## Reference: Notification of New Company Name

We are pleased to inform you that Chisso Corporation has established a new subsidiary, "JNC Corporation". We plan to assign and transfer all of business now conducted by Chisso Corporation to JNC Corporation as of April 1st this year.

Our quality system requires notification for changes where customers will notice visual differences in the products packaging and presentation to prevent any confusion. Please note that this change has been classified as a minor change because this change does not affect materials, manufacturing or performance of Cellufine products. Revalidation is not required.

If you have any questions concerning this notification or would like to schedule a follow up audit, please contact our representative.

Chisso would like to thank you for being a loyal customer and we sincerely appreciate your business. Please do not hesitate to contact us should you have questions or need any additional information.

Thank you very much in advance for your kind understanding and consideration.

Sincerely,

Yasutoshi Ishii

Manager, Technical Department, Chemicals Division
