

THIS IS A FACSIMILE OF THE PETITION SIGNED BY MEMBERS OF  
THE NATIONAL LEAGUE OF TAXPAYERS AGAINST PROPOSED IRS REGULATION IR-2013-92

# Concerned Taxpayers' Petition Against IRS Rule IR 2013-92

**Whereas:** The First Amendment of the United States Constitution guarantees our right to freedom of speech...a right which is doubly important during election season when candidates are out looking for votes;

**Whereas:** Regulation IR-2013-92 would prevent citizens from organizing "Communications that are made within 60 days of a general election (or within 30 days of a primary election) and clearly identify a candidate or political party";

**Whereas:** This regulation would be enforced by the Internal Revenue Service, an agency recently exposed to have targeted political opponents during the last Presidential Election;

**Whereas:** Politicians are most receptive to the will of the people just prior to an election;

**Therefore:** I urge the Federal Government to drop Regulation IR-2013-92 and its unconstitutional restriction on citizen organizations, and to cease using tax laws to suppress political speech.
