Staten Island Fancy Dyeing ESTABLISHMENT,

Nos. 5 and 7 JOHN STREET,

(TWO DOORS FROM BROADWAY,)

NEW YORK,

AND

No. 47 NORTH EIGHTH STREET,
PHILADELPHIA.

Only one Office in New York; no Office in Brooklyn.

The Dyeing of Silk, Woolen, and Fancy Goods (including the re-dyeing and cleansing of Garments, such as Silk, Satin, Crape, Cloth, Merino, Velvet, and other DRESSES, SHAWLS, &c., &c.), has for a long term of years occupied the close attention of the undersigned at Staten Island. For the last **THIRTY YEARS** it has been their **EXCLUSIVE** business, for which they have built up a new establishment at Staten Island, now the most extensive for this business in the country, and, as far as known, in the world. All the improved appliances and apparatus of the art have been here brought into requisition; the most competent and expert of Foreign Dyers and Chemists have been induced to work in their Establishment, and for large fees, to impart the important modern discoveries of European Dyers. They have, also, at present, correspondence with an experienced scientific Chemist and Dyer in Elberfeld, on the Rhine (in the neighborhood of which are the most important Dyeing Establishments of Europe), who is engaged to transmit to us any new discoveries or methods which may there be brought out.

The friends and customers of the undersigned, some of whom have been so for nearly **THIRTY-SEVEN YEARS**, are aware of the great improvement and steady advance which has been made and sustained, and can bear witness that in the last few years many great difficulties have been overcome, so that in very many styles of Silk, Satin, Merino's, &c., they dye and re-finish very nearly (in some cases quite) to resemble new goods.

Special effort and expense have been devoted to the Dyeing and Re-fining of *Satin and Taffeta Ribbons*, and they are now enabled to do them in a style new in this country, and altogether superior.

As a natural result of these extraordinary efforts and liberal expenditure, they believe themselves to be far in advance of all their competitors, and by strict, unwearied perseverance, mean to continue so, assured that the community can readily discover merit, and will ever (as heretofore) sustain it.

LACE and MUSLIN CURTAINS, CARPETS, RUGS, TABLE COVERS, &c., CLEANED and RE-FINISHED. DAMASK and MOREEN CURTAINS beautifully DYED. Also, RIBBONS, TRIMMINGS, GALLOONS, GIMPS, etc., etc.

GRAVE SHAWLS dyed in the most brilliant shades of *Scarlet, Crimson, &c.*, or the more delicate and grave colors. *Broche and Crape Shawls*, cleaned in the best manner.

SILK DRESSES AND GARMENTS CLEANSSED SUCCESSFULLY,

EITHER RIPPED, OR WHOLE.

GOODS RECEIVED AND RETURNED BY EXPRESS.

THE DAY SCHOOL BELL.

40,000 COPIES ISSUED.

A new Singing Book for day schools, called the "Day School Bell," is now ready. It contains about 299 choice Songs, Rounds, Catches, Duets, Trios, Quartettes and Chorusses, many of them written expressly for this work, besides 32 pages of the Elements of Music. The Elements are so easy and progressive that ordinary teachers will find themselves entirely successful in instructing even young scholars to sing correctly and scientifically, while the tunes and words embrace such a variety of lively, attractive and soul-stirring music and sentiments, that no trouble will be experienced in inducing all beginners to go on with zeal in acquiring skill in one of the most health-giving, beauty-improving, happiness-yielding and order-producing exercises of school life. In simplicity of its elements, in variety and adaptation of music, and in excellence and number of its songs—original, selected and adapted—it claims by much to excel all competitors. It will be found to be the best ever issued for Seminaries, Academies and Public Schools. A few sample pages of the Elements, Tunes and Songs are given in a circular; send and get one. It is compiled by HORACE WATERS, author of "Sabbath School Bells," Nos. 1 and 2, which have had the enormous sale of 700,000 copies. Prices, paper cover, 20 cents—\$15 per 100; bound, 30 cents—\$22 per 100; cloth bound, embossed, gilt, 40 cents—\$30 per 100. 25 copies furnished at the 100 price. Mailed free at the retail price.

STEINWAY & SONS'

GOLD

MEDAL

PATENT OVERSTRUNG GRAND AND SQUARE PIANOS,

Are now considered the best Pianos manufactured.

These Instruments have taken twenty-six First Premiums—Gold and Silver Medals—within the LAST SIX YEARS, in competition with Pianos of the best makers of New York, Boston, Philadelphia, and Baltimore.

Among the Judges were GOTTSCHALK, WM. MASON, H. A. WOLLENHAUPT, and other musical celebrities.

STEINWAY & SONS do not refer to artists who were in this country many years ago, or to certificates or testimonials given a long time since, as it is a well known fact that such important improvements have been made in Pianos, QUITE RECENTLY, that many makers, whose Instruments were justly considered to rank among the best years ago, cannot by any means claim the same position at the present time.

We subjoin the following certificate, given within the last six months, by nearly all the leading and most prominent artists and musicians now residing in this country :

"The undersigned having personally examined and practically tested the improvement in Grand Pianos, invented by H. STEINWAY, in which the covered strings are overstrung above those remaining, do hereby certify:

"1. That as the result of the said improvement, the voice of a Piano is greatly improved in quality, quantity and power.

"2. The sound of STEINWAY's improvement is much more even, less harsh stronger, and much better prolonged, than that realized in any other Piano with which we are acquainted.

"3. The undersigned regard the improvement of MR. STEINWAY as most novel, ingenious, and important. No Piano of similar construction has ever been known or used, so far as the undersigned knew or believe."

Only one Office in New York; no Office in Brooklyn.

The Dyeing of Silk, Woolen, and Fancy Goods (including the re-dyeing and cleansing of Garments, such as Silk, Satin, Crape, Cloth, Merino, Velvet and other DRESSES, SHAWLS, &c., &c.,) has, for a long term of years occupied the close attention of the undersigned at Staten Island. For the last TEN YEARS it has been their EXCLUSIVE business, for which they have built up a new establishment at Staten Island, now the most extensive for this business in the country, and, as far as known, in the world. All the improved appliances and apparatus of the art have been here brought into requisition; the most competent and expert of Foreign Dyers and Chemists have been induced to work in their Establishment, and for large fees, to impart the important modern discoveries of European Dyers. They have, also, at present, correspondence with an experienced Scientific Chemist and Dyer in Elberfeld, on the Rhine, (in the neighborhood of which are the most important Dyeing Establishments of Europe,) who is engaged to transmit to us any new discoveries or methods which may there be brought out.

The friends and customers of the undersigned, some of whom have been such for nearly *Thirty-seven Years*, are aware of the great improvement and steady advance which has been made and sustained, and can bear witness that in the last few years many great difficulties have been overcome, so that in very many styles of Silk, Satin, Merinos, &c., they dye and re-finish very nearly (in some cases quite) to resemble new goods.

Especial effort and expense has been devoted to the Dyeing and Re-finishng *Satin* and *Tuffeta Ribbons*, and they are now enabled to do them in a style *new in this country, and altogether superior*.

As a natural result of these extraordinary efforts and liberal expenditure, they believe themselves to be far in advance of all their competitors, and by strict, unwearyed perseverance, mean to continue so, assured that the community can readily discover merit, and will ever (as heretofore) sustain it.

LACE and MUSLIN CURTAINS, CARPETS, RUGS, TABLE COVERS, &c., CLEANED and RE-FINISHED. DAMASK and MOREEN CURTAINS beautifully DYED. Also, RIBBONS, TRIMMINGS, GALLOONS, GIMPS, etc., etc.

CRAPPE SHAWLS dyed in the most *brilliant shades of Scarlet, Crimson, &c.*, or the more delicate and grave colors. *Broche and Crape Shawls* cleaned in the best manner.

SILK DRESSES AND GARMENTS CLEANSSED SUCCESSFULLY,

EITHER RIPPED OR WHOLE.

GOODS RECEIVED AND RETURNED BY EXPRESS.
