This is in response to your Freedom of Information Act (FOIA) request dated October 30, 2016 (tracking number 817523) wherein you requested "A copy of the Freedom of Information Act APPEALS log for the Department of Labor for the time period since 2009."

The Office of the Solicitor has completed a search and review process and enclosed are 53 pages of responsive records pertinent to your request. Pursuant to 5 U.S.C. § 552(b)(6), we are withholding information such as personal identifiers where the entries would reveal the identity of whistleblower claimants; USSERA claimant information; employment law claimant information; as well as information regarding the identity of anyone requesting their own Privacy Act file.

Under 29 CFR § 70.40(c)(4), charges assessed for all other requesters for the production of records are limited to search costs and reproduction costs with no fee for the first 100 pages. Therefore, there are no fees associated with processing your request.

If you have questions, please contact Raymond Mitten, Counsel for FOIA Appeals at (202) 693-5523.

While we do not consider this to be a denial of your request, you may file an appeal of this decision with the Solicitor of Labor within 90 days from the date of this letter. The appeal must state in writing the grounds for the appeal, and it may include any supporting statements or arguments, but such statements are not required. In order to facilitate processing of the appeal, please include your mailing address and daytime telephone number, as well as a copy of the initial request and copy of this letter. The envelope and letter of the appeal should be clearly marked "Freedom of Information Act Appeal." Any amendment to the appeal must be made in writing and received prior to a decision. The appeal should be addressed to the Solicitor of Labor, Division of Management and Administrative Legal Services, U.S. Department of Labor, 200 Constitution Avenue, NW, Room N2420, Washington, DC 20210.
