SUBJECT: Letter of Recommendation – Mr. Jack Applegate

Dear Nominations Committee,

Mr. Jack Applegate has decided to seek election to the ICC Board of Directors as an At-Large Director during the upcoming Annual Business Meeting in Louisville, KY.

Mr. Applegate has been actively involved in the Construction Industry since 1986 and during these years, his experiences and time served has prepared him to understand the various perspectives of membership, individual chapters, building and fire service and understanding the importance of fiscal responsibility of the ICC organization.

Jack has served as Vice Chair of the International Code Council's Building Codes Action Committee, The International Code Council Energy Exam Development Committee and the Oregon Building Officials Associations, Education and Legislative Committees and more recently, the Oregon Construction Contractors Board's Home Inspector Certification Test Advisory Panel.

Jack has also served as President of the Executive Board for the ICC Region II for two terms and has served as Vice President, Treasurer, and Secretary since 2014 and continues to serve on several committees supporting the safety 2.R, 2.0 and Military families.

The Yosemite Chapter believes that Mr. Jack Applegate will continue to thrive, learn, listen and help shape the future of ICC. Once again, we are pleased to offer our Chapter's support to Mr. Applegate as he seeks to be re-elected to the ICC Board of Directors.

Sincerely,

Brian Odom
President, Yosemite Chapter International Code Council
