Patent Licensing Policy concerning G. 729 and H. 261/262/263

Dear Mr. Irmer,

Robert Bosch GmbH hereby declares that it is prepared to license its patents, both granted and pending, as listed in the attached Annex and which are necessary to manufacture and sell implementations of the ITU-Standard G.729 and H. 261/262/263.

Robert Bosch GmbH hereby also declares that it is aware of the rules governing inclusion of patented items in ITU-T Recommendations, as described in the ITU-T code of practice regarding intellectual property rights, and in particular that it is willing to grant a license to an unlimited number of applications throughout the world under reasonable terms and conditions that are demonstrably free of any unfair competition.

Yours sincerely,

2,2

ROBERT BOSCH GMBH
