# KLIK LEDpod<sup>TM</sup> 50 Patented

### **Description**

Discrete, seamless point source LED fixture for use in all code-compliant handrail, especially curving ramps and helical stairs as well as long runs on bridges and pedestrian paths. Asymmetric optic allows mounting at rail nadir, eliminating uncomfortable glare issues.

### **Housing**

Clear anodized aluminum body as standard. Color-match anodized or bronze body as options, consult factory.

Aluminum body has a fine 25-micron finish and is then hard-coat anodized, thus preventing galvanic corrosion. Silicone gasket seals the installation from water ingress and provides added means of electrical isolation to minimize potential for galvanic

## **Mounting**

Patented attachment method offers unparalleled security and ease of mounting. Requires only a simple drilled hole in railing material, eliminates threading, gluing or exposed fasteners common among other handrail fixtures. All conductors remain internal to railing to provide secure and safe wiring. IK10 Impact rating ensures vandal resistance. Tamperproof anti-theft option available for extreme environments; consult factory.

- Tube Size: Ø 1.75" 2.00", Max. wall .22" Other sizes available upon request
- Cut Out: 25mm
- Weight: 0.16 LBS

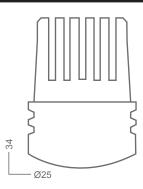

# **Electrical/LED Driver**

- Input Voltage: 24 VDC
- Operating Temp: -40 to 120° F
- Efficiency: 88 Im/W
- Driver: Must use class 2 driver
  - Primary Driver: 110 277 VAC UL Listed Constant Voltage
  - Secondary Driver: 350 700mA Constant Current (provided with fixture)
- Control: DALI, 0-10V, DMX
  - DMX control for dimming only, not for individually addressed LEDpod
- Enclosure: Minimum NEMA2 for indoor, NEMA 3R for outdoor
- Wire connectors provided; factory pre-wire available, consult factory

# Listings

- ETL listed, UL 1598/CSA 22.2; CE
- IP66 rated All IP rated luminaires tested to AS60529-2004 Degrees of protection provided by enclosures (IP Code)
- IK10 Impact Resistance
- Wet location rated

- 1. Additional sizes are available as special order, contact factory for rail dimensions other than those shown on this sheet.
- 2. Bronze material requires a special clip, contact factory for more information.
- 3. Also available in blue (BLU), green (GRN), red (RED), and custom color temperature (as special order).
- 4. Additional charges and lead time apply for this feature.
- 5. Tamper proof option offers additional protection in extreme environments. Additional charges and lead time apply for this feature. To specify; add "TP" to product code.
- 6. To Specify 1.5 Watt; add "0350" to product code; to Specify 2.5 Watt; add "0700" to product code. EX: LP5030KA40.0700

\*Please note, all KLIK fixtures are now

dimmable as standard
