Application has also been made to the Luxembourg Stock Exchange for Notes, Certificates and Warrants issued under the Programme for the period of 12 months from the date of publication of this Prospectus to be listed on the official list of the Luxembourg Stock Exchange (the "Official List") and to be admitted to trading on the regulated market of the Luxembourg Stock Exchange (the "Regulated Market"). References in this Prospectus to Notes, Certificates and Warrants being "listed" (and all related references) shall mean that such Notes, Certificates and Warrants have been listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market. The Regulated Market is a regulated market for the purposes of the Directive 2004/39/EC of the European Parliament and of the Council on Markets in financial instruments. However, unlisted Notes, Certificates and Warrants may be issued pursuant to the Programme. The relevant Final Terms (as defined on page 6) in respect of the issue of any Notes, the relevant Final Terms for the Certificates (as defined on page 6) in respect of the issue of any Certificates and the relevant Final Terms for the Warrants (as defined on page 13) in respect of the issue of any Warrants will specify whether or not such Notes, Certificates or Warrants will be listed on the Official List of the Luxembourg Stock Exchange (or any other stock exchange(s)).

Each Tranche of Certificates in bearer form will be represented on issue by a temporary global certificate in bearer form (each a "temporary Global Certificate") or a permanent global certificate in bearer form (each, a "permanent Global Certificate" and together with the temporary Global Certificate, the "Global Certificates"). Information Relating to the Warrants:

- Method of Issue:** The Warrants will be issued on a syndicated or non-syndicated basis. The Warrants will be issued in Series having one or more issue dates and on terms otherwise identical, the Warrants of each Series being intended to be interchangeable with all other Warrants of that Series. Each Series may be issued in Tranches on the same or different issue dates. The specific terms (the “Terms”) of each Tranche (which, save in respect of the issue date, issue price and number of Warrants comprising the Tranche, will be identical to the terms of other Tranches of the same Series) will be set out in a supplement to this Prospectus (the “Final Terms for the Warrants”).
- Issue Price:** The Warrants may be issued at any issue price. The issue price will be specified in the Final Terms for the Warrants.
- Form of Warrants:** The Warrants may be issued in bearer form only (“Bearer Warrants”) or in book-entry form only, being capable of being purchased, transferred and exercised only through an account at Euroclear or Clearstream, Luxembourg (“Book-entry Warrants”). Each Tranche of Bearer Warrants will be represented on issue by a temporary Global Warrant exchangeable for definitive Bearer Warrants 40 days after its issue date. Each Tranche of Book-entry Warrants will be represented by a Global Warrant at all times. Book-entry Warrants will not be issued in definitive form.

- Important Notice for Investors:** Investors should note that the Warrants create options exercisable by the relevant Warrantholder. There is no obligation upon any Warrantholder to exercise his Warrant nor, in the absence of such exercise, any obligation upon the Issuer to pay or cause to be paid any amount in respect of the Warrants. Upon exercise of any Warrants, Warrantholders will be required to make a certification in respect of certain laws of the United

Events of Default and Negative Pledge:	The Warrants will not contain any negative pledge or events of default.
Termination for Illegality:	The Issuer has the right to terminate any Warrants prior to exercise only if its performance under such Warrants has become unlawful. In such circumstances the Issuer will (to the extent permitted by applicable law) cause an amount to be paid to each Warrantholder in respect of each relevant Warrant which is the fair market value of such Warrant immediately prior to such termination. (See “General Conditions of the Book-entry Warrants—Illegality” or “General Conditions of the Bearer Warrants—Illegality”, as the case may be.)

Risk Factors:	There are risk factors that may affect the Issuer’s ability to fulfil its obligations under the Warrants. These include Credit Risk, Market Risk, Operational Risk, Liquidity Risk, Risk Management, Regulatory Risk, uncertain economic conditions and competition. There are risk factors which are material for the purpose of assessing the market risks associated with the Warrants. These include the risk that the Warrants may not be a suitable investment for all investors. There are risk factors that relate to the structure of a potential issue of Warrants. Investment in warrants involves a high degree of risk, certain factors affecting the value and trading price of warrants, Limitations on Exercise, Minimum Exercise Amount, Certain Considerations regarding Hedging and Time Lag after Exercise and Certain Additional Risk Factors Associated with Currency Warrants. There are risks relating to the Warrants generally. These include modifications, waivers and substitution, Basel Capital Requirements Directive, the trading market for debt securities may be volatile and may be adversely impacted by many events, the European Monetary Union, the EU

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under the Notes and/or the Certificates and/or the Warrants. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of all or any of such contingencies occurring.

Factors which the Issuer believes may be material for the purpose of assessing the market risks associated with the Notes, the Certificates and the Warrants issued under the Programme are also described below.

Prospective investors should also read the detailed information set out elsewhere in this Prospectus (including any documents deemed to be incorporated in it by reference) and reach their own views prior to making any investment decision.

Factors that may affect the Issuer's ability to fulfil its obligations under the Notes, the Certificates and the Warrants.

Like other banks, the Issuer faces financial risk in the conduct of its business, such as credit risk, operational risk and market risk (including liquidity risk).

Credit risk

As a credit institution, the Issuer is exposed to the creditworthiness of its customers and counterparties. The Issuer may suffer losses related to the inability of its customers or other counterparties to meet their financial obligations. Most of the commitment decisions concern customers in the local government sector, which is low risk and also subject to specific controls relating to its public nature. The Issuer cannot assume that its level of provisions will be adequate or that it will not have to make significant additional provisions for possible bad and doubtful debts in future periods. Group Risk Management oversees the Dexia Group's risk policy and is responsible for, *inter alia*, setting and managing the risk surveillance function and decision processes and implementing Group-wide risk assessment methods for each of the bank's activities and operational entities.

Market risk

Market risks are all the risks linked to the fluctuations of market prices, including, principally, exposure to loss arising from adverse movements in interest rates, and, to a lesser extent, foreign exchange rates and equity prices, stemming from Dexia Group's capital market activities. Due to the nature of its activity, the Dexia Group is prevented from assuming significant exposure to market risk. It does not act as a market maker and therefore has exposure mainly on its short-term cash management and a portfolio of derivative products with customers that is managed on a market value basis. Market risks generated by the commercial businesses are generally hedged and residual risks are handled by the Asset and Liability Management function.

Operational risk

Within the Issuer, operational risk comprises the exposure to loss from inadequate or failed internal processes, people and systems or from external events (such as, but not limited to natural disasters and fires), risk relating to the security of information systems, litigation risk and reputation risk. Operational risks are inherent in all activities within the organisation, in outsourced activities and in all interaction with external parties. The Issuer's operational risk management framework, set up in 2003, is responsible for, *inter alia*, coordinating the collection of risk event data and risk and control self-assessment within the different entities and activities of the Dexia Group, defining methodological principles, selecting adequate tools and ensuring global consistency. Unforeseen events like severe natural catastrophes, terrorist attacks or other states of emergency can lead to an abrupt interruption of the Issuer's operations, which can cause substantial losses. Such losses can relate to property, financial assets, trading positions and to key employees. Such unforeseen events can also lead to additional costs (such as relocation of employees affected) and increase the Issuer's costs (such as insurance premiums). Such events may also make insurance coverage for certain risks unavailable and thus increase the Issuer's risk.

As with most other banks, the Issuer relies heavily on communications and information systems to conduct its business. Any failure or interruption or breach in security of these systems could result in failures or interruptions in the Issuer's customer relationship management, general

ledger, deposit, servicing and/or loan organisation systems. The Issuer cannot provide assurances that such failures or interruptions will not occur or, if they do occur, that they will be adequately addressed. The occurrence of any failures or interruptions could have a material adverse effect on the Issuer's financial condition and results of operations.

Liquidity risk

The objective of liquidity management is to ensure that, at all times, the Issuer holds sufficient funds to meet its contracted and contingent commitments to customers and counterparties, at an economic price. All the main issues regarding liquidity risk are directly managed by the Dexia Group's Asset and Liability Management function, which carefully manages the Dexia Group's resources and their use, in particular, the adequacy of expected new lending production with the available resources and the Dexia Group's liquidity needs.

Risk Management

Monitoring of the risks relating to the Issuer and its operations and the banking industry is performed jointly by the appropriate committees and the Risk Management department, with the help of tools that it develops, in compliance with the guidelines established by the Dexia Group and all legal constraints and rules of prudence. As regards the supervision of risks in the subsidiaries and branches, each entity has its own local risk management structure. These structures are strictly independent of the front-offices and reporting to the Issuer's Local Risk Management department either directly (branches) or functionally (subsidiaries).

Regulatory risk

The Issuer's business activities are subject to substantial regulation and regulatory oversight in the jurisdictions in which it operates. Current, together with future regulatory developments, including changes to accounting standards and the amount of regulatory capital required to support the risk, could have an adverse effect impacting on how the Issuer conducts its business and on the results of its operations. The Issuer's business and earnings are also affected by fiscal and other policies that are adopted by the various regulatory authorities of the European Union, foreign governments and international agencies. The nature and impact of future changes in such policies are not predictable and are beyond the Issuer's control.

Uncertain economic conditions

The Issuer's business activities are dependant on the level of banking, finance and financial services required by its customers. In particular, levels of borrowing are heavily dependent on customer confidence, market interest rates and other factors that affect the economy. Although in recent years there have been significant adverse developments in world markets, the current outlook for the world economy is improving. The profitability of the Issuer's businesses could, therefore, be adversely affected by a worsening of general economic conditions in its markets, as well as by foreign and domestic trading market conditions and/or related factors, including governmental policies and initiatives. An economic downturn or significantly higher interest rates could increase the risk that a greater number of the Issuer's customers would default on their loans or other obligations to the Issuer, or would refrain from seeking additional borrowing.

Competition

The Issuer faces strong competition across all its markets from local and international financial institutions including banks, building societies, life insurance companies and mutual insurance organisations. While the Issuer believes it is positioned to compete effectively with these competitors, there can be no assurance that increased competition will not adversely affect the Issuer in one or more of the markets in which it operates.

Factors which are material for the purpose of assessing the market risks associated with the Notes, the Certificates and the Warrants.

Notes, Certificates and Warrants may not be a suitable investment for all investors

Each potential investor in any Notes and/or Certificates and/or Warrants must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes and/or Certificates and/or Warrants, the merits and risks of investing in

- the relevant Notes and/or Certificates and/or Warrants and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes, Certificates and/or Warrants and the impact such investment will have on its overall investment portfolio;
 - (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Notes and/or Certificates and/or Warrants, including where principal or interest is payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
 - (iv) understand thoroughly the terms of the relevant Notes and/or Certificates and/or Warrants and be familiar with the behaviour of any relevant indices and financial markets; and
 - (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes and/or Certificates and/or Warrants are complex financial instruments and such instruments may be purchased as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes, Certificates and/or Warrants which are complex financial instruments unless it has the expertise (either alone or with the help of a financial adviser) to evaluate how the Notes and/or Certificates and/or Warrants will perform under changing conditions, the resulting effects on the value of such Notes and/or Certificates and/or Warrants and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes and Certificates

A wide range of Notes and Certificates may be issued under the Programme. A number of these Notes and/or Certificates may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

Notes and Certificates subject to optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of Notes and/or Certificates. During any period when the Issuer may elect to redeem Notes and/or Certificates, the market value of those Notes and/or Certificates generally will not rise substantially above the price at which they can be redeemed. This may also be true prior to any redemption period.

The Issuer may be expected to redeem Notes and/or Certificates when its cost of borrowing is lower than the interest rate on the Notes and/or Certificates. As a consequence, part of the capital invested by the Noteholder and Certificateholder, as the case may be, may be lost, so that the Noteholder and Certificateholder, as the case may be, in such case would not receive the total amount of the capital invested. In addition, investors that choose to reinvest monies they receive through an early redemption may be able to do so only in securities with a lower yield than the redeemed Notes and/or Certificates. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index Linked Notes, Dual Currency Notes and Index Linked Certificates

The Issuer may issue Notes and Certificates with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "Relevant Factor"). An investment in Index Linked Notes or Index Linked Certificates entails significant risks that are not associated with similar investments in a conventional fixed or floating rate debt security. The Issuer believes that Index Linked Notes or Index Linked Certificates should only be purchased by investors who are, or who are purchasing under the guidance of, financial institutions or other professional investors that are in a position to understand the special risks that an investment in these instruments involves. Potential investors should be aware that:

- (i) the market price of such Notes and Certificates may be volatile;

- (ii) such index or indices may be subject to significant changes, whether due to the composition of the index itself, or because of fluctuations in value of the indexed assets;
- (iii) the resulting interest rate will be less (or may be more) than that payable on a conventional debt security issued by the Issuer at the same time;
- (iv) payment of principal or interest may occur at a different time or in a different currency than expected;
- (v) the holder of an Index Linked Note or Index Linked Certificate could lose all or a substantial portion of the principal of such Note or Certificate (whether payable at maturity or upon redemption or repayment), and, if the principal is lost, interest may cease to be payable on the Index Linked Note or Index Linked Certificate;
- (vi) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vii) if a Relevant Factor is applied to Notes or Certificates in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable will likely be magnified;
- (viii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield;
- (ix) the risks of investing in an Index Linked Note or Index Linked Certificate encompass both risks relating to the underlying indexed securities and risks that are unique to the Note or Certificate itself;
- (x) any Index Linked Note or Index Linked Certificate that is indexed to more than one type of underlying asset, or on formulas that encompass the risks associated with more than one type of asset, may carry levels of risk that are greater than Notes or Certificates that are indexed to one type of asset only;
- (xi) it may not be possible for investors to hedge their exposure to these various risks relating to Index Linked Notes or Index Linked Certificates; and
- (xii) a significant market disruption could mean that the index on which the Index Linked Notes or Index Linked Certificates are based ceases to exist.

In addition, the value of Index Linked Notes or Index Linked Certificates on the secondary market is subject to greater levels of risk than is the value of other Notes or Certificates. The secondary market, if any, for Index Linked Notes or Index Linked Certificates will be affected by a number of factors, independent of the creditworthiness of the Issuer and the value of the applicable currency, stock, interest rate or other index, including the volatility of the applicable currency, stock, interest rate or other index, the time remaining to the maturity of such Notes or Certificates, the amount outstanding of such Notes or Certificates and market interest rates. The value of the applicable currency, stock, interest rate or other index depends on a number of interrelated factors, including economic, financial and political events, over which the Issuer has no control. Additionally, if the formula used to determine the amount of principal, premium and/or interest payable with respect to Index Linked Notes or Index Linked Certificates contains a multiplier or leverage factor, the effect of any change in the applicable currency, stock, interest rate or other index will be increased. The historical experience of the relevant currencies, commodities, stocks, interest rates or other indices should not be taken as an indication of future performance of such currencies, stocks, interest rates or other indices during the term of any Index Linked Note or Index Linked Certificate. Additionally, there may be regulatory and other ramifications associated with the ownership by certain investors of certain Index Linked Notes or Index Linked Certificates.

Various transactions by the Issuer could impact the performance of any Index Linked Notes or Index Linked Certificates, which could lead to conflicts of interest between the Issuer and holders of its Index Linked Notes or Index Linked Certificates.

The Issuer is active in the international securities and currency markets on a daily basis. It may thus, for its own account or for the account of customers, engage in transactions directly or

indirectly involving assets that are “reference assets” under Index Linked Notes or Index Linked Certificates and may make decisions regarding these transactions in the same manner as it would if the Index Linked Notes or Index Linked Certificates had not been issued. The Issuer and its affiliates may on the issue date of the Index Linked Notes or Index Linked Certificates or at any time thereafter be in possession of information in relation to any reference assets that may be material to holders of any Index Linked Notes or Index Linked Certificates and that may not be publicly available or known to the Noteholders or Certificateholders, as the case may be. There is no obligation on the part of the Issuer to disclose any such business or information to the Noteholders or Certificateholders, as the case may be.

Partly-Paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing some or all of its investment.

Variable Rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include such features.

Fixed/Floating Rate Notes and Fixed/Floating Rate Certificates

Fixed/Floating Rate Notes and Fixed/Floating Rate Certificates may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer’s ability to convert the interest rate will affect the secondary market and the market value of such Notes and Certificates, since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes and Fixed/Floating Rate Certificates may be less favourable than then prevailing spreads on comparable Floating Rate Notes or Floating Rate Certificates tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes or Certificates. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes or Certificates.

Investors will not be able to calculate in advance their rate of return on Floating Rate Notes or Floating Rate Certificates

A key difference between (i) Floating Rate Notes and Floating Rate Certificates and (ii) Fixed Rate Notes and Fixed Rate Certificates is that interest income on Floating Rate Notes and Floating Rate Certificates cannot be anticipated. Due to varying interest income, investors are not able to determine a definite yield of Floating Rate Notes and Floating Rate Certificates at the time they purchase them, so that their return on investment cannot be compared with that of investments having longer fixed interest periods. If the terms and conditions of the Notes or Certificates provide for frequent interest payment dates, investors are exposed to the reinvestment risk if market interest rates decline. That is, investors may reinvest the interest income paid to them only at the relevant lower interest rates then prevailing.

Zero Coupon Notes are subject to higher price fluctuations than non-discounted notes

Changes in market interest rates have a substantially stronger impact on the prices of Zero Coupon Notes than on the prices of ordinary notes because the discounted issue prices are substantially below par. If market interest rates increase, Zero Coupon Notes can suffer higher price losses than other notes having the same maturity and credit rating. Due to their leverage effect, Zero Coupon Notes are a type of investment associated with a particularly high price risk.

Notes issued at a substantial discount or premium

The market values of Notes issued at a substantial discount or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Foreign Currency Notes expose investors to foreign-exchange risk as well as to issuer risk

As purchasers of Foreign Currency Notes, investors are exposed to the risk of changing foreign exchange rates. This risk is in addition to any performance risk that relates to the issuer or the type of note being issued.

The Issuer's obligations under Subordinated Notes

The Issuer's obligations under Subordinated Notes will be unsecured and subordinated and will rank junior in priority to the claims of creditors in respect of Subordinated Obligations (as defined in "Terms and Conditions of the Notes"). If no dividend or other distribution has been declared paid or made on any class of the stock or share capital of the Issuer in the immediately preceding Interest Period, then the Issuer may defer the payment of interest on the Subordinated Notes. Such deferral may last until the earliest of (i) the date on which any dividend or other distribution is next declared, paid or made on any class of stock or share capital of the Issuer, (ii) the date set for any repayment permitted under the Conditions of the Subordinated Notes on an undated basis and (iii) the commencement of winding-up of the Issuer.

After Dexia BIL has fully paid all deferred interest on the issue of Subordinated Notes and if that issue of Subordinated Notes remains outstanding, future interest payments on that issue of Subordinated Notes will be subject to further deferral as described above.

Any deferral of interest payments will likely have an adverse effect on the market price of the Subordinated Notes. In addition, as a result of the interest deferral provision of the Subordinated Notes, the market price of the Subordinated Notes may be more volatile than the market prices of other debt securities on which original issue discount or interest accrues that are not subject to such deferrals and may be more sensitive generally to adverse changes in the Issuer's financial condition.

A Noteholder's actual yield on the Notes and Certificates may be reduced from the stated yield by transaction costs

When Notes and Certificates are purchased or sold, several types of incidental costs (including transaction fees and commissions) are incurred in addition to the current price of the security. These incidental costs may significantly reduce or even exclude the profit potential of the Notes and Certificates. For instance, credit institutions as a rule charge their clients for own commissions which are either fixed minimum commissions or pro-rata commissions depending on the order value. To the extent that additional – domestic or foreign – parties are involved in the execution of an order, including but not limited to domestic dealers or brokers in foreign markets, Noteholders and Certificateholders, as the case may be, must take into account that they may also be charged for the brokerage fees, commissions and other fees and expenses of such parties (third party costs).

In addition to such costs directly related to the purchase of securities (direct costs), Noteholders and Certificateholders must also take into account any follow-up costs (such as custody fees). Investors should inform themselves about any additional costs incurred in connection with the purchase, custody or sale of the Notes and Certificates before investing in the Notes and Certificates.

A Noteholder's effective yield on the Notes and Certificates may be diminished by the tax impact on that Noteholder or Certificateholder, as the case may be, of its investment in the Notes and Certificates

Payments of interest on the Notes and Certificates, or profits realised by the Noteholder or certificateholder, as the case may be, upon the sale or repayment of the Notes and Certificates, may be subject to taxation in its home jurisdiction or in other jurisdictions in which it is required to pay taxes. The tax impact on Noteholders and Certificateholders generally is described under "Taxation" below; however, the tax impact on an individual Noteholder or Certificateholder may differ from the situation described for Noteholders and Certificateholders generally. The Issuer advises all investors to contact their own tax advisers for advice on the tax impact of an investment in the Notes and Certificates.

Risks related to the structure of a particular issue of Warrants

Investment in Warrants involves a high degree of risk

Investment in Warrants involves a high degree of risk, which may include, among others, interest rate, foreign exchange, time value and political risks. Prospective purchasers of Warrants should recognise that their Warrants, other than any Warrants having a minimum expiration value, may expire worthless. Purchasers should be prepared to sustain a total loss of the purchase price of their Warrants except, if so indicated in the Final Terms for the Warrants, to the extent of any minimum expiration value attributable to such Warrants. This risk reflects the nature of a Warrant as an asset which, other factors held constant, tends to decline in value over time and which may become worthless when it expires (except to the extent of any minimum expiration value). See "Certain Factors Affecting the Value and Trading Price of Warrants" below. Prospective purchasers of Warrants should be experienced with respect to options and option transactions, should understand the risks of transactions involving the relevant Warrants and should reach an investment decision only after careful consideration, with their advisers, of the suitability of such Warrants in light of their particular financial circumstances, the information set forth herein and the information regarding the relevant Warrants and the particular reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference to which the value of the relevant Warrants may relate, as specified in the applicable Final Terms for the Warrants.

The risk of the loss of some or all of the purchase price of a Warrant upon expiration means that, in order to recover and realise a return upon his or her investment, a purchaser of a Warrant must generally be correct about the direction, timing and magnitude of an anticipated change in the value of the relevant reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis which may be specified in the applicable Final Terms for the Warrants. Assuming all other factors are held constant, the more a Warrant is "out-of-the-money" and the shorter its remaining term to expiration, the greater the risk that purchasers of such Warrants will lose all or part of their investment. With respect to European-style Warrants, the only means through which a holder can realise value from the Warrant prior to the Exercise Date in relation to such Warrant is to sell it at its then market price in an available secondary market.

Fluctuations in the value of the relevant index or basket of indices will affect the value of Index Warrants. Fluctuations in the price of the relevant share or value of the basket of shares will affect the value of Share Warrants. Fluctuations in the price or yield of the relevant debt instrument or value of the basket of debt instruments will affect the value of Debt Warrants. Fluctuations in the rates of exchange between the relevant currencies will affect the value of Currency Warrants. Also, due to the character of the particular market on which a debt instrument is traded, the absence of last sale information and the limited availability of quotations for such debt instrument may make it difficult for many investors to obtain timely, accurate data for the price or yield of such debt instrument. Fluctuations in the value of the relevant commodity or basket of commodities will affect the value of Commodity Warrants. Purchasers of Warrants risk losing their entire investment if the value of the relevant underlying basis of reference does not move in the anticipated direction.

Certain Factors Affecting the Value and Trading Price of Warrants

The Settlement Amount at any time prior to expiration is typically expected to be less than the trading price of such Warrants at that time. The difference between the trading price and the Settlement Amount will reflect, among other things, the "time value" of the Warrants. The "time value" of the Warrants will depend partly upon the length of the period remaining to expiration and expectations concerning the value of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference as specified in the applicable Final Terms for the Warrants. Warrants offer hedging and investment diversification opportunities but also pose some additional risks with regard to interim value. The interim value of the Warrants varies with the price level of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference as specified in the applicable Final Terms for the Warrants, as well as a result of a number of other interrelated factors, including those specified herein.

Before exercising or selling Warrants, Warrantholders should carefully consider, among other things, (i) the trading price of the Warrants, (ii) the value and volatility of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference as specified in the applicable Final Terms for the Warrants, (iii) the time remaining to expiration, (iv) the probable range of Settlement Amounts, (v) any change(s) in interim interest rates and dividend yields if applicable, (vi) any change(s) in currency exchange rates, (vii) the depth of the market or liquidity of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference as specified in the applicable Final Terms for the Warrants and (viii) any related transaction costs.

Limitations on Exercise

If so indicated in the Final Terms for the Warrants, the Issuer will have the option to limit the number of Warrants exercisable on any date (other than the final exercise date) to the maximum number specified in the Final Terms for the Warrants and, in conjunction with such limitation, to limit the number of Warrants exercisable by any person or group of persons (whether or not acting in concert) on such date. In the event that the total number of Warrants being exercised on any date (other than the final exercise date) exceeds such maximum number and the Issuer elects to limit the number of Warrants exercisable on such date, a Warrantholder may not be able to exercise on such date all Warrants that such holder desires to exercise. In any such case, the number of Warrants to be exercised on such date will be reduced until the total number of Warrants exercised on such date no longer exceeds such maximum, such Warrants being selected at the discretion of the Issuer or in any other manner specified in the applicable Final Terms for the Warrants. Unless otherwise specified in the Final Terms for the Warrants, the Warrants tendered for exercise but not exercised on such date will be automatically exercised on the next date on which Warrants may be exercised, subject to the same daily maximum limitation and delayed exercise provisions.

Minimum Exercise Amount

If so indicated in the Final Terms for the Warrants, a Warrantholder must tender a specified number of Warrants at any one time in order to exercise. Thus, Warrantholders with fewer than the specified minimum number of Warrants will either have to sell their Warrants or purchase additional Warrants, incurring transaction costs in each case, in order to realise their investment. Furthermore, holders of such Warrants incur the risk that there may be differences between the trading price of such Warrants and the Settlement Amount of such Warrants.

Certain Considerations Regarding Hedging

Prospective purchasers intending to purchase Warrants to hedge against the market risk associated with investing in a reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference which may be specified in the applicable Final Terms for the Warrants, should recognise the complexities of utilising Warrants in this manner. For example, the value of the Warrants may not exactly correlate with the value of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis which may be specified in the applicable Final Terms for the Warrants. Due to fluctuating supply and demand for the Warrants, there is no assurance that their value will correlate with movements of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis which may be specified in the applicable Final Terms for the Warrants.

Time Lag after Exercise

In the case of any exercise of Warrants, there may be a time lag between the time a Warrantholder gives instructions to exercise and the time the applicable Settlement Amount relating to such exercise is determined. Such delay could be significantly longer than expected, particularly in the case of a delay in exercise of Warrants arising from any daily maximum exercise limitation, the occurrence of a market disruption event (if applicable) or following the imposition of any exchange controls or other similar regulations affecting the ability to obtain or exchange any relevant currency (or basket of currencies) in the case of Currency Warrants. The applicable Settlement Amount may change significantly during any such period, and such movement or movements could decrease the Settlement Amount of the Warrants being exercised and may result in such Settlement Amount being zero.

Certain Additional Risk Factors Associated with Currency Warrants

Fluctuations in exchange rates of the relevant currency (or basket of currencies) will affect the value of Currency Warrants. Furthermore, investors who intend to convert gains or losses from the exercise or sale of Currency Warrants into their home currency may be affected by fluctuations in exchange rates between their home currency and the relevant currency (or basket of currencies). Currency values may be affected by complex political and economic factors, including governmental action to fix or support the value of a currency (or basket of currencies), regardless of other market forces. Purchasers of Currency Warrants risk losing their entire investment if exchange rates of the relevant currency (or basket of currencies) do not move in the anticipated direction.

If additional warrants or options relating to particular currencies or currency indices are subsequently issued, the supply of warrants and options relating to such currencies or currency indices, as applicable, in the market will increase, which could cause the price at which the Warrants and such other warrants and options trade in the secondary market to decline significantly.

Risks related to Notes, Certificates and Warrants generally

Set out below is a brief description of certain risks relating to the Notes, Certificates and Warrants generally:

Modification, waivers and substitution

The Terms and Conditions of the Notes and Certificates contain provisions for calling meetings of Noteholders and Certificateholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders and Certificateholders including Noteholders and Certificateholders who did not attend and vote at the relevant meeting and Noteholders and Certificateholders who voted in a manner contrary to the majority.

Basel Capital Requirements Directive

The introduction in 2007 of the general agreement of the Basel Committee for Bank Supervision for the International Convergence of Capital Measurement and Capital Standards of June 2004, or Basel II, is likely to bring changes to banks' capital ratios, including those of the Issuer. The direction and magnitude of the impact of Basel II will depend on the particular asset structures of each bank and its precise impact on the Issuer cannot be quantified with certainty at this time. The Issuer expects to incur costs in complying with the new guidelines. The new guidelines may also require the Issuer to operate its business in ways that may be less profitable than its present operations.

The trading market for debt securities may be volatile and may be adversely impacted by many events

The market for debt securities issued by banks is influenced by economic and market conditions and, to varying degrees, market conditions, interest rates, currency exchange rates and inflation rates in other European and other industrialised countries. There can be no assurance that events in Europe or elsewhere will not cause market volatility or that such volatility will not adversely affect the price of Notes and/or Certificates and/or Warrants or that economic and market conditions will not have any other adverse effect.

European Monetary Union

If the United Kingdom joins the European Monetary Union prior to the maturity of the Notes and/or Certificates and/or Warrants, there is no assurance that this would not adversely affect investors in the Notes and/or Certificates and/or Warrants. It is possible that prior to the maturity of the Notes and/or Certificates and/or Warrants the United Kingdom may become a participating Member State and that the Euro may become the lawful currency of the United Kingdom. In that event (i) all amounts payable in respect of any Notes and/or Certificates and/or Warrants denominated in Sterling may become payable in Euro (ii) the law may allow or require such Notes and/or Certificates and/or Warrants to be re-denominated into Euro and additional measures to be taken in respect of such Notes and/or Certificates and/or Warrants; and (iii) there may no longer be available published or displayed rates for deposits in Sterling used to determine the rates of interest on such Notes and/or Certificates and/or Warrants or changes in the way those rates are calculated, quoted and published or displayed. The introduction of the Euro could also be accompanied by a volatile interest rate environment, which could adversely affect investors in the Notes and/or Certificates and/or Warrants.

EU Savings Directive

Under EC Council Directive 2003/48/EC on taxation of savings income, Member States are required, from 1 July, 2005, to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are required (unless during that period they elect otherwise) to operate instead a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories, including Switzerland, have adopted similar measures (a withholding system in the case of Switzerland) with effect from the same date.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer, any Paying Agent, nor any other person would be obliged to pay additional amounts with respect to any Note or Certificates as a result of the imposition of such withholding tax. If a withholding tax is imposed on a payment made by a Paying Agent, the Issuer will be required, save as provided in the Terms and Conditions of the Notes and Certificates, to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

Change of law

The Terms and Conditions of the Certificates and the General Conditions of the Book-Entry Warrants are, and the Terms and Conditions of the Senior Notes may be, based on English law, and the Terms and Conditions of the Subordinated Notes and the General Conditions of the Bearer Warrants are, and the Terms and Conditions of the Senior Notes may be, based on Luxembourg law, in each case in effect as at the date of issue of the relevant Notes and/or Certificates and/or Warrants. No assurance can be given as to the impact of any possible judicial decision or change to English law or Luxembourg law or administrative practice after the date of issue of the relevant Notes and/or Certificates and/or Warrants.

Factors which are material for the purpose of assessing the market risks associated with the Certificates

General

The Certificates involve a high degree of risk, which may include, among others, interest rate, foreign exchange, time value and political risks. Prospective purchasers of Certificates should recognise that their Certificates, other than any Certificates having a minimum expiration or redemption value, may expire or mature worthless. Purchasers should be prepared to sustain a total loss of the purchase price of their Certificates, except, if so indicated in the Final Terms, to the extent of any minimum expiration or redemption value attributable to such Certificates. This risk reflects the nature of a Certificates as an asset which, other factors held constant, tends to decline in value over time and which may become worthless when it expires or matures (except to the extent of any minimum expiration or redemption value). Prospective purchasers of Certificates should be experienced with respect to options and option transactions, should understand the risks of transactions involving the relevant Certificates and should reach an investment decision only after careful consideration, with their advisers, of the suitability of such Certificates in light of their particular financial circumstances, the information set forth herein and the information regarding the relevant Certificates and the particular reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities), funds (or basket of funds) or other basis of reference to which the value of the relevant Certificates may relate, as specified in the applicable Final Terms.

Risk of Loss of Investments

The trading price of Certificates may fall in value as rapidly as it may rise and holders of Certificates may sustain a total loss of their investment. Prospective purchasers should therefore ensure that they understand the nature of Certificates and should form their own view of the merits of Certificates and not rely on information contained in the relevant Final Terms or this Base Prospectus.

The risk of the loss of some or all of the purchase price of a Certificate upon expiration or maturity means that, in order to recover and realise a return upon his or her investment, a

purchaser of a Certificate must generally be correct about the direction, timing and magnitude of an anticipated change in the value of the relevant reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities), funds (or basket of funds) or other basis of reference which may be specified in the applicable Final Terms. Assuming all other factors are held constant, the more a Certificate is "out-of-the-money" and the shorter its remaining term to expiration or maturity, the greater the risk that purchasers of such Certificates will lose all or part of their investment.

Value of Assets Underlying a Certificate

The market price of Certificates at any time is expected to be affected primarily by changes in the price of the asset(s) (the "Relevant Assets") to which such Certificates relate. It is impossible to predict whether the price of the Relevant Assets will rise or fall.

Even where payments in respect of Certificates are not expressly linked to a rate or rates of exchange between currencies, the value of the Certificates could, in certain circumstances, be affected by factors such as fluctuations in the rates of exchange between any currency in which any payment in respect of the Certificates is to be made and any currency in which the Relevant Assets are traded, appreciation or depreciation of any such currencies and any existing or future governmental or other restrictions on the exchangeability of such currencies. There can be no assurance that rates of exchange between any relevant currencies which are current rates at the date of issue of any Certificates will be representative of the relevant rates of exchange used in computing the value of the relevant Certificates at any time thereafter.

Fluctuations in the value of the relevant index or basket of indices will affect the value of Index Linked Certificates. Fluctuations in the price of the relevant shares or value of the basket of shares will affect the value of Share Linked Certificates. Fluctuations in the price or yield of the relevant debt instrument or value of the basket of debt instruments will affect the value of Debt Linked Certificates. Also, due to the character of the particular market on which a debt instrument is traded, the absence of last sale information and the limited availability of quotations for such debt instrument may make it difficult for many investors to obtain timely, accurate data for the price or yield of such debt instrument. Fluctuations in the rates of exchange between the relevant currencies will affect the value of Currency Linked Certificates. Fluctuations in the value of the relevant commodity or basket of commodities will affect the value of Commodity Linked Certificates. Fluctuations in the value of the relevant fund or basket of funds will affect the value of Fund Linked Certificates. Purchasers of Certificates risk losing their entire investment if the value of the relevant underlying basis of reference does not move in the anticipated direction.

The Issuers may issue several issues of Certificates relating to various reference indices, securities, currencies, commodities or other bases specified in the applicable Final Terms. At any given time, the number of Certificates outstanding may be substantial. Certificates provide opportunities for investment and pose risks to investors as a result of fluctuations in the value of the underlying investment. In general, certain of the risks associated with Certificates are similar to those generally applicable to other options or warrants of private corporate issuers. Options or warrants on equities or debt securities are priced primarily on the basis of the value of underlying securities whilst Currency Linked Certificates, Commodity Linked Certificates, Fund Linked Certificates and Index Linked Certificates are priced primarily on the basis of present and expected values of the reference currency (or basket of currencies), commodity (or basket of commodities), funds (or basket of funds) or index (or basket of indices) specified in the applicable Final Terms.

Physical Delivery Certificate

An investment in Physical Delivery Certificates may bear similar market risks to a direct equity investment in the Reference Asset to which such Certificates relate and investors should take advice accordingly. Interest payable on such Certificates may be determined by reference to, and the application of such Interest Rate and / or the payment of such interest amount, may be limited or affected by, the performance of an Index Share, a Debt Security, a Commodity, an Inflation Index or any other underlying security or any combination thereof in the manner specified in the applicable Final Terms of such Interest Index Certificates and, for the avoidance of doubt, the provisions in these Conditions relating to such Index, Share, Debt Security, Commodity, Inflation Index or such underlying security shall apply mutatis mutandis in the manner specified in the applicable Final Terms for the Certificates.

Considerations associated with Certificates relating to Shares or certain Obligations

The market value for the Certificates will be affected by a number of factors in addition to the creditworthiness of the Issuer and the value of the Relevant Assets including, but not limited to, the volatility of the Relevant Assets, the rate of return of the Relevant Assets, the financial results and prospects of the obligor of the Relevant Assets (the "Relevant Obligor"), market interest and yield rates in the Relevant Obligor and/or the Relevant Assets and the time remaining to the expiration or the maturity of the Certificates. In addition, the value of the Relevant Assets may depend on a number of interrelated factors, including economic, financial and political events and factors affecting capital markets generally and the relevant stock exchanges.

Each prospective investor who considers purchasing Certificates should reach an investment decision only after carefully considering the suitability of Certificates in light of its particular circumstances and after obtaining such professional advice as it deems appropriate. The Issuer is not responsible for the lawfulness of the acquisition of the Certificates by a prospective investor, nor is the Issuer a source of advice or credit analysis with respect to the Relevant Assets or the Relevant Obligor. Each prospective investor shall be deemed to have made a representation to such effect each time it purchases the Certificates of any Series.

The Relevant Obligor will have no involvement in the offer and sale of the Certificates and no obligation to the holder of the Certificates. The Relevant Obligor may take actions, such as a merger or sale of assets, without regard to the interests of the Certificateholder. Any of these actions could adversely affect the value of the Certificates.

If the Issuer issue a Certificate linked to a Relevant Asset, the Issuer may include historical information about the Relevant Asset in the applicable Final Terms. Any information about the Relevant Asset that the Issuers may provide will be furnished as a matter of information only, and should not be regarded as indicative of the range of, or trends in, fluctuations in the Relevant Asset that may occur in the future.

Certificates are Unsecured Obligations

The Certificates constitute general, unsecured, contractual obligations of the Issuer and of no other person. Any person who purchases Certificates is relying upon the creditworthiness of the Issuer and has no rights under the Terms and Conditions against any other person. The Certificates will not be secured by any property of the Issuer and all Certificates rank equally among themselves with all other unsecured and unsubordinated obligations of the Issuer.

Illiquid Market

It is not possible to predict the price at which Certificates will trade in the secondary market or whether such market will be liquid or illiquid. The Issuer may, but is not obliged to, list Certificates on a stock exchange. If the Certificates are not listed or traded on any exchange, pricing information for the Certificates may be more difficult to obtain and the liquidity of the Certificates may be adversely affected. If the Issuer does list an issue of Certificates on any stock or other exchange, then the Issuer shall use all reasonable endeavours to maintain such listing. Also, to the extent Certificates of a particular issue are exercised or redeemed, the number of Certificates of such issue outstanding will decrease, resulting in a diminished liquidity for the remaining Certificates of such issue. A decrease in the liquidity of an issue of Certificates may cause, in turn, an increase in the volatility associated with the price of such issue of Certificates.

The Issuer and any Dealer may, but is not obliged to, at any time purchase Certificates at any price in the open market or by tender or private treaty. Any Certificates so purchased may be held or resold or surrendered for cancellation. A Dealer may, but is not obliged to, be a market-maker for an issue of Certificates. Even if a Dealer is a market-maker for an issue of Certificates, the secondary market for such Certificates may be limited. To the extent that an issue of Certificates becomes illiquid, an investor may have to exercise such Certificates to realise value.

Foreign Exchange Risk

Fluctuations in exchange rates of the relevant currency (or one or more of the currencies in a basket of currencies) will affect the value of Currency Linked Certificates. Furthermore, investors who intend to convert gains or losses from the exercise or sale of Currency Linked Certificates into their home currency may be affected by fluctuations in exchange rates between their home currency and the relevant currency (or one or more of the currencies in a basket of currencies).

Currency values may be affected by complex political and economic factors, including governmental action to fix or support the value of a currency (or one or more of the currencies in a basket of currencies), regardless of other market forces. Purchasers of Currency Linked Certificates risk losing their entire investment if exchange rates of the relevant currency (or one or more of the currencies in a basket of currencies) do not move in the anticipated direction.

If additional securities relating to particular currencies or particular currency indices are subsequently issued, the supply of securities relating to such currencies or currency indices, as applicable, in the market will increase, which could cause the price at which the Certificates and such other securities traded in the secondary market to decline significantly.

Taxation

Each Certificateholder will assume and be solely responsible for any and all taxes of any jurisdiction or governmental or regulatory authority, including, without limitation, any state or local taxes or other like assessment or charges that may be applicable to any payment or delivery of assets to it in respect of the Certificates. The Issuers will not pay any additional amounts to Certificateholder to reimburse them for any tax, assessment or charge required to be withheld or deducted by the Issuer or any agent from payments in respect of the Certificates.

Potential investors should seek independent advice as to their tax positions.

Certain Factors Affecting the Value and Trading Price of Certificates

The Cash Settlement Amount or the Redemption Amount (in the case of Cash Settled Certificates) or the value of the Entitlement (in the case of Physical Delivery Certificates) at any time prior to expiration is typically expected to be less than the trading price of such Certificates at that time. The difference between the trading price and the Cash Settlement Amount (in the case of Cash Settled Certificates) or the value of the Entitlement (in the case of Physical Delivery Certificates) will reflect, among other things, the "time value" of the Certificates. The "time value" of the Certificates will depend partly upon the length of the period remaining to expiration or maturity and expectations concerning the value of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities), funds (or basket of funds) or other basis of reference as specified in the applicable Final Terms. Certificates offer hedging and investment diversification opportunities but also pose some additional risks with regard to interim value. The interim value of the Certificates varies with the price level of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities), funds (or basket of funds) or other basis of reference as specified in the applicable Final Terms, as well as due to a number of other interrelated factors, including those specified herein.

Before exercising or selling Certificates, Certificateholders should carefully consider, among other things, (i) the trading price of the Certificates, (ii) the value and volatility of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities), fund (or basket of funds) or other basis of reference as specified in the applicable Final Terms, (iii) the time remaining to expiration or redemption, (iv) in the case of Cash Settled Certificates, the probable range of Cash Settlement Amounts, (v) any change(s) in interim interest rates and dividend yields if applicable, (vi) any change(s) in currency exchange rates, (vii) the depth of the market or liquidity of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference as specified in the applicable Final Terms and (viii) any related transaction costs.

Certain Considerations Regarding Hedging

Prospective purchasers intending to purchase Certificates to hedge against the market risk associated with investing in a reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities), funds (or basket of funds) or other basis of reference which may be specified in the applicable Final Terms, should recognise the complexities of utilising Certificates in this manner. For example, the value of the Certificates may not exactly correlate with the value of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities), funds (or basket of funds) or other basis which may be specified in the applicable Final Terms. Due to fluctuating supply and demand for the Certificates, there is no assurance that

their value will correlate with movements of the reference security (or basket of securities), index (or basket of indices), currency (or basket of currencies), commodity (or basket of commodities), funds (or basket of funds) or other basis which may be specified in the applicable Final Terms. For these reasons, among others, it may not be possible to purchase or liquidate securities in a portfolio at the prices used to calculate the value of any relevant index or basket.

In the ordinary course of their business, including without limitation in connection with their market-making activities, the Issuer and/or any of its affiliates may effect transactions for their own account or for the account of their customers and hold long or short positions in the Relevant Assets. In addition, in connection with the offering of any Certificates, the Issuer or and/or any of their affiliates may enter into one or more hedging transactions with respect to, among others, the Relevant Assets. The entry into of such hedging transactions or the conduct of such market-making, proprietary or other trading activities by the Issuer and/or any of its affiliates, may affect the market price, liquidity or value of the Certificates in a manner adverse to the interests of the holders thereof.

Effect of Credit Rating Reduction

The value of the Certificates is expected to be affected, in part, by investors' general appraisal of the Issuer's creditworthiness. Such perceptions are generally influenced by the ratings accorded to the Issuer's outstanding securities by standard statistical rating services, such as Moody's Investors Service Limited, Standard & Poor's Ratings Services, a division of The McGraw-Hill Companies, Inc., and Fitch Ratings Ltd. A reduction in the rating, if any, accorded to outstanding debt securities of the Issuer by one of these rating agencies could result in a reduction in the trading value of the Certificates.

Time Lag after Exercise or Right to Receive Payments/Delivery

Unless otherwise specified in the applicable Final Terms, in the event entitling receipt of payments or delivery of assets, there will be a time lag between the time the applicable Cash Settlement Amount relating to such exercise is determined and/or such procedures are implemented or satisfied. Any delay between the time of exercise or implementation or satisfaction of such procedures and the determination of the Cash Settlement Amount will be specified in the applicable Final Terms or the applicable Conditions. However, a delay in such determination could be significantly longer, particularly following the imposition of any exchange controls or other similar regulations affecting the ability to obtain or exchange any relevant currency (or basket of currencies) in the case of Currency Linked Certificates. Any such delay could decrease the Cash Settlement Amount of the Certificates being exercised or redeemed from what it might otherwise have been and may result in such Cash Settlement Amount being zero. Certificateholders whose Certificates are being redeemed will not be compensated in respect of any such delay.

On redemption of Physical Delivery Certificates, there will be a time lag between the time redemption occurs and the time the applicable Entitlement is delivered. Any delay between the time of exercise or, as the case may be, the redemption and such delivery will be specified in the applicable Final Terms or the Conditions. However, a delay in delivery could be significantly longer, particularly in the case of Certificates upon due determination by the Calculation Agent that a Settlement Disruption Event occurred at any relevant time. The value of the assets comprising the Entitlement could increase or decrease during this period and could result in the value of the Entitlement being less than the Strike Price or possibly zero. Certificateholders whose Certificates have been redeemed will not be compensated in respect of any such delay.

Potential Conflicts of Interest

The Issuer and/or any of its affiliates may also engage in trading activities (including hedging activities) related to the interest underlying any Certificates and other instruments or derivative products based on or related to the interest underlying any Certificates for their proprietary accounts or for other accounts under their management. The Issuer and/or any of its affiliates may also issue other derivative instruments in respect of the interest underlying any Certificates. Such activities could present certain conflicts of interest, could influence the prices of such shares or other securities and could adversely affect the value of such Certificates.

Because the Calculation Agent may be the Issuer or any of its respective affiliates and/or may be providing a hedge in respect of the Certificates, potential conflicts of interest may exist between the Calculation Agent and holders of the Certificates, including with respect to certain

determinations and judgments that the Calculation Agent must make, including whether Settlement Disruption Event has occurred. The Calculation Agent is obligated to carry out its duties and functions as Calculation Agent in good faith and using its reasonable judgment.

Illegality or Impracticality

If the Issuer determines that the performance of its obligations under any Certificates has become illegal or impracticable in whole or in part for any reason, the Issuer may cancel such Certificates and, if and to the extent permitted by applicable law, pay an amount to each Certificateholder in respect of each Certificate an amount equal to the fair market value of such Certificate, notwithstanding such illegality or impracticality, less the cost to the Issuer and/or its affiliates of unwinding any underlying related hedging arrangements (if any) plus, if already paid by or on behalf of the Certificateholder the Strike Price, all as determined by the Calculation Agent in its sole and absolute discretion.

Risks related to the market generally

Set out below is a brief description of certain market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes and/or Certificates and/or Warrants may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Notes and/or Certificates and/or Warrants easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes and/or Certificates and/or Warrants that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes and/or Certificates and/or Warrants generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes and/or Certificates and/or Warrants.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes and Certificates in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the equivalent yield on the Notes and Certificates in the Investor's Currency, (2) the equivalent value of the principal payable on the Notes and Certificates in the Investor's Currency and (3) the equivalent market value of the Notes and Certificates in the Investor's Currency.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes and Fixed Rate Certificates involves the risk that subsequent changes in market interest rates may adversely affect the value of Fixed Rate Notes or Fixed Rate Certificates.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to an issue of Notes or Certificates. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes or Certificates. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes and/or Certificates and/or Warrants are legal investments for it, (2) Notes and/or Certificates and/or Warrants can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes and/or Certificates and/or Warrants. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes and/or Certificates and/or Warrants under any applicable risk-based capital or similar rules.

TERMS AND CONDITIONS OF THE SENIOR NOTES

The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of Part A of the relevant Final Terms, shall be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Tranche. Either (i) the full text of these terms and conditions together with Part A of the relevant provisions of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non- applicable provisions), shall be endorsed on such Bearer Notes or on the Registered Note Certificates relating to such Registered Notes. All capitalised terms that are not defined in these conditions will have the meanings given to them in the relevant Final Terms. Those definitions will be endorsed on the definitive Notes or Registered Note Certificates, as the case may be. References in these Conditions to “Notes” are to the Senior Notes of one Series only, not to all Senior Notes that may be issued under the Programme.

An Agency Agreement (as further amended or supplemented as at the date of issue of the Notes (the “Issue Date”) (the “Agency Agreement”) dated 9 November, 1995 as amended and restated on 26 March, 2008 between the Issuer acting through its head office or through Dexia Banque Internationale à Luxembourg, société anonyme Singapore Branch and the other agents named in it, has been entered into in relation to the Notes. The fiscal agent, the paying agents, the registrars, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “Fiscal Agent”, the “Paying Agents” (which expression shall include the Fiscal Agent), the “Registrars”, the “Transfer Agents” and the “Calculation Agent(s)”. The Noteholders (as defined below), the holders of the interest coupons (the “Coupons”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “Talons”) (the “Couponholders”) and the holders of the receipts for the payment of instalments of principal (the “Receipts”) relating to Notes in bearer form of which the principal is payable in instalments are deemed to have notice of all of the provisions of the Agency Agreement applicable to them.

Copies of the Agency Agreement are available for inspection free of charge at the specified offices of each of the Paying Agents, the Registrar and the Transfer Agents.

1. Form, Denomination and Title

The Notes are issued in bearer form (“Bearer Notes”, which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form (“Registered Notes”) or in bearer form exchangeable for Registered Notes (“Exchangeable Bearer Notes”) in each case in the Specified Denomination(s) shown hereon.

All Registered Notes shall have the same Specified Denomination. Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same Specified Denomination as the lowest denomination of Exchangeable Bearer Notes.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, an Index Linked Redemption Note, an Instalment Note, a Dual Currency Note or a Partly Paid Note, a combination of any of the foregoing or any other kind of Note depending upon the Interest and Redemption/Payment Basis shown hereon.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered note certificates (“Registered Note Certificates”) and, save as provided in Condition 2(c), each Registered Note Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Registered Note Certificate representing it) or its theft or loss (or that of the related Registered Note Certificate) and no person

shall be liable for so treating the holder.

In these Conditions, “Noteholder” means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2. Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes

(a) Exchange of Exchangeable Bearer Notes:

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same nominal amount of Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Receipts, Coupons and Talons relating to it, at the specified office of any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 7(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.

(b) Transfer of Registered Notes:

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Registered Note Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Registered Note Certificate (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer) duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Registered Note Certificate, a new Registered Note Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Registered Note Certificate representing the enlarged holding shall only be issued against surrender of the Registered Note Certificate representing the existing holding.

(c) Exercise of Options or Partial Redemption in Respect of Registered Notes:

In the case of an exercise of an Issuer’s or Noteholders’ option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Registered Note Certificate, a new Registered Note Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Registered Note Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Registered Note Certificates shall only be issued against surrender of the existing Registered Note Certificates to the Registrar or any Transfer Agent.

(d) Delivery of New Registered Note Certificates:

Each new Registered Note Certificate to be issued pursuant to Conditions 2(a), (b) or (c) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice (as defined in Condition 6(e)) and in each case surrender of the Registered Note Certificate for exchange. Delivery of the new Registered Note Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Registered Note Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Registered Note Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent (as defined in the Agency Agreement) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), “business day” means a day, other than a Saturday or Sunday, on

which banks are open for business in Luxembourg and in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) *Exchange Free of Charge:*

Exchange and transfer of Notes and Registered Note Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) *Closed Periods:*

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of 7 days ending on (and including) any Record Date. An Exchangeable Bearer Note called for redemption may, however, be exchanged for one or more Registered Note(s) in respect of which the Registered Note Certificate is simultaneously surrendered not later than the relevant Record Date.

3. Status

The Notes, Receipts and Coupons constitute (subject to Condition 4) direct, unconditional, unsecured and unsubordinated obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Notes, Receipts and Coupons shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 4, at all times rank at least equally with all other unsecured and unsubordinated indebtedness and monetary obligations of the Issuer present and future (including deposits).

4. Negative Pledge

(a) *Restriction:*

The Issuer undertakes that, so long as any of the Notes, Receipts or Coupons remain outstanding (as defined in the Agency Agreement), it shall not create or have outstanding any mortgage, charge, pledge, lien (other than a lien arising solely by operation of law in the ordinary course of business) or other encumbrance upon, or with respect to, the whole or any part of its present or future property, assets or revenues to secure repayment of, or to secure any guarantee of or indemnity in respect of, any external indebtedness unless the Notes, Receipts and Coupons (A) are, at the same time, secured equally and rateably therewith, or (B) have the benefit of such other security or other arrangement as shall be approved by an Extraordinary Resolution (as defined in the Agency Agreement) of the Noteholders. However, this undertaking shall not include any liabilities, indebtedness, guarantee or depreciation of the Issuer's assets in relation with any issues made by the Issuer's subsidiary, Dexia LdG Banque S.A., in the form of covered bonds or similar instruments.

(b) *External indebtedness:*

In this Condition 4, "external indebtedness" means any obligation for the repayment of borrowed money in the form of, or represented by, bonds, notes, debentures or other securities (i) that on issue were offered through an international group of banks or financial institutions as to more than 50 per cent. in issue amount outside Luxembourg and (ii) that are, or are capable of being, quoted, listed or ordinarily traded on any stock exchange, automated trading system, over-the-counter or other securities market.

5. Interest and Other Calculations

(a) *Interest on Fixed Rate Notes:*

Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(h).

- (b) *Interest on Floating Rate Notes and Index Linked Interest Notes:*
- (i) *Interest Payment Dates:* Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(h). The Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.
- (ii) *Business Day Convention:* If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.
- (iii) *Rate of Interest for Floating Rate Notes:* The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply depending upon which is specified hereon:
- (A) ISDA Determination for Floating Rate Notes
- Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.
- For the purposes of this sub-paragraph (A), "Floating Rate", "Calculation Agent", "Floating Rate Option", "Designated Maturity", "Reset Date" and "Swap Transaction" have the meanings given to those terms in the ISDA Definitions.
- (B) Screen Rate Determination for Floating Rate Notes
- Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:
- (x) (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations, (expressed as a percentage rate per annum) for the Reference Rate which

appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms;

- (y) if the Relevant Screen Page is not available or if sub-paragraph (x)(1) above applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and
- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph,

the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

- (iv) *Rate of Interest for Index Linked Interest Notes:* The Rate of Interest in respect of Index Linked Interest Notes for each interest Accrual Period shall be determined in the manner specified hereon and interest will accrue by reference to an index or formula as specified hereon.

- (c) *Zero Coupon Notes:*

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(b)(i)).

- (d) *Dual Currency Notes:*

In the case of Dual Currency Notes, if the rate or amount of interest is to be determined by reference to a Rate of Exchange or a method of calculating Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified hereon.

- (e) *Partly-Paid Notes:*

In the case of Partly-Paid Notes (other than Partly-Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified hereon.

- (f) *Accrual of Interest:*

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).

- (g) *Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:*

- (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified hereon, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.

(h) *Calculations:*

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, Calculation Amount specified hereon, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Amounts shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(i) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts:*

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(j) *Definitions:*

In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

“Business Day” means:

- (i) in the case of a currency other than EUR, a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in the principal financial centre for such currency; and/or
- (ii) in the case of EUR a day on which the TARGET System is operating (a “TARGET Business Day”); and/or
- (iii) in the case of a currency and/or one or more Additional Business Centres, a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments in such currency in the Additional Business Centre(s) or, if no currency is indicated, generally in each of the Additional Business Centres.

“Day Count Fraction” means, in respect of the calculation of an amount of interest on any Note for any period of time (from and including the first day of such period to but excluding the

last) (whether or not constituting an Interest Period or an Interest Accrual Period, the “Calculation Period”):

- (i) if “Actual/365” or “Actual/Actual-ISDA” is specified hereon, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (ii) if “Actual/Actual (Fixed)” is specified hereon, the actual number of days in the Calculation Period divided by 365;
- (iii) if “Actual/360” is specified hereon, the actual number of days in the Calculation Period divided by 360;
- (iv) if “30/360”, “360/360” or “Bond Basis” is specified hereon, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows;

$$\text{Day Count Fraction} = \frac{[360 \times (Y^2 - Y^1)] + [30 \times (M^2 - M^1)] + (D^2 - D^1)}{360}$$

where:

“Y¹” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y²” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“M¹” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“M²” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“D¹” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D1 will be 30; and

The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them hereon and for so long as any Note is outstanding. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

6. Redemption, Purchase and Options

(a) *Redemption by Instalments and Final Redemption:*

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 6, each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified hereon. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount.

(b) *Early Redemption:*

(i) Zero Coupon Notes:

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified hereon.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

(ii) Other Notes:

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10, shall be the Final Redemption Amount together (if applicable) with interest accrued to, but excluding, the date fixed for redemption unless otherwise specified hereon.

(c) *Redemption for Taxation Reasons:*

The Notes may be redeemed at the option of the Issuer in whole, but not in part, on any Interest Payment Date (if this Note is either a Floating Rate Note or an Index Linked Note) or at any time (if this Note is neither a Floating Rate Note nor an Index Linked Note), on giving not less than

30 nor more than 45 days' notice to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable), at their Early Redemption Amount (as described in Condition 6(b) above) (together with interest accrued to the date fixed for redemption), if (i) the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 as a result of any change in the laws or regulations of Luxembourg (or Singapore, in the case of Notes issued through the Singapore Branch) (or in the official application of such laws or regulations) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application of such laws or regulations, which change or amendment becomes effective on or after the Issue Date, and (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Before the publication of any notice of redemption pursuant to this paragraph, the Issuer shall make available at the specified offices of the Fiscal Agent and the Paying Agent a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

(d) *Redemption at the Option of the Issuer:*

If Call Option is specified hereon (the details of which will be specified in the relevant Final Terms), the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders in accordance with Condition 14 (or such other notice period as may be specified hereon) redeem all or, if so provided, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified hereon and no greater than the Maximum Redemption Amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption, the notice to Noteholders shall also contain the certificate numbers of the Bearer Notes or, in the case of Registered Notes, shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes to be redeemed which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements.

(e) *Redemption at the Option of Noteholders:*

If Put Option is specified hereon, the Issuer shall, at the option of the holder of any such Note upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified hereon) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option the holder must deposit such Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent (in the case of Bearer Notes) or the Registered Note Certificate representing such Note(s) with the Registrar or any Transfer Agent (in the case of Registered Notes) at its specified office, together with a duly completed option exercise notice ("Exercise Notice") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Registered Note Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

(f) *Partly-Paid Notes:*

Partly-Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified hereon.

(g) *Purchases:*

In addition to Notes, Receipts or Coupons purchased in the ordinary course of dealing in securities on behalf of third parties, the Issuer or any of its Subsidiaries (as defined below) may at any time purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price in accordance with applicable laws (if any). The Notes so purchased, while held by or on behalf of the Issuer or any of its Subsidiaries shall not entitle the holder to vote at any meetings of the Noteholders and shall not be deemed to be outstanding for the purposes of calculating quorums at meetings of the Noteholders or for the purposes of Condition 11 (a). "Subsidiary" means any company 50 per cent. or more of the equity share capital of which is owned directly or indirectly by the Issuer. Such Notes may be reissued or resold by the Issuer or its Subsidiaries.

(h) *Cancellation:*

All Notes that are redeemed shall be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith) and accordingly may not be reissued or resold.

7. Payments and Talons

(a) *Bearer Notes:*

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with a Bank. "Bank" means a bank in the principal financial centre for such currency or, in the case of EUR, in a city in which banks have access to the TARGET System.

- (ii) Interest (which for the purpose of this Condition 7(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "Record Date"). Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) *Payments in the United States:*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments Subject to Fiscal Laws:*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Appointment of Agents:*

The Fiscal Agent, the Paying Agents, the Registrars, the Transfer Agents and any Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Registrars, the Transfer Agents and the Calculation Agent(s) act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, any Registrar, any Transfer Agent or the Calculation Agent and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes in Luxembourg, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in at least two major European cities, (vi) such other agents as may be required by the rules of any other stock exchange on which the Notes may be listed and (vii) to the extent not satisfied by (v) or (vi) above, a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to any law implementing European Union Directive 2003/48/EC or any other European Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000. Notice of any such termination or appointment and of any change in the specified office through which any Paying Agent acts will be given in accordance with Condition 14.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

(f) *Unmatured Coupons and Receipts and unexchanged Talons:*

- (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes (other than Dual Currency Notes or Index Linked Notes) should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, Dual Currency Interest Note or Index Linked Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexpired Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Bearer Note that is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Bearer Note that provides that the relative unexpired Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons, and where any Bearer Note is presented

for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.

- (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Registered Note Certificate representing it, as the case may be.

Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Registered Note Certificate representing it, as the case may be.

(g) *Talons:*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) *Non-Business Days:*

If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph (h), "business day" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "Additional Financial Centres" hereon and:

- (i) (in the case of a payment in a currency other than EUR) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in EUR) which is a TARGET Business Day.

8. Taxation

All payments of principal and interest in respect of the Notes, the Receipts and the Coupons shall be made free and clear of, without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Luxembourg (or Singapore, in the case of Notes issued through the Singapore Branch) or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts as shall result in receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

(a) *Other connection:*

to, or to a third party on behalf of, a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with Luxembourg and/or Singapore (as applicable) other than the mere holding of the Note, Receipt or Coupon;

(b) *Lawful avoidance of withholding:*

complying with, or introduced in order to conform to, such Directive; or

(d) *Payment by another Paying Agent:*

(except in the case of Registered Notes) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

As used in these Conditions, “Relevant Date” in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Registered Note Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) “principal” and/or “interest” shall be deemed to include any additional amounts that may be payable under this Condition.

For so long as the Notes are listed on Euronext Paris, notice of the date, time, place and agenda of such meeting will be published as provided under Condition 14. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the nominal amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Instalment Amount or Redemption Amount is shown hereon, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes or (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in nominal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

(b) *Modification of Agency Agreement:*

The Issuer shall only permit any modification of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

(c) *Substitution:*

The Issuer, or any previous substituted company, may at any time, without the consent of the Noteholders or the Couponholders, substitute for itself as principal debtor under the Notes, the Receipts, the Coupons and the Talons any Subsidiary of the Issuer or the successor company of the Issuer or jointly and severally one or more companies to whom the Issuer has transferred all of its assets and business undertakings (in each case the "Substitute") provided that no payment in respect of the Notes, the Receipts or the Coupons is at the relevant time overdue, no steps have been taken to admit the Issuer to a regime of suspension of payments (*sursis de paiement*) and (except in the case of a solvent reorganisation or amalgamation) no order has been made or resolution passed for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer. Such substitution effected in accordance with this Condition will release the Issuer or any previous substituted company and the Noteholders and Couponholders expressly consent hereto. The substitution shall be made by a deed poll (the "Deed Poll"), to be substantially in the form scheduled to the Agency Agreement as Schedule 10A and may take place only if (i) the Substitute shall, by means of the Deed Poll, agree to indemnify each Noteholder and Couponholder against any tax, duty, assessment, withholding, deduction or governmental charge which is imposed on it by (or by any taxing authority in or of) the jurisdiction of the country of the Substitute's residence for tax purposes and, if different, of its incorporation with respect to any Note, Receipt, Coupon, Talon or the Deed of Covenant and which would not have been so imposed had the substitution not been made, as well as against any tax, duty, assessment or governmental charge, and any cost or expense, relating to the substitution; (ii) if the Substitute is a Subsidiary of the Issuer, the obligations of the Substitute under the Deed Poll, the Notes and the Coupons shall be unconditionally and irrevocably guaranteed by the Issuer or its successor or each of the companies to whom together the Issuer has transferred all of its assets and business undertakings (each a "Guarantor") by means of a guarantee substantially in the form contained in the Deed Poll (the "Guarantee"); (iii) all action, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Deed Poll, the Notes, Receipts, Coupons, Talons and Deed of Covenant represent valid, legally binding and enforceable obligations of the Substitute and in the case of the Deed Poll of the Guarantor have been taken, fulfilled and done and are in full force and effect; (iv) the Substitute shall have become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it; (v) legal opinions addressed to the Noteholders shall have been delivered to them (care of the Fiscal Agent) from a lawyer or firm of lawyers with a leading securities practice in each jurisdiction referred to in (i) above as to the fulfilment of the preceding conditions of this Condition 11(c) and the other matters specified in the Deed Poll; (vi) the substitution does not affect adversely the rating of the Notes by Moody's Investors Service Ltd. and Standard & Poor's Rating Group or if any such rating agency does not exist at the relevant time any two existing internationally recognised rating agencies and (vii) the Issuer shall have given at least 30 days' prior notice of such substitution to the Noteholders, to be published in accordance with Condition 14, stating that copies, or pending execution the agreed text, of all documents in relation to the substitution which are referred to above, or which might otherwise reasonably be regarded as material to Noteholders, will be available for inspection at the specified office of each of the Paying Agents. References in Condition 10 to obligations under the Notes shall be deemed to include obligations under the Deed Poll and, where the Deed Poll contains a Guarantee, the events listed in Condition 10 shall be deemed to include such Guarantee not being (or being claimed by the Guarantor not to be) in full force and effect and the Guarantee shall contain (a) events of default in respect of the Notes in the same terms as Condition 10 of the Notes relating to the Guarantor (except that references in Condition 10(a) to failure to pay principal and interest on the Notes shall be a reference to failure to pay under the Guarantee), (b) clauses relating to the Guarantor in the form of Conditions 6(f) and (9) and (c) and a negative pledge in relation to the Guarantee in the form of Condition 4. References to "outstanding" in relation to the Notes of any Series shall, on a substitution of the Issuer where

the Guarantor guarantees the Notes, not include Notes held by the Guarantor and its subsidiaries for the purposes of (i) ascertaining the right to attend and vote at any meeting of the Noteholders and (ii) the determination of how many Notes are outstanding for the purposes of Condition 11.

The following applies in the case of all Senior Notes governed by Luxembourg law:

(a) *Meetings of Noteholders:*

Noteholders will belong to a masse (the “Masse”) created, among other things, for the representation of their common interests pursuant to the provisions of the law of 10 August, 1915 on commercial companies, as amended (*loi du 10 aout 1915 concernant les sociétés commerciales, telle qu'elle a été modifiée*) (the “Luxembourg Company Law”). The discussion below is based on the Luxembourg Company Law in effect on the Issue Date. Any subsequent amendments to the relevant provisions of the Luxembourg Company Law may amend or modify the discussion below. A general meeting of the Noteholders (the “Masse Meeting”) may appoint and determine the powers of one or more representatives (the “Representatives”). Where Representatives have been appointed, Noteholders may no longer individually exercise their rights against the Issuer. A Masse Meeting may be called at any time by the Representatives (if any) or the Board of Directors of the Issuer. The Representatives, provided an advance on expenses has been paid to them, or the Board of Directors must convene the Masse Meeting if called upon to do so by holders of Notes representing 5 per cent. or more of the Notes outstanding. All Masse Meetings shall be held at the place specified in the notice calling the meeting and such notice must be published as provided under Condition 14. All Noteholders have the right to attend and vote at the Masse Meeting either personally or by proxy. The voting rights attached to the Notes are equal to the proportion of the principal amount of the outstanding Notes represented by the principal amount of the Note or Notes held by the relevant holder. A Masse Meeting may be called in the event of a merger involving the Issuer, may approve certain changes in the rights of the Noteholders and may, generally, determine any measures designed to ensure the defence of interests or the exercise of the rights of the Noteholders in accordance with the provisions of the Luxembourg Company Law. A Masse Meeting may deliberate validly without a quorum and by vote of a simple majority of Noteholders attending or represented at such Masse Meeting on the appointment and revocation of the Representatives, the revocation of special representatives appointed by the Issuer and the approval of any measures of a conservatory nature in the general interests of the Noteholders. On all other matters (except in respect of certain matters, including a change in the nationality of the Issuer, where unanimous consent is required) the Masse Meeting may deliberate validly on first convocation only if Noteholders present or represented hold at least 50 per cent. of the Notes then outstanding. On second convocation no quorum is required. Decisions at such meetings shall be taken by a majority of $66\frac{2}{3}$ per cent. of the votes cast by Noteholders attending such meetings or represented thereat.

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

(b) *Modification of Agency Agreement:*

The Issuer shall only permit any modification of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

(c) *Substitution:*

Subject to the provisions of this Condition, the Noteholders and the Couponholders by subscribing to or purchasing any Notes or Coupons, expressly consent to the Issuer, or any previously substituted company, at any time, substituting for itself as principal debtor under the Notes, the Receipts, the Coupons and the Talons any Subsidiary of the Issuer or the successor company of the Issuer or jointly and severally one or more companies to whom the Issuer has transferred all of its assets and business undertakings (in each case the “Substitute”) provided that no payment in respect of the Notes, the Receipts or the Coupons is at the relevant time overdue, no steps have been taken to admit the Issuer to a regime of suspension of payments (*sursis de paiement*) and (except in the case of a solvent reorganisation or amalgamation) no order has been made or resolution passed for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer. Such substitution effected in accordance with this Condition will release the Issuer or any previous substituted company and the Noteholders and Couponholders expressly consent hereto. The substitution shall be made by written undertaking (the “Undertaking”), to be substantially in the form

scheduled to the Agency Agreement as Schedule 10B and may take place only if (i) the Substitute shall, by means of the Undertaking, agree to indemnify each Noteholder and Couponholder against any tax, duty, assessment, withholding, deduction or governmental charge which is imposed on it by (or by any taxing authority in or of) the jurisdiction of the country of the Substitute's residence for tax purposes and, if different, of its incorporation with respect to any Note, Receipt, Coupon, Talon or the Deed of Covenant and which would not have been so imposed had the substitution not been made, as well as against any tax, duty, assessment or governmental charge, and any cost or expense, relating to the substitution; (ii) if the Substitute is a Subsidiary of the Issuer, the obligations of the Substitute under the Undertaking, the Notes and the Coupons shall be unconditionally and irrevocably guaranteed by the Issuer or its successor or each of the companies to whom together the Issuer has transferred all of its assets and business undertakings (each a "Guarantor") by means of a guarantee substantially in the form contained in the Undertaking (the "Guarantee"); (iii) all action, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Undertaking, the Notes, Receipts, Coupons, Talons and Deed of Covenant represent valid, legally binding and enforceable obligations of the Substitute and in the case of the Undertaking of the Guarantor have been taken, fulfilled and done and are in full force and effect; (iv) the Substitute shall have become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it; (v) legal opinions addressed to the Noteholders shall have been delivered to them (care of the Fiscal Agent) from a lawyer or firm of lawyers with a leading securities practice in each jurisdiction referred to in (i) above as to the fulfilment of the preceding conditions of this Condition 11(c) and the other matters specified in the Undertaking; (vi) the substitution does not affect adversely the rating of the Notes by Moody's Investors Service Ltd. and Standard & Poor's Rating Group or if any such rating agency does not exist at the relevant time any two existing internationally recognised rating agencies and (vii) the Issuer shall have given at least 30 days' prior notice of such substitution to the Noteholders, to be published in accordance with Condition 14, stating that copies, or pending execution the agreed text, of all documents in relation to the substitution which are referred to above, or which might otherwise reasonably be regarded as material to Noteholders, will be available for inspection at the specified office of each of the Paying Agents. References in Condition 10 to obligations under the Notes shall be deemed to include obligations under the Undertaking and, where the Undertaking contains a Guarantee, the events listed in Condition 10 shall be deemed to include such Guarantee not being (or being claimed by the Guarantor not to be) in full force and effect and the Guarantee shall contain (a) events of default in respect of the Notes in the same terms as Condition 10 of the Notes relating to the Guarantor (except that references in Condition 10(a) to failure to pay principal and interest on the Notes shall be a reference to failure to pay under the Guarantee), (b) clauses relating to the Guarantor in the form of Conditions 6(f) and (9) and (c) and a negative pledge in relation to the Guarantee in the form of Condition 4.

12. Replacement of Notes, Registered Note Certificates, Receipts, Coupons and Talons

If a Note, Registered Note Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of a Fiscal Agent (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Registered Note Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Registered Note Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Registered Note Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Registered Note Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

13. Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes having the same terms and conditions as the Notes (so that, for the avoidance of doubt, references in these Conditions to "Issue Date" shall be to the first issue date of the Notes) and so that the same shall be consolidated and form a single series with such Notes,

and references in these Conditions to “Notes” shall be construed accordingly.

14. Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and shall be deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing and, for so long as the Registered Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, such notices shall in addition be published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *d’Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in Luxembourg (which is expected to be the *d’Wort*) except that for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, such notices shall be published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *d’Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates on the date of the first publication as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

15. Currency Indemnity

Any amount received or recovered in a currency other than the currency in which payment under the relevant Note, Coupon or Receipt is due (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or otherwise) by any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the currency of payment under the relevant Note, Coupon or Receipt that the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If the amount received or recovered is less than the amount expressed to be due to the recipient under any Note, Coupon or Receipt, the Issuer shall indemnify it against any loss sustained by it as a result. In any event, the Issuer shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition, it shall be sufficient for the Noteholder or Couponholder, as the case may be, to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Issuer’s other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Noteholder or Couponholder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note, Coupon or Receipt or any other judgment or order.

16. Governing Law and Jurisdiction

The following applies in the case of all Senior Notes other than Senior Notes governed by Luxembourg law:

(a) *Governing Law:*

The Notes, the Receipts, the Coupons and the Talons are governed by, and shall be construed in accordance with, English law. Application of articles 86 to 94-8 of the Luxembourg law of 10 August, 1915 on commercial companies is specifically excluded.

(b) *Jurisdiction:*

The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons (“Proceedings”) may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes, Receipts, Coupons and

Talons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) to the extent permitted by applicable law.

(c) *Service of Process:*

The Issuer irrevocably appoints Dexia Bank Belgium S.A., London Branch at Shackleton House, Hay's Galleria, 4 Battle Bridge Lane, London SE1 2GZ as its agent in England to receive, for it and on its behalf, service of process in any Proceedings in England. For the avoidance of doubt, service of process on the Issuer at the address specified in this Condition 16 will also constitute service of process upon Dexia BIL Singapore. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason such process agent ceases to be able to act as such or no longer has an address in London, the Issuer irrevocably agrees to appoint a substitute process agent and shall immediately notify Noteholders of such appointment in accordance with Condition 14. Nothing shall affect the right to serve process in any manner permitted by law.

The following applies in the case of all Senior Notes governed by Luxembourg law:

(a) *Governing Law:*

The Notes, the Receipts, the Coupons and the Talons are governed by, and shall be construed in accordance with, Luxembourg law.

(b) *Jurisdiction:*

The courts of Luxembourg are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons ("Proceedings") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of Luxembourg and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes, Receipts, Coupons and Talons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) to the extent permitted by applicable law.

The following applies in the case of all Senior Notes other than Senior Notes governed by Luxembourg law:

17. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

TERMS AND CONDITIONS OF THE SUBORDINATED NOTES

The following (apart from the text in italics) is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of Part A of the relevant Final Terms, shall be applicable to the Subordinated Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Tranche. Either (i) the full text of these terms and conditions together with the relevant provisions of Part A of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Registered Note Certificates relating to such Registered Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. Those definitions will be endorsed on the definitive Notes or Registered Note Certificates, as the case may be. References in these Conditions to “Notes” are to the Subordinated Notes of one Series only, not to all Subordinated Notes that may be issued under the Programme.

An Agency Agreement (as further amended or supplemented as at the date of issue of the Notes (the “Issue Date”)) (the “Agency Agreement”) dated 9 November, 1995 as amended and restated on 26 March, 2008 between the Issuer acting through its head office or through Dexia Banque Internationale à Luxembourg, société anonyme Singapore Branch and the other agents named in it has been entered into in relation to the Notes. The fiscal agent, the paying agents, the registrars, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “Fiscal Agent”, the “Paying Agents” (which expression shall include the Fiscal Agent), the “Registrars”, the “Transfer Agents” and the “Calculation Agent(s)”. The Noteholders (as defined below), the holders of the interest coupons (the “Coupons”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “Talons”) (the “Couponholders”) and the holders of the receipts for the payment of instalments of principal (the “Receipts”) relating to Notes in bearer form of which the principal is payable in instalments are deemed to have notice of all of the provisions of the Agency Agreement applicable to them.

Copies of the Agency Agreement are available for inspection free of charge at the specified offices of each of the Paying Agents, the Registrar and the Transfer Agents.

1. Form, Denomination and Title

The Notes are issued in bearer form (“Bearer Notes”, which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form (“Registered Notes”) or in bearer form exchangeable for Registered Notes (“Exchangeable Bearer Notes”) in each case in the Specified Denomination(s) shown hereon.

All Registered Notes shall have the same Specified Denomination. Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same Specified Denomination as the lowest denomination of Exchangeable Bearer Notes.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, an Index Linked Redemption Note, an Instalment Note, a Dual Currency Note or a Partly-Paid Note, a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption/Payment Basis shown hereon.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered note certificates (“Registered Note Certificates”) and, save as provided in Condition 2(c), each Registered Note Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of

ownership, trust or an interest in it, any writing on it (or on the Registered Note Certificate representing it) or its theft or loss (or that of the related Registered Note Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “Noteholder” means the bearer of any Bearer Note and the Receipts (if any) relating to it or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2. Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes

(a) Exchange of Exchangeable Bearer Notes:

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same nominal amount of Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Receipts, Coupons and Talons relating to it, at the specified office of any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 6(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.

(b) Transfer of Registered Notes:

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Registered Note Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Registered Note Certificate (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer) duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Registered Note Certificate, a new Registered Note Certificate shall be issued to the transferee in respect of the part transferred and a further new Registered Note Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Registered Note Certificate representing the enlarged holding shall only be issued against surrender of the Registered Note Certificate representing the existing holding.

(c) Exercise of Options or Partial Redemption in Respect of Registered Notes:

In the case of an exercise of an Issuer’s or Noteholders’ option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Registered Note Certificate, a new Registered Note Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Registered Note Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Registered Note Certificates shall only be issued against surrender of the existing Registered Note Certificates to the Registrar or any Transfer Agent.

(d) Delivery of New Registered Note Certificates:

Each new Registered Note Certificate to be issued pursuant to Conditions 2(a), (b) or (c) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer and in each case surrender of the Registered Note Certificate for exchange. Delivery of the new Registered Note Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer or Registered Note Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Registered Note Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent (as defined in the Agency Agreement) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), “business day” means a day, other than a Saturday or Sunday, on

which banks are open for business in Luxembourg and in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) *Exchange Free of Charge:*

Exchange and transfer of Notes and Registered Note Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) *Closed Periods:*

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 5(e), (iii) after any such Note has been called for redemption or (iv) during the period of 7 days ending on (and including) any Record Date. An Exchangeable Bearer Note called for redemption may, however, be exchanged for one or more Registered Note(s) in respect of which the Registered Note Certificate is simultaneously surrendered not later than the relevant Record Date.

3. Status and Subordination

(a) *Status of Senior Subordinated Notes:*

Notes in respect of which the status is specified hereon as “Senior Subordinated” (“Senior Subordinated Notes”) and the Receipts and Coupons relating to them constitute direct, unsecured and subordinated obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Senior Subordinated Notes and the Receipts and Coupons relating to them shall at all times rank equally with all other Senior Subordinated Obligations (as defined below).

Senior Subordinated Notes that constitute Lower Tier II Capital will have a minimum maturity of five years.

(b) *Subordination of Senior Subordinated Notes:*

In the event of the winding up of the Issuer, the rights of the holders of Senior Subordinated Notes and the Receipts and Coupons relating to them shall rank ahead of:

- (i) those persons whose claims are in respect of any class of equity (including preference shares) of the Issuer; and
- (ii) creditors whose claims are in respect of any obligations of the Issuer that rank or are expressed to rank (whether only in the winding up of the Issuer or otherwise) junior to Senior Subordinated Obligations,

but shall be subordinated to the claims of:

- (iii) all Senior Creditors.

(c) *Status of Junior Subordinated Notes:*

Notes in respect of which the status is specified hereon as “Junior Subordinated” (“Junior Subordinated Notes”) and the Receipts and Coupons relating to them constitute direct, unsecured and subordinated obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Junior Subordinated Notes and the Receipts and Coupons relating to them shall at all times rank equally with all other Junior Subordinated Obligations (as defined below).

Junior Subordinated Notes that have a scheduled maturity date and constitute Upper Tier II Capital will have a minimum maturity of five years or may be undated.

(d) *Subordination of Junior Subordinated Notes:*

The rights of the holders of Junior Subordinated Notes and the Receipts and Coupons relating to them shall rank ahead of:

- (i) those persons whose claims are in respect of any class of equity (including preference shares) of the Issuer; and

- (ii) creditors whose claims are in respect of any obligations that rank or are expressed to rank junior to any Junior Subordinated Obligations or the claims of holders of such Notes, Receipts and Coupons,

but shall be subordinated to the claims of:

- (iii) all other creditors of the Issuer whose claims do not rank or are not expressed to rank *pari passu* with the claims of the holders of Junior Subordinated Notes and are not referred to in paragraph (d) (including creditors whose claims are in respect of Senior Subordinated Obligations);

and payments of principal and interest in respect of the Junior Subordinated Notes will be conditional on the Issuer being solvent at the time of payment by the Issuer and no principal or interest shall be due and payable in respect of the Junior Subordinated Notes except to the extent that the Issuer could make such payment in whole or in part, rateably with payments in respect of Junior Subordinated Notes, and still be solvent immediately thereafter. For the purpose of this paragraph the Issuer shall be solvent if (i) it is able to pay its debts as they fall due, (ii) its Assets exceed its Liabilities, other than its Liabilities to persons who are not Prior Ranking Creditors (in each case as defined below), (iii) the Issuer's Eligible Own Funds are at least equal to the amount of the Issuer's Overall Capital Requirements (in each case as defined below) and (iv) the Issuer's Eligible Own Funds are at least equal to the minimum amount set out in Article 8 of the Law of 5 April, 1993 on the financial sector, as amended. A report as to the solvency of the Issuer by two directors of the Issuer or (if the Issuer is in winding-up) its liquidator shall in the absence of proven error be treated and accepted by the Issuer and the holders of Junior Subordinated Notes and the Receipts and Coupons relating to them as correct and sufficient evidence thereof.

(e) *Defined Terms:*

In this Condition:

"Assets" means the total assets of the Issuer and "Liabilities" means the total liabilities of the Issuer (excluding for the avoidance of doubt, any capital, reserves, profits for the relevant financial year, profits brought forward or funds for general banking risks) each as shown by the latest published non-consolidated audited balance sheet of the Issuer, but adjusted for contingencies and for subsequent events, valued in such manner as such directors or liquidator (as the case may be) referred to above may determine consistent with generally accepted accounting principles;

"Circular" means Circular No. 06/273 entitled "The definition of capital adequacy ratios pursuant to Article 56 of the Law of 5 April, 1993 on the financial sector (application to credit institutions)" issued by the *Commission de Surveillance du Secteur Financier* (the "CSSF");

"Eligible Own Funds" shall have the meaning given thereto in, and be calculated in accordance with, the Circular;

"Junior Subordinated Obligations" means claims of creditors of the Issuer which are subordinated so as to rank or are expressed to rank *pari passu* with the claims of the holders of Junior Subordinated Notes and the Receipts and Coupons relating to them;

"Overall Capital Requirements" shall have the meaning given thereto in, and be calculated in accordance with, the Circular;

"Prior Ranking Creditors" means all creditors of the Issuer other than the creditors whose claims are referred to in paragraph (d)(2) above and creditors whose claims rank or are expressed to rank *pari passu* with the claims of holders of the Junior Subordinated Notes and the Receipts and Coupons relating to them and for the avoidance of doubt, other than all persons whose claims are referred to in paragraph (d)(1) above;

"Senior Creditors" means all creditors of the Issuer who are depositors or other general, unsubordinated creditors; and

"Senior Subordinated Obligations" means all indebtedness and monetary obligations of the Issuer present and future that rank or are expressed to rank junior in right of payment (whether only in the event of the winding up of the Issuer or otherwise) to the claims of Senior Creditors but that are not subordinated so as to rank in point of subordination junior to any other obligations of the Issuer.

If the Issuer would not otherwise be solvent for the purposes of this paragraph, the amount of the principal and sums which would otherwise be payable as interest on the Junior Subordinated Notes will be available to meet any losses of the Issuer.

4. Interest and Other Calculations

(a) *Rate of Interest and Accrual on Senior Subordinated Notes and Optional and Compulsory Payment of Interest on Junior Subordinated Notes:*

- (i) Each Senior Subordinated Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be calculated in accordance with Condition 4(h).
- (ii) Each Junior Subordinated Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest. Interest on Junior Subordinated Notes shall (subject to Condition 3(d)) be payable on each Compulsory Interest Payment Date in respect of the interest accrued in the Interest Period ending on the day immediately preceding such date. On any Optional Interest Payment Date there may be paid (if the Issuer so elects but subject to Condition 3(d)) the interest accrued in the Interest Period ending on the day immediately preceding such date but the Issuer shall not have any obligation to make such payment and any failure to pay shall not constitute a default by the Issuer for any purpose. The Issuer shall notify the Noteholders five business days prior to each Interest Payment Date of the result of such election.
- (iii) Without prejudice to Condition 9(b), any interest not paid on an Interest Payment Date relating to a Junior Subordinated Note shall, so long as the same remains unpaid, constitute "Arrears of Interest". Arrears of Interest may at the option of the Issuer be paid in whole or in part at any time after the expiry of and after not less than seven days' notice to such effect given by the Issuer to the Noteholders in accordance with Condition 13 below provided that all accrued Additional Interest as defined below on such Arrears of Interest is paid. All Arrears of Interest on all Junior Subordinated Notes outstanding shall (subject to Condition 3(d)) become due in full on whichever is the earliest of (A) the Interest Payment Date immediately following the date upon which a dividend is next declared on any class of share capital of the Issuer, (B) the date set for redemption in respect of any Junior Subordinated Note pursuant to Condition 5 or, where all the Junior Subordinated Notes are purchased by the Issuer (other than in the ordinary course of the business of dealing in securities on behalf of third parties) pursuant to Condition 5(g), and (C) the date that an order is made or an effective resolution is passed for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer.

if notice is given by the Issuer of its intention to pay the whole or part of Arrears of Interest, the Issuer shall be obliged (subject to Condition 3(d)) to do so on the expiry of such notice.

Where Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full.

In these Conditions:

"Compulsory Interest Payment Date" means if, in the twelve months ending on the day immediately preceding an Interest Payment Date, any dividend has been declared on any class of share capital of the Issuer, that Interest Payment Date; and

"Optional Interest Payment Date" means any Interest Payment Date other than a Compulsory Interest Payment Date.

- (iv) Arrears of Interest shall bear interest ("Additional Interest") at the Rate of Interest plus an additional rate of 1.5 per cent. per annum which shall be calculated in accordance with paragraph (f) below and accrue on a daily basis, for each successive period of twelve calendar months ("Additional Interest Period") from and including the first

Interest Payment Date on which such Arrears of Interest may or should have been paid and ending on the day immediately preceding the last date of the Additional Interest Period. The Issuer can elect to pay any Additional Interest on the date that any Arrears of Interest are to be paid by the Issuer pursuant to these Conditions but the Issuer shall not have any obligation to make such payment and any failure to pay shall not constitute a default by the Issuer for any purpose. All Additional Interest which is not paid on any Interest Payment Date at the end of each Additional Interest Period, shall become Arrears of Interest and bear interest accordingly.

- (v) Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment of principal is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date (as defined in Condition 7).

(b) *Interest on Floating Rate Notes and Index Linked Interest Notes:*

(i) *Interest Payment Dates:*

Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(h). The Interest Payment Date(s) is/are either shown hereon, as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) *Business Day Convention:*

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) *Rate of Interest for Floating Rate Notes:*

The Rate of Interest in respect of Floating Rate Notes, for each Interest Accrual Period shall be determined in the manner specified herein and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply depending upon which is specified hereon:

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and

- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

for the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity”, “Reset Date” and “Swap Transaction” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period:

- (x) (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms;

- (y) if the Relevant Screen Page is not available or if sub-paragraph (x)(1) above applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and
- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent

with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(iv) *Rate of Interest for Index Linked Interest Notes:*

The Rate of Interest in respect of Index Linked Interest Notes for each Interest Accrual Period shall be determined in the manner specified hereon and interest will accrue by reference to an Index or Formula as specified hereon.

(c) *Zero Coupon Senior Subordinated Notes:*

Where a Senior Subordinated Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Senior Subordinated Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Senior Subordinated Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 5(c)).

(d) *Dual Currency Notes:*

In the case of Dual Currency Notes, if the rate or amount of interest is to be determined by reference to a Rate of Exchange or a method of calculating Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified hereon.

(e) *Partly-Paid Notes:*

In the case of Partly-Paid Notes (other than Partly-Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified hereon.

(f) *Accrual of Interest:*

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well as before judgment) at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date (as defined in Condition 7).

(g) *Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:*

- (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified hereon, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.

- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means, the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.

(h) *Calculations:*

The amount of interest payable per Calculation Amount (subject to Condition 3(b) and (d)) in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified hereon, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

- (i) *Determination and Publication of Rates of Interest, Interest Amounts and, in the case of Senior Subordinated Notes, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts:*

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, (in the case of Senior Subordinated Notes) calculate the Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amount or Instalment Amount, obtain such quote or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest, Interest Amount, Interest Period Date and Interest Payment Date, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4(b), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 9, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

- (i) Unless previously redeemed (with the consent of the CSSF), purchased and cancelled as provided in this Condition 5 or the relevant Instalment Date (being one of the dates so specified hereon) is extended pursuant to any Issuer's option in accordance with Condition 5(e) or (g), each Senior Subordinated Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified hereon. The outstanding nominal amount of each such Senior Subordinated Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Senior Subordinated Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed (with the consent of the CSSF), purchased and cancelled as provided in this Condition 5 or its maturity is extended pursuant to any Issuer's option in accordance with Condition 5(e) or (g), each Senior Subordinated Note shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Senior Subordinated Note falling within paragraph (i) above, its final Instalment Amount.

(b) Redemption of Junior Subordinated Notes:

Subject to Condition 3(d), the Issuer will redeem all of the Junior Subordinated Notes that have a Maturity Date specified hereon ("Dated Junior Subordinated Notes") at their Final Redemption Amount (together with all Arrears of Interest and all accrued Additional Interest, if any and interest if any accrued to, but excluding, the date fixed for redemption) on such Maturity Date provided that the CSSF has consented to such redemption on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders in accordance with Condition 13. The Issuer undertakes to seek the consent of the CSSF to redeem all of the Junior Subordinated Notes (or as many of the Junior Subordinated Notes as the CSSF will consent to) not less than 40 days prior to the Maturity Date. If the CSSF consents to the redemption of some (but not all) of the Junior Subordinated Notes on the Maturity Date, the Issuer will redeem the Junior Subordinated Notes to the extent permitted by the CSSF at their Final Redemption Amount (together with all Arrears of Interest and all accrued Additional Interest, if any). The Junior Subordinated Notes to be redeemed will be drawn by lot in accordance with Condition 5(e).

If the CSSF does not consent to the redemption of all of the Junior Subordinated Notes on the Maturity Date (or any following Interest Payment Date) the Junior Subordinated Notes not so redeemed shall be redeemed, subject as set out below, at their Final Redemption Amount (together with all Arrears of Interest and all accrued Additional Interest, if any and interest if any accrued to, but excluding, the date fixed for redemption) on the next following Interest Payment Date (each such Interest Payment Date being a "New Maturity Date"). If the CSSF does not consent to the redemption of any of the Junior Subordinated Notes on the Maturity Date or any following Interest Payment Date, the Issuer shall give notice to the Noteholders to be published in accordance with Condition 13 and for so long as the Junior Subordinated Notes are listed on the Official List of the Luxembourg Stock Exchange, the Luxembourg Stock Exchange, at least 30 days before the Maturity Date or the New Maturity Date, as the case may be, that redemption will not take place on that date in respect of the Junior Subordinated Notes not permitted to be redeemed.

Until such time as the Issuer has obtained the consent of the CSSF to redeem all Junior Subordinated Notes, the Issuer undertakes not less than 40 days prior to each New Maturity Date to seek the consent of the CSSF to redeem all Junior Subordinated Notes in respect of which consent for redemption from the CSSF has not been obtained. The Issuer will, subject to Condition 3(d), redeem all the Junior Subordinated Notes permitted to be redeemed by the CSSF on the next

New Maturity Date after such consent has been received at their Final Redemption Amount together with all Arrears of Interest and all accrued Additional Interest, if any). If some only of the Junior Subordinated Notes are permitted to be redeemed on a New Maturity Date, the Junior Subordinated Notes to be redeemed will be drawn by lot in accordance with Condition 5(e).

Junior Subordinated Notes that do not have a Maturity Date specified hereon are undated and accordingly have no final maturity date and are only redeemable or repayable in accordance with the following provisions of this Condition 5 or Condition 9 and, in the case of Condition 5 only, with the prior approval of the CSSF:

(c) *Early Redemption of Zero Coupon Senior Subordinated Notes:*

- (i) The Early Redemption Amount payable in respect of any Zero Coupon Senior Subordinated Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Senior Subordinated Note pursuant to Condition 5(d) with the prior consent of the CSSF or upon it becoming due and payable as provided in Condition 9 shall be the Amortised Face Amount (calculated as provided below) of such Senior Subordinated Note unless otherwise specified hereon.
- (ii) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Senior Subordinated Note shall be the scheduled Final Redemption Amount of such Senior Subordinated Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Senior Subordinated Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (iii) If the Early Redemption Amount payable in respect of any such Senior Subordinated Note upon its redemption pursuant to Condition 5(c) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Senior Subordinated Note shall be the Amortised Face Amount of such Senior Subordinated Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Senior Subordinated Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Conditions 4(a) and (c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

(d) *Redemption for Taxation Reasons:*

The Notes may be redeemed at the option of the Issuer in whole, but not in part, (but subject to consent thereto having been obtained from the CSSF), on any Interest Payment Date (if this Note is either a Floating Rate Note or an Index Linked Note) or at any time (if this Note is neither a Floating Rate Note nor an Index Linked Note), on giving not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 13 (which notice shall be irrevocable), at their Early Redemption Amount (as described in Condition 5(c) above) (together with all Arrears of Interest, Accrued Additional Interest and interest accrued to the date fixed for redemption), if (i) the Issuer has or would become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in the laws or regulations of Luxembourg (or in the official application of such laws or regulations) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application of such laws or regulations which change or amendment becomes effective on or after the Issue Date, and (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Before the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Fiscal Agent a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the

conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

(e) *Redemption at the Option of the Issuer:*

If Call Option is specified hereon (the details of which will be specified in the relevant Final Terms), the Issuer may with the consent of the CSSF, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders in accordance with Condition 13 (or such other notice period as may be specified hereon) redeem all or, if so provided, some, of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with all Arrears of Interest, accrued Additional Interest and interest accrued to the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified hereon and no greater than the Maximum Redemption Amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption, the notice to Noteholders shall also contain the certificate numbers of the Bearer Notes or, in the case of Registered Notes, shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes to be redeemed which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements.

(f) *Partly-Paid Notes:*

Partly-Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified hereon.

(g) *Purchases:*

In addition to Notes, Receipts or Coupons purchased in the ordinary course of dealing in securities on behalf of third parties, the Issuer or any of its Subsidiaries may with the consent of the CSSF at any time purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price in accordance with applicable law, if any. The Notes so purchased, while held by or on behalf of the Issuer shall not entitle the holder to vote at any meetings of the Noteholders and shall not be deemed to be outstanding for the purposes of calculating quorums at meetings of the Noteholders or for the purposes of Condition 10(a). The Issuer undertakes to procure that any Subsidiary which holds any Notes as principal, will not exercise its right to vote in any meeting of the Noteholders in respect of such Notes provided that the Issuer and such Subsidiary may vote in favour of a resolution requiring the unanimous consent of a Masse Meeting (as defined in Condition 10) when all other Noteholders have voted or will vote in favour of that resolution. "Subsidiary" means any company 50 per cent. or more of the equity share capital of which is owned directly or indirectly by the Issuer. Such Notes may be reissued or resold by the Issuer or its Subsidiaries.

(h) *Cancellation:*

All Notes that are redeemed shall be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith) and accordingly may not be reissued or resold.

6. Payments and Talons

(a) *Bearer Notes:*

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 6(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 6(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency

with a Bank. "Bank" means a bank in the principal financial centre for such currency or, in the case of EUR, in a city in which banks have access to the TARGET System.

(b) *Registered Notes:*

- (i) Payments of principal (which for the purposes of this Condition 6(b) shall include final Instalment Amounts but not other Instalment Amounts) in respect of Registered Notes shall be made against presentation and surrender of the relevant Registered Note Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest (which for the purpose of this Condition 6(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the persons shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "Record Date"). Payments of interest on each Registered Note shall be made in the relevant currency in which such payments are due by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) *Payments in the United States:*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments Subject to Fiscal Laws:*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Condition 7. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Appointment of Agents:*

The Fiscal Agent, the Paying Agents, the Registrars, the Transfer Agents and any Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Registrars, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, any Registrar, any Transfer Agent or the Calculation Agent and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes in Luxembourg, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in at least two major European cities, (vi) such other agents as may be required by the rules of any other stock exchange on which the Notes may be listed and (vii) to the extent not satisfied by (v) or (vi) above, a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to European Union Directive 2003/48/EC or any other European Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November, 2000. Notice of any such termination or appointment and of any change in the specified office through which any Paying Agent acts will be given in accordance with Condition 13.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

- (f) *Unmatured Coupons and Receipts and unexchanged Talons:*
- (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes (other than Dual Currency Notes or Index Linked Notes) should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount or Early Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of ten years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 8).
 - (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, Dual Currency Interest Note or Index Linked Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
 - (iv) Upon the due date for redemption of any Bearer Note that is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (v) Where any Bearer Note that provides that the relative unexpired Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
 - (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Registered Note Certificate representing it, as the case may be.

Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Registered Note Certificate representing it, as the case may be.

(g) *Talons:*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 8).

(h) *Non-Business Days:*

If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, "business day" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "Additional Financial Centres" hereon and:

- (i) (in the case of a payment in a currency other than EUR) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in EUR) which is a TARGET Business Day.

7. Taxation

All payments of principal and interest in respect of the Notes, the Receipts and the Coupons shall be made free and clear of, and without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Luxembourg or any political sub-division or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts as shall result in receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

(a) *Other Connection:*

to, or to a third party on behalf of, a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with Luxembourg other than the mere holding of the Note, Receipt or Coupon;

(b) *Lawful avoidance of withholding:*

presented (or in respect of which the Registered Note Certificate representing it is presented) for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day;

(c) *Payment to individuals:*

where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November, 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or

(d) *Payment by another Paying Agent:*

(except in the case of Registered Notes) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

As used in these Conditions, "Relevant Date" in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Registered Note Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) "principal" shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 or any amendment or supplement to it, (ii) "interest" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to it and (iii) "principal" and/or "interest" shall be deemed to include any additional amounts that may be payable under this Condition.

8. Prescription

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

9. Enforcement

(a) *Winding Up:*

The holder of any Note may give written notice to the Fiscal Agent at its specified office that such Note is due and payable, whereupon the Final Redemption Amount of such Note together

with accrued interest (and Arrears of Interest and Additional Interest in the case of Junior Subordinated Notes) to the date of payment shall become immediately due and payable if an order is made or an effective resolution is passed for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer.

(b) *Non-Payment:*

If the Issuer does not make payment for a period of 7 days or more after the due date for the payment of principal or for a period of 14 days or more after a Compulsory Interest Payment Date in the case of Junior Subordinated Notes, or after an Interest Payment Date in the case of Senior Subordinated Notes, for the payment of interest due in respect of any of the Notes on such Compulsory Interest Payment Date or Interest Payment Date, as the case may be, any Noteholder may ask the relevant authorities to institute proceedings in Luxembourg (but not elsewhere) in accordance with Part IV of the law of 5 April, 1993 concerning the financial sector (*loi du 5 avril 1993 relative au secteur financier*) for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer.

Although the relevant authorities may take into account a request from a Noteholder to institute proceedings in Luxembourg for the dissolution or liquidation of the Issuer, they are not in any way bound to do so following the receipt of such a request or on any other basis. In determining whether to institute any such proceeding against the Issuer, the relevant authorities act solely on the basis of their own discretion and in accordance with Luxembourg law. Subject to such request from a Noteholder as described in this Condition 9(b), a Noteholder shall not be able to take proceedings for the dissolution or liquidation of the Issuer.

(c) *Breach of Obligations:*

To the extent permitted by applicable law and by these Conditions, a Noteholder may at its discretion institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition, undertaking or provision binding on the Issuer under the Notes or the Coupons but the institution of such proceedings shall not have the effect that the Issuer shall be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

(d) *Other Remedies:*

No remedy against the Issuer other than the institution of the proceedings referred to in Conditions 9(b) or (c) and the proving or claiming in any dissolution or liquidation of the Issuer, shall be available to the Noteholders or the Couponholders whether for the recovery of amounts owing in respect of the Notes or the Coupons or in respect of any breach by the Issuer of any other obligation, condition or provision binding on it under the Notes or the Coupons.

10. Meeting of Noteholders, Modifications and Substitution

(a) *Meetings of Noteholders and Representation:*

Noteholders will belong to a *masse* (the “*Masse*”) created, among other things, for the representation of their common interests pursuant to the provisions of the law of 10 August, 1915 on commercial companies, as amended (*loi de 10 août 1915 concernant les sociétés commerciales, telle qu’elle à été modifiée*) (the “Luxembourg Company Law”). The discussion below is based on the Luxembourg Company Law in effect on the Issue Date. Any subsequent amendments to the relevant provisions of the Luxembourg Company Law may amend or modify the discussion below. A general meeting of the Noteholders (the “*Masse Meeting*”) may appoint and determine the powers of one or more representatives (the “*Representatives*”). Where Representatives have been appointed, Noteholders may no longer individually exercise their rights against the Issuer. A *Masse Meeting* may be called at any time by the Representatives (if any) or the Board of Directors of the Issuer. The Representatives, provided an advance on expenses has been paid to them, or the Board of Directors must convene the *Masse Meeting* if called upon to do so by holders of Notes representing 5 per cent. or more of the Notes outstanding. All *Masse Meetings* shall be held at the place specified in the notice calling the meeting and such notice must be published as provided in Condition 13. All Noteholders have the right to attend and vote at the *Masse Meeting* either personally or by proxy. The voting rights attached to the Notes are equal to the proportion of the amount of the outstanding Notes represented by the amount of the Note or Notes held by the relevant holder. A *Masse Meeting* may be called in the event of a merger involving the Issuer, may approve certain changes in the rights of the Noteholders and may, generally, determine any measures designed to ensure the defence of interests or the exercise of the rights of the Noteholders in accordance with the provisions of the Luxembourg Company Law. A *Masse Meeting*

may deliberate validly without a quorum and by vote of a simple majority of Noteholders attending or represented at such *Masse Meeting* on the appointment and revocation of the Representatives, the revocation of special representatives appointed by the Issuer and the approval of any measures of a conservatory nature in the general interests of the Noteholders. On all other matters (except in respect of certain matters, including a change in the nationality of the Issuer, where unanimous consent is required) the *Masse Meeting* may deliberate validly on first convocation only if Noteholders present or represented hold at least 50 per cent. of the Notes then outstanding. On second convocation no quorum is required. Decisions at such meetings shall be taken by a majority of 66²/₃ per cent. of the votes cast by Noteholders attending such meetings or represented thereat.

These Conditions may be amended, modified, or varied in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

(b) *Modification of Agency Agreement:*

The Issuer shall only permit any modification of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

(c) *Substitution:*

Subject to the provisions of this Condition the Noteholders and the Couponholders by subscribing to or purchasing any Notes or Coupons, expressly consent to the Issuer, or any previous substituted company, at any time provided the prior approval of the CSSF is obtained, substituting for itself as principal debtor under the Notes, the Receipts, the Coupons and the Talons any Subsidiary of the Issuer or the successor company of the Issuer or jointly and severally one or more companies to whom the Issuer has transferred all of its assets and business undertakings (in each case the "Substitute") provided that no payment in respect of the Notes, the Receipts or the Coupons is at the relevant time overdue, no steps have been taken to admit the Issuer to a regime of suspension of payments (*sursis de paiement*) and (except in the case of a solvent reorganisation or amalgamation) no order has been made or resolution passed for the dissolution (*dissolution*) or liquidation (*liquidation*) of the Issuer. Such substitution effected in accordance with this Condition will release the Issuer or any previous substituted company and the Noteholders and Couponholders expressly consent hereto. The substitution shall be made by a written undertaking (the "Undertaking") to be substantially in the form scheduled to the Agency Agreement as Schedule 8 and may take place only if (i) the Substitute shall, by means of the Undertaking, agree to indemnify each Noteholder and Couponholder against any tax, duty, assessment, withholding, deduction or governmental charge which is imposed on it by (or by any taxing authority in or of) the jurisdiction of the country of the Substitute's residence for tax purposes and, if different, of its incorporation with respect to any Note, Receipt, Coupon, Talon or the Deed of Covenant and which would not have been so imposed had the substitution not been made, as well as against any tax duty, assessment or governmental charge, and any cost or expense, relating to the substitution; (ii) if the Substitute is a Subsidiary of the Issuer, the obligations of the Substitute under the Undertaking, the Notes and the Coupons shall be unconditionally and irrevocably guaranteed on a subordinated basis by the Issuer or its successor or each of the companies to whom together the Issuer has transferred all of its assets and business undertakings (each a "Guarantor") (which shall be the same basis in respect of which Notes originally issued by the Issuer were subordinated) by means of a guarantee substantially in the form contained in the Undertaking (the "Guarantee"); (iii) all action, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Undertaking, the Notes, Coupons, Receipts, Talons and Deed of Covenant, represent valid, legally binding and enforceable obligations of the Substitute and in the case of the Guarantee of the Guarantor have been taken, fulfilled and done and are in full force and effect; (iv) the Substitute shall have become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it; (v) legal opinions addressed to the Noteholders shall have been delivered to them (care of the Fiscal Agent) from a lawyer or firm of lawyers with a leading securities practice in each jurisdiction referred to in (i) above as to the fulfilment of the preceding conditions of this Condition 10(c) and the other matters specified in the Undertaking; (vi) the substitution does not affect adversely the rating of the Notes by Moody's Investors Service Limited and Standard & Poor's Ratings Services, a division of The McGraw-Hill Companies, Inc. or if any such rating agency does not exist at the relevant time any two existing internationally recognised rating agencies and (vii) the Issuer shall have given at least 30 days'

prior notice of such substitution to the Noteholders, to be published in accordance with Condition 13 stating that copies, or pending execution the agreed text, of all documents in relation to the substitution which are referred to above, or which might otherwise reasonably be regarded as material to Noteholders, will be available for inspection at the specified office of each of the Paying Agents. References in Condition 9 to obligations under the Notes shall be deemed to include obligations under the Undertaking, and, where the Undertaking contains a Guarantee, the events listed in Condition 9 shall be deemed to include such Guarantee not being (or being claimed by the Guarantor not to be) in full force and effect and the Guarantee shall contain rights of enforcement and clauses relating to the Guarantor in the form of Conditions 5(f) and (g).

11. Replacement of Notes, Registered Note Certificates, Receipts, Coupons and Talons

If a Note, Registered Note Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of a Fiscal Agent (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Registered Note Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Registered Note Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the issuer on demand the amount payable by the Issuer in respect of such Notes, Registered Note Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Registered Note Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

12. Further Issues

Subject to the prior consent of the CSSF, the Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes having the same terms and conditions as the Notes (so that, for the avoidance of doubt, references in these Conditions to "Issue Date" shall be to the first issue date of the Notes) and so that the same shall be consolidated and form a single series with such Notes, and references in these Conditions to "Notes" shall be construed accordingly.

13. Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing and for so long as the Registered Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, such notices shall in addition be published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *d'Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in Luxembourg (which is expected to be the *d'Wort*) except that for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, such notices shall be published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *d'Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates on the date of the first publication as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

14. Currency Indemnity

Any amount received or recovered in a currency other than the currency in which payment under the relevant Note, Coupon or Receipt is due (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or otherwise) by any Noteholder or Couponholder in respect of any sum expressed to be due to it

from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the currency of payment under the relevant Note, Coupon or Receipt that the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If the amount received or recovered is less than the amount expressed to be due to the recipient under any Note, Coupon or Receipt, the Issuer shall indemnify it against any loss sustained by it as a result. In any event, the Issuer shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition, it shall be sufficient for the Noteholder or Couponholder, as the case may be, to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Issuer's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Noteholder or Couponholder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note, Coupon or Receipt or any other judgment or order.

15. Governing Law and Jurisdiction

(a) *Governing Law:*

The Notes, the Receipts, the Coupons and the Talons are governed by, and shall be construed in accordance with, the laws of Luxembourg.

(b) *Jurisdiction:*

The courts of Luxembourg are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons ("Proceedings") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of Luxembourg and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes, Receipts, Coupons and Talons.

Each Global Certificate in CGN form has been deposited with a depository (“Common Depository”) common to Euroclear Bank S.A./N.V. One or more Certificates in Registered Form may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of such Certificates in Registered Form to be transferred, together with the Asset Transfer Notice relating to such Certificates.

2. Status

The Certificates represent unsubordinated and unsecured contractual obligations of the Issuer. The Certificates rank equally among themselves and, save for such exceptions as may be provided by applicable legislation, *pari passu* with all other unsecured and unsubordinated obligations of the Issuer.

3. Interest

(a) *Interest Amount*

If so specified in the applicable Final Terms for the Certificates, each Certificate pays interest from and including the Interest Commencement Date of the Certificates at the Interest Rate payable in arrear on each Interest Payment Date.

The amount of interest payable in respect of each Certificate on each Interest Payment Date will amount to the Interest Amount (as defined below) for the Interest Period (as defined below) ending on (but excluding) such Interest Payment Date.

If so specified in the applicable Final Terms for the Certificates, the payment and/or accrual of any interest may be subject to certain events or conditions having or not having occurred (“Conditional Interest”).

If interest is required to be calculated for a period ending other than on (but excluding) an Interest Payment Date, it will be calculated on the basis of the number of days from and including the most recent Interest Payment Date (or, if none, the Issue Date of the Certificates) to but excluding the relevant payment date, and the relevant interest rate day count fraction as specified in the applicable Final Terms for the Certificates (the “Interest Rate Day Count Fraction”).

Such Interest Rate and/or Interest Amount may be a fixed nominal interest rate (“Fixed Rate Certificates”) or floating interest rate (“Floating Rate Certificates”) or it may be determined by reference to, and the application of such Interest Rate and/or the payment of such Interest Amount may be limited or affected by, the performance of an Index, a Share, a Debt Security, a Commodity, an Inflation Index or any other underlying security or any combination thereof in the manner specified in the applicable Final Terms for the Certificates (“Interest Indexed Certificates”) and, for avoidance of doubt, the provisions in these Conditions relating to such Index, Share, Debt Security, Commodity, Inflation Index or the other underlying security shall apply *mutatis mutandis* in the manner specified in the applicable Final Terms for the Certificates.

(b) *Accrual of Interest*

Unless otherwise provided in the applicable Final Terms for the Certificates, each Certificate will cease to accrue interest from and including its due date for redemption unless payment of the amount and/or delivery of any Entitlement due on redemption is improperly withheld or refused or unless default is otherwise made in respect of the payment or delivery in which case interest shall continue to accrue from the date such amount or delivery of such Entitlement was due until such amount or delivery of such Entitlement is paid or delivered, as the case may be. For the avoidance of doubt, no interest on the Certificates shall accrue beyond the Redemption Date (as defined below) in the event that delivery of any Entitlement is postponed due to the occurrence of a Settlement Disruption Event.

(c) *Business Day Convention*

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is (i) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such date shall be brought forward to the immediately preceding Business Day and (B) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (ii) the Following Business Day Convention, such date shall be postponed to the next day which is a Business Day, (iii) the Modified Following Business Day Convention, such date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (iv) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(d) *Interest Rate on Floating Rate Certificates*

The Interest Rate in respect of Floating Rate Certificates for each Interest Accrual Period shall be determined in the manner specified in the applicable Final Terms for the Certificates and, except as otherwise specified in the relevant Final Terms for the Certificates, the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon.

(x) *ISDA Determination for Floating Rate Certificates*

Where ISDA Determination is specified in the applicable Final Terms for the Certificates as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (x), "ISDA Rate" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions (as defined below) and under which:

- (i) the Floating Rate Option is as specified in the applicable Final Terms for the Certificates;
- (ii) the Designated Maturity is a period specified in the applicable Final Terms for the Certificates; and
- (iii) the relevant Reset Date is the first day of that Interest Accrual Period, unless otherwise specified in the applicable Final Terms for the Certificates.

For the purposes of this sub-paragraph (x), "Floating Rate", "Calculation Agent", "Floating Rate Option", "Designated Maturity", "Reset Date" and "Swap Transaction" have the meanings given to those terms in the ISDA Definitions.

(y) *Screen Rate Determination for Floating Rate Certificates*

- (i) Where Screen Rate Determination is specified in the applicable Final Terms for the Certificates as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Accrual Period will, subject as provided below, be either:

- (a) the offered quotation; or
- (b) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such

quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified hereon as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms for the Certificates.

- (ii) if the Relevant Screen Page is not available or, if sub-paragraph (i)(a) applies and no such offered quotation appears on the Relevant Screen Page, or, if sub-paragraph (i)(b) above applies and fewer than three such offered quotations appear on the Relevant Screen Page, in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Relevant Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Interest Rates for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and
- (iii) if paragraph (ii) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, then, subject as provided below, the Interest Rate shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(e) *Margin, Maximum/Minimum Interest Rates and Rounding*

- (i) If any Margin is specified (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Interest Rates, in the case of (x), or the Interest Rates for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (iii) below by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Interest Rate is specified hereon, then any Interest Rate, shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures will be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency which is available as legal tender in the country or countries of such currency and with respect to the euro, means 0.01 euro.

(f) *Calculations*

The amount of interest payable in respect of any Certificate for any Interest Accrual Period shall be equal to the product of the Interest Rate, the Nominal Amount of such Certificate and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable in respect of such Certificate for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the Interest Amount payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(g) *Determination and Publication of Interest Rates and Interest Amounts*

The Calculation Agent shall, as soon as practicable on each Interest Determination Date or such other time on such date as the Calculation Agent may be required to obtain any quote or make any determination or calculation, determine the Interest Rate and calculate the relevant Interest Amounts for the relevant Interest Accrual Period, obtain such quote or make such determination or calculation, as the case may be, and cause the Interest Rate and the Interest Amount for each Interest Accrual Period and the relevant Interest Payment Date to be notified to the Fiscal Agent and the Issuer, the Certificateholders, and, if the Certificates are listed on a stock exchange and the rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such stock exchange of an Interest Rate and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 3(c), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of each Interest Rate and Interest Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

(j) *Delivery of an Asset Transfer Notice*

After the delivery of such Asset Transfer Notice such Certificateholder may not otherwise transfer such Certificates.

If any Certificateholder does so transfer or attempt to transfer such Certificates, such Certificateholder will be liable to the Issuer for any losses, costs and expenses suffered or incurred by the Issuer, including, without limitation, those suffered or incurred as a consequence of it having terminated any related hedging operations in reliance on the relevant Asset Transfer Notice and subsequently (i) entering into replacement hedging operations in respect of such Certificates or (ii) paying any amount on the subsequent redemption of such Certificates without having entered into any replacement hedging operations.

Neither the Issuer nor any Dealer nor the Agents shall under any circumstances be liable for any acts or defaults of the Relevant Clearing System in relation to the performance of their duties in relation to the Certificates.

(l) *Settlement Disruption*

(i) Settlement Disruption

If, in the opinion of the Calculation Agent, delivery of the Entitlement in respect of any Physical Delivery Certificates using the method of delivery specified in the applicable Final Terms for the Certificates is not practicable by reason of a Settlement Disruption Event having occurred and continuing on any Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date, then such Redemption Date, Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date, for such Certificates shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event PROVIDED THAT the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Certificate by delivering the Entitlement using such other commercially reasonable manner as it may select and in such event the Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date, shall be such day as the Issuer deems appropriate in connection with delivery of the Entitlement in such other commercially reasonable manner. Where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Entitlement, the Redemption Date for the Relevant Assets not affected by the Settlement Disruption Event will be the originally designated Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date. For so long as delivery of the Entitlement is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Certificate by payment to the relevant Certificateholder of the Disruption Cash Settlement Amount on the third Business Day following the date that notice of such election is given to the Certificateholders in accordance with Condition 11. Payment of the Disruption Cash Settlement Amount will be made in such manner as shall be notified to the

Certificateholders in accordance with Condition 11. The Calculation Agent shall give notice as soon as practicable to the Certificateholders in accordance with Condition 11 that a Settlement Disruption Event has occurred. No Certificateholder shall be entitled to any payment in respect of the relevant Certificate in the event of any delay in the delivery of the Entitlement due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.

(ii) *Failure to Deliver due to Illiquidity*

If “Failure to Deliver due to Illiquidity” is specified as applicable in the applicable Final Terms for the Certificates and following the exercise of Physical Delivery Certificates, in the opinion of the Calculation Agent, it is impossible or impracticable to deliver, when due, some or all of the Relevant Assets (the “Affected Relevant Assets”) comprising the Entitlement, where such failure to deliver is due to illiquidity in the market for the Relevant Assets, then:

- (a) subject as provided elsewhere in these Terms and Conditions as amended by the applicable Final Terms for the Certificates, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date, in accordance with Condition 4(m)(ii); and
- (b) in respect of any Affected Relevant Assets, in lieu of physical settlement and notwithstanding any other provision hereof the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Certificate by payment to the relevant Certificateholder of the Failure to Deliver Settlement Amount on the fifth Business Day following the date that notice of such election is given to the Certificateholders in accordance with Condition 11. Payment of the Failure to Deliver Settlement Amount will be made in such manner as shall be notified to the Certificateholders in accordance with Condition 11. The Calculation Agent shall give notice as soon as practicable to the Certificateholders in accordance with Condition 10 that the provisions of this Condition 4(m)(ii) apply.

(m) *Issuer’s Option to Vary Settlement*

If the applicable Final Terms for the Certificates indicates that the Issuer has an option to vary settlement in respect of the Physical Delivery Certificates, the Issuer may in its sole and absolute discretion, in respect of each such Certificate, elect not to pay the relevant Certificateholders the Redemption Amount, the Optional Redemption Amount or, as the case may be, the Automatic Early Redemption Amount or to deliver or procure delivery of the Entitlement to the relevant Certificateholders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Alternative Cash Settlement Amount on the Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date to the relevant Certificateholders, as the case may be. Notification of such election will be given to Certificateholders no later than 10.00 a.m. (London time) on the second Business Day following the Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date. In the event a Settlement Disruption Event had occurred or is continuing in the period commencing on the Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date and ending on such second Business Day, notification of such election may be postponed up to the earlier of (i) eight Business Days following the Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date so long as such Settlement Disruption Event is continuing, (ii) two Business Days after the end of such Settlement Disruption Event, and (iii) one Business Day prior to the Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date (as may be adjusted in accordance with these Conditions in respect of such Settlement Disruption Event).

(n) *FX Disruption*

- (i) Where the applicable Final Terms for the Certificates specifies that this Condition 4(n) is applicable and if the Calculation Agent determines that on any Valuation Date an FX Disruption Event (as defined below) has occurred and is continuing,

the date for determination of the FX Rate shall be postponed until the first Business Day on which such FX Disruption Event ceases to exist (the “FX Date”), provided that where on the tenth Business Day following the Valuation Date (the “FX Cut-Off Date”) such FX Disruption Event continues to exist, the Issuer may elect to terminate its obligations under the Certificate by (x) paying an amount in a currency not subject to the FX Disruption Event; or (y) delivering or procuring the delivery of an amount of Relevant Assets, to each Certificateholder the value of which corresponds to the fair market value of each Certificate held by the Certificateholder each as determined by the Calculation Agent in its sole and absolute discretion.

- (ii) Where an FX Disruption Event occurs, the Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date, in respect of the Certificates shall be postponed to the Business Day which falls the same number of Business Days after the FX Date or the FX Cut-Off Date, where the Issuer elects to terminate its obligations under the Certificate in accordance with (l)(i) above, as the Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date, was originally scheduled to be after the Valuation Date (the “Postponed Redemption Date”).
- (iii) If an FX Disruption Event has occurred and is continuing on the Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date, or the Postponed Redemption Date (including any Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date, postponed due to a prior FX Disruption Event), then the Redemption Date, the Optional Redemption Date, the Automatic Early Redemption Date or the Postponed Redemption Date, as the case may be, shall be postponed until the first Business Day on which such FX Disruption Event ceases to exist, provided that where on the tenth Business Day following the Redemption Date, the Optional Redemption Date, the Automatic Early Redemption Date or the Postponed Redemption Date, as the case may be, an FX Disruption Event exists the Issuer may elect to terminate its obligations under the Certificate by (x) paying an amount in a currency not subject to the FX Disruption Event, or (y) delivering or procuring the delivery of an amount of Relevant Assets, to each Certificateholder the value of which corresponds to the fair market value of each Certificate held by the Certificateholder each as determined by the Calculation Agent in its sole and absolute discretion.

For the avoidance of doubt, if an FX Disruption Event coincides with a Settlement Disruption Event or a Failure to Deliver due to Illiquidity, the provisions of this Condition 4(n) shall take effect only after such postponements or adjustments have been made as a result of such (defined below) Settlement Disruption Event in accordance with Condition 4(l)(i) or a Failure to Deliver due to Illiquidity in accordance with Condition 4(l)(ii), as the case may be, and, notwithstanding the provisions of Condition 4(l), the Issuer’s payment obligation of the Redemption Amount or, as the case may be, the Automatic Early Redemption Amount shall continue to be postponed in accordance with the provisions of this Condition 4(n).

For the purposes of this Condition 4(n):

“FX Disruption Event” means the occurrence of an event that makes it impossible through legal channels for the Issuer or its affiliates to either:

- (i) convert the Relevant Currency into the Settlement Currency; or
- (ii) deliver the Settlement Currency from accounts within the Relevant Country to accounts outside such jurisdiction; or
- (iii) deliver the Relevant Currency between accounts within the Relevant Country to a person that is a non-resident of that jurisdiction;

“Relevant Country” has the meaning ascribed to it in the applicable Final Terms for the Certificates; and

(o) *Failure to Deliver Asset Transfer Notice*

If a holder fails to give an Asset Transfer Notice as provided herein with a copy to the Transfer Agent, on or prior to the Cut-Off Date, then the Entitlement will be delivered as soon as practicable after the Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date (in which case, such date of delivery shall be the Delivery Date) at the risk of such Holder in the manner provided below. For the avoidance of doubt, in such circumstances such Holder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Delivery Date falling after the Redemption Date, the Optional Redemption Date or, as the case may be, the Automatic Early Redemption Date and no liability in respect thereof shall attach to the Issuer.

The Issuer shall at the risk of the relevant Holder, deliver or procure the delivery of the Entitlement for each Certificate, pursuant to the details specified in the Asset Transfer Notice or in such commercially reasonable manner as the Calculation Agent shall in its sole discretion determine and notify to the person designated by the Holder in the relevant Asset Transfer Notice. All Expenses arising from the delivery of the Entitlement in respect of such Certificates shall be for the account of the relevant Holder and no delivery of the Entitlement shall be made until all Expenses have been paid to the satisfaction of the Issuer by the relevant Holder.

In the event that a Certificateholder does not so deliver an Asset Transfer Notice as aforesaid by close of business (Brussels or Luxembourg local time) (as appropriate) on the first Business Day falling on or before the 30th day after the Cut-off Date (the “Final Cut-Off Date”), the Issuer’s obligations in respect of such Certificates shall be discharged and no further liability in respect thereof shall attach to the Issuer.

Therefore, fractions of the Relevant Asset or of each of the Relevant Assets, as the case may be, will not be delivered and no cash adjustment will be made in respect thereof.

(q) *Restrictions*

If the Final Terms for the Certificates for the Physical Delivery Certificates so indicate, the delivery of any Entitlement in respect of such Certificates will be conditional upon the holder providing to the Transfer Agent, or such other person as may be specified, a certification in the form set out in such Final Terms for the Certificates.

- (v) If the due date for redemption of any Certificate is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, to the due date for redemption, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Certificate representing it, as the case may be.

In such circumstances, the Issuer will, however, if and to the extent permitted by Applicable Law, cause to be paid to each Certificateholder in respect of each such Certificate held by it an amount determined by the Issuer or, if a Calculation Agent has been appointed for the Certificates, the Calculation Agent as representing the fair market value of such Certificate immediately prior to such termination (ignoring any such illegality). The Issuer shall notify the Certificateholder of the termination in accordance with the procedure set out in Condition 11. Subsidiary of the Issuer, the obligations of the Substitute under the Deed Poll and the Certificates shall be unconditionally and irrevocably guaranteed by the Issuer or its successor or each of the companies to whom together the Issuer has transferred all of its assets and business undertakings (each a “Guarantor”) by means of a guarantee substantially in the form contained in the Deed Poll (the “Guarantee”); (iii) all action, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Deed Poll, the Certificates and Deed of Covenant represent valid, legally binding and enforceable obligations of the Substitute and in the case of the Deed Poll of the Guarantor have been taken, fulfilled and done and are in full force and effect; (iv) the Substitute shall have become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it; (v) legal opinions addressed to the Certificateholders shall have been delivered to them (care of the Fiscal Agent) from a lawyer or firm of lawyers with a leading securities practice in each jurisdiction referred to in (i) above as to the fulfilment of the preceding conditions of this Condition 15 and the other matters specified in the Deed Poll; (vi) the substitution does not affect adversely the rating of the Certificates by Moody’s Investors Service Ltd. and Standard & Poor’s Rating Group or if any such rating agency does not exist at the relevant time any two existing internationally recognised rating agencies and (vii) the Issuer shall have given at least 30 days’ prior notice of such substitution to the Certificateholders, to be published in accordance with Condition 11, stating that copies, or pending execution the agreed text, of all documents in relation to the substitution which are referred to above, or which might otherwise reasonably be regarded as material to Certificateholders, will be available for inspection at the specified office of each of the Paying Agents. This submission is made for the benefit of each of the Certificateholders and shall not limit the right of any of them to take Proceedings in any court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) to the extent permitted by applicable law.

Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason such process agent ceases to be able to act as such or no longer has an address in London, the Issuer irrevocably agrees to appoint a substitute process agent and shall immediately notify Certificateholders of such appointment in accordance with Condition 11. In such circumstances, the Issuer will, however, if and to the extent permitted by Applicable Law, cause to be paid to each Warrantholder in respect of each such Warrant held by it an amount determined by the Issuer or, if a Calculation Agent has been appointed for the Warrants, the Calculation Agent as representing the fair market value of such Warrant immediately prior to such termination (ignoring any such illegality). Payment will be made to Euroclear or Clearstream, Luxembourg, as the case may be, in such manner as shall be notified to the Warrantholders in accordance with the procedure set out in Condition 11.

6. Purchase by the Issuer

The Issuer may at any time purchase Warrants at any price in the open market or by tender or private treaty. Any Warrants so purchased will be surrendered for cancellation and may not be reissued or resold.

7. Minimum Number of Warrants Exercisable

If a Minimum Exercise Number is specified in the relevant Terms, the Warrants may not be exercised in a number less than the Minimum Exercise Number or such multiples in which such Warrants may be exercised in accordance with the relevant Terms.

8. Maximum Exercise of Warrants

If Warrants are designated in the relevant Terms as "American Style" and a Maximum Exercise Number is specified in the relevant Terms, then if following any Exercise Date other than the Final Exercise Date the Issuer determines that more than the Maximum Exercise Number of

Warrants (the "Quota") were exercised on such Exercise Date by a single Warranholder or a group of Warranholders, then the Issuer may deem the Valuation Date for the first Quota of such Warrants exercised by such Warranholder or group of Warranholders to be the originally applicable Valuation Date for Warrants exercised on such Exercise Date, and the Valuation Date for each additional Quota of Warrants (or part thereof, in the case of the last amount) exercised by such Warranholder or group of Warranholders to be the respective Valuation Dates applicable to each succeeding date following such Exercise Date on which such Warrants could have been exercised, until all such Warrants exercised on such Exercise Date by such Warranholder or group of Warranholders have been given a Valuation Date. In any case where more than the Quota of Warrants are so exercised on the same day by a Warranholder or group of Warranholders acting in concert, the order of settlement in respect of such Warrants shall be at the discretion of the Issuer. Notwithstanding the foregoing, the Issuer may, at any time, in its discretion, accept more than the Quota of Warrants for exercise on any Exercise Date.

9. Issuer's Specified Office and the Calculation Agent

(a) Changes in Specified Office or Calculation Agent

The specified office of the Issuer is set out at the foot of these General Conditions. The Issuer reserves the right at any time to change its specified office or to vary or terminate the appointment of any Calculation Agent appointed for the Warrants and to appoint other or additional Calculation Agents, provided that there will always be a Calculation Agent where so required by the Terms. Notice of any variation or termination of appointment and of any changes in the specified office of the Issuer or Calculation Agent will be given to the Warranholders in accordance with the procedures set out in Condition 11. The Calculation Agents are acting solely as agents of the Issuer and do not assume any obligations or duty to, or any relationship of agency or trust for or with, the Warranholders.

(b) Amendments to Agency Agreement

The Agency Agreement may be amended by the parties thereto without the consent of the Warranholders if, in the opinion of such parties, the amendment will not materially and adversely affect the interests of the Warranholders.

(c) Calculation Agent

All calculation functions required of the Calculation Agent under these Conditions and any Global Warrant may be delegated to any such person as the Calculation Agent, in its absolute discretion, may decide.

(d) Calculations

The Calculation Agent shall have no responsibility for errors or omissions in any calculations and determinations made hereunder and all such calculations and determinations shall (save in the case of manifest error) be final and binding on the Issuer and the Warranholders.

10. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Warranholders to create and issue further Warrants so as to form a single series with the Warrants.

11. Notices

All notices to Warranholders will be valid if delivered to Euroclear and Clearstream, Luxembourg for communication by them to entitled account holders and, so long as the Warrants are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, if published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *d'Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). Any such notice shall be deemed to have been given on the date of such delivery and publication or, if so delivered and published more than once or on different dates, on the date of the first such delivery and publication.

12. Taxation

The Issuer will not be liable for or otherwise obliged to pay any tax, duty, withholding or other payment which may arise as a result of the ownership, transfer or exercise of any Warrants.

13. Governing Law and Jurisdiction

(a) *Governing Law:*

The Global Warrants shall be governed by, and construed in accordance with, the laws of England.

(b) *Jurisdiction:*

The Courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with any Warrants and accordingly any legal action or proceedings ("Proceedings") arising out of or in connection with any Warrants may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the Warrantheolders and shall not limit the right of any of them to take Proceedings in any court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) to the extent permitted by applicable law.

The Issuer has appointed Dexia Bank Belgium S.A., London Branch at Shackleton House, Hay's Galleria, 4 Battle Bridge Lane, London SE1 2GZ as its agent in England to receive service of process in any Proceedings in England based on any of the Warrants. If for any reason such process agent ceases to act as such or no longer has an address in England, the Issuer agrees to appoint a substitute process agent and to notify Warrantheolders of such appointment.

14. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Warrants under the Contracts (Rights of Third Parties) Act 1999.

GENERAL CONDITIONS OF THE BEARER WARRANTS

The following is the text of the General Conditions of the Bearer Warrants that, subject to completion and amendment and as supplemented or varied in accordance with the Terms set out in the relevant Final Terms for the Warrants, shall be applicable to the Bearer Warrants. Either (i) the full text of these General Conditions together with the relevant provisions of the Final Terms for the Warrants or (ii) these General Conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Definitive Warrants. All capitalised terms that are not defined in these General Conditions will have the meanings given to them in the relevant Final Terms for the Warrants. Those definitions will be included in the Terms, which shall be endorsed on the Bearer Warrants. References in these Conditions to “Warrants” are to the Bearer Warrants of one Series only, not to all Bearer Warrants that may be issued under the Programme.

The Warrants are subject to these General Conditions, as modified and/or supplemented by the terms of the Warrants (the “Terms”) endorsed hereon. The Warrants are issued under the Programme of the Issuer for the issue of Euro Medium Term Notes, Certificates and Warrants. Expressions used herein and not defined shall have the meaning given to them in the Terms. References in these General Conditions to “Calculation Agent” are to the Calculation Agent (if any) appointed in relation to the Warrants and specified in the Terms.

1. Form and Title

(a) Form

The Warrants are issued in bearer form.

(b) Title

Title to the Warrants shall pass by delivery. Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Warrant shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating such holders.

In these General Conditions, “Warrantholder” and “holder” mean the bearer of any Warrant.

2. Status

The Warrants represent unsubordinated and unsecured contractual obligations of the Issuer. The Warrants rank equally among themselves and, save for such exceptions as may be provided by applicable legislation, *pari passu* with all other unsecured and unsubordinated obligations of the Issuer.

3. Exercise Rights

(a) Exercise Period—American Style Warrants

Warrants designated in the relevant Terms as “American Style” are exercisable on any Business Day during the period from, but excluding, the Issue Date to and including the Final Exercise Date (such period, the “Exercise Period”) subject to prior termination of the Warrants as provided in Condition 5.

(b) Exercise Period—European Style Warrants

Warrants designated in the relevant Terms as “European Style” are exercisable on the Exercise Date or Exercise Dates (or, if such a day is not a day on which Euroclear and Clearstream, Luxembourg are open for business (an “Exercisable Business Day”), the next following such day) (each an “Exercise Date”, the latest such Exercise Date being the “Final Exercise Date”) subject to prior termination of the Warrants as provided in Condition 5.

(c) Entitlement

The rights attaching to each Warrant on exercise (including any provisions relating to adjustments, market disruption and certain other matters) will be as set out in the relevant Terms.

(d) Failure to Exercise

Any Warrant with respect to which no Exercise Notice has been delivered to the Issuer in the manner set out in Condition 4, at or prior to 10.00 a.m. (Luxembourg time) on the relevant Final Exercise Date shall become void.

4. Exercise Procedure

(a) Exercise Notice

Each Warrant may be exercised by presentation and surrender of such Warrant together with a duly completed exercise notice in writing (copies of which may be obtained from the specified office of the Issuer) (an "Exercise Notice") to the Issuer at its specified office (1) (in the case of American Style Warrants) not later than 10.00 a.m. (Luxembourg time) on any Business Day (the "Exercise Date") during the Exercise Period or (2) (in the case of European Style Warrants) at any time after 10.00 a.m. (Luxembourg time) on the Exercisable Business Day immediately preceding the relevant Exercise Date but not later than 10.00 a.m. (Luxembourg time) on the relevant Exercise Date: (i) specifying the number of Warrants being exercised; (ii) including an irrevocable undertaking to pay any applicable stamp duty, stamp duty reserve tax and/or other similar taxes or duties due by reason of the exercise of Warrants by such Warrantholder and an authorisation to the Issuer to deduct any such taxes or duties from the Settlement Amount or any other amount payable by the Issuer to the Warrantholder in connection with the exercise of such Warrants; (iii) certifying that such Warrants are not being exercised by or on behalf of any U.S. persons, that payment or delivery with respect to duly exercised Warrants will not be made to, or for the account of, a U.S. person and that none of such Warrants was purchased by the holder in the United States; and (iv) authorising the production of such certification in applicable administrative or legal proceedings.

(b) Settlement

The Issuer shall, for each Warrant being exercised, pay the Settlement Amount, or any other cash payment due in respect of each Warrant in accordance with the relevant Terms, less any taxes or duties which the Issuer is authorised to deduct under the Exercise Notice, in accordance with Condition 9 on the Settlement Date.

(c) Determination

Any determination as to whether an Exercise Notice is duly completed and in proper form and accompanied by the correct Warrants shall be made by the Issuer and shall be conclusive and binding on the Issuer, the Calculation Agent (if any) and the Warrantholder. Any Exercise Notice so determined to be incomplete or not in proper form shall be void. If such Exercise Notice is subsequently corrected to the satisfaction of the Issuer, it shall be deemed to be a new Exercise Notice submitted at the time the correction is delivered.

(d) Effect of Exercise Notice

Delivery of an Exercise Notice together with the surrender of one or more Warrants shall constitute an irrevocable election and undertaking by the relevant Warrantholder to exercise the Warrants so delivered and surrendered and specified in the Exercise Notice in the manner specified in the Exercise Notice.

5. Illegality

The Issuer shall have the right to terminate the Warrants, by giving notice to the Warrantholders and any Calculation Agent appointed in relation to the Warrants, if it determines in good faith that its performance thereunder has become unlawful in whole or in part as a result of compliance in good faith by the Issuer with any applicable present or future law, rule, regulation, judgment, order or directive of any governmental, administrative or judicial authority or power ("Applicable Law"). In such circumstances, the Issuer will, however, if and to the extent permitted by Applicable Law, cause to be paid to each Warrantholder in respect of each such Warrant held by it an amount determined by the Issuer or, if a Calculation Agent has been appointed for the Warrants, the Calculation Agent as representing the fair market value of such Warrant immediately prior to such termination (ignoring any such illegality). The Issuer shall notify the Warrantholders of the termination in accordance with the procedure set out in Condition 13. Payment will be made to the Warrantholders in accordance with the procedures described in Condition 9 or in such other manner as shall be notified to the Warrantholders.

6. Purchase by the Issuer

The Issuer may at any time purchase Warrants at any price in the open market or by tender or private treaty. Any Warrants so purchased will be surrendered for cancellation and may not be reissued or resold.

7. Minimum Number of Warrants Exercisable

If a Minimum Exercise Number is specified in the relevant Terms, the Warrants may not be exercised in a number less than the Minimum Exercise Number or such multiples in which such Warrants may be exercised in accordance with the relevant Terms.

8. Maximum Exercise of Warrants

If Warrants are designated in the relevant Terms as “American Style” and a Maximum Exercise Number is specified in the relevant Terms, then if following any Exercise Date other than the Final Exercise Date the Issuer determines that more than the Maximum Exercise Number of Warrants (the “Quota”) were exercised on such Exercise Date by a single Warrantheader or a group of Warrantheaders, then the Issuer may deem the Valuation Date for the first Quota of such Warrants exercised by such Warrantheader or group of Warrantheaders to be the originally applicable Valuation Date for Warrants exercised on such Exercise Date, and the Valuation Date for each additional Quota of Warrants (or part thereof, in the case of the last amount) exercised by such Warrantheader or group of Warrantheaders to be the respective Valuation Dates applicable to each succeeding date following such Exercise Date on which such Warrants could have been exercised, until all such Warrants exercised on such Exercise Date by such Warrantheader or group of Warrantheaders have been given a Valuation Date. In any case where more than the Quota of Warrants are so exercised on the same day by a Warrantheader or group of Warrantheaders acting in concert, the order of settlement in respect of such Warrants shall be at the discretion of the Issuer. Notwithstanding the foregoing, the Issuer may, at any time, in its discretion, accept more than the Quota of Warrants for exercise on any Exercise Date.

9. Payments

Payments of the Settlement Amount and any other amounts due in respect of the Warrants shall be made against presentation and surrender of the relevant Warrants at the specified office of the Issuer on the Settlement Date by a cheque payable in the currency in which such payment is due drawn on, or at the option of the holder, by transfer to an account denominated in that currency with, a bank in the principal financial centre for that currency; provided that, in the case of payment in Japanese yen to a non- resident of Japan, the transfer shall be to a non-resident Japanese yen account with an authorised foreign exchange bank.

10. Replacement of Warrants

If a Warrant is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of the Issuer or specified office of such agent of the Issuer as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Warrantheaders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Warrant is subsequently presented for exercise or payment, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Warrants) and otherwise as the Issuer may require. Mutilated or defaced Warrants must be surrendered before replacements will be issued.

11. Issuer’s Specified Office and the Calculation Agent

(a) Changes in Specified Office or Calculation Agent

The specified office of the Issuer is set out at the foot of these General Conditions. The Issuer reserves the right at any time to change its specified office or to vary or terminate the appointment of any Calculation Agent appointed for the Warrants and to appoint other or additional Calculation Agents, provided that there will always be a Calculation Agent (which may be the Issuer) where so required by the Terms. Notice of any variation or termination of appointment and of any changes in the specified office of the Issuer or Calculation Agent will be given to the Warrantheaders in accordance with the procedures set out in Condition 13. The Calculation Agents are acting solely as agents of the Issuer and do not assume any obligations or duty to, or any relationship of agency or trust for or with, the Warrantheaders.

(b) Calculation Agent

All calculation functions required of the Calculation Agent under these Conditions and any Warrant may be delegated to any such person as the Calculation Agent, in its absolute discretion, may decide.

(c) *Calculations*

The Calculation Agent shall have no responsibility for errors or omissions in any calculations and determinations made hereunder and all such calculations and determinations shall (save in the case of manifest error) be final and binding on the Issuer and the Warrantheolders.

12. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Warrantheolders to create and issue further Warrants so as to form a single series with the Warrants.

13. Notices

All notices to Warrantheolders will be valid if published in a daily newspaper of general circulation in Luxembourg (which is expected to be the *d'Wort*) except that for so long as the Warrants are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, such notices shall be published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *d'Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first such publication.

14. Taxation

The Issuer will not be liable for or otherwise obliged to pay any tax, duty, withholding or other payment which may arise as a result of the ownership, transfer or exercise of any Warrants.

15. Governing Law and Jurisdiction

(a) *Governing Law:*

The Warrants shall be governed by, and construed in accordance with, the laws of Luxembourg.

(b) *Jurisdiction:*

The Courts of Luxembourg are to have jurisdiction to settle any disputes that may arise out of or in connection with any Warrants and accordingly any legal action or proceedings ("Proceedings") arising out of or in connection with any Warrants may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of Luxembourg and waives any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the Warrantheolders and shall not limit the right of any of them to take Proceedings in any court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) to the extent permitted by applicable law.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

Initial Issue of Notes

If the Global Notes are stated in the applicable Final Terms to be issued in respect of Senior Notes and issued in NGN form, they are intended to be eligible collateral for Eurosystem monetary policy and the Global Notes will be delivered on or prior to the original issue date of the Tranche to a Common Safekeeper. Depositing the Global Notes with the Common Safekeeper does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue, or at any or all times during their life. Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

Global Notes which are issued in CGN form and Registered Note Certificates may be delivered on or prior to the original issue date of the Tranche to a Common Depository.

If the Global Note is a CGN, upon the initial deposit of a Global Note with a common depository for Euroclear and Clearstream, Luxembourg (the “Common Depository”) or registration of Registered Notes in the name of any nominee for Euroclear and Clearstream, Luxembourg and delivery of the relative Registered Note Global Certificate to the Common Depository, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid. If the Global Note is a NGN, the nominal amount of the Notes shall be the aggregate amount from time to time entered in the records of Euroclear or Clearstream, Luxembourg. The records of such clearing system shall be conclusive evidence of the nominal amount of Notes represented by the Global Note and a statement issued by such clearing system at any time shall be conclusive evidence of the records of the relevant clearing system at that time.

Notes that are initially deposited with the Common Depository may also be credited to the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, Notes that are initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg, or any other permitted clearing system (an “Alternative Clearing System”) as the holder of a Note represented by a Registered Note Global Note or a Global Certificate must look solely to Euroclear, Clearstream, Luxembourg or such Alternative Clearing System (as the case may be) for his share of each payment made by the Issuer to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, and in relation to all other rights arising under the Registered Note Global Notes or Global Certificates, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg or such Alternative Clearing System. Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Registered Note Global Note or Global Certificate and such obligations of the Issuer will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

Exchange

1. *Temporary Global Notes*

Each temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date:

- (i) if the relevant Final Terms indicates that such Global Note is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see “Summary of the Programme—Selling Restrictions”), in whole, but not in part, for the Definitive Notes defined and described below; and
- (ii) otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement for interests in a permanent Global Note or, if so provided in the relevant Final Terms, for Definitive Notes.

Each temporary Global Note that is also an Exchangeable Bearer Note will be exchangeable for Registered Notes in accordance with the Conditions in addition to any permanent Global Note or Definitive Notes for which it may be exchangeable and, before its Exchange Date, will also be exchangeable in whole or in part for Registered Notes only.

2. *Permanent Global Notes*

Each permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided below, in part for Definitive Notes or, in the case of (iii) below, Registered Notes:

- (i) unless principal in respect of any Notes is not paid when due, by the Issuer giving notice to the Noteholders and the Fiscal Agent of its intention to effect such exchange;
- (ii) if the relevant Final Terms provides that such Global Note is exchangeable at the request of the holder, by the holder giving notice to the Fiscal Agent of its election for such exchange;
- (iii) if the permanent Global Note is an Exchangeable Bearer Note, by the holder giving notice to the Fiscal Agent of its election to exchange the whole or a part of such Global Note for Registered Notes; and
- (iv) otherwise, (1) if the permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or in fact does so, (2) if principal in respect of any Notes is not paid when due by the holder giving notice to the Fiscal Agent of its election for such exchange or (3) in such circumstances as are specified in the relevant Final Terms.

3. *Registered Note Global Certificates*

If the Final Terms state that the Notes are to be represented by a permanent Registered Note Global Certificate on issue, transfers of the holding of Notes represented by any Registered Note Global Certificate pursuant to Condition 2(b) (Transfers of Registered Notes) may only be made in part:

- (i) if the Notes represented by the Registered Note Global Certificate are held on behalf of Euroclear or Clearstream, Luxembourg or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- (ii) if principal in respect of any Notes is not paid when due; or
- (iii) in such circumstances as are specified in the relevant Final Terms; or
- (iv) with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to (i) or (ii) above, the Registered Holder has given the Registrar not less than 30 days' notice at its specified office of the Registered Holder's intention to effect such transfer.

4. *Partial Exchange of Permanent Global Notes*

For so long as a permanent Global Note is held on behalf of a clearing system and the rules of that clearing system permit, such permanent Global Note will be exchangeable in part on one or more occasions (1) for Registered Notes if the permanent Global Note is an Exchangeable Bearer Note and the part submitted for exchange is to be exchanged for Registered Notes, or (2) for Definitive Notes (i) if principal in respect of any Notes is not paid when due or (ii) if so provided in, and in accordance with, the Conditions (which will be set out in the relevant Final Terms) relating to Partly-Paid Notes.

5. *Delivery of Notes*

If the Global Note is a CGN, on or after any due date for exchange the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Fiscal Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Issuer will (i) in the case of a temporary Global Note exchangeable for

a permanent Global Note, deliver, or procure the delivery of, a permanent Global Note in an aggregate nominal amount equal to that of the whole or that part of a temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes or Registered Notes, deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Notes and/or Registered Note Certificates, as the case may be, or if the Global Note is a NGN, the Issuer will procure that details of such exchange be entered *pro rata* in the records of the relevant clearing system. In this Prospectus, “Definitive Notes” means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Global Note and a Talon). Definitive Notes will be security printed and Registered Note Certificates will be printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Agency Agreement. On exchange in full of each permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

6. *Exchange Date*

“Exchange Date” means, in relation to a temporary Global Note, the day falling after the expiry of 40 days after its issue date and, in relation to a permanent Global Note, a day falling not less than 60 days, or in the case of an exchange for Registered Notes five days, or in the case of failure to pay principal in respect of any Notes when due 30 days after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Fiscal Agent is located and in the city in which the relevant clearing system is located.

Amendment to Conditions

The temporary Global Notes, permanent Global Notes and Registered Note Global Certificates contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Prospectus. The following is a summary of certain of those provisions:

1. *Payments*

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a permanent Global Note or for Definitive Notes or Registered Notes is improperly withheld or refused. Payments on any temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note in CGN form, will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Fiscal Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. If the Global Note is a CGN, a record of each payment so made will be endorsed on each Global Note, which endorsement will be *prima facie* evidence that such payment has been made in respect of the Notes. Condition 7(e)(vii) and Condition 8(d) of the terms and conditions (in relation to Senior Notes) and Condition 6(e)(vii) and Condition 7(d) of the terms and conditions (in relation to Subordinated Notes) will apply to the Definitive Notes only. If the Global Note is a NGN, the Issuer shall procure the details of each such payment shall be entered *pro rata* in the records of the relevant clearing system and in the case of payments of principal, the nominal amount of the Notes recorded in the records of the relevant clearing system and represented by the Global Note will be reduced accordingly. Payments under the NGN will be made to its holder. Each payment so made will discharge the Issuer’s obligations in respect thereof. Any failure to make the entries in the records of the relevant clearing system shall not affect such discharge.

2. *Prescription*

Claims against the Issuer in respect of Notes that are represented by a permanent Global Note will become void unless it is presented for payment within a period of ten years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 9 in the case of the Senior Notes and in Condition 8 in the case of the Subordinated Notes).

3. *Meetings*

The holder of a permanent Global Note or of the Notes represented by a Registered Note Global Certificate shall (unless such permanent Global Note or Registered Note Global Certificate represents only one Note) be treated as being two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, the holder of a permanent Global Note shall be treated as having one vote in respect of each minimum Specified Denomination of Notes for which such Global Note may be exchanged. (All holders of Registered Notes are entitled to one vote in respect of each Note comprising such Noteholder's holding, whether or not represented by a Registered Note Global Certificate.)

4. *Cancellation*

Cancellation of any Note represented by a permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the nominal amount of the relevant permanent Global Note.

5. *Purchase*

Notes represented by a permanent Global Note may only be purchased by the Issuer or any of its subsidiaries if they are purchased together with the rights to receive all future payments of interest and Instalment Amounts (if any) thereon.

6. *Issuer's Option*

Any option of the Issuer provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the event that any option of the Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of accountholders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear, Clearstream, Luxembourg, Euroclear France (to be reflected in the records of Euroclear, Clearstream, Luxembourg and/or Euroclear, France as either a pool factor or a reduction in nominal amount, at their discretion or any other Alternative Clearing System (as the case may be).

7. *Noteholders' Options*

Where the Global Note is a NGN, the Issuer shall procure that details of such exercise shall be entered *pro rata* in the records of the relevant clearing system and the nominal amount of the Notes recorded in those records will be reduced accordingly.

8 *NGN nominal amount*

Where the Global Note is a NGN, the Issuer shall procure that any exchange, payment, cancellation, exercise of any option or any right under the Notes, as the case may be, in addition to the circumstances set out above shall be entered in the records of the relevant clearing systems and upon any such entry being made, in respect of payments of principal, the nominal amount of the Notes represented by such Global Note shall be adjusted accordingly.

However, no such election may be made in respect of Notes represented by a Registered Note Global Certificate unless the transfer of the whole or a part of the holding of Notes represented by that Registered Note Global Certificate shall have been improperly withheld or refused.

For so long as any instalments of the subscription moneys due from the holder of Partly-Paid Notes are overdue, no interest in a Global Note representing such Notes may be exchanged for an interest in a permanent Global Note or for Definitive Notes (as the case may be). In the event that any Noteholder fails to pay any instalment due on any Partly-Paid Notes within the time specified, the Issuer may be entitled to forfeit such Notes and shall have no further obligation to their holder in respect of them.

USE OF PROCEEDS

The net proceeds of the issue of the Notes, Certificates and Warrants will be used for the general financing purposes of the Issuer. If, in respect of any particular issue, there is a particular identified use of proceeds, this will be stated in the applicable Final Terms, Final Terms for the Certificates or Final Terms for the Warrants, as the case may be.

DEXIA GROUP

A European bank, leader in local public finance

Dexia was born in 1996 from the alliance of two top-level operators in local public sector financing in Europe: Crédit Communal de Belgique and Crédit Local de France.

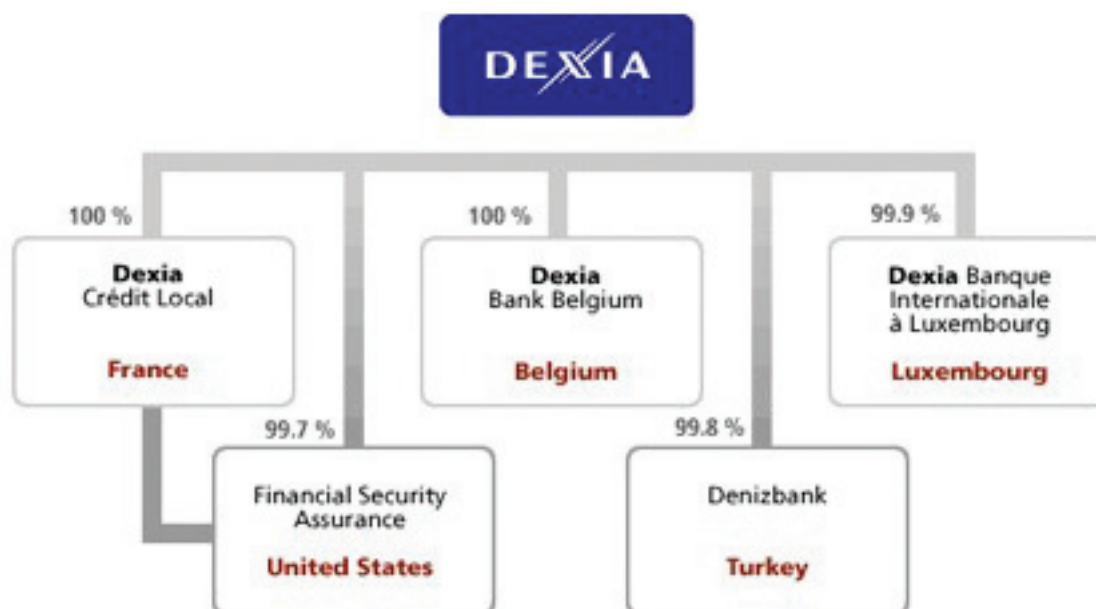

It was the result of one of the very first cross-border mergers in the European banking sector and is classified among the twenty largest financial institutions in the euro zone (Fininfo) and builds its strategy on two pillars: retail banking in Europe (Belgium, Luxembourg, Slovakia, Turkey) and a world leadership in providing financial services to the local public sector and project finance.

Two pillars: retail banking in Europe and public & project finance at global level

Dexia is a retail bank which has 5.5 million customers in Belgium, Luxembourg, Slovakia and Turkey. Over the years, Dexia has developed a broad range of banking services for private individuals, small and medium sized businesses and institutional clients.

Know-how, long-term commitment and a high degree of solvency give a high visibility to Dexia. Dexia develops this strategy at world level.

Dexia's success rests not only on its renown and its distribution capacities, but also on its ability to design sophisticated products and to develop innovative solutions responding the financial needs of its clientele.

Treasury and financial markets

Based on its strategic business lines and as a result of the large volumes of its long-term bond issues – the majority of which are rated AAA – the Group also has an intensive global presence in treasury and financial markets, providing its customers with international access to funding and providing the Group with funding and balance sheet-management solutions. Commenting on those results, Axel Miller, Group CEO, declared:

“With a ROE of 17.8% and an underlying net profit up 12.5%, Dexia’s operating performance in 2007 was solid, supported by the strong contribution of all commercial business lines. Dexia’s strengths and solidity are reaffirmed. The financial and subprime crisis had little effects on cash flows. Though the widening of credit spreads translates into negative mark-to-market accounting adjustments on certain Group’s assets, it has little consequences on our solvency ratios, on capital needs and on our past and future cash flows. Dexia confirms its exposure to subprime mortgages remains well protected. In this context, we are pleased to propose our shareholders a 12.3% increase in the dividend per share at EUR 0.91. ”

Activity: Credit re-pricing creates attractive opportunities

	Increases over 12 months
Public/Project Finance – LT commitments	+ 22.0% On a constant exchange rate
FSA – Net par Outstanding (USD)	+ 13.3%
Personal Financial Services	
- Customer assets	+ 3.4%
- Customer loans	+ 13.8%
Assets under Management	+ 4.3%
Assets under Administration (USD)	+ 25.9%

Continued credit re-pricing on the market created favourable conditions for Dexia, with higher returns on assets originated or purchased, especially within Public/Project Finance and credit enhancement. New business originated during the 4th quarter was thus achieved in good conditions for Dexia. Public/Project Finance originations in the fourth quarter were 44% higher than in the comparable quarter of 2006, and present value originations at FSA increased 9%. Over the full year 2007, originations in Public/Project Finance increased 28% and present value originations at FSA were up 40%.

Operating performance: continued cost-income ratio improvements

Operating performance during 4Q07 was strong, with an increase of the underlying gross operating income of 13.7% (on a constant exchange rate and scope of consolidation basis). Underlying revenues went up 8.6% and underlying costs up 4.9%, the latter reflecting continued investment in many business developments (particularly Public/Project Finance international expansion, strong growth of originations at FSA, and increased investments in Turkey). Over the full year 2007, the underlying gross operating income grew by 9.1%. The underlying cost-income ratio came down from 55.4% in 2006 to 54.8% in 2007. This is satisfactory as the progressions of business volumes have been healthy, therefore building a strong basis for future revenues.

Underlying net attributable profit: all commercial business lines contributed to net earnings growth

Underlying 4th quarter net attributable profit was up 14.2% year-on-year at EUR 603 million (+15.0% on a constant exchange rate), and up 12.5% year-to-date, at EUR 2,362 million (+13.1% on a constant exchange rate).

Over the full year 2007, all commercial business lines came with double-digit growth rates of their underlying net income:

In millions of EUR	4Q 07	4Q 07 / 4Q 06*	FY 2007	FY 07 / FY 06*

Subprimes and the financial crisis: Dexia confirms they have no material impact on asset quality

As stated before, credit risk stemming from the subprime mortgages is not a special concern for Dexia, given the good command of underwriting and monitoring processes. The Group's subprime exposure is and remains well protected and it is not expected to generate material economic losses. Additionally, the Group deliberately kept out of ABS CDOs. At FSA, HELOCs (Home equity lines of credit to prime borrowers on average), which have become a market concern, would only have a moderate negative impact.

The Group has constantly maintained a strong liquidity position, and its cost of funding remains very competitive. Dexia has no liquidity commitments towards conduits or off-balance-sheet SIVs. Group off-balance sheet commitments mainly refers to the financing of high quality US municipal bonds and do not raise capital or funding concerns.

The solvency and credit ratings of Dexia have remained untouched.

The financial crisis has led to negative marks on certain financial portfolios, with impacts more particularly through the income statement at FSA and at Treasury and Financial Markets (TFM). In the present circumstances, these adjustments are accounting requirements which do not reflect a weakening of creditworthiness of the assets, because the spread widening is mainly due to liquidity dislocations rather than credit deterioration. In this regard, 4Q07 proved similar to 3Q07. On the other side, overall spread widening and global liquidity shortage created a favourable environment for banks with an easy access to liquidity, like Dexia.

- At FSA, the mark-to-market principles apply to the CDS portfolio, which is classified as 'derivatives', notwithstanding the fact that FSA is committed to insure the transactions to maturity, as explained in earlier communications. The underlying of the CDS portfolio is not linked to the subprime issue. Given the strong credit quality of the CDS portfolio concerned, and the fact that it will be held to maturity, the negative marks are not expected to result in realized losses. In fact all the adjustments made, whether positive or negative, are expected to add up to zero when the transactions mature. It has been noted for many quarters that credit spreads were unnaturally narrow and liquidity too easily available, prompting FSA to say consistently that its positive marks-to-market should not be treated as real or continuing, and thus regarded as 'non-operating'. Similarly, the negative marks this quarter should not be treated as real or continuing.
- At TFM, underlying results come to EUR 80 million for the 4th quarter (vs. EUR 86 million in 4Q 06), and EUR 238 million for the full year (-20% on a constant exchange rate basis) as the Group benefited from a sharp increase in Treasury operations during 4Q07. At a time when markets were in need of liquidity, Dexia benefited from its easy access to liquidity. This positive contribution partly offset a negative mark-to-market impact of EUR 75 million during 4Q07. This stems from the widening of spreads of financial assets in the current market, in spite of their very high credit quality as discussed before. Within the Credit Spread Portfolio, one specific pocket of very high credit quality assets, representing about 6% of the total, is marked-to-market in view of its accounting classification as 'trading' and caused the majority of the above EUR 75 million adjustment. Given the quality of the assets (99.5% AAA), absent a credit event, the negative marks made during this quarter on the above portfolio, which have no cash impact, will reverse over time.

Capital management: dividend per share up 12.3% at EUR 0.91 and excess of capital resulting from the switch to Basel II partly invested in value creative operations

Gross dividend per share proposed to shareholders is 0.91, up 12.3% compared to the year before. Pay out ratio stands at 45% on underlying earnings.

Capital strength remains high under the Basel I referential (9.1% Tier 1 ratio as of December 31), and is even higher under Basel II at 11.5%. Further refining of the model will allow additional savings by the end of the year. All things being equal, the switch to Basel II reduces Dexia's capital requirements by around EUR 2 billion compared to Basel I based target (9% Tier 1 with 50% of hybrid capital). In accordance with the stated policy, capital in excess is being used to invest profitably in business developments and in buying back shares. Dexia announced in August 2007 a EUR 500 million share buyback program. As of end of February EUR 307 million were bought back.

Actively managing its capital resources, Dexia acquired in 2007 Bradford & Bingley's EUR 3 billion UK social housing loan portfolio and announced early 2008 a USD 500 million (EUR 340 million) capital injection at FSA. The social housing portfolio is a safe business which will enable Dexia to strengthen its market shares and will generate a good profitability. As for FSA, the recent weakening of almost all competitors boosted FSA's market shares and profitability of new business. While operating ROEs ranged between 13% and 15% in recent years, the additional capital will be put to work within an ideal environment. The capital injection followed the exceptional USD 530 million dividend paid by FSA in 2006, when competition was tough and margins under pressure.

Buisness plan 2008-2010: 10% EPS growth prospects confirmed

Dexia updated its medium term financial targets and rolled over its 2006-2009 business plan to 2008-2010. Dexia's strategic priorities will remain focused on expanding the group's main franchises while emphasis will be increasingly put on operating efficiency. The key financial targets are unchanged with an average 10% growth rate in both reported and underlying EPS and a dividend growth of at least 10%.

Conclusion

In conclusion, Axel Miller commented:

“The financial crisis has created a new environment of which only banks with the strongest level of liquidity, asset quality and capital base can take advantage from. With its 2007 results and developments, Dexia proves it is one of these banks.

The current crisis will last, creating new opportunities and challenges but also a continued high volatility. The commitment of our people, our strong client relationships and a continuing close monitoring of asset quality and liquidity situations will remain key assets to face these challenges.

We remain confident on our ability to achieve our long term objectives, as stated in the past. Our new mid-term business plan targets a compound annual EPS growth of 10% over the 2008-2010 period.”

TAXATION

The matters described below do not constitute, and should not be considered as, legal or tax advice to prospective purchasers. Prospective purchasers should consult legal or tax advisers in the country of their citizenship, residence or domicile to determine the possible tax or other consequences of purchasing, holding and redeeming Notes and/or Certificates and/or Warrants, as the case may be, under the laws of the relevant jurisdiction.

Luxembourg Tax Consequences

The following is a summary discussion of certain material Luxembourg tax consequences with respect to the Notes Certificates. The summary does not purport to be a comprehensive description of all of the tax considerations that may be relevant to any particular holder of Notes Certificates, and does not purport to include tax considerations that arise from rules of general application or that are generally assumed to be known to holders of Notes Certificates. It is not intended to be, nor should it be construed to be, legal or tax advice. This discussion is based on Luxembourg laws and regulations as they stand on the date of this prospectus and is subject to any change in law or regulations or changes in interpretation or application thereof that may take effect after such date. Prospective investors in the Notes Certificates should therefore consult their own professional advisers as to the effects of state, local or foreign laws and regulations, including Luxembourg tax law and regulations, to which they may be subject.

Withholding Tax

Non-Residents

Under Luxembourg tax law currently in effect and except as provided for by the law of 21 June, 2005 (the “2005 Law”) implementing the Directive 2003/48/EC on taxation of savings income in the form of interest payments (the “EU Savings Directive”), there is no withholding tax for non-resident holders of the Notes and Certificates on payments of interest (including accrued but unpaid interest) and on payments received upon redemption or repayment of the principal or upon an exchange of the Notes and Certificates.

On 3 June, 2003, the European Council approved the EU Savings Directive and under the related Accords with certain dependent or associated territories and certain non-EU Member States (together the “relevant States”), EU Member States will be required to provide to the fiscal authorities of another EU Member State and all the relevant States details of payments of interest or similar income made by a person within its jurisdiction to an individual resident in that other EU Member State or a State, except that Austria, Belgium and Luxembourg will instead operate a withholding system for a transitional period in relation to such payments unless during such period they elect otherwise.

Under the 2005 Law and under the relevant Accords payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual or certain residual entities, who as a result of an identification procedure implemented by the paying agent are identified as *residents* or are deemed to be *residents* of an EU Member State or a relevant State other than Luxembourg, will be subject to a withholding tax unless the relevant beneficiary has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal authorities of his/her country of residence or deemed residence or has provided a tax certificate from his/her fiscal authority in the format required by law to the relevant paying agent.

Where withholding tax is applied, payments of interest and similar income will be subject to a withholding to be made by the relevant paying agent at the initial rate of 15% during the first three-year period starting 1 July, 2005, at a rate of 20% for the subsequent three-year period and at a rate of 35% thereafter.

When used in the preceding three paragraphs “interest”, “paying agent”, and “residual entity” have the meaning given thereto in the 2005 Law or the relevant Accords. “Interest” will include accrued or capitalised interest at the sale, repayment or redemption of the Notes and Certificates. “Paying agent” is defined broadly for this purpose and in the context of the Notes and Certificates means any economic operator established in Luxembourg who pays interest on the Notes and Certificates to or ascribes the payment of such interest to or for the immediate benefit of the beneficial owner, whether the operator is, or acts on behalf of, the Issuer or is instructed by the beneficial owner to collect such payment of interest.

Payments of interest or similar income under the Notes and Certificates to the clearing systems and payments by or on behalf of Clearstream, Luxembourg, to financial intermediaries will not give rise to a withholding tax under Luxembourg law.

Residents

Interest on Notes and Certificates paid by a Luxembourg paying agent to an individual holder who is a resident of Luxembourg or to a foreign residual entity securing the payment for the benefit of such individual holder will be subject to a withholding tax of 10% which will operate a full discharge of income tax due on such payments.

Interest on Notes and Certificates paid by Luxembourg paying agent to Luxembourg Noteholders which are not individuals will not be subject to any withholding tax.

Income deriving from the Notes and Certificates

Non-Resident Holders

Non-Luxembourg holders of the Notes and Certificates who are non-resident of Luxembourg and who do not hold the Notes and Certificates through a permanent establishment in Luxembourg are not liable to any Luxembourg income tax, whether they receive payments of principal, payments of interest (including accrued but unpaid interest), payments received upon redemption, repurchase or exchange of the Notes and Certificates, or realize capital gains on the sale of the Notes and Certificates.

Resident Holders – General

Holders of the Notes and Certificates will not become residents, or be deemed to be resident in Luxembourg by reason only of the holding of the Notes and Certificates.

Holders of the Notes and Certificates who are tax resident in Luxembourg, or non-resident holders of the Notes and Certificates who have a permanent establishment or permanent representative in Luxembourg to which or to whom the Notes and Certificates are attributable, must for income tax purposes include any interest and other income received or accrued on the Notes and Certificates in their taxable income has been levied. Individuals who are tax residents in Luxembourg are deemed having been taxed on net income if the withholding tax at the payment rate of 10% referred to above has been levied. They will not be liable to any Luxembourg income tax on repayment of principal. If in this last case the aforementioned 10% withholding tax has been levied it can be credited against the overall income tax liability.

Luxembourg Resident Individuals

Luxembourg resident individual holders of the Notes and Certificates who do not hold Notes and Certificates as business assets are not subject to taxation on capital gains upon the disposal of the Notes and Certificates, unless their disposal precedes their acquisition or they are disposed of within six months of the date of their acquisition. Upon a repurchase, redemption or exchange of Notes and Certificates, Luxembourg resident individual holders of the Notes and Certificates must however include the portion of repurchase, redemption or exchange price corresponding to accrued but unpaid interest in their taxable income. Luxembourg resident individual holders of Notes and Certificates who hold Notes and Certificates as business assets are subject to tax as described in relation to “Luxembourg Resident Companies” below.

Luxembourg Resident Companies

Unless they benefit from an exemption under Luxembourg tax law, Luxembourg resident companies (*sociétés de capitaux*), holding Notes or Certificates, or foreign entities of the same type who have a permanent establishment or permanent representative in Luxembourg to which or to whom the Notes or Certificates are attributable, must include in their taxable income interests accrued in the Notes or Certificates and, on a sale repurchase, redemption or exchange, the difference between the sale, repurchase, redemption or exchange price (including accrued but unpaid interest) and the lower of the cost or book value of the Notes or Certificates sold, repurchased, redeemed or exchanged.

Net Wealth Tax

Unless they benefit from an exemption under Luxembourg tax law, Luxembourg net wealth tax will not be levied on a holder of the Notes and Certificates, unless (i) such Notes and Certificates are attributable to a business enterprise or part thereof or which is carried on in

Luxembourg or through a permanent establishment or a permanent representative of a non-resident company in Luxembourg. In such a case, the holder of Notes and Certificates must take the Notes and Certificates into account for the purposes of Luxembourg wealth tax.

Other Tax Consequences

Stamp Taxes and Transfer Taxes

There is no Luxembourg registration tax, stamp duty or any other similar tax or duty payable in Luxembourg by the holders of Notes and Certificates as a consequence of the issuance of the Notes and Certificates, nor will any of these taxes be payable as a consequence of a subsequent transfer, repurchase or redemption of the Notes and Certificates.

Gift Taxes

No estate or inheritance tax is levied on the transfer of Notes or Certificates upon death of a holder of Notes or Certificates in cases where the deceased was not a resident of Luxembourg for inheritance tax purposes and no gift tax is levied upon a gift of Notes or Certificates if the gift is not passed before a Luxembourg notary or recorded in a deed registered in Luxembourg. Where a holder of Notes or Certificates is a resident for tax purposes of Luxembourg at the time of his death, the Notes or Certificates are included in its taxable estate for inheritance tax or estate tax purposes.

Singapore Tax Consequences

The statements below are general in nature and are based on certain aspects of current tax laws in Singapore, announced budget measures in the 2008 Budget and administrative guidelines issued by MAS in force as at the date of this Prospectus and are subject to enactment of such budget measures and to any changes in such laws or administrative guidelines, or the interpretation of those laws or guidelines, occurring after such date, which changes could be made on a retroactive basis. Neither these statements nor any other statements in this Prospectus are to be regarded as advice on the tax position of any holder of the Warrants, Notes or Certificates or of any person acquiring, selling or otherwise dealing with the Warrants, Notes or Certificates or on any tax implications arising from the acquisition, sale or other dealings in respect of the Warrants, Notes or Certificates. The statements do not purport to be a comprehensive description of all the tax considerations that may be relevant to a decision to purchase, own or dispose of the Warrants, Notes or Certificates and do not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities) may be subject to special rules. There may be additional taxation issues arising from complex structured products such as the Warrants, Notes or Certificates which have not been addressed in this section. Prospective holders of the Warrants, Notes or Certificates who are in doubt about their respective tax positions or any such tax implications of the purchase, ownership or transfer of Warrants, Notes or Certificates or who may be subject to tax in a jurisdiction other than Singapore should consult their own professional advisers.

Interest and Other Payments

Subject to the following paragraphs, under Section 12(6) of the Income Tax Act, Chapter 134 of Singapore ("ITA"), the following payments are deemed to be derived from Singapore:

- (a) interest, commission, fee or any other payment in connection with any loan or indebtedness or with any arrangement, management, guarantee, or service relating to any loan or indebtedness which is (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore or any immovable property situated outside Singapore or (ii) deductible against any income accruing in or derived from Singapore; and
- (b) income derived from loans where the funds provided by such loans are brought into or used in Singapore.

Such payments, where made to a person not known to Dexia BIL Singapore to be a resident in Singapore for tax purposes, are generally subject to withholding tax in Singapore. The rate at which tax is withheld for such payments (other than those subject to the 15 per cent. final withholding tax described below) to non-resident persons other than non-resident individuals and Hindu joint families is 18 per cent. with effect from year of assessment 2008. The applicable rate for non-resident individuals and non-resident Hindu joint families is 20 per cent.. However, if the

payment is derived by a person not resident in Singapore otherwise than from any trade, business, profession or vocation carried on or exercised by such person in Singapore and is not effectively connected with any permanent establishment in Singapore of that person, the payment is subject to a final withholding tax of 15 per cent. The rate of 15 per cent. may be reduced by applicable tax treaties.

However, interest and discount income (not including discount income arising from secondary trading) ("Relevant Discount") from debt securities issued by Dexia BIL Singapore and derived by individuals will be exempted from tax, except where such income is derived through a partnership in Singapore or is considered as gains or profits derived from the carrying on of a trade, business or profession.

However, where the dealer for more than half of each Tranche of the Notes or the Certificates is a Financial Sector Incentive (Bond Market) Company (as defined in the ITA), and where such Notes or such Certificates are issued before 31st December 2008 (hereinafter known as "Relevant Notes" or "Relevant Certificates"), Relevant Notes or Relevant Certificates will be "qualifying debt securities" for the purposes of the ITA to which the following treatments apply:

- (a) subject to certain prescribed conditions having been fulfilled (including the furnishing by the Issuer, or such other person as the Comptroller of Income Tax in Singapore (the "Comptroller") may direct, of a return on debt securities within such period as the Comptroller may specify and such other particulars in connection with the Notes as the Comptroller may require to the Comptroller and the Monetary Authority of Singapore ("MAS") and the inclusion by the Issuer in all offering documents relating to Relevant Notes and Relevant Certificates of a statement to the effect that where interest or discount income is derived by a person who is not resident in Singapore and who carries on any operation in Singapore through a permanent establishment in Singapore, the tax exemption shall not apply if the non-resident person acquires Relevant Notes or Relevant Certificates using funds from that person's operations through the Singapore permanent establishment), interest and Relevant Discount on Relevant Notes or Relevant Certificates derived by a holder who is not resident in Singapore and (aa) who does not have any permanent establishment in Singapore or (bb) carries on any operation in Singapore through a permanent establishment in Singapore but the funds used by that person to acquire Relevant Notes or Relevant Certificates are not obtained from the operation, are exempt from Singapore tax;
- (b) subject to certain conditions having been fulfilled (including the furnishing by the Issuer, or such other person as the Comptroller may direct, of a return on debt securities within such period as the Comptroller may specify and such other particulars in connection with Relevant Notes or Relevant Certificates as the Comptroller may require to the Comptroller and the MAS), interest and Relevant Discount on Relevant Notes or Relevant Certificates derived by any company is subject to tax at a concessionary rate of 10 per cent.;
- (c) interest and Relevant Discount on Relevant Notes or Relevant Certificates derived by a body of persons (as defined in the ITA) in Singapore are subject to tax at a concessionary rate of 10 per cent.; and
- (d) subject to:
 - (i) the Issuer including in all offering documents relating to Relevant Notes and Relevant Certificates a statement to the effect that any person whose interest or discount income derived from Relevant Notes and Relevant Certificates is not exempt from tax shall include such interest or discount income in a return of income made under the ITA; and
 - (ii) the Issuer, or such other person as the Comptroller may direct, furnishing to the Comptroller and MAS a return on debt securities within such period as the Comptroller may specify and such other particulars in connection with Relevant Notes or Relevant Certificates as the Comptroller may require, interest or Relevant Discount derived from the Relevant Notes or Relevant Certificates is not subject to withholding of tax by the Issuer.

However, notwithstanding the foregoing:

- (a) if during the primary launch of Relevant Notes or Relevant Certificates, Relevant Notes or Relevant Certificates are issued to less than four persons and 50 per cent. or more of the principal amount of Relevant Notes or Relevant Certificates is beneficially held or funded, directly or indirectly, by related parties of the Issuer, Relevant Notes or Relevant Certificates would not qualify as “qualifying debt securities”; and
- (b) even though Relevant Notes or Relevant Certificates are “qualifying debt securities”, if at any time during the tenor of Relevant Notes or Relevant Certificates, 50 per cent. or more of the principal amount of Relevant Notes or Relevant Certificates is beneficially held or funded, directly or indirectly, by any related party(ies) of the Issuer, interest or discount income derived from Relevant Notes or Relevant Certificates held by
 - (1) any related party of the Issuer; or
 - (2) any other person where the funds used by such person to acquire Relevant Notes or Relevant Certificates are obtained, directly or indirectly, from any related party of the Issuer, shall not be eligible for the tax exemption or concessionary tax rate of 10 per cent. described above.

The term “related party”, in relation to a person, means any other person who, directly or indirectly, controls that person, or is controlled, directly or indirectly, by that person, or where he and that other person, directly or indirectly, are under the control of a common person.

Notwithstanding that the Issuer is permitted to make payment in respect of Relevant Notes or Relevant Certificates without deduction or withholding for tax under Section 45 or Section 45A of the ITA, any person whose interest or discount derived from Relevant Notes or Relevant Certificates is not exempt from tax is required to include such interest or discount income in a return of income made under the ITA.

The Income Tax (Amendment No. 2) Act 2007 was enacted to provide, *inter alia*, that the tax incentives for qualifying debt securities will be extended to accord tax exemption or concessionary tax rates on prepayment fee, redemption premium and break cost that are derived by investors from qualifying debt securities issued during the period from 15 February 2007 to 31 December 2008, subject to conditions to be prescribed by regulations. These may include a condition that tax exemption shall not apply if a non-resident person acquires Relevant Notes or Relevant Certificates using funds from that person’s operations through a Singapore permanent establishment, and a requirement that any person whose prepayment fee, redemption premium and break cost derived from Relevant Notes or Relevant Certificates is not exempt from tax is required to include such prepayment fee, redemption premium and break cost in a return of income made under the ITA.

Pursuant to announcements made by the Minister for Finance during the 2008 Budget on 15 February 2008, the qualifying debt securities scheme will be renewed for a period of five years from 1 January 2009 to 31 December 2013. In addition, the qualifying debt securities scheme is enhanced to exempt all investors from income tax on qualifying income derived from qualifying debt securities issued during the period from 16 February 2008 to 31 December 2013 that, *inter alia*, have a tenure of at least 10 years. The MAS is expected to release further details by end May 2008.

All foreign-sourced income received in Singapore on or after 1 January 2004 by individuals will be exempted from tax, provided such foreign-sourced income is not received through a partnership in Singapore.

Capital Gains

Singapore imposes a tax on income but does not impose tax on gains that are considered capital in nature. There are no specific statutes or regulations which deal with the characterisation of whether a gain is income or capital and the question of whether a gain from the disposal of Warrants, Notes or Certificates, or the exercise or expiry of a Warrant is income or capital is a question of fact dependent on the holder’s specific circumstances.

Any gains considered to be in the nature of capital made from the sale of the Warrants, Notes and Certificates will not be taxable in Singapore. However, any gains from the sale of the Warrants, Notes and Certificates which are gains from any trade, business, profession or vocation

carried on by that person, if accruing in or derived from Singapore, may be taxable as such gains are considered revenue in nature.

Holders of the Warrants, Notes and Certificates who are adopting Singapore Financial Reporting Standards 39 (“FRS 39”), may for Singapore income tax purposes be required to recognise gains or losses on the Warrants, Notes and Certificates, irrespective of disposal, in accordance with Section 34A of the ITA. Please see the section below on “Adoption of FRS 39 treatment for Singapore income tax purposes”.

Holders of the Warrants, Notes or Certificates should consult their own tax advisers if they are in any doubt as to the treatment that would be applicable to them.

Adoption of FRS 39 treatment for Singapore income tax purposes

On 30 December 2005, the Inland Revenue Authority of Singapore issued a circular entitled “Income Tax Implications arising from the adoption of FRS 39 – Financial instruments: Recognition and Measurement” (the “FRS 39 Circular”).

The FRS 39 Circular generally applies, subject to certain “opt-out” provisions, to taxpayers who are required to comply with FRS 39 for financial reporting purposes.

Holders of the Warrants, Notes and Certificates who may be subject to the tax treatment under the FRS 39 Circular should consult their own accounting and tax advisers regarding the Singapore income tax consequences of their acquisition, holding, conversion or disposal of the Warrants, Notes or Certificates.

Goods and Services Tax

Under the Goods and Services Tax Act, Chapter 117A of Singapore (“GST Act”), the following are examples of exempt supplies not subject to Goods and Services Tax (“GST”) under the Fourth Schedule to the GST Act:-

- (a) The exchange or grant of an option for the exchange of currency (whether effected by exchange of bank notes, currency notes or coin, by crediting or debiting accounts, or otherwise) other than the supply of a note or a coin as a collector’s item, investment article or item of numismatic interest;
- (b) the issue, allotment or transfer of ownership of an equity security (i.e. any interest in or right to a share in the capital of a body corporate or any option to acquire any such interest or right);
- (c) the issue, allotment, transfer of ownership, drawing, acceptance or endorsements of a debt security (i.e. any interest in or right to be paid money that is, or is to be, owing by any person or any option to acquire any such interest or right but excludes a contract of insurance and an estate or interest in land, other than an estate or interest as mortgagee or chargeholder); or
- (d) the renewal or variation of an equity security or debt security.

The GST Act does not, however, contain any specific provision relating to the GST treatment of all kinds of warrants (e.g. warrants relating to a basket of securities or an index rather than a particular security or cash-settled warrants). The Issuer is nevertheless of the view that the issue, allotment, transfer of ownership, renewal or variation of such warrants should in practice not be subject to GST and this position appears to be consistent with that indicated in the GST Handbook for Banks which had been drawn up jointly between the IRAS and the Association of Banks in Singapore.

Estate Duty

It was announced in the 2008 Budget that estate duty is abolished with respect to all deaths occurring on or after 15 February 2008.

PLAN OF DISTRIBUTION

Summary of Distribution Agreement

Subject to the terms and on the conditions contained in a Distribution Agreement (as further amended and supplemented as at the date of issue of the Notes) (the "Distribution Agreement") dated 9 November, 1995 as amended and restated on 26 March, 2008 between the Issuer acting through its head office and through Dexia Banque Internationale à Luxembourg, société anonyme Singapore Branch, the Permanent Dealers and the Arranger, the Notes, the Certificates and the Warrants will be offered on a continuous basis by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes, Certificates and Warrants directly on its own behalf to Dealers that are not Permanent Dealers and to sell Notes, Certificates and Warrants directly in its capacity as a Dealer. The Notes, the Certificates and the Warrants may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes, the Certificates and the Warrants may also be sold by the Issuer through the Dealers, acting as agents of the issuer. The Distribution Agreement also provides for Notes, Certificates and Warrants to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission in respect of Notes, Certificates or Warrants subscribed by it. The Issuer has agreed to reimburse the Arranger for certain of its expenses incurred in connection with the update of the Programme and the Dealers for certain of their activities in connection with the Programme. The commission in respect of an issue of Notes, Certificates or Warrants on a syndicated basis will be stated in the relevant Final Terms, Final Terms for the Certificates or Final Terms for the Warrants, as applicable.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes, the Certificates and the Warrants. The Distribution Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes, Certificates or Warrants in certain circumstances prior to payment for such Notes, Certificates or Warrants being made to the Issuer.

Selling Restrictions in respect of the Notes, the Certificates and the Warrants

United States

Neither the Notes nor the Certificates have been and will be registered under the U.S. Securities Act of 1933 as amended (the "Securities Act") and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S under the Securities Act (Regulation S) or pursuant to an exemption from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Notes and Certificates in bearer form having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has agreed that, except as permitted by the Distribution Agreement, it will not offer, sell or in the case of Notes or Certificates in bearer form, deliver the Notes or Certificates of any identifiable tranche (i) as part of their distribution at any time or (ii) otherwise until 40 days after completion of the distribution of such tranche as determined, and certified to each Relevant Dealer, by the issuer, or in the case of Notes or Certificates issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Notes or Certificates during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes or Certificates within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S.

The Notes and Certificates are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S.

In addition, until 40 days after the commencement of the offering, an offer or sale of Notes

or Certificates within the United States by any dealer (not participating in the offering) may violate the registration requirements of the Securities Act.

The Warrants have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer has represented and agreed that it has not offered or sold, and agrees that it will not offer or sell, any Warrants constituting part of its allotment within the United States. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Furthermore, neither the sale of nor trading in Warrants which relate to currencies, commodity prices or indices has been approved by the United States Commodity Futures Trading Commission under the United States Commodity Exchange Act and no U.S. person may at any time purchase, trade or maintain a position in such Warrants.

Public Offer Selling Restrictions under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Dealer has represented and agreed that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of Notes, Certificates or Warrants which are the subject of the offering contemplated by this Prospectus as completed by the relevant Final Terms, Final Terms for the Certificates or Final Terms for the Warrants in relation thereto, as the case may be, to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes, Certificates or Warrants to the public in that Relevant Member State:

- (a) if the Final Terms, Final Terms for the Certificates or Final Terms for the Warrants specify that an offer of those Notes, Certificates or Warrants, as the case may be, may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “Non-exempt Offer”), following the date of publication of a prospectus in relation to such Notes, Certificates or Warrants, as the case may be, which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the Final Terms, Final Terms for the Certificates or Final Terms for the Warrants contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or Final Terms, Final Terms for the Certificates or Final Terms for the Warrants, as applicable;
- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000; and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts;
- (d) at any time to fewer than 100 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the Relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (e) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive

provided that no such offer of Notes, Certificates or Warrants, as the case may be, referred to in (b) to (e) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes or Warrants to the public**” in relation to any Notes, Certificates or Warrants in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes, Certificates or Warrants to be offered so as to enable an investor to decide to purchase or subscribe the Notes, Certificates or Warrants, as the same may be varied in that Member State

by any measure implementing the Prospectus Directive in that Member State and the expression “Prospectus Directive” means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.
