100% of contributions are used exclusively for hospital projects, programs, or areas of greatest need to better serve the changing healthcare needs of our community. Frederick Health Hospital is a 501(c)(3) not-for-profit organization and all gifts are tax deductible as allowed by law.

Message from the President

Dear Friends,

For over 119 years, members of our community have relied on the staff at Frederick Health to provide care and comfort during their time of need. This has never been more evident than in the past year, as the people of Frederick trusted us to lead the way through the COVID-19 crisis. Driven by our mission to positively impact the well-being of every individual in our community, we have done just that, and I could not be more proud of our healthcare team.

Over the past year, all of us at Frederick Health have been challenged in ways we never have been before, but we continue to serve the sick and injured as we always have—24 hours a day, 7 days a week, every day of the year. Even beyond our normal scope of caring for patients, our teams also have undertaken other major responsibilities, including large scale COVID-19 testing and vaccination distribution.

As we continue to navigate the COVID-19 crisis, we also look to the future. Our experience with the pandemic has underscored the responsibility Frederick Health bears in caring for our community during times of urgent and critical need. This is the reason for the \$45.8 million critical care renovation and expansion project underway on our 7th Street campus. I am grateful for those who have generously contributed nearly \$6 million toward this project by supporting the ReEnvisioning Critical Care campaign. I am happy to share that we are well on our way to reaching our fundraising goal of \$14.75 million. I invite you to read more about the project on the following pages.

While we cannot predict what challenges may lie ahead, we do know that with your support, Frederick Health will stand ready to meet the ever-changing healthcare needs of our community—today, tomorrow, and for generations to come. Thank you for your support of Frederick Health and the community we are privileged to serve.

BEST REGARDS,

Thomas A. Kleinhanzl

Thomas A. Kleinhanzl, President & CEO
Frederick Health

Board of Directors

Our Board of Directors oversees Frederick Health Hospital's financial health and stability and plays a key role in planning new healthcare initiatives.

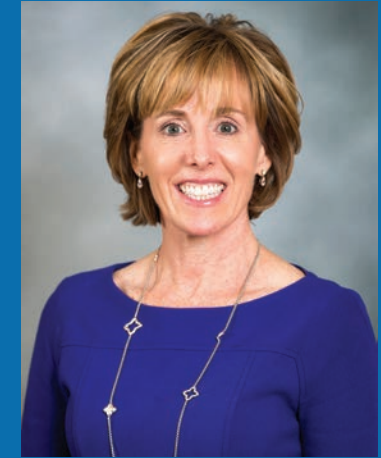

Each director is an accomplished civic leader whose community service and business acumen are instrumental in ensuring that Frederick Health is positioned to meet the needs of a growing, changing community.

"Frederick Health has been on the front lines

of the COVID-19 pandemic for more than a year, providing care to patients and battling the public health crisis from various angles. I am continually impressed by the resilience, professionalism, and dedication of our healthcare workers. Without these individuals and without a proactive, agile, and capable healthcare system, the impact of COVID-19 on our community may have been far worse.

As we begin to look beyond the pandemic, rest assured that Frederick Health remains strong and poised to meet whatever challenges the future holds. The current capital project, focused on emergency and critical care services, is an example of how Frederick Health is continually evaluating and identifying the most pressing healthcare needs of our community and taking steps to ensure those needs are met.

Providing superb healthcare to the residents of Frederick County in their time of need has always been at the heart of Frederick Health. That will never change."

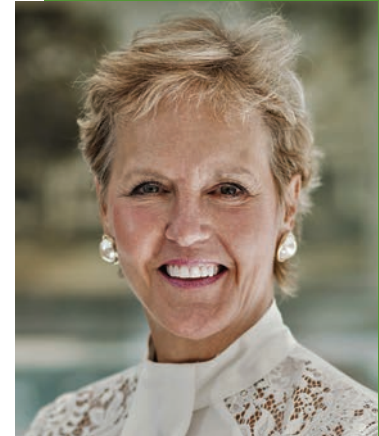

HONORABLE DR. STEPHEN JOHNSON, CHAIR

Frederick Health Board of Directors

Meet the Development Council

The Development Council is a group of community leaders who are the driving force behind Frederick Health's fundraising efforts.

Since the Council's formation more than 30 years ago, dedicated volunteers have helped advance the tradition of philanthropy that has been the cornerstone of the hospital's ability to meet the community's evolving healthcare needs.

KARLYS KLINE, CHAIR
Frederick Health
Development Council

*"Through
their efforts*

to advocate, educate, and encourage charitable support, members of the Development Council are focused on raising \$14.75 million to help fund the important ReEnvisioning Critical Care project. Each individual's engagement reflects their passion for our community, and collectively, they are a key factor in the hospital's ability to continually grow and change to meet the healthcare needs of the people who live and work in Frederick County."

ReEnvisioning Critical Care

Providing critical care when and where it matters most.

Construction is well underway on the ReEnvisioning Critical Care project on the hospital's 7th Street campus. Development Council members are committed to raising \$14.75 million in charitable funds for this \$45.8 million project to renovate and expand Frederick Health Hospital's Emergency Department, Intensive Care Unit, and Interventional Cardiology Services. Thanks to the support of our loyal donors and generous community, nearly \$6 million has already been raised to support this important and timely project.

"As our community continues to grow, so does the need for critical care services. Frederick Health has the 7th busiest Emergency Department in the state, our 18-bed ICU is often at capacity, and Cardiac Services is the hospital's fastest-growing service line. This capital project allows us to expand our critical care services to ensure that we are meeting the expectations of our patients in terms of level of expertise, quality of care, and positive patient and family experience," stated Cheryl Cioffi, Senior Vice President & Chief Operating Officer, Frederick Health.

If you have already donated to the ReEnvisioning Critical Care campaign, we thank you. If you haven't, we invite you to join our efforts to...

Deliver top-quality, well-integrated emergency care to adults and children in a patient-centered, family friendly environment.

Provide life-saving intensive care that is clinically excellent in a comfortable, private environment for every patient, even in periods of highest demand.

Care for an ever-increasing number of patients who require cardiac services, including catheterization and electrophysiological procedures, in an expanded space with room to grow.

The ReEnvisioning Critical Care campaign is about far more than meeting a fundraising goal. It's about sharing a vision for how Frederick Health can deliver healthcare to our community. Healthcare that is always available. Easily accessible. Family-centered. And is comfortable and as private as possible.

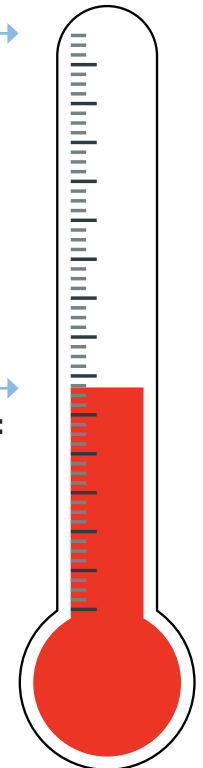

The ReEnvisioning Critical Care project will help ensure that when you or a loved one experience a medical emergency, the critical care services you need will be available, right here at home—now and for years to come.

OUR GOAL:

\$14.75 million

DONATIONS RECEIVED:

\$5.8 million+

Hunt & Joan Hendrickson are long-time supporters of Frederick Health as members of both the Order of the Good Samaritan and the 1902 Club.

In addition, their leadership support has been instrumental in both the Time is Now campaign to build the James M Stockman Cancer Institute, and most recently, the ReEnvisioning Critical Care campaign. Hunt also serves on the Signature Gifts Committee of the Frederick Health Development Council.

CAMPAIGN LEADERSHIP GIFTS

Special thanks to the following individuals, businesses and foundations that have made a gift of \$25,000 or more payable over a period of up to five years to benefit the ReEnvisioning Critical Care campaign.

“We’ve been proud supporters of Frederick Health for over 30 years. As donors, we take great pride in knowing that our support directly impacts the community in which we live. As lifelong Frederick residents, we’ve watched the community grow and evolve over the years, but the hospital has always stayed true to its mission while adapting to meet the ever-changing needs of the patients they serve.

We’re delighted to support the ReEnvisioning Critical Care campaign and to help Frederick Health realize its goal of expanding and renovating the critical care service areas. It’s rewarding to know that our support will help ensure that the hospital can continue providing quality, compassionate care that is convenient and close to home.

We consider our pledge to the campaign to be much more than a charitable contribution—it’s a meaningful investment in the health and well-being of our loved ones and neighbors.

This is an investment we’re honored to make.”

A Tradition of Generosity

There's nothing more worthy than passing down to your children a sense of stewardship, generosity, and benevolence. The Ramsburg family knows this best.

Charitable giving in the Ramsburg family dates back generations, starting with JR Ramsburg and his wife, Norma. JR was born and raised in Frederick, so when the couple wed in 1960, the two decided it was the best possible place to plant their roots.

“Frederick has always been home and always will be,” said JR. “Even my grandparents were born here in the late 1800s.”

JR's mother was a kind and compassionate nurse, something he always admired and respected. His father was a public servant for much of his life, first serving in the Maryland State Legislature and then serving as Mayor of Frederick from 1958–1962. The importance of his parents' work is something JR has carried with him throughout his life. It was because of his upbringing that he knew the value of serving the community in which you live. He became involved with the hospital early on and he and Norma have been members of the hospital's cornerstone giving club, the Order of the Good Samaritan, since 1990.

THREE GENERATIONS OF GIVING

Justin Ramsburg, J.R. & Norma Ramsburg, and Ray & Holly Ramsburg
(Not pictured: Katherine Ramsburg)

A Gift Worth Passing Down

GOOD SAMARITAN OF THE YEAR AWARD WINNERS — TEN YEARS APART

J.R. Ramsburg, Jr. in 2009 and J. Ray Ramsburg, III in 2019

JR's son, Ray, and his wife, Holly, have continued the tradition of generosity. Ray has been committed to supporting Frederick Health for decades through his leadership as Chair of the Frederick Health Board of Directors and the Frederick Health Development Council. He and Holly have also been members of the Order of the Good Samaritan since 1996. In addition to all that he's given to Frederick Health, Ray is also an active member of the Rotary Club of Frederick and gives his time to important community organizations including the YMCA, Frederick County Chamber of Commerce, Hood College, and others.

"A great hospital is an important part of any vibrant community," said Ray. "We joined the Order of the Good Samaritan for that reason."

"Good health is a cornerstone to a good community. When you invest in the hospital, you're investing in your community."

RAY RAMSBURG

Ray and Holly have instilled the importance of community service and philanthropy in their children; Justin, Allie, Jackie, and Jacob.

"Giving back to the community was a common theme in a lot of the people I looked up to and respected," said Justin. "It was a natural fit for me to do the same once I graduated, began my career, and started a family of my own."

Justin and his wife, Katherine, have two children, Grayson and Emory, who were born at Frederick Health Hospital, and will also grow up knowing what it means to be big-hearted. Their son is able to receive special services he needs through Frederick Health, which wouldn't be possible without the generosity of donors. Justin and Katherine joined the Order of the Good Samaritan in 2012.

"You really see that every dollar you give matters," said Justin. "You can see all the good that comes of it and that's a great feeling."

Justin's father, Ray, adds, "Good health is a cornerstone to a good community. When you invest in the hospital, you're investing in your community. I would encourage anyone who can to do so, as Frederick Health is an organization to be proud of."

Order of the Good Samaritan

The Order of the Good Samaritan was established in 1989 by the Development Council's Special Gifts Committee to recognize the hospital's most generous benefactors.

Members of the Order share a profound commitment to Frederick Health and its tradition of quality healthcare services.

ORDER OF THE GOOD SAMARITAN

Why We Give

Kimberly & Omer Ashkenazi

"In 2012, we moved to the United States from overseas and landed in the vibrant city of Frederick, MD. A few years later, we had our first child, and in 2017, we had our second—both at Frederick Health Hospital. We love living here, and part of the reason for that is having a robust hospital that we can rely on.

As a young, growing family, we truly appreciate having a great local option for healthcare services. We know that the long-term success of our local hospital is critical to the

long-term success and health of both our family and our community. Not only is it a place where residents can go to get the health services they need, but Frederick Health also provides employment opportunities for those who live here.

The most rewarding part of giving to Frederick Health is that, through The Order of the Good Samaritan, we are able to connect with friends and neighbors, and know that together, we can support our community."

"Frederick Health is a vital part of yesterday, today, and the future of Frederick."

ORDER OF THE GOOD SAMARITAN

Why We Give

Amanda & Aaron Forster

"Both of our mothers battled cancer. Their experiences were made exceptionally difficult because of the distance they had to travel for treatment, placing them further away from the love and support of family.

As a family who has experienced the hardship of traveling for needed medical treatment, we feel incredibly fortunate to have access to exceptional care right here in the city we call home. Joining the Order of the Good Samaritan was the perfect way to ensure that our family and friends can continue to receive

both excellent and convenient healthcare services when and where they are needed.

Our family began right here in Frederick when our first two children were born at Frederick Health Hospital. Soon we'll be having our third child at Frederick Health Hospital and we couldn't be more excited. Through our investment in the health of our community, we're strengthening the foundation of health and wellness for generations to come."

"Having high-quality, accessible healthcare in your own community should never be taken for granted."

WE LOVE OUR DONOR FAMILY

As with other giving club appreciation events in 2020, the Good Samaritan donor recognition event was also modified due to COVID-19. Members of the Development Council's Special Gifts Committee greeted our Good Samaritans as they picked up a special treat as a token of our appreciation for their generous support of the hospital.

Good Samaritan of the Year

Heroes Among Us

Since 1991, the membership of the Order of the Good Samaritan has annually recognized individuals whose lives have demonstrated ‘actions or achievements that have substantially advanced patient care, the economic health of the hospital, or the physical safety of the hospital’s patients and personnel, as well as a selfless commitment to improving the quality of life in the entire Frederick community’ with the **Good Samaritan of the Year award**.

While uncertainty was commonplace in 2020, the choice of who was most deserving of the 2020 Good Samaritan of the Year award was quite clear. Based on feedback from the Good Samaritan membership and the community at-large, the decision was made to collectively honor Frederick Health’s employees, medical staff, and Auxiliary volunteers for their important contributions and personal sacrifices made in the face of the COVID-19 pandemic. This group of tireless individuals banded together to care for the sick, maintain a safe and operational environment of care, create desperately needed PPE, and administer widespread testing—all while taking care of each other and their loved ones, too. Some took on new positions and roles, many transitioned to working from home, and others took on additional workloads and responsibilities. Every story is different, but each demonstrates a selfless commitment to improving the quality of life in the entire Frederick community while facing an unfamiliar enemy under demanding conditions.

All Frederick Health locations celebrated the recognition by displaying “Home of the 2020 Good Samaritans of the Year” banners.

“For the grace and bravery under pressure they have shown...

for the compassion and commitment they have demonstrated...and for the daily innovation that has positioned our hospital as one of Maryland’s leaders in the COVID-19 pandemic, we are proud to recognize Frederick Health’s employees, medical staff, and Auxiliary volunteers as the recipients of the 2020 Good Samaritan of the Year award.”

JOE BROWN, CHAIR

Frederick Health Special Gifts Committee

“This recognition will live on in perpetuity...”

everyone will remember what happened in 2020, including the staff that were here at this time, the providers, and Auxiliary volunteers who really helped us get through this struggle of a lifetime.”

CHERYL CIOFFI, SENIOR VICE PRESIDENT & CHIEF OPERATING OFFICER

Frederick Health

“I can’t tell you how excited I am...”

how honored I am, and how humbled we all are to receive the Good Samaritan of the Year Award. I’ve watched teamwork, flexibility, resourcefulness, and the spirit of giving demonstrated time and time again in order to take care of this community in this critical time.”

TOM KLEINHANZL, PRESIDENT & CEO

Frederick Health

“I am so humbled...”

that the Frederick Health Auxiliary is included in this honor along with the hospital employees and medical staff. I’m very proud of the role the volunteers have played in supporting the hospital team during the pandemic. Although our volunteer work has looked different than it does in normal times, it has been critical to the hospital’s ability to safely and effectively meet the unprecedented healthcare needs of our community.”

PATRICIA RAY, PRESIDENT

Frederick Health Auxiliary

To Frederick Health employees, medical staff, and Auxiliary volunteers: congratulations and thank you for everything you’ve done and continue to do.

Why We Give

CORPORATE HONOR ROLL

Battelle National Biodefense Institute

The leadership at Battelle National Biodefense Institute (BNBI), located on Fort Detrick, is proud of their philanthropic culture and the contributions they've made to the Frederick community over the years. In August of 2020, they made a \$20,000 gift to Frederick Health's ReEnvisioning Critical Care campaign to support the renovation and expansion of the hospital's Emergency Department, Intensive Care Unit, and Interventional Cardiology Services. By virtue of this generous gift, BNBI has become a member of the Frederick Health Corporate Honor Roll.

"The Battelle National Biodefense Institute is honored to be able to make a contribution toward the continuation of a long legacy of outstanding regional healthcare by its partner Frederick Health. We consider health, well-being, and education to be a cornerstone of a vibrant and resilient community and look forward to many more successful years of Frederick Health's support for this region's needs," stated George Korch, President, Battelle National Biodefense Institute.

Jonny Barr, President & Owner, Ellsworth Electric; Robin Rose, Vice President & Chief Development Officer, Frederick Health; Karlys Kline, Chair, Frederick Health Development Council; and Tom Kleinhanzl, President & CEO, Frederick Health

CORPORATE HONOR ROLL

Why We Give

Ellsworth Electric

With a generous pledge of \$25,000, Ellsworth Electric, Inc. joins the Frederick Health Corporate Honor Roll. Their gift will support the ReEnvisioning Critical Care project underway on the hospital's 7th Street campus. Ellsworth's commitment to the communities they serve has played a key role in the company's long history of success. Frederick Health is proud to partner with a company that embraces philanthropy and community service.

“Supporting the hospital is important to us because we feel that having the best medical care is imperative for everyone requiring those services,” stated Jonny Barr, President & Owner, Ellsworth Electric.

Your Partner in Health

Corporate Honor Roll members are entitled to a rebate on select workplace health and wellness services provided by Frederick Health Employer Solutions. Employer Solutions provides a wide array of services, resources, and programs to promote workplace health and wellness.

As a Corporate Honor Roll member since 1996, R.W. Warner, Inc. has been a long-time utilizer of the services provided by Frederick Health Employer Solutions.

“As a construction company, our line of work can be dangerous, so it is crucial that we keep our employees healthy and ensure that they have access to quality and convenient healthcare. This is one of the main reasons we chose to support Frederick Health by joining the Corporate Honor Roll over 25 years ago. Not only is it rewarding to know that our support directly impacts our community and our employees, but we’re also grateful for the invaluable partnership we’ve developed with Frederick Health over the years.

We’ve utilized the services provided by Employer Solutions and had great success with getting our employees back to work sooner after injury or illness. From our questions on the COVID-19 crisis to corporate safety standards, we’ve always been able to rely on Frederick Health for answers. Workplace health and safety regulations are only going to get more complex moving forward, so we’re fortunate to have Frederick Health as our teammate to help us navigate these changes.”

MATT WARNER, PRESIDENT & CEO

Why We Give

1902 CLUB

Kris & Chuck Wade

“Over the past year, the needs of the medical community were brought to the forefront on a worldwide scale, and this deepened our willingness to support our local healthcare system.

Frederick has rapidly grown in recent history, and the healthcare needs of its residents have continually shifted. With the critical support of its donors, Frederick Health has successfully addressed those needs and made quality care more accessible for everyone. The hospital continues to expand and adapt to the needs of our community—no matter what comes our way.

We’ve been giving to Frederick Health for about five years and plan to keep giving as long as we’re able. It’s important to us that everyone in our community has access to exceptional healthcare, and as long-time Frederick residents, we’ve made it our personal mission to support the organizations that help others the most. We feel lucky to be able to give to Frederick Health and feel grateful for the services they provide to our community.”

“Our family has always relied on Frederick Health to take care of us, and we take it upon ourselves to give back—knowing that it is an investment worth making.”

Emma Smith

In the late 1890s, Emma Smith vowed to build a hospital in Frederick and began a personal campaign with the help of her community to bring this vision to life.

Individuals, families, businesses, and organizations staged events, picnics, contests, and “lawn fetes” to generate funds. Miss Smith herself donated a parcel of land on 7th Street. On May 1, 1902, Miss Smith’s dream of building a hospital to serve the Frederick community came to fruition.

As a tribute to her vision, the Frederick Health Annual Support Committee named their annual giving club the 1902 Club. The 1902 Club not only commemorates Emma Smith and the date in which Frederick Health opened its doors—but it honors the tradition of philanthropy that began with Emma and continues today.

1902 CLUB

Why We Give

Melissa & Isaac Chang

"Our family relocated to Frederick from Montgomery County, MD about 15 years ago. Before then, we drove to Frederick just about every weekend to explore all the great things to see and do. At a certain point, we decided to cut out the weekly commute and make a permanent move. We haven't looked back since and love that we can call this flourishing city our home.

One of the things we love about Frederick is the countless people and organizations that play an active role in bettering our community.

It was a friend of ours who introduced us to the 1902 Club, and we were excited by the idea of contributing to such a crucial cause. We're always looking for ways to teach our two daughters the importance of making a difference, and this was a great opportunity to do just that.

Our family has taken advantage of Frederick Health's services over the years, and our experiences have always been with compassionate and knowledgeable healthcare providers and staff. The hospital is such an essential part of our community, and it's a good feeling to know our charitable dollars are being used to help people who need it."

"As our community continues to grow, Frederick Health is growing too, and we feel grateful to say we're a part of it."

Spring Cleaning

For a Cause!

As you clean out your closet this spring, consider donating your new or gently used items to Frederick Health Auxiliary Select Seconds thrift store.

Select Seconds is exclusively run by Auxiliary volunteers and all proceeds directly support Frederick Health Hospital.

ACCEPTED ITEMS:

- Clothing—Women, Men, Children & Infants
- Purses
- Accessories
- Jewelry
- Collectibles
- Antiques
- Linens
- Books
- Household & Small Furniture Items
- Toys & Games
- Gift Items

Donations can be dropped off at the Select Seconds store in Downtown Frederick, located at 8 E Patrick Street.

For more information and updates on store hours, visit [Facebook.com/SelectSeconds](https://www.facebook.com/SelectSeconds).

ACE Club

ACE stands for A Caring Employee. ACE is the giving club through which health system employees contribute to Frederick Health's projects, programs, or areas of greatest need through payroll deduction.

ACE CLUB

Why I Give

Ali Syed

"I'm proud to be a first-generation American. In Pakistan, where my parents are from, there isn't typically access to integrated healthcare systems. When it comes time to take care of the older generations, caregiving is often left to family members, which can be emotionally and physically challenging.

Here in the U.S., I once went with my wife to visit her grandparents, both of whom were receiving healthcare services in their home at the time. The nurses did anything and everything for her grandparents, giving our family peace of mind and providing much-needed relief from the difficulty that comes with caring for an ill family member.

By giving a small part of my paycheck each month, I know I'm helping to make a big difference in people's lives without having to sacrifice much. The donation is automatically taken from my paycheck and those dollars go to use where they're most needed. It's like a crock pot—I can set it and forget it! Plus, at the end of every year, I receive a letter that shows how much I've donated. I can proudly share that number with my family, and know how much I've been able to help others. Just like the original Ali (the boxer) said, 'Service to others is the rent you pay for your room here on earth.'

"Employees Giving Back: Easy and Meaningful!"

For more than 30 years, ACE Club members have generously supported the hospital's fundraising efforts through payroll deduction. 100% of ACE Club contributions are used exclusively for hospital projects, programs, and areas of greatest need. To date, ACE Club members have already contributed more than \$295,000 to help support the *ReEnvisioning Critical Care* campaign.

**ACE Club
members don't
just make a
living; they make
a difference!**

Angel Fund

When a Frederick Health employee experiences a financial crisis caused by a catastrophic situation, the Angel Fund is designed to help by providing financial assistance and connecting the employee with community resources.

Lasting Legacy

Creating a personal or family legacy in support of Frederick Health's programs and services through an estate gift can touch the lives of future generations of patients and caregivers.

Members of our Lasting Legacy program have remembered the hospital in their estate plans.

Never in all the proud years of Frederick Health's future will these names be lost from memory.

LASTING LEGACY

Why We Give

Michael & Catherine Mock

"We're no strangers to the complexities of the healthcare system, as Catherine formerly owned an insurance agency. When we were each faced with health challenges, we wanted treatment teams that were as compassionate as they were competent.

The exceptional care received at Frederick Health not only placed us on the path to healing but led us to appreciate just how vital a strong healthcare system is to a community. When knowledgeable providers are in your corner, it makes overcoming

life's challenges feel all the more possible, which is why we have chosen to give to Frederick Health through the Lasting Legacy program—a contribution that will benefit our friends, family, and neighbors long after we're gone.

Legacy or estate gifts are a meaningful way to financially support Frederick Health's mission. We've been very fortunate to receive so many gifts in our lives, it just makes sense to pay it forward by leaving behind a gift that will benefit the lives of others."

"We're creating a legacy that will help ensure high-quality care for generations to come."

Gifts of Tribute

A Gift of Tribute is a meaningful way to recognize a joyous occasion such as a birthday, anniversary or promotion, express gratitude for an act of kindness, or to remember someone who has passed.

Grateful Patient Program

Every grateful patient has a valuable story to tell.

Our patients and families often ask how they can say 'thank you' after a positive experience with us. Our Grateful Patient Program provides a meaningful opportunity for patients and their loved ones to express appreciation by sharing their words of gratitude.

While every experience is unique, our mission always remains the same: to positively impact the well-being of every individual in our community. This mission is brought to life through each grateful patient story.

DO YOU HAVE A STORY TO SHARE?

Exciting News!

As of January 1, 2021, the Hurwitz Breast Cancer Fund officially became its own registered 501c3 charitable organization!

Over the past 21 years, the Fund has generated \$2.2 million in charitable support to benefit breast cancer patients in our community. We are grateful for the overwhelming generosity the community has provided to the Hurwitz Breast Cancer Fund. We wish Patty Hurwitz and her dedicated team of volunteers the best as they continue to work diligently to raise funds that will benefit Frederick Health's Breast Care services and the patients who utilize them. For more information, visit PinkRibbonFrederick.org

REIMAGINING THE EMERGENCY DEPARTMENT

Adult and pediatric emergency services will be co-located on the first floor, with separate triage and waiting areas. Private pediatric inpatient rooms will be nearby to ensure continuity of care. A Rapid Treatment Zone, a Results Pending Area, and a Crisis Zone for adult and pediatric patients experiencing behavioral health emergencies will improve the patient and family experience of care.

ENHANCING THE INTENSIVE CARE UNIT

The new Intensive Care Unit rooms will be larger to better accommodate modern equipment and allow for family visitation. Each room will now have a full private bathroom.

INCREASING THE CAPACITY OF CARDIAC SERVICES

Expansion of our cardiac services will allow us to better meet current needs and prepare for future growth. The number of pre and post procedure rooms will more than double, and the existing Catheterization Labs will be enlarged and an additional lab will be added. Shell space will be created to allow for further expansion of service when needed.
