Cerastium beeringianum

Family: Caryophyllaceae

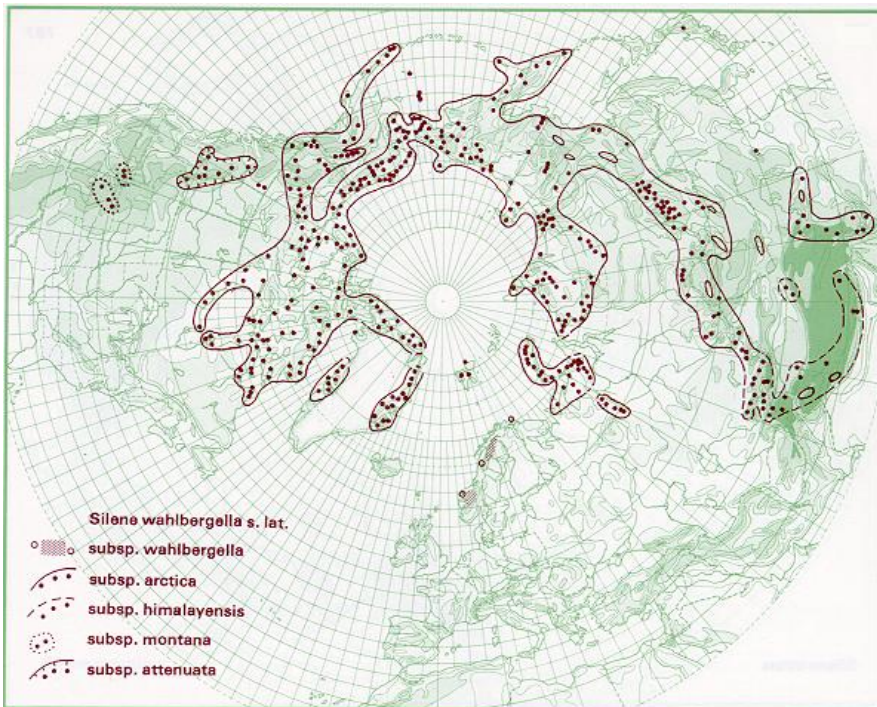

Common name: Beringian Chickweed

Melandrium apetalum

Family: Caryophyllaceae

Common name: Nodding Lychnis

<http://linnaeus.nrm.se/flora/di/caryophylla/silen/silewah.html>

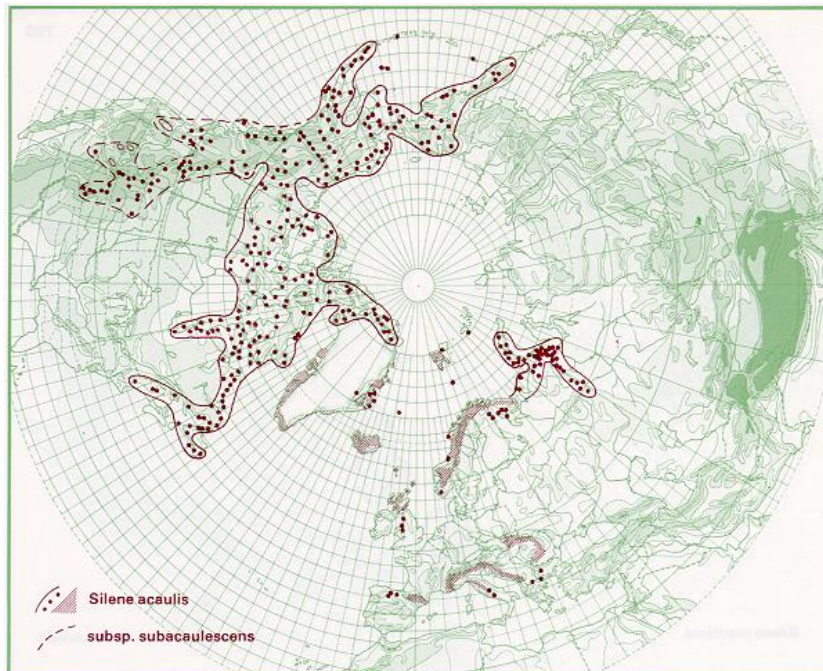

<http://www.finn-j.dk/flora-groenlandica/dicotyledones/melandrium/apetalum-1.html>

Silene acaulis

Family: Caryophyllaceae

Common name: Moss Campion

<http://linnaeus.nrm.se/flora/di/caryophylla/silen/sileaca.html>

<http://pages.unibas.ch/botschoen/alpfor/forschung4.shtml>

Stellaria laeta

Family: Caryophyllaceae

Common name: Long-stalked Stichwort

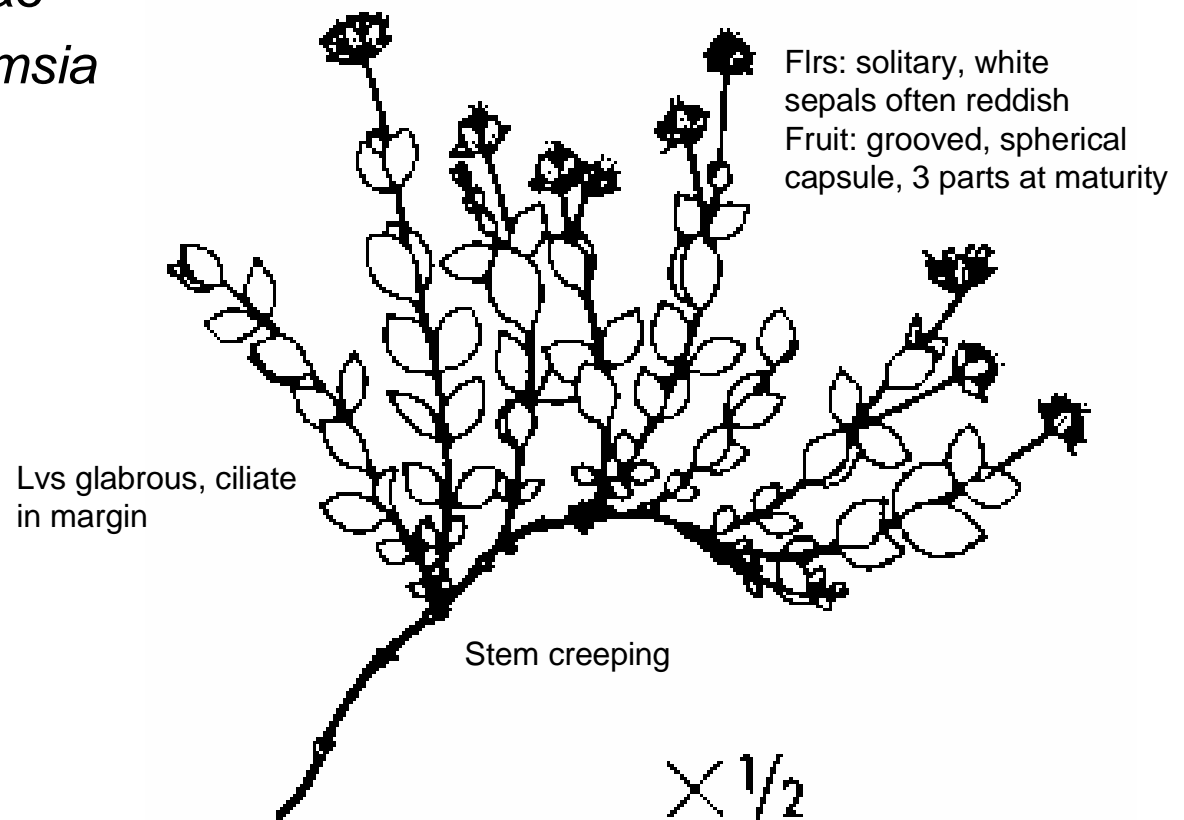

Hulten, Flora of Alaska

Wilhelmsia physodes

Family: Caryophyllaceae

Common name: *Wilhelmsia*

Hulten, Flora of Alaska

Achillea borealis

Family: Asteraceae (Compositae)

Common name: Yarrow

Artemisia arctica

Family: Asteraceae (Compositae)

Common name: Arctic wormwood

<http://kaigan.civil.tohoku.ac.jp/~sawamoto/Gallery.HTM>

http://people.ucsc.edu/~mikeloso/Image_Gallery.html

Artemisia frigida

Family: Asteraceae (Compositae)

Common name: Prairie Sagewort

<http://ww1.clu.net.edu/cr/foot/scientific/fhl-279.htm>

Artemisia tilesii

Family: Asteraceae (Compositae)

Common name: Tilesius's Wormwood

http://www.essencesonline.com/Alaskan_flowerkit.htm

Lvs: smooth green above,
silvery, hairy below

<http://www.ankn.uaf.edu/curriculum/books/Viereck/viereckwormwood.html>

Aster sibiricus

Family: Asteraceae (Compositae)

Common name: Richardson's Aster

Petasites frigidus

Family: Asteraceae (Compositae)

Common name: Lapland Butterbur

Saussurea angustifolia

Family: Asteraceae (Compositae)

Common name: Narrow-leaved Saussurea

Senecio lugens

Family: Asteraceae (Compositae)

Common name: Black-tipped Groundsel

<http://www.agt.net/public/begca/wildflower17.htm>

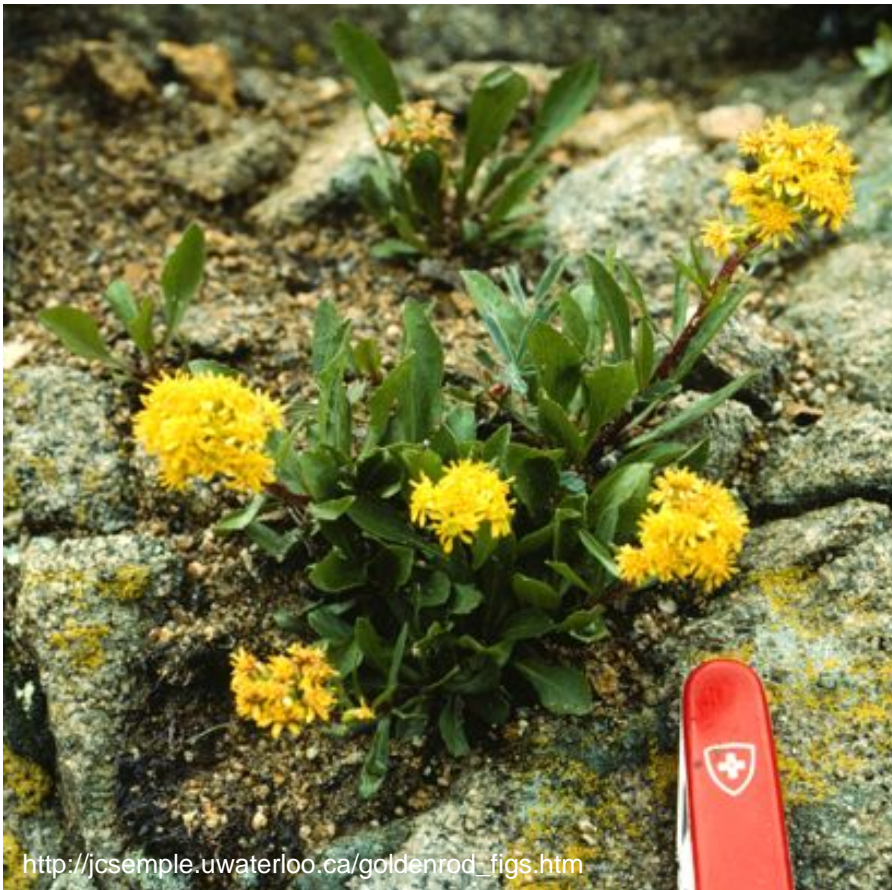

<http://ww1.clunet.edu/cr/waterton/common/wgf-55.htm>

Solidago multiradiata

Family: Asteraceae (Compositae)

Common name: Northern Goldenrod

Taraxacum officinalis

Family: Asteraceae (Compositae)

Common name: Dandelion

http://www.missouriplants.com/Yellowalt/Taraxacum_erythrospermum_page.html

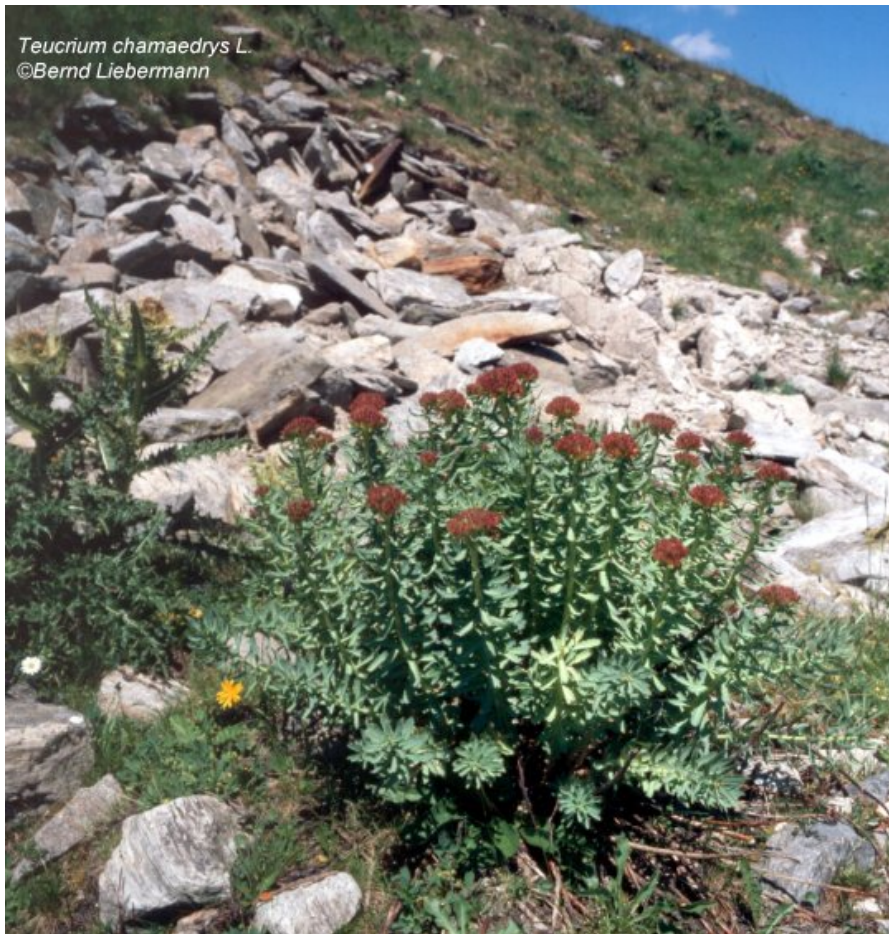

<http://www.robsplants.com/plants/TaraxOffic.php>

Sedum rosea

Family: Crassulaceae

Common name: Roseroot

Cardamine pratensis

Family: Brassicaceae (Cruciferae)

Common name: Cuckoo Flower

<http://www.meemelink.com/prints%20pages/prints.Cruciferae.htm>

Cochlearia officinalis

Family: Brassicaceae (Cruciferae)

Common name: Scurvy Grass

Descurainia sophioides

Family:

Brassicaceae (Cruciferae)

Common name:

Northern Tansy-mustard

Fruit: a silique; elongate-cylindrical (noticeably flattened)

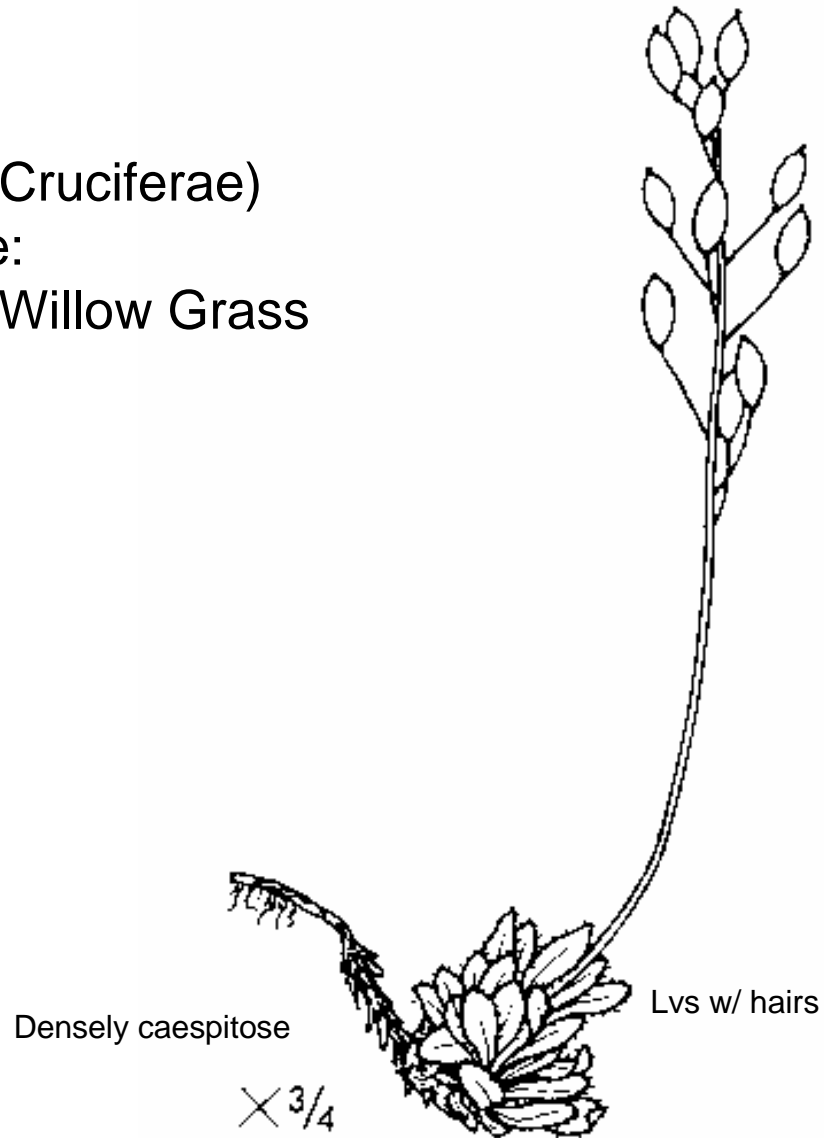

Hulten, Flora of Alaska

Draba macrocarpa

Family:
Brassicaceae (Cruciferae)
Common name:
Oblong-fruited Willow Grass

Flr: 4 yellow petals
Fruit: 7-12 mm silicle, pubescent

Hulten, Flora of Alaska

Lesquerella arctica

http://plants.usda.gov/cgi_bin/plant_profile.cgi?symbol=LEAR2

Parrya nudicaulis

Family: Brassicaceae (Cruciferae)

Common name: Naked-stemmed Parrya

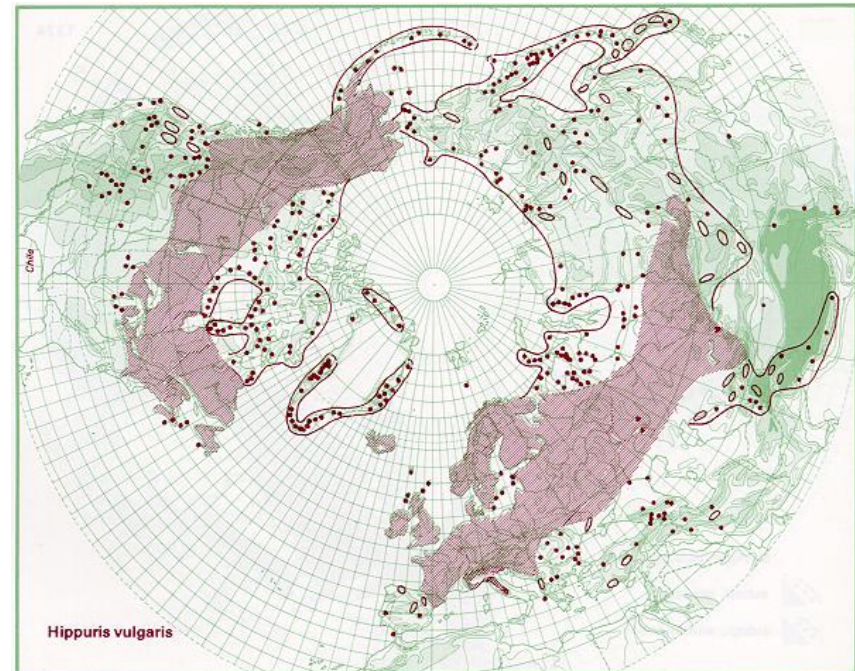

Hippuris vulgaris

Family: Haloragaceae

Common name: Mare's Tail
