### Unplayable pitch

Minimum notice to opposition – 3 hours before throw-in time. Travel to opposition if necessary.

### What is Default Date?

Where a league game is fixed for a Saturday the 'Default date' option provides a team with an opportunity to change the game to the Sunday if they so wish. However in order to have a game changed to the Sunday the following procedures must take place.

#### Default date procedures:

- Contact opposition no later than the Sunday (midnight) of the weekend before the game.
- The onus is on the club seeking the change to contact by phone the opposition's club Chairperson, Secretary or Member of Team Mgt. Emails or text messages not acceptable
- Contacting the County Board seeking the change is not sufficient – must make contact with opposition before deadline and then let County Committee know of any change.
- Failure to adhere to above will mean opposition are under no compulsion to change.

**Note: In certain circumstances such as when Kerry is playing or a dual Club is involved default date may not apply. CCC final decision.**

**Changes to Fixtures** (ie changing game from weekend scheduled on Fixtures Calendar to alternative weekend) - Parties to be consulted: (1) Opposition (2) District Board (3) CCC.

**For Media purposes** - Monday 5pm prior to Fixture latest time allowed for any changes unless where an exceptional situation arises (not to be confused with 'default' date deadline mentioned above)

**Results/Short Match Reports** to PRO within 5 Hours of game.
