RESOLUCIÓN No.201-3607

De 20 de abril de 2023

“Por medio de la cual se establece la obligación de actualización del Registro Único de Contribuyente (RUC) de personas jurídicas y se publica la lista de distintas personas jurídicas con deficiencias en la información relacionada con el Registro Único de Contribuyentes (RUC)”

EL DIRECTOR GENERAL DE INGRESOS

CONSIDERANDO:

Que la Ley 76 de 22 de diciembre de 1976, en su artículo 7, creó el Registro Único de Contribuyente, y mediante su artículo 10 estableció la obligación de las personas naturales o jurídicas de inscribirse en el Departamento de Registro Único de Contribuyentes.

De igual forma, existen una serie de normas que, a través del tiempo, han insistido en la obligatoriedad que pesa sobre el contribuyente en cuanto a la notificación y actualización de datos ante la Dirección General de Ingresos, y de cualquier cambio que tenga lugar con referencia a la información otorgada.

Que mediante la Ley 6 de 2 de febrero de 2005, que implementa el programa de equidad fiscal, se establece la obligación del contribuyente a comunicar cuando ocurra algún cambio en la información contenida en el Registro Único de Contribuyentes a efecto de que la notificación de los actos administrativos sea realizada en el domicilio fiscal que el contribuyente haya informado en el mismo.

Así como también, la Resolución No.201-1666 de 15 de junio de 2005 emitida por la Dirección General de Ingresos del Ministerio de Economía y Finanzas, por la cual se adopta el uso del nuevo formulario de Registro Único de Contribuyente, para la inscripción de personas naturales y jurídicas, señala la obligación de todos los contribuyentes, con o sin personería jurídica, de inscribirse formalmente en el Registro Único de Contribuyentes y de actualizar la información suministrada cuando ocurran cambios en los datos consignados en la misma, y en el caso de no cumplirse con esta obligación, quedarán sujetos a la sanción establecida en la Ley.

Que el Decreto Ejecutivo No.170 de 1993, modificado por el Decreto Ley 98 de 2010, establece entre los deberes y obligaciones de los contribuyentes la inscripción en el

Registro Único de Contribuyentes de la Dirección General de Ingresos, aportando los datos necesarios e informando oportunamente sus modificaciones.

Que la Ley 76 de 2019, que aprueba el Código de Procedimiento Tributario de la República de Panamá, indica en su artículo 56 la obligación que tiene el contribuyente u obligado tributario de actualizar ante la Dirección General de Ingresos, cualquier cambio en la información que aportó al Registro Único de Contribuyentes, de modo que, mientras no se actualice dicha información, se considerará vigente el domicilio declarado inicialmente.

Que el contribuyente, una vez registrado en el Registro Único de Contribuyentes, está obligado a proceder con la correspondiente actualización de datos en caso de que la información suministrada a la Dirección General de Ingresos cambie de alguna forma, quedando sujeto a las sanciones correspondientes en caso de no cumplir con dicha obligación.

Que mediante la Resolución No.201-4393 de 21 de junio de 2022 emitida por la Dirección General de Ingresos del Ministerio de Economía y Finanzas, por la cual se establece la obligación de actualización del Registro Único del Contribuyente (RUC), señala la obligación que tienen todos los contribuyentes de actualizar la información suministrada a la Dirección General de Ingresos en el Registro Único de Contribuyentes cuando ocurran cambios en los datos consignados en la misma, y en el caso de no cumplirse con esta obligación, quedarán sujetos a la sanción establecida en la Ley.

Que el artículo 5 del Decreto de Gabinete No.109 de 1970, indica, que el Director General de Ingresos es responsable de la planificación, dirección, coordinación y control de la organización administrativa y funcional de la Dirección General de Ingresos, así como de la permanente adecuación y perfeccionamiento de las estructuras y procedimientos administrativos, inherentes a la función de administrar las leyes tributarias bajo su competencia. Asimismo, el artículo 6 del mismo cuerpo legal, faculta al Director General de Ingresos para emitir resoluciones de carácter general para regular las relaciones formales de los contribuyentes.

Que teniendo en cuenta, el contenido de las normas antes citadas, nos encontramos ante distintas deficiencias en la información relacionada a personas jurídicas que se encuentran registradas en la Dirección General de Ingresos, específicamente en el Registro Único de Contribuyentes (RUC) y la base de datos del Registro Público de Panamá. Por tanto, se hace necesario requerir la actualización de la información suministrada a la Dirección General de Ingresos para que exista una similitud íntegra con los datos del Registro Público de Panamá.

Por las consideraciones antes mencionadas, el Director General de Ingresos, en uso de las facultades que le confiere la Ley,

RESUELVE:

PRIMERO. PUBLICAR la siguiente lista de personas jurídicas con distintas deficiencias en la información relacionada con el Registro Único de Contribuyentes (RUC) y la base de datos del Registro Público de Panamá, la cual constituye el **ANEXO TOMO I**, con todos los efectos jurídicos que conlleva, toda vez que forma parte íntegra de la presente resolución.

SEGUNDO. INFORMAR a los contribuyentes que aparezcan en el listado de personas jurídicas, presentarse a la Dirección General de Ingresos, ubicada en la Avenida Balboa, calle 41 este, PH Torre Mundial, a fin de proporcionar información actualizada de la persona jurídica.

CUARTO. ORDENAR la publicación de la presente resolución y su anexo en Gaceta Oficial.
