Message from the President

Dear Friends,

The past several months have brought exciting changes to our organization. First, we've embraced a new name. The single, simplified name, Frederick Health, will allow consumers to more easily access the many healthcare services we provide throughout the community. Our employees, physicians and volunteers have always worked closely together, but have been known by various names. Now it is so much easier to recognize us as one family, with one name.

With our new name came a revised mission statement: "To positively impact the well-being of every individual in our community." This accurately reflects Frederick Health's important role as the primary healthcare provider in Frederick County.

And finally, we are in the early stages of a new capital project and fundraising campaign. The *ReEnvisioning Critical Care Campaign* will help ensure our ability to meet the increased demand we have seen in cardiac and intensive care services, and improve the patient experience in our busy adult and pediatric emergency departments.

I am grateful for every donor listed in the pages that follow. Your continued support will enable us to make a difference in the health and well-being of our friends and neighbors. It is our mission and with your help, it will be a reality.

Best Regards,

A handwritten signature in blue ink that reads "Thomas A. Kleinhanzl". The signature is written in a cursive, flowing style.

ReEnvisioning Critical Care Campaign

As the area's sole provider of critical care services, we know we must position ourselves to meet our community's changing needs. This is why we will soon embark on a \$45 million capital project at our 7th Street campus to renovate and expand our critical care service areas.

The goal of the *ReEnvisioning Critical Care Campaign* is to raise \$14.75 million in charitable support to help fund this important project.

Components of the project include:

- **Redesign of the Emergency Department** to integrate care, improve access, and increase the overall number of patient care spaces.
- **Renovation and Expansion of the Intensive Care Unit (ICU).** Last renovated nearly 20 years ago, our ICU is often at capacity during periods of high demand.
- **Enhancing Interventional Cardiology Services.** To better meet our current needs and prepare for future growth, we will increase the capacity of our existing services including the Cardiac Catheterization Lab.

All three components of the project share a common goal: to make the environment at Frederick Health Hospital even more comfortable, convenient, and patient-centered for you and your loved ones. Most importantly, these enhancements will ensure that when you or a loved one is experiencing a medical emergency, the critical care services you need are available right here, close to home.

**Providing critical care
when and where
it matters most.**

“The Development Council members who serve as our ambassadors and fundraisers are some of this community’s most active and passionate volunteers. Frederick Health is fortunate to have their tireless support as we continue to position ourselves to meet the community’s future health and wellness challenges.”

Frederick Health Development Council

Development Council

The business and community leaders who comprise Frederick Health’s Development Council are the heart of its fundraising efforts. Over the past 30 years, this dedicated group of volunteers has raised more than \$86 million to support the hospital. Currently the Development Council is focusing their efforts to raise \$14.75 million for the *Re*Envisioning Critical Care Campaign.

A Tradition of Generosity

For well over a century, Frederick Health has relied on the generosity of this community to help fund renovations, new construction, and service line enhancements, and to provide new and replacement medical technology. For many, giving to Frederick Health has become a family tradition. In this section, we are pleased to introduce you to families who have made philanthropy a priority. We thank them for their generous support!

Paula and Barbara Foris

All in the Family

One of the many things that the late Dr. Nicholas Foris and his wife Barbara had in common was their love of medicine. As the founding member of the Foris Surgical Group, Dr. Foris touched many lives as a caring physician, chief of surgery, and a gifted thoracic cardiovascular surgeon. Barbara Foris, a registered nurse, later worked for many years as a nurse anesthetist—a profession she says she enjoyed every minute of.

Not surprisingly, the couple's family “grew up” at the hospital. Barbara recalls her late husband bringing their three children to the hospital on Sunday mornings to visit patients. Daughter Paula recalls either coloring quietly with her brother and sister at the nurses' station while her father made rounds, sometimes even following him around to say hello to patients. After volunteering as a candy striper at the hospital, she followed in her parents' footsteps, choosing a medical career herself.

While Dr. Foris died in 2011, the family continues their longstanding tradition of charitable support to Frederick Health through membership in the Order of the Good Samaritan and ongoing gifts to various campaigns and projects. “I've watched the hospital go through many changes—not only in its physical layout but also in its philosophy and approach,” said Barbara. “For example, the ‘navigator concept’, where a member of the medical team helps the patients and family with logistics and helps answer questions, is the very definition of ‘patient-centered’ care. Our community is fortunate to have such a progressive hospital to rely on.”

A Generous Family Whose Reputation is Building Every Day

Gail Guyton was born into a world where people worked hard and made their own “good luck.” Days were long and life on the farm was tough at times, but you were never too busy to help a friend or neighbor in need. People were often too proud to ask, so you took it upon yourself to step up and help with whatever was needed, with no expectation of thanks or repayment.

For nearly 80 years, these values have served Guyton and his family well. After working his way through American University, he graduated in 1963 with a degree in business. In the years that followed, Gail and Joyce Guyton simultaneously raised their family, volunteered throughout the community, and built the family business, Morgan-Keller Construction, into one of the region’s most respected builders.

Even after Gail became president of the company in 1980, he continued to find time to volunteer at the hospital, first as a member of its Building and Expansion Committee and then on the Board of Directors. Now a Lifetime Member of Frederick Health Auxiliary, Joyce was an active Auxiliary volunteer for many years. In 1990, Gail and Joyce were among the first couples to join the Order of the Good Samaritan. Between 1992-2002, as Chair of the hospital’s Special Gifts Committee, Gail was instrumental in encouraging more people to join the Order. Following in their parents’ footsteps, Brad and Lisa joined the Order in 1996, and Darrell and Kris in 1999.

In 1992, Morgan Keller made a generous initial gift to the Corporate Honor Roll. In addition to continuing the company’s support at a corporate level for many years, Brad has served as a former Chair of the hospital’s Business and Industry Committee, encouraging the participation of more local companies in the Corporate Honor Roll.

“The culture we encourage at Morgan Keller emphasizes giving back to this community,” said Gail. “When we think about the organizations that are central to this community’s health and well-being, Frederick Health is at the top of that list. We are pleased to have been able to contribute to its growth and development.”

Brad, Gail, Joyce, Darrell, and Kris Guyton.

List reflects gifts received as of November 15, 2019

Order of the Good Samaritan

The Order of the Good Samaritan was established in 1989 by the Development Council's Special Gifts Committee to recognize the hospital's most generous benefactors. Members of the Order share a profound commitment to Frederick Health and its tradition of quality healthcare services.

Why We Give

“We’ve always been believers in the power of preventive medicine and the importance of screenings and early detection. That’s why we’ve made it a priority to be involved in activities that encourage

better health in this community—through our church, at our jobs, and as members of our service fraternity and sorority. We are glad to see Frederick Health taking a broad view of what it means to be our community’s healthcare provider. In the last few years, they have gone far beyond providing acute care to a much broader mission: to positively impact the well-being of every individual in our community. We are proud to do our part through our membership in the Order of the Good Samaritan.”

“Part of what makes Frederick so wonderful and unique are the phenomenal businesses and organizations here that provide services to our families, friends and neighbors. One of those organizations is Frederick Health, which has become an integral part of our community.

Our family has utilized Frederick Health services on many occasions, ranging from scheduled visits and emergency services, to Medivac transports and palliative care. We feel blessed and grateful that our family members had access to such advanced care right here at home, and that Frederick Health was there for them in their times of need.

We view our membership in the Order of the Good Samaritan as an opportunity to be part of helping to make Frederick Health and our community even better.”

2019 Good Samaritans of the Year

First presented in 1991, Frederick Health's Good Samaritan of the Year award recognizes individuals whose lives have demonstrated "actions or achievements that have substantially advanced patient care, the economic health of the hospital, or the physical safety of Frederick Health's patients and personnel, as well as a selfless commitment to improving the quality of life in the entire Frederick community."

This year's Good Samaritan of the Year honors were shared by fellow businessmen and longtime friends Phil Berkheimer and Ray Ramsburg. Both men were recognized for their service to the hospital, including their leadership as Chairs of the Frederick Health Board of Directors and their engagement with the Frederick Health Development Council.

Berkheimer, who recently retired after a 50-year career as a financial advisor and wealth manager, is a founding trustee of the Frederick Community College (FCC) Foundation, a past Chairman of Hood College's Board of Trustees, a two-term trustee at the Community Foundation of Frederick County, and a past president of the Rotary Club of Frederick.

Ramsburg is Regional Insurance President for McGriff Insurance Services. Also an active member and a past president of the Rotary Club of Frederick, Ramsburg is the Assistant Treasurer of the Great Frederick Fair. He has been active with the YMCA, Big Brothers and Big Sisters, the ARC of Frederick County, the Jefferson School, the Frederick County Chamber of Commerce, the Community Foundation, Hood College and FCC.

"Our 2019 Good Samaritans of the Year are shining examples of community servants who have given freely and without hesitation for decades," said past Special Gifts Chair Dan Schiffman. Both Phil and Ray have been 'Good Samaritans' to many people over the years, and all of us are better for it."

“Because what we do at Home Instead Senior Care is so closely aligned with local healthcare systems, we’ve had the opportunity to observe several very closely. Since we opened our doors in 2006, we’ve watched Frederick Health evolve into a comprehensive organization that has never lost the personal touch. What we absolutely don’t need in this community is ‘big box’ healthcare...and what Frederick Health delivers is anything but that. We feel blessed and grateful to live and work in a community that is so well taken care of by its healthcare providers, and are proud to do our small part as members of the Corporate Honor Roll.”

Why We Give

“The Bettie Jane Cancer Foundation supports Frederick Health and the James M Stockman Cancer Institute as an extension of our mission to help all Frederick County cancer patients and their families. Many of our board members are lifelong residents of Frederick County and have had personal experience as patients or have had family members fighting cancer. We are pleased to know that our charitable gifts to Frederick Health help ensure that even more patients are able to receive comprehensive, quality treatment right here in Frederick.”

Auxiliary Update

Frederick Health Auxiliary has been one of the hospital's biggest supporters since its founding nearly 70 years ago, helping to create and maintain the high level of care and comfort delivered every day.

Proceeds from the group's fundraising events have made it possible for the Auxiliary to provide more than \$10 million in charitable support to the hospital. In May 2019, the Auxiliary made a \$500,000 commitment to the hospital's renovation of the Behavioral Health Unit. Most recently, the Auxiliary pledged \$1 million to the ReEnvisioning Critical Care Campaign, the \$45 million capital project that will redesign the Emergency Department, renovate and expand the Intensive Care Unit, and enhance interventional cardiology services.

In addition to their generous financial support, the Auxiliary provides extensive volunteer support throughout the Frederick Health system. Auxiliary volunteers assist patients who are arriving and departing from the hospital or ambulatory centers, greet and direct visitors, deliver flowers and reading material, and staff the Gift Shop, Select Seconds, and other fundraising efforts and events.

Pictured L-R: Auxiliary Parliamentarian & Corresponding Secretary Donna Tisdale, Auxiliary President-Elect Harriet Brown, Frederick Health Vice President & Chief Development Officer Robin Rose, Auxiliary President Pat Ray, Frederick Health President & CEO Tom Kleinhanzl, Membership Secretary Sharen Neale, and Auxiliary 2nd Vice President Jan Lounsbury

733 → **86,329** → **\$2,374,048**
Volunteers → Hours → in Savings!

During the 2019 fiscal year, Frederick Health Auxiliary's 733 volunteers contributed 86,329 hours in service. Using the state of Maryland's current valuation for each hour of volunteer service, the Auxiliary's service has saved Frederick Health nearly \$2.4 million!

List reflects gifts received as of November 15, 2019

1902 Club

1902 Club members are deeply interested in helping Frederick Health realize its mission to positively affect the well-being of every member of this community. Their annual contributions help fund the hospital's expansion and renovation and help provide new services and state-of-the-art equipment that are vitally needed to keep pace with the rapid advances in medical technology.

Why We Give

“As we’ve watched family members and dear friends grow older, we’ve realized that the key to staying healthy is proactive and consistent habits and efforts to preserve one’s health and wellness. That’s one of the reasons we applaud Frederick Health for their efforts to educate the community about things we can do throughout our lives to make better choices and prevent chronic illness. We’re members of the 1902 Club so we can help Frederick Health continue

to meet the needs of this community—now, and as importantly, in the future.”

* Deceased

“We may be in our 90s, but we still occasionally play 9 holes of golf! Through our 68 years of marriage, we’ve had our ups and downs, but we stay positive and count our blessings—especially our family and our good health. Our family has been deeply touched by cancer, so we were glad to hear that our contributions through the 1902 Club were being used to help build the James M Stockman Cancer Institute. We continue to contribute because we know our donations are helping Frederick Health provide the most up-to-date care possible. In the coming years, when we may need more care, it gives us peace of mind to know that we have an excellent hospital right here in our own backyard.”

ACE Club

ACE stands for A Caring Employee. ACE is the giving club through which our employees contribute to Frederick Health's projects, programs, or areas of greatest need through payroll deduction. We are thankful for the support of the Frederick Health family, whose generosity shows that "ACE Club members don't just make a living; they make a difference!"

Why I Give

“I’ve seen a lot of changes during the five years I’ve been a Client Support Specialist with Frederick Health—changes that I know have expanded our ability to provide excellent care here in Frederick, saving all of us from having to go ‘down the road’ when healthcare issues arise. I understand that it takes resources to make these changes happen, so when I was asked to become an employee donor, I was happy to do my part.”

"Charitable giving is something that is important to me both professionally and personally. My job, which involves promoting health and wellness outside of the hospital walls, has afforded me the opportunity to experience directly the needs of those we serve in the community. A small contribution out of my pay, combined with the contributions of my colleagues, has allowed the hospital to provide even more services to the people of Frederick. Together, we are making an impact on the whole community, and encouraging the growth of healthcare services in this diverse culture we call Frederick Health."

Angel Fund

When one of our employees experiences a financial crisis caused by a catastrophic situation, the Angel Fund may be able to help. Thanks to 514 members of the Frederick Health family who contribute regularly through payroll deduction, the Angel Fund has provided 193 grants totaling more than \$156,000 to employees in need since its founding in 2009.

To Better Serve Our Community's Health

In late October, Frederick Health purchased the 94-acre State Farm campus located on the north end of Frederick. The purchase grew in part from the hospital's need for additional space for our Home Health and Hospice offices, and our need to create a Call Center to provide better access to our services.

The acquisition of the former State Farm campus also ensures the availability of space for future service growth and expansion. Its 400,000 square foot building and hundreds of acres of developable land present a myriad of possibilities that support Frederick Health's population health strategy and long-range vision. Through public and private partnerships, Frederick Health Village will create the outpatient medical care and wellness services that will enable us to meet our mission "to positively impact the well-being of every individual in our community."

**A Healthier Community:
It Takes a Village**

"We have a rare opportunity to capitalize on this special property, located slightly over three miles away from our hospital campus," said Frederick Health President & CEO Tom Kleinhanzl. "Healthcare innovation and technology continue to evolve at a rapid pace and Frederick Health Village will be a key platform for us to launch future initiatives."

Out of many, one.

Our family of healthcare services goes by so many names, you may not know we're related. But we all work as one, caring for our community. And now you'll find us all under one name: Frederick Health. Working together to keep you healthy.

It's as simple as that.
