Decisions

1. **Our guiding principles are that qualifications for 16-year-olds should:**
 - Relate to, and support, the aims and purposes of the new curriculum for Wales
 - Be available in Welsh and English
 - Contribute to a coherent and inclusive offer.
2. **We will keep GCSE name**, but the content they cover and their assessment arrangements could change.
3. We will **align reforms of the Skills Challenge Certificate** with our wider review of qualifications.

Penderfyniadau

1. **Yn ôl ein egwyddorion arweiniol dylai cymwysterau i ddysgwyr 16 oed:**
 - Gysylltu â'r cwricwlwm newydd i Gymru a'i gefnogi
 - Fod ar gael yn Gymraeg a Saesneg
 - Gyfrannu at gynnig cydlynol a chynhwysol.
2. **Byddwn yn cadw'r enw TGAU**, ond fe all eu cynnwys a'u trefniadau asesu newid.
3. Byddwn yn **alinio diwygiadau i'r Dystysgrif Her Sgiliau** gyda'n hadolygiad ehangach o gymwysterau.
