100% of contributions are used exclusively for hospital projects, programs, or areas of greatest need to better serve the changing healthcare needs of our community. Frederick Health Hospital is a 501(c)(3) not-for-profit organization and all gifts are tax deductible as allowed by law.

Message from the President

Dear Friends,

Maybe I'm biased, but I think Frederick is one of the best places in Maryland to live. We're surrounded by beautiful scenery, we're rich in history, jobs, and amenities, and our schools are among the highest rated in the state. No wonder Frederick's population has increased by more than 40 percent—an estimated 95,000 people—in the last 25 years!

Thanks to a forward-thinking Board of Directors and a generous community, I'm proud to say that Frederick Health has been able to keep pace with this rapid growth. By continually monitoring our community's healthcare needs, we have been able to respond to them promptly and proactively.

Ongoing evaluation has indicated an increased demand for critical care services. This includes our adult and pediatric Emergency Departments, our Intensive Care Unit, and our Cardiac Services—which includes the Cardiac Cath Lab. Funds raised during our recently launched **ReEnvisioning Critical Care campaign** will help us expand and enhance these areas to better meet the ever-increasing demand for care.

I invite you to read about the important changes we have planned for our 7th Street campus in the pages that follow. As always, your support of this campaign will help ensure that when you or a loved one needs critical care, those services will be available right here, close to home.

Best Regards,

A handwritten signature in blue ink that reads "Thomas A. Kleinhanzl". The signature is written in a cursive, flowing style.

Thomas A. Kleinhanzl, President & CEO
Frederick Health

J. Frederick Manning
Chair

**Honorable
Dr. Stephen Johnson**
Vice Chair

Betsy Pakenas
Secretary/Treasurer

Board of Directors

Our Board of Directors oversees Frederick Health’s financial health and stability and plays a key role in planning new healthcare initiatives. Each director is an accomplished civic leader whose community service and business acumen are instrumental in ensuring that Frederick Health is positioned to meet the needs of a growing, changing community.

“On behalf of the entire Board of Directors, I would like to thank every member of Frederick Health’s donor family for their support of the ReEnvisioning Critical Care campaign. It is only through their sustained generosity that we are able to keep pace with the ever-increasing demands for healthcare in our community.”

—J. Frederick Manning, Chair
Frederick Health Board of Directors

“Frederick Health has recently launched a fundraising campaign called *ReEnvisioning Critical Care*, a \$45.8 million initiative that will help make the hospital more comfortable, convenient, and patient-centered for all of us. Our Development Council volunteers have committed to raising \$14.75 million of this goal. We hope we can count on your support. Together, we can continue to ensure that local healthcare is the best it can possibly be.”

-Karlys Kline, Chair
Frederick Health Development Council

Development Council

The business and community leaders who comprise the Development Council are the heart of Frederick Health’s fundraising efforts. For more than 30 years, this dedicated group of volunteers has raised more than \$87 million to support the hospital.

ReEnvisioning Critical Care...

As the area's sole provider of critical care services, it is imperative that we position ourselves to meet the ever-increasing healthcare needs of our community. Funds raised through our *ReEnvisioning Critical Care* campaign will help ensure that we can meet these needs, even in periods of highest demand, by:

**Providing critical care when
and where it matters most.**

- Reimagining the adult and pediatric Emergency Department
- Enhancing the Intensive Care Unit (ICU)
- Increasing the capacity of Cardiac Services

Once again, we are counting on our Development Council members to lead the way. These dedicated volunteers have committed to raising \$14.75 million in charitable support to help fund this \$45.8 million project.

“A financially strong local hospital is critical to the health, safety and welfare of our community – providing essential services each and every day, but particularly in times of crisis. The COVID-19 pandemic has further underscored our local hospital’s critically important role in our community. Now, more than ever, we are fortunate to have the support of individuals, businesses, and organizations who realize the importance of supporting our local hospital and health system.”

-Anne-Herbert Rollins, Chair
Signature Gifts Committee

...A Renovation and Expansion Campaign

The *ReEnvisioning Critical Care* campaign is about a shared vision surrounding how we can continue to deliver superior healthcare to our community. Healthcare that is always available. Easily accessible. Family-centered. And as comfortable and private as possible.

Renovations to our **Emergency Department** will include co-location of adult and pediatric services with separate waiting, triage, and treatment rooms for these patients, a Rapid Treatment Zone, a Results Pending Area, and additional modifications to improve capacity, and better integrate care and access.

Last renovated nearly 20 years ago, our **ICU** is often at capacity during periods of high demand. The addition of two, large, private rooms, the enhancements planned for the existing 18 rooms, and the transformation of the visitor waiting area will increase capacity, enhance care, and improve both the patient and family experience.

Space limitations in the **Cardiac Services** area require some cardiac catheterization patients to receive pre- and post-procedure treatments on separate floors of the hospital. The construction of a third-floor addition will allow more than double the number of pre- and post-procedural rooms, additional space for electrophysiology procedures, and add a third Cardiac Catheterization Lab while creating space for future growth of the unit.

We invite you to help us bring this vision to life. Your support of the *ReEnvisioning Critical Care* campaign will help ensure that Frederick Health will be ready to care for you and your loved ones when you need us most.

A Tradition of Generosity

For many members of our community, giving to Frederick Health has become a family tradition. In this section, we are pleased to introduce you to families who have made philanthropy a priority. We thank them for their generous support!

Healthcare and Education Run in the Family

Steve and Nancy Murfin

Some of the most meaningful charitable giving marries respect for an organization's mission and a deeply held belief or passion. Such is the case with former hospital administrator Steve Murfin and his mother Nancy, a lifetime educator.

"Mom took a bad fall in 2015 shortly after she moved to Frederick and severely injured her back," said Steve. "She had a three-week stay at Frederick Health Hospital during the first part of her recovery, and her care was fabulous. She was so impressed by the compassion and professionalism of the nurses, and she really wanted to do something special for them as a thank you."

Steve first suggested to Nancy that she consider making a donation to Frederick Health in honor of the nurses who cared for her during her stay at the hospital. A longtime employee of the healthcare system now retired, Steve was already a donor to Frederick Health through his membership in the Order of the Good Samaritan. Nancy, a teacher in Washington and

Montgomery Counties for most of her adult life, agreed with Steve's suggestion that she make a gift to Frederick Health, but it was important to her that her contribution support education in addition to honoring the hospital's nurses.

Steve reached out to the Frederick Health Development Team and Chief Nursing Officer Cheryl Cioffi about Nancy's options. Together, the group came up with the idea that Nancy fund a nursing scholarship—an idea that she readily embraced. With her donation of \$25,000, the Nancy Murfin Scholarship Fund was created. "We are so grateful to Mrs. Murfin for establishing this scholarship fund," said Chief Nursing Officer Cheryl Cioffi. "Her gift will help Frederick Health employees achieve their dreams of becoming a nurse, as well as benefit nurses already working at the hospital who wish to further enhance their knowledge and skills by acquiring advanced degrees."

Three Generations of Support

Frederick Health Hospital has been important to the Baker family for nearly 70 years. In 1955, Albertine “Tina” Baker and her mother were among the founding members of the Hospital Auxiliary. Tina’s mother was the first Secretary of the Auxiliary’s Board of Directors, and Tina volunteered for many years on the maternity floor.

In recent years, however, says Tina’s daughter-in-law Colette, the tables have turned. Instead of helping to provide care, the family has had to rely on the hospital for a wide range of care. “My son was with his wife in The BirthPlace as she delivered their first child,” she said, “at the same time my father-in-law was receiving end-of-life care in the hospice unit on another floor. Everyone was so supportive and caring towards us. We will never forget their compassion.”

Today, three generations of the Baker family are members of the hospital’s donor family. Tina and her daughter-in-law Colette joined the Order of the Good Samaritan in 2017. In 2019, Colette’s son Chris and his wife Megan also became Good Samaritans.

Pictured L-R: Albertine Baker, her daughter-in-law Colette, Colette’s daughter-in-law Megan and son Chris Baker.

“We believe in the importance of preventive medicine, healthcare education, and early detection,” said Colette. “We are pleased to support Frederick Health as they work toward positively impacting the health and well-being of every individual in our community.”

List reflects gifts received as of July 15, 2020

Order of the Good Samaritan

The Order of the Good Samaritan was established in 1989 by the Development Council's Special Gifts Committee to recognize the hospital's most generous benefactors. Members of the Order share a profound commitment to Frederick Health and its tradition of quality healthcare services.

Why We Give

“Since moving to Frederick in 2000, we have had many opportunities to work with the hospital on various Good Samaritan and 1902 Club events through my

business, Audio-Video Group. We’ve helped celebrate the many generous individuals in the community and all the great things the hospital has accomplished. Our appreciation became much more personal in 2005 when our twins were born at the hospital. Being a high-risk pregnancy due to underlying medical conditions, we were grateful for the personal and professional care we received.

Upon learning about the James M Stockman

Cancer Institute and all of the plans for creating a holistic center that focuses on comfort and healing, it became an obvious choice to pledge our support personally through the Order of the Good Samaritan, and professionally by joining the Corporate Honor Roll.”

"To seek care at Frederick Health is to be immediately surrounded by people you know and trust. We have met many of its healthcare professionals and administrators in the course of our careers and are also privileged to work alongside them in our community service and volunteer work—and we know them to be the best of the best.

When our daughter needed emergency care shortly after her birth, we were grateful for Mr. Carl Miller whose generosity resulted in the founding of The Billy Miller Neonatal Intensive Care Unit. Thirteen years later, in an amazing coincidence, Mr. Miller's company bought our daughter's 4-H beef livestock project at The Great Frederick Fair. We feel that 'full circle' experience sums up what it means to live in a community like Frederick with a top quality health system as its hub."

Remembering One of Frederick Health's Most Generous Donors

Every one of Frederick Health's Good Samaritans of the Year has generously given their time, talent, and treasure to help those in need and to make our community a better place. They are modest about their charitable support, preferring to quietly identify a need in our community and fill it as best they can with as little fanfare as possible.

By these measures, the late Carl Miller, who shared 2004 Good Samaritan of the Year honors with his late wife Norma, embodied the essence of true citizen service. A resident of New Market for nearly six decades at the time of his death in February of this year, Carl's generosity touched dozens of organizations. At Frederick Health, we were abundantly blessed to have benefitted from two extraordinary gifts from this generous couple.

In 1999, inspired by the care his mother had received at a residential hospice in Pennsylvania, Carl reached out to Frederick Health to talk about creating a "hospice house" in our community for those facing life's final chapter. He provided 15 prime acres of his own farm as a building lot, personally helped raise funds and support for the project among his many friends and political connections, and encouraged those in the construction industry to donate their time, talent, and materials. Since it opened in 2002, Frederick Health's Kline Hospice House has helped provide peace and comfort at the end of life for hundreds of local residents and their families.

In 2003, Carl and Norma Miller contributed \$1 million to Frederick Health's New Century of Caring campaign in memory of their son, Billy, who died in infancy. This remarkable gift resulted in the creation of The Billy Miller Special Care Nursery, which has grown into our Neonatal Intensive Care Unit (NICU), a Level III facility certified to care for newborns as small as one pound and any gestational age.

From the tiniest infants just beginning life to those living out their last days, weeks, or months, Carl Miller's generosity Frederick Health has made life better for countless individuals. On behalf of all our patients, we would like to say "Thank you, Carl. You will never be forgotten."

List reflects gifts received as of July 15, 2020

Corporate Honor Roll

Members of the Corporate Honor Roll include businesses, organizations, foundations, and civic clubs who pledge charitable support to ensure that Frederick Health stays on the leading edge of medical technology and services.

“Somersford House and Place and Frederick Health have always had a close relationship, so it was natural to support them through membership in the Corporate Honor Roll. Most of our residents are from Frederick County and know the hospital, so when we are in need of hospital-based services, we know we’re partnering with community friends. It’s a very symbiotic relationship and we are proud to be a part of this initiative.”

—Christine Laurich, Community Relations Director
Somersford House and Place, Frederick
Member since 2019

Pictured L-R: Frederick Health V.P. & Chief Development Officer Robin Rose, Frederick Health Development Council Chair Karlys Kline, Somersford House and Place Community Relations Director Christine Laurich, Somersford House and Place Executive Director Launi Vawter, and Frederick Health President & CEO Tom Kleinhanzl

Why We Give

“We have watched the way Frederick Health has grown over the years, and we’re impressed. Building local facilities, and then aligning them with global leaders in a particular field of medicine, seems like smart business and good medicine.

For example, the James M Stockman Cancer Institute is an affiliate of the MD

Anderson Cancer Network. That partnership allows Frederick patients to be cared for locally by their own doctors while giving those doctors access to the innovative treatments, leading-edge research, and emerging patient care protocols being developed at one of the world’s leading cancer centers. We’re glad to partner with a progressive organization like Frederick Health through our Corporate Honor Roll contributions.”

"We both grew up in Frederick County, so the hospital has always been a part of our lives. But I think, like most young people, we never truly understood the benefit of having an excellent health system so close to home. Now, as we have gotten older, and our family members' health needs have become more demanding and complex, we find ourselves asking 'If it wasn't for Frederick Health, where would we go?' We are proud to do our part through our contributions to the 1902 Club to help ensure that Frederick Health can keep pace with the growing and changing needs of our community."

Why I Give

“Life is a journey and sometimes the road of life takes us to a place we never imagined. In February of 2018, Barbara’s journey brought us to the emergency room of our great hospital, where eventually a grapefruit- sized tumor was removed from her brain, giving her the gift of new life.

We are grateful for the excellent medical and compassionate care we both received during this time. From those first scary moments in the emergency room, through all the tests and surgery, to the nursing care on the floor, it was comforting that our family and friends could be nearby, continually supporting us. We will always be grateful to all those who traveled with us through this journey, providing care, support and hope.”

We Our Donor Family

In the spirit of social distancing, this year's 1902 Club Donor Recognition Event was a drive-thru celebration at Frederick Health Village. Members of the Development Council's Annual Support Committee greeted our 1902 Club members as they picked up their special treats in appreciation for their support.

List reflects gifts of July 15, 2020

ACE Club

ACE stands for A Caring Employee. ACE is the giving club through which our employees contribute to Frederick Health's projects, programs, or areas of greatest need through payroll deduction. We are thankful for the support of the Frederick Health family, whose generosity shows that "ACE Club members don't just make a living; they make a difference!"

Why I Give

“Being a lifetime resident of Frederick’s inner city, Frederick Health has played a major role with caring for close friends and family. Since I became employed here 10 years ago, I have seen significant changes to the 7th Street campus, and many off-site locations have opened to better serve our community.

The growth of Frederick Health not only provides expanded medical care but also more

employment opportunities for members of our community and surrounding areas. It is a great feeling to know that my small contribution is helping to sustain continued growth here at Frederick Health, and to support our growing community.”

Did You Know?

As members of the ACE Club, Frederick Health employees have been financially supporting the hospital through payroll deduction for more than 30 years. These generous employees have already contributed more than **\$230,000** to the hospital's ReEnvisioning Critical Care campaign during its very first year! That's why we say ***"ACE Club members don't just make a living... they make a difference!"***

"While working as a certified nursing assistant, I once had the privilege of caring for someone who became a shining example of selflessness for me. Even while battling recurrent cancer, she decided to donate to the Hurwitz Breast Cancer Fund... simply because she believed in the importance of prevention and early detection for future generations.

I am an employee donor because I believe in Frederick Health and its mission. We are at the center of the city, with many satellite locations to assist with outpatient care. We are a patient-and-family-focused organization, dedicated to providing exemplary, compassionate care to all who walk through our doors. I give because I am happy to be a small part in all of it."

—Greer Garcia
Member since 2017

List reflects gifts received between July 1, 2019 - June 30, 2020

Angel Fund

When one of our employees experiences a financial crisis caused by a catastrophic situation, the Angel Fund may be able to help. Thanks to 608 members of the Frederick Health family who contribute regularly through payroll deduction, the Angel Fund has provided 207 grants totaling more than \$178,000 to employees in need since its founding in 2009.

List reflects commitments as of July 15, 2020

Lasting Legacy

Creating a personal or family legacy in support of the hospital’s programs and services through an estate gift can touch the lives of future generations of patients and caregivers. Members of our Lasting Legacy program have remembered the hospital in their estate plans.

Michael Delauter, Chair
Planned Gifts Committee

Special thanks to the following members of the Planned Gifts Committee for their efforts on behalf of the Lasting Legacy program:

- Michael Delauter,
Chair
- Greg Beal
- Doug Boyle
- Dario Cavazos
- Lena Clark
- Eric Dallavalle
- Craig Habicht
- Shabri Moore
- Chris Murray
- Matt Owens
- Tim Stolz
- Andrea Voeglein
- Brad Young

Living Members

The following donors have made provisions in their estate plans for Frederick Health:

- | | | |
|---|-------------------------------------|---|
| Paul & Carole Arneson | Bess B. Gladhill | Addie Null |

Grateful Patient Program

Every grateful patient has a valuable story to tell...

Our patients and families often ask how they can say “thank you” after a positive experience with us. Our Grateful Patient Program provides a meaningful opportunity for you and your loved ones to express appreciation by sharing your personal words of gratitude.

While every patient and family’s experience is unique, our mission always remains the same: to positively impact the well-being of every individual in our community. Each and every grateful patient story brings this mission to life.

Do you have a story to share? Visit FrederickHealth.org/Donate.

Auxiliary Update

Frederick Health has always relied on hundreds of volunteers to keep the hospital running smoothly, efficiently, and compassionately.

Since March, most of Frederick Health's volunteers have been on hiatus due to COVID-19 restrictions. However, since the end of March, a small group of very dedicated volunteers has worked continuously to make Personal Protective Equipment (PPE) for physicians, nurses, and other Frederick Health staff.

Working either in their homes or at Frederick Health Village in strict compliance with public health guidelines, our volunteers made 5,000 reusable isolation gowns, 10,000 face shields, and numerous other items that were difficult to purchase through conventional sources during the height of the pandemic. Two of these dedicated volunteers are featured working on isolation gowns in the photos to the right, Elsie Warnock and Trevella Foster. In addition, this dedicated group also made 1,000 handmade face masks for Frederick County Public Schools.

We are happy to share that the Frederick Health Auxiliary Gift Shop and Select Seconds Thrift Shop have both reopened with limited hours.

FY2020 → **603** → **62,705.75**
Volunteers Hours

In FY 2020, the Auxiliary donated \$75,000 to be split between the COVID-19 Hospital Support Fund and the Frederick Health Employee Relief Fund.

The Auxiliary is grateful for a \$10,000 COVID relief grant from Delaplaine Fondation that helped offset lost revenue due to temporary closures of the Gift Shop and Select Seconds.

Responding to the COVID-19 Pandemic...

Dear Friends,

For many years, we at Frederick Health have recognized how fortunate we are to serve such a compassionate and generous community. While the past several months have certainly been turbulent and uncertain times, the steadfast support from our friends and neighbors has lifted our spirits, sustained our strength and bolstered our resolve to overcome the challenges of the first pandemic in more than a century.

We are incredibly grateful for your donations of personal protective equipment, medical supplies, meals, snacks and self-care packages. The number of hours our community members spent sewing thousands of masks and isolation gowns for our health care team is impossible to tally. Financial contributions to the COVID-19 Hospital Support and Employee Assistance Funds were, in large part, received without being solicited.

Thank you for being our partner once again – for stepping up without hesitation to support us during this unprecedented health crisis. While we don't know what's to come this fall or winter, you can be sure that Frederick Health is prepared to serve you – a wonderful community that has bestowed such trust, confidence and generosity on us.

With gratitude,

Robin Rose, Vice President & Chief Development Officer
Frederick Health

...With the Help of Our Community

On March 11, 2020, the World Health Organization designated COVID-19 a global pandemic. Shortly after, Frederick Health leadership joined forces with other public health and emergency management organizations to plan for increased hospitalizations, reduce barriers to screening and testing, and improve access to health care for all in the community.

By April, Maryland's hospitals, including Frederick Health, were anticipating shortages of personal protective equipment (PPE), including gloves, protective eyewear, masks, and isolation gowns for frontline workers caring for patients with COVID-19. When the hospital asked for donations of PPE, the community responded generously. A group of volunteer seamstresses was also recruited to sew PPE, producing nearly 5,000 isolation gowns and nearly 10,000 face shields.

Gloves (Latex, Nitrile, Neoprene, Vinyl)	166,135
Protective Eyewear (Glasses, Goggles, Shields)	995
Masks (N95, Handmade, Surgical)	15,800
Handmade Isolation Gowns	5,000
Donations to COVID-19 Hospital Support Fund	\$109,585.00
Donations to COVID-19 Employee Relief Fund	\$78,470.00

As of July 29, 2020, Frederick Health Hospital had discharged 221 patients treated successfully for COVID-19. We are proud to share that, during the peak of the pandemic, hospitals and health departments across the region visited Frederick Health to learn about the forward-thinking, proactive steps being taken to fight this unprecedented health crisis.

Development Office
400 West 7th Street
Frederick, MD 21701-4593

The Frederick Health Development team is available to discuss the many ways in which you or your organization can support the hospital's fundraising efforts. For more information on Frederick Health giving clubs or additional philanthropic opportunities, please call the Development Office at 240-566-3478, email us at Donate@Frederick.Health or visit FrederickHealth.org/Donate.

If you have received more than one copy of this publication, or if you no longer wish to receive it, please let the Development Office know so we can correct our records for future mailings.
