filing Claims and Enrollment Information:*

To file claims or get enrollment applications, please contact: Mr. R. A. Cumming, P. O. Box 5687, Jacksonville, Florida 32207; phone (904) 398-4459.

5. *Recommendations:*

a. The Group Insurance Committee recommends the Florida Conference continue the group health insurance program with Time Insurance Company, Milwaukee, with these changes to become effective August, 1, 1974

- (1) Increase the total per cause benefit from \$15,000 to \$30,000
- (2) Increase the maternity benefits as follows:

| <i>Type of Claim</i> | <i>Current Benefit</i> | <i>Recommended Benefit</i> |
|-------------------------|------------------------|----------------------------|
| Normal delivery | \$200 | \$ 600 |
| Abortion | \$100 | \$ 300 |
| Caesarean section | \$400 | \$1,200 |

The total quarterly premium increase for this combined package change in benefits is \$5.80 per quarter on each family plan in the active group. Broken down, for each family plan the additional conference share each quarter would be \$1.45 and the member's share would be \$4.35. This would result in a projected increase in the conference budget in the amount of \$3,000 for 1975—this has been included in the budget submitted by the Board of Pensions.

b. The Group Insurance Committee recommends the Florida Conference continue the group life insurance program with Ministers Life and Casualty Union, Minneapolis.

Note: Premium rates for the next policy year for both plans were not available by the deadline for this report. Any proposed rate change will be presented to the Annual Conference as a part of the report of the Group Insurance Committee. We are now completing the third year with no rate increase in the health insurance plan and health care costs have risen sharply during this time as reflected in our claim experience; therefore, a rate increase is a possibility.

THE FLORIDA UNITED METHODIST CHILDREN'S HOME, INC.

Report of the Board of Trustees

During the conference year 39,915 days of care were given boys and girls. There were 283 applications for service, and from this number 85 new children were admitted into some branch of our care. Many we could not serve were guided into appropriate and available services elsewhere. The new children admitted were from 16 counties.

Our conference churches supported us well. We received from church and church school offerings, memorials, stamps and coupons and miscellaneous gifts some \$509,350.00. All this was applied to our operating budget of \$659,048.00, except the \$8,111.00 in stamps and coupons was used for furnishing rooms in our new cottage.

Seven Districts reached or exceeded our goal of \$1.50 per member. Our goal for giving is \$2.00 per member for 1974 and \$2.50 per member for 1975.

Some highlights of the year included studies by The Division of Health and Welfare Ministries, and by The Child Welfare League of America leading toward Certification.

Operating, at last is Seagrave House, our cooperative Group Home in Orlando. The Florida United Methodist Children's Home is operating a group home for emotionally disturbed children in cooperation with the Orange County Mental Health Association and the Presbyterian Women of First Presbyterian Church of Orlando.

Another real highlight was our celebration of 65 years of Service, the Dedication of Fox-Wright Cottage, the Dedication of the Wood Memorial Cross, and Groundbreaking for the Laura P. Taylor Memorial Gymnasium. Bishop Joel D. McDavid and many other conference officials and leaders led several hundred people in the great day on March 3, 1974.

During research for our 65th Anniversary it was discovered that 170 persons have served as Trustees, 12 persons have served as agents or Directors of Development, and 12 as Superintendents.

It is anticipated that during 1974 and 1975 we will continue our present program of group care, foster care, family services, home supervision and regional offices. It is anticipated that the cost of operation in 1974 will be \$783,856.00, and in 1975 \$823,049.00 using a 5% increase as a guideline. Our modest goal for individual giving would easily cover such a budget in each year.

We request of the conference continuation of our present plan of giving whereby the church school offerings, and the undesignated (loose) offering from morning worship be remitted to the Home each fifth Sunday and Christmas Sunday.

We respectfully request of our Bishop and District Superintendents the reappointment of Rev. Bascom W. Carlton as Superintendent and Rev. Henry G. Galloway as Director of Development.

We request of the annual conference the addition of the following paragraph to the Charter to be the first paragraph of Article XI, Distribution of Assets on Dissolution:

"In the event of the dissolution, winding up or other liquidation of this corporation, then, pursuant to procedures provided by the laws of the State of Florida and the approval of the members of the Florida Annual Conference of the United Methodist Church upon recommendation of the conference board of health and welfare ministries after consultation with the Division of Health & Welfare Ministries, Board of Global Ministries of The United Methodist Church, the assets of this corporation remaining after the payment of obligations shall have been made or adequately provided for, and which shall not be held upon a condition requiring return, transfer or conveyance by reason of dissolution, winding up or other liquidation of the corporation, shall be transferred or conveyed to the Florida Annual Conference of The United Methodist Church for use in its health and welfare ministries, insofar as the law allows."

REPORT NO. 2

1. We recommend that the Ministers' Reserve Pension Fund be apportioned to each Church separate from other apportionments, using a percentage formula based on the total of the pastors' salary and travel.

Churches are reminded that payments for pension benefits by Disciplinary requirement (Par. 1260.6) shall be exactly proportional to the amount paid on ministerial salary.

REPORT NO. 3

We recommend that the formula for determining the salaries of the District Superintendents as outlined in the 1973 Journal, Page 265, be amended for 1975, to use the 1974 salary figures, plus 6% increase over resulting salary amount. We further recommend for 1975, in addition to the formula, that \$1,000 expense fund and Pre-Conference Cabinet meetings expenses be paid. District Superintendent salaries for 1974, calculated by the formula, are \$17,314, and for 1975 will be \$18,353.

REPORT NO. 4

To facilitate the work, we recommend that the following additions be made to the Conference Standing Rules:

Rule VI.B. The Conference Council on Finance and Administration shall have authority to make adjustments within the administrative budgets, with the consent of the agencies involved. Upon recommendation of the Executive Committee of the Conference Council on Ministries, it may also make adjustments within the program budget.

C. All agencies receiving funds through the Conference Council on Finance and Administration shall present an Annual Report and/or audit to the Chairperson of the Council on Finance and Administration within 60 days of the close of the Conference Fiscal Year, including a statement of all monies held in reserve accounts. Unless there is compliance with this rule, the Council cannot consider requests for funds for the following year. (This paragraph replaces VIc).

IX.F. In the interim of Annual Conference sessions, in the event of a major disaster or emergency, the Trustees of the Annual Conference may be authorized to borrow up to \$200,000 and execute necessary notes and mortgages within that limitation by a four-fifths (4/5) vote of each of the following Cabinet, the Trustees, and the Conference Council on Finance and Administration. In such a situation, with the approval of the groups as described above, the Conference Council on Finance and Administration, with the consent of the causes and agencies involved, may reallocate items within the Conference budget to help meet such disaster.

REPORT NO. 5

We share the concern of the Conference Council on Ministries concerning the increasing cost of transportation, and note the work of their Task Force recommendations in this area. Feeling that any policy adopted should not be for agencies of one group, but for all Conference agencies, we recommend the following travel allowances:

1. The mileage allowance for Conference meetings for one person traveling by car shall be \$.07, for two persons \$.09, and three or more persons \$.11, plus tolls for bridge or turnpike.

2. Travel to Conference meetings by other than automobile will be reimbursed at the above highway mileage rate.

3. The per diem shall be an amount equal to the cost of using Conference facilities in Lakeland at the prices then current. (At the time of this session of the Annual Conference such cost is \$3.00 per night for room, and \$4.50 per day for meals.

4. In order to qualify for per diem and travel expenses members of agencies must be present for the entire meeting unless excused for emergency reasons by the Chairperson.

5. Persons who are authorized to represent the Conference in an official capacity may be reimbursed actual expenses, prior approval for such representation having been submitted to the Conference Treasurer by the group electing or selecting such person, with designation of fund from which payment is to be made. In keeping with the spirit of good stewardship, expenses should be reasonable.

6. The above policies will take effect at the close of the 1974 session of the Annual Conference.

REPORT NO. 6

We recommend that the Christian Education Sunday offering be designated for the work of the twelve District Councils and that the District Councils administer the funds received from the office within their districts.

REPORT NO. 7

We recommend that the Junaluska Assembly ground be an Advance Special. The goal for this fund for each Church is an amount equal to 25¢ per member per year for the quadrennium.

REPORT NO. 8

The Conference Council on Finance and Administration has considered the recommendation of the Work Area on Ecumenical Affairs, referred to us earlier in the Conference session. We do not concur in the request for a Special Day offering for the Florida Council of Churches.

ST. PETERSBURG METHODIST HOME, INC.

d/b/a SUNNY SHORES VILLAS

St. Petersburg, Florida

On April 1, 1974, Sunny Shores Villas celebrated its 20th birthday, and I want to thank you for giving me the opportunity to make this report.

We began our operation 20 years ago with a genuine desire to serve the aging of our area and society as a whole. Thus far, we have served 563 people. Of this number we have 286 now in residence; 55 of them are patients in our Health Center. The Health Center is staffed by an Administrator and 45 nurses (R.N.'s, L.P.N.'s and nurse's aids). The Home has a total of 115 employees. We now have 67 beds in the Health Center and expect to expand this to 100 beds during this year.

Three years ago we found that many of our applicants were reluctant to come into some of our smaller three-room villas. At this time, the Board of Directors asked our accounting firm to conduct a feasibility study. After carefully studying their report, it was decided that we would begin a renovation program. To accomplish this project, we begin by taking out three small buildings, housing 9 residents, and in this area and adjoining area to these three buildings, we erected a two-story building—known as the Robert L. Allen Building—housing 48 residents. By this process, we have to

date razed twelve three-room villas and in their place have erected three two-story buildings with a total capacity of 116 residents. In August of this year, we expect to raze twelve additional buildings and construct a four-story building to house 96 residents. Approximately January 1, 1976, we expect to begin a three-story building to house 72 residents. This will complete our renovation program and give us a total capacity for 425 residents.

The total value of the St. Petersburg Methodist Home when completed will be approximately \$7,000,000; we will have an indebtedness of approximately \$2,000,000. We believe we can pay off this indebtedness in ten years, unless some of you might know of someone who would like to give us \$1,000,000, permitting us to clear up the indebtedness in five years!

We ask for your prayers!

J. H. (NED) UNDERWOOD, *Superintendent*

BISCAYNE METHODIST HOME, INC.

3227 Biscayne Blvd., Miami

Once a year we need to outline the various aspects of the stewardship of the Home and to sum up our growth, our failures and our guardianship.

Certainly 1973 was a year fraught with tension in and outside our Home. Financially, inflation saw ever increasing costs, without a corresponding increase in income, deplete the margin between income and expense. This means that our cash position decreased, even though our net worth increased as we continued to retire our debts. In order to better monitor our cash flow and economic position, and due to the retirement of our beloved Sam Ready our part-time accountant, we for the first time acquired a full-time accountant, Malcolm Hood; already his presence is a very real asset to the Home. Much guidance has been provided by our Board of Directors Finance Committee under the Chairmanship, of Rudolph McKinley.

Our Financial Statement prepared by Sharff, Wittmer and Kurtz, P.A. Certified Public Accountants, shows that our new worth increased by \$8,171.00 to \$333,847.00 with a reduction of principle indebtedness of \$14,320 on a volume of \$453,718 expenses and \$449,039 income or an excess of expenses over revenue of \$4,679 in 1973 as compared with \$5,716 for 1972.

As approved in 1972 by District and Annual Conference, in our plans for our new 14-story, first phase combination-of-care building under government loan FHA #236 Program with 1% interest-40 year 100% mortgage, we were completely stymied. The funding dried up and we faced-up to: no new physical plant under this method.

Through our Board of Directors under our capable Chairman, Dr. James Hutson, in various committees in cooperation with the Administrator and staff, investigation revealed the high cost of new construction loans without any floor of raised funds. Thus the Board saw the need for a Development Department in order that the goal of being open-to-all and of not becoming a Home for only rich persons could still be adhered to. The controlling economic factor for any new facility remains: "What is the debt load per unit per month?" If it is under \$50 per unit per month, any new facility can be a haven not just for the rich and middle class, but for the low income older adults as well. With these guidelines in mind, the raising of a substantial part of funds by any combination which is successful is vital. The Board is looking into the non-taxable bonds route, together with gift giving by individuals as one viable approach to our new construction, which is still down the road a year, two years or more.

Realizing the delay in building a new facility, or any substantial part of it, we saw the necessity for expanding our present facility as the only possible method of holding down increases in our rates. So, accordingly,

we are in the midst of expanding from 100 to 150 persons (the break-even point) in residents through exercising our options on the last two buildings in the block and doing such capital improvement work as to make them safe and attractive to the more independent older adults. We can accomplish this through refinancing to obtain the funds for the capital improvements and to improve our cash position. One such option to purchase was exercised in November of 1973. This approach allows our Development Fund Raising for the most part to go for the new facilities planned for the future. The Rev. George A. Hill, Jr. has organized our Development Department working closely with our Board of Directors Development Committee under the Chairmanship of Dr. Don Cooke, and you have now in your hands our first new brochure in seven years. The Board has also created a vehicle for receiving gifts—Biscayne Retirement Home Foundation—not a separate corporation, which individual and organization gifts it receives will only be used for capital construction new and old or for specified benevolences.

In 1973 we have improved and strengthened each department that serves our residents (1) our *Health Department* under Mrs. Dale Holtsclaw, R.N. has continued to serve our residents well not only guarding the physical health by proper health maintenance techniques, but also by giving attention to the overall well-being stance of each person in our care, seeing to their physiological and mental stimulation as well. (2) Our *Maintenance Department* under Trion Dengelegi has of necessity expanded and now can handle almost any emergency the Home can experience; repairing of air conditioners, electrical and plumbing problems. No outside contractors have been used for the last 8 months. (3) To control our food costs we have been forced to take over the management of the *Food Department* and now have a capable new manager, Mrs. Amy Russ, daughter of a Methodist minister who served in the Texas Annual Conference 30 years. We are geared to feed up to 170 persons 3 times a day with two sittings per meal. (4) Our *Housekeeping Department* under our new Executive Housekeeper, Mrs. Anna Wells (who incidentally is also an LPN) has acquired some better cleaning equipment and, in order to economize, we anticipate, late in 1974, having our own laundry rather than leasing our linens from a large laundry, as at present. (5) Our *Auxiliary* in 1973 under the vigorous and able direction of its president, Betty Richardson, a member of the Board of Directors, has expanded its services to the Home, taking over the management of our gift shop, increasing its representation across the churches in the District and planning increasingly meaningful activities for our residents and Auxiliary members alike. (6) Our Administrative staff, we believe, is now well prepared to meet the rapid changes of our expanding facilities. The Reverend Peggy Hill, Assistant Administrator, has the Housekeeping and Food Services under her wing, coordinating programs, entertainment, etc. and is responsible for keeping our various buildings full of residents, a task of major proportions itself.

This year, on a voluntary basis, we are still looking for a recreation director who will head up the planning and executing of meaningful functions for our residents including arts and crafts, small group activities in and outside the Home, jobs for residents and entertainment.

Aside from the "Bricks and Mortar" of providing, the entire staff continues to render TLC (tender, loving care) as your ambassadors of love in this mission to serve our older adults in the spirit of Jesus Christ. The staff, surely, shall continue efforts to more meaningfully provide for each person with each person having a real part to play, shall live under our care with: (1) proper physical-medical care including personal respect and safety, (2) a new sense of purpose through our activities and daily spiritual enrichment and (3) encourage the making of new friendships to replace love losses—in order that creative growth in each of these, our beloved residents, will accelerate and continue to take place; but the true measure of our faithful stewardship is found not only in what we say but in what we do that is so communicated to our residents that they too minister to each other in Christian ways.

As we look around us in the disturbing world we live in, there is a balance which we need to maintain between the soundness of our financial operation, the thrust for replacement and growth and our mission to persons. All need to be coordinated with one another so that we may live fully, vibrantly, responsibly and reverently. All need to be made more constructive and meaningful in the new lights of understanding which God gives us in the tomorrows of next week, next month and next year. We court your prayers, your interest and concern and your help.

Thank you.

**REPORT OF THE CONFERENCE COMMISSION
ON ARCHIVES AND HISTORY
OF THE
FLORIDA ANNUAL CONFERENCE
OF THE UNITED METHODIST CHURCH**

Friday, May 31, 1974

We are grateful to our Father God for the Spirit of the churches as they keep faith with the courage and devotion of those who blazed the paths of service before them.

We commend those churches and their leaders who are working steadily and sacrificially to leave a heritage for those who are young and inspired by the church and for those in the generations yet unborn.

We express our gratitude to our Bishop, the honored Reverend Joel D. McDavid, who is inspiring the churches to write and revere their histories.

We are continuing to receive histories of the local churches into the Archives and we commend today those who are receiving certificates of recognition at this annual conference. We would call your attention to an article in the May 10 edition of the Florida United Methodist newspaper written by the Curator, Mrs. Otye Bly, outlining the materials needed to be included in writing church histories.

The Commission has met this year (1) for reorganization and planning, and (2) to summarize the year's work prior to this conference.

We owe a deep debt of gratitude to Mrs. Otye Bly for her mission of unselfish service in organizing and developing the Archives Library, located in the Roux Library on the Florida Southern College campus. We are commending Mrs. Eleanor Moore for the marvelous job of classifying and cataloging the archival materials. Our thanks are further extended to Miss Oween Sumner, who supports, fully, the efforts of the placement of Archives in the library and is personally concerned with the promotion of this great and significant work. These persons, under the untiring leadership of Mrs. Bly, make the Archives and History a place of significance. The members of the conference must recognize its accessibility to all who wish to see the

church in greater perspective, or to study, or do research in the historical collection as great leaders of Methodism.

We want to recognize those who attended the Epworth-by-the-Sea Conference at St. Simons Island, Georgia, July 10-12—a visit to Frederica and Savannah, to touch the man and times of Georgia, 1736-1742. They were Reverend William Brooks, Reverend John Briley, Reverend Don Richardson, Mrs. James Farr and Mrs. Robert Nailling.

Our Commission pledges its support to the Annual Conference Bi-Centennial which is planning the Bi-Centennial observance of our nation in 1976.

The Commission is still promoting SADDLEBAGS TO SATELLITES, we are presenting copies of the wonderful history to all the ministers who are transferring into the Conference this year. We urge the churches to put on a special effort to see that young people receive copies of this book for we are certain that it will add to their understanding and appreciation of this, their church heritage.

Our plan for the coming year is to devote much effort and time toward building the histories of churches connected with the former Evangelical United Brethren churches and of the Black Methodist churches. We recognize the multicultural components of our Florida Methodism and we are interested in learning about and preserving the historical data of these wonderful people.

COMMITTEE ON RESOLUTIONS

WHEREAS, our hearts have been warmed and our minds inspired by the glowing spirit of our United Methodist Witness in Florida through the Program of the 132nd session of our Florida Annual Conference which has been so carefully and thoughtfully prepared by Dr. Millard C. Cleveland, Chairperson, and the members of the Program Committee, reflecting the rich traditions and fellowship of our United Methodist heritage; and

Whereas, we have been brought to a sense of understanding and reconciliation as we witnessed the meaningful presentations of our Church in Mission, depicting our outreach to the poor, and our mission to persons of all ages, and by the reports of our Boards, Commissions, and Committees; and

Whereas, the total experience of our Conference has been enriched by our guest speakers, choirs, and other persons too numerous to mention; and

Whereas, Florida Southern College has extended through its president, Dr. Charles T. Thrift, the hospitality of the campus, and the fulfillment of our needs far beyond the call of duty; and

Whereas, Bishop Joel D. McDavid has guided us with a sense of profound

understanding, deep sensitivity, and a spirit of humility in the building of God's Kingdom;

Be It Therefore Resolved, that both ministerial and lay delegates to this the 132nd session of this Conference go on record as extending our sincere gratitude to all who have made this session a success, and that we give thanks to Almighty God for his guidance during the past year and for the assurance of this same blessing in the days to come.

WILLIAM M. FERGUSON

EPHRAIM DAVIS CONWAY

The Rev. Ephraim Davis Conway was born in Clay County, Florida near Palatka, May 11, 1897. On the evening of August 20, 1973, at about a quarter to 6 he slipped on into his final appointment as a Methodist Minister of 40 years. Davis is survived by his wife Agnes, one son John T. and his two grandchildren Margo and Jay of Merritt Island, Claude L. and Charles Conway, two brothers, and his sisters Bessie Marx and Jessie Ohlenger, and Selva Higginbotham.

After his high school at Rollins Academy, Davis left Clay County for the West. He entered the University of Oregon and completed his BS in 1928. He then migrated to San Francisco and for a while worked with the Pacific Gas and Electric Company. Through the guidance and inspiration of Mrs. Lizzie M. Glide, he became the first young man to be licensed to preach from the Glide Memorial Methodist Church, in San Francisco. He entered Perkins School of Theology in 1930 and completed his seminary work there in 1933 joining the North Texas Conference in 1933. He served two years in North Texas and came to Florida accepting an appointment at Grand Avenue, Fort Myers. There he and Agnes were married in May of 1936. Truly called of God they both went on to serve 16 churches in Florida including a 3 year hitch in the United States Army Chaplaincy during World War II. He was last seen visiting the sick and shut-ins at Murray Hill United Methodist Church where he was the faithful and beloved Minister of Visitation. He served communion to the shut-ins the day before he died and several said "he stayed a little longer that day and talked about the future."

Davis Conway was a good minister and a faithful servant of our Lord and Saviour Jesus Christ. He was compassionate and a true friend to everyone. He was a true shepherd of his flock.

Funeral services were held in the Sanctuary of Murray Hill United Methodist Church on August 23, 1973 and he was laid to rest in the Oak Hill Cemetery in Palatka next to his father.

Servant of God well done!
Thy glorious warfare past
The battle fought, the race is won,
And thou art crowned at last.

ROBERT M. JENKINS

WALTER JAMES CHURCHWELL

Walter James Churchwell spent his boyhood in South Georgia and with his brothers became a merchant. But the call of God mastered him and he left a successful career in the business field to become a Methodist Minister. He served churches in South Georgia for ten years before transferring to Florida in 1923. With great enthusiasm he lifted the claims of Christ before children, youth and mature men and women, and loved many into deep commitments to Christ.

Many saw in "Papa Churchwell," as he was affectionately called, a genuine embodiment of the spirit of Christ. At least five young men credited him as being the deciding factor, and influence, leading them into the ministry. Others, committed to service in church related vocations, continued to benefit from the establishment of a Churchwell Student Assistance Fund, inaugurated by Rev. Churchwell on his 80th birthday and since has helped 34 young men and women with their education. Over \$23,750.00 has been loaned and given to prospective ministers and church related vocations. The Fund is administered by the Murray Hill United Methodist Church with many churches and denominations represented on the Board.

"You can't outgive the Lord," he believed and preached. He led many people to tithe and rejoiced in the happiness it brought to people, and the work of the Lord, which the money made possible. For two years he was appointed to Florida Southern College to raise funds for its program.

Rev. Churchwell loved missions and supported the missionary cause with great ardor and effectiveness. The Churchwell Medical Clinic in Myari, Cuba, largely financed by he and his brothers, was a response to Walter's vision of ministry to hungry and sick boys and girls. The Churchwell boys were also deeply interested and dedicated to the Agricultural School of Preston, where they helped to build a beautiful new sanctuary and many other buildings, a girl's dorm, and several land purchase projects. Money for mission projects flowed generously from people everywhere who caught the zeal with which Walter presented the missionary effort of the Church. From his heart there flowed a genuine concern for the unfortunate of the world, he loved people everywhere and Methodists and people of every faith gave generously when he put out a need.

He founded the Avondale, Wesconnett, Oak Crest and Riverview Methodist Churches, all in the Jacksonville area. He led many congregations in constructing new sanctuaries and educational buildings. Usually they were paid for before they were completed.

A symbol of his personal concern for People's spiritual life were the scores of Upper Rooms mailed out personally as a gentle reminder of his conviction that prayer and a close walk with God are essential to a happy Christian life.

Rev. Churchwell had one child, a daughter named, Freda, born of his first wife. Following her death, while serving the Dania Methodist Church, he met Mrs. Lillian Griffioen, and by a mandate of the Board Of Stewards, they were married in 1932. Walter and Lillian had no children of their marriage, but did open up their home to Ondina, a young Cuban teenager, who became their foster daughter.

He retired in 1956 from the Murray Hill Methodist Church, but went on to serve several smaller churches for another six years finally ending his active years as a Pastor in 1962. He and his wife Lillian have lived in the Murray Hill section since then until his death at the age of 89 October 12, 1973.

Walter J. Churchwell was a gifted, and an amazing man. With boundless energy, a merry twinkle in his eye—unless dimmed by a tear of compassion—and charm that appealed to young and old—he went about loving people into the Kingdom. Few men of his power cross our paths. Those of us fortunate enough to have known him were wonderfully enriched in faith and life. He is survived by his wife Lillian, her daughter Mrs. Silvia

Caruthers, a grandson, Major Joel Embry of the United States Army Chaplaincy, and several nieces and nephews.

Rev. Robert M. Jenkins, his pastor, presided at his funeral. Dr. McCoy Gibbs and Rev. Luther Laite delivered the funeral message and laudatory remarks to a church filled to overflowing with friends young and old, lay and ministerial.

JOHN M. FLETCHER

JAMES P. REEVES

James P. Reeves was born on October 29, 1903 to Reverend and Mrs. O. W. Reeves, Jr. in Concord, Georgia. He received his early training in the public schools of Meansville, Georgia and graduated from the School of Mortuary Science, Atlanta, Ga. in 1925.

He was licensed to preach in 1950 and admitted to the Florida Conference in 1951. Reverend Reeves served the following charges: Cocoa 1950-53 West Daytona Beach-Palatka 1953-57; Santos 1957-58; St. Augustine 1958-61; Perrine-Deerfield 1961-67. He was granted sabbatical leave in 1968.

Because of failing health, "J.P." retired in 1969 and moved to his home in Ft. Pierce where he maintained his residence until his death December 30, 1973. He was a faithful member of St. John's United Methodist Church, Ft. Pierce. Though retired, he was yet active, preaching whenever there was an opportunity.

For eighteen years, "J.P." was an active preacher with the gifts and graces to be truly acclaimed a workman called by God.

Funeral services were conducted by The Reverend H. W. White with the eulogy being delivered by The Reverend Ernest W. Newman. Reverend Reeves is survived by four sisters and six brothers.

ERNEST W. NEWMAN

LOYAL H. MCLENDON

My heavenly home is bright and fair;
No pain nor death can enter there;
Its glittering towers that sun outshine;
That heavenly mansion shall be mine.

To the happy union of Reverend and Mrs. L. G. McLendon, a son Loyal H. McLendon was born, February 4, 1895, in Ziegler, Georgia.

At an early age the family moved to Jacksonville, Florida. He attended Cookman Institute, Claflin College Pastor's School, Orangeburg, South Carolina.

As a youth he accepted Christ and united with the Methodist Church. As a young man he united with Simpson Methodist Church. Here he was found in active service proclaiming his love for Christ and the church. He served as Sunday School Superintendent, Class Leader, and was active in the Epworth League.

June 22, 1916, he was united in Holy Matrimony to Miss Hattie Kelly. This was indeed a very happy union shared for more than fifty-seven years.

For more than thirty years he was an employee of the Seaboard Coast Line Railway, and was affiliated with the Local 218, Brotherhood of Railway men.

His pastoral ministry extended over a period of thirty years. He was received on trial in the Florida Conference in 1939, and into the full membership of the conference in 1941. His faithful and effective ministry was given at the following appointments: Alexander Memorial, Cosmo, Asbury, Mt. Moriah, St. Joseph, Jacksonville, Trinity-Fernandina-Franklin-town, Mt. Moriah-Pleasant Grove, Starke, Florida. He served for many years as conference statistician. He was retired in 1963 from the effective ministry and held in the love and esteem of his fellow brethren and friends of the conference. Following his retirement, he gave full witness to his

Christian faith as he continued his ministry in the fellowship of Simpson Church. Here he was most faithful and cooperative in his attendance, spiritual and financial support.

This faithful and beloved servant heard the call of his Master, and transferred to join the endless procession of saints who rest from their labor, Saturday, January 12, 1974.

Funeral Services were conducted Friday, January 18, 1974, in Simpson Memorial United Methodist Church, Jacksonville, Florida with Reverend S. S. Robinson, Jr. and Reverend McCoy Gibbs officiating. The Eulogy was delivered by Reverend S. S. Robinson, Jr. He was laid to rest in Memorial Cemetery, Jacksonville, Florida.

He is survived by a loving and most devoted wife, Mrs. Hattie K. McLendon; son, Loyal H. McLendon, Jr.; daughter, Mrs. Joyce Ann McLendon, three sisters, Mrs. Flonnie Arnold, Mrs. Alexzenia Rouse and Mrs. Frankie Brown; two brothers, Mr. Willie McLendon and Mr. Bronson McLendon, other relatives and many sorrowing friends.

Let others seek a home below,
Which flames devour, or waives o'erflow,
Be mine the happier lot to own
A heavenly mansion near the throne.

I'm going home, I'm going home,
I'm going home to die no more;
To die no more, to die no more,
I'm going home to die no more.

S. S. ROBINSON, JR.

GEORGE EDWIN SUMMERS

Brother George Edwin Summers was born in Columbia County near Lake City, Florida, on May 14, 1888. His church was the Pleasant Grove Methodist Church where he surrendered his life to Christ very early in life. His father's home was the home of the preachers as they came to fill their appointments at this church. Brother George came from a large family (eleven children), and my thought of him is that he lived an exemplary life among his brothers and sisters, was kind and thoughtful to his family, obedient to his parents, and had the confidence of all the friends and neighbors of the church and community. When I was told that as a teenager he was elected Sunday School Superintendent, I had some idea of what the Church thought of him and I know that even then he performed his task with his Christ leading him in everything he did for the church and Sunday School.

In 1910, having received a definite call to the ministry, George went to Sutherland College which was located at Sutherland, Florida. He soon met a fine young woman who was in her senior year, Miss Grace Grable. They fell in love and on August 26, 1914, were married in the Seminole Methodist Church by the pastor, Rev. A. M. Daiger, and it was my privilege to stand with George as his best man. This couple had three lovely daughters, Mary Frances Hanley (Jacksonville), Charlotte Aguera (Key West), Annie Laurie Proctor (Atlanta), and two fine sons, George, Jr. (Gainesville) and William Emory (Chinle, Arizona).

In 1945 Brother George was appointed to Wesley Memorial Methodist Church in Jacksonville. During his ministry there his wife, Grace, passed away. In 1949 he was appointed to Appalachicola, Florida. In his congregation at Wesley in Jacksonville, there was a very attractive and religious young woman who was loved by everyone in the church, Miss Mell Harris. On November 20, 1949, she and Brother George were married by her pastor, Brother Tom Ferguson, and it was my privilege to assist in the performance of their marriage ceremony. Miss Mell went with him to Appalachicola, then to Punta Gorda, and finally to Epworth Methodist Church in Jacksonville from which George retired in 1956. They moved to their home near

Wesley Memorial Church in Jacksonville where they both worked in the church and made Christ the center of their home. Miss Mell was a faithful and devoted companion to him until the end of life.

Brother George Summers and I first met when I entered Sutherland College in 1911, and I have counted him as being one of my best friends. He and I retired the same year. I loved him tenderly. He was a man who made many friends along life's pathway. I have never heard a word from his mouth that could be said unwisely. I never heard him utter one word that would hurt anyone. He loved God with all mind, strength and heart, and his neighbor as himself. His example in the church was above reproach, and he was loved by all who knew him. I never heard him say one critical word about anyone or anything—he lived his religion every day. I have preached in his pulpits, I have eaten at his table, and visited him and his family, and I always left his presence feeling that we needed more preachers like Brother George. His advice to young men was "to stand tall and live right and never do anything that you are ashamed of." He lived that kind of life even on a fishing trip with his friends as well as behind the pulpit.

For the past eight years, Brother George had been declining in health. For some months he had been unable to get about without help, but he never complained, and his devoted wife stood by to render any help she could and everything was done in the spirit of love. Then, on January 29, 1974, he went home to Heaven from Methodist Hospital in Jacksonville. The funeral was held January 31st in the Wesley Memorial United Methodist Church, conducted by Rev. M. McCoy Gibbs, District Superintendent, assisted by the pastor, Rev. Damon S. Scott, and Rev. J. Paul Touchton. His body was laid to rest in the Riverside Memorial Park Cemetery. He had fought a good fight, finished his course, had kept the faith, and was ready for his departure. He leaves loved ones and friends all over the state, and some day we shall meet him on the other side.

The following poem, written by John Hanger, which was read by Rev. Gibbs at the close of the funeral service, says what we believe George, himself, would say to all of us:

I sincerely wish, with all my heart,
That no one will grieve when I depart
From this house of clay, worn with time's demands,
To wonderful house not made with hands;
That their care for me will be such devotion,
That they'll rejoice with me over my promotion.

When I am happier than flesh could be,
Why shouldn't my friends rejoice with me?
When someone tells you that I am dead,
Please don't believe it; but instead,
To this truth your credence give,
That I have just commenced to live.

SHELBY A. WILSON

JAMES EDWARD STATHAM

James Edward Statham was born August 12, 1897 in Monroe County, Georgia. He was married to Priscilla Haley on May 12, 1918 in Atlanta, Georgia.

He was received into the Florida Conference in November of 1920, and retired June 1963. Funeral services were held February 6, 1974 at Boca Raton, Florida. Services were conducted by Joseph W. Howell.

Ed Statham served faithfully and loyally in the Florida Conference for 53 years. In every appointment that he served it was a source of togetherness with his wife. In the words of Gibran, "You were born together and together you shall be forever more. You shall be together when the white wings of death scatter your days. Yea, you shall be together even in the silent memory of God. Let there be spaces in your togetherness, and let

the winds of the heavens dance between you". Both of them were very committed to our heavenly Father and His church.

They cared about every member of the church. They cared about the old people within the congregation. They wanted to show them that they were needed, and also that they were human beings. He cared about the sick and gave special attention to them; he cared about the young. He baptized, he married, he kept in touch with those people who were children in his congregations, and watched them become young men and women for the future. Ed loved to spend many hours in preparation for his Sunday morning messages. He knew how important it was to touch the lives of the people through his preaching. His theme was The Living Christ. The Christ that is with us at this very moment. He made this real through his own particular life, with his love to his wife and to his congregation.

In his spare time he loved to use his talents in growing things. He enjoyed his plants because they reminded him of the beautiful people he had served in his ministry. Sometimes he would call them by name. He would remember a name in his congregation that was a beautiful Christian, and when a lovely rose would open its face to the sunlight he would call it by name.

Someone put it this way: "He had walked through the hearts of so many people, he left so much of his own, that when he passed away he had none left." We are grateful to God that Ed Statham passed our way. Certainly he has touched many lives, and his influence is upon the face of this earth. We are grateful to Priscilla and Ed for their wonderful example in standing together in love, and patience with each other; as two people who were deeply in love.

JOSEPH W. HOWELL

WILLIAM LANIER HUGGINS

William Lanier Huggins died February 12, 1974, on his way to the Bulloch County Hospital in Statesboro, Georgia, at the age of 92.

Funeral services were conducted in the First United Methodist Church of Statesboro where he and Mrs. Huggins had worshipped since retirement. Interment was in Statesboro's East Side Cemetery. The pastor, Rev. Thomas H. Johnson, was assisted in the services by Dr. G. Ross Freeman and Rev. Bert Joyner.

Brother Huggins was born November 4, 1881, in Marion, South Carolina. He eloped with Gertrude Lanier of Pembroke, Georgia, October 15, 1906. His bride of 67 years survived him.

He was not a priest but a prophet with an enormous burden to declare the word of the Lord. His call to the ministry resulted in evangelistic activities. These eventually brought him to the Florida Conference. Here he served faithfully and many walk the way of righteousness because of his influence. Included in his pastorates were churches at DeFuniak, Williston, and Fernandina. Two new churches were organized, one of them in Jacksonville, during his ministry.

Always a vigorous man, Brother Huggins was blessed with great physical strength and good health. He preached with a burning eye, a thundering voice, and scorn for evil. He waged relentless warfare against sin. But his condemnation was tempered with prayer for the redemption of the individual and a call to righteousness. Fearless and crusading, he walked straight into issues and challenged whatever authority he considered to be wrong.

His zeal was mixed with pastoral concern. He served as a Chaplain in the Spanish American War and in Europe during World War I. When he retired from the Florida Conference, he returned to Georgia as Chaplain of the State Prison in Reidsville. Here he provided a remarkable ministry to the inmates and employees for nine years. Increasing age and the burden of the work forced him to surrender that responsibility too.

He built a home in Statesboro so that he could look after his farms and rental property until failing health made it dangerous for him to drive.

Perhaps his most notable ministry in retirement was chaplain-at-large to the pastors, businessmen, and hospital in Statesboro.

He considered himself an evangelist first. Just months before his final illness, he was working to organize a revival in a furniture warehouse which he hoped would result in a new church.

When I learned of his death, my first thought was that a mighty warrior has fallen . . . a spiritual giant has gone from among us . . . and we are the poorer.

MRS. ELLESWORTH HARPER

Mrs. Ellesworth L. Harper was a native Floridian, having been born in Lake City on February 22, 1904. She was married to Reverend Frank H. Harper in 1947 at Jacksonville, Florida. They had one daughter Rose Ann; there are seven step-children, born to Mr. Harper from his deceased first wife. The earlier part of Mrs. Harper's Ministry was in the African Methodist Episcopal Church. She did her Theological study at the B. F. Lee Theological Seminary. She was admitted in the Conference in 1948 and served the Alexander Memorial Church for six years and the Cotton Chapel Church four years, both in Jacksonville. Mrs. Harper retired in 1969, and she lived in Jacksonville. Her membership was in the Simpson Memorial United Methodist Church.

On December 12, 1973 Mrs. Harper answered the Call to return to her maker. Funeral services were held in Simpson Memorial United Methodist Church on December 19, 1973 and were conducted by The Rev. S. S. Robinson, Jr., assisted by Dr. McCoy Gibbs Superintendent, and Rev. Cubell A. Johnson.

Mrs. Harper was a sincere dedicated servant of God who loved the work and was best known for her evangelistic fervor.

Servant of God, well done
Thy glorious war-fare's past;
The battle's fought, the race is won,
And thou art crowned at last.

MRS. DAVID T. BREWER

"The Lord is my shepherd, I shall not want." These beautiful, but familiar, words on so many occasions sustain us. Certainly they reflect the faith of Mary Ivor Brewer. Ivor's granite-like certainty in the Lord was a quiet but effective witness.

Born October 22, 1930, Mary Ivor Waits had roots of heritage and pride that were never severed and that could only really be appreciated by another Texan. She received her training as an educator and used that ability not only in the public school systems of Florida and Texas, but also as she worked with her husband in their ministry. This knowledge, along with her faith and love of humanity she instilled in the lives of her three fine children, David, Stephen and Valerie.

Ivor was a quiet but effective witness as she lovingly worked in their churches in Texas, Jacksonville, Palm Bay and West Palm Beach. She died quietly, but too young, on June 24, 1973, at the John F. Kennedy Hospital in Lake Worth, Florida. A gracious and sweet lady has gone to be with her Heavenly Father.

Life exists not where one lives but where one loves. Ivor's uniqueness will linger for a long, long time in the lives of those of us who lived in her love.

In the land of fadeless day
Stands a city four-square;
It shall never pass away
For there is no night there.

God shall wipe away all tears;
There's no death, no pain, no fears,
And they count not time by years,
For there is no night there.

BLANCHE EDITH LAITE

Blanche Edith Laite, who graced the parsonage with her love and concern for people, passed on to the Father's house on March 25, 1974.

Blanche was born on June 28, 1893 in Rumford, Maine.

As a young lady she was graduated from the Rumford School of Nursing as a Surgical Nurse. Her expertise was sought after by doctors in the area in which she resided.

After the death of his wife, William White Laite (direct descendant of Bishop William White, first Episcopal bishop in this country) married Blanche in Portland, Maine, on June 28, 1917. Reverend Laite had two sons and one daughter, the Reverend Luther Laite of Jacksonville and Mrs. Edythe Greenlaw of Portland, Maine, one son, deceased. Blanche was to have one son Melville Laite of Gainesville, who has tenderly and lovingly cared for his mother in her illness, Mrs. Isabelle Roberts in St. Petersburg, Florida, Mrs. Winifred Roberts, Tarpon Springs, Florida.

The Laites transferred into the Florida Conference from Maine in 1925. Their first church was Trinity in Tampa, Florida.

The Laites retired in 1956 and lived in Tallahassee and then were to come to Cross Creek, near Gainesville.

Blanche loved her home and family. As a minister's wife she gave freely of herself and often used her nursing skill to help members of the parish without remuneration, simply because she loved people. Blanche and William White Laite spent many happy summers in the mountains of North Carolina at Camp Mount Mitchell, just outside Burnsville. She was the beloved nurse of the camp.

Blanche Laite had the fine quality of seeing the good in life, even in her illness, she maintained a sweet disposition that was an inspiration. She was the kind of person that one would be proud to call mother. Brother

Laite, with his talent for poetry, wrote a poem dedicated to Blanche entitled, "The Kindly Years."

"The kindly years have flown swiftly by, God has been the guide
through all the days,
Through bright and shattered ways, his grace in life have kindly led . . .
My beloved, when lovingly our children with us meet,
Yea, in a thousand ways God has been great and good,
Blessed our household, by thy true motherhood,
No higher, lovelier, or rewarding plane
When years lead gently on again."

Blanche Edith Laite's Memorial

The services were conducted at Tarpon Springs by the Reverend Alfred B. Vaught and the Reverend Clark Thompson, son in law of Melville Laite.

ALFRED B. VAUGHT

CARSON THOMAS HOWES SR.

Carson Thomas Howes, Sr. died March 20 in Methodist Hospital, Jacksonville, after having spent much of the past few years in hospitals or nursing homes.

Carson Howes was born in Suwannee County, Florida on Dec. 22, 1899 to George and Laura Phillips Howes. He attended and later taught in the one-teacher, one room schools there. He also attended Florida Southern College at Sutherland (Palm Harbor) and was a member of "The Old Guard."

As a young student-pastor he rode a bicycle through the pinelands of the Cross City, Old Town, Trenton area, also in the Odessa, Curlew and Palm Harbor area to serve or re-establish Methodist congregations. He was a singer-evangelist for a short time before entering the Florida Conference in 1923.

He was married to the former Lydia Phillips at Nebraska Avenue Methodist Church, Tampa on March 25, 1924 and together they served 18 charges in the Florida Conference during the next 37 years.

His pastoral appointments were: Sulphur Springs (now Calvary, Tampa), Palm Harbor, Moore Haven, Coleman Seminole, Groveland, Kissimmee, Wesley Memorial, Jacksonville, Tarpon Springs, Wesley Memorial, Lakeland, First, Key West, Pahokee, Clermont, Perry, Springfield, Jacksonville, Hastings, Oak Grove, Tampa, Belmont Park, Clearwater.

After his retirement in 1961 they served the mission church at Hudson for 18 months before moving back to Tampa for a five year stay. There he served as minister of visitation for Seminole Heights Church until his health made this impossible.

In 1968 they moved to Clermont to be near a daughter and her family. Mrs. Howes died in October 1972 after an illness of 15 months, with Rev. Howes having spent much of that time with her in nursing homes. Their devotion was an inspiration to all. After the death of his wife, he stayed with a daughter in Jacksonville for a time before returning to a nursing home.

Carson Howes was not afraid of hard work, especially during the depression years when he sold peaches and pecans weekdays and then preached at two churches on Sundays, only to hit the road again on Monday so he could support his family. Though money was scarce he always marked "paid" on the church claims to the conference report.

During the war years Carson and Lydia Howes opened their homes and hearts to many service men and their families. About 25 of his "boys" from that period or from churches he had served have become ministers of the gospel.

As someone wrote his family, "Carson liked jokes, playing checkers, reading, traveling, and visiting with people, but most of all, he liked being a Methodist preacher and working for the church."

He is survived by four daughters, Mrs. Elizabeth Konsler, Clermont,

Mrs. Nell Johnson, Jacksonville, Mrs. Helen Swails, Yulee, and Mrs. Mary Ann Stokes, Milton; two sons, Chaplain (Major) C. T. Howes Jr., USAF, Taiwan, and Daniel P. Howes, Winter Park, and 13 grandchildren.

Retired Bishop E. J. Pendergrass, the Rev. Roy B. Ridley and the Rev. Oliver Taylor officiated at funeral services on March 25 in Jacksonville. Interment was at Restlawn Memorial Park, Jacksonville.

MRS. CHARLES E. KONSLER

MRS. CHARLES E. BRANTLY

Venia McElroy Brantly was born September 3, 1907. She spent the majority of her life in the Decatur, Georgia area where she was reared and educated. On December 24, 1927 she married Charles Brantly, a young minister preparing himself for the "high calling." She accompanied him to Westminster Maryland Theological Seminary where he received his ministerial education. While Charlie was in school, Mrs. Brantly served as secretary to the Dean and also broadened the horizons of her own mind by taking several courses in the arts and spiritual studies. Upon graduation from Westminster, the Brantlys returned to the North Georgia Conference, and as any good wife of the parsonage, she accepted her responsibilities along with Charlie in building God's Kingdom. She served as church secretary and taught Sunday School, and was a diligent worker with the youth in every church they served.

After twenty-five years of active service in the North Georgia and Florida Conferences of The Methodist Church, the Brantlys retired to their beloved Decatur, Georgia where they affiliated with the Ousley Methodist Church. Mrs. Brantly taught the Amity Sunday School Class for some ten years, and at the same time worked full time as a secretary for the Atlanta Dairies. She was later forced to retire because of poor health, and she and Brother Charlie remained faithful in their love and devotion to God's Church until the time of his death in 1971.

On September 26, 1973, after several years of poor health, Mrs. Brantly passed away from the cities of this earth to spend eternity in the presence of the God she loved so much, and her beloved Charlie. Her funeral was conducted by the Reverend George O. Greene, Sr., and E. G. Hutchings, Jr., her ministers at the Ousley Methodist Church, and her body was laid to rest along side that of her husband at Kelley's Chapel Cemetery in DeKalb County.

Mrs. Brantly loved people, and people loved her. She was a dedicated servant of the church; she was a good ministers wife, and she will always be remembered for her quiet, unobtrusive devotion, and her serene spirit. She and Brother Charlie leave behind not only one daughter, Mrs. David R. (Charline) Cooper, but a rich heritage to those of us who here remain that inspires us to hold high the banner of Christ with more vigor and more determination because of these dedicated people.

GEORGE O. GREENE, SR.

ELIZABETH ANNE DOHERTY

Elizabeth Anne Doherty passed away February 23, 1974 at her home in Stuart. She was the widow of Rev. Edward Doherty who preceded her in death in 1949 while pastor of Christ United Methodist Church, Miami. At that time she was just completing construction of a new sanctuary there.

Mrs. Doherty was born February 27, 1894 in Glengarriff, County Cork in southern Ireland, on a large farm. She was one of the nine children of Thomas Skuce and Catherine Gosnell Skuce. The family attended the Episcopal Church but her mother had a Wesleyan Methodist minister come to their home to conduct monthly services and it was at one of these that she dedicated her life. She wanted to go to India as a missionary, but her father was opposed, believing her to be too frail. Her interest in foreign

missions, particularly in India, continued. She was a cousin of Pearl Gosnell Bisbee, who with her husband Rev. Royal Bisbee, served 40 years in India. At the time of her death, she was supporting Dr. Vela Cleveland in Kolar, India. The United Methodist Women of Stuart will continue this Advance Special for one year in memory of Anne Doherty.

Leaving home at the age of 16, she did private nursing to earn money to go to Ikly College in England to train as a Deaconess. She did Red Cross nursing during World War I and throughout her life had an avocation for care of the sick, was always referred to affectionately by her grandchildren as "the nurse" in any time of pain or illness. Her first assignment was in Northern Ireland, where she became known as "Sister Lily." She worked under Dr. William Northridge. Forty years later she again met Dr. Northridge in Stuart when he was a guest lecturer at the Laymen's Retreat at Leesburg.

In Portadown, Ireland, Sister Lily met and married a young minister, Edward Doherty and they came to America on their honeymoon in 1920. Their first charge was in Bayfield, Wisconsin. In this state their two children were born and they moved to Kansas in 1929, Florida in 1940. Throughout their years together, Mrs. Doherty worked by her husband's side in every facet of his work. They studied together at Hamline University, St. Paul, Minn. and she became a licensed lay pastor. In every charge, she sang in the choir, taught in a church school class and in each vacation bible school—and conducted services in his illness or absence.

Widowed at 54, she moved to Stuart with her daughter and two grandchildren. The latter called her "mother" always, as because of her devotion they never came home to an empty house while their mom supported the household financially.

The church in Stuart also received the dedicated services of this great little Christian lady for 24 years and surely no one in its history caused greater spiritual impact. She loved music and an invitation into the choir provided the first lift to her lonely heart. In 1952 she was asked to teach a Church School class of young matrons and there began 20 years of two-way devotion in which she literally lived the lives—and sometimes deaths, of these women and their families, as their special bullwork of spiritual strength. Without meaning sacrilege, many claimed her as their "direct line" to a higher power and thus have expressed their bereavement.

In the Woman's Society, she was Spiritual Life Chairman for many years. Her prayers and devotions reached through the church. But it was a piety mixed with Irish wit and plain common sense. She had the ability to see all sides to a situation and would wait until all the facts were in.

Loyalty and support of each minister sent to Stuart was her first goal. All of them will attest to this. She was discouraged and ashamed of their short pastorates in Stuart and said her prayers had been answered, that Allan Stuart had broken the Stuart "jinx" when he stayed nine years. Part of her affinity with Allan was his accomplishment in building a needed new sanctuary—reminding of her loss of a 58-year old husband doing the same job. Few members know she contributed the striking chancel cross overhanging the altar in the new sanctuary. When urged to memorialize it to someone she said "No, that cross is dedicated to the glory of God!"

She prized continuing friendships with the clergy and wives and the highlight of her year was attendance at Annual Conference. Nothing would interfere with this trip—once she went with a sprained ankle. Last year her granddaughter, Barbara Anne Sapp and her great-granddaughter, Sheila Anne (both namesakes) personally transported her to Lakeland and inspected her quarters. This will be a treasured memory.

It was at this session she purchased a Bible for Jeff Teter of Stuart who was beginning studies for full time Christian Service, the ministry she hoped. She was local Christian Vocations Chairman for many years and followed closely any that went out of the Stuart Church. She had two nephews who were ministers in Ireland.

Anne Doherty believed in evangelism and supported Billy Graham since

hearing him in Miami in 1949. Deeply concerned about the trouble in her native Ireland she wrote to Dr. Graham asking him to go to Belfast to help and was, it seemed, expecting a personal reply from Dr. Graham.

She was an old-fashioned Christian, believed in sin and the necessity of repentance. Almost Puritan by some standards—yet she possessed a great combination of tolerance and understanding, of love and compassion for everyone in every situation.

Cancer struck her without warning in October 1973 but she was confident of full recovery (within God's will). She was proud to have a Methodist surgeon. She participated in a full Christmas with her family and although weakening attended church services through the month of January. She was bedridden only a few days and members of her family were able to care for her without outside help. This was a great comfort to them and a blessing to be able to repay a small part of their debt to her.

She is survived by one son Edward and his daughters Linda and Janet, all of Hutchinson, Kansas; her daughter Mrs. Rosaleen Murray, Stuart; grandchildren Mrs. William Sapp and Floyd Murray both of Ft. Pierce and the three who were the "apples of her eye" great-grandchildren Brian Murray and Sheila Anne and Steven Sapp. Also surviving are two sisters, Mrs. Alice Switzer, Victoria, B.C., Mrs. Martha Harmon, Bantry, Ireland (a former Nazarene minister), two brothers Rev. Joseph Skuce, Tonawanda, N.Y. and Richard Skuce, Naniamo, B.C.

Interment was in Woodlawn Park Cemetery, Miami, February 26 with Rev. C. Harold Rasmussen and Rev. Allan R. Stuart officiating. Memorial Services were conducted at First United Methodist Church, Stuart, February 28 with Dr. H. Jackson Downey, pastor, in charge. This hymn was used, considered typical of Elizabeth Anne Doherty.

Take my life and let it be, consecrated Lord to Thee.

Take my moments and my days; Let them flow in ceaseless praise.

Take my voice and let me sing, Always, only for my King.

Take my lips and let them be filled with messages for Thee.

Take my silver and my gold, Not a mite would I withhold.

Take my intellect and use every power as thou shalt choose,

Take my will, and make it thine; It shall be no longer mine.

Take my heart it is thine own; It shall be thy royal throne.

Take my love; my Lord, I pour at thy feet its treasure store.

Take myself, and I will be—ever, only, all for thee.

ROSALEEN DOHERTY MURRAY

MRS. EMMA WARNER

The late Mrs. Emma Warner was born in Alachua, Florida. She was the daughter of the late Rev. and Mrs. J. J. Debose.

Early in life she was converted and joined the Paradise United Methodist Church, where she served faithfully until her health failed. She was united in holy wedlock to the late Rev. Warner of the Florida Conference of the Methodist Church.

Mrs. Warner passed on April 24, 1974. Funeral services were held at the Paradise United Methodist Church, Alachua, Florida on Saturday, April 27, 1974 with William M. Ferguson giving the Eulogy.

She leaves to mourn her passing one brother, Mr. Jerry Debose, Tampa, Florida, two sisters: Mrs. Lucy Bowles, Tampa, Florida, and Mrs. Flora Cox, Kendrix, Florida.

There are many things in life
That we cannot understand
But we must trust God's Judgement
And be Guided by his hand
And all who have God's Blessing
Can rest safely in his care,
For he promises "Safe Passage"
On the wings of Faith and Prayer.

PART IX

STANDING RULES OF THE FLORIDA ANNUAL CONFERENCE

I. ORGANIZATION OF THE CONFERENCE

- A. The following rules of procedure shall be observed to expedite the business of the Conference:
1. All reports and resolutions shall be typed for submission to the Annual Conference, and shall be submitted to the Secretary in duplicate. All matters requiring action of the Annual Conference should reach delegates 30 days prior to the opening day of Annual Conference.
 2. No report, resolution, or recommendation shall be acted upon until it has been before the Conference 24 hours, and a copy has been furnished the Conference Secretary, except a resolution extending a vote of thanks. Publication in the Conference Report Book shall be deemed to have fulfilled this requirement.
 3. Any resolution not coming from an established organization of the Conference, shall be referred to the Committee on reference before discussion on the floor of the Conference.
 4. Any report or resolution presented by a regular organization of the Conference, in accordance with the provisions above, shall be properly before the body of the Conference, when it is presented without a motion or a second.
 5. Every resolution requiring implementation shall carry the cost to the Conference, and shall include in the resolution the name of the implementing organization or persons. All resolutions for communication shall designate the person or persons responsible for the communication. (See also Section VII, Article "E")
 6. A member of the Conference who wishes to be recognized by the Chair for a question, point of order, or discussion of a motion, shall address the Chair and wait for recognition. When recognized by the Chair, the member will give name, whether lay or clerical member; and if a lay member, will give the name of local church represented.
 7. Debate and discussion of motions will be limited to three minutes per speech, and the speeches will alternate between those for and those against.
 8. A member of the Conference will be permitted to speak only one time in behalf of, or in opposition to, any motion before the Conference with the following exception: if no one wishes to speak opposite to the preceding speech, a member who has spoken on the motion may speak one more time. It is understood that this rule shall not be construed to debar the maker of the motion from concluding the debate.
 9. A motion to call for the previous question may be made at any time, if no one desires to speak. However, as long as there are those desiring to speak, a motion for the call of the previous question may not be made until there have been two speeches for and two speeches against the pending motion.
- B. The Conference Secretary shall be elected quadrennially at the first session of the Annual Conference following the General Conference, assuming office on September 1, and shall be eligible to serve no more than two consecutive quadrennia. In event of a vacancy, the Cabinet shall have authority to appoint a successor, subject to confirmation by the next session of the Annual Conference.

1. Secretarial Assistants shall be nominated by the Secretary and elected by the Conference, annually, as needed.
 2. The Secretary shall edit and publish the Conference Journal.
 3. The Secretary shall be the custodian of the books and archives of the Conference and shall annually report where they are kept; and shall cooperate with the Committee on Archives and History in the discharge of this responsibility, and shall be an ex officio member of that Committee.
 4. The Secretary shall be an ex officio member of the Board of Pensions, and of the Service Years Committee of that Board.
 5. A Committee on Journal shall be elected at the beginning of each annual session upon nomination of the Secretary, and shall consist of three members of the conference session. Such committee shall examine the daily minutes, make any needed corrections, and report back to the next meeting, and the adoption of their report shall be the approval of the minutes.
- C. The Conference Statistician shall be elected quadrennially at the first session of the Annual Conference following the General Conference, assuming office on September 1, and shall be eligible to serve no more than two consecutive quadrennia. In event of a vacancy, the Cabinet shall have authority to appoint a successor, subject to confirmation by the next session of the Annual Conference.
1. The Statistician shall collect the statistics of the Conference, and shall edit the Statistical Tables in the annual Journal.
 2. The Statistician shall employ necessary help—any expense to be paid from the Secretary's apportioned funds.
 3. The Cabinet shall determine the date each year after which the Statistician shall accept no reports.
 4. Fractions shall not be used in making statistical reports.
 5. The Statistician shall see that every report made by a church agrees with the record of the Conference Treasurer.
- D. The number of Lay Members of the Annual Conference shall equal at least the number of Ministerial Members. To achieve this goal, the active consecrated Lay Workers, the District Lay Leaders and District Presidents of United Methodist Women shall be members, in addition to the Lay Members from Pastoral Charges, the Conference Lay Leader, the Conference President of United Methodist Women, the President of the Conference Department of Youth Ministries, and the two youth representatives from each district. The Conference Secretary shall compute annually the number of additional Lay Members needed to equal the Ministerial Members, and shall distribute the number to be elected by each district on the basis of the percentage of Pastoral Charges in that district. The District Conference shall determine the manner of election. Lay Pastors may be seated in the Annual Conference with voice but without vote.
- E. The Conference Committee on Nominations shall be composed of the Bishop, who shall be Chairperson, the District Superintendents, the Conference Council Director, the Conference Secretary, the Conference Lay Leader, the Conference President of United Methodist Women, the Chairperson of the Conference Department of Youth Ministries, one lay member elected Annually by each District Conference. In such a situation, with the approval of the groups as described above, the Conference Council on Finance and Administration, with the consent of the causes and agencies involved, may reallocate items within the Conference budget to help meet such disaster.

 - (2) The Conference Board of Pensions shall review annually the status of each special appointee and a record of the amount remitted for annuity responsibility during each year shall be submitted to the Secretary of the Annual Conference for pub-

lication in the Conference Journal and such information shall be forwarded to the General Board of Pensions.

Nor shall this article prevent the Cabinet in clearly unusual cases granting a year of annuity credit under the proper disciplinary question.
